Hey Malcolm,

I'm just trying to put together a 1 pager, for internal office use, detailing the sources of funding from the neighborhood recovery initiative. If you could please send me the information you have for the youth projects, I'd really appreciate it.

Thanks,

Jason

Training for Tomorrow - $5 million GRF
Community Business Fund - $5 million IKE funds & about $1 million in GRF (we need to confirm that GRF #)
DBE Contractor Training and Development Program – still finalizing that – at least $1.5 m GRF – will go higher

Rest should come from Malcolm.

Thx.

Sure, I'm on it. I'm assuming Malcolm and Toni have the information for youth, do you have the funding sources for jobs? I'll start putting it together right now

I just wanted to reconfirm that this is the total cost.

We also need to put together a 1 page document for internal use detailing the cost of each program

and the source of funds.

Jason – can you please take the lead on that. Thanks.
