Provides that the Act may now be cited to as the "Firearm Owners Identification Card and Certificate of Handgun Registration Act". Defines "certificate of handgun registration" and "handgun". Prohibits any person in the State from carrying or possessing a handgun without a certificate of handgun registration. Sets forth requirements concerning exemptions, applications for registration, registration fees, the distribution of moneys received from certain fees, and the denial of an application. Creates penalties for the possession of a handgun without a current certificate of registration, knowingly providing false or misleading information or evidence in connection with an application, and the failure to report to local law enforcement that a registered handgun is lost, stolen, missing, or destroyed. Sets forth procedures for the return of a certificate of registration for a handgun that is lost, stolen, or otherwise disposed of. Amends various Acts to make conforming changes.

FISCAL NOTE (Dept of Corrections)

There are no penalty enhancements associated with HB 5831. The bill would have no fiscal or population impact on the Department.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in this bill, therefore, there are no appraisals to be filed.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

HB 5831 may have a minimal increase in judicial workloads. However, it is not anticipated that the bill would increase the number of judges needed in the State.

PENSION NOTE (Government Forecasting & Accountability)

HB 5831 will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 5831 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

CORRECTIONAL NOTE (Dept of Corrections)

There are no penalty enhancements associated with HB 5831. The bill would have no fiscal or population impact on the Department.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE (Illinois State Police)

HB 5831 provides a monetary stimulus to register firearms within 90 days of the effective date of the bill which will create a huge influx of applications. The legislation requires the Illinois State Police to respond within 30 days after the initial application is received or allow for an appeal process if non-compliant. The Firearms Services Bureau (FSB) currently has a backlog in FOID application processing and the Relief Process for taxed FOID applicants. This process will further contribute to the already dated and taxed system. Given the incentive to register firearms within the initial 90 day window, the tremendous impact of applications would be overwhelming to FSB given the current staffing levels are at a historic low while managing record levels of FOID card applications. In addition, the number of gun owners or the number of guns purchased in Illinois is unknown. Due to these factors, the Illinois State Police is unable to provide the fiscal impact. However, further research will determine IT infrastructure needs, staffing, equipment and ancillary office supplies to comply with the legislation as written. Without significant upfront resources, the department would be unable to comply with the legislation as written.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

HB 5831 does not create a State mandate.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

HB 5831 does not pre-empt home rule authority.

BALANCED BUDGET NOTE (Office of Management and Budget)

HB 5831 as introduced has an unknown fiscal impact to the Illinois State Police. To fulfill the mandates included in this legislation, the Illinois State Police would need to spend approximately \$3 million in developing and implementing a sufficient information technology system; have sufficient time to develop and implement the aforementioned system; and hire additional staff to carry out the duties mandated. While a revenue stream is identified for the FOID Fund and the National Criminal Instant Background Check System Improvement Fund and the Illinois LEADS Information and Technology Improvement Fund are established, it is unclear if sufficient revenue will be generated to support the mandated operations.

Provides that no person may establish, own, or operate a facility in the State unless and until the person provides proof of liability insurance coverage to the Department of Public Health. Provides that an application for a license to operate a facility also shall include affirmative evidence of the ability to comply with the liability insurance requirement. Effective immediately.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

HB 6243 would neither increase nor decrease the number of judges needed in the State.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in this bill, therefore, there are no appraisals to be filed.

CORRECTIONAL NOTE (Dept of Corrections)

There are no penalty enhancements associated with HB 6243. The bill would have no fiscal or population impact on the Department. of Corrections.

PENSION NOTE (Government Forecasting & Accountability)

HB 6243 will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 6243 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

HB 6243 does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

HB 6243 does create a State mandate.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE (Dept. of Revenue)

The Illinois Department of Revenue has no data that would allow it to determine the fiscal impact of HB 6243.

BALANCED BUDGET NOTE (Office of Management and Budget)

The fiscal impact of HB 6243 cannot be determined at this time. However, it should be noted that there is potential for a decrease in revenue due to the change in the Long Term Care licensing fees. Further analysis by the Department of Healthcare and Family Services will need to be done to determine the maximum licensing fees allowed by Federal government rules and regulations.

FISCAL NOTE (Dept. of Healthcare & Family Services)

Because the fee, as described, would be an impermissible tax under the federal Medicaid law, the amount of tax collected would be deducted from the federal claim. Therefore, the State would lose \$0.50 in FFP for every \$1.00 collected. The net benefit to the State is only half the tax collected.

FISCAL NOTE (Dept. of Public Health)

The proposed fee structure is a minimum of \$50 to a maximum of \$5000. The plan review process is supposed to be self sustaining and dropping the fees will cause staff problems and also delays in plan review times.

Amends the State Employees Group Insurance Act of 1971. Shifts the costs of health

insurance coverage for future employees of certain higher education institutions from the State to those higher education institutions. Creates a new health benefit program for those employees, once they become annuitants, and for their dependent beneficiaries. Terminates provisions providing for the ongoing transfer of funds from the General Revenue Fund to the Teacher Health Insurance Security Fund and the Community College Health Insurance Security Fund. Amends the Illinois Pension Code. Requires certain employers to provide a tax-sheltered annuity retirement plan to eligible employees. Requires current members and participants to elect whether to maintain their current benefits in the State-funded retirement systems. Prohibits the State-funded retirement systems from accepting new members or participants. Changes the amount of the required State contributions to the State-funded retirement systems and, in the State Universities and Downstate Teacher Articles, shifts the liability for making those contributions to employers. Amends the State Pension Funds Continuing Appropriation Act. Terminates continuing appropriations from the General Revenue Fund to the Teacher Health Insurance Security Fund and the Community College Health Insurance Security Fund. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in this bill, therefore, there are no appraisals to be filed.

CORRECTIONAL NOTE (Dept of Corrections)

There are no penalty enhancements associated with HB 6252. The bill would have no fiscal or population impact on the Department. of Corrections.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

HB 6252 would neither increase nor decrease the number of judges needed in the State.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

HB 6252 does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

HB 6252 creates a personnel mandate under the State Mandates Act.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 6252 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

PENSION NOTE (Government Forecasting & Accountability)

HB 6252's closure of the five State-funded retirement systems to new hires may have a substantially positive fiscal impact for the State. However, the bill does not stipulate what the closure of these retirement systems will be replaced by, with the exception of the mandatory offering of 403(b) plans for TRS and SURS employers. An actuarial cost study would be required to evaluate whether the reduced State contributions to SERS, GARS, and JRS in future years as provided for in this bill would be justified by the closure of these systems to new members.

BALANCED BUDGET NOTE (Office of Management and Budget)

HB 6252 could provide significant savings to the fiscal year 2014 budget, approximately \$3.4 billion from reduced retirement contributions alone. However, it is not clear if the membership changes would reduce liabilities sufficiently to allow the retirement systems to continue paying benefits to annuitants and current employees who choose to remain covered.

FISCAL NOTE (Department of Insurance)

HB 6252 has no projected fiscal impact to the Illinois Department of Insurance.

Amends the General Provisions, General Assembly, State Employee, State Universities, and Downstate Teacher Articles of the Illinois Pension Code. In the General Provisions Article, creates a cash balance plan for new hires of the State Universities and Teachers' Retirement Systems and for certain Tier II participants. Increases the retirement age for certain Tier I members and participants. Changes the conditions of eligibility for, and the amount of, automatic annual increases for Tier I retirees. Increases required employee contributions for Tier I members and participants. Limits pensionable salary for Tier I participants. Changes the required State contribution to each of the affected retirement systems so that those systems are 100% funded by 2043. Guarantees certain funding levels. In the State Universities and Downstate Teacher Articles, shifts costs to local employers. Makes other changes. Amends the State Finance Act. To the list of standardized items of appropriation, adds "State retirement contribution for annual normal cost" and "State retirement contribution for unfunded accrued liability". Defines those terms. Amends the Governor's Office of Management and Budget Act. Adds those terms to a list of classifications to be used in statements and estimates of expenditures submitted to the Office in connection with the preparation of a State budget. Amends the State Mandates Act to require implementation without reimbursement. Includes an inseverability provision. Makes other changes. Effective immediately.

BALANCED BUDGET NOTE (Office of Management and Budget)

HB 6258 could provide significant savings to the fiscal year 2014 budget, approximately \$1.6 billion from reduced retirement contributions. However, because the bill contains an inseverability clause, a successful legal challenge to any single provision of the bill would invalidate the bill in its entirety.

FISCAL NOTE (Government Forecasting & Accountability)

HB 6258 will not have a discernible fiscal impact upon the operations of the Commission on Government Forecasting and Accountability.

PENSION NOTE (Government Forecasting & Accountability)

A recent cost study by SERS' actuary projects the State to save \$326 million in contributions in FY 2014 and over \$27 billion in contributions through FY 2045 by adopting the benefit changes in HB 6258. SURS' actuary projects the State will save \$333 million in contributions for FY 2014 and approximately \$18.8 billion in contributions through FY 2045 by adopting the benefit changes in HB 6258. TRS' actuary projects that the State will be able to reduce contributions in FY 2014 by \$1.22 billion by adopting this bill. Additionally, the State is projected to save \$114.17 billion in contributions through FY 2043. TRS's actuary did not provide data for FY 2044 and 2045

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 6258 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness. However, after each series of Pension Obligation Bonds and Notes are paid off, the General Revenue Funds being used to pay those debts off would be relegated to the Pension Stabilization Fund until State FY 2045 or until each of the designated retirement systems reaches 100% funding ratio.

Proposes to amend the Legislature Article of the Illinois Constitution concerning the passage of revenue bills. Provides that any bill resulting in the increase of revenue to the State by an increase of a tax on or measured by income or by an increase of a tax on or measured by the selling price of any item of tangible personal property may become law only by a vote of three-fifths of the members in each house of the General Assembly. Proposes to amend the Finance Article of the Illinois Constitution. Beginning in Fiscal Year 2014, limits aggregate appropriations and transfers from the State's general funds in a fiscal year. Allows the Governor to declare a fiscal emergency. If the Comptroller and Treasurer concur in the Governor's declaration, then the General Assembly, by a three-fifths vote, may authorize appropriations and transfers that exceed the limitation by law conditioned upon the approval of a majority of voters in the next general, primary, or special election. Requires excess revenues to be deposited into the Past Due Paydown Fund, State Budget Stabilization Fund, and the Taxpayer Relief Fund. Requires that, in each fiscal year, obligations of the State to retirement systems and pension funds created under the Illinois Pension Code must be met as provided in that Code. Effective upon being declared adopted.

SJR-0015 PANKAU - STEANS.

Resolves that in alignment with the Department of Human Services' Strategic Plan for Fiscal Years 2011-2017, all children and adults with developmental disabilities living in Illinois will receive high quality services guided by a person-centered plan that maximizes individual choice and flexibility in the most integrated setting possible regardless of intensity or severity of need.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the title. Reinserts similar provisions, but with the following changes: Resolves that taking in account the resources available to the State, the progress of the Division of Developmental Disabilities' 7-year Strategic Plan will be measured by how it increasingly and judiciously provides that Illinois citizens with developmental disabilities, including both those currently served and those awaiting services (as determined by Prioritization of Urgency of Need for Services (PUNS)), are served in the most integrated setting consistent with the protections under Olmstead (rather than resolving that the Division's Strategic Plan will employ national utilization or funding rates as benchmarks to measure progress, and the Division will continue to monitor the Prioritization of Urgency of Need for Services (PUNS) waiting list to evaluate system-wide service needs). Removes language resolving that the input from families and guardians will be respected and taken into consideration in conjunction with the wishes of the individual.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

SJR 15 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE (Dept. of Human Services)

Given the uncertainty of resources available, the rebalancing initiatives already underway, and Federal Healthcare, it is difficult for the Department of Human Services to estimate the costs and savings for the various components of this resolution.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

SJR 15 (H-AM 1) does not create a State mandate.

Establishes the percentages allocated to each House Appropriation Committee of available general funds revenues.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the heading with substantially similar provisions, but makes changes. Establishes the amounts and percentages of available general funds revenues allocated to each House appropriation committee. Establishes the amounts of the non-discretionary general funds spending items that shall be deducted from the allocations to the appropriation committees. Resolves that the amounts available to each appropriation committee are contingent upon actions being taken to reduce the accrual of Medicaid obligations incurred during State fiscal year 2013 in the amount of \$2,700,000,000. Provides that, if the reduction is not achieved in full, then the amounts available to each appropriation committee must be reduced accordingly. Resolves that if the actual amount of general funds that become available during State fiscal year 2013 exceeds the General Assembly's estimates, then that excess shall first be used to reduce the backlog of unpaid State obligations.

Establishes the percentages allocated to each House Appropriation Committee of available general funds revenues.

HOUSE COMMITTEE AMENDMENT NO. 2

Replaces everything after the heading with substantially similar provisions, but makes changes. Establishes the amounts and percentages of available general funds revenues allocated to each House appropriation committee. Establishes the amounts of the non-discretionary general funds spending items that shall be deducted from the allocations to the appropriation committees. Resolves that the amounts available to each appropriation committee are contingent upon actions being taken to reduce the accrual of Medicaid obligations incurred during State fiscal year 2013 in the amount of \$2,700,000,000. Provides that, if the reduction is not achieved in full, then the amounts available to each appropriation committee must be reduced accordingly. Resolves that if the actual amount of general funds that become available during State fiscal year 2013 exceeds the House's estimates, then that excess shall first be used to reduce the backlog of unpaid State obligations.

Expresses serious concerns that the Illinois Commerce Commission Order, entered on May 29, 2012 in Commission Docket No. 11-0721, fails to reflect the statutory directives and the intent of the Illinois General Assembly in Public Acts 97-616 and 97-646.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the title. Reinserts the introduced resolution with changes. Replaces references from recovery of return to recovery of debt return. Replaces a resolve clause with language that provides that the General Assembly urges the Illinois Commerce Commission, on rehearing, to strongly consider reversing its conclusions with respect to each of the 3 issues and reach a decision that reflects the statutory directives and the intent of the General Assembly in passing Public Acts 97-616 and 97-646 and that are reaffirmed in the resolution.
