Hi, Toni. As you can see, Bishop Dukes is registering a complaint. The Lead Agency, Children's Home & Aid has met with Bishop Dukes and the local alderman and feels that their decision not to fund Liberated was a sound decision. We have asked them to send us a written explanation for their decision and will forward it to you as soon as we receive it.

Also, I wanted to mention that Greg Gaither, with Project City, is also calling to express displeasure that his group was not approved by the Lead Agency for Grand Crossing area. The Lead Agency has sent their explanation which I will forward to you.

Thanks, and I hope to see you at inaugural events on Monday.

Barbara
