New Act

35 ILCS 5/216 new

35 ILCS 200/18-165

Creates the Health Care Enterprise Zone Act. Provides that the Department of Public Health may certify certain areas in the State suffering from a shortage of medical services as health care enterprise zones or specialty shortage zones. Provides that, for the taxable years ending on or after December 31, 2006, a health care professional who practices at least 50% of the year in an area of Illinois that has been certified as a health care enterprise zone or as a specialty shortage zone may apply to the Department requesting a certification of an income tax credit. Sets forth the amounts of the credit. Sets forth conditions for the revocation of benefits under the Act. Amends the Illinois Income Tax Act to create the income tax credit certified under the Health Care Enterprise Zone Act. Amends the Property Tax Code. Provides that the aggregate amount of abated taxes for all taxing districts in any county may not exceed \$5,000,000 per year.

FISCAL NOTE (Commission on Gov't Forecasting and Accountability)

SB-0013 COLLINS-SANDOVAL-MARTINEZ-RAOUL-HUNTER.

30 ILCS 540/7 from Ch. 127, par. 132.407

Amends the State Prompt Payment Act. Requires a State official or agency responsible for administering a contract, when submitting a voucher to the Comptroller for payment to a contractor, to promptly make available electronically the voucher number, the fate of the voucher, and the amount of the voucher. Provides that the State official or agency responsible for administering the contract shall provide subcontractors and material suppliers, known to the State official or agency, with instructions on how to access the electronic information. Provides that if a contractor, without reasonable cause, fails to make a full (now, any) payment of certain amounts due to his subcontractors and material supplier within 15 days after receipt of payment under a public construction contract, the contractor must pay the subcontractors and material suppliers 4% (now, 2%) interest each months in addition to the payments due until the amount is fully paid. Provides procedures for subcontractors and material suppliers to follow. Provides that if a State official or agency responsible for administering a contract determines, after notice to appropriate parties and a hearing, that a contractor has failed to make a payment in full within 45 days under a public construction contract, then that contractor must make payment within 15 days after the finding; if not, the contractor is barred from entering into a State public construction contract for one year.

FISCAL NOTE (Capital Development Board)

A staff person would need to be hired to collect information and review filings from the subcontractors. That cost would be about \$70,000. A hearing officer would need to be hired off the State master contract to hear cases that require the hearing. That cost would be about \$100,000. This penalty fee of 4% if placed on only 1% of the agency's construction spending could amount to as much as \$80,000 per fiscal year.

FISCAL NOTE (Illinois Department of Transportation)

If Senate Bill 13 was passed, additional expenses would be incurred by IDOT. Additional time and staffing would be required to track complaints and hold hearings for non-payment. These expenses are presently indeterminate.

FISCAL NOTE (Illinois Commerce Commission)

In the past 10 years, the ICC has only had 1 public construction contract under our direct jurisdiction, therefore, this amendment will likely affect us minimally. If the Comptroller's Office does not handle the access to the contract information on their website, we will need to add that information to the ICC website which will have minimal impact to our operations. If the Commission were required to hold hearings pursuant to Section 7(b)(2) of the bill, there would be some costs associated with this responsibility.

FISCAL NOTE (Department of Natural Resources)

Currently there are no systems in place to perform these functions. Systems and personnel costs will certainly be involved, but the amount cannot be determined at this time. It would take time to determine what systems would be needed to comply, how many people it would take to run those systems. Currently, the Department processes several thousand vouchers for contractors. The fiscal cost to DNR could be significant.

FISCAL NOTE (Department of Human Services)

Cost: Minimum \$200,000

HOUSE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts Senate Bill 13 with the following changes: Requires that the State official's or agency's hearing be convened by an administrative law judge and that the contractor, subcontractors, and material suppliers have the right to be represented by counsel and to cross-examine witnesses and challenge documents. Changes references from the State official's or agency's determinations to the administrative law judge's findings.

HOUSE AMENDMENT NO. 2

Deletes everything after the enacting clause. Reinserts Senate Bill 13 with the following changes: Restores the 2% interest penalty. Requires that the State official's or agency's hearing be convened by an administrative law judge and that the contractor, subcontractors, and material suppliers have the right to be represented by counsel and to cross-examine witnesses and challenge documents. Changes references from the State official's or agency's determinations to the administrative law judge's findings.

FISCAL NOTE (H-AM 1) (Admin. Office of the Ill. Courts)

No fiscal impact on the judicial branch.

JUDICIAL NOTE (H-AM 1) (Admin. Office of the Ill. Courts)

Would neither increase nor decrease the number of judges needed in the state.

- 30 ILCS 5/3-1
- 30 ILCS 105/5.640 new

Deletes everything after the enacting clause. Amends the State Finance Act. Provides that the first \$250,000,000 of transfers directed to be made under Section 8h or 8j of the Act on or before February 28, 2006 that are still pending on the effective date of this amendatory Act shall be redirected to the Drug Rebate Fund, the Hospital Provider Fund, and the Long-term Care Provider Fund, in equal amounts, rather than to the General Revenue Fund. Requires completion of these transfers within 7 days. FISCAL NOTE (H-AM 2)(Gov. Office of Management & Budget)

The Governor's Office of Management and Budget estimates that this bill, if enacted into law, will have a positive impact to the State's budget. As the legislation directs the Treasurer and Comptroller to perform certain transfers of up to \$250,000,000 into each to the Drug Rebate Fund, Hospital Provider Fund, and the Long Term Care Provider Fund (which will in turn generate an equal amount in federal Medicaid reimbursement), completing these transactions will reduce the payment cycles to providers paid by these funds by an many as twenty-two days, which will in turn reduce prompt payments interest penalties paid to providers.

Deletes certain items that must be included in the Department's standards. Provides that the separate standards currently applicable to volunteer hospices are inoperative after June 30, 2006 and that the new standards to be adopted for all hospice programs do not apply to volunteer hospices until July 1, 2006. - 210 ILCS 60/4.5 new

40 ILCS 5/8-152.1 new
30 ILCS 805/8.29 new

Amends the Chicago Municipal Article of the Illinois Pension Code. Provides that if (1) a member has a spouse who would have qualified for a minimum annuity for widows at the time of the member's retirement, (2) the qualifying spouse dies, (3) the member subsequently remarries, and (4) the member does not receive a refund of widow's annuity deductions, then the member's widow shall be entitled to a widow's annuity if (i) the member dies after May 1, 2004 and before November 1, 2004 and (ii) the widow was married to the member for at least the last 10 years prior to the member's death. Provides that if a widow who is receiving a widow's annuity under the provisions of this amendatory Act of the 94th General Assembly remarries, that widow's annuity shall be terminated. Requires application on or before July 1, 2006. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Commission on Gov't Forecasting and Accountability)
The fiscal impact of Senate Bill 27 cannot be calculated, but is estimated to be very minor as only a small number of widows would be affected by the bill.

BALANCED BUDGET NOTE (H-AM 1) (Gov. Office of Management & Budget)
The Governor's Office of Management and Budget estimates that the sum certain contribution for FY06 is \$1.038 billion. In addition, the pension bond payment is also to be paid in FY06 in the amount of \$496 million, for a total pension contribution of \$1.534 billion.

FISCAL NOTE (H-AM 1) (Gov. Office of Management & Budget)
The Governor's Office of Management and Budget estimates that the sum certain contribution for FY06 is \$1.038 billion. In addition, the pension bond payment is also to be paid in FY06 in the amount of \$496 million, for a total pension contribution of \$1.534 billion.

JUDICIAL NOTE (H-AM 1) (Admin. Office of the Illinois Courts)
Would neither increase nor decrease the number of judges needed in the State.

STATE DEBT IMPACT NOTE (H-AM 1)(Comm on Gov't Forecasting & Accountability)
Senate Bill 27 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE (H-AM 1)(Comm on Gov't Forecasting & Accountability)
Senate Bill 27 (H-AM 1) reduces the required State contributions to the retirement systems by \$1,077.9 million in FY 2006 and \$1,031.6 million in FY 2007. Reducing contributions in FY 2006 and FY 2007 will result in larger required employer contributions for the remainder of the funding plan (FY 2008 - FY 2045). These increases in future required State contributions have not yet been calculated. The bill also makes several changes to the Pension Code which may reduce the growth in accrued liabilities. A reduction in the growth rate of the accrued liabilities will result in lower required annual State contributions over the life of the funding plan. The amount of the annual reductions has not been calculated.

HOME RULE NOTE (H-AM 1)(Dept. of Commerce and Economic Opportunity)
Senate Bill 27 (H-AM 1) does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (H-AM 1)(Dept. of Commerce and Economic Opportunity)
Under the State Mandates Act, a "State mandate" means any State-initiated statutory or executive action that requires a unit of local government to establish, expand, or modify its activities in such a way as to necessitate additional expenditures from local revenues. Senate Bill 27 (H-AM 1) pertains to the various State pension systems. In the opinion of the Department of Commerce and Economic Opportunity, Senate Bill 27 (H-AM 1) does not create a State mandate in regard to units of local government that are not school districts. This note does not address provisions of the legislation pertaining to the Teachers' Retirement System. Because those provisions are related to school districts, they are therefore outside of DCEO's purview under the State Mandates Act.

Deletes everything. Amends the Illinois Pension Code. In the 5 State-funded retirement systems, places funding limitations on new benefit increases and sunsets them after 5 years. Also makes changes relating to the required State contributions. Specifies the required State contribution amounts for fiscal years 2006 and 2007. Recalculates the ramp for fiscal years 2008, 2009, and 2010. Requires recertification of the 2006 amounts. In the State Employee and Downstate Teacher Articles, deletes the accelerated amortization provisions for costs arising from the 2002 early retirement incentive program and rolls those costs into the calculation of the regular required State contribution. In the State Employee Article, makes changes relating to the eligibility of new employees of the Department of Corrections for the alternative formula. In the State Universities Article, provides for the State Comptroller (rather than the Board of the System) to determine the effective rate of interest for purposes of calculating the money-purchase formula. In the Downstate Teacher and State Universities Articles, in certain cases where a retiring member's retirement annuity is based on a salary increase in excess of 6% per year, requires the employer that granted the excess salary increase to make an additional contribution to the System. Also, eliminates the money-purchase formula for persons who first become participants on or after July 1, 2005. In the Downstate Teacher Article, extends the early retirement without discount option (ERO), with certain changes, to persons who retire after June 30, 2005. Requires all active members to pay an additional employee contribution for ERO purposes, and provides for refund of that contribution if the ERO option is not exercised. Requires a periodic actuarial evaluation of ERO costs and funding; directs the Commission on Government Forecasting and Accountability to recommend to the General Assembly any necessary adjustments to the required ERO employer and member contributions; and terminates the ERO if the General Assembly fails to act in response to those recommendations. In the Chicago Teacher Article, extends the early retirement without discount option (ERO), with certain changes, to persons who retire after June 30, 2005 and on or before June 30, 2010. In the Article on regulation of pension funds, creates an Advisory Commission on Pension Benefits. Directs the Commission to consider changing the age and service requirements, automatic annual increase benefits, and employee contribution rates of the State-funded retirement systems. Authorizes the Commission to request actuarial data from those retirement systems. Amends the State Mandates Act to require

implementation without reimbursement. Includes a separate severability provision. Effective immediately.

BALANCED BUDGET NOTE (H-AM 2) (Gov. Office of Management & Budget)

The Governor's Office of Management and Budget estimates that the sum certain contribution for FY06 is \$938 billion. In addition, the pension bond payment is also to be paid in FY06 in the amount of \$496 million, for a total pension contribution of \$1.434 billion.

STATE MANDATES FISCAL NOTE (H-AM 2)(Dept. of Commerce and Economic Opportunity)

Under the State Mandates Act, a "State mandate" means any State-initiated statutory or executive action that requires a unit of local government to establish, expand, or modify its activities in such a way as to necessitate additional expenditures from local revenues. Senate Bill 27 (H-AM 1) pertains to the various State pension systems. In the opinion of the Department of Commerce and Economic Opportunity, Senate Bill 27 (H-AM 1) does not create a State mandate in regard to units of local government that are not school districts. STATE DEBT IMPACT NOTE (H-AM 2)(Comm on Gov't Forecasting & Accountability)

PENSION NOTE (H-AM 2)(Comm on Gov't Forecasting & Accountability)

Senate Bill 27 (H-AM 2) reduces the required State contributions to the retirement systems by \$1,177.9 million in FY 2006 and \$1,131.6 million in FY 2007. Reducing contributions in FY 2006 and FY 2007 will also reduce contributions in FY 2008 and FY 2009, as those contributions are based in part on the FY 2007 contribution amounts. In addition, removing the separate ERI funding for SERS may result in lower contributions to SERS through FY 2015. Reducing contributions in the early years of a funding plan increases the contributions that will be required in later years. The FY 2008 through FY 2045 required State contributions have not yet been calculated. The bill also makes several changes to the Pension Code which may reduce the growth in accrued liabilities. A reduction in the growth rate of the accrued liabilities will result in lower required annual State contributions over the life of the funding plan. The amount of the annual reductions has not been calculated.

705 ILCS 405/3-33 from Ch. 37, par. 803-33

Amends the Juvenile Court Act of 1987. Provides that a chronic truant may be subject to a petition as a truant minor in need of supervision, provided that prior to the filing of the petition, a comprehensive community based youth service agency shall have certified that the minor has been referred to that agency for truancy intervention services, and the regional superintendent or Office of Chronic Truant Adjudication shall have certified that truancy intervention services have not resulted in the cessation of chronic truancy after 180 days of the referral for truancy intervention services. Defines "truancy intervention services" as services provided by a comprehensive community based youth service agency that are designed to assist the minor's return to an educational program, and includes assessments, counseling, mental health services, shelter, tutoring, and educational advocacy.

HOUSE AMENDMENT NO. 1

Deletes everything after the enacting clause. Amends the Juvenile Court Act of 1987.

Provides that the comprehensive community based youth service organization shall certify that the minor has been referred by the regional superintendent or Office of Chronic Truant Adjudication to that agency for truancy intervention services. Provides that if the comprehensive community based youth service agency is incapable or unwilling to provide the certification, then this requirement of a certification is not applicable. Provides that the comprehensive community based youth service agency shall submit reports to the regional superintendent or the Office of Chronic Truant Adjudication within 30, 120, and 180 days of the minor's referral, or at any other time requested by a regional superintendent of the Office of Chronic Truant Adjudication, which reports each shall certify the date of the minor's referral and the extent of the minor's progress and participation in truancy intervention services provided by the comprehensive community based youth service agency. Provides that if after referral by the regional superintendent or the Office of Chronic Truant Adjudication, the minor declines or refuses to fully participate in truancy intervention services provided by the comprehensive community based youth service agency, then the agency shall immediately certify such facts to the regional superintendent or the Office of Chronic Truant Adjudication.

PENSION NOTE (Commission on Gov't Forecasting and Accountability)

According to IDOT, there are fewer than 20 members of SERS who would be added to the alternative formula by Senate Bill 34. Consequently, the fiscal impact has not been calculated, but is expected to be minor.

Also provides for recalculation of the pension and a lump sum payment of the difference between the augmented and unaugmented rates for certain pensioners. - 40 ILCS 5/7-141.1
- 30 ILCS 805/8.29 new

Amends the IMRF Article of the Illinois Pension Code. Provides that the prohibition on return to service after accepting early retirement benefits applies only to (1) employment for which the person is required (or is allowed and has elected) to participate in the Fund and (2) contractual personal services which, if performed as an employee, would require the employee to participate in the Fund. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Commission on Gov't Forecasting and Accountability)

Senate Bill 36 would probably have little or no fiscal impact, as there are few ERI participants likely to forfeit the enhanced (ERI) annuity, as required by current law, by accepting employment with an employer who participates in IMRF. Persons returning to work under the provisions would not accrue any additional pension benefits under IMRF.

PENSION NOTE (Commission on Gov't Forecasting and Accountability)

Senate Bill 36 had little to no fiscal impact.

- 30 ILCS 805/8.30 new

Replaces everything after the enacting clause. Amends the State Employee Article of the Illinois Pension Code. Provides that an individual who represents or is employed as an officer or employee of a statewide labor organization that represents members of the State Employees' Retirement System of Illinois may participate in the System and shall be deemed an employee under specified circumstances. Provides that an employee who was laid off but returned to State employment under circumstances in which the employee is considered to have been in continuous service for purposes of determining seniority may establish creditable service for the period of the layoff under specified

circumstances. Amends the Downstate Teacher Article of the Illinois Pension Code. Provides that an officer or employee of a statewide teacher organization or officer of a national teacher organization who is a certified teacher may establish service credit for similar employment prior to becoming certified as a teacher if he or she (i) is certified as a teacher on or before the effective date of the amendatory Act, (ii) applies in writing within 6 months after the effective date, and (iii) pays the specified contributions. In provisions requiring a teacher's employer to make certain payments to the System for a more than 6% increase in salary in any school year used to determine final average salary, (1) provides that if a teacher's salary for the 2005-2006 school year is used to determine his or her final average salary, then changes in the way the more than 6% increase is calculated made by Public Act 94-1057 shall apply in that calculation and (2) backdates to June 1, 2005 a provision concerning change in employment because a teacher is transferred from one board or administrative agent to the control of a new or different board or administrative agent. Amends the Chicago Teacher Article of the Illinois Pension Code. Allows purchase of service credit for up to 2 years of employment by a private school. Requires payment of a contribution plus interest. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

HOUSE AMENDMENT NO. 2

Replaces everything after the enacting clause with the engrossed bill as amended by House Amendment No. 1, with the following change: in provisions amending the Downstate Teachers Article, includes within the definition of "teacher" any person employed, on the effective date of this amendatory Act, by the Macon-Piatt Regional Office of Education in a birth-through-age-three pilot program receiving funds under certain provisions of the School Code who is required by the Macon-Piatt Regional Office of Education to hold a teaching certificate, provided that the Macon-Piatt Regional Office of Education makes an election, within 6 months after the effective date of this amendatory Act, to have the person participate in the system. Effective immediately.

PENSION NOTE, HOUSE AMENDMENT NO. 1 (Commission on Gov't Forecasting & Accountability)

The fiscal impact of allowing for the purchase of optional SERS service credit as outlined in SB 0036, as amended, cannot be calculated but is expected to be minor as the bill requires the employee to pay both employee and employer contributions, plus interest, to establish past service credit. The fiscal impact of allowing certified teachers to upgrade periods of service in a non-certified capacity in TRS while employed by a statewide teachers' union cannot be calculated, but is expected to be minor. The fiscal impact of allowing Chicago teachers to upgrade private school teaching service is expected to be minimal. According to the Chicago Teacher Pension Fund's actuary, the required contributions would cover much of the cost of the establishment of service credit for private school teaching.

Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Commission on Gov't Forecasting and Accountability)

According to the Fund's actuary, the fiscal impact of Senate Bill 38 cannot be calculated due to a lack of information regarding dependent beneficiaries, but the costs are expected to be relatively minor.

Prohibits a person convicted of a felony relating to or arising out of or in connection with his or her service as an employee who is an employee of more than one employer that participates in the Fund from receiving benefits based on any of his or her service as an employee for all employers that participate in the Fund. Provides that, if, as a result of the felony, the employee is ordered by the court to pay restitution to the employer, then (i) the employer may apply for a refund of employee contributions on the employee's behalf and (ii) pursuant to appropriate documentation from the employer and the court, the Fund shall pay to the employer all or a portion of the refund in a sum sufficient to satisfy the court-ordered restitution. Effective immediately.

PENSION NOTE (Commission on Gov't Forecasting and Accountability)

The fiscal impact of Senate Bill 49 cannot be calculated, although it is expected to be minor.

HOUSE AMENDMENT NO. 1

Deletes reference to:

40 ILCS 5/16-158

from Ch. 108 1/2, par. 16-158

40 ILCS 5/16-169.1

Replaces everything after the enacting clause. Amends the State Employee Article of the Illinois Pension Code. Changes to 2006 (was, 2013) the last year in which the Commission on Government Forecasting and Accountability must make its annual report concerning the savings and costs to the State associated with certain early retirement incentives. Amends the State University and Downstate Teacher Articles of the Illinois Pension Code. Sets forth procedures for calculating, reviewing, and collecting certain employer contributions based on excess salary. Provides that when assessing payment for when an employer must make certain contributions, the State Universities Retirement System and the Teachers' Retirement System of the State of Illinois shall exclude for a specified time period various salary increases and payments. Effective immediately.

STATE DEBT IMPACT NOTE (H-AM 1)(Comm on Gov't Forecasting & Accountability)
SB 49 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE (H-AM 1)(Comm on Gov't Forecasting & Accountability)

The Commission's actuary estimates that if the exempted salary resulting from the TRS portion of SB 49 (H-AM 1) amounts to 1% of the total TRS payroll, additional state contributions of \$984 million would be required over the life of the current funding plan (FY 2007 - FY 2045). The amount of exempted salary resulting from the SURS provisions has not been calculated, but is expected to be minor.

JUDICIAL NOTE (H-AM 1)(Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM 1)(Housing Development Authority)

This legislation will have no effect on construction, purchasing, owning, or selling a single-family residence.

Amends the Firearm Owners Identification Card Act. Provides that a person who is not a federally licensed firearm dealer and who desires to purchase a firearm while that person is on the grounds of a gun show must, before obtaining that firearm, request the Department of State Police to conduct a background check to verify the validity of his or her Firearm Owner's Identification Card. Provides that if the receipt of a firearm does not violate federal or State law, the Department of State Police shall (1) assign a unique number to the transfer; (2) provide the licensee with the number; if the background check is being conducted at a gun show, the State Police shall provide that unique number to the person and that person shall use it for any purchases made at the gun show; and (3) destroy all records of the system with respect to the call or request, other than the identifying number and the date the number was assigned, and all records of the system relating to the person or the transfer within 24 hours. Provides that the Department of State Police may not retain, copy, or distribute any such information previously collected. Provides that if the transfer of a firearm is denied by the Department of State Police, the Department may keep the records of a denial until the denial is

appealed and overturned, or as long as necessary for a criminal prosecution. Provides that approvals issued by the Department of State Police for the purchase of a firearm from a federal firearms licensee are valid for 30 days from the date of issue. Provides that approvals issued by the Department of State Police for the purchase of a firearm from a non-licensed individual at a gun show shall be good for that calendar day. Amends the Criminal Code of 1961. Provides that the waiting period for obtaining a firearm after its purchase does not apply to the sale of a firearm at a gun show. Effective immediately.

New Act

- 30 ILCS 105/5.640 new
- 55 ILCS 5/3-5018 from Ch. 34, par. 3-5018
- 55 ILCS 5/4-12002 from Ch. 34, par. 4-12002

Creates the Rental Housing Support Program Act. Provides for grants from the Illinois Housing Development Authority to local administering agencies to provide subsidies for landlords in order to allow them to charge rent that is affordable for low-income tenants. Also provides for grants from the Illinois Housing Development Authority to developers of affordable rental housing. Sets forth criteria for the awarding of grants. Requires the Authority to establish an operating reserve for the program. Amends the State Finance Act to create the Rental Housing Support Program Fund, a special fund in the State treasury. Amends the Counties Code. Provides that the county recorder shall collect a \$10 surcharge for the recordation of any real estate-related document, one dollar of which shall be deposited into the county's general revenue fund and \$9 of which shall be deposited into the Rental Housing Support Program

Fund. Sets forth the conditions upon which and purposes for which expenditures may be made from the Accounts. Effective July 1, 2005.

SENATE COMMITTEE AMENDMENT NO. 3

Deletes everything. Reinserts the provisions of the bill as introduced but makes the following changes. Provides that up to 20% of the funds allocated for rural areas may be awarded to one administering agency for distribution throughout the rural areas in the State. Amends the Counties Code. Provides that one dollar of the Rental Housing Support Program surcharge shall be deposited into the county's general revenue fund and fifty cents of that amount shall be used to administer the surcharge and pay any other lawful expenses of the recorder. Provides that the county shall not offset or reduce any appropriation to the recorder because of the surcharge funds received. Provides that units of local government and school districts shall not pay the surcharge. Effective July 1, 2005.

SENATE FLOOR AMENDMENT NO. 4

Provides that the recorder may not collect the Rental Housing Support Program State surcharge from any State agency.

FISCAL NOTE (Department of Revenue)

Senate Bill 75 imposes a \$10 surcharge for the recordation of any real estate-related document. The Illinois Dept. of Revenue records approximately 16,000 to 18,000 liens and lien releases each year. The surcharge would cost the Dept. of Revenue approximately \$160,000 to \$180,000 per year. Additionally, the Dept. of Revenue would incur a one-time cost of approximately \$30,000 to make system changes for the administration of the program and an annual cost of between \$13,000 and \$60,000 to print the receipts required under the program. The Dept. of Revenue would also incur payroll costs of approximately \$50,000 to \$100,000 per year to administer the program. The Dept. of Revenue cannot determine costs to other agencies because we do not know how many real estate-related documents they record. There would also be a fiscal impact to local governments and school districts, which the Dept. of Revenue cannot determine.

FISCAL NOTE (S-AM4) (Department of Revenue)

As amended, removes the requirement for the \$10 surcharge. Therefore there is no significant fiscal impact on the Department of Revenue.

Amends the Mobile Home Park Act. Makes a technical change in a Section concerning the short title.

SENATE COMMITTEE AMENDMENT NO. 2

Deletes reference to:

210 ILCS 115/27

Adds reference to:

210 ILCS 115/2.7a new

210 ILCS 115/2.7b new

210 ILCS 115/9.3 from Ch. 111 1/2, par. 719.3

210 ILCS 115/9.9 from Ch. 111 1/2, par. 719.9

210 ILCS 115/26 from Ch. 111 1/2, par. 736

Replaces everything after the enacting clause. Amends the Mobile Home Park Act. Adds definitions of "existing site" and "new site". Provides that there must be an open space of 3 meters (10 feet) side-to-side, 2.4 meters (8 feet) end-to-side, or 1.8 meters (6 feet) end-to-end horizontally between mobile homes or community buildings, unless the exposed composite walls and roof of either structure are without openings and constructed of materials that will provide a one-hour fire resistance rating or the structures are separated by a one-hour fire-rated barrier (instead of requiring an open space of at least 10 feet adjacent to the sides of every mobile home and at least 5 feet adjacent to the ends of every mobile home). Provides that when a mobile home is removed from an existing site and then returned to the existing site or when a mobile home on an existing site is removed from the site and replaced by another mobile home on the existing site, the site shall not be deemed to be a new site and shall be governed by the standards in effect at the time the site was originally constructed. Provides that a home rule unit other than a home rule municipality with a population greater than 1,000,000 may not regulate new or existing mobile home sites with respect to setback and separation requirements or minimum square-footage standards in a manner that conflicts with these provisions. Requires that mobile homes in mobile home parks be equipped with a smoke detector in each bedroom and a carbon monoxide detector. Provides that the changes made in connection with smoke and

carbon monoxide detectors by this amendatory Act apply on and after the date that occurs one year after this amendatory Act becomes law. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 3

Adds reference to:

210 ILCS 115/9.10

from Ch. 111 1/2, par. 719.10

Replaces everything after the enacting clause. Amends the Mobile Home Park Act with provisions similar to those of Senate Amendment No. 2, but with changes that include the following: (1) provides that on and after the effective date of this amendatory Act, all streets in a mobile home park must have unobstructed access to a public street of not less than 24 feet in width; (2) provides that whenever an owner of a mobile home community enlarges or expands a concrete pad used to support a mobile home, installs a new mobile home, or replaces an existing mobile home on or after the effective date of this amendatory Act, the placement of the mobile home must comply with the setback requirements imposed by the bill; (3) provides that the space under a manufactured home may not be used for the storage of combustible materials or for the storage or placement of flammable liquids, gases, or liquid-fuel-powered or gas-fuel-powered equipment; and (4) provides that porches, accessory buildings, sheds, and other specified items shall be constructed of materials specified by regulations adopted by the Department of Public Health or by the municipality in which the mobile home park is located or, if the mobile home park is not located in a municipality, by the county in which the mobile home park is located. Effective immediately.

HOUSING AFFORDABILITY IMPACT NOTE (S-AM 1)(Housing Development Authority)

This amendment requires additional fire code construction regulations for mobile homes placed on certain sites in mobile home parks next to a mobile home or community buildings. While the passage of this legislation may generate additional costs for some mobile home owners who own or lease certain sites in mobile home parks, there is insufficient information to calculate the amount, and whether these costs will be passed on to the owners of the mobile homes, or an accurate estimate of the costs to comply with the proposed law.

HOUSING AFFORDABILITY IMPACT NOTE (S-AM 2)(Housing Development Authority)

Provides that a guardian ad litem appointed in a child custody proceeding shall have completed 3 hours of training that relates to the functions and duties of a guardian ad litem and that includes training on the dynamics of domestic violence on partners and children. Requires a guardian ad litem in a child custody proceeding to investigate whether there is evidence that either partner engaged in domestic violence and to report to the court on the results of the investigation. Creates a rebuttable presumption that it is not in the best interest of the child for the court to grant sole or joint custody or visitation to a parent who: (i) has been adjudicated guilty of domestic violence as defined in the Illinois Domestic Violence Act of 1986 on multiple incidents of domestic violence or of a single incident of domestic violence that resulted in serious physical injury, as determined by the trier of fact, against the parent's partner or against the child; or (ii) has been convicted of violating an order of protection entered under the specified Sections of the Illinois Domestic Violence Act of 1986. Lists evidence that may be used to rebut the presumption. Provides that, in cases where the presumption is rebutted, the court shall state the evidence upon which the court determined that the presumption was rebutted and its findings relating to the reason that legal custody with that party is in the best interest of the child. Provides that, if there is a danger to the health or safety of a partner, joint mediation for custody shall not be required by the court. Requires that professional personnel, evaluators, and investigators, who advise the court concerning child interview or child custody, must have 3 hours of training in domestic violence and its effects on the partner and the child. Makes other changes. Effective immediately.

Provides that beginning 6 months after December 31, 2005, all individuals who provide satisfactory evidence to the Department of 3 years of experience, with a minimum of

400 hours per year, in the practice of respiratory care during the 5 years immediately preceding December 31, 2005 shall be issued a license. Provides that a person may practice as a respiratory care practitioner if he or she has applied in writing to the Department for a license as a registered respiratory care practitioner and has complied with certain requirements except for the passing of an examination to be eligible to receive the license, until the Department has made the decision that the applicant has failed to pass the next available examination or has failed, without an approved excuse, to take the next available examination or until the withdrawal of the application, but not to exceed 6 months. Repeals a Section concerning the requirement of licensure. Makes other changes. Effective immediately.

HOUSE AMENDMENT NO. 1

In the provision concerning the exemption from the Respiratory Care Practice Act of a person who is credentialed by the National Society for Cardiopulmonary Technology or the National Board for Respiratory Care who performs pulmonary function tests and respiratory care procedures related to the pulmonary function test, removes the requirement that appropriate competencies have been demonstrated regarding the tests. In the provision concerning the exemption from the Act of a supervised unlicensed practitioner in a licensed hospital, provides that the unlicensed practitioner must (i) have been trained to perform the basic respiratory care activities at the facility that employs or contracts with the individual and (ii) have annually received an evaluation of the unlicensed practitioner's performance of basic respiratory care activities documented by the facility. Removes the provision requiring the Respiratory Care Board to conduct a study and submit a report every 3 years on the effects of the Act on the access, quality, and cost of respiratory care services in the State. Provides that beginning 6 months after December 31, 2005, all individuals who provide satisfactory evidence to the Department of 3 years of experience, with a minimum of 400 hours per year, in the practice of respiratory care during the 5 years immediately preceding December 31, 2005 shall be issued a license, unless the license may be denied based on certain disciplinary grounds (rather than providing that beginning 6 months after December 31, 2005, all individuals who provide satisfactory evidence to the Department of 3 years of experience, with a minimum of 400 hours per year, in the practice of respiratory care during the 5 years immediately preceding December 31, 2005 shall be issued a license, without exception). New Act

Creates the Manufactured Home Installation Act. Provides that a manufactured home installed on private property that is not a mobile home park on or after the effective date of this Act must be installed so that it rests wholly on a permanent foundation. Provides that the permanent foundation must meet or exceed the requirements for a permanent foundation as defined in the Act. Effective immediately.

FISCAL NOTE (Department of Revenue)

No fiscal impact on the Department of Revenue. SB 192 would create additional revenue for local governments because the manufactured homes would be taxed under the Property Tax Code rather than under the Mobile Home Local Services Tax Act. The Department cannot determine the amount of additional revenues that local governments would receive.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

While local zoning ordinances will provide further compliance requirements for such owners, it will make such housing subject to real property taxation (if not already taxed as real property). However there is insufficient information to calculate an actual cost.

 - 20 ILCS 1605/7.14 new
 - 20 ILCS 1605/7.15 new

Deletes everything after the enacting clause. Amends the Illinois Lottery Law. Provides that the Department of Revenue shall create a pilot program that allows the purchase of Illinois lottery tickets or shares on the Internet and that licenses agents to sell lottery tickets or shares

on the Internet. Provides for the licensing of Internet agents. Contains provisions concerning the posting of Internet agent license numbers and notices, verification of age, retailer fees, residency restrictions, limits on purchases, and Internet program games. Amends the Criminal Code of 1961. Provides that the exemption from conviction of gambling for lotteries when conducted by the State of Illinois in accordance with the Illinois Lottery Law includes any activity conducted by the Department of Revenue to sell lottery tickets pursuant to the provisions of the Illinois Lottery Law and its rules. Provides that persons who purchase lottery tickets through the Internet in connection with the Department of Revenue's pilot program shall not be convicted of gambling. Effective immediately.

FISCAL NOTE (Department of Revenue)

It is difficult to determine a revenue estimate for Illinois lottery sales because no U.S. jurisdiction has implemented an Internet lottery. However, an Internet lottery program in the United Kingdom increased sales by approximately 2%. This percentage is consistent with the percentage of retail sales over the Internet in the United States. Sales of Lotto, Mega-Million, and other on-line ticket offerings are approximately \$900 million per year. If Illinois ticket sales experienced a 2% increase, ticket sales would increase approximately by \$18 million. Although this estimate is subject to a high degree of uncertainty, net profits from this on-line Internet program, after costs for software and staff, commissions, and prizes to winners is anticipated to be approximately \$6 million per year.

FISCAL NOTE (H-AM 1)(Department of Revenue)

No change from previous fiscal note

JUDICIAL NOTE (H-AM 1) (Admin Office of the Illinois Courts)

Would neither increase nor decrease the number of judges needed in the state.

SENATE FLOOR AMENDMENT NO. 1

Deletes reference to:
 210 ILCS 85/7
 210 ILCS 86/25

Replaces everything after the enacting clause with provisions similar to those of Senate Bill 201, amending the Hospital Licensing Act, but with changes that include the following: (1) provides a definition of "mandated overtime" (instead of "overtime"); (2) provides that the nurse overtime provisions do not apply to a certified registered nurse anesthetist who is primarily engaged in performing the duties of a nurse anesthetist, and eliminates the application of the overtime provisions to unlicensed hospital employees; (3) provides that mandated overtime shall not exceed 4 hours beyond an agreed-to, predetermined work shift, and eliminates a provision that a nurse may not be required to work more than 12 consecutive hours in a 24-hour period; (4) provides that a complaint alleging a violation of the overtime provisions must be filed with the Department of Public Health within 45 (instead of 30) days following the occurrence of the incident giving rise to the alleged violation; (5) provides that upon receiving a complaint of a violation, the Department may take any action authorized under provisions of the Act concerning denial, suspension, or revocation of a hospital's permit or license or inspections and investigations by the Department (eliminates provisions concerning imposition of a monetary penalty); (6) provides that a violation of the overtime provisions, or the existence of an unforeseen emergent circumstance requiring overtime work, must be proved by clear and convincing evidence; (7) eliminates provisions requiring that a hospital post a summary of the overtime provisions; and (8) eliminates provisions amending the Hospital Report Card Act. Effective immediately.

40 ILCS 5/17-142.1 from Ch. 108 1/2, par. 17-142.1

Amends the Chicago Teacher Article of the Illinois Pension Code. Limits what the Board may reimburse for the cost of health care insurance coverage to 75% of the cost for recipients of a service retirement, disability retirement, or survivor's pension and removes other provisions limiting the reimbursement. Effective immediately.

PENSION NOTE (Commission on Gov't Forecasting and Accountability)

Senate Bill 222 would have a fiscal impact, as it requires the Fund to reimburse retirees for 75% of the cost of health insurance, rather than up to 75%. In addition, the bill removes the Fund's current \$65 million annual spending authorization for health insurance. Taken together, these changes may increase the amount paid by the Fund for retiree health insurance. This in turn will decrease the amount of assets held by the Fund for pension benefits and will require larger employer contributions in the future. It should be noted that the State is required to contribute 0.544% of payroll in years when the funded ratio of the Chicago Teachers' Pension Fund falls below 90%. The Fund has fallen below 90%, and current statute calls for the State to contribute \$9.9 million to the Fund in FY 2006. As the amount of State contribution depends only on the size of payroll, increasing benefits (health insurance or retirement) does not increase the amount of the State contribution. But, if benefit increases (health insurance or retirement) cause the funded ratio of the Fund to be less than 90% in years when it otherwise would be above 90%, the State contribution of 0.544% of payroll would be triggered.

 105 ILCS 5/14A-65 new

Deletes everything after the enacting clause. Reinserts the contents of the bill with the following changes. Provides that the Article applies beginning with the 2006-2007 school year, rather than the 2005-2006 school year. Provides that school districts shall continue to have the authority and flexibility to design (rather than the authority and responsibility to develop) education programs for gifted and talented children in response to community needs and that these programs must comply with the requirements established in the Article by no later than September 1, 2006 in order to merit recognition by the State Board of Education and to qualify for State funding for the education of gifted and talented children, should such funding become available. Provides that a child shall be considered gifted and talented in any area of aptitude and, specifically, in language arts and mathematics, by scoring in the top 5% locally in that area of aptitude. Removes the provisions concerning early identification, eligibility, State supervision, monitoring, and oversight, annual reports, school improvement plans, and teacher certification and professional development. Sets forth minimum requirements that must be met by local programs for the education of gifted and talented children in order for the programs to be recognized by the State Board of Education and to qualify for State funding and requires the local educational agency operating the program to submit a written program description to the State Board demonstrating the fulfillment of the requirements. Sets forth the administrative functions of the State Board, including the designation of a staff person who shall be in charge of educational programs for gifted and talented children. Makes other changes. Effective immediately.

HOUSE AMENDMENT NO. 1

Provides that a local program for the education of gifted and talented children must use a minimum of 3 assessment measures used to identify gifted and talented children in each area in which a program for gifted and talented children is established (rather than in each area of aptitude) and provide a fair and impartial appeal process within the school, school district, or cooperative of school districts operating a program (rather than within the local educational agency) for parents or guardians of aggrieved children. Provides that a local program for the education of gifted and talented children must provide a description of how gifted and talented children will be grouped and instructed in order to maximize the

educational benefits the children derive from participation in the program (rather than a description of how the children will be grouped and instructed in language arts and in mathematics in order to maximize the educational benefits they derive from participation in a program addressing those areas of aptitude) and a showing that the certified teachers who are assigned to teach gifted and talented children understand the characteristics and educational needs of the children and are able to differentiate the curriculum (rather than are qualified to address the educational needs of the children and to differentiate the curriculum). Provides that initially, 4 members of the Advisory Council shall serve terms through January 1, 2007 and 3 members will serve terms through January 1, 2009. Makes other changes.

Deletes everything after the enacting clause. Creates the FY2007 Budget Implementation (Revenue) Act. Amends the Illinois Income Tax Act. In a provision concerning notices of decrease in net loss, provides that, in order for certain notice requirements to apply, the taxpayer must incur the loss in a taxable year ending prior to December 31, 2002. In a provision concerning limitations on refunds, limits claims for refunds based on net loss for which no return was filed within 3 years of the due date (including extensions) of the return for the loss year. Makes a technical change concerning the effective date of a Public Act. Amends the Public Utilities Act. In provisions concerning credits a public utility is entitled to in respect to its obligations to remit the State taxes it has collected under the Electricity Excise Tax Law, makes changes as to when the qualified solid waste energy facility (QSWEF) must reimburse the Public Utility Fund and the General Revenue Fund for the actual reduction in payments to those funds and provides that the payments shall be made to the Illinois Commerce Commission, which shall determine the appropriate disbursements to the Public Utility Fund and the General Revenue Fund. Provides that a QSWEF may receive the purchase rate equal to the average amount per kilowatt-hour paid from time to time by the unit or units of local government in which the electricity generating facilities are located, excluding amounts paid for street lighting and pumping service, only for kilowatt-hours generated by the use of methane gas generated from landfills. Provides that, if the Commission determines that a QSWEF has violated the requirement regarding the use of methane gas generated from a landfill, then the Commission shall issue an order requiring that the QSWEF repay the State for all dollar amounts of electricity sales that are determined by the Commission to be the result of the violation. Provides that, as part of that order, the Commission shall have the authority to revoke the facility's approval to act as a QSWEF. Provides that a QSWEF must receive Commission approval before it can use any fuel in addition to methane gas generated from a landfill in order to generate electricity. Provides that the State Comptroller shall transfer from the General Revenue Fund to the Municipal Economic Development Fund in the State treasury an amount equal to the amount by which the amount received by the Department of Revenue from QSWEFs for the sale of electricity to electric utilities during the month in calendar year 2002 that corresponds to the immediately preceding month exceeds the amount received by the Department of Revenue from QSWEFs for the sale of electricity to electric utilities during the immediately preceding month, if any. Provides that, beginning on the first date on which renewable energy certificates or other saleable representations are sold by a QSWEF, with or without the electricity generated by the facility, and utilized by an electric utility or another electric supplier to comply with a renewable energy portfolio standard mandated by Illinois law or mandated by order of the Illinois Commerce Commission, the QSWEF may not sell electricity and shall be exempt from certain requirements concerning the sale of electricity, but shall remain obligated for certain reimbursements to the State. Provides that certain provisions concerning the sale of electricity by QSWEFs shall remain in full force and effect with respect to a QSWEF that sold electricity at any time before July 1, 2006 and that does not sell renewable energy certificates or other saleable representations to meet the requirements of a

renewable energy portfolio standard mandated by Illinois law or mandated by order of the Illinois Commerce Commission. Provides that, beginning on July 1, 2006, the Commission shall not issue any order determining that a facility is a QSWEF unless it was determined by the Commission to be a QSWEF before July 1, 2006. Effective immediately.

Amends the Environmental Protection Act and Groundwater Protection Act. Authorizes the Director of the Environmental Protection Agency to issue orders requiring an appropriate response from a potentially responsible party in the event of the release or substantial threat of release of a hazardous substance into the environment. Provides that a person may not use, cause the use of, or allow the use of (instead of "use") any site, for which a land use limitation has been imposed, in a manner that is inconsistent with that limitation unless certain conditions have been met. Establishes an internal Agency committee to recommend appropriate action for suspected or confirmed groundwater contamination and, among other things, requires the Agency to give notice of the actual or potential impact of the contamination to property owners served by the affected water system. Creates the Right-to-Know Committee to provide notice to the public about releases or suspected releases of contaminants in the State. Makes other changes. Effective immediately.

SENATE FLOOR AMENDMENT NO. 3

Deletes everything after the enacting clause. Reinserts the substantive provisions of the bill as introduced with the following changes. Further amends the Environmental Protection Act.

Provides that the Director's orders requiring appropriate response actions may be issued unilaterally or on consent. Provides that the Director may issue orders for persons potentially liable under the Act for the release or substantial threat of the release of contaminants (previously, issued to parties potentially responsible for the release or substantial threat of release). Provides that the remediation objectives for response actions ordered under this Section shall be determined in accordance with the risk-based remediation objectives adopted by the Board under Title XVII of the Environmental Protection Act. Sets forth that, to obtain reimbursement for the reasonable costs of compliance with the Director's order, the petitioner must establish by a preponderance of the evidence that they are not liable under the Act for the release or the threat of the release to which the relevant order applies (previously, had to establish that they are not a responsible party with respect to the release or threat of release for which the relevant order was issued to obtain the reimbursement). Provides that a person who has complied with a Director's order and has resolved their liability under the Act with respect to the release or threat of a release is not liable for claims for contribution relating to the release or the threat of a release. Provides that the evaluations by the contaminant evaluation committee shall be performed whenever the Agency determines that the extent of soil or groundwater contamination may extend beyond the boundary of the site where the release occurred (previously, evaluations authorized when the Agency suspects or confirms actual or modeled contamination that extends beyond the boundary of the property). Provides that any moneys received by the Agency for the costs of giving notice under this Title shall be deposited in and used for purposes consistent with the Hazardous Waste Fund, except that costs associated with notices related to the release of petroleum from underground storage tanks must be deposited in and used for purposes consistent with the Underground Storage Tank Fund. Requires a person receiving an Agency information demand letter for information necessary to give notices due under this Title to give the required information within 30 days. Makes other changes. Effective immediately.

HOUSE AMENDMENT NO. 1

Deletes reference to:

415 ILCS 55/4

from Ch. 111 1/2, par. 7454

415 ILCS 5/25d-10 new

Deletes everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Provides that for any release or substantial threat of release for which the Agency is required to give notice (rather than when the Director determines that there may be an imminent and substantial endangerment to the public health or welfare or the environment as a result of a release or substantial threat of release of a certain hazardous substances) the Director may issue orders to any person who is potentially liable under the Act for the release or substantial threat of release any order that may be necessary to protect the public health and welfare and the environment. Provides that Special Notice Letters shall contain a period of time of not less than 30 days (instead of not to exceed 30 days) from the date of issuance during which the Agency is ready to negotiate with the recipient regarding the recipient's response to the release or threat of release. Prohibits the issuance of a unilateral Director's order during the 30 days immediately following the date of issuance of the Special Notice Letter. Provides that the recipient of a unilateral order issued by the Director may petition the Board for a hearing on the order within 35 days after being served with the order. Requires the Board to take final action on this petition within 60 days after the petition is filed unless all parties to the proceeding agree to the extension. Sets forth that the Agency shall have the burden of proof to establish that the petitioner is liable under the Act for the release or threat of release and that the actions required by the order are consistent with certain regulations. Sets forth other provisions for the conduct of Board hearings on these orders. Sets forth conditions for obtaining a stay of the Director's order and for obtaining judicial review following final action by the Board. Authorizes reimbursement for the costs, fees, and expenses, including attorneys fees, of the recipients of these orders under certain conditions. Deletes certain provisions relating to the previous scheme of obtaining reimbursement for the costs of these orders. Provides that no court, nor the Board, has jurisdiction to review any Director's order or any administrative or judicial action relating to the order except as provided under the Act. Provides that any person who, without sufficient cause, willfully violates or fails or refuses to comply with any order issued is in violation of the Act. Deletes a requirement that the Agency consult with affected members of the community during the development of rules necessary for the implementation of the Section. Authorizes the Agency to evaluate the release of contaminants whenever the Agency determines that the soil or groundwater contamination extends beyond the boundary of the site where the release occurred (previously this evaluation

was to be conducted by the contaminant evaluation committee within the Agency). Provides that the persons to whom the Agency must give notice when certain contamination related events occur are the persons owning property within 2,500 feet of the subject contamination or any other closer or farther distance that the Agency deems appropriate under the circumstances (instead of property owners within 2,500 feet). Provides that the methods by which the Agency gives the notices required under the Section shall be determined in consultation with members of the public and appropriate members of the regulated community. Specifies certain methods by which the Agency shall give these notices, including, but not limited to, personal notification, public meetings, signs, electronic notification, and print media. Eliminates the Right-to-Know Committee. Removes changes to the Illinois Groundwater Protection Act. Effective immediately.

20 ILCS 3105/3 from Ch. 127, par. 773

20 ILCS 3105/10.04 from Ch. 127, par. 780.04

Amends the Capital Development Board Act. Requires the Board to implement the LEED green building rating system. Requires any new building, repair, or retrofit construction work authorized by the Board to meet the requirements for LEED certification. Defines "LEED" and "LEED green building rating system". Effective January 1, 2006.

SENATE COMMITTEE AMENDMENT NO. 2

Deletes everything after the enacting clause. Reinserts the bill as introduced with the following changes. Removes language requiring the Board to implement the LEED green building rating system and requiring certain construction work authorized by the Board to meet the requirements for LEED certification. Provides that the Board shall initiate training workshops across the State to increase awareness and understanding of green building techniques and the LEED green building rating system. Requires the Board to identify between 3 and 5 construction projects to serve as case studies for using the LEED green building system and for the Board to report its findings from these case studies to the General Assembly. Provides that the Board shall establish a Green Building Advisory Committee to assist the Board in determining guidelines for which State construction projects should be developed to LEED green building standards (or a hybrid version thereof). Requires the Board to approve or adopt the guidelines within 3 years after the effective date and sets forth certain considerations for these

guidelines. Provides an internal repealer such that the workshops, case studies, and Green Building Advisory Committee provided by this amendatory Act expire on January 1, 2009. Effective January 1, 2006.

SENATE FLOOR AMENDMENT NO. 3

Deletes reference to:

20 ILCS 3105/3

from Ch. 127, par. 773

Further amends the Capital Development Board Act. Deletes all references to LEED, the LEED green building rating system, or a hybrid version of LEED. Provides that the Board training workshops are to increase awareness and understanding of green building rating systems (rather than the LEED green building rating system). Sets forth that the Board shall conduct case studies of construction projects using a consensus-based green building rating system (instead of the LEED green building system). Provides that the Green Building Advisory Committee shall (i) determine guidelines for which State construction projects should be developed to green building standards (instead of LEED green building standards or a hybrid thereof), and (ii) consider the feasibility of requiring State construction projects to be certified by a consensus-based green building rating system (instead of LEED certified).

FISCAL NOTE (Capital Development Board)

The costs of LEED certification is approximately 6% more per project for the additional work necessary for design, supplier and construction services to be provided for a State project. The amount will vary with the base value of the project. The pilot of 3 to 5 construction projects will refine this number and possibly reduce if green design and construction requirements become a standard requirement in the next several years. The basic LEED training required could be accomplished with CDB staff with donated time from green advocates, design professionals, construction suppliers and contractors at public sites for an estimated \$20,000. Cost data gathered from a report on The Costs and Financial Benefits of Green Building on 33 individual LEED registered projects (25 office building and 8 school buildings) determined that financial benefits of green design are estimated to be almost \$50/ft for Certified and Silver level green buildings, and over \$75/ft for Gold and Platinum level buildings. The financial benefits of green buildings include lower energy, waste, and water costs, lower environmental and emissions costs, and lower operations and maintenance costs and savings from increased productivity and health. These benefits range from being fairly predictable (energy, waste, and water savings) to relatively uncertain (productivity/health benefits). Energy and water savings can be predicted with reasonable precision, measured, and monitored over time, so much so that commercial firms contract to buy streams of future energy and water savings. The commonly higher initial cost of green design and construction can be expected to drop as designers and builders gain experience in building green.

HOUSE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Provides that the Board shall identify no less than 3 construction projects (instead of no less than 3 and no more than 5 construction projects) to serve as case studies for achieving certification using nationally recognized and accepted green building guidelines, standards, or systems approved by the State (instead of a consensus-based green building rating system). Provides that the Committee shall consider the feasibility of requiring certain State construction projects to be certified using a green building rating system (instead of using a consensus-based green building rating system). Effective January 1, 2006.

Amends the State Employee Article of the Illinois Pension Code. Allows certain persons to participate in the System while employed by a statewide labor organization that represents members of the System. Also allows purchase of credit for certain prior service. Effective immediately.

PENSION NOTE (Commission on Gov't Forecasting and Accountability)

The fiscal impact of Senate Bill 252 is estimated to be minor, as the bill requires payment of employee and employer contributions, plus interest (if credit for past service is purchased). Also the amount of service credit that would be established is estimated to be relatively small.

- 230 ILCS 5/32 from Ch. 8, par. 37-32

Amends the Illinois Migrant Labor Camp Law. Includes living quarters for backstretch employees or backstretch workers at Illinois horse race tracks within the definition of "migrant labor camp", so that such facilities are subject to licensure and inspection by the Department of Public Health. Requires those camps to meet minimum housing guidelines specified by OSHA. Prescribes features of housing for backstretch worker families with children, and limits the concurrent exercise of home rule powers with respect to the regulation of such housing. Authorizes the Department of Public Health to designate a federal, State, or municipal or other local agency or entity to conduct inspections related to protecting the health, safety, and welfare of laborers, backstretch employees, or backstretch workers. Authorizes the Department or the Department's designated agent to conduct an inspection of a migrant labor camp providing living quarters for backstretch employees or backstretch workers at any time during the horse racing season. Adds representatives of the Department's designated agents to the membership of the advisory committee. Makes other changes. Amends the Illinois Horse Racing Act of 1975. Makes a technical change in a Section concerning the Illinois Race Track Improvement Fund. Effective immediately.

FISCAL NOTE (Department of Revenue)

The Illinois Racing Board does not have anybody on its staff with the technical expertise to perform these functions and would have to contract out or hire a new full-time employee to comply with these provisions. A contractual employee would cost the Racing Board approximately \$25,000 per year and a newly hired employee would cost the Racing Board approximately \$60,000 per year. Additionally, SB 289 requires the Illinois Racing Board to construct housing for backstretch workers. The Department of Revenue cannot currently estimate the cost of this new construction, but it is expected to be substantial.

SENATE FLOOR AMENDMENT NO. 1

Provides that before the Department of Public Health may issue a license for a migrant labor camp on a backstretch, the organization licensee conducting horse racing at the race track (instead of the Illinois Racing Board) must certify to the Department that the proposed construction meets certain standards. Provides that each holder of an organization license under the Illinois Horse Racing Act of 1975 (instead of the Illinois Racing Board) must prepare and submit to the Department a backstretch worker housing plan; if an organization licensee fails to submit a plan by June 15, 2006, the Department shall deny a license for the migrant labor camp. Provides that if an organization licensee (instead of the Illinois Racing Board) fails to construct new backstretch housing by April 15, 2008, the Department shall deny a license for the migrant labor camp.

FISCAL NOTE (Department of Public Health)

Senate Bill 289 will result in additional licensure and inspection responsibilities for the Department of Public Health that will result in an estimated fiscal impact of \$150,000.

SB-0334 SANDOVAL.

New Act

Creates the Access to Governmental Services Act. Requires each constitutional officer, State agency, circuit court clerk, and State program to provide equal access to public services for individuals with limited English proficiency. Provides definitions of "equal access", "limited English proficiency", "oral language services", and "important documents". Reasonable steps to provide equal access to public service includes, but is not limited to: in-house oral language services for individuals with limited English proficiency if the agency or officer has contact at least weekly with individuals with limited English proficiency; translation of important documents ordinarily provided to the public must be provided in any language spoken by at least 3% of the population within the geographic area served by a local office of a State agency, constitutional officer, or county as measured by the U.S. Census; and additional methods necessary to achieve equal access.

SENATE COMMITTEE AMENDMENT NO. 1

Amends the Access to Governmental Services Act. Provides that each State agency, constitutional officer, circuit court clerk, and State program shall adopt rules concerning the Act not less than 6 months after the Act takes effect (now, at least 6 months prior to when Act takes effect).

SENATE COMMITTEE AMENDMENT NO. 2

Defines "State program" to mean any program administered by a State agency, but not including any program administered in whole or in part by a unit of local government or school district, regardless of whether State funds are expanded under the program.

FISCAL NOTE (Illinois Commerce Commission)

The agency will likely have to hire at least five employees with extensive language expertise. The agency estimates that at a minimum it will incur an estimated annual increase in costs of \$372,000 to implement this legislation were it to become law. This estimate includes salaries, fringe benefits, equipment, and commodities for agency staff members.

SENATE FLOOR AMENDMENT NO. 3

Deletes everything after the enacting clause. Creates the Access to Governmental Services Act. Requires each constitutional officer, State agency, circuit court clerk, and State program to take reasonable steps to provide equal access to public services for individuals with limited English proficiency, including: (i) having a sufficient number of qualified bilingual persons in public contact positions or as interpreters and (ii) translation of important documents ordinarily provided to the public into any language spoken by at least 3% of the overall population of the State, as measured by the U.S. Census. Requires the Illinois Human Rights Commission to implement a process to address disputes arising under the Act.

FISCAL NOTE (S-AM 1 & 2) (Dept. of Children & Family Services)

This legislation could require the Department to provide translation of documents for 3 or 4 additional languages than the Department already provides. The cost of these translation services could cost between \$120,000 and \$600,000 depending upon the number of languages and the scope of documents. This would be a one-time expense, with smaller ongoing costs to update the documents in future years.

FISCAL NOTE (Department of Public Health)

Senate Bill 334, at a minimum it will incur an estimated annual increase in cost of \$433,000 to implement this legislation were it to become law. This estimate includes salaries, fringe benefits, equipment, and commodities for agency staff members. As well as additional contractual costs as a result of increased usage of translator services.

FISCAL NOTE (Illinois Arts Council)

The Illinois Arts Council does not have weekly contact with their constituents. In the past year the Illinois Arts Council had two instances where they hired translators for interpretation purposes. The cost was approximately \$2,500 each time.

FISCAL NOTE (Department of Central Management Services)

CMS anticipates that the fiscal impact of Senate Bill 334 is approximately \$1,500,000.

FISCAL NOTE (Department of Public Aid)

The exact fiscal impact is not known, but could include some additional costs. The Agency already has bilingual staff and also prints forms in foreign languages. Additional costs could result if interpreters and forms are required for a language not currently accommodated.

HOUSE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: Provides that the Act applies to executive branch State agencies created under the Civil Administrative Code of Illinois (instead of to each constitutional officer, State agency, circuit court clerk, and State program). Redefines terms. Requires language access in an office in each county where the number of residents in a single language group is more than 5% of all county residents. Provides that the Illinois Human Rights Commission's process to address disputes must address disputes concerning agency determinations of the offices where the services are provided. Makes other changes.

PENSION NOTE (Commission on Gov't Forecasting and Accountability)

Senate Bill 336 would not impact the accrued liabilities or annual costs of any current Downstate Police pension fund. Municipalities that choose to establish a Downstate Police pension fund per Senate Bill 336 would have to begin making the employer

contributions required by Article 3 of the Pension Code. The amount of those employer contributions would depend on the size of the municipality's police force.

New Act

Creates the Limiting Strategic Litigation Against Public Participation Act. Provides that a party may bring a special motion to strike any claim that is based on an action involving public participation and petition. Provides that, if the moving party on a special motion to strike meets the prima facie requirements, the responding party must establish a probability of prevailing on the claim. Outlines the procedures for filing a special motion to strike. Provides that a moving party on a special motion to strike who prevails is entitled to costs of litigation, reasonable attorney's fees incurred in connection with the motion, and any additional relief, including sanctions upon the responding party and its attorneys or law firms, that the court determines necessary to deter reputation of the conduct and comparable conduct by others.

Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause. Creates the Citizen Participation Act. Applies to motions in cases concerning SLAPP lawsuits (Strategic Lawsuits Against Public Participation) that have been filed to discourage citizen participation in government. Requires courts to decide those motions within 90 days. Provides that discovery is suspended pending a decision on the motion. Allows discovery on certain issues upon leave of court. Requires that the motion be granted and the claim dismissed unless the responding party produces clear and convincing evidence that the moving parties' acts are not immunized under this Act. Provides for attorney's fees and costs to be awarded to the prevailing moving party. Effective immediately.

PENSION NOTE (Commission on Gov't Forecasting and Accountability)

According to an analysis prepared by the Fund's actuary (based on 12/31/02 membership data), the estimated increase in accrued liability due to Senate Bill 362 is \$138.9 million. The increase in normal cost estimated to be \$5.4 million and the payment needed to amortize the estimated increase in the accrued liability over 40 years is \$7.1 million. Therefore, the estimated 1st year cost of Senate Bill 362 is \$12.5 million, or 1.44% of payroll. As payroll grows, the annual cost will increase with payroll.

PENSION NOTE (Commission on Gov't Forecasting and Accountability)

Amends the Chicago Police Article of the Illinois Pension Code to increase the multiplier used to calculate the maximum allowable pension tax, from 2.00 to 2.26. Effective immediately.

PENSION NOTE (Commission on Gov't Forecasting and Accountability)

Senate Bill 367 would significantly increase the annual employer contributions to the Fund. In FY 2003, the City of Chicago made employer contributions of approximately \$140.7 million, using a property tax multiplier of 2.00. If a property tax multiplier of 2.26 had been in effect that year, the employer contributions generated by the tax levy would have totaled approximately \$159.0 million, an increase of \$18.3 million.

Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Commission on Gov't Forecasting and Accountability)

According to an analysis prepared by the Fund's actuary (based on 12/31/02 membership data), the estimated increase in accrued liability due to Senate Bill 368 is \$141.5 million. The increase in normal cost estimated to be \$3.1 million and the annual payment needed to amortize the estimated increase in the accrued liability over 40 years is \$7.0 million. PENSION NOTE (Commission on Gov't Forecasting and Accountability)

Amends the Illinois Municipal Retirement Fund Article of the Illinois Pension Code. Provides that the alternative annuity that is available to certain county officers is available to members of a board of commissioners of a forest preserve district who are elected to serve on a forest preserve district that is located in a county having a population of more than 800,000 but fewer than 3,000,000 inhabitants. Amends the Downstate Forest Preserve District Act. Provides that, in addition to property owned by a forest preserve district, property in which a forest preserve district is the grantee of a conservation easement or the grantee of a conservation right, as defined in the Real Property Conservation Rights Act, shall not be subject to eminent domain or condemnation proceedings, except as otherwise specifically provided. Deletes a provision that requires that the compensation for the president of the board of commissioners in certain counties shall be an amount equal to 85% of the annual salary of the county board chairman. Provides that the compensation of the president and the forest preserve commissioners shall be established by the board of commissioners of the forest preserve district (now, the compensation of the forest preserve commissioners is the same as that of county board members in the county with which the forest preserve is co-extensive). Amends the State Mandates Act to require implementation without reimbursement.

PENSION NOTE (Commission on Gov't Forecasting and Accountability)

Senate Bill 420 would not affect the annual costs of accrued liabilities of any current IMRF employer. For forest preserve districts with an elected board of commissioners there would be a fiscal impact, as the required employee contributions only pay a portion of the cost of the optional benefits. An exact fiscal impact cannot be determined at this time as it is unknown how many board members would participate. This Pension Impact Note only applies to the sections of Senate Bill 420 that amend the Illinois Pension Code.

Amends the Illinois Public Aid Code, the Code of Civil Procedure, the Illinois Marriage and Dissolution of Marriage Act, the Non-Support Punishment Act, the Income Withholding for Support Act, and the Illinois Parentage Act of 1984. Replaces the provisions concerning interest on child support judgments. Provides for the accrual of interest on a child support obligation that becomes due and remains unpaid as of the end of each month (instead of for 30 days or more). Provides that the interest on child support judgments shall be calculated by applying one-twelfth of the current statutory interest rate as provided in the Code of Civil Procedure to the unpaid child support balance as of the end of each calendar month. Provides that monthly child support payments shall be applied first to the current monthly child support obligation, then to any unpaid child support balance owed from previous months, and finally to the accrued interest on the unpaid child support balance. Provides that interest on child support

obligations may be collected by any means available under federal or State law or rules. Effective January 1, 2006.

SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts provisions substantially similar to those of Senate Bill 452, except provides that interest shall accrue on the amount of a child support obligation that remains unpaid at the end of each month, excluding the child support that was due for that month to the extent that it was not paid in that month (instead of simply the amount remaining unpaid at the end of each month). Effective January 1, 2006.

Amends the Metropolitan Water Reclamation District Article of the Illinois Pension Code. Provides that a child's annuity is payable to a child who is over 18 years of age, but less than 23 years of age, if he or she is a full-time student. Eliminates the 3-day waiting period for the payment of a duty disability benefit for certain persons. Provides a minimum annuity for certain retirees and surviving spouses. Authorizes employer pickup and tax-deferred status for contributions made toward the alternative plan for commissioners. With respect to the 5 years of service needed to establish eligibility for a disability retirement annuity, excludes service credit earned while on disability for new employees. Clarifies the calculation of service with respect to the Optional Plan. Allows an employee who has returned to service to repay a prior refund within the 90 days following his or her final withdrawal from service. Allows payment of a refund to certain nonvested employees who are under age 55 (rather than 50). Makes changes concerning eligibility for a surviving spouse's annuity. Provides that certain early retirement discounts apply to the calculation of a surviving spouse's annuity. Provides that an employee may establish service credit for voluntary military service that commences after commencement of service with the Metropolitan Water Reclamation District. Adds to the powers and duties of the Board, the power to assess and collect interest on amounts due to the Fund using the annual rate as shall from time to time be determined by the Board, compounded annually from the date of notification to the date of payment. Makes other changes. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Commission on Gov't Forecasting and Accountability)

The fiscal impact of Senate Bill 455 is expected to be minimal. The Metropolitan Reclamation District estimates that Senate Bill 455 would increase actuarial liabilities by less than \$87,000. Changes to the alternative plan would generate an annual cost of \$4,700.

220 ILCS 5/13-714 new

Amends the Telecommunications Article of the Public Utilities Act. Provides terms and conditions for a crossing of railroad right-of-way. Allows the Illinois Commerce Commission to adopt rules prescribing additional terms and conditions to ensure that any crossing be consistent with the public convenience and necessity and reasonable service to the public. Provides that telecommunications carriers that locate their facilities within the railroad right-of-way for a crossing shall pay the railroad a one-time standard crossing fee of \$750 for each crossing. Provides special circumstances under which the standard crossing fee is not imposed. Provides that, pending Commission resolution of a claim of special circumstances raised in a petition, a telecommunications carrier may, upon securing the payment of any damages and upon submission of completed engineering specifications to the railroad, proceed with a crossing in accordance with the rules adopted by the Commission, unless the Commission, upon application for emergency relief, determines that there is a reasonable likelihood that the proposed crossing either (i) involves a significant and imminent likelihood of danger to the public health or safety or (ii) is a serious threat to the safe operations of the railroad or to the current use of the railroad right-of-way.

SENATE FLOOR AMENDMENT NO. 3

Deletes everything after the enacting clause. Reinserts the provisions of the bill as introduced but makes the following changes. Defines "railroad" and "railroad corporation" to include a "transportation system", as defined in the Metropolitan Transit Authority Act. Makes changes in the definitions of "railroad right-of-way", "crossing", and "facilities" (was, "facility"). Deletes provisions (i) providing that a telecommunications carrier is responsible for any bodily injury or property damage with regard to property of the carrier within a railroad right-of-way that typically would be covered under a standard railroad protective liability insurance policy; (ii) including in a one-time standard crossing fee costs associated with modifications to existing insurance contracts of the carrier and the railroad; (iii) providing that a determination by the Illinois Commerce Commission on the issue of damages for the rights granted to a carrier with respect to a crossing is not final agency action; and (iv) authorizing a railroad or telecommunications carrier to seek judicial review if it claims to be aggrieved by a determination of the Commission concerning damages for the rights granted to a telecommunications carrier with respect to a crossing. Requires (rather than authorizes) the Commission to adopt rules prescribing additional terms and conditions. Increases the one-time standard crossing fee to \$2,000 (rather than \$750) for each crossing. Provides that a final determination by the Illinois Commerce Commission on the issue of special circumstances shall be considered final agency action subject to judicial review under the Administrative Review Law. Provides that payment by a telecommunications carrier of a standard fee (now, any damages) is required in order for the carrier to proceed with a crossing pending Commission resolution of a claim of special circumstances. Makes other changes.

Amends the Illinois Public Aid Code. In provisions concerning the Aid to the Aged, Blind or Disabled (AABD) program, provides that "disabled person", for purposes of qualifying for aid under the program, means a person who satisfies the disability standard used by the Social Security Administration (instead of a person age 18 or over who has a physical or mental impairment, disease, or loss which is of a permanent nature and which substantially impairs his ability to perform labor or services or to engage in useful occupations for which he is qualified, as determined by rule and regulation of the Department of Human Services). Sets forth procedures that the Department of Human Services must follow when it makes its own determinations of disability instead of accepting a determination made by the Social Security Administration. Provides that any division of the Department that provides or funds medical services that would be reimbursable under Medicaid may make disability determinations for purposes of determining eligibility for Medicaid, so long as the determinations are made using the rules, regulations, and other regulatory guidance materials that are relied upon by the Illinois Bureau of Disability Determination Services in the Department's Division of Rehabilitation Services in determining disability. - 35 ILCS 515/3 from Ch. 120, par. 1203

Amends the Mobile Home Local Services Tax Act. Provides that the owner of each mobile home (now, "inhabited mobile home") shall pay an annual tax to the county treasurer. Effective immediately.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

Senate Bill 485 represents an increased cost on unoccupied units, however there is insufficient information to determine the actual cost increase to the owner.

SENATE FLOOR AMENDMENT NO. 1

Provides that the owner of a mobile home is not required to pay the tax under the Act if the owner notifies the local assessing authority, by sworn affidavit, that the mobile home is uninhabited and will no longer be used for human habitation.

FISCAL NOTE (S-AM 1) (Department of Revenue)

As amended by Senate Amendment 1, SB 485 would increase revenues realized by local taxing districts. However, the Department of Revenue cannot determine the number of mobile homeowners who would provide the notification to their local assessing authorities and, therefore, the Department of Revenue cannot determine the amount of the revenue increase.

Provides that the policy applies only to highways under the jurisdiction of the Department of Transportation. Delays from March 1, 2006 to March 1, 2007 the date on which the Department shall provide the Governor and the General Assembly its report regarding these projects and its transition plan for specified policy and implementation changes.  750 ILCS 50/8 from Ch. 40, par. 1510
 750 ILCS 50/18.3a from Ch. 40, par. 1522.3a

Amends the Adoption Act. Provides that the sole purpose of notice shall be to enable the person receiving the notice to appear in the adoption proceedings to present evidence to the court relevant to whether the consent or surrender of the person to the adoption is required by the Act (instead of to present evidence to the court relevant to the best interests of the child). Provides that, if the court determines that the consent or surrender of the person is not required, then the person shall not be entitled to participate in the proceedings or to any further notice of the proceedings. Adds to the exceptions to the requirement for consent and surrender: (i) the father of the child who is a family member of the mother of the child and the mother is under the age of 18 at the time of the child's conception; and (ii) the father of the child who is at least 5 years older than the child's mother and the mother was under the age of 17 at the time of child's conception, unless the mother and father voluntarily acknowledge the father's paternity of the child by marrying or by establishing the father's paternity by consent of the parties pursuant to the Illinois Parentage Act of 1984 or pursuant to a substantially similar statute in another state. Defines "family member". Removes from the exceptions to the requirement for consent and surrender a person who has been indicated for child sexual abuse as defined in the Abused and Neglected Child Reporting Act that involved sexual penetration of the mother and a person who was at least 5 years older than the mother and the mother was under the age of 17 at the time of conception of the child to be adopted. Removes any employee of a licensed child welfare agency certified by the agency as qualified to serve as a confidential intermediary from the list of eligible intermediaries.

 750 ILCS 50/18.3a

Restores language that was removed concerning the eligibility of confidential intermediaries.

HOUSE AMENDMENT NO. 1

SENATE COMMITTEE AMENDMENT NO. 1

Deletes reference to:
 30 ILCS 105/5.640 new
 Adds reference to:
 430 ILCS 125/26 new

Replaces everything after the enacting clause. Amends the Children's Product Safety Act with provisions substantially similar to those of Senate Bill 526, but with changes that include

the following: (1) provides that a "children's product" is one designed or intended for children under age 9 (instead of 12); (2) requires a manufacturer, importer, distributor, or wholesaler to place on its web site a link to recall or warning information that contains the specific recall notice or warning that was issued for the product in question (instead of a link to www.recalls.gov); (3) provides that the posting of a recall or warning notice by a retailer must be in each retail store; (4) provides that a commercial dealer, manufacturer, importer, distributor, wholesaler, or retailer shall not be found in violation of the provisions concerning unsafe children's products if the specific recalled product sold was not included on the Department of Public Health's list of unsafe children's products on the day before the sale (instead of providing that such a person who exercises reasonable care in acting pursuant to the Children's Product Safety Act is not in violation of any provision of the Act); (5) provides that nothing in the Children's Product Safety Act shall be interpreted to allow a unit of State or local government or any other entity within the State to issue recalls; (6) provides that nothing in the Children's Product Safety Act relieves a manufacturer, importer, distributor, wholesaler, or retailer (in addition to a commercial dealer) from compliance with stricter requirements that may be imposed by a federal agency; and (7) in provisions concerning enforcement of the Children's Product Safety Act by the Attorney General, (i) removes references to a person being "about to engage in" a practice in violation of the Act and (ii) removes provisions concerning the powers a court may exercise. Effective immediately, except provides that the changes in connection with penalties for violating the Children's Product Safety Act and in connection with enforcement of the Act take effect January 1, 2006.

FISCAL NOTE (S-AM1) (Department of Revenue)

This would increase State revenues. However, the Illinois Department of Revenue cannot predict the number of violations of the Act that will subject persons to the civil penalty and cannot determine the fiscal impact of this bill.

FISCAL NOTE (S-AM 1)(Department of Public Health)

Senate Bill 526 will have a minimal fiscal impact on the Illinois Department of Public Health.

New Act

Creates the Truth in Pumping Act. Provides that, within 3 months after the effective date of the Act, each retailer of motor fuel shall post a notice in a prominently visible place on each retail dispensing device that is used to dispense motor fuel in Illinois itemizing each federal, State, and local tax imposed on motor fuel at that location. Provides that, for taxes that are imposed on a per-gallon basis, the notice shall state how many cents per gallon are imposed in taxes, broken down by each tax imposed, and that, for taxes that are imposed on gross receipts, the notice shall state how many cents per dollar are imposed in taxes, broken down by each tax imposed. Provides that, in addition, the notice shall give an estimate of the total cost in federal, State, and local taxes for the purchase of 5, 10, and 15 gallons of motor fuel at that location. Preempts home rule. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Requires that the notice be posted in a prominently visible place at each location in the State where the retail sale of motor fuel is offered to the public (instead of being posted on each retail dispensing device). Provides that for taxes imposed on gross receipts, the notice must state the applicable rate of each such tax (instead of stating how many cents per dollar are imposed in taxes, broken down by each tax imposed). Deletes a provision requiring the notice to give an estimate of the total cost in federal, State, and local taxes for the purchase of 5, 10, and 15 gallons of motor fuel at that location. Allows the Department of Financial and Professional Regulation to adopt rules. Provides penalties for failure to comply with remedial actions determined appropriate by the Peer Review Administrator. Requires the firm or sole practitioner to pay for the costs of the peer review. Provides that the peer review proceedings, records, reports, and other documents are privileged and provides exceptions to the privilege. Provides for the peer review year of combined or divided firms or sole practitioners. Grants civil immunity except for reckless or willful misconduct. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:

225 ILCS 450/6.1

225 ILCS 450/27

from Ch. 111, par. 5521.01

from Ch. 111, par. 5533

Deletes everything. Replaces with the original bill and makes these changes. Replaces references to an "individual" with "sole practitioner". Defines "peer review program" to mean a review of compliance with professional standards of practice (now, generally accepted accounting principles and auditing standards and other generally accepted technical standards). Requires firms and sole practitioners to undergo a peer review during (now, covering) the immediately preceding 3-year period before a license can be renewed. Requires an applicant for a renewal license to submit, at the request of the Department of Financial and Professional Regulation (now, with the renewal application), a letter from the Peer Review Administrator setting the date of completion of the peer review. Provides that remedial action includes other remedial action as determined (now, recommended) by the Department (now, the Public Accountant Registration Committee). Provides that if a peer review report indicates that a firm or sole practitioner complies with professional standards and no further remedial action is required, the Peer Review Administrator shall destroy certain documents. Provides that alternative test administration arrangements are available for applicants unable to take the Certified Public Accountant examination under standard conditions. Makes other changes. Deletes provisions concerning hearings by the Department on compliance with professional standards and practices. Provides that the Department may discipline a licensee for making a false statement to the Department regarding compliance with peer review requirements. Provides that the Department may consider the Peer Review Administrator's findings of fact as prima facie evidence. Makes other changes. Effective immediately.

Amends the Illinois Health Facilities Planning Act. Provides that permits are not required for the establishment of swing-beds authorized under Title XVIII of the federal Social Security Act, or for the modification of a hospital's bed capacity. Provides that the Illinois Health Facilities Planning Act is repealed on July 1, 2011 (now, July 1, 2006). Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Further amends the Illinois Health Facilities Planning Act. Restores \$6,000,000 as the capital expenditure minimum providing that when a capital expenditure is by a hospital, "capital expenditure minimum" means \$8,500,000, or this amount as annually adjusted to reflect inflation. Deletes a provision adding medical office buildings to the facilities provided under the definition of "non-clinical service areas". Eliminates a provision that authorizes the modification of a hospital's bed capacity without a State Board permit. Increases the minimum number of beds that can be added in a health care facility without a permit to 20 (now, 10) within a 2 year period so long as this does not represent a greater than 10% increase in the total bed capacity of the health care facility.

Amends the Open Meetings Act. Makes a technical change in a Section concerning definitions.

SENATE FLOOR AMENDMENT NO. 1

Adds reference to:

5 ILCS 120/2.01	from Ch. 102, par. 42.01
5 ILCS 120/2.05	from Ch. 102, par. 42.05
5 ILCS 120/2.06	from Ch. 102, par. 42.06
5 ILCS 120/7 new	

Deletes everything after the enacting clause. Amends the Open Meetings Act. Redefines a "meeting" to include gatherings, whether in person or by telephone call, video or audio conference, electronic means (such as e-mail, chat, and instant messaging), or other means of contemporaneous interactive communication, of a majority of a quorum of the members of a public body held for the purpose of discussing public business (now, a gathering of a majority of a quorum of the members of a public body held for the purpose of discussing public business). Requires that the number of public body members necessary to constitute a quorum must be physically present at an open meeting and permits participation and voting by other members by audio and video conference. Allows members of a public body with statewide jurisdiction who are physically present in Chicago or Springfield to count towards a quorum if the meeting is held simultaneously in both places through interactive videoconference and notice and public access requirements are met. Exempts certain State bodies and boards with advisory or non-binding functions from the requirement of physical presence of a quorum. Requires that a quorum of members of a public body without statewide jurisdiction must be physically present at a closed meeting and permits participation and voting by other members by video or audio conference. Permits a public body to authorize attendance at meetings by audio or video conference, other than closed meetings of public bodies with statewide jurisdiction; authorizes those public bodies to adopt rules for such attendance. Makes other changes.

HOUSE AMENDMENT NO. 1

Removes the exemption for public bodies with statewide jurisdiction from the requirement of physical presence of a quorum at one location of an open meeting when the meeting is held

simultaneously in Springfield and Chicago through an interactive video conference. Establishes the same exemption for a public body, except one with jurisdiction limited to a specific geographic area less than statewide, when the meeting is held simultaneously at one of the public body's offices and elsewhere in one or more public buildings through an interactive video conference. Removes the provision that voting members of a public body, other than one with statewide jurisdiction, not physically present at a closed meeting may vote at the closed meeting by means of video or audio conference. Makes other changes.

SB-0611 LINK-W. JONES-RAOUL.

65 ILCS 5/11-12-9 from Ch. 24, par. 11-12-9

Amends the Illinois Municipal Code. Prohibits the corporate authorities of a municipality from entering into a jurisdictional boundary line agreement unless written notice is provided to the owners of all property affected by the proposed agreement.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This legislation will have no effect on constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE (Dept of Commerce and Economic Opportunity)

Senate Bill 611 does not incur a fiscal impact on the Department of Commerce and Economic Opportunity. Assessing the fiscal impact on municipalities will involve factors such as the number of municipalities affected, the number of property owners, and the cost of providing written notice to the property owners regarding proposed boundary line agreements. Therefore, based on these factors, to the extent that SB 611 (Engrossed) imposes a comprehensive impact of local revenue, an estimate cannot be determined at this time.

HOUSE AMENDMENT NO. 2

Deletes reference to:

65 ILCS 5/11-12-9

Adds reference to:

55 ILCS 5/4-12001 from Ch. 34, par. 4-12001

55 ILCS 5/4-12001.1 from Ch. 34, par. 4-12001.1

Deletes everything after the enacting clause. Amends the Counties Code. Increases certain fees charged by sheriffs in third class counties. Provides that specific fees collected by sheriffs in third class counties must be used for public safety purposes.

JUDICIAL NOTE (H-AM 2)(Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State.

PENSION NOTE (H-AM 2) (Com. on Gov. Forecasting & Accountability)

This legislation would not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (H-AM 2) (Com. on Gov. Forecasting & Accountability)

Would not affect the level of state indebtedness.

STATE MANDATES FISCAL NOTE (H-AM 2)(Dept of Commerce & Econ Opportunity)

This legislation does not create a State mandate under the State Mandates Act.

HOME RULE NOTE (H-AM 2)(Dept of Commerce and Economic Opportunity)

This legislation does not pre-empt home rule authority.

FISCAL NOTE (H-AM 2)(Dept of Commerce and Economic Opportunity)

SB 611 Engrossed does not incur a fiscal impact on the Department of Commerce and Economic Opportunity. The fees listed in the legislation are to be paid by individuals, such as defendants in a court proceeding. However, in practice, if a defendant is indigent, the cost of a fee may have to be absorbed by a unit of local government. Assessing the fiscal impact on units of local government in such instances will involve various factors such as the amount in fees assessed, the number of indigent defendants,

and other costs which will vary statewide. Therefore, based on these factors, to the extent that SB 611 (H-AM 2) imposes a comprehensive impact on local revenue, an estimate cannot be determined at this time.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM 2)(Housing Development Authority)

This legislation will have no effect on constructing, purchasing, owning, or selling a single family residence.

Sets forth requirements for eligibility, notice of decisions to terminate eligibility, health care benefits, and cost-sharing. Requires the Department to coordinate with the Illinois Department of Veterans' Affairs. Authorizes the Department of Healthcare and Family Services to adopt rules necessary to establish and implement the Act through the use of emergency rulemaking. Amends the Illinois Public Aid Code. Subjects the Veterans' Health Insurance Program Act to provisions concerning charges upon claims and causes of action for injuries, right of subrogation, recoveries, and back pay. Provides for the severability of the Act. Effective September 1, 2006.

BALANCED BUDGET NOTE (H-AM 1) (Gov. Office of Management & Budget)

No impact to the State's budget.

HOUSE AMENDMENT NO. 1

Adds reference to:

30 ILCS 105/8g

Replaces everything after the enacting clause. Reinserts provisions substantially similar to those of the engrossed bill, creating the Veterans' Health Insurance Program Act and amending the Illinois Public Aid Code, but with changes that include the following: (1) in provisions concerning the legislative intent with respect to the Veterans' Health Insurance Program, provides that the State has only a limited amount of resources, and the General Assembly therefore declares that while it intends to cover as many such veterans as possible, the State may not be able to cover every eligible person who qualifies for this Program as a matter of entitlement due to limited funding; (2) provides that the Program is not an entitlement; (3) provides that the Department of Healthcare and Family Services Department shall operate the Program in a manner so that the estimated cost of the Program during the fiscal year will not exceed the total appropriation for the Program; (4) changes some of the eligibility requirements for the Program, including the income threshold; (5) provides for the involvement of Veterans Assistance Commissions and Commissioners; (6) requires that all applicants must be reviewed for Veterans Health Administration eligibility or other existing health benefits prior to consideration for the Program; (7) provides that the cost-sharing elements in connection with the program shall be similar to the cost-sharing utilized under the Covering ALL KIDS Health Insurance Act, except that premiums shall be adjusted to reflect the increased cost of insuring an adult compared to a child; (8) requires a report by the Department by April 30, 2007; and (9) repeals the Veterans' Health Insurance Program Act on January 1, 2008. Amends the State Finance Act; provides that in addition to any other transfers that may be provided for by law, on July 1, 2006, or as soon thereafter as practical, the State Comptroller shall direct and the State Treasurer shall transfer the sum of \$2,000,000 from the General Revenue Fund to the Illinois Veterans Assistance Fund. Effective immediately.

HOUSE AMENDMENT NO. 2

Amends provisions concerning eligibility for the Veterans' Health Insurance Program. Provides that to be eligible for the Program, a person must have a household income no greater than the sum of (i) an amount equal to 25% of the federal poverty level plus (ii) an amount equal to the Veterans Administration means test income threshold (instead of no greater than 225% of the federal poverty level) at the initiation of the Program. Provides that depending on the availability of funds, this level may be increased to an amount equal to the sum of (iii) an amount equal to 50% of the federal poverty level plus (iv) an amount equal to the Veterans Administration means test income threshold (instead of increased to 250% of the federal poverty level) after 6 months of operation. Provides that this means test income threshold is subject to alteration by the Department of Healthcare and Family Services.

STATE DEBT IMPACT NOTE (H-AM 1 & 2)(Comm on Gov't Forecasting & Account) SB 627 (H-AM 1 and 2) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

JUDICIAL NOTE (H-AM 1)(Admin Office of the Illinois Courts) This legislation may cause a minimal increase in judicial workloads. However, the bill would not increase the number of judges needed in the State.

PENSION NOTE (H-AM 1 & 2)(Comm on Gov't Forecasting & Account) SB 627 (H-AM 1) would not impact any public pension fund or retirement system in Illinois.

HOME RULE NOTE (H-AM 1)(Dept of Commerce and Economic Opportunity) This legislation does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (H-AM 1)(Dept of Commerce and Economic Opportunity)

This legislation does not impose any requirements on units of local government; therefore, SB 627 (H-AM 1) does not create a State mandate under the State Mandates Act.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM 1)(Housing Development Authority)

This legislation will have no effect on constructing, purchasing, owning, or selling a single family residence.

FISCAL NOTE (H-AM 2) (Dept. of Healthcare & Family Services) Has an estimated fiscal impact of \$6 million.

15 ILCS 15/1 from Ch. 127, par. 1801

Amends the Executive Reorganization Implementation Act. Makes a technical change in a Section concerning the short title.

SENATE FLOOR AMENDMENT NO. 1

Deletes reference to:

15 ILCS 15/1

Adds reference to:

New Act

Replaces everything after the enacting clause. Creates the FY07 Cost of Doing Business Adjustment Act. Provides that retroactive to July 1, 2006, a 3% increase shall be included in all purchase of care contracts and grant agreements paid under specified line items in the fiscal year 2007 State budget for the Department of Human Services, including early intervention, family case management, and domestic violence. Effective immediately.

SENATE FLOOR AMENDMENT NO. 4

Deletes everything after the enacting clause and re-inserts provisions similar to those of Senate Amendment No. 1 with these changes: applies to the fiscal year 2007 State budgets for the Department of Human Services and the Department of Healthcare and Family Services (instead of the Department of Human Services only); provides that the 3% increase shall be included not later than 2 weeks after the effective date of the Act (instead of retroactive to July 1, 2006); provides that the 3% increase shall also be included in provider agreements paid under the applicable line items; changes "early intervention" to "early intervention therapy services and service coordination" and changes "family planning" to "family planning and contraceptive health services"; and adds Centers for Independent Living to the line items to which the Act applies. Effective immediately.

FISCAL NOTE (Dept. of Human Services)

The FY 2007 cost would be approximately half the \$6.8 million, or \$3.4 million, with an effective date of January 1, 2007. The bill authorizes the 3% increase two weeks after the effective date of the act.

FISCAL NOTE (Dept. of Healthcare & Family Services)

The estimated fiscal impact is \$1.5 million annually for a 3% rate increase to Medicaid therapies for 0-3 year olds. This amount is the cost of the increase for all therapies since Early Intervention and Medicaid need to be treated the same.

Further amends the Community Mental Health and Developmental Disabilities Administrative Act and the State Finance Act. Provides that on April 1, 2005, or as soon thereafter as practicable (previously at the direction of the Director of Public Aid), the Comptroller shall direct and the State Treasurer shall transfer amounts not to exceed \$14,000,000 into the Community Health Medicaid Fund from the General Revenue Fund (instead of from the Public Aid Recoveries Trust Fund). 35 ILCS 200/1-150

Amends the Property Tax Code. Makes a technical change in a Section concerning the definition of "taxing district".

FISCAL NOTE (S-AM 1) (Dept. of Revenue)

There is no state fiscal impact. The impact on local governments comes in three ways. (1) It makes the Alternative General Homestead Exemption (AGHE) created pursuant to Public Act 93-715 permanent in Cook County, where two thirds of the way through the implementation no loss to taxing districts has been identified. (2) It allows any of the 101 other counties another opportunity to opt into the AGHE. The fiscal impact cannot be calculated, but will depend upon how many counties opt in and whether they have properties increasing more than 7% in value annually. When the AGHE was originally offered in 2004, no county except Cook chose to adopt it. The difference between Cook County, which does not equalize between triennial reassessments and other counties that do, would reduce use of the AGHE in other counties. (3) It removes the \$20,000 maximum on the AGHE. In Chicago, there were 75,000 out of 357,000 homestead properties on which the AGHE's hit the 20,000 cap the first year, primarily among higher-priced properties. The fiscal impact cannot be calculated, but the Department has contracted for a detailed study that will provide this information for Cook County.

SB-0776 SANDOVAL AND JACOBS-COLLINS-MARTINEZ-BRADY-CROTTY.**New Act**

Creates the Military Service Members Mortgage Life Insurance Act. Requires the Department of Military Affairs to establish a program for service members called to active duty to assist service members in the procurement of mortgage life insurance and to pay the premiums for such mortgage life insurance. Provides application requirements and procedures. Requires the Department to cease paying premiums once the service member is discharged from active duty and to notify the insurer and the service member that, unless the service member chooses to continue paying the premiums, the mortgage life insurance policy will be cancelled. Requires the Department to adopt rules to carry out the provisions of the Act.

SENATE FLOOR AMENDMENT NO. 1

Changes a definition of "active duty" to mean any duty performed in the active service of the United States Armed Forces (rather than the State of Illinois or the United States) in Iraq or Afghanistan pursuant to the orders of the President of the United States (rather than the President of the United States or the Governor of Illinois). Changes a definition of "service member" to mean a member of the Illinois National Guard (rather than a member of any branch of the United States Armed Forces, the Illinois National Guard, or the Reserves of the United States Armed Forces).

SB-0835 FORBY-E. JONES.

65 ILCS 5/1-1-1 from Ch. 24, par. 1-1-1

Amends the Illinois Municipal Code. Makes a technical change in a Section concerning the short title.

SENATE FLOOR AMENDMENT NO. 3

Deletes reference to:

65 ILCS 5/1-1-1

Adds reference to:

65 ILCS 5/7-1-1 from Ch. 24, par. 7-1-1

Deletes everything after the enacting clause. Amends the Municipal Code. Provides that territory that is separated from a municipality only by a federal wildlife refuge may be annexed to the municipality if the municipality can show that the federal wildlife refuge creates an artificial barrier preventing annexation. Provides that it shall be conclusively presumed that the federal wildlife refuge does not create an artificial barrier if the annexing municipality is not the closest municipality within the county to the property to be annexed (now, does not limit the provision to municipalities within the county). Effective immediately.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

Based on a review of SB 835, it has been determined that this legislation would neither increase nor decrease the number of judges needed in the State.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

Insufficient information to determine a fiscal effect.

PENSION NOTE (Comm. on Gov. Forecasting & Accountability)

Will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Comm. on Forecasting and Accountability)

Would not affect the level of State indebtedness.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Econ Opportunity)

Does not create a state mandate under the State Mandates Act.

HOME RULE NOTE (Dept. of Commerce & Econ Opportunity)

Does not pre-empt home rule authority.

FISCAL NOTE (Dept. of Commerce & Econ Opportunity)

Does not impact State finances. The bill would potentially impact municipalities in each county except Cook, DuPage, and Lake. If municipalities attempt to demonstrate that a federal wildlife refuge creates only an artificial barrier in preventing annexation, the cost of such research could vary across the state. Based on that factor, the cost to municipalities could vary across the state. Therefore, to the extent that SB 835 impacts local revenue, a fiscal impact cannot be estimated at this time.

CORRECTIONAL NOTE (Department of Corrections)

Corrections Population Impact: None. Fiscal Impact: None.

FISCAL NOTE (Department of Natural Resources)

No fiscal impact.

BALANCED BUDGET NOTE (Gov. Office of Management & Budget)

There is no fiscal impact to the State.

75 ILCS 16/1-1

Adds reference to:

75 ILCS 16/15-82 new

Deletes everything after the enacting clause. Amends the Public Library District Act of 1991. Provides that any municipality or township that has a public and tax-supported library established under the provisions of any statute may be disconnected from a public library district either by: (i) a disconnection ordinance enacted by the board of trustees of the district or (ii) a disconnection referendum approved by a majority of those electors residing in both the municipality or township and the library district. Limits the circumstances under which the board of trustees may enact a disconnection ordinance and sets forth procedures for the referendum. Requires the district, upon enactment of the ordinance or approval of the referendum, to file with the appropriate circuit court a copy of the ordinance or the election results and a petition requesting entry of an order of disconnection and preparation of an appraisal of the value of the tangible property and liabilities of the district and the excess of the liabilities over tangible property and assets. Requires the circuit court, after a hearing, to revise the limits and boundaries of the district and set forth the liability, if any, of the property owners of the disconnected territory. Provides that the property owners of the disconnected territory are continually liable for any excess liability of the district until its full and final payment and are responsible for all costs and expenses associated with a disconnection election. 105 ILCS 5/34-18.33 new

Deletes everything after the enacting clause. Amends the School Code. Requires the State Board of Education to establish a new principal mentoring program to allow experienced principals to serve as mentors to new principals during their first year as a principal. Provides for an alternative route to administrative certification for certain National Board certified teachers. Provides that continuing professional development for renewal of an administrative certificate must include (i) completion of an Administrators' Academy course in each of the 6 Interstate School Leaders Licensure Consortium standard areas in the first 5 years of serving as an administrator in a position that requires certification and (ii) if the certificate holder evaluates certified staff, completion of a one-day teacher evaluation course and participation in an additional 6 hours of Administrators' Academy-approved coursework. Deletes a provision requiring certificate holders who evaluate certified staff to complete a 2-day teacher evaluation course. Creates a teacher leader endorsement and sets forth requirements for that endorsement. Requires the State Board to certify one statewide organization representing principals, with input from institutions of higher education, and one school district or organization representing principals in the Chicago school district, with input from institutions of higher education, to establish a master principal designation program. Sets forth requirements for the program. Establishes a task force to review the Illinois Administrators' Academy and recommend revisions to the program. Beginning with the 2006-2007 school year and each school year thereafter, requires each school district, except the Chicago school district, to establish a principal evaluation plan. Sets forth requirements for the evaluation plan and provides that failure to evaluate a principal at least once during the term of the principal's contract is evidence that the principal is performing his or her duties and responsibilities in at least a satisfactory manner and serves to automatically extend the principal's contract for a period of one year after the contract would otherwise expire, under the same terms and conditions as the prior contract. Requires the Chicago school district to establish a principal mentoring program. Effective immediately.

HOUSE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the contents of the bill as engrossed

with the following changes. Adds a preamble. Provides that one of the purposes of the new principal mentoring program is to assist the new principal in the development of his or her professional growth (instead of his or her professional practice). Provides that mentors must complete mentoring training by entities (instead of by an entity) approved by the State Board of Education. Provides that the principal, in collaboration with the mentor, shall identify areas for improvement of the new principal's professional growth (instead of requiring a mentor to identify areas for improvement of the new principal's professional practice). Provides that the State Board of Education must facilitate a review and evaluate the mentoring training program in collaboration with the approved providers (instead of requiring the State Board to review and evaluate the mentoring training program). Removes the Section concerning administrative certificates. Makes changes concerning which entities are required to be certified to establish a master principal designation program. Provides that a master principal designation program aligned with the Illinois Professional Leadership Standards (instead of any master principal designation program) shall include certain components. Makes changes concerning the Illinois Administrators' Academy Review Task Force and principal evaluations. Makes other changes. Effective immediately.
