House Bill 1374 provides that equalization grants shall be distributed to districts based upon the higher (i) EAV-based equalization calculation using equalized assessed valuation of property within a district (the current method of calculating these grants) or (ii) a PTE-based calculation using the property tax extension within a district (the proposed addition to the current statute). Tax caps and the evaluations of farmland values that are impacting local revenues and the funding of Illinois community colleges that affect many aspects of financing for the various colleges. The Property Tax Extension Legislation (PTEL) has limited the colleges' ability to access local tax revenues. Some colleges are more dramatically affected than others, particularly Moraine Valley, Triton, and Chicago City Colleges. Additional resources are required for Foundation funding. If the \$15 million allocated for City Colleges of Chicago in fiscal year 2005 becomes permanent and a part of the base for Foundation funding, then the ICCB estimates that an additional \$10.8 million will be required to fund Foundation in fiscal year 2006. Using current data, 4-5 colleges (PTEL and non-PTEL) districts qualify for Foundation funding. The number of qualifying institutions and the dollar amount will fluctuate from year-to-year based on fluctuating data that are used in the formula.

Amends the Illinois Municipal Code. Provides that in a municipality having a population less than 1,000,000, a firefighter who is required to be a paramedic as a condition of employment may be placed on an additional 18-month probationary period. Provides that during the additional period, the firefighter may be discharged without a hearing solely for failure to pass the paramedic examination. Makes other changes. Effective immediately.

- 70 ILCS 705/16.13b from Ch. 127 1/2, par. 37.13b

Deletes everything after the enacting clause. Amends the Illinois Municipal Code and the Fire Protection District Act. Provides that in certain municipalities and fire protection districts, the probationary employment period may be extended beyond 12 months for a firefighter who is required, as a condition of his or her employment, to be a certified paramedic, but the firefighter may only be discharged without a hearing during the extended probationary period if the firefighter fails to meet the paramedic certification requirements (now, the probationary period limitation does not apply to a fireman whose position also includes paramedic responsibilities). New Act

Deletes everything after the enacting clause. Creates the Illinois Appliance Efficiency Standards Act. Provides minimum efficiency standards for certain new products sold or installed in this State including: (1) medium voltage dry-type distribution transformers; (2) metal halide lamp fixtures; (3) furnaces and boilers; (4) single-voltage external AC to DC power supplies; and (5) State-regulated incandescent reflector lamps. Sets forth certain exemptions from these minimum efficiency standards. Provides that beginning January 1, 2008, no new medium voltage dry-type distribution transformer, single-voltage external AC to DC power supply, or State-regulated incandescent reflector lamps may be sold or offered for sale in this State unless the efficiency of the new product meets or exceeds the applicable minimum efficiency standards. Provides that beginning January 1, 2009, no new metal halide lamp fixture may be sold or offered for sale in this State unless the efficiency of the new product meets or exceeds the applicable minimum efficiency standards. Requires the Department of Commerce and Economic Opportunity, in consultation with the Attorney General, to determine if implementation of State standards for furnaces and boilers requires a waiver from federal preemption. Provides that if a waiver from federal preemption is necessary, the State standard shall go into effect at the earliest date permitted by federal law. Sets forth that if a waiver from federal preemption is not needed for the State then the State standards shall go into effect on June 1, 2008. HOUSE AMENDMENT NO. 1

Deletes reference to:

415 ILCS 5/19.9 from Ch. 111 1/2, par. 1019.9

Adds reference to:

415 ILCS 5/13.6 new

Deletes everything after the enacting clause. Amends the Environmental Protection Act. Requires the owner or operator of a nuclear power plant to report to the Environmental Protection Agency any unpermitted release of a contaminant within 24 hours. Provides that an "unpermitted release" means any spilling, leaking, emitting, discharging, escaping, leaching, or disposing of an contaminant into groundwater, surface water, or soil that is not permitted under State or federal law or regulation. Requires the Agency to inspect each nuclear power plant

with respect to unpermitted releases no less than once each quarter every calendar year. Requires that no later than one year after the effective date of this amendatory Act, the Agency shall propose rules to the Board prescribing standards for detecting and reporting unpermitted releases of contaminants at nuclear power plants (including, but not limited to, tritium or other radionuclides). Provides that no later than one year after receipt of the Agency's proposal, the Board shall adopt rules prescribing standards for detecting and reporting unpermitted releases of contaminants at nuclear power plants. Authorizes rules to include standards for self-monitoring by the owner or operator of the nuclear power plant. Adds other provisions. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the provisions of the bill as engrossed. Provides that the purpose of this Section is the detection and reporting of unpermitted releases of "radionuclides" (instead of "contaminants" including radionuclides) into groundwater, surface water, or soil at nuclear power plants. Makes corresponding changes reflecting this purpose. Requires the owners of a nuclear power plant to notify the Environmental Protection Agency (IEPA) and the Illinois Emergency Management Agency (IEMA) within 24 hours of an unpermitted release. Provides that the quarterly inspections shall be by both IEPA and IEMA. Requires IEPA to consult IEMA in proposing rules to the Pollution Control Board that prescribe standards for detecting and reporting unpermitted releases of radionuclides. Provides that these rules may include standards for self-inspection by the owner or operator of the nuclear power plant in lieu of the IEPA and IEMA quarterly inspections. Effective immediately.

HB-1749 MADIGAN-CURRIE-REITZ.

35 ILCS 250/5

Amends the Longtime Owner-Occupant Property Tax Relief Act. Makes a technical change in a Section concerning public policy.

FISCAL NOTE (H-AM 1) (Department of Revenue)

House Bill 1749 (H-AM 1) amends the Illinois Income Tax Act to expand the definition of base income to include an addition that is equal to the amount deducted from the federal income tax return for the depreciation of a sport utility vehicle under Section 179 of the Internal Revenue Code. This provision would increase income tax receipts. However, the Illinois Department of Revenue cannot determine the extent of that increase because the federal deduction for a sport utility vehicle is not identified separately from other property depreciation expenses under Section 179 of the Internal Revenue Code.

FISCAL NOTE (H-AM 1) (Department of Revenue)

This provision would increase income tax receipts. However, the Illinois Department of Revenue cannot determine the extent of that increase because the federal deduction for a sport utility vehicle is not identified separately from other property depreciation expenses under Section 179 of the Internal Revenue Code.

FISCAL NOTE (H-AM 2) (Dept. of Revenue)

This would increase income tax receipts. However, the Illinois Dept. of Revenue cannot determine the extent of that increase because the federal deduction for a sport utility vehicle is not identified separately from other property depreciation expenses under Section 179 of the Internal Revenue Code.

40 ILCS 5/3-101 from Ch. 108 1/2, par. 3-101

Amends the Illinois Pension Code. Makes a technical change in a Section concerning downstate police.

HOUSE AMENDMENT NO. 1

Deletes reference to:

40 ILCS 5/3-101

Adds reference to:

40 ILCS 5/14-110

from Ch. 108 1/2, par. 14-110

40 ILCS 5/14-152.2 new

Replaces everything after the enacting clause. Amends the State Employee Article of the Illinois Pension Code. Provides the alternative (State police) retirement formula for certain automotive mechanics employed by the Illinois State Toll Highway Authority who are assigned to retrieve or repair State vehicles on State highways or tollways and certain sign hangers employed by the Department of Transportation. In provisions concerning the alternative retirement formula, removes references to obsolete job designations of the Illinois State Toll Highway Authority. Includes language concerning new benefit increases. Effective immediately.

PENSION NOTE (H-AM 1)(Comm on Gov't Forecasting & Accountability)

The fiscal impact of HB 1814 (H-AM 1) cannot be calculated, as the exact number of employees affected is not known. According to SERS' actuary, switching one employee from the regular formula to the alternative formula would increase the system's accrued liabilities between \$7,000 and \$185,000, depending upon the member's pay and years of service.

STATE MANDATES FISCAL NOTE (H-AM 1)(Dept. of Commerce and Economic Opportunity)

In the opinion of the Department of Commerce and Economic Opportunity, HB 1814 (H-AM 1) does not create a State mandate under the State Mandates Act.

FISCAL NOTE (H-AM 1) (State Retirement Systems)

This bill would increase state contributions by \$9.5 million.

40 ILCS 15/1.7 new

Replaces everything after the enacting clause. Amends the Budget Stabilization Act. Creates the Pension Stabilization Fund, to be used solely for making payments to the 5 State-funded retirement systems to reduce their unfunded liabilities. Provides for transfers of money into that Fund from the General Revenue Fund in the same amounts and in the same manner as transfers are made into the Budget Stabilization Fund. Provides that all money deposited into the Pension Stabilization Fund shall be promptly apportioned and distributed by the State Comptroller to the 5 State-funded retirement systems, in proportion to their respective actuarial reserve deficiencies, as determined by the Governor's Office of Management and Budget. Amends the Illinois Pension Code. Provides that amounts received from the Pension Stabilization Fund do not reduce and do not constitute payment of any portion of the required minimum State contribution, and shall not be used in computing required State contributions in future years until the system becomes at least 90% funded. Amends the State Pension Funds Continuing Appropriation Act to provide for the continuing appropriation of the amounts to be distributed from the Fund. Amends the State Finance Act. Adds the new Fund to the list of special funds and exempts it from transfers under Section 8h. Effective July 1, 2006.

PENSION NOTE (H-AM 1,2)(Comm on Gov't Forecasting & Account)

According to the Commission's FY 2007 Revenue Forecast, general funds revenues are expected to grow by 2.7% over estimated FY 2006 receipts. Therefore, no transfer of funds to the Pension Stabilization Fund would occur in FY 2007. The changes in funding provisions would require an additional \$600-\$900 million pension contribution for FY 2007 over the current statutorily-defined funding requirement.

STATE DEBT IMPACT NOTE (H-AM 1,2)(Comm on Gov't Forecasting & Account)

HB 1815 (H-AM 1,2) would not change the amount of authorization for any type of State-issued or State-supported bond, and therefore, would not affect the level of indebtedness

STATE MANDATES FISCAL NOTE (H-AM 1 & 2)(Dept of Commerce & Econ Opportunity)

This legislation does not create a State mandate under the State Mandates Act.

FISCAL NOTE (H-AM) (Gov. Office of Management & Budget)

The Governor's Office of Management and Budget estimates that this bill, if enacted into law, will not have a fiscal impact to the State. In the event that estimated general fund revenues exceed expenditures by the value set forth in the Budget Stabilization Act, a transfer would be required that would impact the fiscal condition of the State. However, the Governor's Office of Management and Budget does not estimate that revenue conditions will impact this Act in fiscal year 2007.

FISCAL NOTE (H-AM 2) (Gov. Office of Management & Budget)

Approximately \$1 Billion in additional costs to the State in fiscal year 2007, and increasing amounts in future fiscal years.

HB-1870 DAVIS, MONIQUE-CURRIE-DELGADO.

750 ILCS 50/3 from Ch. 40, par. 1504

Amends the Adoption Act. Makes a technical change in a Section concerning who may be adopted.

HOUSE AMENDMENT NO. 1

Deletes reference to:

750 ILCS 50/3

Adds reference to:

750 ILCS 50/1

Deletes everything after the enacting clause. Amends the Adoption Act. Provides that a petition or motion seeking to terminate parental rights for lack of progress, in a 9-month period, toward the return of the child shall specify the 9-month period relied upon by the petitioner.

SENATE FLOOR AMENDMENT NO. 2

Replaces the bill's amendatory provisions concerning a parent's failure to make reasonable progress toward the return of a child as a basis for finding the parent to be an "unfit person". Provides that when a petition or motion seeks to terminate parental rights on the basis of a parent's failure to make reasonable progress toward the return of a child during any 9-month period after the end of the initial 9-month period following the adjudication of neglected, abused, or dependent minor, the petitioner shall file with the court and serve on the parties a pleading that specifies the 9-month period or periods relied on (instead of providing that a petition or motion to terminate parental rights on the basis of any of the grounds relating to failure to make reasonable progress toward the return of the child shall specify the 9-month period relied on by the petitioner). Provides that the pleading shall be filed and served on the parties no later than 3 weeks before the date set by the court for closure of discovery, and the allegations in the pleading shall be treated as incorporated into the petition or motion. Provides that failure of a respondent to file a written denial of the allegations in the pleading shall not be treated as an admission that the allegations are true.

HB-1920 BRADLEY, JOHN-TURNER-STEPHENS, TENHOUSE, FLOWERS, DAVIS, MONIQUE AND JAKOBSSON.

230 ILCS 10/1 from Ch. 120, par. 2401

Amends the Riverboat Gambling Act. Makes a technical change in a Section concerning the short title.

HOUSE AMENDMENT NO. 1

Deletes reference to:

230 ILCS 10/1

Adds reference to:

20 ILCS 605/605-812 new

230 ILCS 10/Act rep.

Replaces everything after the enacting clause. Repeals the Riverboat Gambling Act. Amends

the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois. Provides that if a riverboat gambling facility ceases operations in a particular area of the State, then the Department shall provide a grant to the local community college district to provide job retraining to former employees of the riverboat gambling facility. Effective immediately.

HOUSE AMENDMENT NO. 3

Changes the effective date to July 1, 2007.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM 3)(Housing Development Authority)

This legislation will have no effect on constructing, purchasing, owning, or selling a single-family residence.

PENSION NOTE (H-AM 1 & 3)(Comm on Gov't Forecasting & Account)

House Bill 1920, as amended by House Amendment 1 and 3, would not impact any public pension fund or retirement system in Illinois.

JUDICIAL NOTE (H-AM 3)(Admin. Office of the Illinois Courts)

Would neither increase nor decrease the number of judges needed in the State.

STATE DEBT IMPACT NOTE (H-AM 1 & 3)Government Forecasting & Accountability)

Would not change the amount of authorization for any type of State-issued or State-supported bond, and therefore, would not affect the level of State indebtedness.

FISCAL NOTE (H-AM 3)(Department of Revenue)

The repeal of the Riverboat Gambling Act would reduce State revenues from riverboat gambling by approximately \$707 million per year and reduce local revenues from riverboat gambling by approximately \$112 million per year beginning July 1, 2007.

FISCAL NOTE (H-AM 3)(Illinois Gaming Board)

The elimination of the Riverboat Gambling Act would reduce state gaming revenues by more than \$700 million beginning with FY08 and thereafter. The local communities would also lose their share of the gaming tax revenue, which would be at least \$102 million. In addition, there would be a loss of nearly 9,000 jobs in Illinois directly related to the gaming industry and more than 50,000 non-casino jobs supporting the Illinois gaming industry. This would translate to a loss of additional state revenues including, but not limited to, individual and corporate income taxes, sales taxes, hotel/motel taxes and property taxes. There will likely be an immediate impact as well. With the anticipation of the elimination of casino gaming in Illinois, over \$200 million in current or anticipated construction projects would come to a halt. This would impact additional jobs in the construction industry in downstate communities. With the increased tax rate in FY04, casino revenues dropped 7.8% (\$140.5 million), jobs were eliminated, capital expenditures were reduced and as a result the local communities received approximately \$10 million less in gaming tax revenues. The fiscal impact on FY06 and FY07 could likely be much worse.

CORRECTIONAL NOTE (H-AM 3)(Department of Corrections)

Corrections Population Impact: None. Fiscal Impact: None.

HOME RULE NOTE (H-AM 1 & 3)(Dept. of Commerce & Econ Opportunity)

Does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (H-AM 1 & 3)(Dept. of Commerce and Economic Oppor)

Would not affect the level of State indebtedness.

BALANCED BUDGET NOTE (H-AM 3) (Gov. Office of Management & Budget)

Fiscal Impact: At least \$700 Million to the State and at least \$100 Million to local communities.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM 3)(Housing Development Authority)

This legislation will have no effect on constructing, purchasing, owning, or selling a single-family residence.

HB-1921 MADIGAN-CURRIE-LANG.

230 ILCS 5/31 from Ch. 8, par. 37-31

Amends the Illinois Horse Racing Act of 1975. Makes a technical change in a Section concerning the Illinois Standardbred Breeders Fund.

FISCAL NOTE (H-AM 3) (Illinois Gaming Board)

The Gaming Board's current, revised appropriation request for Fiscal Year 2006, excluding appropriations to accommodate the distributions to the local governments is \$16,081,100. This request assumes no change in current law. Under House Amendment 3 to House Bill 1921, the Gaming Board's requested appropriation for Fiscal Year 2006 would be \$22,327,601.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM 3) (Housing Development Authority)

No fiscal effect on a single-family residence.

PENSION NOTE (H-AM 3) (Gov. Forecasting & Accountability)

Will not impact the liabilities or annual costs of the State Employees Retirement System.

STATE DEBT IMPACT NOTE (H-AM 3) (Gov. Forecasting & Accountability)

Would not change the amount of authorization for any type of State-issued or State-supported bond, and therefore would not affect the State indebtedness.

STATE MANDATES FISCAL NOTE (H-AM 3) (Dept. of Commerce & Econ Opportunity)

Does not create a state mandate under the State Mandates Act.

HOME RULE NOTE (H-AM 3) (Dept. of Commerce & Econ Opportunity)

Does not pre-empt home rule authority.

JUDICIAL NOTE (H-AM 3) (Admin. Office of the Illinois Courts)

Would neither increase nor decrease the number of judges needed in the State.

FISCAL NOTE (H-AM 5)(Department of Revenue)

Based on Gaming Board staffing recommendations, the Department of Revenue would need an additional \$900,000 to hire additional investigators and the Illinois Gaming Board would need an additional \$3,440,000 for additional administrative staff and associated support.

BALANCED BUDGET NOTE (H-AM 3)(Gov. Office of Mgmt and Budget)

Based on the information provided by the Illinois Gaming Board, currently a division of the Illinois Department of Revenue, the Governor's Office of Management and Budget (GOMB) estimates that the proposed legislation will cost an additional \$4,771,100 in FY 06. Appropriations, as introduced by the Governor to the Department of Revenue for Illinois Gaming Board operations, currently total \$120,050,400, which is divided in this manner: Operations: \$15,600,400, Grants to Locals: \$104,400,000, and Refunds: \$50,000. An independent Illinois Gaming Board will have an increased appropriation of \$124,821,500. From this increased appropriation, roughly \$4.8 million was not included in the Governor's introduced budget. The increased appropriation of roughly \$4.8 million represents nine months of operations, not an annualized amount. An annualized amount would increase appropriations by \$766,000 to \$125,587,500.

Provides that prior to the registration status hearing, the State's Attorney may petition for the continuation of the term of registration. Provides that at the registration status hearing, if the State's Attorney fails to file a petition for continuation of term of registration, or if the court determines, based upon certain risk factors that the registrant no longer poses a serious risk to the community, registration shall be terminated. Provides that upon the State's presentation of clear and convincing evidence that the registrant poses a serious risk to the community, the court may extend registration and determine which, if any, conditions of registration shall apply. Provides that after the registrant completes the term of his or her registration, his or her name, address, and all other identifying information shall be removed from all State and local registries. Provides that these provisions apply retroactively to cases in which adjudicated juvenile delinquents registered or were required to register before the effective date of the amendatory Act. Provides that within 90 days after the effective date of the

amendatory Act, the clerk's office shall send notice to registrants affected by these provisions notifying them of a registration status hearing. Provides that these provisions do not apply to minors prosecuted under the criminal laws as adults. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that the court shall determine at the sentencing hearing (rather than may determine) whether to order registration of an adjudicated juvenile delinquent who committed a sex offense, and if so the duration of the registration. Provides that the court may, upon a hearing on the petition for continuation of registration, extend registration and determine which, if any, conditions of registration shall apply if the court finds that the registrant poses a serious risk to the community by clear and convincing evidence based on certain factors. Provides that on or after the effective date of the amendatory Act, the adjudicated juvenile delinquent may request a hearing regarding status of registration by filing a Petition Requesting Registration Status with the clerk of the court. Provides that upon receipt of the Petition Requesting Registration Status, the clerk of the court shall provide notice to the parties and set the Petition for hearing.

SENATE FLOOR AMENDMENT NO. 2

Changes the standard of proof that the court must use in determining whether to continue registration of the juvenile sex offender and the conditions of registration based upon the serious risk that the juvenile sex offender poses to the community from clear and convincing evidence to a preponderance of the evidence. Also, clarifies that the retroactive provisions apply to those adjudicated before the effective date of the amendatory Act.

115 ILCS 5/9 from Ch. 48, par. 1709

Amends the Illinois Educational Labor Relations Act. Makes a technical change in a Section concerning rules.

HOUSE AMENDMENT NO. 1

Deletes reference to:

115 ILCS 5/9

Adds reference to:

820 ILCS 130/2

from Ch. 48, par. 39s-2

820 ILCS 130/3

from Ch. 48, par. 39s-3

Deletes everything after the enacting clause. Amends the Prevailing Wage Act. Provides that workers at a facility dedicated exclusively, or nearly so, to performance of the contract or project and located in such proximity to the actual construction location that it would be reasonable to include them, or that perform work specifically designated for installation on a public works project, shall be deemed to be employed on public works. Provides for coverage of the transportation of aggregate materials to or from the job site. Provides that workers who are paid a set amount for truck expense and take-home wage and who are deemed to be employed on the public works project are entitled to the proper prevailing wage for the equipment being operated. Makes other changes.

FISCAL NOTE (Department of Labor)

The Department of Labor believes there will be increased costs with this legislation due

to an increase in prevailing wage complaints that will need to be investigated if it becomes law. While it is difficult to estimate the number of additional complaints that will be filed, the Department believes it could require the hiring of 1-2 more prevailing wage conciliators with associated costs of between \$62,000 and \$124,000.

JUDICIAL NOTE (H-AM 1)(Admin Office of the Illinois Courts)

House Bill 2113 (H-AM 1) would neither increase nor decrease the number of judges needed in the State.

PENSION NOTE (H-AM 1) (Com. on Gov. Forecasting & Accountability)

Would not impact any public pension fund or retirement system in Illinois.

HOME RULE NOTE (H-AM 1) (Dept. of Commerce & Econ Opportunity)

Does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (H-AM 1) (Dept. of Commerce & Econ Opportunity)

Creates a local government organization and structure mandate for which reimbursement of the increased costs to units of local government is not required under the State Mandates Act.

Replaces everything after the enacting clause. Amends the Electric Service Customer Choice and Rate Relief Law of 1997 in the Public Utilities Act. Provides that, if the residential customer electric service rates that have been approved by the Illinois Commerce Commission to take effect at the end of the mandatory transition period for an electric utility reflect a projected increase of more than 15% in the electric utility's average rate charged to residential customers for bundled electric service, such electric utility must implement a rate mitigation plan for residential customers and incorporates limitations on the increases the electric utility may impose based on the number of residential customers served by the electric utility, distinguishing between electric utilities that serve more than 100,000 and fewer than 2,000,000 residential customers and electric utilities that serve 2,000,000 or more residential customers. Requires the rate limitations to be separately calculated for each residential class of service, other than real-time pricing. Provides that electric utilities required to file a rate mitigation plan shall make specified payments or incur specified costs, based on the number of residential customers, associated with the development of energy efficiency and renewable resources for the benefit of their residential customers and assistance to those residential customers least able to afford utility services. Requires the Commission to adopt rules on or before December 31, 2009 governing the recovery through rates of the costs associated with an electric utility's discretionary investment in programs that promote the use of energy efficiency and renewables. Provides criteria under which the limitations in the rate mitigation plans shall cease to apply based upon whether the utility is assigned specific credit ratings and allows utilities to begin recovering all amounts that have been deferred. Allows for recovery of amounts deferred through rate mitigation bonds. Provides that the Commission shall authorize the issuance of rate mitigation bonds by an electric utility or other financing entity designated by the electric utility. Requires that rate mitigation bonds shall be secured through an irrevocable financing order imposing a non-bypassable bond charge and shall provide for collection of the bond charge by the electric utility, an assignee, a financing entity, or a pledgee of bondable property. Provides criteria for financing orders. Amends the Uniform Commercial Code to make changes related to bonding authority under the Public Utilities Act. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Deletes the language that provides criteria under which the limitations in the rate mitigation plans shall cease to apply based upon whether the utility is assigned specific credit ratings and allows utilities to begin recovering all amounts that have been deferred.

- 30 ILCS 740/2-7 from Ch. 111 2/3, par. 667

Deletes everything after the enacting clause. Amends the Downstate Public Transportation Act. Defines "participant" to include a county (i) serving an urbanized area of over 50,000 inhabitants (now, specifies that this service had to be operating on December 28, 1989) or (ii) serving a nonurbanized area. Provides that a nonurbanized area may be a participant without any receipt of federal rural public transportation assistance (now, requires receipt of federal rural public transportation assistance on or before June 30, 2002). Provides that, with respect to a participant that receives an initial appropriation in State fiscal year 2002 or thereafter (now, in State fiscal year 2002 only), the maximum amount of the eligible operating expenses appropriation in subsequent years (except State fiscal year 2006) may not exceed the amount appropriated in the prior year by more than 10%. Beginning July 1, 2005, increases the amount paid by the Department of Revenue into the Downstate Public Transportation Fund each month to 3/32 (now 2/32) of 80% of the net revenue realized under certain State tax Acts within any municipality or county located within the boundaries of a participant. Requires the Department of Revenue to allocate the entire amount paid into the Metro-East Public Transportation Fund to the District serving primarily Madison County (now, 55% is allocated to the District serving primarily the counties of Monroe and St. Clair and 45% is allocated to the District serving primarily Madison County). Provides that, beginning July 1, 2005, with respect to the District serving primarily the counties of Monroe and St. Clair: (i) the District is no longer included for new appropriation funding purposes as part of the Metro-East Public Transportation Fund and is instead included for new appropriation funding purposes as part of the Downstate Public Transportation Fund, provided that the District remains eligible for previously appropriated funds to which it would otherwise be entitled; (ii) the amount transferred from the General Revenue Fund to the Downstate Public Transportation Fund shall be 3/32 (now, 2/32) of 80% of the net revenue realized from within the boundaries of Monroe and St. Clair counties under certain State tax Acts; (iii) certain provisions with respect to allocations to Metro-East Mass Transit Districts of the amount paid into the Metro-East Public Transportation Fund do not apply to the District serving primarily the counties of Monroe and St. Clair with respect to fiscal year 2006 and succeeding fiscal years; and (iv) authorizes the District to file a request each fiscal year for a monthly payment of 1/12 of the amount appropriated for that fiscal year, except that the total amount of payments in a fiscal year shall not exceed the lesser of (i) 55% of the District's eligible operating expenses for that fiscal year or (ii) the total amount appropriated to the District for that fiscal year. Imposes certain requirements on certain units of local government that become participants on or after the effective date of the amendatory Act and on any existing participant that seeks to extend its service by annexation or intergovernmental agreement. Makes other changes. Effective immediately.

20 ILCS 5/1-1 was 20 ILCS 5/1

Amends the Civil Administrative Code of Illinois. Makes a technical change in a Section concerning the short title of the Code.

- PENSION NOTE (H-AM 1) (Gov. Forecasting & Accountability)
- Would not impact any public pension fund or retirement system in Illinois.
- STATE DEBT IMPACT NOTE (H-AM 1) (Gov. Forecasting & Accountability)

Would not change the amount of authorization for any type of State-issued or State-supported bond, and therefore would not affect the level of State indebtedness.

FISCAL NOTE (Dept of Corrections)

Corrections Population Impact: None. Fiscal Impact: None.

CORRECTIONAL NOTE (Dept of Corrections)

Corrections Population Impact: None. Fiscal Impact: None.

LAND CONVEYANCE APPRAISAL NOTE (H-AM 1)(Dept. of Transportation)

As there are no parcels of land being conveyed in this bill, there are no appraisals to be filed by the Department of Transportation.

JUDICIAL NOTE (H-AM 1)(Admin Office of the Illinois Courts)

Would neither increase nor decrease the number of judges needed in the State.

FISCAL NOTE (H-AM 1) (State Comptroller)

The cost to the Office of the Comptroller would be minimal. Under the Act, the IOC would create and administer two special revenue funds and make transfers pursuant to appropriations. A reasonable estimate of new revenues in 2007 is \$24 million to \$30 million.

HOME RULE NOTE (H-AM 1) (Dept. of Commerce & Economic Opportunity)

Does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (H-AM 1) (Dept. of Commerce & Economic Opportunity)

Creates a local government organization and structure mandate for which reimbursement of the increased cost to units of local government is not required under the State Mandates Act.

BALANCED BUDGET NOTE (H-AM 1) (Gov. Office of Management & Budget)

Because grants may only be made using these revenues, and because this revenue source is anticipated to support the administrative requirements of the Institute, the proposed legislation should not have an impact on the fiscal year 2006 budget or future year budgets. However, the creation of a grant program creates the expectation that grants to finish continuing research will continue to receive funding, even if the revenue source dedicated to funding these grants is insufficient. Use of general funds to support grant spending would constitute a structural impediment to a balanced budget.

FISCAL NOTE (H-AM 1) (Dept. of Revenue)

If the 6% on cosmetic medical procedures was in effect in 2004, it would have generated approximately \$19,500,000 in tax revenues. The Department of Revenue would incur a one-time cost of approximately \$250,000 to create a new return to implement the provisions of SB 2100. Additionally, the Department's Audit Bureau would need to hire between 10 and 15 auditors at a cost of approximately \$500,000 to \$750,000 per year and the Department's Collections Bureau would need to hire 4 Revenue Tax Specialists and 2 Field Collectors at a cost of approximately \$180,000 per year.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM 1) (Housing Development Authority)

No fiscal impact on a single-family residence.

Deletes everything after the enacting clause. Reinserts the provisions of the original bill, with changes, additions, and deletions. Provides that the provision applies only in specified counties and townships. Provides that these vehicles may not have their engines idling more than 10 (rather than 3) minutes in any 60 minute period. Provides that an exemption applies to vehicles used in production agriculture (rather than in farming operations). HB-2371 MOLARO.

New Act

Creates the Public School Teachers' Pension and Retirement Fund of Chicago Continuing Appropriation Act. Provides for appropriations from the Common School Fund to the Public School Teachers' Pension and Retirement Fund of Chicago of the amount by which the total available amount of all other appropriations to that Retirement Fund for the payment of State contributions is less than the total amount of the vouchers for required State contributions lawfully submitted by the Retirement Fund for that month under Section 17-127 of the Illinois Pension Code on a continuing monthly basis. Provides that nothing in the Act shall be construed, interpreted, or otherwise viewed to imply an authorization, desire, or intent to merge or in any other way combine the Public School Teachers' Pension and Retirement Fund of Chicago with any other pension fund. Effective immediately.

PENSION NOTE (Commission on Gov't Forecasting and Accountability)

House Bill 2371 would create a continuing appropriation for the Chicago Teachers' Pension Fund. This would guarantee that the State would appropriate to the Fund 0.544% of payroll in years that the Fund has a funded ratio below 90%. For FY 2006 the required appropriation would be \$9.9 million. Traditionally, the State contributes \$65 million to the Fund, but that amount is not required by statute and would not qualify as a continuing appropriation under House Bill 2371.

Amends the State Prompt Payment Act. Requires vendors who are small businesses to be paid within 10 days (now, 60 days for all businesses). Defines a "small business" as one that employs fewer than 50 employees.

FISCAL NOTE (Capital Development Board)

The Capital Development Board averaged around \$60,000 in prompt payment interest om 2004 and 2005. Small businesses are defined by CMS (based on sales volume) account for 30% of CDB's activity. Assuming that CMS's definition and this act's definition account for approximately the same population of vendors, CDB's prompt payment interest might triple to about \$240,000 per year if bond sales continue in the same patterns.

Amends the Animal Welfare Act. Defines "animal", "animal rescue group", "companion animal", "dog daycare", "exotic or non-domesticated animal", and "humane society". Provides that the 4 animal limitation on foster homes does not include a foster home owner's personal animals or the offspring of a female animal until that offspring reaches the age of 8 weeks.

Removes a provision requiring records relating to the origin and sale of dogs to be made available for inspection by the Secretary of Agriculture or the Department of Agriculture upon demand. Adds provisions concerning the location and review of records and requiring licensees to keep records of each transfer of non-human primates or exotic or non-domesticated animals. Adds dog daycares, animal rescue groups, humane societies, and foster homes to the list of businesses that require licensure in order to operate in the State. Exempts certain businesses and activities from the licensure requirement. Provides that in order to operate a foster home, a person must obtain sponsorship from an animal shelter, an animal rescue group, or a humane society, rather than a permit. Provides that a business that requires licensure must obtain approval from the Department before expanding the business by more than 20% or adding a new species of animal to the business. Provides that the Department may, upon its own motion or a verified complaint, investigate the actions of any person holding or claiming to hold a license (now, the Department may also investigate the actions of any applicant for initial issuance of a license). Provides that before refusing to renew a license, the Department shall notify the holder of a license that a hearing will be held on a designated date to determine whether the respondent is privileged to hold the license (now, the Department must also provide notice and set a hearing for an applicant before refusing to issue a license). Allows the release for sale, trade, or adoption of animals with diseases, injuries, or abnormalities if the transferee has knowledge of the disease, injury, or abnormality and has given written consent to the acceptance of the animal with the condition. Eliminates application fees for foster home permits and renewal of foster home permits. Makes other changes.

- 770 ILCS 50/1 from Ch. 82, par. 47a

Amends the Illinois Vehicle Code and makes a corresponding change in the Labor and Storage Lien (Small Amount) Act. Provides that vehicles that are towed or relocated at the request of the owner or operator (as well as those towed or relocated because they are abandoned, lost, stolen, or unclaimed) are subject to a lien under the Labor and Storage Lien (Small Amount) Act. Provides that the provisions of that Act regarding the maximum amount of the lien do not apply to liens covered by the Vehicle Code provision. Provides that with certain enumerated exceptions, personal property in a vehicle subject to a lien under the Code provision is also subject to that lien. Limits the amounts of liens under the provision. Provides that the Illinois Commerce Commission shall set reasonable rates for the use of a credit card by a person whose vehicle has been towed by a commercial vehicle relocater. Deletes language providing that a commercial vehicle relocater may not charge the owner or operator of a relocated vehicle an additional fee for use of a credit card. Provides that it is a violation of the Code for a commercial vehicle relocater in a county with a population of more than 2,000,000 to fail to make relocated vehicles available to their owners or operators 24 hours per day, 7 days per week, and 52 weeks per year. Provides for expedited transfer of a vehicle relocater's license under specified conditions, in specified circumstances. Repeals a provision providing that a relocater's license is not transferable. Effective immediately.

HB-2465 HOWARD-DAVIS, MONIQUE-YARBROUGH-PATTERSON-DUNKIN.

New Act

Creates the Sustainable Funding for Community Technology Act. Authorizes the Department of Commerce and Economic Opportunity to (i) establish community collaboratives for the purpose of strategic planning for computing and telecommunications infrastructure and related community and economic development in low-income rural and urban areas and (ii) award strategic planning grants and telecommunications and computing infrastructure sustainable funding grants to those community collaboratives. Effective July 1, 2005.

FISCAL NOTE (Department of Commerce and Economic Opportunity)

Although House Bill 2465 is subject to appropriation, the Department estimates that it would require two additional staff and associated resources with a cost of \$173,000 to establish community collaboratives, issue strategic planning grants, review and comment on strategic plans, issue endowment or general operating grants, and perform other functions to administer this new program. These costs would be in addition to appropriations made by the General Assembly for strategic planning grants, endowments, and general operating grants.

30 ILCS 540/8 new

Amends the State Prompt Payment Act. Defines "qualified provider" as certain organizations that provide non-residential services for the elderly, mentally ill, or developmentally disabled, with certain exceptions. Provides that a bill or invoice for goods or services furnished to the State submitted by a qualified provider and grant award payments to a qualified provider must be given priority in processing and that a voucher for payment submitted by an official or agency to the Comptroller for payment must be given priority in payment. Provides that the processing and payment of (i) debt service obligations of the State and (ii) payroll obligations of the State shall have priority over the processing and payment of items as required by these provisions. Effective immediately.

HOUSE AMENDMENT NO. 1

Makes the following changes to the definition of "qualified provider": Provides that a qualified provider is a not-for-profit organization that provides non-residential services to the mentally ill or developmentally disabled and that is reimbursed or otherwise paid by the Department of Human Services (instead of organizations that provide non-residential services for the elderly, mentally ill, or developmentally disabled). Provides that the term "qualified provider" does not include a long-term care facility licensed under the Nursing Home Care Act with respect to services provided in the licensed facility to residents. Provides that an entity licensed under the Community-Integrated Living Arrangements Licensure and Certification Act is a "qualified provider" but only with respect to the residential and residential support services provided for a community-integrated living arrangement.

HOUSE AMENDMENT NO. 2

Deletes everything after the enacting clause. Reinserts the provisions of the bill as introduced with the following changes: Makes changes to the definition of "qualified provider" to provide that a qualified provider is an organization that provides non-residential services for the elderly or for the prevention, intervention, or treatment of mental illness, developmental disabilities, or alcoholism or substance abuse. Provides that, in determining who is a qualified provider, the Department of Human Services must consult with the Department on Aging and the Department of Public Aid. Makes changes to provisions concerning the treatment of voucher requests to provide that a properly prepared voucher request to the Office of the Comptroller for payment to a qualified provider shall be given priority by the Comptroller for processing and warrant issuance after debt service obligations and payroll obligations of the State have been met unless the Comptroller deems that other obligations of the State must be satisfied prior to these categories of payment. Provides that, if at any time the Comptroller determines that there are insufficient funds available to process priority payments, then vouchers shall be processed and paid out in a first-in, first-out manner as corresponding funds become available. Effective immediately.

Amends the Health Care Worker Background Check Act to include all employees of licensed and certified long-term care facilities who have or may have contact with residents or have access to the living quarters or the financial, medical, or personal records of residents. Provides that beginning January 1, 2006, each long-term care facility operating in the State must initiate, or have initiated on its behalf, a UCIA criminal history record check for all employees with duties that involve or may involve contact with residents or access to the living quarters or the financial, medical, or personal records of residents. Provides that a health care employer may conditionally employ an applicant for up to 3 months pending the results of a UCIA criminal history record check (now, a health care employer may conditionally employ the applicant to provide direct care for up to 3 months pending the results of the check). Provides that an individual shall not be employed from the time that an employer receives the results of a non-fingerprint check containing disqualifying conditions until the time that the individual receives a waiver from the Department (now, an individual shall not be employed in a direct care position from that time until he or she receives the waiver). Provides that if the individual challenges the results of the non-fingerprint check, the employer may continue to employ the individual if the individual presents convincing evidence to the employer that the non-fingerprint check is invalid (now, the employer may continue to employ the individual in a direct care position if the individual presents convincing evidence that the non-fingerprint check is invalid).

HOUSE AMENDMENT NO. 1

Provides that in addition to a facility licensed by the State or certified under federal law as a long-term care facility, "long-term care facility" also means a facility licensed by the State or certified under federal law as a supportive living facility, an assisted living establishment, or a shared housing establishment or registered as a board and care home.

SENATE COMMITTEE AMENDMENT NO. 2 (SENATE RECEDES MAY 29, 2005)

Provides that "selected health care employer" means certain facilities, agencies, programs, or arrangements selected to participate in the Centers for Medicare and Medicaid Services (CMMS) grant (instead of certain facilities, agencies, programs, or arrangements that are located in counties selected to participate in the CMMS grant). Provides that the Department of State Police shall forward applicant fingerprints to the Federal Bureau of Investigation for a national criminal history records check.

SENATE COMMITTEE AMENDMENT NO. 3

Adds reference to:

225 ILCS 46/70 new

Further amends the Health Care Worker Background Check Act. Adds a provision concerning the Centers for Medicare and Medicaid Services (CMMS) grant. Provides that selected health care employees shall be phased in to participate in the CMMS grant between January 1, 2006 and January 1, 2007. Provides that selected health care employers must comply with provisions of the Act prohibiting an individual who has committed specified crimes from being hired, employed, or retained in a position involving direct care for clients, parents, or residents. Provides that each applicant for employment in a position with direct access to residents, patients, or clients of a selected health care employer shall submit to a fingerprint-based criminal history records check.

SENATE FLOOR AMENDMENT NO. 4

Provides that beginning January 1, 2006, each long-term care facility operating in the State must initiate, or have initiated on its behalf, a criminal history record check (rather than a UCIA criminal history record check) for all employees hired on or after January 1, 2006 (rather

than just all employees) with duties that involve or may involve contact with residents or access to the living quarters or the financial, medical, or personal records of residents. Defines "Centers for Medicare and Medicaid Services (CMMS) grant". Provides that with regards to individuals hired on or after January 1, 2006 (rather than just with regards to individuals) who have direct access to residents, patients, or clients of the selected health care employer, selected health care employers must comply with the hiring eligibility provision of the Act. Provides that the fee charged by the Department of State Police for conducting the criminal history records check shall be deposited into the State Police Services Fund. Provides that the fingerprint-based criminal history records check submitted under the CMMS grant provision must meet the requirements for a UCIA criminal history records check, as set forth in the Act.

SENATE FLOOR AMENDMENT NO. 5

Amends the bill as it is amended by Senate Amendment No. 4. Provides that a fingerprint-based criminal history records check must be submitted as a fee applicant inquiry in the form and manner prescribed by the Department of State Police (rather than requiring the fingerprint-based criminal history records check to meet the requirements for a UCIA criminal history records check).

SENATE FLOOR AMENDMENT NO. 6

Provides that "individuals who have direct access" does not include physicians.

Provides that the base income of a hospital that is exempt from the federal income tax by reason of Section 501(a) of the Internal Revenue Code is the aggregate of: (i) its unrelated business taxable income, without certain deductions; and (ii) an amount equal to the payments for goods and services made to the hospital by patients and not reimbursed by public or private insurance less the amount that the State Medicaid program would have paid for those same goods and services. Provides that the standard exemption shall not be allowed in determining the net income of a not-for-profit hospital. Effective immediately.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

Based on a review of House Bill 2546 it has been determined that the legislation would neither increase nor decrease the number of judges needed in the State.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This legislation will have no effect on constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE (Department of Revenue)

House Bill 2546 would increase State income tax receipts, but the Department of Revenue cannot determine the amount of the increase without actually auditing the not-for-profit hospitals. If House Bill 2546 becomes law, the Department of Revenue would incur undetermined expenses associated with auditing the not-for-profit hospitals and changing its forms and computer systems.

Sets forth penalties for violation of the Act.

Creates the African-American HIV/AIDS Response Act. Requires that each of the following designate an African-American HIV/AIDS Response Officer, responsible for coordinating efforts to address the African-American AIDS crisis within his or her respective Office or Department and serving as a liaison to governmental and non-governmental entities: the Office of the Governor; the Department of Human Services; the Department of Public Health; and the Department of Corrections. Provides that a State agency that operates a facility that (i) is accessible to the public, (ii) is a high-traffic facility, and (iii) serves a high-risk community must provide the following in each such facility where space and security reasonably permit: space for free HIV counseling and antibody testing. Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois; provides that on its official Web site, the Department shall provide Web-friendly and printer-friendly versions of educational materials in connection with HIV and AIDS, targeted to persons presently or previously committed to the Department of Corrections or confined in a county jail, as well as family members and friends of such persons. Amends the Illinois Public Aid Code; provides that certain prohibitions against eligibility for cash assistance under the Code for persons convicted of certain drug offenses do not apply to an individual who has tested positive for HIV; requires the Department of Public Aid to seek federal approval to expand access to health care under the Medicaid program for persons living with HIV/AIDS. Amends the Unified Code of Corrections; requires the Department of Corrections to provide committed persons, their family members, and visitors with certain materials and services in connection with HIV/AIDS, including testing, counseling, and medical care. Amends the County Jail Act, and imposes similar requirements on sheriffs and wardens of county jails. Makes other changes. Effective January 1, 2006.

HOUSE AMENDMENT NO. 1

Adds provisions to the African-American HIV/AIDS Response Act. Provides that a State agency that is required to provide space for free HIV counseling and testing shall make appropriate arrangements with one or more local health organizations to conduct the counseling or testing; provides that such testing shall be the rapid testing authorized under the AIDS Confidentiality Act. Provides for a study by the HIV/AIDS Policy and Research Institute at Chicago State University to determine whether there is a correlation between incarceration and HIV infection. Provides for an HIV/AIDS Response Review Panel within the Department of Corrections to oversee the implementation of the African-American HIV/AIDS Response Act. Requires the Department of Human Services, the Department of Public Health, the Department of Corrections, and the Department of Central Management Services to adopt rules to ensure implementation of the Act within 6 months after the Act's effective date. In the provisions amending the Unified Code of Corrections, provides that: (1) an employee of the Department of Corrections may not directly or indirectly disclose the HIV/AIDS status of a person committed to the Department, or any other information related to HIV/AIDS testing, medical care, counseling, or case management with respect to a person committed to the Department, to any other person unless authorized to do so by the person committed to the Department; and (2) the Department shall ensure that written materials provided to visitors concerning HIV and

AIDS are culturally sensitive and reflect cultural diversity as appropriate.

HOUSE AMENDMENT NO. 2

Deletes reference to:

305 ILCS 5/1-10

305 ILCS 5/3-14.4

from Ch. 23, par. 5-2

Replaces everything after the enacting clause with provisions substantially similar to those of House Bill 2578 as amended by House Amendment No. 1, creating the African-American HIV/AIDS Response Act and amending certain Acts, but with changes that include the following: (1) in the African-American HIV/AIDS Response Act, (i) provides that "high traffic facility" means such a facility as defined by the State agency operating the facility (instead of by CMS) and (ii) establishes the HIV/AIDS Response Review Panel within the Office of the Governor (instead of within the Department of Corrections); (2) deletes changes to the Illinois Public Aid Code in connection with ineligibility for cash assistance on account of certain drug convictions; (3) provides that the Department of Public Aid may (instead of shall) seek federal approval to expand access to health care for persons living with HIV/AIDS; (4) provides that TANF recipients may request a reasonable modification to the requirement of participation in the education, training, and employment program in order to accommodate a qualified individual with a disability (deletes a provision for an exemption from such participation based on a physician's determination); (5) in provisions amending the Unified Code of Corrections, (i) deletes certain references to "any other identified causative agent of" AIDS, (ii) requires the Department of Corrections to offer an inmate certain services (instead of providing such services), (iii) deletes a provision prohibiting the declaration of condoms as contraband, (iv) deletes certain references to the provision of services to inmates at no charge, and (v) deletes amendatory changes in connection with half-way houses; and (6) under the County Jail Act, provides that a warden shall obtain certain HIV/AIDS materials from the Department of Public Health (instead of developing such materials in consultation with the Department). Effective January 1, 2006.

HOUSE AMENDMENT NO. 3

Provides that implementation of the African-American HIV/AIDS Response Act is subject to appropriation. Provides that the amendatory changes to the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois, the Illinois Public Aid Code, the Unified Code of Corrections, and the County Jail Act are subject to appropriation.

FISCAL NOTE (H-AM 2)(Office of the Secretary of State)

STATE MANDATES FISCAL NOTE (H-AM 1)(Dept. of Commerce and Economic Opportunity)

In the opinion of the Department of Commerce and Economic Opportunity, House Bill 2578 (H-AM 1) creates a service mandate under for which reimbursement of 50%-100% of the increased costs to units of local government is required under the State Mandates Act. An estimate of the increased costs to units of local government is not available.

FISCAL NOTE (Dept of Corrections)

House Bill 2578 has a fiscal impact of \$750,000. There is no corrections populations impact.

CORRECTIONAL NOTE (Dept of Corrections)

House Bill 2578 has a fiscal impact of \$750,000. There is no corrections populations impact.

FISCAL NOTE (H-AM 2)(Dept of Corrections)

CORRECTIONAL NOTE (H-AM 2)(Dept of Corrections)

House Bill 2578 (H-AM 2) has a fiscal impact of \$2,250,000. There is no corrections populations impact.

FISCAL NOTE (H-AM 2) (Dept. of Labor)

This legislation will have little, if any, impact to the Department of Labor as it is not specifically mentioned in the legislation and it does not have high-traffic facilities that serve a high-risk community.

CORRECTIONAL NOTE (H-AM 3) (Dept. of Corrections)

Corrections Population Impact: None. Fiscal Impact: Minimal.

FISCAL NOTE (H-AM 3) (Dept. of Corrections)

 FISCAL NOTE (H-AM 2) (Dept. of Children & Family Services)
 The legislation would have minimal impact on the Department.

SENATE FLOOR AMENDMENT NO. 1

In the African-American HIV/AIDS Response Act, provides that the Department of Public Health must adopt certain rules by March (instead of January) 15, 2006. Replaces the provisions amending the County Jail Act. Provides that in each county other than Cook, during the medical admissions exam, a correctional officer at the jail or a member of the jail's medical staff (as alternatives to the warden of the jail) must provide the prisoner with information concerning HIV and AIDS. Provides that the Department of Public Health and community-based organizations certified to provide HIV/AIDS testing must provide the informational materials to the warden at no cost to the county. Provides that the warden, a correctional officer, or a member of the jail medical staff must inform the prisoner of the option of being tested for infection with HIV by a certified local community-based agency or other available medical provider at no charge to the prisoner. Sets forth similar provisions for Cook County, but requires that the informational materials be provided by an employee of the Cook County Bureau of Health Services and requires that prisoners be provided with the option of counseling in connection with HIV/AIDS testing; also provides that HIV/AIDS testing is to be conducted by the Cook County Bureau of Health Services and shall consist of an enzyme-linked immunosorbent assay (ELISA) test or any other test approved by the Department of Public Health; provides that if the test result is positive, the Western Blot Assay or more reliable confirmatory test shall be administered. Provides that in each county, the warden must make HIV/AIDS information available to jail visitors (instead of must offer such information to visitors). Provides that the Department of Public Health and community-based organizations certified to provide HIV/AIDS testing must provide these informational materials to the warden at no cost to the office of the county sheriff. Provides that implementation of these provisions is subject to appropriation. Eliminates provisions concerning (1) signing of a form by prisoners, (2) the specific type of test required, and (3) a prisoner's entitlement to medical care.

SENATE FLOOR AMENDMENT NO. 2

In provisions amending the Unified Code of Corrections: (1) provides that a person committed to the Department of Corrections who has tested positive for infection with HIV (instead of a committed person who has tested positive for infection with HIV or any other identified causative agent of AIDS) is entitled to medical care while incarcerated (instead of simply "medical care"), counseling, and referrals to support services; and (2) requires the Department of Corrections to offer visitors information concerning how to contact the Illinois Department of Public Health for counseling information (instead of concerning persons or entities to contact for local counseling).

30 ILCS 105/13.3 from Ch. 127, par. 149.3

Amends the State Finance Act. Provides that all amounts in the petty cash fund at each

Department of Revenue Facility may be retained on the premises of that facility (now, all amounts in any such fund of less than \$1,000 but over \$100 must be kept in a checking account in a bank or savings and loan association or trust company). Effective July 1, 2005.

FISCAL NOTE (Department of Revenue)

The Department of Revenue has 5 cash drawers with \$100 in them and 20 cash drawers with \$75 in them. If the Department put the maximum amount in each of its cash drawers, it would incur a one-time cost of \$23,000. However, at this time, the Department intends to increase the amounts in its cash drawers to no more than \$200 per drawer, which would create a one-time cost of no more than \$3,000.

HB-2768 STEPHENS.

225 ILCS 85/8 from Ch. 111, par. 4128

Amends the Pharmacy Practice Act of 1987. Makes a technical change in a Section concerning licensure without examination.

HOUSE AMENDMENT NO. 2

Deletes reference to:

225 ILCS 85/8

Adds reference to:

225 ILCS 85/24.5 new

Deletes everything after the enacting clause. Amends the Pharmacy Practice Act of 1987. Provides that if a wholesale drug distributor or pharmacy benefit manager has entered into a contract with the State to sell or negotiate the sale of a prescription drug to the State at a particular price, then, upon the request of any pharmacy located in the State, the wholesale drug distributor or pharmacy benefit manager must disclose that price and make that prescription drug available to the pharmacy at that same price during the period that the contract with the State is in effect, regardless of the quantity of the drug purchased by the pharmacy. Effective immediately.

PENSION NOTE (H-AM 2)(Comm on Gov't Forecasting & Accountability)

House Bill 2768, as amended by House Amendment 2, would not impact any public pension fund or retirement system in Illinois.

FISCAL NOTE (H-AM 2) Department of Central Management Services)

The Department of Central Management Services anticipates that the fiscal impact from this bill, although impossible to quantify, would be significant. The requirement of making available to a requesting pharmacy the pricing that a wholesaler or prescription benefit manager negotiates with the State would effectively allow all pharmacies in Illinois to purchase prescription drugs with the buying power of a wholesaler or large prescription benefit manager, severely hindering the ability of such entities to effectively compete in Illinois. Furthermore, this would also result in the State losing the benefit of its size and scale in the procurement of pharmacy benefits. This would act as a disincentive for any vendor to contract with the State, resulting in the State not receiving the best contract for acquisition of prescription benefits.

305 ILCS 5/12-4.202 new

Replaces everything after the enacting clause. Amends the Illinois Public Aid Code. In provisions concerning the Department of Public Aid's data warehouse concerning medical and related services, provides that the Department shall perform all necessary administrative functions to expand its linearly-scalable data warehouse to encompass other healthcare data sources at both the Department of Human Services and the Department of Public Health. Provides that the Department shall leverage the inherent capabilities of the data warehouse to accomplish this expansion with marginal additional technical administration. Provides that the purpose of this expansion is to allow for programmatic review and analysis including the interrelatedness among the various healthcare programs in order to ascertain effectiveness toward, and ultimate impact on, clients. Provides that beginning July 1, 2005, the Department shall supply quarterly reports to the Commission on Government Forecasting and Accountability detailing progress toward this mandate. Creates the Data Warehouse Inter-Agency Coordination of Client Care Task Force to gather information and make recommendations relating to: (1) the most effective flow of information between agencies that serve the same clients through one-stop shopping across State government; (2) the creation of an overarching system to respond to requests by the General Assembly, the Office of the Governor, and the general public; and (3) the most effective use of State moneys in leveraging the current system to accommodate the ever-growing information base in State government. Requires the task force to report by December 31, 2005, and repeals the task force provisions on January 1, 2006. Effective immediately.
