105 ILCS 5/21-2.1 from Ch. 122, par. 21-2.1

Amends the Teacher Certification Article of the School Code. With respect to an early childhood certificate, provides that the student teaching portion of the practical experience requirement may involve supervised work with children under 6 years of age or with children in kindergarten through grade 3 or both. Provides that persons who have been employed for at least one year in their current early childhood program in a public or private school or a community-based entity, including paraprofessionals enrolled in teacher preparation programs, may be paid and receive credit while student teaching with their current employer, provided that their student teaching experience meets the requirements of their teacher preparation program.

HOUSE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the contents of the bill, with the following changes. Provides that the student teaching portion of the practical experience may be satisfied through placement in any of grades pre-kindergarten (which consists of children from 3 years through 5 years of age) through 3, provided that the student is under the active supervision of a cooperating teacher who is certified and qualified in early childhood education (instead of allowing the student teaching portion of the practical experience to involve supervised work with children under 6 years of age or with children in kindergarten through grade 3). Provides that paraprofessionals with at least one year of experience in a school or community-based early childhood setting who are enrolled in early-childhood teacher preparation programs may be paid and receive credit while student teaching with their current employer, provided that their student teaching experience meets the requirements of their early-childhood teacher preparation program (instead of allowing persons who have been employed for at least one year in their current early childhood program in a school or community-based entity, including paraprofessionals enrolled in teacher preparation programs, to be paid and receive credit while student teaching with their current employer, provided that their student teaching experience meets the requirements of their teacher preparation program).

110 ILCS 205/9.07 from Ch. 144, par. 189.07

Amends the Board of Higher Education Act. Provides that if a public university admits a student who needs remedial coursework, then the university must require that the student complete the remedial coursework.

Adds reference to:
110 ILCS 947/35

Deletes everything after the enacting clause. Reinserts the contents of the bill with the following changes. Provides that if a State university determines that a student needs remedial coursework (instead of if a State university admits a student who needs remedial coursework), then the university must require that the student complete the remedial coursework. Amends the Higher Education Student Assistance Act. Provides that a student is not ineligible for Monetary Award Program consideration if (1) a State university that the student was enrolled at required that the student complete remedial coursework and (2) by subtracting the total number of semester credit hours, not to exceed 30 semester credit hours, of required remedial coursework that the student successfully completed and received award payments for, the student has received less than the equivalent of 135 semester credit hours of award payments.

FISCAL NOTE (Illinois Student Assistance Commission)

The Illinois Student Assistance Commission (ISAC) estimates the fiscal impact of this legislation to be as much as \$8 million to \$10 million for FY07, based upon ISAC's most recent complete year MAP data (from FY05). This estimate represents the amount by which the FY07 MAP appropriation would need to be increased to fund these students' MAP awards without adversely affecting MAP award availability for other eligible students. If the provisions of SB 2225 become law but no additional MAP funding is appropriated for FY 07, then ISAC either will need to further reduce the value of MAP awards for all recipients or cut off MAP grant processing an estimated two weeks earlier than currently projected. The latter option would eliminate FY07 MAP award eligibility for an estimated 12,000 later-applying students (most of whom attend Illinois community colleges or public and private urban higher education institutions).

FISCAL NOTE (Illinois Board of Higher Education)

The first provision of SB 2225 requires that under Illinois Board of Higher Education remedial education guidelines, State universities require students who are determined to be in need of remedial coursework to complete that coursework. The Board of Higher Education has surveyed all twelve public university campuses. Four campuses report that they do not offer remedial coursework. Seven of the eight campuses that admit students in need of remediation report that they are currently in compliance with the coursework provision of SB 2225. As a result, SB 2225 would not result in the expenditure of additional state funds at those campuses. The eighth campus, while it offers remedial coursework, is small and oriented toward upper-division undergraduate and graduate education, hence the impact of SB 2225 on the expenditure of state funds there is expected to be negligible. The second provision of SB 2225 would permit MAP-eligible students who are required to complete remedial coursework by the State university in which they are enrolled to be eligible for 30 additional hours of MAP eligibility beyond the current 135 credit hour maximum. In a separate fiscal note, The Illinois Student Assistance Commission has estimated the fiscal impact of this provision to be as much as \$8 million to \$10 million for FY07. The estimated cost could be covered by either an addition to the fiscal year 2007 MAP appropriation, which would result in additional expenditures of State funds, by a concomitant reduction in all MAP awards, or by an earlier cut off in MAP award processing.

HOUSE AMENDMENT NO. 1

Provides that if a State university determines that a student needs remedial coursework, then the university must require that the student complete the remedial coursework before pursuing his or her chosen course of study (instead of just requiring that the student complete the remedial coursework).

FISCAL NOTE (H-AM 2)(Illinois Student Assistance Commission)

SB 2225 (H-AM 2) provides that there is no fiscal impact upon the MAP program for FY07. There will be an indeterminate fiscal impact in FY08 and thereafter, determined by how many MAP-eligible students complete these remedial courses and claim MAP awards.

STATE MANDATES FISCAL NOTE (H-AM 1) (Board of Higher Education)

Would not create or expand a state mandate affecting local government expenditures.

STATE MANDATES FISCAL NOTE (H-AM 2) (Board of Higher Education)

Would not create or expand a state mandate affecting local government expenditures.

110 ILCS 205/9.07

110 ILCS 947/35

Adds reference to:

110 ILCS 947/39 new

Deletes everything after the enacting clause. Amends the Higher Education Student Assistance Act. Requires the Illinois Student Assistance Commission to receive and consider applications for monetary grant assistance to benefit those students who will not receive Monetary Award Program grants. Among other conditions, provides that an applicant is eligible for a grant if he or she is enrolled at least half-time as a sophomore, junior, or senior and is from a family that had an adjusted gross income of less than \$200,000 for the 2005 taxable year. Provides that grants are applicable to tuition and mandatory fees, with the grant amount not to exceed \$500 per year or \$250 per semester. Provides that grants may be awarded only for the Fall 2006 and Spring 2007 semesters, on a first-come, first-served basis. Requires the Commission to determine if sufficient funds are available from the sale of student loan assets, transaction processing, or refinancing to continue Monetary Award Program Plus beyond the Spring 2007 semester and to prepare a report for the Governor and General Assembly indicating whether funding is available and how it can be used to support the program. Effective July 1, 2006.

735 ILCS 5/2-807 new

Amends the Code of Civil Procedure. Provides that, in a class action, residual funds remaining in a common fund shall be distributed to one or more nonprofit charitable organizations that have a principal purpose of promoting or providing access to justice for low income residents, except that up to 50% of the residual funds may be distributed to one or more other nonprofit charitable organizations that the court approves as part of a settlement if the court finds there is good cause to do so. Provides that the new provisions shall not be construed to prevent a court, in a class action that does not create a common fund, from approving distributions to nonprofit charitable organizations that promote or provide access to justice for low income residents of the State of Illinois. Provides that the new provisions do not apply to any class action against a public entity or a public employee.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause. Amends the Code of Civil Procedure. Provides that residual funds in a class action common fund that remain after payments are made for class members' claims, attorney's fees and costs, and any agreed reversions to a defendant, shall be paid to nonprofit charitable organizations. An order that approves a proposed settlement of a class action shall establish a process for the administration of the settlement and provide for the distribution of any residual funds to one or more nonprofit charitable organizations that principally promote or provide access to justice for low-income Illinois residents or that serve the public good, if the court finds good cause for such a distribution as part of the settlement. This Section does not apply to any class action against the State or any of its political subdivisions. Applies to all cases pending on the effective date of this amendatory Act and all cases commenced on or after the effective date. Effective July 1, 2007.

SENATE FLOOR AMENDMENT NO. 3

Further amends the Code of Civil Procedure. Adds a definition for "eligible organization" which means a not-for-profit organization that for 3 years has existed and been exempt from federal taxes under Section 501(c)(3) of the Internal Revenue Code, and that would be eligible for funding under the Illinois Equal Justice Act. Provides that residual funds created pursuant to a settlement shall be distributed to one or more "eligible organizations" (at present, to one or more nonprofit charitable organizations that have a principal purpose of providing access to justice for low-income Illinois residents), except that up to 50% may be distributed to one or more charitable organizations upon a finding of good cause by the court to approve that distribution. Provides that residual funds created pursuant to a judgment shall be distributed to one or more "eligible organizations" (at present, to one or more nonprofit charitable organizations that have a principal purpose of providing access to justice for low-income Illinois residents).

New Act

Creates the Cigarette Fire Safety Standard Act. Provides that, beginning January 1, 2008, no cigarettes may be sold in Illinois unless the manufacturer certifies that the cigarettes have been certified as low ignition strength in accordance with standards established by the American Society of Testing and Materials and no more than 25% of the cigarettes it manufactures exhibit full-length burns when tested. Provides that the Office of the State Fire Marshal shall adopt rules for the implementation of the Act, which shall include provisions to allow wholesalers and retailers to transition their existing inventories. Effective January 1, 2008.

SENATE FLOOR AMENDMENT NO. 1

Adds reference to:

30 ILCS 105/5.663 new

Replaces everything after the enacting clause. Creates the Cigarette Fire Safety Standard Act. Provides a certification process for certifying that the burn time of cigarettes complies with the requirements of the Act. Provides for a testing method for cigarettes. Prohibits the sale or offer for sale of cigarettes in this State unless the cigarettes have been tested and meet the performance standards of the Act and written certification has been filed by the manufacturer with the Office of the State Fire Marshal and with the Office of the Attorney General. Provides for the marking of cigarette packaging to indicate compliance with the Act. Provides for civil penalties. Creates the Cigarette Fire Safety Standard Act Fund as a special fund and amends the State Finance Act accordingly; provides that the Fund shall consist of moneys recovered by the Attorney General from the assessment of civil penalties and that the Fund shall be used, subject to appropriation, for fire safety and prevention programs. Effective January 1, 2008.

SENATE FLOOR AMENDMENT NO. 2

Exempts a manufacturer from the definition of "retail dealer". Provides that the State Fire Marshal may authorize the use of an alternative test that another state has enacted as long as the test method and performance standard are the same (instead of at least as stringent) in reducing cigarette ignition propensity as those contained in the Act. Requires a wholesale dealer, agent, and retail dealer to permit the State Fire Marshal, the Department of Revenue, and the Office of the Attorney General to inspect markings of cigarette packaging. Adds manufacturers to the list of persons who are subject to civil penalties for violation of the Act. Makes other changes.

HOUSE AMENDMENT NO. 1

Provides that a wholesale dealer or retail dealer is not prohibited from selling his or her inventory of cigarettes existing on the effective date of the Act, if the wholesale dealer or retail dealer can establish (instead of establishes) that tax stamps were affixed to the cigarettes before the effective date of the Act and the inventory was purchased before the effective date of the Act in comparable quantity to the amount of inventory purchased during the same period of the prior year. Provides that an alternative test method enacted in another state may be used if the State Fire Marshal determines that the standards are the same (instead of the same in reducing cigarette ignition propensity) as those contained in the Act and that the officials responsible for implementing those requirements have approved the proposed alternative test (instead of have made an independent analysis and approved the proposed alternative test) as meeting their state's law or regulation. Makes other changes.

Adds that a consumer may place a security freeze on his or her credit report by making a request directly to the consumer credit reporting agency through a secure electronic mail connection, if an electronic mail connection is provided by the consumer credit reporting agency. Provides that a consumer credit reporting

agency shall not charge a fee for placing, removing, or removing for a specific party or period of time a security freeze on a credit report, if the consumer submits to the credit reporting agency a valid copy of a police report, investigative report, or complaint that the consumer has filed with a law enforcement agency about the unlawful use of his or her personal information by another person. Allows the credit reporting agency to charge a fee of not more than \$10 to a consumer for each security freeze or temporary lift of a security freeze for a specific party and a fee of not more than \$8 for removal of a security freeze or temporary lift of a security freeze for a period of time. Provides that the consumer credit reporting agency shall send a written confirmation of the security freeze to the consumer within 5 (instead of 10) business days of placing the freeze on the account. Requires the Director of the Division of Financial Institutions in the Department of Financial and Professional Regulation to promulgate rules necessary to allow the use of electronic media to receive and process a request from a consumer to temporarily lift a security freeze as quickly as possible, with the goal of processing a request within 15 minutes of that request. Defines "consumer", "consumer credit reporting agency", "credit report", "Director", and "security freeze". Changes references from "credit reporting agency" to "consumer credit reporting agency". Effective January 1, 2007.

Makes a technical change to the Section concerning the verification of accuracy of credit reporting information used to extend credit and security freezes on credit reports for identity theft victims.

SENATE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause. Amends the Consumer Fraud and Deceptive Business Practices Act. Provides that a consumer (instead of a consumer who has been the victim of identity theft) may request that a security freeze be placed on his or her credit report by sending a request in writing by certified mail to a consumer reporting agency at an address designated by the consumer reporting agency to receive such requests. Authorizes a consumer credit reporting agency to charge a fee for placing a security freeze on a consumer's credit report of no more than \$10 for each freeze, removal, or temporary lift of the freeze, except that a consumer reporting agency may not charge a fee to (i) a consumer 65 years of age or over for placement and removal of a freeze and (ii) may not charge a victim of identity theft who has complied with the listed requirements. Sets out what information must be provided for a contact method by a consumer reporting agency. Provides that the listed consumer credit reporting requirements do not apply to any person using the information in connection with the underwriting of insurance. Defines "credit report", "consumer reporting agency", and "security freeze". Makes other changes.

SENATE COMMITTEE AMENDMENT NO. 2

Adds reference to:

- 820 ILCS 105/3 from Ch. 48, par. 1003
- 820 ILCS 105/7 from Ch. 48, par. 1007
- 820 ILCS 115/2 from Ch. 48, par. 39m-2
- 820 ILCS 115/14 from Ch. 48, par. 39m-14

Deletes everything after the enacting clause. Amends the Minimum Wage Law. Provides that the Director of Labor may require by subpoena the attendance and testimony of witnesses and the production of books, records, and other evidence regarding a matter under investigation or hearing. Authorizes an employee who has been underpaid under the Act to recover in a civil action damages of 2% of the amount of the underpayments for each month following the date

of payment during which the underpayments remain unpaid (in addition to the underpayments, costs, and attorney's fees that may be collected under existing law). In provisions allowing the Department of Labor to collect certain penalties and damages for underpayments, deletes language providing that the Director of Labor may promulgate rules for the collection of those penalties, deletes language providing that those penalties may be determined and assessed through an administrative hearing, and deletes language providing that those penalties shall be imposed if the employer's conduct is proven by a preponderance of the evidence to be willful. In provisions authorizing the Director of Labor to supervise the payment of unpaid minimum wages and unpaid overtime compensation and to bring an action to recover those amounts and an equal additional amount as damages, also provides that the employer shall be liable to the Department of Labor for 20% of the total employer's underpayment. Amends the Illinois Wage Payment and Collection Act by providing that an employee is liable to pay specified penalties 15 days after the Director of Labor demands (rather than orders) that the employer pay the wages. Amends both Acts by including limited liability companies in the definition of "employer". Makes other changes. Effective immediately.

SENATE FLOOR AMENDMENT NO. 3

Deletes provisions of the bill, as amended, concerning supervision by the Director of Labor of the payment of unpaid minimum wages and unpaid overtime compensation and an employer's liability for punitive damages in the case of underpayment, and re-inserts those provisions with the following additions: Provides that an employer "shall be additionally liable to the Department of Labor for up to 20% of the total employer's underpayment where the employer's conduct is proven by a preponderance of the evidence to be willful, repeated, or with reckless disregard of this Act or any rule adopted under this Act". Makes other changes.

HOUSE AMENDMENT NO. 1

Deletes provisions of the bill amending the Minimum Wage Law regarding an employer's liability for penalties and damages for underpayment of wages, and re-inserts similar provisions with revised provisions regarding penalties and damages as follows: "Such employer shall be liable to the Department of Labor for up to 20% of the total employer's underpayment where the employer's conduct is proven by a preponderance of the evidence to be willful, repeated, or with reckless disregard of this Act or any rule adopted under this Act. Such employer shall be additionally liable to the employee for damages in the amount of 2% of the amount of any such underpayments for each month following the date of payment during which such underpayments remain unpaid". Provides that an employee may not collect 2% damages for the same violation in both an action brought by the employee and an action brought by the Department. In provisions authorizing the Director of Labor to supervise the payment of unpaid minimum wages and unpaid overtime compensation and bring legal action to recover the unpaid amounts and damages, provides that those provisions apply if an employee has not collected damages for the same violation.

SENATE FLOOR AMENDMENT NO. 3

Provides that if the contract for the distressed property is not recorded, the contract and any conveyance made or given pursuant to the terms of the contract are void. Prohibits a distressed property purchaser from entering into a contract for distressed property unless the owner of the distressed property has a reasonable ability to pay for the subsequent conveyance of an interest back to the owner of the distressed property and to make monthly or any other required payments due prior to that time. Prohibits a distressed property purchaser from causing the property to be conveyed or encumbered without the knowledge or permission of the distressed property owner or in any way frustrate the ability of the distressed property owner to complete the conveyance back to the distressed property owner. In the definition of "distressed property consultant", provides that a "distressed property consultant" does not include a 501(c)(3) nonprofit agency or organization, doing business for no less than 5 years, that offers counseling or advice to an owner of a distressed property (instead of a home in foreclosure or loan default), if they do not contract for services with for-profit lenders or distressed property purchasers, or any person who structures or plans such a transaction. Changes the definition of "distressed property purchaser" to include any person who participates in a joint venture or joint enterprise involving a distressed property conveyance (instead of structures or plans a distressed property conveyance). Provides that a distressed property purchaser shall not fail to make a payment to the owner of the distressed property at the time the title is conveyed so that the owner of the distressed property has received consideration in an amount of at least 82% of the property's fair market value, or, in the alternative, fail to pay the owner of the distressed property no more than the costs necessary to extinguish all of the existing obligations on the distressed property provided that the owner's costs to repurchase the distressed property pursuant to the terms of the distressed property conveyance contract do not exceed 125% of the distressed property purchaser's costs to purchase the property. Provides that, if an owner is unable to repurchase the property pursuant to the terms of the distressed property conveyance contract, the distressed property purchaser shall not fail to make a payment to the owner of the distressed property so that the owner of the distressed property has received consideration in an amount of at least 82% of the property's fair market value at the time of conveyance or at the expiration of the owner's option to repurchase.

FISCAL NOTE (H-AM 2)(Department of Revenue)

SB 2350 (H-AM 2) will not have a large direct impact on the Department of Revenue or on State revenues. However, if a county that adopts the Alternative General Homestead Exemption is unable to increase its tax rates enough to offset the losses caused by the increase exemption, the taxing districts in that county will lose money. The Department cannot determine that fiscal impact at this time.

CORRECTIONAL NOTE (H-AM 2)(Dept of Corrections)

There is no corrections population or fiscal impact on the Department.

STATE DEBT IMPACT NOTE (H-AM 2) (Com. on Gov. Forecasting & Accountability)

There is insufficient information to calculate an exact cost increase or decrease.

HOME RULE NOTE (H-AM 2)(Dept of Commerce and Economic Opportunity)

This legislation does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (H-AM 2)(Dept of Commerce and Economic Opportunity)

SB 2350 (H-AM 2) creates a local government organization and structure mandate for which reimbursement of the increased costs to units of local government is not required under the State Mandates Act. In addition, SB 2350 (H-AM 2) contains language stating that no reimbursement by the State is required by any mandate created by the legislation.

STATE DEBT IMPACT NOTE (H-AM 3) (Com. on Gov. Forecasting & Accountability)

SB 2350 (H-AM 3) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

BALANCED BUDGET NOTE (H-AM 3)(Gov. Office of Management & Budget)

The Governor's Office of Management and Budget estimates that this bill, if enacted into law, will have no impact on the State's budget.

FISCAL NOTE (H-AM 3)(Department of Revenue)

Senate Bill 2350 (H-AM 3) will not have a large direct impact on the Department of Revenue or on State revenues. However, if a county that adopts the Alternative General Homestead Exemption is unable to increase its tax rates enough to offset the losses caused by the increased exemption, the taxing districts in that county will lose money. The Department cannot determine that fiscal impact at this time.

STATE MANDATES FISCAL NOTE (H-AM 3)(Dept of Commerce and Economic Opportunity)

SB 2350 (H-AM 3) creates a tax exemption mandate for which reimbursement of 100% of the increased costs to units of local government is required under the State Mandates Act. However, the legislation contains language stating that reimbursement shall not be required for any mandate created by SB 2350 (H-AM 3).

HOME RULE NOTE (H-AM 3)(Dept of Commerce and Economic Opportunity)

This legislation does not pre-empt home rule authority.

PENSION NOTE (H-AM 3) (Com. on Gov. Forecasting & Accountability)

This legislation would not impact any public pension fund or retirement system in Illinois.

JUDICIAL NOTE (H-AM 3) (Admin. Office of the Ill. Courts)

Would neither increase nor decrease the number of judges needed in the State.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM 2) (Housing Development Authority)

No fiscal effect on a single-family residence.

In a provision concerning failure to pay fines or penalties for standing, parking, and compliance violations and administrative adjudication of those violations, adds violations recorded by the system. Allows the issuance or renewal of a license authorizing the sale of (instead of a license to sell) alcoholic liquor at a premises that is located within a municipality with a population in excess of 1,000,000 (instead of 300,000) and is within 100 feet of a school if, in addition to the other specified requirements, the primary entrance of the premises and the primary entrance of the school are parallel (instead of 100 feet apart), on different (instead of parallel) streets, and separated by an alley; the southeast corner of the premises are at least 350 feet from the southwest corner of the school; (instead of the general superintendent of schools of the school district organized under Article 34 of the School Code and the alderman of the ward in which the school is located have delivered a written statement to the local liquor control commissioner stating that the general superintendent of schools and alderman do not object to the issuance or renewal of a license); the school was built in 1978; the sale of alcoholic liquor is not the principal business carried on by the licensee at the premises (instead of just the principal business carried on at the premises); the applicant is the owner of the restaurant and has held a valid license authorizing the sale of alcoholic liquor for the business to be conducted on the premises at a different location for more than 7 years; and the premises is at least 2,300 square feet and sits on a lot that is between 6,100 and 6,150 square feet. Effective immediately.

GOVERNOR AMENDATORY VETO MESSAGE

Amends the Liquor Control Act of 1934. Provides that alcoholic liquors may be delivered to and sold at retail or dispensed at facilities, properties, and buildings under the jurisdiction of the Historic Sites and Preservation Division of the Historic Preservation Agency or the Abraham Lincoln Presidential Library and Museum by an individual or organization (now, a not-for-profit organization).

SENATE COMMITTEE AMENDMENT NO. 1

Adds an immediate effective date.

FISCAL NOTE (Ill. Historic Preservation Agency)

There is no negative fiscal impact to the Illinois Historic Preservation Agency as a result of this bill. To date the Illinois Historic Preservation Agency has generated over \$245,000 from events at the Abraham Lincoln Presidential Library & Museum alone. Current law permits liquor to be served at sites when hosted by not-for-profits. Corporations and private parties have been turned away due to this legal restriction. To date, over 60 potential clients have been denied causing the agency and the State to lose rental revenues. This bill would allow the agency to generate more revenue for the State.

Amends the Regulatory Sunset Act to change the repeal date of the Illinois Optometric Act of 1987 from January 1, 2007 to January 1, 2017. Amends the Illinois Optometric Practice Act of 1987. Removes all references to certificates and therapeutical certification throughout the Act. Replaces all references to "Department of Professional Regulation" with "Department of Financial and Professional Regulation" and replaces all references to "Director of Professional Regulation" with "Secretary of Financial and Professional Regulation" throughout the Act. Provides that the practice of optometry includes the appropriate use of ocular pharmaceutical agents, rather than diagnostic ocular pharmaceutical agents and therapeutic ocular pharmaceutical agents. Provides that the civil penalties for unlicensed practice and for violation of the Act shall not exceed \$10,000 (now, \$5,000). Removes a provision concerning initial Optometric Licensing and Disciplinary Board terms. Creates the position of optometric coordinator. Provides that the optometric coordinator shall be the chief enforcement officer of the Act and shall serve at the will of the Board. Provides that all licenses without "Therapeutic Certification" that are on inactive status as of March 31, 2006 shall be placed on non-renewed status and may only be restored after the licensee meets those requirements established by the Department of Financial and Professional Regulation. Makes other changes. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Further amends the Illinois Optometric Practice Act of 1987. Provides that the Secretary of Financial and Professional Regulation shall select an optometric coordinator upon consultation with (instead of recommendation by) the Illinois Optometric Licensing and Disciplinary Board. Provides that persons employed by the Department of Financial and Professional Regulation to investigate allegations of violations of the Act shall work primarily in the areas of licensing and enforcement of the Act and may be used for other duties within the Department. Provides that the holder of a valid one-year residency license may perform only those acts prescribed by and incidental to the residency license holder's program of residency training (instead of a resident licensee with a limited license having the same privileges and responsibilities as a full licensee when practicing within a residency program). Adds a provision concerning residency license revocation. Provides that the entry of a plea of guilty to any crime under the laws of any U.S. jurisdiction that is a felony or a misdemeanor of which an essential element is dishonesty or any crime that is directly related to the practice of the optometry profession constitutes grounds for disciplinary action.

SENATE COMMITTEE AMENDMENT NO. 2

Adds reference to:

225 ILCS 80/15.2 new

Further amends the Illinois Optometric Practice Licensing Act of 1987. Provides that any optometrist who (i) was originally licensed under a predecessor Act prior to 1965 and (ii) was not certified to use therapeutic ocular pharmaceutical agents as of January 1, 2006, shall, upon application and payment of a non-prorated fee of \$200, be issued a limited optometry license by the Department of Financial and Professional Regulation to practice optometry until January 1, 2007.

SENATE FLOOR AMENDMENT NO. 3

Reinserts the provisions of the bill, as amended by Senate Amendments Nos. 1 and 2, with the following changes. Removes the provision requiring the Department of Financial and Professional Regulation to employ investigators to investigate allegations of violations of the Illinois Optometric Practice Act of 1987. Provides that a residency licensee may perform those acts prescribed by and incidental to his or her program of residency training with the same privileges and responsibilities as a fully licensed optometrist. Provides that, except for certain prohibited activities, a limited optometry licensee shall have all other rights and responsibilities of a licensee under the Act. Provides that failure to provide a patient with a copy of his or her record or prescription in accordance with federal law (now, failure to provide a patient with a copy of his or her record or prescription upon the written request of the patient) constitutes grounds for disciplinary action. Makes other changes. Effective immediately.

HOUSE AMENDMENT NO. 1

Removes a provision that provides that the optometric coordinator shall serve at the will of the Illinois Optometric Licensing and Disciplinary Board.

HOUSE AMENDMENT NO. 2

Provides that all licenses without "Therapeutic Certification" on March 31, 2006 shall be placed on non-renewed status and may only be renewed after the licensee meets those requirements established by the Department. Provides that the requirements that must be met by licensees holding licenses without "Therapeutic Certification" that are on inactive status as of March 31, 2006 and are placed on non-renewed status may not be waived.

New Act

Creates the Illinois State Diabetes Commission Act. Establishes the Illinois State Diabetes Commission. Sets forth term lengths of members and provides that members shall be reimbursed only for reasonable and necessary expenses. Requires the Department of Public Health to provide administrative support for the Commission. Sets forth duties of the Commission. Permits the Department to accept on behalf of the Commission any federal funds or gifts and donations from individuals, private organizations, and foundations. Repeals the Act on January 1, 2010. Effective November 1, 2006.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause. Replaces with the bill as introduced with the following changes. Changes references from the Department of Public Health to the Department of Human Services and from the Director of Public Health to the Secretary of Human Services. Removes the limitation on the number of members of the Illinois State Diabetes Commission. Provides that the Commission shall include an Executive Committee appointed by the Secretary. Deletes provisions related to terms of members and vacancies. Provides that meetings of the Commission shall be held 3 times per year (rather than at least every 90 days). Requires the annual report of the Commission's activities to be made available to the Secretary of Human Services, the Speaker of the House of Representatives, the Minority Leader of the House of Representatives, the President of the Senate, the Minority Leader of the Senate, and the Governor (rather than the Director of Public Health, the Speaker of the House of Representatives, the President of the Senate, and the Governor) by June 30 (rather than by February 1) of each year. Authorizes the Secretary to adopt rules. Makes other changes. Effective November 1, 2006.

HOUSE AMENDMENT NO. 1

Amends the State Finance Act. Excludes moneys received by the Department of Financial and Professional Regulation under the Illinois Credit Union Act from those moneys required to be deposited into the Financial Institution Fund. Makes certain provisions concerning transfers to the General Revenue Fund inapplicable to (i) any fund established under the Illinois Credit Union Act, the Illinois Banking Act, the Illinois Savings and Loan Act of 1985, or the Savings Bank Act and (ii) the Professions Indirect Cost Fund. Limits transfers and expenditures from those funds to specified purposes. Prohibits the allocation or transfer of additional amounts generated by certain fee increases with respect to or from the Credit Union Fund. Amends the Illinois Banking Act, the Illinois Savings and Loan Act of 1985, and the Savings Bank Act. With respect to the moneys in each of the Bank and Trust Company Fund, the Savings and Residential Finance Regulatory Fund, and the Credit Union Fund, (i) exempts those moneys from assignment or transfer except for unappropriated administrative expenses and (ii) provides that the moneys remain the property of and must be held in trust for the financial institutions from which they were collected. For FY08, requires the Commissioner of Banks and Real Estate (now, the Director of the Division of Banks and Real Estate) to adopt rules to adjust regulatory fee rates in the specified manner. Amends the Illinois Credit Union Act. Provides that the regulatory fee paid by a credit union to the Department of Financial and Professional Regulation shall be the lesser of (i) the rate pursuant to the regulatory fee schedule or (ii) a rate established in a manner proportionately consistent with the rates in the regulatory fee schedule and that would fund the actual administrative and operational expenses of the Credit Union Section. Increases rates in the regulatory fee schedule for credit unions with total assets over \$5,000,000. Requires the Director of Financial and Professional Regulation to adjust the fee schedule for the next fiscal year. Provides that the fee schedule may be increased by no more than 5% annually if necessary to defray the actual (now, estimated) administrative and operational expenses of the Credit Union Section (now, the Department). Prohibits any increase in the fee schedule if the amount remaining in the Credit Union Fund at the end of the fiscal year is equal to or greater than 25% of the actual administrative and operational expenses for the preceding fiscal year. Requires the Director to base the regulatory fee for the next fiscal year on the credit union's total assets as of December 31 of the preceding calendar year. Beginning on July 1, 2005, requires a credit union to pay the regulatory fee in quarterly installments due and payable on the due date for the call report for the preceding quarter (now, a credit union is required to pay the regulatory fee in full no later than March 1 of each calendar year). Provides for a regulatory fee cap of \$125,000 (now, \$187,500). Effective immediately.

720 ILCS 5/24-9

Amends the Criminal Code of 1961. Provides that it is unlawful for any person to store or leave, within premises under his or her control, a firearm if the person knows or has reason to believe that a minor under the age of 18 (rather than 14) years who does not have a Firearm Owners Identification Card is likely to gain access to the firearm without the lawful permission of the minor's parent, guardian, or person having charge of the minor unless the firearm is secured. Eliminates the provision that the person who stores or leaves the firearm is criminally liable only if the minor causes death or great bodily harm with the firearm. Provides that if the minor causes death or great bodily harm with the unlawfully stored firearm, the penalty is a Class A misdemeanor (rather than a Class C misdemeanor). Eliminates the provision that the firearm may be placed in some location that a reasonable person would believe would be secure from a minor. Provides that if the firearm is placed in a securely locked box or container, it must be unloaded and disassembled.

Amends the Illinois Economic Opportunity Act, the State Finance Act, the Illinois Income Tax Act, the Illinois Municipal Code, the Public Utilities Act, the Energy Assistance Act, and the Good Samaritan Energy Plan Act. Makes provisions concerning transfers to the General Revenue Fund from other funds not applicable to the Supplemental Low-Income Energy Assistance Fund, the Good Samaritan Energy Trust Fund, and the Energy Assistance Program Fund. Creates an Illinois income tax checkoff whereby a taxpayer may make a contribution to the Energy Assistance Program Fund. Prohibits the termination of gas or electric utility service to residential users who participate in or are eligible for the energy assistance program, and provides for reconnection of utility service to such households. Provides for administration of the energy assistance program and the Good Samaritan Energy Trust Fund by the Department of Healthcare and Family Services instead of the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity); requires the Department to adopt rules providing for enhanced enrollment for eligible consumers to receive energy assistance, and requires gas and electric utility companies and cooperatives to assist in coordinating low-income energy assistance. Provides that the annual eligibility level for the energy assistance program may not be lower (instead of higher) than 150% of the federal

poverty level. Deletes the repeal of provisions concerning the Supplemental Low-Income Energy Assistance Fund scheduled for December 31, 2007. Makes other changes. Effective immediately.

Amends the Illinois Marriage and Dissolution of Marriage Act. Provides that there is a rebuttable presumption that it is not in the best interest of a child to award custody to a parent who has been convicted of a crime that is in one of several designated categories (including battery, unlawful restraint, and stalking), convicted of a crime that resulted in serious physical injury to a family or household member, or determined by a court order to have violated an order of protection. The presumption can be rebutted by a preponderance of the evidence that the parent has completed a partner abuse program; alcohol and drug screening, if the court deems the screening to be appropriate, and alcohol or drug counseling or treatment, if applicable; all of the factors weigh in the parent's favor; and there is little likelihood of any future injury to the child. If the presumption is rebutted, the court shall state the evidence relied upon. If the presumption is not rebutted, custody shall be with the other parent, provided that is in the best interest of the child. If the presumptions for both parents are not rebutted, the court may award custody to one parent, if to do so is in the best interest of the child. Deletes from the list of relevant factors to consider in the determination of the best interest of the child, the willingness and ability of each parent to facilitate and encourage a continuing relationship between the other parent and the child.

Amends the Eminent Domain Article of the Code of Civil Procedure. Requires all units of local government other than a municipality or a county to obtain the approval by ordinance of the municipality or county within which the subject property is located before entering into negotiations or commencing proceedings to acquire property by eminent domain. Requires units of local government and school districts to follow certain procedures to acquire property under the power of eminent domain. Requires the condemning authority to reimburse certain appraisal costs, attorney's fees, and relocation expenses. Requires the Office of the Attorney General to publish a summary of eminent domain rights and remedies for inclusion with certain notices. Authorizes the court to dismiss a complaint for condemnation if it finds that the condemning authority or any other governmental entity has exercised or failed to exercise a regulatory power for the purpose of holding down or diminishing just compensation. Places restrictions on the sale to a private party of property acquired by eminent domain. Prohibits a plaintiff from dismissing or abandoning condemnation proceedings after the complaint has been filed but provides that certain public utilities are not prohibited from dismissing or abandoning the proceedings until after the property is taken. Provides that the condemning authority is liable for costs, expenses, and reasonable attorney's fees incurred by a landowner in obtaining deposit of an amount not deposited in the time provided in the order of taking. Authorizes the use of evidence of comparable sales initiated and bona fide offers to purchase offered prior to filing of the complaint for use in determining the fair cash market value of the property. Makes other changes. Preempts home rule powers. Amends the State Mandates Act to require implementation without reimbursement by the State. Effective immediately.

70 ILCS 1505/20a from Ch. 105, par. 333.20a

Amends the Chicago Park District Act. Provides that the Chicago Park District is authorized to issue (now, issue before January 1, 2004) bonds in the amount of \$128 million for museums, aquariums, and art museums under the control of the Chicago Park district. Effective immediately.

FISCAL NOTE (Dept. of Commerce & Econ Opportunity)

Does not impact the State finances, rather it impacts the finances of the Chicago Park District, a unit of local government. The legislation removes a January 1, 2004 deadline to issue \$128 million in bonds for museums, aquariums, and art museums under the control of the Chicago Park District. It is assumed that this charge will not impose a fiscal impact on the Chicago Park District that differentiates from the impact of current law, as only a date change is at issue.

SB-2871 HARMON.

70 ILCS 1510/4.1 new

Amends the Chicago Park District Working Cash Fund Act. Allows the Chicago Park District commissioners to abolish its working cash fund. Provides that any remaining balance in the fund is transferred to the Chicago Park District's general corporate fund at the end of the then current fiscal year. Provides that any outstanding loans to other District funds shall be paid or become payable to the general corporate fund of the Chicago Park District at the close of the then current fiscal year. States that any obligation incurred by the Chicago Park District for the working cash fund shall be discharged as originally provided. Effective immediately.

FISCAL NOTE (Dept. of Commerce & Econ Opportunity)

Does not impact State finances, rather it impacts the finances of the Chicago Park District, a unit of local government. After abolishing the Chicago Park Districts, working cash fund, the legislation authorizes the Chicago Park District to transfer the remaining balance to its general corporate fund. The bill also requires that any obligation incurred by the Chicago Park District for the working cash fund to be discharged as originally provided. It is anticipated that SB 2871 will not incur a fiscal impact as the bill simply replaces one local government fund with another.

415 ILCS 5/1 from Ch. 111 1/2, par. 1001

Adds reference to:

New Act

Deletes everything after the enacting clause. Creates the Mercury Switch Removal Act. Provides that mercury switches removed from end-of-life vehicles must be managed in accordance with the Environmental Protection Act and regulations adopted thereunder. Requires vehicle recyclers, vehicle crushers, and scrap metal recyclers that remove mercury switches to maintain certain records and make reports relating to the mercury switches removed. Requires manufacturers of vehicles in Illinois that contain mercury switches to begin a mercury switch collection program, within 60 days of the effective date of this Act, that facilitates the removal of mercury switches from end-of-life vehicles prior to the vehicles being flattened, crushed, shredded, or otherwise processed for recycling. Sets forth that these programs must, to the extent practicable, use the currently available vehicle recycling infrastructure and be designed to achieve a capture rate of not less than: (i) 35% for the period of July 1, 2006, through June 30, 2007; (ii) 50% for the period of July 1, 2007, through June 30, 2008; and (iii) 70% for the period of July 1, 2008, through June 30, 2009 and for each subsequent period of July 1 through June 30. Sets forth certain requirements for these collection programs including that each manufacturer adopt an implementation plan for their mercury switch collection program. Provides that if the required capture rates are not met, the Agency shall provide notice to the manufacturers subject to the collection requirements, and that beginning 30 days after the Agency first provides notice, a vehicle recycler that sells, gives, or otherwise conveys an end-of-life vehicle to an on-site or off-site vehicle crusher or a scrap metal recycler must remove all mercury switches from the vehicle prior to its conveyance, and that manufacturers subject to these collection requirements must provide to vehicle recyclers, vehicle crushers, and scrap metal recyclers (i) \$2.00 for each mercury switch removed by the vehicle recycler, vehicle crusher, or the scrap metal recycler, (ii) the costs of the containers in which the mercury switches are collected, and (iii) the costs of packaging and transporting the mercury switches off-site. Provides civil penalties for violations of the Act. Authorizes periodic reviews of these programs. Repeals the Act on January 1, 2018. Contains other provisions. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Provides that for civil penalties for failure to perform any duty imposed by this Act, the manufacturer must "willfully or knowingly" fail to perform these duties. Sets forth that second or subsequent violations shall result in a civil penalty not to exceed \$5,000 (instead of \$10,000). Provides that the manufacturers' duty to indemnify vehicle recyclers, vehicle crushers, and scrap metal recyclers for liabilities arising from releases from a mercury switch under the Act is subject to that switch being managed in accordance with the Environmental Protection Act and regulations adopted thereunder prior to transfer under the manufacturer's collection program. Changes the Act's repealer date to January 1, 2011 (instead of January 1, 2018).

Removes language allowing the cause of action to be commenced in any county when all of the defendants are nonresidents of the State. Provides that when venue is based on the defendant's or defendants' residence, and additional defendants or third party defendants are added to the claim or cause of action, venue remains proper only if all defendants and third party defendants are residents of the county where the claim or cause of action is filed. Requires that, if the additional defendants or third party defendants are not residents of the same county, upon motion of any party, the claim or cause of action shall be transferred to the county where the most significant act or omission or the most significant event or transaction occurred out of which the cause of action arose. Provides that, if there is no proper venue in this State for any reason, the claim or cause of action shall be dismissed without prejudice. Lists factors that the court shall consider when determining whether to dismiss a cause of action or transfer the cause of action to another venue. Provides that where more than one plaintiff is joined, each plaintiff shall independently establish proper venue. Makes other changes. Effective immediately.

210 ILCS 30/6.2 from Ch. 111 1/2, par. 4166.2

Amends the Abused and Neglected Long Term Care Facility Residents Reporting Act. Provides that a person required to make reports of allegations of abuse or neglect under the Act or cause such reports to be made, as provided in rules, who willfully fails to comply with those reporting requirements is guilty of a Class A misdemeanor. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:

210 ILCS 30/4 from Ch. 111 1/2, par. 4164

Further amends the Abused and Neglected Long Term Care Facility Residents Reporting Act. In the list of mandated reporters, replaces "Christian Science practitioner" with "accredited religious practitioner who provides treatment by spiritual means alone through prayer in accordance with the tenets and practices of the accrediting church (except as to information received in any confession or sacred communication enjoined by the discipline of the accrediting church to be held confidential)". Replaces the introduced bill's amendatory changes to the Act concerning a failure to comply with the reporting requirements. Defines a "required reporter" as a person who suspects, witnesses, or is informed of an allegation of abuse or neglect at a State-operated facility or a community agency and who is either: (i) a person employed at a State-operated facility or a community agency who is providing or monitoring services to an individual or individuals or is providing services to the State-operated facility or the community agency; or (ii) any person or contractual agent of the Department of Human Services involved in providing, monitoring, or administering mental health or developmental disability services. Provides that "required reporter" does not, however, include an accredited religious practitioner who provides treatment by spiritual means alone through prayer, to the extent that such a practitioner receives information concerning an allegation of abuse or neglect in any confession or sacred communication enjoined by the discipline of the accrediting church to be held confidential. Provides that a required reporter must report an allegation of abuse or neglect, or cause a report to be made, to the Department of Human Services Office of the Inspector General (OIG) Hotline no later than 4 hours after the initial discovery of the incident of alleged abuse or neglect. Provides that a required reporter who willfully fails to comply with the reporting requirement is guilty of a Class A misdemeanor. Defines "State-operated facility" and "community agency".

HOUSE AMENDMENT NO. 1

In amendatory provisions concerning a religious practitioner's duty to report suspected long-term care abuse or neglect, deletes an exception concerning information received in a confession or similar communication. In amendatory provisions concerning persons required to report

suspected abuse or neglect to the Inspector General, deletes a provision that "required reporter" does not include an accredited religious practitioner who provides treatment by spiritual means alone through prayer.

Prohibits the person or entity from debiting the

individual's bank account in amount greater than the price quoted on the written statement unless, at the time services are complete, the amount actually incurred by the individual exceeds the amount of the quoted price. Provides that the requirements do not apply to credit card transactions. Makes violation of the provisions an unlawful practice under the Act.

65 ILCS 5/11-124-5.1 new

Amends the Illinois Municipal Code. Sets forth procedures by which municipalities may acquire water systems by eminent domain. Provides that the Illinois Commerce Commission has no approval authority of any eminent domain action brought by any governmental entity or combination of such entities to acquire water systems or water works.

SENATE FLOOR AMENDMENT NO. 1

Adds reference to:

5 ILCS 220/3.1 from Ch. 127, par. 743.1

65 ILCS 5/11-124-5 new

735 ILCS 5/7-102 from Ch. 110, par. 7-102

Deletes everything after the enacting clause. Amends the Intergovernmental Cooperation Act. Provides that any body corporate and politic may establish a Municipal Joint Action Water Agency. Deletes a requirement that the water supply may only be derived from Lake Michigan, the Mississippi River, the Missouri River, or the Sangamon River Valley Alluvium. Amends the Illinois Municipal Code. Sets forth procedures by which municipalities may acquire water systems by eminent domain. Amends the Code of Civil Procedure. Provides that eminent domain actions to acquire property under certain Divisions of the Illinois Municipal Code, to acquire property for the purposes of a Municipal Joint Action Water Agency under the Intergovernmental Cooperation Act, or to acquire property that is a water system or waterworks pursuant to the home rule powers of a unit of local government need not have prior approval by the Illinois Commerce Commission.

SENATE FLOOR AMENDMENT NO. 2

Provides that, in determining just compensation for a water system or waterworks system in an eminent domain action, the court may (instead of "must") consider the amount of any land donations, impact fees, or similar payments by parties other than the utility used in the construction of the system or waterworks.

FISCAL NOTE (Department of Commerce and Economic Opportunity)

SB 3046 does not impact State finances. The bill would only impact municipalities serviced by private water companies. It can be assumed that most affected municipalities

could operate the systems in a manner that would likely produce cost savings for private water customers. SB 3046 would require municipalities that choose to exercise the authority gained by the bill to consider the following: (1) The evaluation of financial and other records of a company to determine the feasibility of the purchase, which would likely require the contracting of consultants; (2) The valuation language may require the municipality to reimburse the water company for the replacement cost of the equipment and other facilities purchased, even if the equipment or facilities are decades old. Based on these factors, the cost to municipalities would vary across the State. Therefore, to the extent that SB 3046 impact local revenue, a fiscal impact cannot be estimated at this time.

HOUSE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the provisions of the bill as engrossed with the following changes: In the Intergovernmental Cooperation Act, provides that a State university (instead of a body corporate and politic) may participate in a Municipal Joint Action Water Agency. In the Illinois Municipal Code, provides that a municipality may acquire, by eminent domain, all or part of a water system (instead of the entirety of the water system). Provides that the acquiring municipality or public entity must supply service and supply to persons who are customers of the system on the effective date of this amendatory Act (now, must supply to service to all retail customers). Provides that the acquiring municipality or public entity must honor the terms of any supply contract existing of the effective date of this amendatory Act unless that contract conflicts with another existing supply contract. Makes changes to the procedures concerning a municipality's inspections of the utility's assets and records and provides that the municipality must, upon request, reimburse the utility for the actual, reasonable costs and expenses, excluding attorneys' fees, incurred by the utility as a result of the municipality's inspection and requests for information. Deletes provisions concerning the valuation of the water system. Makes other changes.

HOUSE AMENDMENT NO. 2

In the Illinois Municipal Code, provides that the Section authorizing the condemnation of the water system does not apply to any public utility company that, on January 1, 2006, supplied a total of 70,000 or fewer meter connections in the State unless and until (i) that public utility company receives approval from the Illinois Commerce Commission for the reorganization of the public utility company or (ii) the majority control of the company changes through a stock sale, a sale of assets, a merger (other than an internal reorganization) or otherwise.

HOUSE AMENDMENT NO. 3

Adds reference to:

220 ILCS 5/7-213 new

Amends the Public Utilities Act. Provides that, in the event of a sale, purchase, or any other transfer of ownership, including the acquisition by eminent domain, of a water system, operated by a privately-held public water utility, the water utility's contract or agreements with the acquiring entity (or, in the case of an eminent domain action, the court order) must require that the acquiring entity hire a sufficient number of non-supervisory employees to operate and maintain the water system by initially making offers of employment, for a duration of at least 30 months, to the non-supervisory workforce of the water system at no less than the wage rates, and substantially equivalent fringe benefits and terms and conditions of employment that are in effect at the time of transfer of ownership of the water system. Requires that before any reduction in the workforce during a water system transaction, the privately-held public water utility shall present to the employees, or their representatives, a transition plan outlining the means by which the utility intends to mitigate the impact of the workforce reduction of its employees.

PENSION NOTE (H-AM 1,2,3)(Comm on Gov't Forecasting & Account)

SB 3046 (H-AM 1,2,3) will not have any impact on any state-funded pension fund or retirement system in Illinois.

JUDICIAL NOTE (H-AM 1,2,3)(Admin Office of the Illinois Courts)

It has been determined that this legislation would neither increase nor decrease the number of judges needed in the State.

STATE DEBT IMPACT NOTE (H-AM 1,2,3) (Gov. Forecasting & Accountability)

Would not change the amount of authorization for any type of State-issued or State-supported bond, and therefore would not affect the level of State indebtedness.

LAND CONVEYANCE APPRAISAL NOTE (H-AM 1,2,3) (Dept. of Transportation)
As there are no parcels of land being conveyed in this bill, there are no appraisals to be filled by the Department of Transportation.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM 1,2,3) (Housing Development Authority)

Insufficient information to determine a fiscal effect.

FISCAL NOTE (H-AM 1,2,3) (Dept of Commerce and Econ Opportunity)

SB 3046 (H-AM 1,2,3) does not impact State finances. The legislation would only impact municipalities serviced by private water companies. It can be assumed that most affected municipalities could operate in a manner that would likely produce cost savings for private water customers. SB 3046, as amended, would require municipalities that choose to exercise the authority granted by the bill to consider: (1) The evaluation of financial and other records of a company to determine the feasibility of the purchase, which would likely require the contracting of consultants; (2) The valuation language may require the municipality to reimburse the water company for the replacement cost of the equipment and other facilities purchased, even if the equipment or facilities are decades old. Based on these factors, the cost to municipalities would vary across the State. Therefore, to the extent that SB 3046 (H-AM 1,2,3) impacts local revenue, a fiscal impact cannot be estimated at this time.

STATE MANDATES FISCAL NOTE (H-AM 1,2,3) (Dept of Commerce and Econ Opportunity)

In the opinion of the Department of Commerce and Economic Opportunity, SB 3046 (H-AM 1,2,3) does not create a state mandate under the State Mandates Act.

HOME RULE NOTE (H-AM 1,2,3) (Dept of Commerce and Econ Opportunity)

In the opinion of the Department of Commerce and Economic Opportunity, SB 3046 (H-AM 1,2,3) does not pre-empt home rule authority.

30 ILCS 805/8.30 new

Amends the Statute on Statutes. Prohibits all takings under the power of eminent domain by the State or a unit of local government for private development unless the property is within an area that is a "blighted area" and the condemning authority has entered into a written agreement with a private person or entity that agrees to undertake a development project within the blighted area that specifically details the reasons for which the property or rights in the property are necessary for the success of the development project. Defines "private development".

Amends the Tax Increment Allocation Redevelopment Act in the Illinois Municipal Code. Provides that in all eminent domain actions in which a property owner is displaced, the displacing entity must pay certain costs related to the relocation and displacement of the property owner's residence, business, or farm operation. Amends the Eminent Domain Article in the Code of Civil Procedure. Provides that, in a condemnation proceeding in which the property has been designated by the condemning authority by ordinance as blighted, the condemning authority must demonstrate and prove by a preponderance of the evidence that the property is blighted property. Provides that the existence of an ordinance designating property as blighted is not prima facie evidence of blight. Provides that an ordinance designating property as "blighted property" shall not be presumed to be valid for purposes of the condemnation proceeding. Makes changes concerning the valuation of condemned property. Requires reimbursement of the property owner for certain relocation costs. Establishes guidelines for determining reasonable attorney's fees (i) if the court awards just compensation that exceeds the initial written offer of the condemning authority and (ii) if the court determines that the taking is not warranted. Preempts home rule powers. Amends the State Mandates Act to require implementation without reimbursement by the State. Makes other changes. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:

735 ILCS 5/7-122.5 new

Replaces everything after the enacting clause. Reinserts the provisions of the bill as introduced, with the following changes: In the Statute on Statutes, deletes from the definition of "private development" provisions (i) excluding development that benefits the State, a unit of local government, or a school district and (ii) excluding development for which the use of eminent domain is authorized by law after the effective date. In a provision prohibiting the use of eminent domain for private purposes, makes an exception for the taking of property in a blighted area when the exercise of eminent domain power and the proposed use of the property are consistent with a regional plan that has been adopted within the past 5 years in accordance with Section 5-14001 of the Counties Code or Section 11-12-6 of the Illinois Municipal Code or with a local land resource management plan adopted under Section 4 of the Local Land Resource Management Planning Act. In the Tax Increment Allocation Redevelopment Act of the Illinois Municipal Code, in the provisions added to the definition of "redevelopment project costs", deletes a phrase requiring payment by the displacing entity and provides that the terms used are as defined in the federal Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and its implementing regulations. In the Eminent Domain Article of the Code of Civil Procedure, (i) redefines "blighted", (ii) bases the determination of fair market value, in certain circumstances, on a date other than the date of filing the complaint to condemn, and (iii) changes the manner of determining reasonable attorney's fees. Also makes stylistic and technical changes. Provides that this Act does not apply to any action that was commenced prior to April 15, 2006. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Further amends the Statute on Statutes in relation to the exercise of eminent domain for private development purposes. Excludes from the term "private development": (1) development for which the exercise of eminent domain is authorized under the Telephone Company Act; and (2) development of property that is a historic resource, local landmark, or contributing structure within a local landmark district, if the proposed development requires that the character of the property be preserved.

HB-0062 LANG-FROEHLICH-MATHIAS-CHAPA LAVIA-FRANKS.

New Act

Creates the Local Government Consolidation Commission Act. Creates a 15 member commission on local government consisting of 5 Senators, 5 Representatives, and 5 citizens chosen by the Governor. Directs the Commission to study the organization and function of local governments within the State and to make recommendations to reduce the number of local governments and to increase their efficiency and economy. Requires the Commission to report its findings to the General Assembly by December 31, 2006. Effective immediately.

HOUSE AMENDMENT NO. 1

Increases the number of members of the Local Government Consolidation Commission to 17 members (now, 15), with 3 members appointed by each of the legislative leaders.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that the Governor's appointments shall include one member each from 5 categories. Provides that the Governor makes 4 of the appointments by selecting one person each to represent counties, municipalities, townships, and park districts. Provides that the Governor shall make the 4 appointments by selecting one person from each of 4 lists of recommended persons submitted by 4 associations, each representing one of those types of governmental entities. The Governor also appoints an elected officer of a local governmental entity in Illinois that is not a county, municipality, township, or park district (now, the only limitation on the Governor's appointment authority is that no more than 3 of the 5 persons appointed may be affiliated with the same political party). Deletes a provision that limits the Governor's appointments to no more than 3 persons affiliated with the same political party.

Amends the Illinois Vehicle Code and the State Finance Act. Provides that, beginning January 1, 2006, all diesel powered vehicles owned or operated by the State, any county or unit of local government, any school board, or any State College or University must use a blend containing at least 50% biodiesel fuel. Provides that the Department of Transportation shall reimburse those entities one cent for each gallon consumed, to be paid from the Energy Independence Fund, a special fund created in the State treasury. Amends the Motor Fuel Tax Law. Beginning January 1, 2006, increases from 19 cents to 19.1 cents the tax imposed per gallon of motor fuel. Provides that, of the 19.1 cents per gallon tax, the equivalent of one-tenth of one cent per gallon shall be deposited into the Energy Independence Fund. Provides that, subject to appropriation, the Department of Transportation shall use all moneys in that fund for the required reimbursement. Provides that the Secretary of Transportation shall adopt rules for implementing the Vehicle Code provision. Effective immediately.

STATE MANDATES FISCAL NOTE (Illinois Community College Board)

In the opinion of the Illinois Community College Board, HB 112 may create a state mandate to the community colleges of Illinois. Although the number of diesel-fueled vehicles owned and driven by Illinois community colleges is not known, many of the community colleges own vehicles used for physical campus maintenance and also for truck-driver training that may be fueled by diesel. The extra cost and availability to the community colleges of the biodiesel fuel is not known, nor is the estimated proposed reimbursement from the Energy Independence Fund.

430 ILCS 65/10 from Ch. 38, par. 83-10

Amends the Firearm Owners Identification Card Act. Provides that when the Department of State Police fails to act upon an application for a Firearm Owner's Identification Card within 30 days after receipt, or if the application was wrongfully denied, the applicant may seek relief from the circuit court in writing in the county of his or her residence. Provides that the applicant is entitled to recover any costs, attorney's fees, damages, and not less than \$500 per day nor more than \$1,000 per day for every day past the 30th day in which the Department failed to act. Effective immediately.

FISCAL NOTE (Illinois State Police)

The fiscal impact to the Illinois State Police would be significant. The FOID program is currently underfunded, and this legislation could cause the ISP to be liable for millions of dollars in fines. Using figures from the last quarter of 2004, the ISP could be liable for fines exceeding \$10 million due to receiving more applications than usual during hunting seasons and difficulty maintaining adequate staffing levels.

STATE MANDATES FISCAL NOTE (Illinois Community College Board)

In the opinion of the Illinois Community College Board, HB 151 may create a fiscal impact on the community colleges of Illinois. Community college districts in Illinois rely on property taxes for a large portion of their funding. That funding stream could be affected by the proposed legislation, which may reduce the amount of taxes collected for

community college district funding; but to what extent is not known at this time.

305 ILCS 5/5-5.25 new

Amends the Illinois Public Aid Code. Provides that on and after July 1, 2005, the Department of Public Aid shall reimburse providers of home health services under the Medicaid program at the same rates at which the federal government reimburses providers of those services under the Medicare program, using the Low Utilization Payment Adjustment (LUPA) national-average rate structure. Requires that the Department adjust those rates annually to reflect changes in the LUPA national-average rate structure. Effective immediately.

FISCAL NOTE (Illinois Department of Public Aid)

There is no low utilization payment adjustment (LUPA) rate for home assessment visits, therefore it is assumed this service will be paid at the Department's current rate. Using the current LUPA rate schedule for all other home health services, House Bill 213 is estimated to increase IDPA liability by \$7.1 million annually.
