Amends the Mental Health and Developmental Disabilities Confidentiality Act. Provides that the mental health records of a recipient may be disclosed in a civil, criminal or administrative proceeding in response to a subpoena, discovery request, or other lawful process in cases involving criminal sexual assault, aggravated criminal sexual assault, criminal sexual abuse, or aggravated criminal sexual abuse when the recipient is the alleged perpetrator of the offense and the disclosure relates directly to the fact or immediate circumstances of the offense, if and only to the extent the court in which the proceedings have been brought, or, in the case of an administrative proceeding, the court to which an appeal may be taken, finds, after an in camera examination, that it is relevant, probative, not unduly prejudicial or inflammatory, and otherwise admissible provided that other satisfactory evidence is not available regarding the facts sought to be established.

SENATE COMMITTEE AMENDMENT NO. 1

Further amends the Mental Health and Developmental Disabilities Confidentiality Act. Deletes the language added by the introduced bill and adds similar language with the following changes: provides that the language applies to the disclosure of records of a recipient in cases involving sexual assault or sexual abuse (instead of criminal sexual assault, aggravated criminal sexual assault, criminal sexual abuse, or aggravated criminal sexual abuse) when the recipient is the alleged perpetrator; deletes a requirement that the court find that the evidence to be disclosed is not unduly prejudicial or inflammatory; replaces a requirement that the evidence to be disclosed is otherwise admissible with a requirement that it is otherwise discoverable; and adds language providing that a court may enter a protective order to prevent harm from the

disclosure of the records.

SENATE FLOOR AMENDMENT NO. 2

Adds language providing that, if findings are made in accordance with the provisions added by the bill, the court shall issue an order authorizing the disclosure of the records of a recipient or the issuance of a subpoena for the records to be delivered to the court for an in camera examination. 5 ILCS 375/10 from Ch. 127, par. 530

Amends the State Employees Group Insurance Act of 1971. Requires, beginning on the effective date of the amendatory Act, retired employees, annuitants, and survivors to pay premiums in order to obtain coverage for themselves and any dependents under the program of group health benefits. Requires the Director to determine the amount of the premium to be paid by each retired employee, annuitant, and survivor, based upon a system that takes into account (i) points, which are calculated by summing the retiree's age when benefits commenced and his or her total years of service, and (ii) annual State pension income. Specifies that, with respect to any annuitant, retired employee, or survivor covered by a collective bargaining agreement in effect on the effective date of the amendatory Act and until that collective bargaining agreement terminates, the obligation of each retired employee, annuitant, and survivor to pay the required premium applies only to the extent that the obligation is consistent with any contractual obligations existing in any collective bargaining agreement in effect on the effective date of the amendatory Act. Allows the Director, upon the expiration of any collective bargaining agreement in effect on the effective date of the amendatory Act, to alter the schedule of premium contributions to ensure that 49% of the costs associated with the basic program of group health benefits are covered by participating retired employees, annuitants, and survivors. Replaces everything after the enacting clause. Amends the Illinois Insurance Code. Sets forth legislative findings concerning phototherapy treatment for psoriasis. Provides that with regard to an insured who is prescribed phototherapy treatment for psoriasis from a physician, a physician may determine whether, in the physician's opinion, the failure of a patient to undergo the prescribed course of phototherapy treatment would increase the likelihood that the patient will need to be shifted to a more costly course of treatment and that insurance plans may seek physician certification that such factor exists. Provides that in cases where the physician has made such a determination, no group or individual health insurer shall (i) charge a copayment for a prescribed course of phototherapy treatment that exceeds 50% of the first phototherapy treatment or (ii) charge copayments for additional phototherapy treatments performed under the same course of treatment.

- Adds reference to:

705 ILCS 405/5-750

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987. Provides that a delinquent minor shall be committed to the Department of Juvenile Justice when it is the least restrictive alternative based on evidence that efforts were made to locate less restrictive alternatives to secure confinement and the reasons why efforts were unsuccessful in locating a less restrictive alternative to secure confinement. Provides that when a minor of the age of at least 13 years is adjudged delinquent for an offense classified as a misdemeanor or a non-violent felony, there is a presumption in favor of community based treatment rather than secure confinement. Provides that the order of the court shall require the preparation and filing with the court of an individualized case plan, which shall include documentation of less restrictive alternatives to secure confinement and shall include an individualized reentry plan to return the minor to his or her home as soon as possible with supportive services to ensure his or her successful reentry.

HOUSE FLOOR AMENDMENT NO. 5

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987. Provides that the court may not commit a minor to the Department of Juvenile Justice unless it finds that commitment to the Department of Juvenile Justice is the least restrictive alternative based on evidence that efforts were made to locate less restrictive alternatives to secure confinement and the reasons why efforts were unsuccessful in locating a less restrictive alternative to secure confinement. Provides that before the court commits a minor to the Department of Juvenile Justice, it shall make a finding that secure confinement is necessary, following a review of specified individualized factors. Provides that before the court commits a minor to the Department of Juvenile Justice, the court must find reasonable efforts have been made to prevent or eliminate the need for the minor to be removed from the home, or reasonable efforts cannot, at this time, for good cause, prevent or eliminate the need for removal, and removal from home is in the best interests of the minor, the minor's family, and the public.

New Act

Creates the Prisoner Census Adjustment Act. For purposes of creating election districts and redistricting, requires that State and local governmental bodies use census figures adjusted to reflect the pre-incarceration addresses of persons imprisoned in State or federal facilities in Illinois. Requires the Secretary of State to make the adjustments based upon information reported by State and local governmental entities that operate or place persons in facilities. Imposes the requirements beginning after the next federal decennial census.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill

Provides that the Secretary of State shall prepare and disseminate adjusted population counts no later than the next August 1 (instead of September 1) following the date on which the tract-level population counts for the State are released by the director of the Bureau of the Census. Provides that reports by State and local governmental entities that operate facilities for incarcerated persons must be submitted no later than May 1 (instead of June 1) of the year in which the census is conducted. Provides that districts, wards, and precincts must be redistricted according to the adjusted population counts (the introduced bill provides that the district, ward, or precinct must not vary from the adjusted count by more than 5%). Effective January 1, 2020.

CORRECTIONAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept of Corrections)

There is no corrections population with associated fiscal costs to the Department of Corrections.

305 ILCS 5/12-4.4a new

Amends the Illinois Public Aid Code. Provides that every electronic benefits transfer ("LINK") card issued on or after the effective date of this amendatory Act by the Department of Human Services for the purpose of enabling the cardholder to obtain food stamp benefits or cash must include on the card's face a photograph of the cardholder. Provides that within 6 months after the effective date of this amendatory Act, the Department shall replace every still-valid card issued before that date with a card that includes on its face a photograph of the cardholder.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Illinois Public Aid Code. Requires the Secretary of Human Services to seek a waiver from the United States Department of Agriculture to allow the State to include on the face of every LINK card issued to a recipient of SNAP benefits (formerly food stamps) or cash assistance under the Code a photo of the cardholder. Requires the Department of Human Services to provide the Illinois General Assembly with various good faith cost estimates including the estimated cost of replacing every still-valid LINK card with a card that contains on its face a photo of the cardholder and the estimated cost of "phasing-in" new photo identification cards issued under the current contract with the current LINK card vendor. Provides that the Department shall suggest a process to the Illinois General Assembly that allows the caregiver of a recipient of SNAP benefits or cash assistance under this Code to use the recipient's LINK card on the recipient's behalf. Provides that the Illinois General Assembly shall through legislation determine whether it wishes to implement the wavier based on projected cost estimates and other matters.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in this bill.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 161 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 161(H-AM 1) will not impact any public pension fund or retirement system in Illinois.

BALANCED BUDGET NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Office of Management and Budget)

This legislation will have a minimal fiscal impact on the State budget.

FISCAL NOTE (Dept. of Human Services)

There will be a substantial cost to this legislation. All Link cards must have photos within a short period. The DHS Family & Community Resource Centers (FCRCs) would need to issue the cards with the photos, and the Link contractor agree to discontinue mailing cards, for which they are reimbursed. Since about two-thirds of the approximately 60,000 monthly cards are mailed, this would place a major burden on the FCRCs and result in new costs for staff and equipment. Additional equipment would have to be installed in each local field office, including camera, software, and printers; other incurred costs would be for the cards themselves, system changes, and changes with the contractor. The card production and equipment would cost in the range of \$2 to \$4 million, plus recurring expenditures. Additional staff and resources would also be needed to issue the cards at the FCRCs.

HOME RULE NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

HB 161 (H-AM 1) does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

HB 161 (H-AM 1) does not create a State mandate.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

JUDICIAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

Would neither increase nor decrease the number of judges needed in the state.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Human Services)

HB 161 (H-AM 1) has an estimated minimal fiscal impact to the Department of Human Services.

HB-0171 THAPEDI - RAMEY - DELUCA - COLADIPIETRO - BEISER AND SULLIVAN.

410 ILCS 82/35

Amends the Smoke Free Illinois Act to include in the list of areas where smoking is allowed, designated segregated ventilated smoking rooms in gaming facilities that are licensed, provided that the segregated smoking room is only accessible to persons who have requested in writing to have access to the smoking room and the smoke from the room shall not infiltrate into any other areas where smoking is prohibited. Imposes conditions on any rulemaking authority.

BALANCED BUDGET NOTE (Office of Management and Budget)

This legislation does not appear to have a significant implementation cost as existing facilities would incur any costs associated with establishing designated smoking areas. Any costs connected with this legislation cannot be determined at this time.

FISCAL NOTE (Dept. of Public Health)

HB 171 would not have fiscal impact on the Department of Public Health.

FISCAL NOTE (Illinois Gaming Board)

Existing casinos all have designated, segregated, ventilated smoking areas just outside the casino and therefore HB 171 will have minimal or no fiscal impact.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 171 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE (Illinois Racing Board)

HB 171 has no fiscal impact in relation to the operation and/or appropriation of the Illinois Racing Board. Furthermore, enactment of HB 171 will likely result in a negligible increase in wagering handle and state pari-mutuel taxes.

FISCAL NOTE (Illinois Gaming Board)

HB 171 could have a positive impact on revenues. The amount is unknown.

FISCAL NOTE (Illinois Gaming Board)

HB 171 will have no fiscal impact in relation to the operation and/or appropriation of the Illinois Racing Board. The Illinois horse racing industry has experienced significant attendance and wagering handle declines over the past several years. Enactment of HB

171 will minimally, mitigate the recurrent decreases in patron attendance, waging handle and State pari-mutuel taxes and potentially generate overall industry and State revenue increases.

FISCAL NOTE (Government Forecasting & Accountability)

HB 171 would have no fiscal impact on the Commission of Government Forecasting and Accountability.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

HB 171 does not create a State mandate.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

HB 171 does not pre-empt home rule authority.

765 ILCS 605/18.3a new

Amends the Illinois Income Tax Act and the Condominium Property Act. Provides that a condominium unit owners' association that is created on or after the effective date of the amendatory Act must require that all members of its board of managers complete a management training seminar. Provides that a member of a board of managers of such an association is entitled to a credit against his or her Illinois income tax liability in an amount equal to 50% of the cost of that training. Effective immediately.

BALANCED BUDGET NOTE (Office of Management and Budget)

HB 172 will cause a negative fiscal impact to the State. This negative impact cannot be determined at this time, but will reduce revenues collected for the State's Income Tax.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 172 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

Amends the Charter Schools Law of the School Code. Allows an additional 5 charter schools devoted exclusively to students from low-performing or overcrowded schools to operate at any one time in Chicago. Defines "low-performing school" and "overcrowded school". Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that of the 70 charter schools that are permitted to operate at any one time in a city having a population exceeding 500,000, not more than 5 charter schools devoted

exclusively to students from low-performing or overcrowded schools are allowed (instead of allowing an additional 5 charter schools devoted exclusively to students from low-performing or overcrowded schools to operate in a city having a population exceeding 500,000).

SENATE FLOOR AMENDMENT NO. 2

Provides that of the 70 charter schools that are permitted to operate at any one time in a city having a population exceeding 500,000, at least (instead of not more than) 5 charter schools devoted exclusively to students from low-performing or overcrowded schools are allowed. Provides that those charter schools operating in the city that are permitted to be devoted exclusively to re-enrolled high school dropouts may also be devoted exclusively to students at risk of dropping out. Provides that any charter school with a mission exclusive to educating high school dropouts may grant priority (instead of restrict) admission to students who are high school dropouts or at risk of dropping out (instead of only high school dropouts).

GOVERNOR AMENDATORY VETO MESSAGE

Recommends that those charter schools operating in a city having a population exceeding 500,000 that are permitted to be devoted exclusively to re-enrolled high school dropouts may also be devoted inclusively or exclusively to students 16 or 15 years old at risk of dropping out (rather than exclusively to students at risk of dropping out). Recommends definitions for priority admission and students at risk of dropping out.

5 ILCS 377/10-10

Replaces everything after the enacting clause. Amends the State Employee Health Savings Account Law. Defines a dependent as a person who qualifies as a dependent under a specific provision of the State Employee Group Insurance Act of 1971 and who, if age 26 or above, also qualifies as a dependent under a specific provision of the Internal Revenue Code. Includes the child of a party to a civil union as a dependent. Requires a party to, or the child of a party to, a civil union to qualify as a dependent under the Internal Revenue Code in order to qualify as a dependent. Provides that in order to qualify as an eligible individual an employee may not be entitled to Medicare or be claimed as a dependent on another person's tax return. Changes the maximum deductible for high deductible health plans from \$5,000 for plans providing self-only coverage and \$10,000 for plans providing family coverage to, in both cases, the highest level authorized by the federal Internal Revenue Service. Delays the date by which each employer must make a health savings account program available to each eligible individual and upon which each individual may deposit contributions into a health savings account. Exempts certain employers from the requirement to make a health savings account available to each eligible individual. Also makes technical changes. Effective immediately.

New Act

35 ILCS 5/223 new

Replaces everything after the enacting clause. Creates the Interactive Digital Media Tax Credit Act. Entitles interactive digital media companies that meet certain requirements to an income tax credit based on the amount of the Illinois labor expenditure and Illinois production spending approved by the Department of Commerce and Economic Opportunity for the production. Authorizes taxpayers to take the credit beginning in the taxable year in which the company has met the investment requirement. Provides for the transfer of credits. Requires the Department to submit a report concerning the program to the General Assembly no later than July 1, 2017. Provides that the Act is repealed on July 1, 2018. Amends the Illinois Income Tax Act to make conforming changes. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Under the definition of "base Illinois production spending", provides that the average amount of expenses incurred by the applicant for all productions in calendar years 2009, 2010, and 2011 includes compensation paid to vendors for contractual or salaried employees of the vendor (rather than compensation paid to contractual or salaried employees) who are Illinois residents and who perform services with respect to the accredited production. Provides that "credit" means (i) an amount equal to 30% of the (a) Illinois production spending and (b) Illinois labor expenditure for the taxable year; and (ii) an additional amount equal to 5% of the Illinois production spending if the accredited production company is located in a geographic area of high poverty or high unemployment. Under the definition of "Illinois production spending", provides that the expenses incurred by the applicant for an accredited production above the base Illinois production spending include the compensation paid by a vendor for contractual or salaried employees of the vendor (rather than, the compensation for contractual or salaried employees) who are Illinois residents performing services with respect to the accredited production. Further amends the Illinois Income Tax Act to delete a provision exempting the Section concerning the Interactive Digital Media Tax Credit from the sunset provisions of the Act.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes reference to:
405 ILCS 5/1-102 from Ch. 91 1/2, par. 1-102
Adds reference to:
New Act

Replaces everything after the enacting clause. Creates the Ultrasound Opportunity Act. Sets forth legislative findings and definitions. Provides that at any facility where abortions are performed the physician who is to perform the abortion, the referring physician, or another qualified person working in conjunction with either physician shall offer any woman seeking an abortion after 6 weeks of gestation an opportunity to receive and view an active ultrasound of her unborn child by someone qualified to perform ultrasounds at the facility, or at a facility listed in a listing of local ultrasound providers provided by the facility, at least one hour prior to the woman having any part of an abortion performed or induced, and prior to the administration of any anesthesia or medication in preparation for the abortion. Provides that the Department of Public Health shall prepare and make available a reporting form, to be submitted by each abortion facility to the Department annually. Provides that the requirements of the Act shall not apply when, in the medical judgment of the physician performing or inducing the abortion, there exists a medical emergency. Contains a severability provision. Effective immediately.

CORRECTIONAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept of Corrections)

This legislation has no fiscal or population impact on the Department of Corrections.

JUDICIAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

Would neither increase nor decrease the number of judges needed in the state.

BALANCED BUDGET NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Office of Management and Budget)

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 786 (H-AM 1) will not impact any public pension fund or retirement system in Illinois.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

HB 786 (H-AM 1) does not create a State mandate.

The forms the Department of Public Health (DPH) currently uses to collect information from providers regarding abortions can be modified with minimal fiscal impact to comply with the provisions of HB 786 (H-AM 1). However, since the cost of any ultrasounds provided as a result of this bill would not be borne by DPH, the Department has not estimated those costs, which would depend on the number of ultrasounds actually performed and could be significant.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept of Corrections)

This legislation has no fiscal or population impact on the Department.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Government Forecasting & Accountability)

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept. of Public Health)

There are two fiscal issues with this bill. The total estimated cost per year to the Illinois Department of Public Health to develop a report and collect the data would be approximately \$275,000. 725 ILCS 5/124C-5 new

725 ILCS 5/124C-15 new

Replaces everything after the enacting clause. Amends the Code of Criminal Procedure of 1963. Adds the Smart Enforcement Law to the Code. Provides that the Illinois State Police and other agencies of the State of Illinois, as appropriate, shall create a means by which counties and local jurisdictions seeking not to participate in the "Secure Communities" program will be able to withhold their participation. Specifies that the "Secure Communities" program is an effort to identify aliens who are convicted of a crime, sentenced to imprisonment, and who may be deportable, and remove them from the United States once they are judged deportable; includes other findings. Provides that any county participating in the "Secure Communities" program shall submit to the Illinois State Police, on the first day of each month, certain information concerning detainers issued to county jails during the preceding calendar month by U.S. Immigration and Customs Enforcement (ICE) requesting that the jail hold an individual until ICE takes that individual into its custody. Provides that the Illinois State Police shall conduct annual evaluating of: (1) the efficacy of the "Secure Communities" program in meeting its stated goal of identifying noncitizens convicted of crimes (in particular compared to the rates at which the program identifies noncitizens without criminal convictions), and (2) the costs of such programs to the State and to local law enforcement agencies. Provides that the State of Illinois shall not use any State funds for the purpose of facilitating the removal by U.S. Immigration and Customs Enforcement (ICE) of any individual who has not been convicted of a criminal offense. Effective immediately.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept of Corrections)

This legislation has no fiscal or population impact on the Department.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Illinois State Police)

The potential fiscal impact of HB 929 (H-AM 1) is \$145,270. This would cover the cost of entering data received by the Illinois State Police, Bureau of Identification, on a monthly basis from the counties and compiling and evaluating the data annually. The potential cost of developing an electronic data collection, storage, and reporting system would need to be evaluated by the Illinois State Police, Information Services Bureau, in order to capture any additional costs.

Effective immediately.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Transportation)

No land conveyances are included in this bill.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 1032 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting &

Accountability)

According to SERS, HB 1032, as amended by HA 1, may have a significant fiscal impact. Currently, worker's comp benefits are treated as an offset against disability benefits paid by SERS. To the extent that the retirement system must assume the full cost of disability benefits without a worker's comp offset, there would be a negative fiscal impact resulting from HB 1032, as amended by HA 1. An updated impact note will be issued when more information is made available to CGFA staff by the retirement systems.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

Although it is not possible to determine costs with any exactness, passage of the bill will have a substantial fiscal impact on the Supreme Court's budget. Based upon information contained in the Annual Report of the Illinois Workers' Compensation Commission, in Fiscal Year 2009, 55,497 new cases were filed with the Commission. Assuming 55,000 cases as representative of the annual average, and depending on the complexity of the cases filed, the jurisdictional expansion in the circuit courts, will result in an increase in judicial caseloads and, correspondingly, the number of judges and court staff necessary to expeditiously dispose of these matters. In Fiscal Year 2012, the annual salary of a circuit court judge will be \$180,802.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

Based upon information contained in the Annual Report of the Illinois Workers' Compensation Commission, in Fiscal Year 2009, 55,497 new cases were filed with the Commission. Assuming 55,000 cases as representative of the annual average, and depending on the complexity of the cases filed, the jurisdictional expansion in the circuit courts, will result in an increase in judicial caseloads and, correspondingly, the number of judges and court staff necessary to expeditiously dispose of these matters.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Office of Management and Budget)

The legislation is not clear regarding claims processing or whether there would be medical fee limits or caps on awards on awards and settlements. The fiscal impact to the State of Illinois is unknown at this point in time.

HB-1130 SENTE - FRANKS - PRITCHARD - SULLIVAN AND WINTERS.

New Act

Creates the Movable Soccer Goal Safety Act. Requires any organization that sets up, moves, or stores a movable soccer goal to follow all applicable guidelines for anchoring, securing, and counterweighting a movable soccer goal as those guidelines are set forth in "Guidelines for Movable Soccer Goal Safety", a publication of the U.S. Consumer Product Safety Commission. Provides that beginning on the effective date of the Act, no commercial dealer, manufacturer, importer, distributor, wholesaler, or retailer may manufacture, re-manufacture, retrofit, distribute, sell at wholesale or retail, contract to sell or resell, lease, or sublet, or otherwise place in the stream of commerce, a movable soccer goal that is not tip-resistant. Requires movable soccer goals with specified measurements to comply with applicable ASTM standards. Provides that a violation of the Act is a petty offense for which a fine not to exceed \$500 may be imposed. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Removes a provision requiring an organization to comply with the "Guidelines for Movable Soccer Goal Safety". Requires instead that an agent or employee of an organization (i) not knowingly cause a movable soccer goal to be unanchored or improperly anchored and (ii) upon being notified of an unanchored or improperly anchored movable soccer goal, ensure that the goal is properly anchored or eliminate the risk that the goal will inadvertently tip over by laying it forward onto its face or otherwise securing it from being used in its unanchored position. Makes the ban on the sale and distribution on goals that are not tip-resistant effective one year after the effective date of the Act (instead of on the effective date of the Act). Removes a provision that made a violation of the Act a petty offense. Requires the Department of Public Health to provide technical assistance materials by June 30, 2012. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 3

Replaces a provision that created a statutory standard of care for the use of movable soccer goals with a provision that requires each organization that owns and controls a movable soccer goal to create a soccer goal safety and education policy.

New Act

Creates the Illinois Residential Real Property Transfer on Death Instrument Act. Defines terms. Provides the requirements for an owner to transfer residential real estate by a transfer on death instrument. Provides that a transfer on death instrument is a revocable nontestamentary instrument. Requires that an owner who makes or revokes a transfer on death instrument must have the same capacity as the capacity required to make a will. Provides that a transfer on death instrument must include the essential elements and formalities of a deed and be recorded

in the recorder's office before the owner's death. Provides that a transfer on death instrument does not require notice, delivery, or consideration. Provides that revocation of a transfer on death instrument may be accomplished by another transfer on death instrument that revokes the instrument expressly or by an inconsistency which is recorded before the owner's death. Describes the effects that a transfer on death instrument does and does not have, during an owner's life. Provides that a beneficiary under a transfer on death instrument has, at the owner's death, the right to disclaim or refuse to accept the transfer. Provides for the manner of acceptance of a transfer by the beneficiary. Provides that a beneficiary of a transfer on death instrument is subject to the claims of creditors and statutory claimants to the same extent as a beneficiary of any nontestamentary transfer. Describes applicable statute of limitations to contest the validity of a transfer on death instrument. Provides that the preparation of a transfer on death instrument or its revocation is the practice of law. Provides a statutory form for a notice of death affidavit and acceptance of a transfer on death instrument.

SENATE COMMITTEE AMENDMENT NO. 1

Further amends the Illinois Residential Real Property Transfer on Death Act. Provides that the failure to comply with any of the requirements for a transfer on death instrument renders the instrument void. Provides that if a beneficiary under a transfer on death instrument does not file a notice of death certificate and acceptance within 30 days, the personal representative of the owner's estate may, with notice to the beneficiary, take possession of the residential real estate as part of the deceased owner's estate. Provides that a transfer on death instrument is void if a notice of death affidavit and acceptance is not filed within 2 years after the owner's death. Provides that a transfer on death instrument or its revocation shall be prepared by an Illinois licensed attorney, but an owner may prepare his or her own transfer on death instrument or revocation (instead of a non-attorney who prepares or supervises the execution of an instrument or revocation is guilty of an unlawful practice under the Consumer Fraud and Deceptive Business Practices Act). Makes other changes.

HB-1210 FORD - MAYFIELD - FLOWERS - LILLY.

New Act

Creates the State Employment Application Act. Provides that an application for State employment may not contain any question as to whether the applicant was convicted of or placed on supervision for a non-violent criminal offense but must contain a question as to whether the applicant for State employment has ever been convicted of a violent offense that is classified as a felony. Provides that nothing in the Act shall be construed to prohibit a State agency from conducting a criminal background check of an applicant for State employment. Provides that if a federal or State law disqualifies a person convicted of certain offenses from holding a position, an application for that position may inquire as to whether the applicant has been convicted of a disqualifying offense. Provides that if an applicant is applying for a position of peace officer, an application for that position may inquire as to whether the

applicant has been convicted of a disqualifying offense. Provides that nothing in the Act prohibits a decision to refuse to hire on the basis that the applicant has been convicted of a criminal offense. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Re-inserts the introduced bill with the following changes. Adds language providing that: an application form may seek information regarding an individual applicant's credentials, educational and prior work history, training, and other information pertinent to an assessment of the applicant for employment with the State; and the term "application" does not include testing material or a form requesting an applicant's permission to perform a background check. Deletes the definition of "violent offense". Provides that, subject to an exception concerning a disqualifying offense, an application for State employment may not contain any question as to whether the applicant was convicted of or placed on supervision for a criminal offense (rather than for a non-violent criminal offense). Deletes language providing that an application for State employment must contain a question as to whether the applicant for State employment has ever been convicted of a violent offense that is classified as a felony. Adds language providing that: except as otherwise required by State or federal law, a State agency is not prohibited from requiring an applicant to complete a release form granting the applicant's permission to conduct a background check; the background check release form and any form other than an initial application form may inquire as to the applicant's criminal conviction history; and a background check release form authorizing an inquiry into an applicant's criminal background may not be required of an applicant until after the applicant has been interviewed for, or conditionally offered, a position. Adds language providing that the Act does not apply to current State employees or documents they are required to complete for promotions, salary increases, transfers to other agencies, applications for new positions, or any other changes in position or status. Changes the effective date to January 1, 2013.

Amends the School Code. Establishes the School District Realignment and Consolidation Commission to make recommendations to the Governor and General Assembly on the number of school districts in this State, the optimal amount of enrollment for a school district, and where consolidation and realignment would be beneficial.
