I'm also sending a summary of the evaluation efforts and a chart that describes the components. I'll copy you on the email.

I talked to the staffer and he said that want a breakdown by community, so I'm sending lists that have the leads and the subs and their award amounts.

Didn't you tell them each received the exact same amount?

Hi Barbara,

House Dems are looking for information on NRI. They want to know how much money each neighborhood received for FY11 and FY12. The sooner you can provide this, the better. They say they requested this information from IVPA, but have not heard back.

Thanks,
