

FY18 Annual Report

Metropolitan Enforcement Group

MEG
Metropolitan Enforcement Group

INTRODUCTION

Metropolitan Enforcement Groups (MEGs), authorized by the Illinois General Assembly in 1977 under the Intergovernmental Drug Laws Enforcement Act (30 ILCS 715/6), continue to be an important component in the effort to combat illegal drug traffic throughout Illinois. MEGs represent a collaborative effort among state, federal, and local law enforcement agencies to enforce Illinois drug laws and investigate street gang activity. MEGs partner with The Statewide Terrorism Intelligence Center (STIC) and Illinois National Guard Counterdrug analysts to reduce crime through intelligence led policing which focuses enforcement efforts on felony level drug distribution and trafficking. MEGs partner with community groups, health organizations, and local stakeholders to address and prevent substance abuse disorders (SUDs) affecting communities throughout Illinois.

Illinois has nine MEGs encompassing 20 counties, including Scott County, Iowa. Combined populations of these counties is 4,270,598 or 33 percent of the total population of Illinois. The MEGs are staffed by 94 officers, 24 (26 percent) from the Illinois State Police (ISP), and 70 (74 percent) from local and federal agencies. Twenty-two administrative staff members manage budgets, analyze intelligence data, and coordinate asset seizures and forfeitures. Each MEG is overseen by a policy board composed of ISP officers, elected officials, and chief law enforcement officers or their designees. A 2017 report by the Illinois Criminal Justice Information Authority (ICJIA), concluded MEG units were effective at making proportionally more felony and manufacture/delivery arrests than their local counterparts. The report also indicated MEG staff survey responses showed a strong fidelity to the Bureau of Justice Assistance's 12 critical elements of MEG/TFs (BJA, 2000).

The annual MEG report includes statewide activity totals, as well as individual activity for each MEG unit including arrest statistics, drug seizures, and gang arrests for Fiscal Year 2018 (FY18). Activity comparisons from FY17 and FY18 are also included. Tables in the appendix section provide both summaries and individual MEG statistics for case activity, weapons seized, arrest data, and drug seizures.

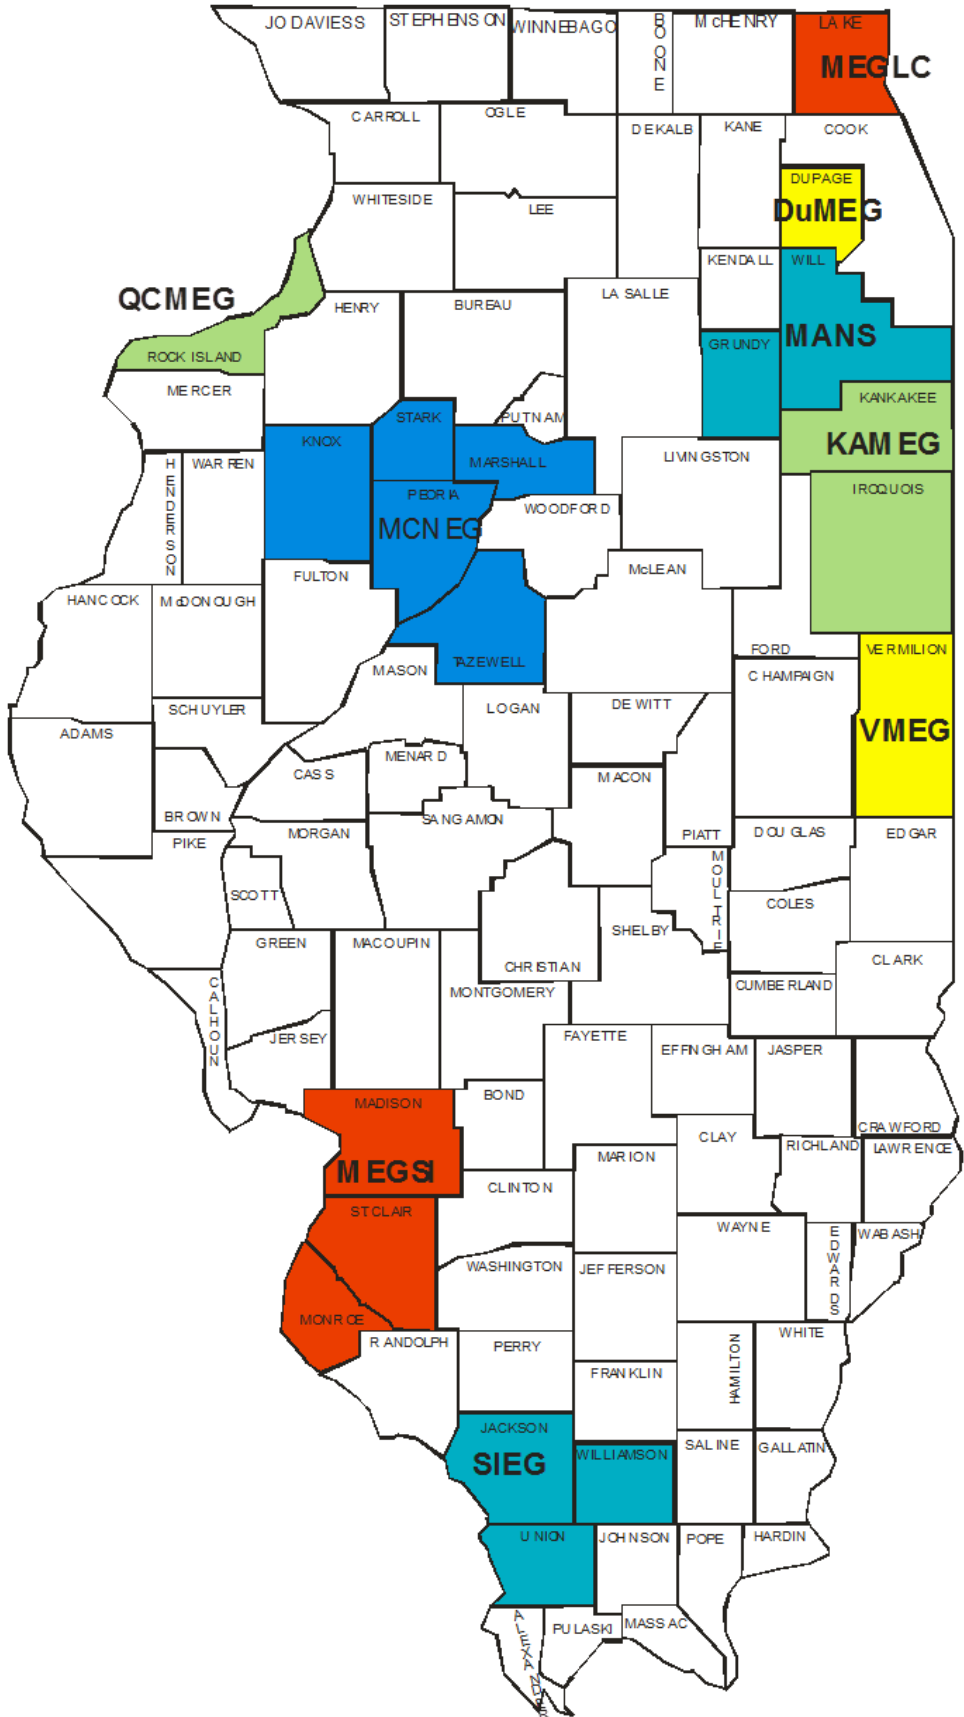

COMMUNITY PARTNERSHIPS

Metropolitan Enforcement Groups (MEGs) are on the front line of narcotic enforcement strategies, prevention, and treatment strategies. Through community partnerships, MEGs increase awareness of drug abuse trends and work with various groups to keep drug abusers out of the criminal justice system by focusing enforcement efforts on felony level drug distribution and trafficking.

During FY18, MEGs partnered with the following community groups:

- DuPage County Prevention Leadership Team
- DuPage County Heroin Opioid Prevention and Education (HOPE) Task Force
- Kankakee Area Pledge for Life Partnership
- Grundy County Area Vocational Center
- Metro East Coalition Against Methamphetamine
- Peoria County Mayor's Community Coalition Against Heroin
- Long Grove, Iowa and Pleasant Valley, Iowa DARE Programs
- Bethany for Children and Family
- Gateway Substance Abuse Coalition
- High Visibility Patrol Details with City and County Police Departments
