HOUSE AMENDMENT NO. 1

Deletes reference to:

105 ILCS 5/2-3.12

Adds reference to:

105 ILCS 5/17-2.2d

Deletes everything after the enacting clause. Amends the School Code. In provisions concerning special taxing and bonding for temporary relocation expense and emergency replacement purposes, removes the limit on application only to districts having a population of less than 500,000 inhabitants and to districts that had a total enrollment of at least 1,075 students as shown on the 2003 Illinois State Report Card and had a school building condemned after January 1, 2004 and prior to June 30, 2004 (instead, the building must have been condemned within 10 years after the building's initial occupancy). Allows the levy of the tax for the purpose of providing for the repayment of moneys paid to the district (instead of distributed) for temporary relocation expenses. Allows bonds to be issued for the costs of providing for the payment of any obligations entered into to finance the repair, reconstruction, or replacement of the condemned building. Provides that bonds issued under these provisions are not subject to any debt limitation imposed by any law. Effective immediately.

225 ILCS 227/90

Deletes everything after the enacting clause. Amends the Pyrotechnic Operator Licensing Act by changing the short title to the Pyrotechnic Distributor and Operator Licensing Act and amends the Illinois Explosives Act to reflect that change. Defines "BATFE", "1.3G fireworks", "consumer fireworks", "facility", "flame effect", "pyrotechnic distributor", and "special effects fireworks". Provides that "display fireworks" means 1.3G or special effects fireworks (rather than any substance or article defined as a Division 1.3G or 1.4 explosive by the United States Department of Transportation). Provides for licensure requirements and rules for a pyrotechnic distributor (in addition to a lead pyrotechnic operator). Provides that the rules of the State Fire Marshal shall be based on nationally recognized standards, such as those of the National Fire Protection Association (NFPA) 1126 guidelines for proximate audience displays (rather than indoor displays) and NFPA 160 guidelines for flame effect displays. Provides that the State Fire Marshal shall conduct the training and examination of pyrotechnic operators and pyrotechnic distributors or may delegate the responsibility to train and examine pyrotechnic distributors and operators to the Department of Natural Resources. Provides that after January 1, 2006, all pyrotechnic displays must comply with the requirements set forth in the Act, no person may engage in pyrotechnic distribution, and no individual may act as a lead operator in a pyrotechnic display without first applying for and obtaining a license (now, after April 1, 2005, no individual may act as a lead operator in a pyrotechnic display without applying for and obtaining a license). Provides that applicants for a license must submit to the Office a license fee set by the Office and proof of having the requisite knowledge, either through training, examination, or continuing education, as established by Office rule. Removes the requirement that applicants for a lead pyrotechnic operator's license pass the examination presented by the Office. Provides that in order to be qualified to receive a license under the Act, a person must have, or have applied for, a BATFE explosives license or a Letter of Clearance from the BATFE. Provides that no pyrotechnic distributor shall allow any person in the pyrotechnic distributor's employ to act as a lead pyrotechnic distributor until the person has obtained a lead pyrotechnic operator's license from the Office of the State Fire Marshal. Makes other changes. Effective immediately.

HOUSE AMENDMENT NO. 2

Provides that "1.3G fireworks" means fireworks (rather than large fireworks) that are used for professional outdoor displays and receive a certain classification by the United States Department of Transportation. Provides that "Consumer fireworks" means fireworks (rather than

small fireworks) that must comply with certain regulations of the U.S. Consumer Products Safety Commission and receive a certain classification by the United States Department of Transportation.

30 ILCS 105/14.1 from Ch. 127, par. 150.1
Amends the State Finance Act. Makes a technical change in a Section concerning the State

Employees' Retirement System.

HOUSE AMENDMENT NO. 1

Deletes reference to:

30 ILCS 105/14.1

Adds reference to:

30 ILCS 500/20-100 new

Deletes everything after the enacting clause. Amends the Illinois Procurement Code. Prohibits requiring or requesting monetary incentives from vendors in addition to the goods or services that are the subject of a contract.

FISCAL NOTE (H-AM 1) (Gov. Forecasting & Accountability)

Will have no fiscal impact on the Commission on Government Forecasting & Accountability

FISCAL NOTE (H-AM 1) (Central Management Services)

The Department of Central Management Services anticipates that the fiscal impact from this bill, although impossible to quantify, would be significant. To the extent that special pricing incentives, discounts, credits, and signing bonuses are part of the RFP pricing process and to the extent that this in some cases is the only method available to a vendor to discount standard rates they are a necessary tool through which the State is able to negotiate the best possible rate. This prohibition would eliminate the State's ability to procure many goods or services utilizing these particular strategic opportunities, often standard in many industries, resulting in increased net cost of those goods or services.

HB-3417 LYONS, EILEEN-FRANKS-MITCHELL, BILL-STEPHENS-COULSON, BLACK, MILLER, MUNSON, BELLOCK, SACIA AND LINDNER.

30 ILCS 540/3-2 from Ch. 127, par. 132.403-2

Amends the State Prompt Payment Act. Provides that State agencies are prohibited from delaying the review of bills or the submission of bills to the Comptroller unless a defect in the bill is identified.

FISCAL NOTE (Treasurer of the State of Illinois)

House Bill 3417 will not have a fiscal impact upon the State not incurring any new liabilities.

FISCAL NOTE (Department of Revenue)

The Prompt Payment Act currently requires State agencies to review bills in a timely manner and to pay any bill approved for payment within 60 days of receipt. It is unclear whether House Bill 3417 changes those timeframes. If House Bill 3417 does shorten those timeframes, it would impede the Department of Revenue's ability to control its cash flow and would have an undetermined negative impact on the Department.

 105 ILCS 5/17-1 from Ch. 122, par. 17-1
 30 ILCS 805/8.29 new

Amends the School Code. Provides that the annual budget of a school district under 500,000 inhabitants shall separately identify revenue from taxes and revenue from all other sources, including without limitation vending machines, and disclose all school board-sanctioned contractual agreements and the estimated revenue to be received as a result of these contracts. Requires all contracts and agreements that pertain to goods and services and that are intended to generate additional revenue and other remunerations for a school district, including without limitation vending machine contracts, sports and other attire, class rings, and photographic services to be approved by the school board. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

HOUSE AMENDMENT NO. 1

Requires the approval of the school board for all contracts and agreements that pertain to goods and services and that are intended to generate additional revenue and other remunerations for the school district in excess of \$1,000 (now, no limit). Provides that the annual budget shall contain a statement of the cash on hand, an estimate of the cash expected to be received, an estimate of the expenditures from revenues, and a statement of the estimated cash from all other itemized sources (rather than all other sources).

STATE MANDATES FISCAL NOTE (Illinois State Board of Education)

No specific dollar amount can be given as to the costs inherent to, and/or associated with, this legislation. Taking that into account, the provisions would require (1) the Illinois State Board of Education to amend the School District Form to provide for the specific revenue/expenditure itemizations and contractual statement disclosures, as necessary; and (2) the board of education for school districts under 500,000 inhabitants to implement such additional accounting/fiscal procedures and policies, as necessary, to make available for review, disclosure and approval the budgetary estimates by specific revenue/expenditure itemizations and contractual statement disclosures, as required.

SENATE FLOOR AMENDMENT NO. 2 (SENATE RECEDES MAY 30, 2005)

Adds reference to:

50 ILCS 105/3 from Ch. 102, par. 3
 105 ILCS 5/10-9 from Ch. 122, par. 10-9

Amends the Public Officer Prohibited Activities Act and further amends the School Code. Provides that nothing contained in provisions prohibiting a public officer or school board member from having certain interests in contracts may preclude the person from participating in a group health insurance program provided to an employee of the entity that the person serves if the person is a spouse or dependent of that employee.

SENATE FLOOR AMENDMENT NO. 3 (SENATE RECEDES MAY 30, 2005)

With respect to the annual budget provisions, restores current law. Provides instead that all districts and joint agreements shall include a separate statement that lists each contract or agreement that pertains to goods and services or licenses that are intended to generate \$1,000 or more in additional revenue or other remunerations or considerations for the school district or a school, class, or association authorized by the district.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends that the changes to the Section of the School Code concerning the annual budget take effect on July 1, 2006 (instead of immediately).

Amends the Regulatory Sunset Act to extend the repeal of the Illinois Physical Therapy Act to January 1, 2016. Amends the Physical Therapy Act. Changes all references from the Physical Therapy Licensing and Disciplinary Committee and the Physical Therapy Examining Committee to the Physical Therapy Licensing and Disciplinary Board. Changes the definition of "physical therapy" to mean and include (A) examining, evaluating, and testing individuals who may have mechanical, physiological, or developmental impairments, functional limitations, disabilities, or

other health and movement-related conditions, determining a treatment diagnosis for these disorders and rehabilitation prognosis and plan of therapeutic intervention, and assessing the on-going effects of the interventions, (B) alleviating impairments, functional limitations, or disabilities by designing, implementing, and modifying therapeutic interventions for the purposes of preventing, correcting, or alleviating a physical or mental impairment, functional limitation, or disability, (C) reducing the risk of injury, impairment, functional limitation, or disability, including the promotion and maintenance of fitness, health, and wellness, and (D) engaging in administration, consultation, education, and research. Provides that a majority of Board members then appointed constitutes a quorum and that a majority vote of the quorum is required for a Board decision. Changes references to a physical therapy assistant program to a physical therapist assistant program. Provides that a person must have graduated from and attained an associate's degree from an approved physical therapist assistant program in order to be qualified to receive a license as a physical therapist assistant (now, a person is required to have graduated from a 2-year college level physical therapy assistant program). Provides that following notification of eligibility for examination, an applicant who fails to take the examination for a license under the Act within 60 days of the notification shall forfeit his or her fee and right to practice as a physical therapist or physical therapist assistant until such time as the applicant has passed the appropriate examination (now, an applicant who fails to take the next-scheduled examination forfeits his fee and right to practice). Effective immediately.

HOUSE AMENDMENT NO. 1

Removes the provision that provides that a majority of Board members then appointed constitutes a quorum and that a majority vote of the quorum is required for a Board decision.

HOUSE AMENDMENT NO. 2

Provides that "physical therapy" means classifying certain disorders and determining a rehabilitation prognosis and plan of therapeutic intervention (rather than determining a treatment diagnosis for certain disorders and a rehabilitation prognosis and plan of therapeutic intervention). Provides that physical therapy does not include chiropractic technique or determination of a differential diagnosis (rather than a differential medical diagnosis), provided that the limitation on determining a differential diagnosis (rather than a differential medical diagnosis) shall not in any manner limit a physical therapist licensed under the Act from performing an evaluation pursuant to the license.

HOUSE AMENDMENT NO. 3

Further amends the Physical Therapy Act. Removes provisions concerning the initial terms and appointments of members of the Physical Therapy Licensing and Disciplinary Committee.

720 ILCS 570/411.3

Amends the Illinois Controlled Substances Act. Provides that the methamphetamine restitution shall also be made to cover regular and overtime costs incurred by local law enforcement agencies and private contractors paid by public agencies in securing the site in which the methamphetamine was manufactured. Provides that the restitution payments shall be disbursed equitably as follows: (1) first, to the local agencies involved in the emergency response; (2) second, to the State agencies involved in the emergency response; and (3) third, to the federal agencies involved in the emergency response.

CORRECTIONAL NOTE (Dept of Corrections)

Corrections population impact: None. Fiscal impact: None.

FISCAL NOTE (Dept of Corrections)

Corrections population impact: None. Fiscal impact: None.

LAND CONVEYANCE APPRAISAL NOTE (Department of Transportation)

As there are no parcels of land being conveyed in this bill, there are no appraisals to be filed by the Department of Transportation.

BALANCED BUDGET NOTE (Office of Management and Budget)

The Governor's Office of Management and Budget (GOMB) estimates that the proposed legislation will have no cost to the state and will generate insignificant revenue. It is likely that the persons responsible for methamphetamine restitution payments will have minimal assets. Additionally, the statute specifies that restitution payments be to the local agencies involved in the emergency response before they are made to involved state agencies. These factors indicate that there is little chance that state agencies will receive funds from methamphetamine restitution payments. Therefore, it is GOMB's assessment that this legislation will have an immaterial impact on the state budget.

PENSION NOTE (Government Forecasting & Accountability)

Would not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

Would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore would not affect the level of State indebtedness.

STATE MANDATES FISCAL NOTE (Dept. of Commerce and Economic Opportunity)

In the opinion of the Department of Commerce and Economic Opportunity, this legislation creates a local government organization and structure mandate for which reimbursement of the increased costs to units of local government is not required under the State Mandates Act.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

Would neither increase nor decrease the number of judges needed in the state.

HOME RULE NOTE (Dept. of Commerce and Economic Opportunity)

House Bill 3507 does not pre-empt home rule authority.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

No fiscal effect on a single-family residence.

Amends the Illinois Parentage Act of 1984. Provides that any parent having custody of any minor child under this Act and any mother having custody of a minor child whose paternity has been established or acknowledged pursuant to the listed Acts shall not remove the child from Illinois without first obtaining leave from the court to do so. Provides that the court may grant leave to any party having custody of any minor child to remove the child from Illinois whenever such approval is in the best interest of the child. Amends the Downstate Teachers Article of the Illinois Pension Code. Provides for participation in the System by current System employees who elect to participate after a change in position. Includes within the membership of the System persons employed in a professional position by the State Board of Education. Excludes from membership executives of certain boards engaged in the service of public education. Eliminates the 100-day TRS membership waiting period for persons receiving a retirement annuity under the Chicago Teacher Article. Requires 1.5 years of contributing service (rather than just creditable service) to qualify for a survivor's benefit upon death in service. Permits certain teachers who interrupted service under the Chicago Teacher Article because of pregnancy to purchase TRS credit for the period of leave. Reduces the required contribution for certain persons electing to receive the augmented 2.2% retirement formula, and incorporates the 2.2% retirement formula into the calculation of the single-sum retirement benefit. In the definition of "accumulated contributions", specifies that interest is neither accumulated nor paid on contributions for the automatic increase in base pension. Deletes a provision authorizing the Board to prescribe rules relating to contribution statements. Repeals certain obsolete provisions, including provisions relating to SIU employment, transfers by county sheriffs, exemptions from paying certain employer contributions, and increases in certain retirement and disability annuities that were being paid in 1947. Effective immediately.

305 ILCS 5/5-5 from Ch. 23, par. 5-5

Amends the Illinois Public Aid Code. Provides that, subject to the approval of a federal waiver, persons who are 21 years of age or older who have received Medicaid benefits under provisions concerning persons under age 21 who would qualify as disabled shall remain eligible for continued Medicaid benefits, outside an institution, at a level of care appropriate to meet the individual needs of the person, provided that a physician annually determines that the person requires the level of care provided by a hospital, skilled nursing facility, or intermediate care facility. Requires an annual report by the Department of Human Services beginning January 1, 2007. Requires the Illinois Department of Human Services, the Illinois Department of Public Aid, and the Division of Specialized Care for Children of the University of Illinois to enter into an interagency agreement for the purpose of cooperatively establishing a program of case management for any person who receives Medicaid benefits under the provisions concerning persons under age 21 who would qualify as disabled. Sets forth the minimum requirements for case management services. Effective immediately.

FISCAL NOTE (Department of Human Services)

Cost: Potential impact up to \$26 million annually

FISCAL NOTE (Department of Public Aid)

Continuing the same or similar level of services as received under the medically fragile, technology dependent (MFTD) waiver, the cost for 15 people is estimated to be between \$650,000 and \$1.2 million more than for services paid at a skilled nursing facility or at an exceptional care rate. This cost is based on the minimum number required for a waiver and would thus increase each year as the number of waiver clients increases. It is also important to note that waiver services are projected to increase an average of 10% each year.

STATE MANDATES FISCAL NOTE (Illinois State Board of Education)

There appears to be no direct mandate in this legislation that would automatically cost a district money. However, if a teacher were to be dismissed under these circumstances there would almost certainly be a contested dismissal. In that event the district could face considerable cost.

105 ILCS 5/34-18.32 new

Amends the School Code. Requires a school board to adopt a policy that prohibits a school bus that is in operation for the purpose of transporting students to or from school or a school-related function or activity from running on idle for more than 10 minutes while the bus is parked. Provides that the policy does not apply when the ambient air temperature is less than 0

degrees fahrenheit. Provides that the policy must require all diesel school buses (i) when in use, to be parked and loaded at least 100 feet from school air-intake systems, unless the school board deems alternative locations block traffic, impair student safety, or are not cost-effective and (ii) when not in use, to be parked in a manner to reduce contamination of school bus cabins and school facilities from diesel engine exhaust fumes. Contains exceptions to these requirements. Requires the policy to provide for climate-controlled waiting areas for school bus drivers. Requires schools to send an annual notice to faculty, staff, and parents concerning the policy. Effective September 1, 2005.

STATE MANDATES FISCAL NOTE (Illinois State Board of Education)

There appears to be no cost to the school district for implementing this bill. It appears that there would be some savings in fuel costs since the bus would need to be turned off if it were running idle for more than 10 minutes but the savings cannot be quantified. There is some inconvenience to the drivers during frigid weather but the bill requires a policy to allow for a climate-controlled waiting area for the drivers.

HOUSE AMENDMENT NO. 1

Deletes everything after the enacting clause. Replaces with the bill as introduced with the following changes. Deletes provisions requiring schools to send a notice of the school bus idling policy annually to all faculty, staff, and parents and requiring schools to provide a climate-controlled waiting area for school bus drivers in extreme cold and hot weather situations. Provides that the policy must allow exceptions to the requirements of the policy when the bus is running in order to power defrosters, heaters, air conditioners, or other equipment necessary for safety or health considerations of passengers (now, for safety and health considerations). Effective September 1, 2005.

HB-3687 SMITH-MOFFITT.

New Act

Creates the Technical Rescue Team Response Reimbursement Act. Requires any responsible party to reimburse the emergency response agencies responding to an emergency incident for the costs incurred in using technical response teams to provide emergency action. Provides that, if the responsible party fails to reimburse the emergency response agency, then moneys in the Emergency Response Reimbursement Fund shall be used to reimburse the agency and the responsible party shall be required to reimburse the Fund.

FISCAL NOTE (Illinois State Fire Marshal)

It is difficult to determine the fiscal impact at this point should House Bill 3687 become law. The agency anticipates that the legislation will have no fiscal impact on the agency to administer the reimbursement. However, should there be a high demand of applications for reimbursement, there will be a cost to the agency to process the application.

HOUSE AMENDMENT NO. 2

Provides that "technical rescue team" means a career or volunteer mobile support team that has been authorized by a unit of local government to respond to building collapse, high angle rescue, and other specialized rescue emergencies and that is primarily designated for emergency response to technical rescue events (instead of any State or Mutual Aid Box Alarm System (MABAS) technical rescue team providing specialized rescue services).

HOUSE AMENDMENT NO. 3

Deletes everything after the enacting clause. Inserts provisions substantially similar to those of the introduced version of House Bill 3687 and House Amendment No. 2, except: (1) provides that any responsible party shall reimburse, within 90 days after the receipt of a bill for the Tactical Rescue emergency incident (instead of in a timely and reasonable manner), the emergency response agencies responding to a Tactical Rescue incident (instead of an emergency incident), and any private contractor responding to a Tactical Rescue incident at the request of an emergency response agency, for the costs incurred in the course of providing emergency action (instead of in using technical response teams to provide emergency action); (2) deletes language providing that the responsible party shall reimburse the Emergency Response Reimbursement Fund for money provided by the Fund to emergency response agencies as the result of the failure of the responsible party to reimburse the emergency response agencies; (3) deletes language providing that if emergency response agencies are not reimbursed by a responsible party, then the moneys in the Emergency Response Reimbursement Fund shall be used to reimburse emergency response agencies for the cost of using technical rescue teams to provide emergency action; and (4) provides that if no party to the incident provides reimbursement to the emergency response agency, the Attorney General may, at the request of the State Fire Marshal, institute a civil action to recover costs. Makes other changes.

New Act

30 ILCS 105/5.640 new

Creates the Park and Recreational Facility Construction Act. Authorizes the Department of Natural Resources to determine eligibility for and authorizes the Capitol Development Board (CDB) to make grants to park or recreation units for park or recreational facility construction projects. Establishes an application procedure. Requires the Department to establish eligibility standards and priority standards for park or recreational facility construction grants. Requires CDB to establish project standards for park or recreational facility construction grants and to generally supervise park or recreational facility construction projects. Requires a park or recreation unit to submit the construction project or its financing to a referendum if required by law. Provides that the Chicago Park District may use park or recreational facility construction grants for payment of debt service or a lease. Provides that park or recreation units eligible for but not awarded grants in a fiscal year shall continue to be considered in the next fiscal year. Authorizes CDB and the Department to promulgate rules concerning park or recreational facility construction grants. Requires the Department and CDB to file with the General Assembly a comprehensive report of the capital needs of all park or recreation units in this State before January 1, 2006 and every 2 years thereafter. Amends the State Finance Act to create the Park and Recreational Facility Construction Fund.

FISCAL NOTE (Capital Development Board)

The capital cost cannot be determined until a study of the type called for in House Bill 3760 is completed.

FISCAL NOTE (Department of Natural Resources)

It is difficult to determine the fiscal impact on the agency based on the information contained in House Bill 3760. A lot will depend on the size and duration of the program. If the program is a permanent annual program and of any size, the Department will need additional resources to administer its portion of the program. In the Department's current grant administration division there are 7 grant administrators. These grant administrators manage, on average, \$24.4 million in grants each. The average cost for grant administrators, not including non-personal service lines, is \$91,600. This means that it would take 1 grant administrator position at a cost of approximately \$92,000 for every \$25 million in new grant programs.

Would create a program within CDB similar to the School Infrastructure Program. That program requires eight staff at an annual cost of \$600,000. The capital cost can not be determined until a study of the type called for in the legislation is completed.

New Act

Creates the Location Matters Act. Requires that an applicant applying for State economic development assistance for a business location must provide data on affordable housing and mass transit in its vicinity. Provides that if data submitted by the applicant shows that affordable housing and mass transit are near the proposed work site, the Department of Commerce and Economic Opportunity shall grant the applicant a preference in awarding economic development assistance. Provides that if affordable housing and mass transit are not present near the proposed work site, the applicant can receive an economic development preference only if it submits to the Department of Commerce and Economic Opportunity a plan showing how the applicant will address the housing and mass transit deficiency. Provides that applicants who fail to submit a satisfactory plan to the Department of Commerce and Economic Opportunity may still receive State economic development assistance. Effective January 1, 2006.

HOUSE AMENDMENT NO. 1

Deletes everything after the enacting clause. Creates the Business Location Efficiency Incentive Act. Authorizes companies applying to the Department of Commerce and Economic Opportunity for certain economic development assistance tax credits to seek increased or extended tax credits if (i) the company's proposed project site is located in an area that capitalizes upon affordable workforce housing or accessible mass transit, (ii) the company submits to the Department an approved remediation plan to improve housing or access to mass transit, or (iii) the company's project is located in labor surplus areas. Provides for the Department's awarding of such incentives. Repeals the Act on December 31, 2010. Effective January 1, 2006.

JUDICIAL NOTE (H-AM 1) (Admin. Office of the Illinois Courts)

Would neither increase nor decrease the number of judges needed in the state.

PENSION NOTE (H-AM 1) (Gov. Forecasting & Accountability)

Does not amend the Pension Code and would not affect employees covered by any Illinois public pension fund or retirement system.

STATE DEBT IMPACT NOTE (H-AM 1) (Gov. Forecasting & Accountability)

Would not change the amount of authorization for any type of State-issued or State-supported bond, and therefore would not affect the level of State indebtedness.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM 1) (Housing Development Authority)

Insufficient information to determine a fiscal effect.

FISCAL NOTE (H-AM 1)(Department of Revenue)

House Bill 3767 (H-AM 1) authorizes companies that receive tax credits and tax exemptions under the Economic Development for a Growing Economy (EDGE) program and meet certain additional criteria to apply for up to 10% more than the maximum allowable tax credits for which they are eligible under the EDGE program. The Department of Revenue does not know the maximum amount of tax credits that could be claimed under the EDGE program. However, in 2001 the State paid approximately \$3.3 million in EDGE credits and in 2002 the State paid approximately \$4.7 million in EDGE credits. If the amount of EDGE credits paid out in 2002 were increased by 10%, House Amendment 1 to House Bill 3767 would have a negative fiscal impact of approximately \$470,000 per year. Because the EDGE program was recently expanded to include an EDGE credit for small businesses, it is likely that the amount of EDGE credits will continue to increase and that the fiscal impact created by House Bill 3767, as amended, would also increase.

STATE MANDATES FISCAL NOTE (H-AM 1) (Dept. of Commerce & Econ Opportunity)

HB-3801 KELLY-GRAHAM.

New Act

20 ILCS 2605/2605-327 new

Creates the Medical School Applicant Criminal Background Check Act. Provides that an applicant for admission to a medical school in the State must submit to, and each medical school located in the State must require, a criminal background check for felony convictions by the Department of State Police and the Federal Bureau of Investigation as part of the medical school admissions application process. Sets forth procedures for conducting the criminal background check. Provides that the Department of State Police shall charge a fee for conducting the criminal background check and that the medical school requesting the check shall be responsible for paying the fee. Provides that the medical school may, in turn, impose a fee on applicants to cover the cost of the background check. Provides that a felony conviction shall not preclude an applicant from gaining admission to any medical school located in the State, but shall be used as a factor in determining whether or not to admit an applicant. Amends the Department of State Police Law of the Civil Administrative Code of Illinois to make a corresponding change. Effective immediately.

HOUSE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the contents of the bill with the following changes. Provides that each medical school located in the State must require a criminal background check for violent felony convictions and any adjudication of an applicant as a sex offender, rather than a background check for felony convictions. Provides that the name, sex, race, date of birth, and social security number of an applicant shall be searched against the Statewide Sex Offender Database, in addition to the Illinois criminal history records database. Provides that an applicant who has been adjudicated a sex offender shall be precluded from gaining admission to any medical school in Illinois. Effective immediately.

HOUSE AMENDMENT NO. 2

Sets forth specific criminal offenses that constitute sex offenses within the definition of "sex offender". Defines "violent felony" and sets forth specific criminal offenses that constitute a violent felony.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

20 ILCS 2605/2605-327 new

Deletes everything after the enacting clause. Creates the Medical School Applicant Criminal Background Check Act. Contains only a short title provision.

SENATE FLOOR AMENDMENT NO. 2

Adds reference to:

20 ILCS 2605/2605-327 new

Deletes everything after the enacting clause. Reinserts the contents of the bill as engrossed with the following changes. Changes the definition of "sex offender". Changes references from "violent felony" to "forcible felony" and from "applicant" to "matriculant". Defines "matriculant" as an individual who is admitted as a student to a medical school located in Illinois. Provides that a medical school located in Illinois may (rather than must) require a criminal background check for forcible felony convictions and any adjudication of a matriculant as a sex offender. Provides that a matriculant's fingerprints, in addition to his or her name, sex, race, date of

birth, and social security number, may be forwarded to the Department of State Police to be searched against the Illinois criminal history records database and the Statewide Sex Offender Database (rather than requiring a fingerprint-based criminal history records check only if a search of the databases indicates that the matriculant has a conviction record or has been adjudicated a sex offender). Provides that a forcible felony conviction or an adjudication as a sex offender may preclude a matriculant from gaining admission to a medical school located in Illinois. Adds a provision concerning civil immunity. Makes related changes. Effective immediately.

CONFERENCE COMMITTEE NO. 1

Deletes everything after the enacting clause. Creates the Medical School Matriculant Criminal History Records Check Act. Defines "matriculant" as an individual who is conditionally admitted as a student to a medical school located in Illinois pending the medical school's consideration of his or her criminal history records check. Provides that a medical school located in Illinois must require that each matriculant submit to a criminal history records check for violent felony convictions and any adjudication of a matriculant as a sex offender. Sets forth procedures for conducting the criminal history records check. Provides that a medical school's required consideration of a matriculant's criminal history records check may preclude a matriculant with a violent felony conviction or an adjudication as a sex offender from gaining official admission to that medical school, but that a violent felony conviction or an adjudication as a sex offender shall not serve as an automatic bar to official admission to a medical school located in Illinois. Provides that no medical school acting under the provisions of the Act shall be civilly liable to any matriculant for any decision made pursuant to the provisions of the Act. Amends the Department of State Police Law of the Civil Administrative Code of Illinois to make a corresponding change. Effective immediately.

HB-3823 COLVIN.

30 ILCS 540/3-2 from Ch. 127, par. 132.403-2

Amends the State Prompt Payment Act. Provides that in computing interest, the amount of the bill or invoice means the aggregate amount submitted by the vendor in one calendar day, whether electronically or on paper, and does not mean the items on the bill or invoice taken individually. Effective immediately.

FISCAL NOTE (Office of the Comptroller)

It is undeterminable to estimate a fiscal impact that House Bill 3823 would have on state operations. Since this legislation requires state agencies to compute late interest penalties from a summary of the total aggregate amount submitted by a vendor in one calendar day, only individual state agencies that receive and process a vendor's invoices prior to submission to the Comptroller's Office have sufficient data to determine an estimated fiscal impact. As of today for fiscal year 2005, the total amount of late interest penalties paid under the Prompt Payment Act is \$222,761. In comparison, the total amount paid in fiscal year 2004 was \$3,512,000.

FISCAL NOTE (Department of Public Aid)

An estimate of as much as \$60 million annually in additional prompt pay interest is projected.

BALANCED BUDGET NOTE (Gov. Office of Management & Budget)

Fiscal Impact: Approximately \$60 million

STATE MANDATES FISCAL NOTE (Illinois State Board of Education)

This proposed legislation does not seem to have any impact on the Illinois State Board of Education. It appears to be a simplification of paperwork for seniors 75 and older.

There is no increase to the exemption amount and therefore would not affect General State Aid.

HB-4014 BIGGINS-DANIELS.

210 ILCS 50/3.10

Amends the Emergency Medical Services (EMS) Systems Act. Changes a defined term from "non-emergency medical care" to "non-emergency medical services". Provides that "non-emergency medical services" includes medical care or monitoring (instead of medical services)

rendered to a patient during treatment of such persons at health care facilities or at events at which the presence of health care personnel has been requested for public safety purposes, as well as during transportation of the patient to or from health care facilities (instead of only to such facilities). Eliminates a provision that the Act does not apply to the use of an ambulance or SEMSV for a non-medical transport (for example, to an individual's residence), unless and until emergency or non-emergency medical services are needed during such transport.

FISCAL NOTE (Department of Public Health)

Estimated fiscal impact on the Illinois Department of Public Health in the amount of \$898,461.

SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause with provisions similar to those of House Bill 4014, amending the Emergency Medical Services (EMS) Systems Act, but with changes that include the following: (1) provides that "non-emergency medical services" means medical care or monitoring rendered before or during (instead of only during) transportation to or from health care facilities (eliminates amendatory provisions concerning treatment at health care facilities or at events at which the presence of health care personnel has been requested for public safety purposes); and (2) restores a provision that the Act does not apply to the use of an ambulance or SEMSV (instead of the use of such a vehicle for a non-medical transport) unless and until emergency or non-emergency medical services are needed during the use of the ambulance or SEMSV (instead of during such non-medical transport).

815 ILCS 505/10a from Ch. 121 1/2, par. 270a

Creates the Consumer Protection Fuel Price Gouging Act. Provides that, upon a declaration of disaster by the Governor, it is unlawful for any motor-fuel vendor to sell or offer to sell motor fuel within the State at a price that is increased because of the vendor's knowledge of a perceived disruption in the motor-fuel market. An increase in the price of motor fuel during the period of a disaster declaration is rebuttably presumed to be based upon the vendor's knowledge of a perceived disruption in the motor-fuel market if: (1) the amount charged represents a gross disparity between the price at which the motor fuel was readily obtainable within the vendor's trade area during the 7 days immediately before the disaster declaration; and (2) the increase in the amount charged is not attributable to cost factors to the vendor, including replacement costs,

taxes, and transportation costs incurred by the vendor. Provides that a violation of this Act constitutes a violation of the Consumer Fraud and Deceptive Business Practices Act, but nothing in this Act creates a private cause of action in favor of any person damaged by a violation of this Act, but individuals may complain to the Attorney General. Preempts home rule. Amends the Consumer Fraud and Deceptive Business Practices Act to make corresponding changes. Effective immediately.

Creates the Consumer Protection Fuel Price Gouging Act. Provides that it is unlawful for any motor-fuel vendor to sell or offer to sell motor fuel within the State at a price that is increased because of the vendor's knowledge of a perceived disruption in the motor-fuel market. An increase in the price of motor fuel is rebuttably presumed to be based upon the vendor's knowledge of a perceived disruption in the motor-fuel market if: (1) the increased amount charged over any 7-day period represents a gross disparity between the average price at which the motor fuel was readily obtainable within the vendor's trade area during the previous 45 days; and (2) the increase in the amount charged is not attributable to cost factors to the vendor, including replacement costs, taxes, and transportation costs incurred by the vendor. Provides that a violation of this Act constitutes a violation of the Consumer Fraud and Deceptive Business Practices Act, but nothing in this Act creates a private cause of action in favor of any person damaged by a violation of this Act. Provides that "juvenile authorities" to whom DCFS may disclose information include individuals and agencies having custody of a child pursuant to placement of the child by the Department; and provides that nothing in the Child Care Act of 1969 prevents the disclosure of information or records by a licensed child welfare agency as required by this amendatory Act. Provides that DCFS may revoke or refuse to renew a child welfare agency's license for failure to comply with the disclosure requirements of this amendatory Act. Permits a prospective adoptive parent or foster parent to have access to records concerning reports of child abuse and neglect. FISCAL NOTE (Dept of Children and Family Services)

It is anticipated that no fiscal impact to the Department will result from this legislation.

HOUSE AMENDMENT NO. 1

Adds reference to:

- 20 ILCS 505/5.30 new
- 20 ILCS 505/7.5 new
- 750 ILCS 50/18.3a from Ch. 40, par. 1522.3a

Replaces everything after the enacting clause. Amends the Children and Family Services Act. Provides that whenever the Department of Children and Family Services (DCFS) places a child with a prospective adoptive parent or parents, the Department must provide to the prospective adoptive parent or parents the same information that it provides to a foster home, group home, or other caretaker when placing a child. Provides that such information must be provided in writing; requires DCFS to obtain a signed verification of the receipt of the information, and requires provision of a copy of the information to the child's guardian ad litem. Provides that not later than July 1, 2007, DCFS shall adopt a rule regarding the provision of specialized care to a child in the custody or guardianship of the Department and to certain other children who require such services due to emotional, behavioral, developmental, or medical needs, or any other needs that require special intervention services, the primary goal being to maintain the child in care or in a permanency setting. Requires DCFS to provide to all adoptive parents of children receiving monthly adoption assistance a notice that includes a description of the Department's post-adoption reunion services and an explanation of how to access those services. Reinserts provisions substantially similar to those of House Bill 4186 amending the Foster Parent Law, the Child Care Act of 1969, the Abused and Neglected Child Reporting Act, and the Mental Health and Developmental Disabilities Confidentiality Act. Amends the Adoption Act; provides for imposition of a civil monetary penalty against an adoption agency that does not comply with a request for information from a confidential intermediary, with the amount of any such penalty to be deposited into the DCFS Children's Services Fund. Makes other changes. Effective October 1, 2006.

HOUSE AMENDMENT NO. 2

Adds reference to:

- 20 ILCS 505/25 from Ch. 23, par. 5025

750 ILCS 50/12.1

Further amends the Children and Family Services Act and the Adoption Act; requires the Department of Children and Family Services (DCFS) to deposit Putative Father Registry fees into a distinct fund for the Department's use in maintaining the Registry. Deletes a requirement that DCFS monitor specialized care provided to a child and review the child's plan of care "at least annually". Provides that no payments to caregivers (instead of simply "no payments") in effect for the specialized treatment or care of a child shall be reduced under the criteria, standards, and procedures adopted in connection with the provisions concerning specialized care.

SENATE COMMITTEE AMENDMENT NO. 1

In provisions amending the Children and Family Services Act concerning specialized care for children including those in the custody or guardianship of the Department of Children and Family Services: (1) deletes a provision requiring the Director of Children and Family Services to appoint a multidisciplinary advisory committee; and (2) deletes provisions concerning the adoption of an emergency rule.

SENATE FLOOR AMENDMENT NO. 2

In provisions amending the Children and Family Services Act with respect to a notice of post-adoption reunion services, deletes an amendatory reference to former wards of the Department of Children and Family Services. Also provides that the Department shall provide the notice to wards of the Department within 30 days after their 18th birthday (instead of at the time of their emancipation from foster care). In provisions amending the Mental Health and Developmental Disabilities Confidentiality Act, deletes an amendatory provision allowing disclosure of records and communications in accordance with certain standards adopted under the Health Insurance Portability and Accountability Act of 1996.

220 ILCS 5/9-220.7 new

Amends the Illinois Municipal Code. Provides that, if any individual or entity, including a public utility, maintains and operates a water or sewer system that (i) is partially or entirely within the boundaries of a municipality or (ii) serves a municipality, then that individual or entity shall not convey, transfer, lease, or otherwise dispose of any interest in the water or sewer system unless the individual or entity offers the municipality a right of first refusal to acquire that interest on the same terms and conditions. Requires the offer to be delivered to the municipal clerk and requires the corporate authorities of the municipality either to accept or reject the offer within 30 days after it is received by the municipal clerk. Amends the Public Utilities Act. Provides that if a public utility charges a flat fee for water service, then the public utility is prohibited from charging any other customer for the use of the same water service. Provides that, if a public utility furnishing water to any customer determines that a meter owned by the public utility has malfunctioned, then the public utility is prohibited from charging the customer during the malfunction unless the customer intentionally caused the malfunction. Provides that, if a public utility furnishing water service measures individual consumption by meter, then the meter must be inspected and certified by an independent inspector approved by the Commission. Requires all existing meters to be inspected and certified within 18 months after the effective date of the amendatory Act and all new meters to be inspected and certified upon installation. Requires the inspector to file with the Commission a report detailing the operation of each inspected meter. Provides that, if a water or sewer public utility files a surcharge to adjust rates and charges to provide for recovery of certain costs, then the Illinois Commerce Commission must not authorize the surcharge in an amount that is greater than the surcharge the utility filed. Prohibits a public utility from filing a surcharge in an amount that is greater than its actual costs. Prohibits a public utility that provides water and sewer service from charging a customer for sewer service in any billing period in which the customer uses less than 100 gallons of water. Requires each public utility that provides water and sewer service to offer separate rates for water and sewer service to any customer who uses separate meters to measure those services. Effective immediately.

Amends the Sex Offender Management Board Act and the Unified Code of Corrections. Provides that a person convicted of criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, aggravated criminal sexual abuse, or felony criminal sexual abuse shall be placed on conditional release after the completion of his or her imprisonment in a Department of Corrections facility. Provides that a person sentenced for these

offenses shall serve an indeterminate sentence. Provides for the length of conditional release. Provides that the conditions of conditional release may include successful completion of treatment and aftercare in a program approved by the Director of Corrections, the Prisoner Review Board, and the Sex Offender Management Board and satisfaction of the release conditions specified by the Prisoner Review Board and Sex Offender Management Board. Provides that before the offender is released, the Director of Corrections shall notify the sentencing court, the State's Attorney in the jurisdiction where the offender was sentenced, and the victim of the offender's crime, whenever possible, of the terms of the offender's conditional release. Provides that if the offender fails to meet any condition of release, the Director of Corrections, upon the approval of the Prisoner Review Board, may revoke the offender's conditional release and order that the offender serve the remaining portion of the conditional release term in a Department of Corrections facility. Provides that the Prisoner Review Board, in consultation with the Director of Corrections and the Sex Offender Management Board, shall establish criteria and procedures to use in making release and revocation decisions on offenders sentenced under the indeterminate sentencing provisions. Provides that by December 31, 2007, the Prisoner Review Board shall provide the General Assembly with a written report containing the criteria and procedures the Board proposes to use in deciding whether to release a sex offender subject to an indeterminate sentence.

CORRECTIONAL NOTE (Dept of Corrections)

The total impact of House Bill 4337 would result in an increase 2,020 inmates and 1,306 released inmates on conditional release, with \$524,055,188 in additional costs over the first ten years after enactment. Note that this legislation may result in additional parole costs attributed to electronic monitoring devices dependent on parole policies for long-term community supervision. While this legislation does not expand the number of incarcerated sex offenders subsequently released, this legislation will increase the length of stay on parole with electronic monitoring devices.

Amends the Liquor Control Act of 1934. Provides that the holder of a wine-maker's premises license may sell or offer for sale at retail in the wine-maker's licensed premises (now, in the premises specified in the license) the wine-maker's wine. Requires sales at retail to be in person. Defines "in person". Provides that, after the first retail sale in person, the licensee may sell and ship not more than 2 cases per year of the licensee's wine to that purchaser if certain requirements are met. Provides penalties for the violation of those requirements. Creates a wine-maker's tasting room license that permits a licensee concurrently holding a wine-maker's license to sell and offer for sale at retail the licensee's wine at up to 2 locations and requires the sales to be in person. Creates a non-resident wine-maker's license that permits a manufacturer of up to 100,000 gallons of wine per year that is licensed in another state to store and sell the wine in Illinois. Provides that a non-resident wine-maker licensee may sell and ship its wine at retail to residents of Illinois in the same manner as a wine maker's premises licensee. Requires non-resident wine-maker licensees to pay the same State liquor gallonage tax and State retail sales tax as a wine-maker's premises licensee. Sets license fees for wine-maker's tasting room licenses and non-resident wine-maker's licenses. Provides that a limited wine manufacturer licensee may sell wine at retail at the limited wine manufacturer's licensed premises (now, at its manufacturing site) and requires sales to be in person, except that after the first retail purchase in person the limited wine manufacturer may sell and ship wine to that purchaser without an in person purchase. Requires wine-maker premises licensees, non-resident wine-maker licensees, and limited wine manufacturer licensees to secure liquor liability insurance. Repeals a provision allowing interstate reciprocal wine shipments and deletes references to that provision. Effective immediately.

FISCAL NOTE (Dept. of Revenue)

The non-resident wine-maker's license created under House Bill 4350 would generate approximately \$35,000 per year in license fees if one-half of the out-of-state wineries that shipped wine into Illinois in 2005 obtain licenses. The wine-maker's tasting room license created under House Bill 4350 would generate approximately \$21,000 per year in license fees if each of the State's 60 wineries obtained one license. In 2005, Illinois wineries shipped approximately 23,800 gallons of wine directly to consumers, which generated \$110,000 in State liquor tax and retail sales tax revenues. In 2005, out-of-state wineries shipped approximately 50,000 gallons of wine into Illinois, which generated approximately \$255,000 in State liquor tax and retail sales tax revenues. The Department of Revenue estimates that approximately 10% of those shipments resulted from in person purchases, which means that under House Bill 4350, Illinois would generate approximately \$36,500 in liquor tax and retail sales tax revenue per year from the direct shipment of wine. The combination of new license fees and reduced tax collections would generate approximately \$272,500 less than the State collected in 2005 from liquor and sales taxes on wine shipped directly to consumers. However, if Illinois' existing direct shipment statutes were declared unconstitutional as similar laws were in other states, then in the absence of a legislative "fix", Illinois would be unable to collect any tax revenue from the direct shipment of wine.

HB-4357 LINDNER-JONES-BELLOCK-FEIGENHOLTZ-CHAPA LAVIA, BASSI, FRANKS AND FROEHLICH.

750 ILCS 5/607 from Ch. 40, par. 607

Amends the Illinois Marriage and Dissolution of Marriage Act. Provides that grandparents, great-grandparents, and siblings of a minor child may petition the court for visitation, provided that the petition must be filed in the county in which the child resides. Provides that a petition may be filed when the custodial parent denies visitation and the other parent is dead, missing for 3 months or more, incompetent, or incarcerated for 3 months preceding the filing of a petition. Provides that any visitation granted under this Section ends by operation of law if the child is adopted however, if one natural parent is dead and the surviving spouse remarries, a subsequent adoption will not terminate visitation granted by a court to parents of the deceased parent. Provides that a petitioner who seeks to overcome the presumption that a parent's actions regarding visitation by the grandparent, great-grandparent, or sibling are not harmful to the child's health may do so by proof that the child had a significant relationship with the petitioner that, once lost, will cause harm to the child or the petitioner was the primary caregiver of the child. Describes significant existing relationship with a grandchild. A grandparent is not required to present expert testimony to prove the existence of a significant existing relationship between the child and the grandparent. The court may apply a reasonable person standard to determine whether there is a significant relationship between the child and the grandparent, or that the loss of the relationship between the child and the grandparent is likely to cause severe emotional harm to the child. Provides that a child's parent may always

file a petition to modify visitation upon changed circumstances. Deletes provision that grandparent visitation subsection does not apply to a child who is the subject of a pending juvenile court case. Deletes provision that bars any petition for visitation after adoption.

HOUSE AMENDMENT NO. 1

Adds reference to:

750 ILCS 5/607 from Ch. 40, par. 607

Deletes everything after the enacting clause. Amends the Illinois Marriage and Dissolution of Marriage Act. Provides that if a grandparent, great-grandparent, or sibling of a minor child petitions for visitation, the petition must be filed in the county where the child resides. Defines "sibling" in this Section as a brother, sister, stepbrother, or stepsister of the minor child. Adds that a petition may be filed by a grandparent, great-grandparent, or sibling when the custodial parent denies visitation and (i) the other parent is dead, missing for 3 months or more, incompetent, or incarcerated for 3 months (now, sentenced to a year or more of imprisonment) preceding the filing of a petition or (ii) there is a pending dissolution proceeding involving a parent of the child or there is any other court proceeding involving the custody or visitation of the child. Allows a grandparent, who is the parent of a person whose parental rights have been terminated, to petition for visitation, even in cases of adoption (now, except in a case of adoption). Provides that any grandparent, great-grandparent, or sibling visitation ends by operation of law if the child is adopted by other than a blood relative. Provides that if a blood relative adopts the child or if one natural parent is dead and the surviving spouse remarries, a subsequent adoption will not terminate visitation granted by a court to parents of the deceased natural parent, unless to do so is in the best interest of the child. Provides that a petitioner, who seeks to overcome the presumption that a fit parent's decisions regarding visitation by a grandparent, great-grandparent, or sibling are not harmful to the child's health, may do so by proof that the child had a significant relationship with the petitioner that, once lost, will cause harm to the child or that the petitioner was the primary caregiver of the child. A grandparent, great-grandparent, or sibling is not required to present expert testimony to prove that he or she has a significant existing relationship with the child. The court shall apply a "reasonable person" standard to determine if the petitioner has a significant relationship with the child or if the loss of the relationship between the child and the grandparent, great-grandparent, or sibling is likely to cause severe emotional harm to the child. Provides that a child's parent may always petition to modify visitation upon changed circumstances, to promote the child's best interest. Deletes provision that bars any petition for visitation after adoption. Deletes provisions that provide for modification of visitation by a grandparent, great-grandparent, or sibling based upon the child's best interest.

SENATE FLOOR AMENDMENT NO. 3

Deletes everything after the enacting clause and re-inserts provisions similar to those of the engrossed bill with numerous changes regarding: the standing of grandparents, great-grandparents, and siblings to petition for visitation; inapplicability of various visitation provisions to a child in whose interests a petition to adopt an unrelated child is pending under the Adoption Act; lack of standing of a parent, grandparent, great-grandparent, child, or sibling of a parent whose parental rights have been terminated through an adoption proceeding to petition for visitation rights; grandparent visitation when a court has terminated a parent-child relationship; a parent who lost parental rights visiting with the child during grandparent, great-grandparent, or sibling visitation; automatic termination of any visitation rights when parental rights are terminated or when an adoption is granted; the factors the court shall consider in determining whether to grant visitation, specifically whether the grandparent, great-grandparent, or sibling was a primary caretaker for at least 6 consecutive months; and other matters.

- 20 ILCS 105/4.02 from Ch. 23, par. 6104.02

Amends the Illinois Act on the Aging. Provides that beginning January 1, 2007, the Department shall pay an additional \$1.33 per hour of chore/housekeeping and homemaker service performed by a chore/housekeeping and homemaker service provider vendor to all vendors who certify that they will offer health insurance to all qualifying employees, and their dependents. Requires the amount of funding, for years after 2007, to be adjusted by the amount of which the medical component of the Consumer Price Index exceeds such component for the previous calendar year. Defines a qualifying employee as an employee that provides over 100 hours of chore/housekeeping and homemaker services per month for 3 consecutive months. Requires that chore/housekeeping and homemaker service provider vendors must certify that 50% of their workforce is eligible for coverage as a qualifying employee. Provides that the Department must set minimum standards for a qualifying health plan by rule. Sets forth that provider vendors who fail to offer coverage to all qualifying employees shall be subject to penalties up to and including the requirement to return all moneys paid under this paragraph by the State as prescribed by Department rule.

FISCAL NOTE (Dept. on Aging)

The FY07 estimated cost of this increase is \$13.7 million gross, or approximately \$10.3 million net of Medicaid federal financial participation assuming the waiver could be amended to allow for multiple rates for identical service. The minimum full year cost would be \$27.4 million gross. This amount would increase annually due to growth in program service utilization and the legislation's requirement that the \$1.33 per hour be adjusted annually to reflect the medical component of the Consumer Price Index. The average annual increase has been 4.35% between 1999 and 2004. Administrative costs

for the Department would also increase due to the need for approximately eight full time staff and travel costs for field monitoring of the entire state. Two additional fiscal staff would also be necessary for auditing, billing, and collection purposes.

FISCAL NOTE (Dept. of Human Services)

Annualized coast of \$4.6M and FY07 partial year cost of \$2M.

HB-4447 PATTERSON-JONES-HOWARD-TURNER-FLOWERS, RITA, SOTO, ACEVEDO, DAVIS, MONIQUE, COLLINS AND HAMOS.

215 ILCS 170/43 new

Amends the Covering ALL KIDS Health Insurance Act. Permits dependent children between the ages of 19 and 23 to buy into the Covering ALL KIDS Health Insurance Program if the child (i) was enrolled in the Program prior to turning 19 years of age, (ii) is enrolled in a post-secondary education program full-time, and (iii) is eligible to be claimed as a dependent for income tax purposes. Authorizes the Department of Healthcare and Family Services to establish eligibility, co-pay, and premium requirements and requires to Department to take into consideration health benefits available to the child through the education program. Authorizes the Department to adopt rules to assist in paying premiums for health care coverage through the child's education program as an alternative to enrollment in the Program. Effective July 1, 2006. FISCAL NOTE (Dept of Healthcare and Family Services)

Extending All Kids program coverage for an additional four years to qualified college students is estimated at \$1.4 million in FY08, \$2.8 million in FY09, \$4.3 million in

FY10, and \$5.6 million in FY11 and each fiscal year thereafter. There is no FFP; cost is \$100% State. Please note that it is assumed students entering college in August of 2006 wouldn't be eligible until FY08; therefore, there is no fiscal impact in 2007.

STATE MANDATES FISCAL NOTE (Illinois Community College Board)

Under the State Mandates Act, a "State Mandate" means any State-initiated statutory or executive action that requires a unit of local government to establish, expand, or modify its activities in such a way as to necessitate additional expenditures from local revenues. Each community college is considered a unit of local government. This bill does not require them to expand services without monetary assistance from the Illinois Community College Board.
