Adds reference to:
 220 ILCS 5/19-145
 220 ILCS 5/19-150 new

Replaces everything after the enacting clause. Amends the Public Utilities Act. Provides that a gas utility with more than 100,000 customers that offers transportation service to residential and small commercial customers shall file a certain tariff under the Act within 6 months after the date of the amendatory Act that provides qualifying alternative gas suppliers with the option to have the gas utility purchase their receivables for gas sales that are (1) made to residential retail customers and small commercial customers and (2) charged on the gas utility's bill. Provides that receivables for gas sales of qualifying alternative gas suppliers that are charged on the gas utility's bill shall be purchased by the gas utility at a discount rate of 1%. Provides that 0.5% of this 1% discount rate shall be retained by the gas utility for recovery of deemed intangible costs, and neither this 0.5% portion of the rate, nor the deemed intangible costs, are subject to review by the Commission. Provides that the other 0.5% of the 1% discount rate shall be retained by the gas utility for recovery of the utility's administrative costs and is subject to periodic review by the Commission. Provides that the utility shall refund to all customers any portion of the 0.5% intended for recovery of administrative costs that is found by the Commission, after notice and hearing, to be in excess of prudent and reasonable costs. Sets forth factors the Commission shall consider in making a just and reasonable determination on the administrative costs. Provides that reasonable start-up costs and administrative costs associated with the gas utility's purchase of receivables shall in the first instance be recovered from qualifying alternative gas suppliers through the utility's discount rate assessed by the utility on those qualifying alternative gas suppliers who have the utility purchase their receivables. Provides that a portion of the gas utility's reasonable start-up costs, subject to reasonable carrying charges as determined by the Commission, may be deferred for later recovery from qualifying alternative gas suppliers who have the gas utility purchase their receivables through the discount rate or a monthly per bill fee if such deferral is deemed to be necessary by the Commission. Provides that a gas utility retains the rights to (1) impose the same terms on retail customers supplied by qualifying alternative gas suppliers with respect to credit and collection, including requests for deposits, and (2) disconnect the retail customers, if it does not receive payment for its tariffed services or purchased receivables, in the same manner that it would be permitted to if the retail customers had purchased gas supply service from the gas utility. Provides that amounts collected by the utility attributable to the 0.5% portion of the discount rate for recovery of deemed intangible costs shall not be used by the Commission to lower the base rate revenue requirement of the utility in any subsequent rate case. Defines "administrative costs" and "qualifying alternative gas supplier". Makes other changes. Effective immediately.

105 ILCS 5/10-29

105 ILCS 5/18-8.05

Amends the School Code. Requires that the adopted school board policy concerning a remote educational program include the school term for the program, which may vary from the regular school term of the school district and during which term instructional time may occur on any calendar day. Provides that the school term for a program need not specify the days of pupil attendance, provided that the planned instructional time for students enrolled in the program must not be less than the planned instructional time for other students in the district. Provides that during the period of the calendar year included within the school term of the program (instead of the regular school term of the district), participation in a program may be claimed for general State aid purposes on any calendar day (instead of only on days of pupil attendance or institute days included within the district's calendar). Provides that outside of the school term of the program (instead of the regular school term of the district), the program may be offered as part of a summer school program. Provides that clock hours of instruction (instead of days of attendance) by program students may be claimed by the district and shall be counted as school work for general State aid purposes. Amends the State aid formula provisions with respect to the compilation of average daily attendance. Provides that pupils enrolled in a remote educational program may be counted on the basis of one-fifth for every clock hour of instruction attended in the program, provided that a district may not claim more days of attendance in a single school term for a student enrolled in a program than the days of attendance included in the regular school term of the district. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the contents of the bill as introduced, with the following changes. Removes the requirement that the adopted school board policy concerning a remote educational program include the school term for the program. Provides that during the period of time from and including the opening date to the closing date of the regular school term of the school district, participation in a program may be claimed for general State aid purposes on any calendar day, notwithstanding whether the day is a day of pupil attendance or institute day on the school district's calendar or any other provision of law restricting instruction on that day (instead of providing that during the period of the calendar year included within the school term of the program, participation in a program may be claimed

for general State aid purposes on any calendar day). Provides that if the district holds year-round classes in some buildings, the district shall classify each student's participation in a program as either on a year-round or a non-year-round schedule for purposes of claiming general State aid. Restores current law to provide that outside of the regular school term of the district, the program may be offered as part of a summer school program. Provides that pupils enrolled in a program may be counted on the basis of one-fifth day of attendance for every clock hour of instruction attended in the program, provided that, in any month, the school district may not claim for a student enrolled in a program more days of attendance than the maximum number of days of attendance the district can claim (i) for students enrolled in a building holding year-round classes if the student is classified as participating in the remote educational program on a year-round schedule or (ii) for students enrolled in a building not holding year-round classes if the student is not classified as participating in the remote educational program on a year-round schedule (instead of providing that pupils enrolled in a program may be counted on the basis of one-fifth for every clock hour of instruction attended in the program, provided that a district may not claim more days of attendance in a single school term for a student enrolled in a program than the days of attendance included in the regular school term of the district). Effective immediately.

------------------	-----------------------------

Replaces everything after the enacting clause with provisions of the original bill, but with the following changes: (1) changes the definition of "automotive parts recycler" to include a person in the business of disposing of previously owned vehicles in the manner described by the definition of a "scrap processor" in the Code; (2) provides that a vehicle of a self-insured company that has sustained damage in excess of 33 1/3% (instead of 50%) of its fair market value without the damage shall be considered salvage; (3) provides that an application for a salvage certificate shall be submitted to the Secretary of State when any licensed rebuilder, repairer, new or used vehicle dealer, or remittance agent has applied for title to a vehicle that he or she knows or reasonably (original bill did not include "reasonably") should have known to have sustained damages in excess of 33 1/3% of the vehicle's fair market value; (4) provides that any application for a salvage certificate for a vehicle recovered from theft and acquired from an insurance company shall be made as required by provisions governing that type of acquisition; (5) provides that no person may engage in the business of acquiring previously owned vehicles for the primary purpose of disposing of those vehicles in the manner described by the definition of a "scrap processor", or acquire 5 or more vehicles in one calendar year for such primary purpose, unless he or she is licensed as an automotive parts recycler by the Secretary. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Restores language providing that a vehicle of a self-insured company that has sustained damage in excess of 50% of its fair market value without the damage shall be considered salvage. Exempts applications for title to rebuilt vehicles from the provision requiring that an application for a salvage certificate shall be submitted to the Secretary of State when any licensed rebuilder, repairer, new or used vehicle dealer, or remittance agent has applied for title to a vehicle that he or she knows or should have known to have sustained damages in excess of 33 1/3% of the vehicle's fair market value.

SENATE FLOOR AMENDMENT NO. 2

Provides that no person shall engage in the business of acquiring 5 or more previously owned vehicles in one calendar year for the primary purpose of disposing of those vehicles in the manner described in the definition of a "scrap processor" unless the person is licensed as an automotive parts recycler by the Secretary of State (instead of "No person shall engage in the business of acquiring previously owned vehicles for the primary purpose of disposing of those vehicles in the manner described in the definition of a "scrap processor" in this Code, nor shall any person acquire 5 or more vehicles in one calendar year for such primary purpose, unless such person is licensed as an automotive parts recycler by the Secretary of State under

Amends the Metropolitan Water Reclamation District (MWRD) Article of the Illinois Pension Code. Provides that an employee who first enters service on or after January 1, 2012 and becomes disabled shall, on and after the 31st day of disability (rather than the 31st after which he or she last worked), be entitled to ordinary disability benefits during the remainder of that disability (instead of only after having exhausted his or her sick leave). Specifies that if there are surviving children of the employee or annuitant who are eligible for a child's annuity, then that refund may not be paid until the youngest eligible child reaches age 23. 55 ILCS 5/5-1062 from Ch. 34, par. 5-1062
55 ILCS 5/5-1062.2

Amends the Counties Code. Provides that a county board in a metropolitan county located in the area served by the Northeastern Illinois Planning Commission, or Madison, St. Clair, Monroe, Kankakee, Grundy, LaSalle, DeKalb, Kendall, or Boone county, that has adopted a stormwater management plan may adopt a schedule of fees applicable to real property within the county that benefits from the county's stormwater management facilities and activities. Sets forth the circumstances under which a fee schedule may be adopted and the uses for the fees. Caps the fees at the same limit as an authorized stormwater tax that has been approved by referendum in the county. Provides that the county shall give land owners at least 2 years' notice of the fee during which time the county shall provide education on green infrastructure practices and an opportunity to take action to reduce or eliminate the fee. Further provides that a fee waiver shall be included for property owners who have taken actions or put in place facilities that are approved by the county that reduce or eliminate the cost of managing runoff. Provides that the county may enter into intergovernmental agreements with other bodies of government for the joint administration of stormwater management and collection of the fees. Provides that if a county adopts a fee schedule and has existing debt repayments to make, the remainder of that debt may be paid with proceeds from a tax imposed for stormwater management purposes. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Further amends the Counties Code. Provides that an authorized fee schedule "must have the same limit as the authorized stormwater tax".

HOUSE COMMITTEE AMENDMENT NO. 2

Further amends the Counties Code. Provides that a stormwater management committee may also offer tax rebates or incentive payments to property owners who construct, maintain, and use approved green infrastructure stormwater management devices. Authorizes additional counties to adopt a schedule of stormwater management fees. Prohibits the stormwater management fee from being used to cover certain enforcement costs. Removes a provision that required part of a

county, in order to adopt a fee schedule, to have been declared a disaster area as a result of flooding by a presidential proclamation after July 1, 1986. Provides that if a county adopts a fee schedule, "it may not also levy a tax"; however, if that county has existing debt repayments to make, the remainder of the debt may be paid with proceeds from a tax imposed for stormwater management purposes. Makes technical changes.

HOUSE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendments 1 and 2. Changes the term "land owner" to "property owner" in certain provisions. Sets forth the question to be submitted to the voters on whether to adopt a schedule of fees. Effective immediately.

Replaces everything after the enacting clause. Amends the Downstate Teachers Article of the Illinois Pension Code. Specifies that a provision authorizing annuitants to return to service must not be construed to authorize multiple annuitants, without impairing their retirement status, to accept employment with a school district or other employer in order to fill, as a group, a teaching position that would ordinarily be occupied by an active participant. Provides that if a school board or other employer determines there is a subject or administrative shortage, then it must apply for an exemption under a specific provision of the Code. HB-3422 BROWN - REBOLETTI - KAY - MORTHLAND - ROTH AND BELLOCK.

720 ILCS 5/12-3.2 from Ch. 38, par. 12-3.2

Amends the Criminal Code of 1961. Increases the penalty for domestic battery from a Class 4 felony to a Class 3 felony if the defendant has any prior felony conviction for domestic battery.

CORRECTIONAL NOTE (Dept of Corrections)

There were 414 court admissions for Class 4 domestic battery in FY10, with an average sentence of 1.1 years. These inmates would have an estimated length of stay of 13 months. Inmates sentenced for a Class 3 felony are estimated to serve 18 months in prison. Specific data addressing the statutory criteria as proposed by HB 3422 are limited, but the Department estimates that 40% of the Class 4 domestic battery court admissions would have a prior felony conviction for domestic battery; which would discount prior misdemeanor convictions, but may include prior probation dispositions. Therefore, if 166 inmates per year would be admitted for domestic battery with a previous conviction for domestic battery, a Class 3 felony with an increase in length of stay of 5 months, there would be a corrections population impact of 69 inmates, with additional operating costs of \$13,639,600 and construction costs of \$5,533,300 over ten years.

HB-3636 BURKE, KELLY - RITA - MCAULIFFE, SENTE AND SAVIANO.

770 ILCS 60/34 from Ch. 82, par. 34

Amends the Illinois Mechanics Lien Act. Adds, to the provisions concerning a written demand by an owner of real estate to a mechanics lienholder stating that the lienholder must file suit within 30 days or the lien is forfeited, the requirement that this express warning be included in the written demand: the failure to respond to the notice within 30 days after receipt of the notice results in forfeiture of the lien.

SENATE FLOOR AMENDMENT NO. 2

Adds reference to:

770 ILCS 60/16 from Ch. 82, par. 16

Further amends the Mechanics Lien Act. Describes "lien creditor". Provides that upon any questions arising between incumbancers and lien creditors, all previous incumbrances shall be preferred only to the extent of the value of the land at the time of making of the contract for improvements (instead of preferred to the extent of the value of the land) but shall not be preferred to the value of any subsequent improvements at the time of making of the contract (instead of preferred to the extent of the value of the land), and each lien creditor shall be preferred to the value of all subsequent improvements erected on the premises, whether or not provided by the lien creditor (instead of preferred to the value of the improvements erected on said premises), and the court shall ascertain what proportion of the proceeds of any sale shall be paid to the parties in interest. Provides that when the sale proceeds are insufficient to satisfy claims of both prior incumbancers and lien creditors, the sale proceeds shall be distributed in this manner: any previous incumbancer has a paramount lien in the portion of the proceeds attributable to the value of the land at the time of making of the contract for improvements;

and any lien creditors have a paramount lien in the portion of the proceeds attributable to all subsequent improvements made to the property. Effective immediately.

35 ILCS 200/18-185
 35 ILCS 200/18-205

Amends the Property Tax Extension Limitation Law in the Property Tax Code. Provides that, if the total equalized assessed value of all taxable property in the taxing district for the

current levy year (excluding new property, recovered tax increment value, and property that is annexed to or disconnected from the taxing district in the current levy year) is less than the total equalized assessed value of all taxable property in the taxing district for the previous levy year, then the extension limitation is (a) 0% or (b) the rate of increase approved by voters (instead of the lesser of 5% or the percentage increase in the Consumer Price Index during the 12-month calendar year preceding the levy year or (b) the rate of increase approved by voters). Effective immediately.

FISCAL NOTE (Dept. of Revenue)

HB 3793 will have no fiscal impact on State revenues. The Illinois Department of Revenue has no data that would allow it to determine a fiscal impact on local taxing districts that may potentially be affected.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

HB 3793 does not create a State mandate.

BALANCED BUDGET NOTE (Office of Management and Budget)

HB 3793 does not have any fiscal impact on State revenues. This legislation may result in lost revenues for local governments impacted by the Bill.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

The legislation potentially eliminates the property tax extension limitation if total equalized assessed valuation (EAV) of all taxable property in a taxing district for the current levy year is less than the total EAV of all taxable property in a taxing district for the previous year. Unable to determine exact dollar amount of savings due to differing equalized assessed valuations with Cook County.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 3793 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE (Government Forecasting & Accountability)

HB 3793 will not impact any public pension fund or retirement system in Illinois.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

HB 3793 does not pre-empt home rule authority.

CORRECTIONAL NOTE (Dept. of Corrections)

There are no penalty enhancements associated with HB 3793. This bill would have no fiscal or population impact on the Department of Corrections.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in this bill, therefore, there are no appraisals to be filed.

105 ILCS 5/30-11 from Ch. 122, par. 30-11
105 ILCS 5/30-12 from Ch. 122, par. 30-12

Amends the School Code. Provides that after June 1, 2012 persons may not be nominated for General Assembly scholarships and that General Assembly scholarships may not be awarded

after that date unless the nomination is made prior to that date. Prevents both second nominations for any lapsed General Assembly scholarship and nominating persons to the unused or unexpired parts of any vacated General Assembly scholarship after June 1, 2012. Effective immediately.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in this bill, therefore, there are no appraisals to be filed.

PENSION NOTE (Government Forecasting & Accountability)

HB 3810 will not impact any public pension fund or retirement system in Illinois.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

BALANCED BUDGET NOTE (Office of Management and Budget)

This bill does not have any significant, direct fiscal impact. Because public universities absorb the cost of tuition for those awarded a General Assembly scholarship, the elimination of this award will end the cost burden of the scholarship for State universities.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE (State Board of Education)

HB 3810 does not have a direct fiscal impact on the State. General Assembly Scholarships are actual waivers of tuition at the State universities and do not require an appropriation from the State. However, according to data from 11 of the 12 State universities impacted by General Assembly Scholarships, in aggregate, \$9.3 million in tuition has been waived in the 2011-2012 school year (not including summer 2012 tuition waivers). During the 2010-2011 school year, 11 of 12 State universities reported \$13.4 million in tuition had been waived.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 3810 would not change the amount of authorization for any type of State-supported bond, and, therefore, would not affect the level of State indebtedness.

CORRECTIONAL NOTE (Dept of Corrections)

There are no penalty enhancements associated with HB 3810. The bill would have no fiscal or population impact on the Department.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

HB 3810 does not create a State mandate.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

HB 3810 does not pre-empt home rule authority.

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:

105 ILCS 5/30-12.5

105 ILCS 5/30-13

105 ILCS 5/30-13.5 new

110 ILCS 205/9.29

from Ch. 122, par. 30-13

Replaces everything after the enacting clause. Amends the School Code and the Board of Higher Education Act. Deletes provisions concerning General Assembly scholarships (other than the captions to these provisions). Provides that before September 1, 2012, each member of the General Assembly may nominate persons to receive a scholarship or certificate of scholarship under the General Assembly scholarship provisions as they existed before the effective date of the amendatory Act. Provides that a person nominated to receive or awarded such a scholarship or certificate before September 1, 2012 is entitled to the scholarship under the terms of the General Assembly scholarship provisions as they existed before the effective date of the amendatory Act and other provisions of the School Code. Creates the Tuition and Fee Waiver Task Force to conduct a thorough review and evaluation of the tuition and fee waiver programs offered by public institutions of higher education as well as the findings and recommendations made by the Board of Higher Education in its tuition and fee waiver report. Sets forth provisions concerning the members of the task force, the task force's duties, public hearings, and administrative support. Requires the task force to submit a report setting forth its review and evaluation of the tuition and fee waiver programs offered by public institutions of higher education on or before April 15, 2013 to the Governor, the General Assembly, and the Board. Provides that upon filing its reports, the task force is

dissolved. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Provides that the Tuition and Fee Waiver Task Force shall consist of 2 members (instead of one member) appointed by the Minority Leader of the Senate and 2 members (instead of one member) appointed by the Minority Leader of the House of Representatives.

FISCAL NOTE (Government Forecasting & Accountability)

There are currently 22 members of the Chicago Teachers Pension fund on leave of absence working for a labor organization and 3 members of the Chicago Laborers fund on leave of absence working for a labor organization. It is unknown how many members of the Chicago Municipal Fund are currently on a leave of absence working for a labor organization. HB 3813 (H-AM 1 & 2), will have a positive fiscal impact on the affected pension funds to the extent that members who are on leave working for a labor organization will have their service credit and highest average annual salary calculated upon their municipal or teaching salary prior to the commencement of the leave of absence.

FISCAL NOTE (Government Forecasting & Accountability)

HB 3813 (H-AM 4), will have a positive fiscal impact on the affected pension funds to the extent that members who take a leave of absence to work for a labor organization will now have their service credit and pensionable salary calculated upon their municipal, public safety, or teaching salary prior to the commencement of the leave of absence or other employment. In addition, the bill specifies that such employees must pay the employer's normal cost for the period of the leave of absence, and that any additional unfunded liabilities due to such leaves of absences shall be remitted to the pension fund by the employee within one year of the identification of additional liabilities. These measures should ensure that no additional cost will accrue as a result of a leave of absence.

Replaces everything after the enacting clause. Amends the General Provisions, Downstate Police, Downstate Firefighters, Chicago Police, Chicago Firefighters, Chicago Municipal, Cook County, Chicago Laborers, State Universities, and Downstate Teachers Articles of the Illinois Pension Code. Provides that any reasonable suspicion by any appointed or elected commissioner, trustee, director, board member, or employee of a retirement system or pension fund created under the Code or the State Board of Investment of a false statement or falsified record being submitted or permitted by a person under the Code shall be immediately referred to the board of trustees of the applicable retirement system or pension fund created under the Code, the State Board of Investment, or the

State's Attorney of the jurisdiction where the alleged fraudulent activity occurred. Requires the board of trustees of a retirement system or pension fund or the State Board of Investment to immediately notify the State's Attorney of the jurisdiction where the alleged fraudulent activity occurred. Specifies the terms under which credit may be earned in each of the affected systems during leaves of absence to serve various labor organizations. Repeals and declares void ab initio a provision added to the Code by Public Act 94-1111. Defines "reasonable suspicion". Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Adds reference to:

40 ILCS 5/8-138 from Ch. 108 1/2, par. 8-138

40 ILCS 5/11-134 from Ch. 108 1/2, par. 11-134

In the Chicago Police Article, removes a requirement that the police officer be on special duty assignment. In the Chicago Municipal and Chicago Laborer Articles, provides that "final average salary", for a participant receiving credit for specified types of leave, means the highest average salary for any 4 consecutive years (or any 8 consecutive years if the employee first became a participant on or after January 1, 2011) in the 10 years immediately prior to the leave of absence, and adding to that highest average salary, the product of (i) that highest average salary, (ii) the average percentage increase in the Consumer Price Index during each 12 month calendar year for the calendar years during the participant's leave of absence, and (iii) the length of the leave of absence in years. Prohibits that amount, however, from exceeding the participant's salary at the local labor organization. In the State Universities Article, requires an individual to file an irrevocable election to become a participant before the effective date of the amendatory Act in order to have specified periods of leave applied to his or her service as an employee. In the Downstate Teachers Article, requires an individual to file an irrevocable election to become a participant before the effective date of the amendatory Act in order to have specified periods of leave applied to his or her service as a teacher. Makes the provisions of the Act severable.

15 ILCS 50/25 new

Amends the Gubernatorial Boards and Commissions Act. Provides that if a board or commission has not met at least once during a period of 2 consecutive years, then the board or commission is dissolved immediately after that 2-year period. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Gubernatorial Boards and Commissions Act. Provides that each statutorily created board or commission shall report to the Secretary of State on that board's or commission's last meeting prior to the effective date of the amendatory Act, and the report shall include the date, time, and location of the meeting. Provides that the Secretary of State shall submit a report to the Governor, the Secretary of the Senate, and the Clerk of the House of Representatives, listing all statutorily created boards and commissions that have not met in the 2 years immediately preceding the effective date of the amendatory Act. Provides that if a board or commission has not met at least once during the 2 years prior to the effective date of the amendatory Act and is reported as inactive by the Secretary of State, then the board or commission is dissolved. Provides that the Governor may prevent the dissolution of any board or commission by filing a written statement with the Secretary of State and the Senate that authorizes the continued existence of the board or commission and provides a rationale for the continued existence of the board or commission. Provides that the Legislative Reference Bureau shall prepare for introduction a revisory bill effecting such changes in the statutes as may be necessary to conform the statutes to the changes in law made by the dissolution of any boards and commissions. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 3

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 1, but makes changes. Provides that, within 60 days after the effective date of the amendatory Act (instead of, within 30 days after receiving the reports from the boards and commissions), the Secretary of State shall submit a report to the Governor, the Secretary of the Senate, and the Clerk of the House of Representatives, listing all statutorily created boards and commissions that have not met in the 2 years immediately preceding the effective date of the amendatory Act. Provides that, within 14 days after the 30-day period in which each board or commission must report to the Secretary of State, the Secretary of State shall provide, to each board or commission that has not met in the 2 years immediately preceding the effective date of the amendatory Act or that does not make the required report to the Secretary of State, written notice of the board's or commission's right to request that the Governor prevent the dissolution of the board or commission by filing a written statement. Provides that, within 75 days (instead of, within 60 days) after the Governor's receipt of the report submitted by the Secretary of State, the Governor may prevent the dissolution of any inactive board or commission by filing a written statement with the Secretary of State and the

Senate that authorizes the continued existence of the board or commission and provides a rationale for why the board or commission needs to exist. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 4

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 3, but makes changes. Provides that, within 10 days after the effective date of the amendatory Act, the Governor shall make reasonable efforts to notify each statutorily created board or commission of the reporting requirement imposed upon the board or commission and the right of the board or commission to request that the Governor prevent the dissolution of the board or commission. Provides that, within 60 days after the 30-day period in which each board or commission must report to the Secretary of State (instead of within 60 days after the effective date of the amendatory Act), the Secretary of State shall submit a report to the Governor, the Secretary of the Senate, and the Clerk of the House of Representatives, listing all statutorily created boards and commissions that have not met in the 2 years immediately preceding the effective date of the amendatory Act. Removes a provision requiring the Secretary of State to provide written notice to a board or commission of the board's or commission's right to request that the Governor prevent the dissolution of the board or commission by filing a written statement. Provides that each board or commission may request that the Governor prevent its dissolution. Makes technical corrections. Effective immediately.

- 720 ILCS 630/1 from Ch. 38, par. 65-1

Amends the School Code. In provision permitting a service animal to accompany a student with a disability at all school functions, whether in or outside the classroom, defines "service animal" to include an animal trained or being trained as: a hearing animal; a guide animal; an assistance animal; a seizure alert animal; a mobility animal; a psychiatric service animal; or an autism service animal. Provides that reasonable accommodations must be sought for the use of a service animal to accompany a student with a disability at all school functions, whether in or outside the classroom (rather than the service animal being permitted at all school functions). Amends the Guide Dog Access Act. Changes the title of the Act to the Service Dog Access Act. Includes mobility, psychiatric service, and autism service dogs in the list of animals that must be allowed access to a public place of accommodation if such dog is wearing a harness, backpack, or vest identifying the dog as a trained service dog and such person presents credentials for inspection issued by a school for training guide, leader, seizure-alert, seizure-response, or autism service dogs. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the introduced bill with the following changes. Restores to current law language that provides that service animals such as guide dogs, signal dogs or any other animal (instead of reasonable accommodations must be sought for the use of a service animal such as a guide dog, signal dog, or any other animal) individually trained to perform tasks for the benefit of a student with a disability shall be permitted (instead of with a disability) to accompany that student at all school functions. Changes the short title of the Guide Dog Access Act to the Service Animal Access Act (rather than the Service Dog

Access Act) and makes the Act applicable to animals other than dogs. Makes changes to the provision concerning animals that must be allowed access to a public place of accommodation. Makes other changes. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill, but (1) permits a person accompanied by a service animal and the service animal access and use of a public place of accommodation even if the animal is not wearing a harness, backpack, or vest identifying it as a service animal; (2) provides that "service animal" means a dog or miniature horse trained or being trained as a hearing animal, a guide animal, an assistance animal, a seizure alert animal, a mobility animal, a psychiatric service animal, an autism service animal, or an animal trained for any other physical, mental, or intellectual disability; and (3) defines "miniature horse". Effective immediately.

Effective immediately.

PENSION NOTE (Government Forecasting & Accountability)

The precise fiscal impact of HB 3857 cannot be determined. To the extent that persons who have historically taken such leaves of absence and received a public pension based on a union salary that far exceeded the individual's municipal or teaching salary, curbing this practice after the effective date of HB 3857 will have a positive fiscal impact on the affected funds. IMRF reports that there are currently 26 active members of the Illinois Municipal League who participate in IMRF who would no longer be eligible for participation in IMRF after the effective date of this bill.

HB-3893 GOLAR - MAYFIELD - FORD - HOWARD - DUGAN, LEITCH, JACKSON AND PENNY.

New Act

Creates the Consumer Alternatives Program Act. Directs the Department of Human Services to implement the Consumer Alternatives Program to prevent or avoid the unnecessary institutional care treatment of individuals with mental disorders or a co-occurring disorder of mental illness and substance abuse or addiction and to provide cost effective, community alternatives and supports that enable these individuals to live successfully in the community. Requires implementation of the Program during fiscal year 2013. Makes implementation of the Program dependent upon funds appropriated by the General Assembly. Provides that participants in the program may receive certain services such as a comprehensive evaluation that includes an assessment of skills, abilities, and potential for living in the community and work placement; family or individual support services; case coordination services; and vocational training. Prohibits the denial of program services because of age, sex, ethnic origin, marital status, ability to pay (except when contrary to law), degree of disability, or illness. Requires the Department of Commerce and Economic Opportunity to assist the Department of Human Services in developing housing assistance programs aimed at promoting the ability of individuals with a mental disorder to move from institutions to the most integrated community residence. Effective July 1, 2012.

40 ILCS 5/2-108.1 from Ch. 108 1/2, par. 2-108.1

Amends the General Provisions and General Assembly Articles of the Illinois Pension Code. In the General Provisions Article, provides that, if a participant's final average salary in a participating system under the Retirement Systems Reciprocal Act, other than the General Assembly Retirement System, is used to calculate a proportional retirement annuity for that participant under the General Assembly Retirement System and if that final average salary is higher than the highest salary for annuity purposes of that person under the General Assembly Retirement System, then the increased cost of the proportional annuity paid by the General Assembly Retirement System that is attributable to that higher level of compensation shall be paid by the employer of the participant under that system and not by the General Assembly Retirement System. In the General Assembly Article, provides that certain limitations on highest salary for annuity purposes apply to the earnings of a person who first became a member of the General Assembly Retirement System before August 22, 1994 if, on or after the effective date of the amendatory Act, that member irrevocably elects to have those limitations apply. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

Changes the payment responsibility from the reciprocal employer to the reciprocal system. Provides for payment in the form of a lump sum payment determined by the General Assembly Retirement System in accordance with its annuity tables and other actuarial assumptions.

SENATE COMMITTEE AMENDMENT NO. 1

Changes the payment responsibility from the reciprocal system to the employer of the participant under the reciprocal system. Provides that if the employer fails to pay the amount required to the General Assembly Retirement System for more than 90 days after the payment is due, the System, after giving notice to the employer, may certify to the State Comptroller the amount of the delinquent payment and the Comptroller shall deduct the amount so certified or any part thereof from any payment of State funds to the employer and shall pay the amount so deducted to the System. If State funds from which such deductions may be made are not available, then the System may proceed against the employer to recover the amount of the delinquent payment in the appropriate circuit court.

SENATE COMMITTEE AMENDMENT NO. 2

Provides that the payment condition is triggered only if the participant also retires after the effective date of the amendatory Act with less than 2 years of service credit that has accrued in the participating system since his or her last day of active participation in the General Assembly retirement System.

Provides that a taxi driver must be 21 years of age or older, must have a valid driver's license issued by any state in the United States, must have had a valid driver's license for at least 3 years, and during the immediately preceding 3-year period must not have been convicted of the following offenses: leaving the scene of a traffic accident involving death or personal injury; driving under the influence; reckless driving; drag racing; street racing; manslaughter or reckless homicide; or reckless conduct arising from the use of a motor vehicle. Also provides that if he or she, after becoming a taxi driver, is convicted of any of those offenses or ceases to be licensed, the taxi driver must immediately cease operating a taxicab and the prohibition shall continue until specified conditions are met. HOUSE COMMITTEE AMENDMENT NO. 1

Deletes reference to:
 625 ILCS 55/5
 Adds reference to:
 625 ILCS 55/15 new

Replaces everything after the enacting clause. Amends the Taxi Safety Act of 2007. Contains legislative findings. Provides that upon the request of a unit of government that licenses, registers, or otherwise regulates taxi drivers, the clerk of the circuit court in which the unit of government is situated shall furnish a list of all moving violations involving a vehicle with a taxi registration plate issued by the Secretary of State. Provides that in its request, the unit of government shall indicate the time period for which it seeks the information. Provides that the list furnished to the unit of government shall indicate the name of the defendant, the associated taxi registration plate number, the type of violation or alleged violation, and the disposition or status of each case. Provides that the list shall be accompanied by a report with a percentage breakdown of the total number of cases for which there was a plea of guilty or a finding of guilt and the total number of cases that were voluntarily dismissed for want of prosecution. Provides that the clerk of the circuit court may not generate the list for any individual or entity other than a unit of government that licenses, registers, or otherwise regulates taxi drivers.

SENATE COMMITTEE AMENDMENT NO. 1

In the findings Section, finds that by imposing a duty upon circuit court clerks to make certain information available (instead of the duty to compile the information), governments can take further steps to ensure pedestrian and driver safety. Provides that in counties in which vehicle citation records are not readily available to the public, the clerk of the circuit court shall furnish a list of all moving violations involving a taxi or an individual licensed or registered as a taxi driver upon the request of any unit of government that licenses registers, or otherwise regulates taxi drivers. Deletes language specifying that the disclosed records shall concern vehicles displaying taxi registration plates. Deletes language providing: that in its request, the unit of government shall indicate the time period for which it seeks the information; that the list furnished to the unit of government shall indicate the name of the defendant, the associated taxi registration plate number, the type of violation or alleged violation, and the disposition or status of each case; that the list shall be accompanied by a report with a percentage breakdown of the total number of cases for which there was a plea of guilty or a finding of guilt and the total number of cases that were voluntarily dismissed for want of prosecution; and that the clerk of the circuit court may not generate the list for any individual or entity other than a unit of government that licenses, registers, or otherwise regulates taxi drivers.

Provides that the Department shall reduce its payments by the amount available from the following sources: the decedent's assets and available resources and the anticipated amounts of any death benefits available to the decedent's estate, and amounts paid and arranged to be paid by the decedent's legally responsible relatives. Eliminates language establishing a minimum allowable amount of not less than \$1,000 for Department payment of funeral services and not less than \$500 for Department payment of burial or cremation services. Eliminates language requiring the Department on January 1, 2006, July 1, 2006, and July 1, 2007 to increase the minimum reimbursement amount for funeral and burial services by a percentage equal to the percentage increase in the Consumer Price Index for all Urban Consumers, if any, during the 12 months immediately preceding that January 1 or July 1.

FISCAL NOTE (Dept. of Public Health)

The cost to the Department of Public Health to implement HB 4117 is mostly unknown due to the fact that the number of facilities DPH would need to inspect is uncertain. The cost of a full ASTC survey is approximately \$3500 each. Assuming there are 7 Pregnancy Termination Centers (PTC) and approximately 300 physician offices or clinics that perform 50 or more medical or surgical abortions the cost would be \$1,074,500.

5 ILCS 315/1 from Ch. 48, par. 1601

Amends the Illinois Public Labor Relations Act. Makes a technical change in a Section concerning the short title.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

5 ILCS 315/1

Adds reference to:

5 ILCS 315/3 from Ch. 48, par. 1603

5 ILCS 315/7 from Ch. 48, par. 1607

20 ILCS 2405/3 from Ch. 23, par. 3434

Replaces everything after the enacting clause. Amends the Illinois Public Labor Relations Act. Defines "public employee" to include home care and home health workers, such as personal care attendants, personal assistants, and maintenance home health workers, who provide services through the Home Services Program of the Department of Human Services, no matter whether those persons provide those services through a direct fee-for-service arrangement, a managed care organization or other intermediary, or otherwise (now, the only Home Service Program providers who are included in that definition are personal care attendants and personal assistants). Specifies that home care and home health workers are not public employees for any purposes not specifically provided for in Public Act 93-204 or in the amendatory Act. Defines "employer" to include the State with respect to home care and home health workers who provide services through the Home Services Program, no matter whether those persons provide those services through direct fee-for-service arrangements, a managed care organization or other

intermediary, or otherwise (now, the only Home Service program providers for whom the State qualifies as an employer are personal care attendants and personal assistants). Limits collective bargaining, in the case of these employees, to terms and conditions of employment that are under the State's control. Makes corresponding changes in the Disabled Persons Rehabilitation Act. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:

5 ILCS 315/28 new

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill, but provides that the changes made by the amendatory Act apply to home care and home health workers who function as personal care attendants, personal assistants, and individual maintenance home health workers and who work under the Home Services Program under Section 3 of the Disabled Persons Rehabilitation Act (rather than to home care and home health workers, including personal care attendants, personal assistants, and individual maintenance home health workers, who work under the Home Services Program). Provides that the changes made by the amendatory Act do not apply to workers or consumers in the Home Based Support Services Program in the Department of Human Services Division of Developmental Disabilities. Effective immediately.
