Due to Session his schedule has changed and he'll be in Springfield that date, he will be in Chicago on December 9th and would be available from 10 am until 1:00 pm. Would that work for you?

Can you please confirm if Gary is available to meet with Billy and me on the 30th at the JRTC... and whether 10am works for him?

Thanks,

I am following up on the meeting request I emailed you on October 25th. Billy and I are interested in

meeting with you possibly within the next week or so. At your earliest convenience, would you please let us know when you are planning to be in Chicago? And what date/time would work best for you to meet with us. We greatly appreciate your time.

Best Regards,
