415 ILCS 5/31 from Ch. 111 1/2, par. 1031

Amends the Environmental Protection Act. Requires the person complained against, when filing certain responses with the Environmental Protection Agency, to provide the proposed terms for a Compliance Commitment Agreement (CCA) rather than the proposed CCA. Requires the Agency to provide the proposed CCA or a notice that certain violations cannot be resolved without the involvement of the Office of the Attorney General or the State's Attorney of the county in which the alleged violation occurred (now, the party complained against provides the proposed CCA). Authorizes the Agency's proposed CCA to include a proposed administrative penalty of not more than \$10,000. Requires the person complained against to accept or reject the proposed CCA within 30 days after receiving it. Provides that if the person complained against fails to respond to the proposed CCA within that time frame, then the proposed CCA is deemed rejected by operation of law. Authorizes written amendments to CCAs. Prohibits violations of CCAs. Grants the Agency certain rulemaking authority. Makes technical changes. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Adds reference to:

415 ILCS 5/42 from Ch. 111 1/2, par. 1042

Replaces everything after the enacting clause. Further amends the Environmental Protection Act. Reinserts the provisions of the introduced bill with changes. Authorizes persons who have violated a Compliance Commitment Agreement (CCA) to cure the violation by adopting CCA. Requires the successful completion of a CCA to be weighed, in favor of the person completing the Agreement, by the Office of the Illinois Attorney General in determining whether to file a complaint for the violations that were the subject of the CCA. Removes a provision authorizing the Agency to include a proposed administrative penalty in the proposed CCA. Authorizes the Agency to levy an additional civil penalty of \$3,000 for the violation of the terms and conditions of a CCA. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Removes a provision authorizing a person to cure a violation of a Compliance Commitment Agreement (CCA) by entering into a mutually agreed upon amendment to that CCA. Decreases the mandatory civil penalty for a violation of the terms and conditions of a CCA from \$3,000 to \$2,000.

625 ILCS 5/3-696 new

Amends the Illinois Vehicle Code. Provides that the Secretary of State shall contract with a private entity to develop a system for generating and administering corporate-sponsored license plates. Provides that the corporate-sponsored license plates shall display the name, likeness, or logo of Illinois companies, and the corporate-sponsored license plate may not display the name, likeness, or logo of more than one company. Provides that the private entity and the company displaying its name, likeness, or logo shall submit a design for the plate to the Secretary of State, who shall have the authority to approve or reject any design. Provides that an applicant for the special plate shall be charged a \$25 fee for original issuance and renewal in addition to the appropriate registration fee. Provides that for each original issuance and renewal, the private entity shall be charged \$75, and the private entity may collect this fee from the company displaying its name, likeness, or logo on the plate. Provides that the Secretary of State is not required to issue corporate-sponsored license plates until a sufficient number of applications have been received to cover the total costs of issuance.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with provisions similar to the original bill, but with the following changes: (1) provides that the Secretary of State shall develop a system for generating and administering corporate-sponsored license plates and may contract with any business entity, advertising firm, or for-profit business that provides the Secretary the required legal documentation to use corporate logos on Illinois license plates (instead of providing that the Secretary shall contract with a private entity to develop a system for generating and administering corporate-sponsored license plates); (2) adds language requiring that any contract for corporate-sponsored plates must result in result in a discount to the applicant for registration plates and generate revenue for the State; (3) provides that corporate-sponsored plates shall be affixed only to passenger vehicles of the first division or motor vehicles of the second division weighing not more than 8,000 pounds and shall expire according to the multi-year procedure established by the Code; (4) provides that the plates may be issued as vanity or personalized plates, but must be approved by the corporate sponsor and the Secretary before issuance; (5) removes set fees for corporate sponsored plates and instead specifies that fees shall be charged in accordance with any agreement entered into under the corporate-sponsored license plate program; and (6) provides that the Secretary shall adopt rules to implement the corporate license plate program.

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Amends the Illinois Vehicle Code. Provides that the Secretary of State shall complete a feasibility study for the implementation of a program for corporate sponsored license plates. Provides that the study shall include, but not be limited to, findings on how to maximize profits to the State, how to provide for a discounted registration fee for Illinois residents who display a corporate-sponsored license plate; public interest in such a program; and the cost to the State for implementation of such a program. Provides that the Secretary shall report the findings of the study to the General Assembly no later than January 1, 2012. Effective immediately.

Amends the Self-Storage Facility Act. Provides that a notice given to an occupant to enforce a lien may be delivered in person, by certified mail or first class mail with certificate of mailing, or by email (instead of in person or by certified mail). Provides that the notice is presumed delivered when mailed or emailed (instead of mailed). Provides that after the notice period has run, the advertisement of the sale may be made on a designated website, or in a locally recognized publication or newspaper of general circulation (instead of in a newspaper of general circulation). Provides that until a lien sale, the exclusive custody of all property in the storage space remains vested in the occupant and no bailment or higher level of liability is assumed by the owner if the owner over-locks the tenant's lock and denies access. Provides that if the property upon which the lien is claimed is a motor vehicle or watercraft and rent is unpaid for 60 days, the owner may have the property towed. Provides that before the sale of any property that has a legal title or in which there is a recorded security interest, the owner shall contact the Secretary of State or other applicable agency to determine the identity of any title holder or lienholder and notify them of the sale. Provides that if the rental agreement contains a limit on the value of property that may be stored, that limit shall be deemed to be the maximum value of the stored property for liability purposes. Permits a reasonable late fee to be imposed if the rental agreement permits. Provides that a late fee of \$20 for each late rental payment or 20% of the amount of each late rental payment, whichever is greater, is deemed reasonable. Makes other and corresponding changes.

SENATE COMMITTEE AMENDMENT NO. 1

Further amends the Self-Service Storage Facility Act. Provides that if the owner of the facility chooses to sell (instead of before the sale of) a motor vehicle, aircraft, or watercraft, the owner must contact the Secretary of State about that property's title holder information. Provides that if 3 or more bidders who are unrelated to the owner are in attendance at a sale of stored personal property held pursuant to the Act, the sale and its proceeds are deemed to be commercially reasonable. Provides that in addition to other legal remedies, only the occupant listed on the last known rental agreement may bring a civil action to recover damages for a

violation of the Act.

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause with identical provisions to the bill as introduced, except it provides: that a notice given to an occupant to enforce a lien shall state the facility's contact information and the date, time, and location of the lien sale (instead of brief and general description of property); if after a lien sale the lien is satisfied, any remaining balance becomes the property of the facility owner after 90 days (instead of after 2 years); the advertisement of the sale shall be published in a newspaper of general circulation (instead of on a designated website or in a publication of general circulation). Effective immediately.

SENATE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause with similar provisions to the bill as introduced, except it provides: that personal property includes motor vehicles and watercraft; that a notice given to an occupant to enforce a lien shall state the facility's contact information and the date, time, and location of the lien sale (instead of brief and general description of property); if after a lien sale the lien is satisfied, any remaining balance becomes the property of the facility owner after one year (instead of after 2 years); the advertisement of the sale shall be published in a newspaper of general circulation (instead of on a designated website or in a publication of general circulation); any limitation on the value of property that may be stored is only enforceable if that provision is prominently set out in the rental agreement; and an itemization of any reasonable rent collection costs charged to the occupant shall be available to the occupant. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Further amends the Self-Service Storage Facility Act. Provides that if the owner of the facility chooses to sell (instead of before the sale of) a motor vehicle, aircraft, or watercraft, the owner must contact the Secretary of State about that property's title holder information. FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Illinois Commerce Commission)

In order for the Illinois Commerce Commission to properly provide oversight for this legislation, it is estimated that additional financial and engineering resources will be needed at an estimated cost of \$355,000 annually. There is no revenue for the Commission to administer this project, thus the agency would have an annual shortfall of \$355,000. The Commission currently does not have sufficient resources to meet this increased demand on staff.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Illinois Power Agency)

The proposed legislation has no impact to the Agency. Costs associated with tasks assigned to the Agency can and will be recovered in full through the authority granted to the Agency to assess fees to supply bidders and the developers of the SNG plant.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Office of the Attorney General)

SB 1533 (H-AM 1) would require the ongoing involvement of environmental and public utility attorneys within the Office to evaluate and enforce the requirements imposed by this legislation. In addition, outside experts on rates of return and emissions would need to be retained at substantial cost to the Office.

Provides that each class or course in comprehensive sex education offered in any of grades 6 through 12 shall include instruction on both abstinence and contraception for the prevention of pregnancy and sexually transmitted diseases, including HIV/AIDS (instead of instruction on the prevention, transmission, and spread of AIDS). Requires the State Board to make these resource materials available on its Internet website. Allows school districts to adapt such programs to the specific needs of their communities. FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Illinois Commerce Commission)

In order for the Illinois Commerce Commission to provide the required oversight in the bill, it is estimated that the increased workload would require a total of six staff at a cost of \$700,000 annually. The increased need of staff would be in the areas of legal, financial, engineering, and accounting. The only revenue from this bill is anticipated to be two one-time fees of \$200,000 each. Thus the Commission would have a \$300,000 shortfall the first year, and \$700,000 each year thereafter. The Commission doesn't have sufficient resources to meet this increased demand on staff.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Illinois Commerce Commission)

Any changes made in SB 1652 (H-AM 2) do not change the fiscal impact to the Commission that is reflected in the fiscal note for SB 1652 (H-AM 1).

CORRECTIONAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept of Corrections)

The penalty enhancements associated with SB 1652 (H-AM 1) would have no fiscal or

population impact on the Department.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept of Corrections)

The penalty enhancements associated with SB 1652 (H-AM 2) would have no fiscal or population impact on the Department.

HOUSE FLOOR AMENDMENT NO. 3

In the Public Utilities Act, specifies that during the infrastructure investment program's peak program year, a participating utility that is a combination utility shall create 450 full-time equivalent jobs in Illinois related to the provision of electric service. Provides that the Commission shall, after notice and hearing, enter its order approving, or approving as modified, or denying a petition by a participating utility to satisfy its infrastructure investment program commitments by spending less than the estimated amounts within 150 days after the filing of the petition. In a provision providing that a participating utility may modify its plan so as not to exceed a certain limitation imposed under the Act and may propose corresponding changes to the performance metrics, provides that the Commission may (instead of shall) modify the metrics and incremental savings goals. Provides that if the tariff is filed within 14 days after the effective date of the amendatory Act, then the Commission shall enter an order approving, or approving as modified, the performance-based formula rate by May 31, 2012 (instead of March 31, 2012). In a provision concerning Commission hearings on the prudence and reasonableness of the costs reflected in the performance-based formula rate, provides that each objection during the hearing shall be stated with particularity and evidence (instead of substantial evidence) provided in support of the objection. Provides that a participating utility's first filing of the updated cost inputs, and any Commission investigation of such inputs specified provision of the Act shall proceed notwithstanding the fact that the Commission's investigation under the Act is still pending and notwithstanding any other law, order, rule, or Commission practice to the contrary. Makes changes to provisions concerning financial penalties imposed by the Commission on a utility for failing to achieve one or more of the metrics. Makes changes to provisions concerning a report that a participating utility must file with the Commission on or before July 31, 2014. Provides that the cost of the independent auditor attesting the accuracy of the participating utility's report shall be borne by the participating utility and shall not be a recoverable expense. Makes other changes.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Illinois Commerce Commission)

In order for the Illinois Commerce Commission to properly provide oversight it is estimated that the increased workload would require a total of two staff at a cost of \$235,000 annually. The increased need of staff would be in the areas of engineering and accounting. There is no revenue in this legislation for the Commission, thus the agency would have an annual shortfall of \$235,000. The Commission doesn't have sufficient resources to meet this increased demand on staff.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Illinois Commerce Commission)

Any changes in SB (H-AM 2) does not change the fiscal impact to the Commission as reflected in House Amendment 1.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Office of the Attorney General)

SB 1653 (H-AM 1) would require the Office to prepare a response to any filings by the owner. This would include the evaluation of testimony, discovery, and hearing participation, as well as the hiring of outside experts. Extensive additional work would be required if the facility fails to meet its mandated requirements or the Illinois EPA determines that a civil suit is warranted.

New Act

Creates the Community Services Impact Note Act. Provides that every bill, except those making a direct appropriation, that creates a State mandate on privately owned or operated facilities and community service providers funded through the Department of Human Services for the purpose of serving individuals with developmental disabilities and mental illness, shall have prepared for it prior to second reading in the house of introduction a brief explanatory statement or note that shall include a reliable estimate of the probable impact of its provisions on those facilities and providers and the probable impact that the bill will have upon the Department's annual budget. Provides that these statements or notes shall be known as "community services impact notes". Sets forth provisions concerning the preparation of the written statements by the Department of Human Services, votes on the necessity of community services impact notes, contents of a note, note comments and worksheets, committee appearances, amendments, and confidentiality. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that the brief explanatory statement or note prepared for certain bills shall be prepared at the request of a member while on second reading in the house of introduction (instead of prior to second reading in the house of introduction). Removes a provision requiring the Department to develop enhanced payments to offset the additional costs incurred by a facility serving exceptional need residents. Provides that licensed bed days shall be computed separately for each nursing home operated or maintained by a nursing home provider. Changes the assessment rate for long-term care providers to \$2.04 times the number of licensed bed days (rather than \$6.07 times the number of occupied bed days) due and payable each month. Repeals provisions concerning licensed nursing bed day fees. Effective upon becoming law or on the effective date of Senate Bill 3088 of the 96th General Assembly, whichever is later.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 15 (Government Forecasting & Accountability)

SB 1673 (H-AM 15) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 15 (Government Forecasting & Accountability)

The potential impact to COGFA's budget is dependent upon the level of actuarial and administrative support that the Pension Review Commission desires once it becomes operational. A supplemental appropriation of approximately \$200-300 thousand for actuarial services may be needed if the Pension Review Commission desires to receive actuarial services exclusively through COGFA. This is a conservative estimate based upon actuarial expenses incurred by the State systems during the meetings of Gov. Quinn's Pension Working Group.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 15 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

- 755 ILCS 45/4-3 from Ch. 110 1/2, par. 804-3

Amends the Code of Civil Procedure. Provides that, if there is no legally authorized personal representative for a deceased patient, the deceased had not appointed an agent under a power of attorney for health care who was authorized to act for the deceased after death, and the deceased had not specifically objected to disclosure in writing, a spouse, adult child, parent, or sibling of the deceased may request copies of the deceased patient's records and health care facilities and practitioners are authorized to provide a copy of those records upon payment of the statutory fee and a signed Authorized Relative Certification attesting to the fact that the person is authorized to receive the records. Sets forth the contents of the Authorized Relative Certification, provides for immunity, and amends other statutes to conform to the new provisions. Amends the Illinois Power of Attorney Act. Adds the function of accessing medical records to the existing instances when a health care agency may extend beyond the principal's death which now are to allow for an anatomical gift, an autopsy, or the disposition of remains.

SENATE COMMITTEE AMENDMENT NO. 1

Further amends the Code of Civil Procedure. Adds a cross-reference to another part of the Code that describes 12 different circumstances under which a physician's records may be released to someone other than the patient. Provides that an adult relative of the deceased may request the deceased relative's health care records (instead of waiting for 30 days before being able to do so), if there is no executor or administrator of the person's estate, no surviving spouse, and no agent authorized under a power of attorney for health care.

SENATE FLOOR AMENDMENT NO. 2

Defines terms. Provides that a carbon dioxide pipeline owner shall construct, maintain, and operate all of its pipelines, related facilities, and equipment in the State in a manner that poses no undue risk to its employees or the public, and that the Commission shall adopt federal safety regulations governing the construction, maintenance, and operations of carbon dioxide pipelines, related facilities and equipment to ensure the safety of pipeline employees and the public. Effective immediately.

SENATE FLOOR AMENDMENT NO. 3

Effective immediately.

HOUSE FLOOR AMENDMENT NO. 2

Provides that the Commission's failure to make its determination on any application for a certificate of authority and issue its final order within 11 months after the date that the application is filed shall not be deemed an approval or denial of the application (instead of being deemed as a denial of the application). Provides that a final order of the Commission granting a certificate of authority pursuant to this Act shall be conditioned upon the applicant obtaining all required permits or approvals from the Pipeline and Hazardous Materials Safety Administration of the U.S. Department of Transportation, U.S. Army Corps of Engineers, and Illinois Department of Agriculture, in addition to all other permits and approvals necessary for the construction and operation of the pipeline prior to the start of any construction. Amends the Open Meetings Act. Requires employers participating in the Illinois Municipal Retirement Fund (IMRF) to post the total compensation package of employees making more than the specified amounts. Amends the General Provisions, Downstate Police, Downstate Firefighter, IMRF, State Employees, and Miscellaneous Administrative Provisions Articles of the Illinois Pension Code. In the General Provisions Article: (1) provides that if a new hire is receiving a retirement annuity or pension and accepts a contractual position to provide services to a governmental entity from which he or she has retired, then that person's annuity or pension will be suspended during that contractual service and (2) makes it a Class A misdemeanor for a pensioner who is seeking contractual employment to fail to notify certain persons about his or her retirement status before accepting an employment contract. In the Downstate Police Article and Downstate Firefighter Articles, authorizes each fund to transfer fund investment functions to the IMRF. In the IMRF Article: (1) deletes a provision that requires the authorized agent of a participating municipality or participating instrumentality to be a member of the fund; (2) deletes a provision that prohibited certain employers from electing a 1,000-hour participation standard based on their original date of participation; (3) authorizes retired members who return to work for an IMRF employer to keep their pension even if employed in a position requiring less than the employer's standard for participation in IMRF; (4) prohibits a sheriff's law enforcement employee who begins service in that capacity after the effective date of the amendatory Act from being able to convert up to 10 years of service in any other capacity into service as a sheriff's law enforcement employee; (5) provides that, on and after the effective date of the amendatory Act, an elected county officer will not be able to elect to establish alternative credits for an alternative annuity; (6) changes the computation of final rate of earnings; (7) provides, except under specified circumstances, that if the amount of a participating employee's earnings for any calendar year used to determine the participating employee's retirement annuity exceeds the amount of his or her earnings with the same

participating municipality or participating instrumentality for the previous calendar year by more than 6%, then the participating municipality or participating instrumentality must pay to the fund the present value of the increase in benefits resulting from the portion of the increase in earnings that is in excess of 6%; (8) makes changes in the way the annuity reserve is calculated if a retiring employee has accumulated service in more than one participating municipality or participating instrumentality; (9) requires the corporate authorities of a municipality, before increasing the salary of a municipal officer, executive, or manager, to receive certain pension-related information from the Illinois Municipal Retirement Fund and to sign a statement acknowledging the receipt of that information; and (10) changes the definition of "employee" to include certain participants in Taft-Hartley pension plans. In the State Employees Article: prohibits a person who on or after the effective date of the amendatory Act first becomes a member of one of the specified boards from participating in the pension plan created under that Article. In the Miscellaneous Administrative Provisions Article: prohibits persons who first sit on the boards of the Chicago Transit Authority (CTA), Regional Transportation Authority (RTA), Suburban Bus Division, or Commuter Rail Division on or after the effective date of the amendatory Act from participating in the pension plans provided for those entities. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

30 ILCS 105/9.08 new

Amends the State Finance Act. Provides that, within 10 business days after a State agency receives a vendor's bill or invoice for goods or services, the State agency must either (i) submit a voucher to the Comptroller for payment of the bill or invoice or (ii) return the bill or invoice to the vendor to correct specified errors or inaccuracies in the bill or invoice. Further provides that the Comptroller must pay vouchers in full in the order of their submission to the Comptroller, except (i) as otherwise required under State or federal law or by court order or (ii) in an emergency situation by unanimous written agreement of the Governor, Treasurer, and Comptroller. Requires the Comptroller to post a copy of each voucher on the Comptroller's website within 5 business days after its receipt. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Removes language providing that the Comptroller must pay vouchers in full in the order of their submission except (i) as otherwise required under law or (ii) in an emergency situation by unanimous agreement of the Governor, Treasurer, and Comptroller.

HOUSE COMMITTEE AMENDMENT NO. 2

Replaces everything after the enacting clause with substantially similar provisions, but makes the following changes: (1) provides that, within 25 (rather than 10) business days after a State agency receives a vendor's bill or invoice for goods or services, the State agency must either (i) submit a voucher to the Comptroller for payment of the bill or invoice or (ii) return the bill or invoice to the vendor to correct specified errors or inaccuracies in the bill or invoice; (2) provides that, within 5 business days after the Comptroller receives a voucher for payment of a vendor's bill or invoice for goods or services, the Comptroller must approve or deny the voucher (rather than post a copy of the voucher on the Comptroller's website); (3) provides that, within 2 days after the approval of a voucher, the Comptroller shall post the payment transaction or the accounts payable transaction in aggregate for vouchers payable from the General Funds on the Comptroller's website; and (4) makes other changes. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 3

Provides that within 25 business days after a State agency receives a vendor's bill or invoice payable from the General Revenue Fund or as soon thereafter as practical (now, within 25 business days after a State agency receives a vendor's bill or invoice payable from the General Funds), the State agency must either (i) submit a voucher to the Comptroller for payment or (ii) return the bill or invoice to the vendor for corrections. Provides that within 2 business days after approval of a voucher, the Comptroller shall post the payment transaction or the accounts payable transaction in aggregate for vouchers payable from the General Revenue Fund (now, General Funds) on the Comptroller's website.

SB-1856 MCCARTER - LAUZEN.

605 ILCS 5/4-510 from Ch. 121, par. 4-510

Amends the Illinois Highway Code. In a provision providing that the Illinois Department of Transportation may establish the approximate locations and widths of rights of way for future additions to the State highway system to inform the public and prevent costly and conflicting development of the land involved, requires the filing of an environmental impact study along with a notice of approval of the map and a copy of the map in the office of the recorder for all counties where the land needed for future additions is located. Requires the Department to hold public hearings to discuss the viability and feasibility of each protected corridor not more than 10 years after the protected corridor is established in accordance with the provisions of the Code, and not later than the expiration of each 10-year period after the establishment of the protected corridor. Requires the Department to give due consideration to the information obtained at that hearing and to abolish the protected corridor if construction of the roadway is no longer feasible. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the original bill, but makes the following changes: (i) removes language requiring the filing of an environmental impact study; (ii) provides that the hearings shall be held regarding every protected corridor, regardless of whether the corridor is established before or after the effective date of this amendatory Act; (iii) provides that in the case of a protected corridor established prior to 10 years before the effective date of this amendatory Act, the hearing shall be conducted within 6 months of the effective date of this Act; and (iv) provides that the Department shall retain the discretion to maintain or abolish any protected corridor. Effective immediately.

Amends the State Revenue Sharing Act and the Illinois Income Tax Act. Provides that, from each income tax payment that the Department of Revenue receives, the Department must deposit certain amounts directly into the Local Government Distributive Fund (currently, the Department deposits the tax payment into the General Revenue Fund and the Treasurer then transfers a percentage of the net revenue to the Local Government Distributive Fund). In a Section concerning State spending limitation, changes the definition of "State spending" to include amounts appropriated from the Local Government Distributive Fund under the State Revenue Sharing Act. HOUSING AFFORDABILITY IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

CORRECTIONAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept of Corrections)

This legislation has no fiscal or population impact on the Department of Corrections.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

HOME RULE NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

SB 1933 (H-AM 1) does not pre-empt home rule authority.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 1933 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

BALANCED BUDGET NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Office of Management and Budget)

This Bill's fiscal impact cannot be determined at this time and will be dependent upon the number of claims that would be received if this legislation becomes law.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

Although it is not possible to determine costs with any exactness, passage of SB 1933 (H-AM 1) will have a substantial fiscal impact on the Supreme Court's budget. Based upon information contained in the Annual Report of the Illinois' Workers' Compensation Commission, in Fiscal Year 2009, 55,497 new cases were filed with the Commission. Assuming 55,000 cases as representative of the annual average, and depending on the complexity of the cases filed, the jurisdictional expansion in the circuit courts will result in an increase in judicial caseloads and, correspondingly, the number of judges and court staff necessary to expeditiously dispose of these matters. In Fiscal Year 2012, the annual salary of a circuit court judge will be \$180,802.

JUDICIAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

Based upon information contained in the Annual Report of the Illinois' Workers' Compensation Commission, in Fiscal Year 2009, 55,497 new cases were filed with the Commission. Assuming 55,000 cases as representative of the annual average, and depending on the complexity of the cases filed, the jurisdictional expansion in the circuit courts will result in an increase in judicial caseloads and, correspondingly, the number of judges and court staff necessary to expeditiously dispose of these matters

LAND CONVEYANCE APPRAISAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Transportation)

No land conveyances are included in this bill, therefore, there are no appraisals to be filed.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 1933 (H-AM 1) will have no fiscal impact on any pension funds or retirement systems in Illinois.

HOUSE FLOOR AMENDMENT NO. 1

Further amends the Condominium Property Act. Provides, in provisions concerning master associations, that a purchaser of a unit at a judicial foreclosure sale, other than a mortgagee who takes possession pursuant to a court order or a purchaser who acquires title from a mortgagee, has the duty to pay the proportionate share of the common expenses for the unit during the 6 months immediately before the filing of an action to collect assessments and the court costs incurred by the association in an action to enforce the collection (instead of the association's costs of collection including reasonable attorney's fees) that remain unpaid by the prior owner. Provides that if the outstanding assessments and the court costs incurred by the association in an action to enforce the collection (instead of the association's costs of collection including reasonable attorney's fees) are paid during an action to collect assessments, the purchaser shall have no obligation to pay any assessments or costs that accrued before he or she acquired title. Makes corresponding changes.

Amends the Code of Civil Procedure. Deletes language regarding joint and several liability in actions on account of bodily injury or death or physical damage to property, based on negligence, or product liability based on strict tort liability, and adds language providing that: in actions for bodily injury or death or physical damage to property based on negligence or product liability based on strict tort liability in which recovery is predicated upon fault, each defendant found liable is liable for only that percentage of the plaintiff's damages that represents the contributory fault chargeable to that defendant in the comparison of the plaintiff's fault with the fault of all tortfeasors whose fault was a proximate cause of the death, injury, loss, or damage for which recovery is sought; except when the plaintiff is barred from recovering damages because the plaintiff's contributory fault is more than 50% of the proximate cause of the injury or damage for which recovery is sought, the plaintiff is barred from recovering damages from a defendant in excess of the amount of damages obtained by applying the percentage of contributing fault of that defendant to the amount of the plaintiff's damages; and no defendant is jointly and severally liable for plaintiff's damages. 225 ILCS 10/2.08 from Ch. 23, par. 2212.08
 750 ILCS 50/4.1 from Ch. 40, par. 1506

Amends the Child Care Act of 1969. Includes religious institutions in the definition of "child welfare agency". Amends the Adoption Act. Provides that a church, synagogue, temple, mosque, or other religious institution that is an agency providing adoption services and that is licensed as a child welfare agency, as those terms are defined in the Child Care Act of 1969, may adopt faith-based policies and practices relating to the placement of children for adoption that provide for the placement of a child with a prospective adoptive parent who holds the same religious beliefs as those held by that religious institution provided that: the best interest of the child must always be the primary factor in placement decisions; an agency's religious preference for placement must never override the birth parent's religious preference in making a placement decision; if an agency uses religion as a factor in making a placement decision, this must be disclosed to prospective adoptive applicants before any fees are accepted by the agency; if an agency uses religion as a factor in making a placement decision, this must be disclosed to all birth parents seeking counseling or placement services at the outset of services; a placement when practicable shall be made to an agency under the control of persons of the same religious faith as that of the child or in the custody of someone of the same religious faith as that of the child. Provides for an adoption placement, when practicable, with a person of the same religious faith as the parent or the child. Defines "expressed religious wishes". Makes other similar changes.

SENATE COMMITTEE AMENDMENT NO. 1

735 ILCS 110/21 new

Amends the Code of Civil Procedure. Provides for a declaratory judgment in an action concerning defamation, slander, or libel. Makes findings concerning defamation, slander, and libel. Defines: "mass media" to include newspapers and periodicals and radio, television, satellite, and Internet broadcast media; and "person" to mean a natural person. Provides that a person alleging defamation may bring a declaratory judgment action by showing that: the defendant's statement damaged the plaintiff's reputation, was published, and was false. Provides that in these actions: (i) the court must find a compelling need for any discovery; and (ii) the plaintiff must prove his or her case by clear and convincing evidence. Provides that no damages may be awarded to a plaintiff. Provides that a plaintiff who prevails shall be awarded attorney's fees, not to exceed \$10,000, but only after the court considers: plaintiff's endeavors to obtain a retraction; the information supplied by the plaintiff to the defendant; defendant's timely steps to provide a retraction; plaintiff's reasonable belief that the statement damaged his or her reputation; and the complexity of the litigation. Provides that if the defendant prevails and the court finds that it was a frivolous action, the defendant is entitled to recover reasonable attorney's fees in an amount not to exceed \$10,000. Bars any other action based on the same allegations. Sets a one-year statute of limitations. Makes other changes. Amends the Citizen Participation Act. Provides that although the Act applies to a motion to dispose of a claim on the grounds that the claim is based on a party's First Amendment rights, the Act does not apply to a declaratory judgment action for defamation, slander, or libel. Provides that if a party files a motion to dispose of a claim on the grounds that the claim is based on a party's First Amendment rights and in response a declaratory judgment action concerning defamation, slander, or libel is filed, there must be a dismissal of that party's action brought under the Act. Makes other changes. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with similar provisions except that the amendment provides: additional findings concerning protection of a person's reputation; that the Act is in derogation of the common law; and that a court may only order a mass media defendant to publish a note in its own medium, if the defendant agrees. Effective immediately.

735 ILCS 5/2-1401 from Ch. 110, par. 2-1401

Amends the Code of Civil Procedure. Adds provisions to allow relief at any time from a judgment that is a conviction in which the arresting charge was prostitution or first offender felony prostitution under the Criminal Code of 1961 or a similar local ordinance and the defendant's participation in the offense was a result of having been a victim of sex trafficking or trafficking in persons. Provides that a motion seeking this relief must be made with due diligence, after the defendant has ceased to be a victim of the trafficking or has sought victim services, subject to reasonable concerns for the safety of the defendant and others. Provides that

official documentation, which is not required to obtain the relief, of the defendant's status as a victim of sex trafficking from a federal, state, or local government agency creates a presumption that the defendant's participation in the offense was a result of having been a victim of sex trafficking or trafficking in persons.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with provisions similar to the bill except: uses terms "trafficking victim" and "victim of a severe form of trafficking" (instead of "victim of sex trafficking" and "trafficking in persons") and provides statutory citations to those terms; requires that the petition include an affidavit or other proof; describes the "official documentation" sufficient to support a petition; requires that a petition include specific factual allegations to support these elements: (i) meritorious claim, (ii) due diligence in presenting the claim, and (iii) due diligence in filing the petition; and requires that if the court grants the petition that the judgment must be vacated and the accusatory instrument dismissed. Makes corresponding changes.
