Amends the State Finance Act and the Illinois Aeronautics Act. Creates the Baggage Fee Sharing Program and the Baggage Fee Sharing Revolving Fund. Provides that the Department of Transportation shall collect a fee equal to 6.25% of all fees charged and collected in this State by persons operating aircraft for hire or reward for simultaneously transporting tangible personal property. Provides for the disposition of the collected fees. Provides limitations and exceptions to the Baggage Fee Sharing Program. Provides that the Department may adopt rules to implement the program. Effective immediately.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 1397 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

HB 1397 would neither increase nor decrease the number of judges needed in the State.

FISCAL NOTE (Dept. of Transportation)

Passage of HB 1397 will cause a fiscal impact to the Illinois Department of Transportation in the amount of \$18.2 million. However, this does not take into account administrative costs, which IDOT is unable to estimate and are expected to be significant.

BALANCED BUDGET NOTE (Office of Management and Budget)

HB 1397 does not have any significant impact to the State. Any fees involved with implementing the program are likely to be minimal, but are unknown at this time.

FISCAL NOTE (IL Environmental Protection Agency)

HB 1397 would generate between \$2.5 million and \$4.5 million per year for the Leaking Underground Storage Tank (LUST) Fund. This estimate is based upon the total annual fee revenue estimates of the baggage fee by the Illinois Department of Transportation (\$18 million per year) and the Illinois Department of Revenue (\$10 million per year).

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

HB 1397 does not create a State mandate.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

HB 1397 does not pre-empt home rule authority.

New Act

Creates the Deeds Effective on Death Act. Provides that a deed that conveys an interest in real property to a grantee designated by the owner, that expressly states that the deed is not to take effect until the death of the owner, transfers the interest provided to the designated grantee beneficiary, effective on death of the owner, if the deed is executed and filed of record with the recorder in the county or counties in which the real property is situated prior to the death of the owner. Provides that a beneficiary deed need not be supported by consideration or be delivered to the grantee beneficiary. Provides that a beneficiary deed may be used to transfer an interest in real property to a trust estate, regardless of the trust's revocability. Provides that the Act does not preclude other methods of conveyancing that are permitted by law and that have the effect of postponing enjoyment of an interest in real property until the death of the owner. Provides that the Act does not invalidate any deed, otherwise effective by law to convey title to the interest and estates therein provided, that is not recorded until after the death of the owner.

235 ILCS 5/6-16 from Ch. 43, par. 131

Amends the Liquor Control Act of 1934. Provides that any person shall be guilty of a Class A misdemeanor where he or she permits, allows, or hosts a gathering of 2 or more persons at a residence which he or she occupies or any other private property, public place, or premises under his or her control where any one or more of the persons is under 21 years of age and (1) the person occupying the residence or controlling the private property, public place, or premises knows or reasonably should know that any such person under the age of 21 is in possession of or is consuming any alcoholic beverage; and (2) the possession or consumption of the alcohol by the person under 21 is not otherwise permitted by the Act. Provides that in addition to being guilty of a Class A misdemeanor, the sentence of any person who violates the provisions of the amendatory Act shall include, but shall not be limited to, a fine of not less than \$500. Provides that where the violation directly or indirectly results in great bodily harm or death to any person, the person who committed the violation shall be guilty of a Class 4 felony. Provides that a person shall not be in violation of the provisions of the amendatory Act if (A) he or she requests assistance from the police department or other law enforcement

agency to either (i) remove any person who refuses to abide by the person's performance of the duties imposed by the amendatory Act or (ii) terminate the gathering because the person has been unable to prevent persons under the age of 21 years from consuming alcohol despite having taken all reasonable steps to do so and (B) this assistance is requested before any other person makes a formal complaint to the police department or other law enforcement agency about the gathering. Makes other changes.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that where the residence has an owner and a tenant or lessee, there is a rebuttable presumption that the residence is occupied or controlled only by the tenant or lessee.

SENATE COMMITTEE AMENDMENT NO. 4

Replaces everything after the enacting clause. Amends the Liquor Control Act of 1934. Provides that a parent or guardian who knowingly permits his or her residence, or any other private property under his or her control, (instead of knowingly permit his or her residence) to be used by an invitee, under the age of 21, of the parent's child or the guardian's ward in a manner that constitutes a violation of the Act's prohibited sales and possession provisions is guilty of a Class A misdemeanor. Provides that a parent or guardian is deemed to have knowingly permitted his or her residence, or any other private property under his or her control, to be used in violation of the Act if he or she knowingly authorizes or permits (instead of knowingly authorizes, enables, or permits) consumption of alcohol by underage invitees. In provisions concerning the use of a residence by an underage invitee, modifies some of the elements of the offense by (i) providing that any person, including a tenant or lessee, who knowingly authorizes or permits (instead of permits) a residence (instead of a gathering at a residence) which he or she occupies to be used by an invitee under 21 years of age for possession or use of an alcoholic beverage violates the Act, if other specified conditions are met; and (ii) by striking the requirement that the person occupying the residence know that the underage person who possesses or consumes alcohol left the residence intoxicated. Provides that a person shall not be in violation of the provisions of this Act concerning prohibited underage alcohol consumption at a residence if (A) he or she requests assistance from the police department or other law enforcement agency to either (i) remove any person who refuses to abide by the person's performance of his or her legal duties under this Act or (ii) terminate the activity because the person has been unable to prevent a person under the age of 21 years from consuming alcohol despite having taken all reasonable steps to do so and (B) this assistance is requested before any other person makes a formal complaint to the police department or other law enforcement agency about the activity.

Amends the Tax Increment Allocation Redevelopment Act in the Illinois Municipal Code. Prohibits new redevelopment project areas from being designated if the equalized assessed value of all property in the redevelopment project area plus the total current equalized assessed value of all property located in the municipality and subject to tax increment financing exceeds 10% of the total equalized assessed value of all property located in the municipality. Provides that all

accumulated tax incremental revenues not specifically appropriated for defined costs for projects within a redevelopment project area by the end of a municipality's fiscal year shall be deemed "surplus" funds and shall be distributed to taxing districts. Changes the definition of "blighted area" to include a requirement that redevelopment is unlikely to happen in area in the absence of tax increment financing. Contains provisions allowing taxing districts to opt-out of redevelopment projects. Requires all redevelopment project areas to be approved by a majority vote of each county board and the governing authorities affected taxing districts that have not elected to opt out. Contains provisions authorizing intergovernmental agreements related to taxes and fees collected from within a redevelopment project area. Amends the Economic Development Area Tax Increment Allocation Act, the County Economic Development Project Area Property Tax Allocation Act, and the Tax Increment Allocation Redevelopment Act in the Illinois Municipal Code to provide that the initial equalized assessed value of property shall be indexed for inflation. Amends the Illinois Municipal Code and the Fire Protection District Act. Sets forth alternative procedures for appointments to full-time fire departments. Provides for the creation of a register of eligibles for original appointments to fire departments. Sets forth the requirements for placement on the register of eligibles. Provides that a local commission may also hire from a statewide master register of eligibles for original appointments. Sets forth the requirements for placement on the master register. Provides that no person under 21 years of age shall be eligible for employment as a firefighter. Provides for the award of preference points for eligible persons. Sets forth the procedure for awarding preference points for fire cadet, veteran, paramedic, educational, experience, and residency preferences. Denies home rule powers. Contains other provisions. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 3

Further amends the Illinois Municipal Code and the Fire Protection District Act. Provides that the local appointing authority may prescribe the score to qualify for placement on the final eligibility register, but the score shall not be less than the mean score plus 10%. Specifies that candidates on the master register of eligibles shall be eligible for appointment for 2 years (instead of 3 years) after the date of the certification of their final score on the register without regard to the date of their examination. Makes other changes concerning notice for examinations and placement on the master register of eligibles.

HOUSE FLOOR AMENDMENT NO. 4

Further amends the Illinois Municipal Code and the Fire Protection District Act. Makes various preferences in hiring a firefighter optional, rather than required. Adds certified Firefighter III and licensed paramedics to the list of types of employment that may receive preference points based on experience. Sets forth the maximum amount of preference points that may be awarded for previous experience in paid-on-call or part-time service with the same municipality or full-time service with another municipality. Provides that up to 5 additional preference points may be awarded for unique categories based on an applicant's experience or background as

identified by the commission. Sets forth the requirements for scoring of preferences.

SENATE COMMITTEE AMENDMENT NO. 1

Further amends the Illinois Municipal Code. Provides that certain Sections concerning appointments to fire departments do not apply to a municipality with more than 1,000,000 inhabitants. Makes corresponding changes.

SENATE FLOOR AMENDMENT NO. 3

Further amends the Illinois Municipal Code and the Fire Protection District Act. Provides that an appointing authority has the right to pass over the highest ranking applicant for a firefighter position and appoint either: (i) any person on the list who has a ranking in the top 5% of the list of eligibles or (ii) any person who is among the top 5 highest ranking persons on the list of eligibles if the number of people who have a ranking in the top 5% is less than 5 people, if the authority has reason to conclude that the highest ranking applicant fails to meet the minimum standards or if "the appointing authority believes the alternate candidate would better serve the needs of the department". Sets forth the requirements concerning the scoring of examination components. Provides that appointing authorities may create a preliminary eligible register, and persons who pass the written examination or persons who pass the written examination and the physical ability component shall be placed on the list. Provides that the commission shall rank applicants based on the scores of the mental aptitude test, "subjective component" (instead of physical ability), and preference components of the test. Further provides that a municipality or fire protection district, as applicable, may charge a fee to cover the costs of the application process (instead of a fee of \$25). Prohibits any home rule or non-home rule municipality from administering its fire department process for certain appointments in a manner "less stringent than" (instead of inconsistent with) this Act.

Provides that any temporary order that modifies custody, in whole or in part, because of a party's deployment as a member of the United States Armed Forces must also provide that after a specified time following the end of the deployment, the custody order in effect prior to the deployment must be reinstated, unless the other party, who bears the burden of proof, shows that it is not in the best interest of the child to reinstate the order. Provides that if the party who was not deployed contests reinstatement of the prior order, that party bears the burden of proof to show that it should not be reinstated. Provides that in a custody hearing in which a parent is a member of the United States Armed Forces who is deployed or who has orders to be deployed: the proceedings shall, upon the service member's request, receive expedited priority in being set for hearing; the service member shall be permitted to testify by telephone or other electronic means when the service member is unavailable to appear due to the deployment; and, upon motion, the court may allow the deployed parent to designate another person to exercise the visitation that the deployed parent has under the existing order, if the court determines that it is in the child's best interest. Makes other changes.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause with provisions similar to those in the bill except for the following: provides that the court in awarding temporary custody shall apply, in addition to existing statutory standards, provisions that state that a court may only temporarily modify custody during a service member's deployment; provides that custody and visitation proceedings in which a parent is a deployed service member shall receive, upon the request of either party (instead of the service member's request), expedited hearing priority; provides that the court may allow a deployed parent to designate a person known to the child (instead of designate a person) to exercise substitute visitation; and provides that a court may temporarily modify a custody or visitation order during a parent's deployment in order to reasonably accommodate the parent's deployment and, in that case, the court shall provide for visitation during a parent's military leave from deployment. Provides that a court shall not modify a prior custody judgment during a parent's deployment. Makes other changes.

SENATE COMMITTEE AMENDMENT NO. 1

Further amends the Illinois Marriage and Dissolution of Marriage Act. Provides that a court considering whether to grant an active military parent permission to designate a person to have substitute visitation with the child when the parent is deployed shall evaluate the designated substitute by using the custody determination factors. Provides that if a court temporarily modifies a custody or visitation order during a parent's deployment, the court shall provide for visitation by electronic communication, if appropriate.

Amends the Illinois Power of Attorney Act. Defines "excluded power of attorney" to include powers of attorney given primarily for various business, commercial, and governmental purposes. Provides that designated portions of the Act (concerning standard of care and recordkeeping, agency-court relationship, and other matters) do not apply to an excluded power of attorney. Provides that an excluded power of attorney is not revoked by a subsequent power of attorney; it may only be revoked by the mechanism provided in the excluded power of attorney itself, or by a written instrument that makes specific reference to the excluded power of attorney being revoked. Includes a nonacceleration provision.

HOUSE COMMITTEE AMENDMENT NO. 1

Further amends the Illinois Power of Attorney Act. In the definition of "excluded power of attorney", adds as one of the meanings: a power of attorney that authorizes a financial institution or its employee to act as an investment manager, with a third-party serving as the custodian of the cash, securities, commodities, or other financial assets on behalf of the principal.

GOVERNOR AMENDATORY VETO MESSAGE

Proposes to further amend the Illinois Power of Attorney Act. Deletes from the definition of "excluded power of attorney" 3 types of powers of attorney: a power given primarily for a commercial purpose; a power coupled with an interest in the subject of

the power; and a power created pursuant to a federal or State statute. Deletes provision that made portions of this Act inapplicable to an excluded power of attorney. Deletes provision that states that an excluded power of attorney is not revoked by a subsequent power of attorney, including a subsequent power of attorney that states that all other powers of attorney are revoked. Provides that language in the statutory short form power of attorney shall state that by executing the statutory short form power of attorney for property, the principal revokes all prior statutory short form powers of attorney for property (instead of stating that the principal revokes all prior powers of attorney for property executed by the principal, other than excluded powers of attorney as defined in the Illinois Power of Attorney Act).

LAND CONVEYANCE APPRAISAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 2 (Dept. of Transportation)

No land conveyances are included in this bill.

BALANCED BUDGET NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Office of Management and Budget)

As amended, HB 1738 does not have any significant fiscal impact to the State. The transfer of unspent and unobligated fund balances is budget neutral. However, should the Death Penalty be reinstated, an additional financial burden may be levied on the State. Such an additional financial burden could not be met by the balance in the Capital Litigation Trust Fund and would need to be borne by the General Revenue Fund. While this potential need is undeterminable at this time, moderate costs could be incurred.

BALANCED BUDGET NOTE, HOUSE COMMITTEE AMENDMENT NO. 2 (Office of Management and Budget)

Would neither increase nor decrease the number of judges needed in the state.

Would neither increase nor decrease the number of judges needed in the state.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 1738 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 2 (Government Forecasting & Accountability)

HB 1738 (H-AM 2) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 2 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

CORRECTIONAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept of Corrections)

There is a minimal fiscal impact on the Department of Corrections because death penalty cases involve a longer and more involved appeals process which results in more court writ transfers and associated labor costs. These costs could become greater exponentially over time if Death Row population were to grow; but, again, this would not occur until after ten years had elapsed from the period of enactment as only 18 inmates were given the death penalty from January 2003 through March 2011. There is no correction population impact.

CORRECTIONAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 2 (Dept of Corrections)

There is no correction population impact.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

HB 1738 (H-AM 1) does not create a State mandate.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 2 (Dept. of Commerce & Economic Opportunity)

HB 1738 (H-AM 2) does not create a State mandate.

HOME RULE NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

BALANCED BUDGET NOTE (Office of Management and Budget)

HB 1738 as introduced has an undetermined fiscal impact to the State. Undoubtedly, the State would incur court costs that may be moderate to substantial depending upon how many cases are brought forth each year. Such expenses would become the responsibility of GRF.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

Would neither increase nor decrease the number of judges needed in the state.

PENSION NOTE (Government Forecasting & Accountability)

Will not impact any public pension fund or retirement system in Illinois.

HB-1913 MAY - CHAPA LAVIA - WINTERS - TRYON - BOST, BISS, JEFFERSON, GOLAR, JAKOBSSON, GABEL, COLADIPIETRO, MELL, BURNS, NEKRITZ, BERRIOS AND GORDON.

220 ILCS 5/16-107.5

Amends the Public Utilities Act. Changes the definitions of "eligible customer" and "eligible renewable electrical generating facility" as used in certain provisions concerning net electricity metering. Deletes a provision allowing the electricity provider, in the case of non-residential customers, to arrange for the local electric utility or a meter service provider to install and maintain metering equipment capable of measuring the flow of electricity both into and out of the customer's facility at the same rate and ratio, typically through the use of a dual channel meter. Deletes a provision that requires an electricity provider to require dual-channel metering for non-residential customers operating eligible renewable electrical generating facilities with a nameplate rating over 40 kilowatts and up to 2,000 kilowatts. Provides that an electricity provider shall provide net metering to eligible customers until the load of its net metering customers equals 5% (instead of 1%) of the total peak demand supplied by that electricity provider during the previous year. Provides that each electricity provider shall (rather than shall consider whether to) allow meter aggregation for the purposes of net metering on certain properties. Provides that meter aggregation shall be allowed whether the eligible renewable energy generating device is located on the premises of the eligible customer or is interconnected to the distribution grid of the eligible customer's electricity provider or alternative retail electric supplier. Provides that meter aggregation shall be subject to the terms and conditions approved by the Illinois Commerce Commission. Makes other changes.

Amends the Juvenile Court Act of 1987. Provides that the definition of delinquent minor shall not apply to any minor who at the time of an offense was at least 15 years of age and who is charged with aggravated unlawful use of a weapon where a sentence of periodic imprisonment is prescribed for the offense. Amends the Criminal Code of 1961 relating to the offense of aggravated unlawful use of a weapon. Eliminates from certain first offense Class 4 felony violations of the statute that the offender must be a person 18 years of age or older. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that the definition of delinquent minor shall not apply to any minor who at the time of an offense was at least 15 years of age and who is charged with aggravated unlawful

use of a weapon where a sentence of imprisonment (rather than periodic imprisonment) is prescribed for the offense.

JUDICIAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

HB 2067 (H-AM 1) would neither increase nor decrease the number of judges needed in the State.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 2067 (H-AM 1) will not impact any public pension fund or retirement system in Illinois.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 2067 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Illinois State Police)

There is no fiscal impact to the Illinois State Police.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Transportation)

No land conveyances are included in HB 2067 (H-AM 1) therefore, there are no appraisals to be filed.

BALANCED BUDGET NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Office of Management and Budget)

The fiscal impact of HB 2037 (H-AM 1) is minimal. It is anticipated that youth committed to the Department of Juvenile Justice (DJJ) as delinquents with indeterminate sentences will transfer to the Department of Corrections (DOC). These transfers would lower costs by moving youth to lower cost-per-year facilities at DOC. However this will likely be offset by youth sentenced to longer terms of incarceration at DOC facilities than they would be if detained by DJJ.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

HB 2067 (H-AM 1) does not create a State mandate.

HOME RULE NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

HB 2067 (H-AM 1) does not pre-empt home rule authority.

CORRECTIONAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept of Corrections)

The corrections and fiscal impact on the Department of Corrections is minimal. For each juvenile felon committed under this legislation, the increased ten-month length stay would add one youth to the juvenile population with associated operating costs totaling \$72,384.

Changes the composition of the Task Force by including 6 representatives of the mental health providers and community stakeholders selected from names submitted by associates representing the various types of providers (rather than one representative of mental health providers and stakeholders), and by eliminating one representative of consumers of developmental disabilities services. Adds to the list of topics the Task Force shall address in its 5-year strategic plan the topic of (i) providing sufficient home and community-based services to give consumers real options in care settings; (ii) ensuring care is effective, efficient, and appropriate regardless of the setting in which it is provided; (iii) ensuring quality of care in all care settings via the use of appropriate clinical outcomes; and (iv) ensuring hospitalizations and institutional care, when necessary, is available to meet demand now and in the future. Provides that the Task Force shall convene quarterly meetings to monitor progress, review outcomes, and make ongoing recommendations during the implementation of the 5-year strategic plan. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts similar provisions, but with the following changes: Changes the composition of the Task Force by (i) increasing the number of appointed members from the General Assembly; (ii) adding one representative of the Illinois Children's Mental Health Partnership; (iii) adding three representatives of the consumer community; (iv) adding an individual from a union representing State employees providing services to persons with mental illness; (v) adding one academic specialist in mental health outcomes, research, and evidence-based practices; and (vi) removing one representative of consumers of mental health services. Provides that the Task Force shall also work in conjunction with the Department of Human Services' Division of Alcohol and Substance Abuse to ensure effective treatment for those who are dually diagnosed with both mental illness as well as substance abuse challenges. Provides that within one year after recommendations for the State's mental health services are presented by the Task Force to the Governor and the General Assembly, the General Assembly shall vote on whether the recommendations should become law. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Provides that the Task Forces' quarterly meetings shall be subject to appropriation. Provides that the new provisions shall repeal on December 31, 2019.
