Michelle, I know we spoke last week about instituting some checks and balances in the partner agency selections for NRI. I'm not sure however if you had time to speak w/Barbara about this. If not, I'd like to set up a meeting to plan a structure. I'm thinking it would include me, you, Malcolm and Barbara. Please let me know your thoughts.

thx

Senator Lightford has expressed concern regarding NRI and the money going to the Village of Maywood. She says they have no youth programs and have been fighting with the Park District. I know there is some local politics that we are dealing with in Maywood, but we should look into this. What is the Village's plan for NRI. Also, Bishop Claude Porter, who runs the local community action agency, has been discussing this with Senator Lightford. Please keep me updated. Thanks.
