Need to powwow about this asap and decide if we agree that they should shut down. Clayborn told Lampkin that they were in the budget next year. I can't see how that would get funds when NRI and jobs are lacking...

Based on the attached budget, it looks like expenses through the end of this fiscal year total just under $23,000.

Marvin-

Attached, you will find a copy of a two spreadsheets that outline payroll related expenses from the period March 31, 2011 through May 15, 2011 and projected payroll expenses from May 16, 2011 through June 30, 2011.
Furthermore, we have not paid any pension payments that are due employees.
We can discuss this matter at the planning session.

If you have any questions please give me a call.
