 735 ILCS 5/15-1507.1 rep.

Replaces everything after the enacting clause with provisions substantially similar to the amended bill except that it includes the following provisions. Amends the Criminal Code of 1961. In the provisions creating the offense of criminal trespass to real property adds that the offense includes the intentional removal of a notice posted on abandoned residential real estate, but also provides that a mortgagee or a mortgagee's agent shall be exempt from prosecution from criminal trespass for securing abandoned residential real estate and shall not be liable in a civil action for negligence or civil trespass. Defines "abandoned residential property" as residential real estate that: (a) is not occupied by any mortgagor or lawful occupant as a residence or contains a structure that is uninhabited and needs to be repaired; and (b) the property has 2 or more (instead of one or more) of these characteristics: uncompleted construction has not resumed for at least 6 months; the property was stripped of copper or

other materials or interior fixtures; it was legally declared unfit for occupancy; doors or windows are broken; law enforcement officials have received a report of illegal activity on the property; utility services to the property have been terminated; a clear intent to abandon the property is evident; written documents exist which indicate an intent to abandon the property; or it is open, unprotected, and in danger of suffering damage; or the real estate is a residential vacant lot in need of repair. Provides that an affidavit required to be filed by the mortgagee shall state, among other things, that upon information and belief of the mortgagee by the mortgagee, the property is not occupied by any mortgagor or lawful occupant (instead of by any mortgagor or bona fide tenant) as a principal residence. Deletes provisions stating that the mortgagee shall be responsible for repairs or other maintenance to abandoned residential property if the mortgagee purchases the property at the foreclosure sale and the sale is confirmed by the court. Renumbers a provision to provide that a \$250 filing fee must be paid by the plaintiff at the time of filing a foreclosure complaint. Provides that the court clerk shall pay such funds to the State Treasury for deposit into the Abandoned Residential Property Municipality Relief Fund. Deletes provisions that provide that upon and at the judicial sale of foreclosed residential real estate, the purchaser (subject to provisions involving mortgagees) shall pay to the person conducting the sale a fee according to a specified formula for deposit into the Abandoned Residential Property Municipality Relief Fund and disbursement to the clerk of the court. Provides that a notice of a hearing to confirm a sale of abandoned residential property shall be made by first-class mail to the last known address of the mortgagor. Provides that a lawful occupant may appear at the hearing with a non-attorney who may assist, but not represent, the occupant. Provides that a motion for an order to confirm a sale of abandoned residential property shall be heard by the court at the earliest practicable time. Provides that for abandoned residential property, the redemption period shall end on the date of and immediately prior to the judicial sale (instead of shall end on the date that the judgment of foreclosure is entered). Repeals provisions concerning judicial sale fee for Abandoned Residential Property Municipality Relief Fund. Makes other changes. Effective immediately.

Replaces everything after the enacting clause. Amends the Unified Code of Corrections. Changes the references to "good conduct credit" and "early release" on felony sentences to "sentence credit", and the references to "good conduct for meritorious service" to "sentence credit for good conduct". Provides that the Department of Corrections shall provide annual reports to the Governor and General Assembly on award, amount, holding offenses, and revocation of sentence credit for good conduct. Provides that the rules and regulations for sentence credit shall provide that the sentence credit accumulated and retained by an inmate during specific periods of time in which the inmate is engaged full-time in behavior modification programs or life skills courses and satisfactorily completes the assigned program as determined by the standards of the Department of Corrections shall be multiplied by a factor of 1.50 for program participation. Provides that the rules and regulations shall also provide that sentence credit, subject to the same offense limits and multiplier, may be provided to an inmate who was held in pre-trial detention prior to his or her current commitment to the Department of Corrections and successfully completed a full-time 60 day or longer substance abuse program, educational program, behavior modification program, or life skills course provided by a county department of corrections or county jail. Requires the county program credit to be

calculated at sentencing and included in the sentencing order. Deletes prohibition on an inmate receiving additional sentence credit for time spent in an educational or training program if the inmate previously served more than one prior sentence for a felony in an adult correctional facility. Provides that the Department may also award 60 days of sentence credit to any committed person who passed the high school level Test of General Educational Development (GED) while he or she was held in pre-trial detention prior to the current commitment to the Department of Corrections. Provides that the Department's rules and regulations for revoking sentence credit, includes revocation of sentence credit for good conduct. Effective upon becoming law.

SENATE FLOOR AMENDMENT NO. 4

Provides that eligible inmates for an award of sentence credit for specific instances of good conduct may be selected to receive the credit at the Director's or his or her designee's sole discretion. Provides that consideration may be based on, but not limited to, any available risk-assessment analysis on the inmate, any history of conviction for violent crimes as defined by the Rights of Crime Victims and Witnesses Act, facts and circumstances of the inmate's holding offense or offenses, and the potential for rehabilitation. Restores language that no inmate shall be eligible for the additional good conduct credit in which the inmate is engaged full-time in substance abuse programs, correctional industry assignments, educational programs, behavior modification programs, life skills courses, or re-entry planning who (i) has previously received increased good conduct credit for that participation and has subsequently been convicted of a felony, or (ii) has previously served more than one prior sentence of imprisonment for a felony in an adult correctional facility.

CORRECTIONAL NOTE (Dept of Corrections)

If signed into law, SB 2621 could be a potential cost savings for the Department of Corrections. However, until the Department decides how to implement the program and evaluate the inmates the costs would be unknown.

FISCAL NOTE (Dept of Corrections)

If signed into law, SB 2621 could be a potential cost savings for the Department of Corrections. However, until the Department decides how to implement the program and evaluate the inmates the costs would be unknown.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

It has been determined that there may be a minimal increase in judicial workloads. However, it is not anticipated that the bill would increase the number of judges needed in the State.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

PENSION NOTE (Government Forecasting & Accountability)

SB 2621, as engrossed, will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

SB 2621, as engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

BALANCED BUDGET NOTE (Office of Management and Budget)

If signed into law, SB 2621 would yield a significant cost savings for the Department of Corrections.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

Does not create a State mandate.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

Does not pre-empt home rule authority.

105 ILCS 5/27-2

Adds reference to:

105 ILCS 5/3A-4 from Ch. 122, par. 3A-4

Deletes everything after the enacting clause. Amends the School Code. Provides that after July 1, 2015, each educational service region must contain at least 61,000 (instead of 43,000) inhabitants. Provides that before June 30, 2013, regions may be consolidated voluntarily or by joint resolution of the county boards of regions seeking to join a voluntary consolidation, effective July 1, 2015, to meet these population requirements. Provides that the boundaries of regions already meeting these population requirements on the effective date of the amendatory Act may not be changed except to consolidate with another region or a whole county portion of another region that does not meet these population requirements. Provides that if, before January 1, 2014, locally determined consolidation decisions result in more than 35 regions of population greater than 61,000 each (instead of 45 regions of population greater than 43,000 each), the State Board of Education, before June 1, 2014, shall direct further consolidation, beginning with the region of lowest population, until the number of 35 (instead of 45) regions is achieved. Removes a provision that requires, if any region does not meet the population requirements, the State Board, within 15 days, to direct such consolidation of that region with another region or regions to which it is contiguous as will result in a region conforming to the population requirements. Provides that if, within 90 days after the most recent certified federal census, a region does not meet the population requirements, then regions may be consolidated voluntarily under specified provisions of the School Code or by joint resolution of the county boards of regions seeking to join a voluntary consolidation to meet the population requirements. Provides that if locally determined consolidation decisions result in a region not meeting the population requirements or result in more than 35 regions, then the State Board shall have the authority to impose further consolidation by order of the State Superintendent of Education, with the order being a final order subject to the Administrative Review Law. Effective immediately.

New Act

Creates the Program Integrity for Medicaid and the Children's Health Insurance Program Act. Provides that it is the intent of the General Assembly to implement waste, fraud, and abuse detection, prevention, and recovery solutions to improve program integrity for Medicaid and the Children's Health Insurance Program in the State and create efficiency and cost savings through a shift from a retrospective "pay and chase" model to a prospective pre-payment model; and to comply with program integrity provisions of the federal Patient Protection and Affordable Care Act and the Health Care and Education Reconciliation Act of 2010. In furtherance of these goals, requires the State to implement several technologies and services including (i) provider data verification and provider screening technology; (ii) state-of-the-art clinical code editing technology; (iii) state-of-the-art predictive modeling and analytics technologies; (iv) fraud investigative services; and (v) Medicaid and CHIP claims audit and recovery services. Requires the State to either contract with The Cooperative Purchasing Network (TCPN) to issue a request for proposals (RFP) when selecting a contractor or use the specified contractor selection process. Contains provisions concerning contracts, reporting requirements, and savings. Effective immediately.

325 ILCS 5/3 from Ch. 23, par. 2053

Amends the Abused and Neglected Child Reporting Act. Expands the definition of the term "neglected child" to include any child who is subjected to an environment injurious to his or her health and welfare. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 2

Replaces everything after the enacting clause and reinserts similar provisions with the following changes: Expands the definition of the term "neglected child" to include any child who is subjected to an environment which is injurious insofar as (i) the child's environment creates a likelihood of harm to the child's health, physical well-being, or welfare and (ii) the likely harm to the child is the result of a blatant disregard of parent or caretaker responsibilities (rather than any child who is subjected to an environment injurious to his or her health and welfare). Defines the term "blatant disregard" to mean an incident where the real, significant, and imminent risk of harm would be so obvious to a reasonable parent or caretaker that it is unlikely that a reasonable parent or caretaker would have exposed the child to the danger without exercising precautionary measures to protect the child from harm. Effective immediately.

Further amends the Environmental Protection Act. Removes provisions that exempted the Illinois Pollution Control Board's small source program rules from certain rulemaking requirements in the Environmental Protection Act and the Illinois Administrative Procedure Act.

SENATE FLOOR AMENDMENT NO. 4

Requires carbon dioxide emission credits equivalent to 50% of the amount of credits associated with the required sequestration of carbon dioxide from a facility to be permanently retired. Requires compliance with the sequestration requirements and the offset purchase requirements to be assessed annually by an independent expert retained by the owner of the SNG facility, with the advance written approval of the Attorney General. Authorizes the Illinois Commerce Commission to approve a carbon dioxide sequestration method if the owner or operator of the sequestration site has received a permit that is similar to an Underground Injection Control permit.

HOUSE COMMITTEE AMENDMENT NO. 1

Restores provisions, which were deleted in the engrossed, that require the Illinois Environmental Protection Agency to inspect all carbon dioxide sequestration sites in Illinois and to issue seal orders under certain circumstances.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Illinois Environmental Protection Agency)

SB 2867 would be revenue neutral to the Illinois Environmental Protection Agency. Specifically, the threefold increase in the annual special waste hauler fee is revenue neutral since the duration of the permits would be extended from one to three years. The laboratory certification testing fees simply codify the identical fees currently in rule. None of the other provisions in this bill would have any fiscal impact on the Illinois EPA.

HOUSE FLOOR AMENDMENT NO. 2

Provides that the prohibition on the construction and installation of certain surface discharging private sewage disposal systems, without the proper authorizations, takes effect beginning January 1, 2013 or 6 months after the date of issuance of a general NPDES permit for surface discharging private sewage disposal systems by the Illinois Environmental Protection Agency or by the United States Environmental Protection Agency, whichever is later (now, that prohibition takes effect January 1, 2013).

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Illinois Environmental Protection Agency)

SB 2867 would be revenue neutral to the Illinois EPA.

SENATE COMMITTEE AMENDMENT NO. 2

Deletes reference to:

20 ILCS 3955/32 from Ch. 91 1/2, par. 732

755 ILCS 5/13-5 from Ch. 110 1/2, par. 13-5

755 ILCS 5/11a-20 from Ch. 110 1/2, par. 11a-20

Replaces everything after the enacting clause. Reinserts similar provisions, but with the following changes: Removes provisions providing (i) that the State Guardian shall not be appointed as guardian for a person whose primary diagnosis is mental illness and (ii) that each ward of the State Guardian who was adjudicated disabled before the effective date of this amendatory Act and has a primary diagnosis of mental illness shall be the subject of a review hearing and shall be considered eligible for restoration of rights unless evidence demonstrates, by a clear and convincing standard, that guardianship is still required for the ward and that the State Guardian is the only available and suitable guardian. As to guardianship and advocacy operation fees, provides that such fees shall not be imposed in any minor guardianship established under specified provisions of the Probate Act of 1975 or against an indigent person. Further amends the Probate Act of 1975. In regard to a court adjudging a person to be a disabled person, provides that an order appointing a guardian shall implement the least restrictive alternative, maximize the disabled person's autonomy, and exercise authority over the disabled person only as necessary. Provides that upon the filing of a verified petition by the guardian of the disabled person or the disabled person, the court may terminate the adjudication of disability of the ward, revoke the letters of guardianship of the estate or person, or both, or modify the duties of the guardian if certain conditions are satisfied. Removes amendatory provisions providing that a court may appoint the public guardian as the guardian of any

disabled adult who is in need of a public guardian and whose estate exceeds \$100,000 in counties having a population in excess of 1,000,000. Makes other changes.

Replaces everything after the enacting clause. Amends the Department of Central Management Services Law of the Civil Administrative Code of Illinois and the State Finance Act. Provides that the chief procurement officer for the needs of State agencies shall procure one or more private vendors to administer, beginning January 1, 2013, the workers'

compensation program with respect to State employees. Requires the engagement of the vendor no later than January 1, 2013. Amends the Illinois Procurement Code. Provides that each chief procurement officer may access records necessary to review whether a contract, purchase, or other expenditure is or is not subject to the provisions of the Code. Provides that the Code shall not apply to procurement expenditures necessary to provide artistic or musical services, performances, or theatrical productions held at a venue operated or leased by a State agency. In a Section concerning the applicability of the Code to public institutions of higher education, includes the Illinois Mathematics and Science Academy in the definition of "public institution of higher education". Provides that, in the event that an alleged conflict of interest or violation of the Code that was not originally disclosed with the bid, offer, or proposal is identified, then the Procurement Policy Board shall provide written notice of the alleged conflict of interest or violation to the contractor or subcontractor on that contract and, upon the request of the contractor or subcontractor, hold a hearing at a date and time determined by the Board, but in no event shall the hearing occur later than 15 days after the date of the request. Provides that a State purchasing officer shall have the authority to approve or reject contracts (rather than, shall enter into contracts) for a purchasing agency. Provides that, if the State purchasing officer provides written approval of the contract, the applicable head of the State agency shall have the authority to sign and enter into that contract. Provides that, within 30 months (rather than 18 months) after appointment, a State purchasing officer must be a Certified Professional Public Buyer or a Certified Public Purchasing Officer. Provides that the procurement compliance monitor shall review any procurement, contract, or contract amendment and report any findings of the review. Provides that each chief procurement officer is the authority responsible for publishing its volume of the Illinois Procurement Bulletin in consultation with the agencies under his or her jurisdiction. Provides that each chief procurement officer may, in consultation with the agencies under his or her jurisdiction and the Procurement Policy Board, establish a vendor portal to allow a prospective vendor to provide certifications, disclosures, registrations, and other documentation needed to do business with a State agency in advance of any particular procurement. Provides that a State contract may be awarded as a sole source procurement unless an interested party submits a written request for a public hearing (rather than, a State contract may not be awarded as a sole source procurement unless approved by the chief procurement officer following a public hearing). Provides that a State contract shall include the general type of work to be performed by all known subcontractors. Provides that, within 15 days (rather than 20 days) after a request by the chief procurement officer, a contractor shall provide a copy of the requested subcontract. Provides that, for any bid or proposal for a contract with a State agency by a business entity required to register with the State Board of Elections, the chief procurement officer shall verify that the business entity is required to register and is in compliance with the registration requirements on the date the bid or proposal is due (rather than, a copy of the certificate of registration must accompany any bid or proposal for a contract with a State agency by a business entity required to register with the State Board of Elections). Provides that a not-for-profit agency for the severely handicapped that is an accredited vocational program that provides transition services to youth between the ages of 14 1/2 and 22 in accordance with individualized education plans and that provides residential services at a child care institution or a group home qualifies to provide supplies and services to the State without the State advertising or calling for bids. Provides that a vendor developing technology, goods, or services shall not be prohibited from bidding or offering to supply that technology or those goods or services if the subject demonstrated to the State represents industry trends and innovation and is not specifically designed to meet the State's needs. Provides that no person or business shall submit specifications to a State agency unless requested to do so by an employee of the State. Provides that, for certain certifications required for State contracts, if a false certification is made by a subcontractor, the contractor's submitted bid and contract may not be declared void, unless the contractor refuses to terminate the subcontract. Provides that the Procurement Policy Board shall submit any recommendation whether to allow or void a contract based on a potential conflict of interest to the Executive Ethics Commission (rather than to the chief procurement officer). Makes changes to a provision concerning procurement communications reporting requirements. Makes other changes. Amends the Governmental Joint Purchasing Act. Provides that all joint purchases between two or more governmental units shall be by competitive solicitation (rather than by competitive bids). Provides that a chief procurement officer (rather than the Department of Central Management Services) may authorize joint purchases with a governmental entity of this or another state. Makes other changes. Effective immediately.

New Act

Creates the Plastic Bulk Merchandise Container Act. Provides that a person who is in the business of recycling, shredding, or destroying plastic bulk merchandise containers, before purchasing 5 or more plastic bulk merchandise containers from the same person, shall obtain a proof of ownership, create a record of the sale, and verify the identity of the seller. Provides that a person who is in the business of recycling, shredding, or destroying plastic bulk merchandise containers shall not pay for the containers in cash and shall record the method of payment used to purchase the containers. Requires the purchaser to keep a record of the sale for one year. Provides that a person who violates the Act is guilty of a petty offense and subject to a fine not exceeding \$500. Provides that the Attorney General may inspect records and investigate alleged violations.

SENATE COMMITTEE AMENDMENT NO. 1

Removes requirement that a person who is in the business of recycling, shredding, or destroying plastic bulk merchandise containers obtain proof of ownership before purchasing 5 or more containers from the same person and deletes the prohibition upon paying in cash.

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts similar provisions, but with the following changes: Defines "bona fide purchaser" to mean a person who in good faith makes a purchase without notice of any outstanding rights of others. Defines "plastic bulk merchandise container" to mean a plastic crate, pallet, or shell used by a product producer, distributor, or retailer for the bulk transportation or storage of goods for sale at retail, including, but not limited to, containers of milk, eggs, or bottled beverage products (rather than a plastic crate or shell used by a product producer, distributor, or retailer for the bulk transportation or storage of retail containers of milk, eggs, or bottled beverage products). Provides that for purposes of this definition, a plastic pallet means a plastic portable platform upon which containers, product, or material is placed to facilitate handling. Provides that "proof of ownership" includes a bill of sale or other evidence showing that an item has been sold to the person possessing the item for fair market value and that the person possessing the item is a bona fide purchaser of the

item (rather than sold to the person possessing the item). Requires a person who is purchasing 5 or more plastic bulk merchandise containers from the same person (rather than a person who is in the business of recycling, shredding, or destroying plastic bulk merchandise containers from the same person) to obtain from that person information identifying the seller and describing the merchandise. Removes prohibition on cash payments. Adds a provision providing that a person who purchases or receives \$10,000 or more in violation of the Act shall be guilty of a Class 3 felony. Further provides that such person shall also be liable for monetary damages to the owner of the stolen plastic bulk merchandise containers in an amount equal to 3 times the replacement value of the stolen plastic bulk merchandise containers, and that the owner may bring an action in a court of competent jurisdiction for such monetary damages against such a person.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that a person who pays \$5,000 or more for plastic bulk merchandise containers in a single transaction or in aggregate to any one person or entity over a 7-day period shall obtain and retain proof of ownership. Provides that a person who purchases or receives plastic bulk merchandise containers worth \$10,000 or more in violation of the Act is guilty of a Class 2 felony rather than a Class 3 felony.

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:
30 ILCS 105/5.811 new

Replaces everything after the enacting clause. Creates the Microloan Program Act. Provides that a microloan program established in the Department of Commerce and Economic Opportunity shall be subject to appropriation. Provides that, under the program, the Director of Commerce and Economic Opportunity may make grants (rather than direct loans) to eligible intermediaries. Removes a provision requiring the Director to give priority to applicants that provide loans in amounts averaging not more than \$13,000. Removes a provision requiring the Department to make not more than 55 grants annually. Removes a provision requiring an eligible intermediary to make short-term, fixed rate loans to small business concerns for working capital and the acquisition of materials, supplies, furniture, fixtures, and equipment. 105 ILCS 5/27-22 from Ch. 122, par. 27-22

Amends the School Code. Provides that as a prerequisite to receiving a high school diploma, each pupil entering the 9th grade in the 2012-2013 school year or a subsequent school year must successfully complete 4 (instead of 3) years of mathematics. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Deletes reference to:

105 ILCS 5/27-22

Adds reference to:

105 ILCS 5/2-3.156 new

Deletes everything after the enacting clause. Requires the State Board of Education to coordinate the acquisition, adaptation, and development of middle and high school mathematics curriculum models to aid school districts and teachers in implementing standards for all students. Provides that the acquisition, adaptation, and development process shall include the input of representatives of statewide educational organizations and stakeholders. Sets forth what the curriculum models must include, and provides that the curriculum models must be completed no later than March 1, 2013. Provides that the curriculum models and training programs must be made available to all school districts, which may choose to adopt or adapt the models in lieu of developing their own mathematics curricula. Requires the Illinois P-20 Council to submit a report to the Governor and the General Assembly on the extent and effect of utilization of the curriculum models by school districts. Provides that within 4 years after the effective date of the amendatory Act, State mathematics test results and higher education mathematics remediation data must be used to gauge the effectiveness of high school mathematics instruction and the extent of standards attainment and be used to guide the continuous improvement of the mathematics curriculum and instruction.

FISCAL NOTE (State Board of Education)

SB 3244 does not have a fiscal impact on the State Board of Education. The fiscal impact for school districts cannot be determined because it is unknown how many additional personnel or courses individual districts may need to add in order to meet the requirements of this legislation. The need for individual districts will differ greatly depending on procedures and processes that are currently in place.

FISCAL NOTE (State Board of Education)

While the requirements of SB 3244 will create some additional duties for agency personnel, the impact is expected to be minimal. No additional fiscal cost is expected for school districts.

- 225 ILCS 335/11 from Ch. 111, par. 7511

Provides that holders of an unlimited roofing license may be issued permits for residential, commercial, and industrial roofing projects and holders of a limited roofing license are restricted to permits for work on residential properties of 8 units or less. Makes other changes. Effective immediately.

Creates the Illinois Service Member Civil Relief Act. Provides that nothing in the Act is intended to impair any existing right or benefit available to any service member. Provides that certain legal protections afforded to service members (and family members where specified) are subject to stated provisions of law. Amends the Illinois Administrative Procedure Act to set forth a provision concerning stays of contested case hearings for service members. Amends the Civil Administrative Code of Illinois to set forth a provision concerning deadline extensions for service members. Amends the Department of Central Management Services Law of the Civil Administrative Code of Illinois to make changes to the provision concerning bulk long distance telephone services for military personnel in military service (now on active duty). Amends the

Military Code of Illinois, Illinois Municipal Code, Illinois Insurance Code, Public Utilities Act, Service Member's Employment Tenure Act, Code of Civil Procedure, Landlord and Tenant Act, Uniform Commercial Code, Interest Act, Retail Installment Sales Act, Military Personnel Cellular Phone Contract Termination Act, and Motor Vehicle Leasing Act to make changes in certain provisions concerning military personnel. Amends the Illinois Human Rights Act to provide that a violation of specified provisions regarding legal protections for military personnel constitutes a civil rights violation under the Illinois Human Rights Act.

SENATE COMMITTEE AMENDMENT NO. 2

In the provision of the Illinois Service Member Civil Relief Act concerning the stoppage of gas or electricity and arrearages with regard to municipalities, electric companies, or cooperatives, provides that in order to be eligible for the benefits granted to service members under the provision, a service member must provide the company or electric cooperative with a copy of the orders calling the service member to military service, or copies of orders further extending the service member's period of service, and claim hardship. Provides that in order to establish a hardship, the primary occupant must demonstrate to the company or electric cooperative's satisfaction that as a service member his or her military service has materially and currently affected his or her ability to pay for such services when due and that in the event the service member no longer claims to be the primary occupant of the residential premises or the customer account of record changes, then the company or electric cooperative may enforce all applicable rules, regulations, and tariffs. Sets forth a definition for "primary occupant". Further amends the various Acts in the bill to make changes in the definition of "military service" and to provide that in order for a service member to be eligible for certain benefits or exercise certain rights, the service member must demonstrate that his or her military service has been in excess of 29 consecutive days. Makes a technical change.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. In the Illinois Service Member Civil Relief Act, provides that in order to be eligible for the benefits granted to service members under the provision concerning the stoppage of gas or electricity, arrearages, municipalities, and electric companies or cooperatives, a service member must provide the company or electric cooperative with a copy of the orders calling the service member to military service, or copies of orders further extending the service member's period of service, and provide documentation of hardship (rather than claim hardship). Deletes a provision concerning establishing hardship. Further amends the Illinois Municipal Code. Sets forth a definition for "primary occupant" and makes changes to the requirements for a service member to be eligible for the benefits granted under the provision concerning military personnel in military service, prohibited stoppage of gas or electricity, and arrearages. Further amends the Public Utilities Act. Provides that no company or electric cooperative shall for nonpayment stop gas or electricity from entering the residential premises that was the primary residence of a service member immediately before the service member was assigned to military service (rather than no company or electric cooperative shall stop gas or electricity from entering the residential premises of which a service member was a primary occupant immediately before the service member was deployed on active duty for nonpayment for gas or electricity supplied to the residential premises). Adds a provision permitting a public utility to recover uncollectible costs it incurs when complying with this prohibition. Adds a provision permitting the Illinois Commerce Commission to initiate a rulemaking proceeding to establish certain rules. Further amends the Code of Civil Procedure. Makes changes in the provision concerning actions for foreclosure and deletes a provision concerning motions filed by a mortgagor or any member of the mortgagor's family who resides with the mortgagor. Further amends the Military Personnel Cellular Phone Contract Termination Act. Includes notification requirements with regard to the termination of a cellular phone contract.

HOUSE FLOOR AMENDMENT NO. 2

Further amends the Public Utilities Act to provide that in order to be eligible for the benefits granted to a service member under the provision concerning military personnel in military service, a service member who receives utility services from a not-for-profit cooperative must provide the cooperative with documentation that his or her military service materially affects his or her ability to pay for the services when payment is due. Makes a technical change.

Amends the Criminal Identification Act, the Criminal Code of 1961, the Cannabis Control Act, the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, and the Unified Code of Corrections. Creates Offender Initiative Probation. Provides that whenever any person who has not previously been convicted of, or placed on probation or conditional discharge for, any felony offense, other than a violent offense, under the laws of this State, the laws of any other state, or the laws of the United States, pleads guilty to, or is found guilty of, a probationable felony offense of theft, retail theft, forgery, possession of a stolen motor vehicle, burglary, possession of burglary tools, possession of cannabis, possession of a controlled substance, or possession of methamphetamine, the court, with the consent of both the defendant and the State's Attorney, may, without entering a judgment, sentence the defendant to probation. Establishes the terms and conditions of the probation. Provides that upon fulfillment of the terms and conditions of probation, the court shall discharge the person and dismiss the proceedings against the person. Provides that upon violation of a term or condition of probation, the court may enter a judgment on its original finding of guilt and proceed as otherwise provided by law.

SENATE FLOOR AMENDMENT NO. 1

Adds a purpose clause to the Section creating the Offender Initiative Program. Provides that the Program applies to a person who is charged with or indicted for any of the specified offenses rather than pleads guilty to or is found guilty of the offense. Provides that the drug testing as a condition of the Program is permissive with the court rather than required in all cases. Changes references from probation to the Program.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that the time a defendant may be ordered to serve in the Offender Initiative Program shall be not less than 12 (rather than 24) months.

HOUSE FLOOR AMENDMENT NO. 2

Provides that the Offender Initiative Program applies only to defendants arrested for and charged with the specified offense (rather than charged with or indicted for the offense). Provides that the payment of fines and costs is a condition that the court may impose (rather than is required to impose) as a condition of the Program. Deletes provision that the court may require the defendant to make a report to and appear in person before or participate with the court or such courts, person, or social service agency as directed by the court in the order of the Program. Deletes provision that the court may require the defendant to attend or reside in a facility established for the instruction or residence of defendants on probation. Deletes provision that a disposition ordering the defendant to participate in the Program is considered to be a conviction for the purposes of imposing the conditions of the Program and for appeal. Deletes provision that a discharge and dismissal under the Program is not a conviction for purposes of the Unified Code of Corrections or for purposes of disqualifications or disabilities imposed by law upon conviction of a crime. Provides that when the State's Attorney makes a factually specific offer of proof that the defendant has failed to successfully complete the Program or has violated any of the conditions of the Program, the Court shall enter an order that the defendant has not successfully completed the Program and continue the case for arraignment for further proceedings as if the defendant had not participated in the Program. Eliminates restriction that if the court orders drug testing, it must be at least 3 times during the period of the Program and that the costs of testing be paid by the defendant. Provides that upon fulfillment of the terms and conditions of the Program, the State's Attorney shall dismiss the case or the court shall discharge the person and dismiss the proceedings against the person. Provides that there shall be only one discharge and dismissal under the Program with respect to any person.

Replaces everything after the enacting clause. Amends the State Finance Act. Provides that the maximum amounts of annual unpaid Medical Assistance bills received and recorded by the Department of Healthcare and Family Services on or before June 30th of a particular fiscal year attributable in aggregate to the General Revenue Fund, Healthcare Provider Relief Fund, Tobacco Settlement Recovery Fund, Long-Term Care Provider Fund, and the Drug Rebate Fund that may be paid in total by the Department from future fiscal year Medical Assistance appropriations to those funds are: \$700,000,000 for fiscal year 2013 and \$100,000,000 for fiscal year 2014 and each fiscal year thereafter. Makes other changes concerning fiscal year limitations relating to payments for medical care. Provides that this Act does not take effect at all unless both House Bill 5007 of the 97th General Assembly and Senate Bill 2840 of the 97th General Assembly become law. Effective July 1, 2012.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Transportation)

No land conveyances are included in this bill, therefore, there are no appraisals to be filed.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Healthcare & Family Services)

SB 3397 (H-AM 1) modifies the current exemption from Section 25 of the State Finance Act for the Department of Healthcare and Family Services Medical Assistance payments resulting from certain State funds including the General Revenue Fund. This modification imposes annual maximum dollar amounts for prior year Medical Assistance services that may be paid from future year's appropriations beginning with services rendered during Fiscal Year 2013. These maximums are \$700 million for FY 2013 bills paid from future years appropriations and \$100 million for FY 2014 and after bills to be paid from future years appropriations to the listed funds. This bill will require all portions of the FY 2013 Medicaid Reform package to become law, successful and timely implementation of those reforms and the Department to receive sufficient annual appropriations and cash resources to make payments under the established caps.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept of Corrections)

There are no penalty enhancements associated with SB 3397 (H-AM 1). The bill would have no fiscal or population impact on the Department.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 3397, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 3397 (H-AM 1) will not impact any public pension fund or retirement system in Illinois.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

SB 3397 (H-AM 1) does not create a State mandate.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

SB 3397 (H-AM 1) does not pre-empt home rule authority.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Office of Management and Budget)

This bill has no immediate fiscal impact to the State. However, in fiscal years beyond FY 2013, the Department of Healthcare and Family Services will need to receive sufficient annual appropriations and cash resources to make Medicaid payments within the new limits.

Makes changes to a provision concerning reporting drug-related incidents in schools regarding the reporting procedures. Provides that all school officials, including teachers, guidance counselors, and support staff, shall immediately notify the office of the principal in the event that they observe any person who is a student in grade 6 through 12 or any person not a student commit certain specified offenses. Sets forth provisions concerning the law enforcement agency's actions if the person found to have committed the offense is a minor. Makes changes to the provision concerning reporting firearms in schools in the Chicago School District Article. Makes other changes. Effective August 1, 2012.

In provisions concerning reporting firearms in schools and a school official's immunity from civil and criminal liability, adds an exception for willful or wanton misconduct.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that the State Board of Education shall receive data associated with attacks (instead of monthly as well as annual statistical compilations of attacks) on school personnel from the Department of State Police in a form and manner agreed to by both agencies through the Illinois Uniform Crime Reporting Program. Provides that the State Board of Education shall receive data (instead of an annual statistical compilation and related data) associated with incidents involving firearms in schools from the Department of State Police in a form and manner agreed to by both agencies. Makes changes to the Section concerning certain criminal offenses to be reported.

Provides that if a law enforcement agency determines that probable cause exists to believe that a minor committed assault, battery, criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual abuse, or aggravated criminal sexual abuse (instead of a violation of any of specified provisions of the Criminal Code of 1961) while on school grounds or on school owned or leased property, then the agency shall detain the minor for processing. Provides that the State Board of Education shall receive data (instead of an annual statistical compilation and related data) associated with incidents in schools from the Department of State Police in a form and manner agreed to by both agencies.

JUDICIAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 3415 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Illinois State Police)

If SB 3415 (H-AM 1) were to become law, there would be no fiscal impact to the Illinois State Police.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 3415, as amended by HA 1, will not impact any public pension fund or retirement system in Illinois.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

SB 3415 (H-AM 1) does not create a State mandate.

HOME RULE NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

SB 3415 (H-AM 1) does not pre-empt home rule authority.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Illinois State Police)

The Illinois State Police would require additional staff to comply with the provisions as outlined in SB 3415 (H-AM 1). To ensure compliance, the Illinois State Police would need to fill the following vacant positions: (1) State Police Crime Information Evaluator (This position would collect, compile and disseminate drug, firearm, and crimes against person incidents) = \$100,141; (2) Information Systems Analyst II (This position would expand current technology to allow for additional data entry of non-Illinois State Police agencies and then be responsible for the maintenance of the system)= \$167,329; (3) Statewide training for law enforcement agencies would be critical to ensure success in collecting data related to the new reporting elements. This recent transition to a federally compliant program has confirmed that detailed reporting guidelines available on a website are not sufficient in assisting agencies in understanding and appropriately applying reporting guidelines. A minimum of ten statewide training sessions would be required to ensure accurate data reporting. The average cost of individual training sessions has been approximately \$150.00; (4) The total estimated annual cost of SB 3415 (H-AM 1) would be \$267,470 (minus training costs).

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (State Board of Education)

SB 3415 (H-AM 1) has no fiscal impact on the State Board of Education.

CORRECTIONAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept of Corrections)

There are no penalty enhancements associated with SB 3415 (H-AM 1). The bill would have no fiscal or population impact on the Department.

HOUSE FLOOR AMENDMENT NO. 2

Deletes everything after the enacting clause. Amends the School Code. Makes changes in a Section concerning attacks on school personnel with respect to complaints from personnel, the types of incidents required to be reported, children with disabilities, the completion of a police report, and the Department of State Police's Illinois Uniform Crime Reporting Program. Makes changes in a Section concerning reporting firearms in schools with respect to where a firearm is possessed, immunity for reporting, the completion of a police report, parental notification, the administrative officer of a private school, the Illinois Uniform Crime Reporting Program, and the compilation of

information by the State Board of Education. Makes changes in a Section concerning reporting drug-related incidents in schools with respect to the completion of a police report and the Illinois Uniform Crime Reporting Program. Adds provisions concerning certain criminal offenses to be reported. Amends the Chicago School District Article to make changes in a Section concerning reporting firearms in schools with respect to when a report must be made, the completion of a police report, the Illinois Uniform Crime Reporting Program, immunity for reporting, confidentiality, criminal penalties, and minors. Effective July 1, 2013.

SB-3442 LINK AND MILLNER.

New Act

5 ILCS 80/4.27

Creates the Plastic Bag and Film Recycling Act. Requires manufacturers of plastic carryout bags to register with the Illinois Environmental Protection Agency and pay to the Agency an initial registration fee and annual registration renewal fee. Prohibits a manufacturer from selling or offering to sell plastic carryout bag in the State unless the manufacturer is registered with the Agency and its name is printed on the plastic carryout bags it manufactures. Requires each manufacturer to develop, and submit to the Agency, a plan to support the collection and recycling of plastic carryout bags and plastic film product wrap. Prohibits retailers from purchasing plastic carryout bags from manufacturers under certain circumstances. Sets forth duties of the Agency. Creates penalties for violations of the Act. Encourages manufacturers to include recycled content in the plastic carryout bags that they produce. Requires certain reports to be filed with the General Assembly. Makes the Act inapplicable in units of local government with a population of over 2,000,000. Specifies that the Plastic Bag and Film Recycling Act controls in the event of a conflict with another Act. Denies home rule powers. Amends the Regulatory Sunset Act to provide for the repeal of the Plastic Bag and Film Recycling Act on October 1, 2017. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Requires the manufacturers' reports to demonstrate improved access to collection sites and improved plastic bag and plastic film recycling rates. Deletes the provision that created a daily civil penalty. Limits home rule powers further in home rule units with 2,000,000 or fewer inhabitants by (i) making any effort to regulate the collection and recycling of plastic carryout bags through the imposition of a ban on those items an exclusive power and function of the State and (ii) prohibiting the imposition by those home rule units of a tax on the collection and recycling of plastic carryout bags and film.

PENSION NOTE (Government Forecasting & Accountability)

SB 3442, as engrossed, will not impact any public pension fund or retirement system in Illinois.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in this bill, therefore, there are no appraisals to be filed.

FISCAL NOTE (Illinois Environmental Protection Agency)

SB 3442 would be revenue neutral to the Illinois Environmental Protection Agency, as the Illinois EPA's duties under the bill would be covered in part by the registration fee and otherwise carried out with the Agency's existing resources.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

SB 3442, as engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

SB 3442 does not create a State mandate.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

SB 3442 does pre-empt home rule authority.

CORRECTIONAL NOTE (Dept of Corrections)

There are no penalty enhancements associated with SB 3442. The bill would have no fiscal or population impact on the Department.

HOUSE FLOOR AMENDMENT NO. 1

Provides that dry cleaning bags and newspaper bags qualify as plastic film product

wrap. Requires the Environmental Protection Agency to assign each manufacturer a unique vendor number at the time of registration. Authorizes a manufacturer to satisfy the Act's labeling requirement by printing a unique vendor number on the bags it manufactures. Authorizes manufacturers to cooperate with units of local government, retail establishments, solid waste agencies, and other entities to create a recycling plan. Increases the rate of recycling that must be demonstrated in the annual report for calendar year 2014. Creates separate penalties for retailers. Further limits home rule powers. Authorizes a home rule municipality that had a plastic bag and film take-back ordinance in effect on January 1, 2012 to continue the program created by that ordinance, as in effect on that date.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Illinois Environmental Protection Agency)

SB 3442 (H-AM 1) would be revenue neutral to the Illinois Environmental Protection Agency, as the Illinois EPA's duties under the bill would be covered in part by the registration fee and otherwise shared out with the Agency's existing resources.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 3442 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 3442 (H-AM 1) will not impact any public pension fund or retirement system in Illinois.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Transportation)

No land conveyances are included in this bill, therefore, there are no appraisals to be filed.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

SB 3442 (H-AM 1) does pre-empt home rule authority.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

SB 3442 (H-AM 1) does not create a State mandate.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

There may be a minimal increase in judicial workloads. However, it is not anticipated that the bill would increase the number of judges needed in the state.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

There may be a minimal increase in judicial workloads. However, it is not anticipated that the bill would increase the number of judges needed in the state.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Illinois Housing Development Authority)

No fiscal effect on a single-family residence.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Office of Management and Budget)

There is an anticipated administrative cost associated with the implementation and enforcement of the SB 3442 (H-AM 1). The Illinois Environmental Protection Agency will need to register manufacturers, review recycling plans, coordinate recycling efforts, and post information on its website. There are only six plastic bag manufacturers in the country, so the \$500 annual fee will not cover these expenses. Implementation would require additional administrative resources.

from Ch. 110, par. 15-1508

Replaces everything after the enacting clause with provisions of the bill as amended by House Amendment No. 1 and adds other provisions as follows. Amends the Illinois Housing Development Act. Modifies the Abandoned Residential Municipality Relief Program to include counties and provides specific descriptions of rehabilitation activities. Provides that 75% of the money in the Abandoned Residential Property Municipality Relief Fund shall be paid by the Illinois Housing Authority to municipalities, other than Chicago, and to counties (instead of to municipalities other than Chicago). Amends the Criminal Code of 1961. In provisions creating the offense of criminal trespass to real property, adds that the offense includes the intentional removal of a notice posted on abandoned residential real estate, but also provides that a mortgagee or a mortgagee's agent is exempt from prosecution from criminal trespass for securing abandoned residential real estate and is not liable in a civil action for negligence or civil trespass. Amends the Code of Civil Procedure. Defines abandoned residential property as residential real estate that: is not occupied by any mortgagor or lawful occupant as a residence or contains a structure that is uninhabited and needs to be repaired; and has 2 or more (instead of one or more) of certain characteristics. In provisions concerning a notice of foreclosure, provides that a copy of the notice shall be sent to the municipality or county by specifying which public official (including the appropriate alderman in a city with a population in excess of 2,000,000) should receive the notice by first class mail. Provides for an expedited foreclosure procedure for abandoned residential property, including court hearings to determine if the property is abandoned, notices to the mortgagor and any occupants of the property, and corresponding modifications to the report of sale and confirmation of sale procedures. Modifies dates concerning time limits in 2013 and 2014 to reflect changes in federal law under the Making Home Affordable Program. Provides that a mortgagor or a lawful occupant may appear at the hearing with a non-attorney who may assist, but not represent, the occupant. In provisions concerning the filing fee for foreclosure prevention, states that if a plaintiff, together with its affiliates, has total assets greater than \$10,000,000,000, the plaintiff shall pay an additional filing fee of \$500. Prohibits assessment of the fee against a bank that, together with its affiliates, has total assets of \$10,000,000,000 or less. Provides that the fees shall be expended according to a specified formula. Provides that the Abandoned Residential Property Municipality Fund and the Foreclosure Prevention Program Fund are not subject to sweeps, administrative charge-backs, or any other fiscal maneuver that would transfer any amounts from those funds into any other fund. In provisions concerning the expedited judgment and sale procedure for abandoned residential property, provides that the court may not grant a motion for an expedited judgment and sale if the mortgagor, an unknown owner, or a lawful occupant appears in the action before or at the hearing and objects to a finding of abandonment. In provisions concerning a report of sale and confirmation of sale, provides that a mortgagee that has filed a motion to expedite the judgment and sale shall complete and submit to the Department of Financial and Professional Regulation a report concerning motions to expedite the judgment and sale during the reporting period. In provisions concerning the judicial sale fee collected for the Abandoned Residential Property Municipality Relief Fund, sets the fee at \$750 (instead of a calculated fee, not to exceed \$300), if the purchaser is a mortgagee (instead of any purchaser, with exceptions for mortgagees) acquiring the residential real estate pursuant to its credit bid at the sale or any mortgagee, judgment creditor, or other lienor acquiring the residential real estate whose rights in and to the residential real estate arose prior to the sale,

provided that the purchaser is the mortgagee, judgment creditor, or other lienor, and the purchaser, together with its affiliates, has total assets greater than \$10,000,000,000. Prohibits assessment of the fee against a bank that, together with its affiliates, has total assets of \$10,000,000,000 or less. In a provision concerning the judicial sale fee for the Abandoned Residential Property Municipality Relief Fund, deletes a provision making the fee inoperative on January 1, 2018 as well as the provision's March 2, 2018 repeal date. Makes other changes. Effective immediately.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept of Corrections)

There are no penalty enhancements associated with SB 3522 (H-AM 2). The bill would have no fiscal or population impact on the Department.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Admin Office of the Illinois Courts)

Based on a review of the bill it has been determined that there may be a minimal increase in judicial workloads. However, it is not anticipated that the bill would increase the number of judges needed in the State.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

SB 3522 (H-AM 2) will not impact any public pension fund or retirement system in Illinois.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Housing Development Authority)

It is not possible to compute the cost of constructing, purchasing, owning, or selling a single-family residence by funding these activities. The type and level of securing, rehabilitation, and demolition will vary between municipalities, as will the costs. It is also unclear if these costs will be passed on to the next homebuyer for several reasons: (1) Home with severely reduced values may be demolished, resulting in no subsequent homeowner; (2) Property values of foreclosed homes often significantly decline due to their location and/or condition such that there is insufficient value to induce anyone to purchase the home; (3) The benefit of stabilized property values achieved by proper and timely maintenance of foreclosed homes likely outweighs the amount of the fees contemplated in this bill.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Housing Development Authority)

The total, combined estimated immediate fiscal impact of SB 3522 (H-AM 2) to the Illinois Housing Development Authority will be \$558,000.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

SB 3522, as amended by House Amendment 2, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

30 ILCS 608/5-1

Amends the State Facilities Closure Act. Makes a technical change in a Section concerning the short title.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

30 ILCS 608/5-1

Adds reference to:

30 ILCS 608/5-10

Replaces everything after the enacting clause. Amends the State Facilities Closure Act. Provides that, after the General Assembly receives an advisory opinion filed by the Commission on Government Forecasting and Accountability concerning the recommendation of a State executive branch officer for the closure of a State facility, the General Assembly shall vote by joint resolution to uphold or overturn the opinion. Provides that no action may be taken to implement the recommendation for closure of a State facility until the General Assembly has taken final action of the advisory opinion filed by the Commission by adopting a joint resolution affirming the recommendation for closure (rather than, until 50 days after the filing of any required recommendation).

FISCAL NOTE (Office of Management and Budget)

Passage of SB 3564 (S-AM 1) would delay the scheduled process of closure and transitions until such a time as the General Assembly, by Joint Resolution, affirms a recommendation for closure. Such a delay could severely minimize or even eliminate the cost reductions thus leaving the affected agencies underfunded. In addition, not achieving these cost reductions would have a significant impact on the Fiscal Year 2013 budget as additional funding or reductions would have to be identified.

Provides that the Board shall approve a budget including reserves, capital expenses, and operating expenses which shall be assessed equally to the membership. Provides that if total common expenses exceed the budget, the board shall disclose this to all members and identify subsequent assessments that will be made to offset this variance in future budgets. Makes other changes.

Replaces everything after the enacting clause with provisions similar to the introduced bill, with the following changes. Further amends the Common Interest Community Association Act. Provides that provisions of the declaration, bylaws, and other community instruments severed by the Act shall be revised by the board of directors independent of the membership to comply with the Act (rather than that provisions of the declaration, bylaws, and other instruments are severable and the board of directors has the authority to revise all severed community instruments independent of the membership). Replaces the term "unit owner" with the term "member" in many instances, depending upon the context, in the Act. Provides that members of the association board and officers shall be elected to terms of no more than 4 years (instead of 3 years). Makes other changes. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 3

Deletes reference to:

765 ILCS 160/1-70

Further amends the Common Interest Community Association Act. Provides that the definition of "member" is supplemented by stating that the terms "member" and "unit owner" may be used interchangeably as defined by the community instruments, except in situations in which a matter of legal title to the unit is involved or at issue, in which case the term "unit owner" would be the applicable term used. Provides that the election of association board members provided by community instruments shall occur no less frequently than once every 24 months. Changes several, but not all, references from "unit owner" to "member". In provisions concerning separate assessments relating to emergencies provides that an "emergency" means a danger to or a compromise of the structural integrity of the common areas or any of the common facilities (instead of or any of the common assets) of the common interest community.

Amends the Prevailing Wage Act. Requires contractors to include in recordkeeping the gross and net wage, hourly overtime rate, fringe benefit rates, and the sponsor and administrator of fringe benefit plans. Provides for filing of the records with the Department of Labor. Authorizes that Department to require electronic filing. Requires that Department to create and provide a form for the filing of certified payrolls. Allows any interested party to bring an action under the Act. Defines terms.

SENATE FLOOR AMENDMENT NO. 2

Deletes the definitions of "contractor" and "subcontractor".

FISCAL NOTE (Dept. of Labor)

The Department of Labor is unable to provide a reasonable estimate of the cost of SB 3695. While the bill provides for electronic submission of certified transcripts of payroll under the Prevailing Wage Act, the Department anticipates the capability to accept these

forms electronically will be part of an overall information technology update for the agency and, therefore, the fiscal impact is expected to be minimal.

SENATE FLOOR AMENDMENT NO. 3

Deletes reference to:

820 ILCS 130/11

Requires contractors to record and report the name and address of each fringe benefit fund. Removes certain reporting and record-keeping requirements for contractors subject to the federal Labor Management Relations Act. Removes provision authorizing certain actions to be brought by any interested party rather than certain workers or contractors.

Provides that a natural person or independent expenditure committee that makes an independent expenditure supporting or opposing a public official or candidate that, alone or in combination with any other independent expenditure made by that natural person or independent expenditure committee supporting or opposing that public official or candidate during the election cycle, equals an aggregate value of more than (i) \$250,000 for statewide office or (ii) \$100,000 for all other elective offices must file a written disclosure with the State Board of Elections within 2 business days after making any expenditure that results in the natural person or independent expenditure committee exceeding the applicable threshold. New Act

Creates the State Cell Phone Responsibility Act. Requires, on a monthly basis, each employee of a State agency who has been issued a cell phone for State business to submit, to the Director or Secretary of that State agency, a log of each phone call and text message that was sent or received on that phone during the preceding month and a signed certification either (i) that each call and text message on the log was for State business or (ii) that one or more calls or text messages were for other than State business. Provides that, if the employee certifies that one or more calls or text messages were for other than State business, then he or she must reimburse the State agency for each phone call and text message sent or received for other than State business. Authorizes the Director or Secretary of each State agency to set the reimbursement rate in a manner that will not only recover the cost of those calls and text messages, but also discourage the future use of State-issued cell phones for reasons other than State business. Requires, on a quarterly basis, the Director or Secretary of each State Agency to submit to the Office of the Executive Inspector General having jurisdiction over that State agency (i) copies of all logs and certifications made during the preceding quarter and (ii) a report of any employees who have not made the required reimbursement. Effective immediately.
