Unfortunately, I will be on my way to Springfield for a meeting that the Sentencing Policy Advisory Council is holding for members of the General Assembly.

But thanks for the invitation.

I agree, however, I would refer to Barbara on NRI. There have been some issues and I'm not sure if we want the Gov to have to deal with this.
I believe both Barbara and Jack have been invited.

Hello everyone – as I mentioned in my email over the weekend, I think we should add the following (again, assuming that the Governor wants as many people there as possible) –

Barbara Shaw, Illinois Violence Prevention Authority

Jack Cutrone, Illinois Criminal Justice Information Authority

All of the lead agencies for the Neighborhood Recovery initiative – this is a governor's initiative completed focused on violence prevention (Barbara Shaw will have contact information for all of them)

The clergy that we met with, including the south suburbs clergy and representatives – Father Claudio Holzier too (Billy will have contact information for him)

Kelly, can you be there tomorrow for me?

Thanks

Tere
