Replaces everything after the enacting clause. Creates the Methamphetamine Precursor Tracking Act. Establishes a statewide precursor tracking program coordinated and administered by the Illinois State Police to track purchases of targeted methamphetamine precursors across multiple locations: (1) for the likely purpose of manufacturing methamphetamine; (2) to starve methamphetamine manufacturers of the methamphetamine precursors they need to make methamphetamine; (3) to locate and shut down methamphetamine laboratories; and (4) ultimately to reduce the harm that methamphetamine manufacturing and manufacturers are inflicting on individuals, families, communities, first responders, the economy, and the environment in Illinois

and beyond. Provides that every covered pharmacy must comply with the Act. Provides that the regulation of the tracking of methamphetamine precursors is an exclusive power and function of the State. Provides that a county or municipality, including a home rule unit, may not regulate the tracking of methamphetamine precursors. Provides that the tracking program created by the Act is the sole precursor tracking program in Illinois. Amends the Methamphetamine Precursor Control Act to make conforming changes. Also prohibits a county or municipality, including a home rule unit, from regulating the sale of targeted methamphetamine precursors and targeted packages. Effective immediately.

Provides that all long-term care facilities for the mentally ill shall be licensed by the Department of Public Health under the Specialized Mental Health Rehabilitation Act instead of under the Nursing Home Care Act. Makes the provisions in the Specialized Mental Health Rehabilitation Act substantially the same as those in the Nursing Home Care Act. Amends various Acts to make conforming changes. Amends the Illinois Act on the Aging and the Criminal Identification Act to include certain references to the MR/DD Community Care Act. Amends the MR/DD Community Care Act. HOUSE COMMITTEE AMENDMENT NO. 3

Makes a change in the provision of the Specialized Mental Health Rehabilitation Act concerning payments to facilities to provide that any change in rate methodology shall be made in statute. Further amends the MR/DD Community Care Act. Provides that a facility shall promptly notify (rather than only notify) the coroner or medical examiner of a resident's death. Further amends the Hospital Licensing Act. Replaces everything after the enacting clause. Creates the State Healthcare Purchasing Reorganization and Oversight Act and amends various Acts. Supersedes Executive Order 3 (2005), except for the portion of that Executive Order that renamed the Department of Public Aid as the Department of Healthcare and Family Services. Transfers certain powers, duties, rights, and responsibilities related to State healthcare purchasing (including (i) rate development and negotiation with hospitals, physicians, and managed care providers, (ii) health care procurement development, (iii) contract implementation and fiscal monitoring, (iv) contract amendments, (v) payment processing, and (vi) purchasing aspects of health care plans administered by the State on behalf of State employees, non-State employees (such as retired teachers), and residents of State-operated facilities) from the Department of Healthcare and Family Services to the departments of Central Management Services, Corrections, Human Services, Juvenile Justice, and Veterans' Affairs. Provides that certain functions concerning the administration and management of employee benefits are unaffected by the transfer. Provides for the transfer of specified staff, records, and unexpended moneys. Makes conforming changes in

other Acts. Amends the State Employees Group Insurance Act of 1971. Authorizes the Commission on Government Forecasting and Accountability to make a formal written determination to disapprove proposed contracts for the provision of group health insurance benefits under the Act. Specifies that if the Commission disapproves a proposed contract, then that proposed contract may not be finalized unless subsequently approved by a joint resolution of the General Assembly. Provides that if, within 90 days before the start of a fiscal year, the Chief Procurement Officer responsible for awarding group health insurance contracts fails to finalize all written contracts for the provision of group health insurance benefits under the Act for the coming fiscal year, then the Commission may direct the Chief Procurement Officer (i) not to finalize any proposed group health insurance contracts, as well as associated requests for proposals, and (ii) to extend existing contracts for those benefits for a term of 2 additional years. Makes corresponding changes in the Commission on Government Forecasting and Accountability Act and the Illinois Procurement Code. Effective immediately.

Replaces everything after the enacting clause. Amends the Articles of the Illinois Pension Code that create the State-funded retirement systems, other than the Judges Article, as well as various Articles affecting employees of Cook County and Chicago, and the Reciprocal Act. Requires current participants in the affected systems to make an election of one of the following: (i) the traditional benefit package under the applicable Article of the Pension Code, (ii) the existing benefit package for new hires, or (iii) a self-managed plan. Authorizes persons who become participants on or after January 1, 2011 to elect either: (i) the benefit package for new hires or (ii) the self-managed plan. Sets forth the requirements for the self-managed plan. Specifies the required employee contributions for persons who make each type of election. In the Chicago Park District Article, provides that, beginning January 1, 2012, the fiscal year of the Park Employees' and Retirement Board Employees' Annuity and Benefit Fund will run from January 1 to December 31 (instead of July 1 to June 30) and makes corresponding changes in other provisions of the Article. In various Articles affecting employees of Cook County and Chicago, freezes the tax levy rate. Makes changes concerning the required State contributions for the 5 State-funded systems. Amends the Illinois Public Labor Relations Act to provide that the changes made by the amendatory Act control when there is a conflict with the Illinois Public Labor Relations Act. Makes other changes. Effective immediately.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Transportation)

No land conveyances are included in this bill, therefore, there are no appraisals to be filed.

BALANCED BUDGET NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Office of Management and Budget)

Since the changes in member benefit accruals and/or retirement contributions do not take effect until Fiscal Year 2013, SB 512 (H-AM 1) has no impact on the State's Fiscal Year 2012 budget.

JUDICIAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 512 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

Tables 1 and 2 on Pages 4 and 5 of this Pension Impact Note show the results of a cost study performed by COGFA's actuary on the long-term impact of SB 512 on the Teachers' Retirement System (TRS). The actuarial assumptions that were utilized in performing this cost study are outlined on Page 3 of this Impact Note. Below are some highlights from the cost study of SB 512: (1) State contributions to TRS will increase by \$653.9 million in FY 2013 when compared to current law; (2) State contributions to TRS will be higher than under current law for Fiscal Years 2013 through 2019. Since State contributions are projected to increase under SB 512 at a considerably slower rate than under current law (2.3% compared to 4.4%), State contributions need to start at an initially higher amount so that with the slower rate of increase they will produce the amount needed to attain a 90% funding ratio in FY 2045. After several years, the slower rate of increase under SB 512 results in State contributions that will be lower than under current law; (3) When looking at the broad span of the entire funding period under P.A. 88-593, State contributions to TRS will be reduced by \$47.9 billion between FY 2013 through FY 2045 when compared to current law. This long-term aggregate reduction in contributions is premised upon the State making its annual statutorily-required contributions (as shown in the column labeled "Total State Contribution" in Table 1 on Page 4) . State contributions to TRS gradually decline as a percentage of payroll in each year over the period FY 2013 – FY 2045. This is because under SB 512, the major portion of State contribution is to be determined as a level percentage of state revenue, under the assumption that State revenue will increase at the rate of 2.3% per year. Under the actuary's projections, total payroll increases at the rate of 4.4% per year. Therefore, State contributions are projected to increase at a slower rate than payroll, resulting in State contributions decreasing as a percent of payroll.

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1 with changes. Provides that the first election must take place by January 1, 2013 (instead of July 1, 2012) for periods of service on and after July 1, 2013 (instead of on and after January 1, 2013), except in the case of members of the General Assembly Retirement System in which case the election must take place by January 9, 2013 for periods of service after that date. In the General Assembly, State Employees, Downstate Teachers, and State Universities Articles, increases the salary cap for annuity purposes. For the State Employees, Downstate Teachers, and State Universities Articles, moves certain new hire provisions that had been located in the General Provisions Article and makes corresponding changes. In the Cook County and Cook County Forest Preserve Articles, removes provisions increasing the applicable tax levies. In the Cook County Article, removes provisions changing the composition of the Board of Trustees. Makes other changes. Effective July 1, 2012 (instead of immediately). STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

The precise fiscal impact of SB 512 (H-AM 1) has not yet been determined as the actuarial review is incomplete at this time. The actuarial cost study contained in the Pension Impact Note for HA 1 is not directly applicable to HA 2 as the FY 2013 contributions are explicitly set forth in HA 2 (see Page 3), and the new level-percent-of revenue funding mechanism prescribed by HA 2 does not take effect until FY 2014. However, the actuary notes that the long-term savings shown in the Impact Note for HA 1 will remain substantially the same under HA 2. Near term increases in State contributions for the first 7-10 years can still be expected under HA 2, with a substantially higher State contribution in year one. A revised note will be issued after the actuary completes a cost study that reflects the changes contained in HA 2 to SB 512. A cost of approximately \$200,000 will be required to complete each independent actuarial review overseen by the Commission on Government Forecasting & Accountability. A supplemental appropriation will be required for these costs.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Office of Management and Budget)

Since the changes in member benefit accruals and/or retirement contributions do not take effect until Fiscal Year 2013 (GARS only) and fiscal year 2014 for the other state systems, SB 512 (H-AM 2) has no impact on the State's Fiscal Year 2012 budget.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

Replaces everything after the enacting clause. Amends the Illinois Insurance Code in the provision concerning autism spectrum disorders. Provides that if an individual has been diagnosed as having an autism spectrum disorder, meeting the diagnostic criteria in place at the time of diagnosis, and treatment is determined medically necessary, then that individual shall remain eligible for coverage under the provision concerning autism spectrum disorders even if subsequent changes to diagnostic criteria are adopted. Provides that scientific investigations have determined that co-existing pathophysiological conditions can occur with autism, including seizure disorders, immune dysregulation, allergies, gastrointestinal disturbances, neuroinflammation, mitochondrial dysfunction, and metabolic disturbances and that accurate assessment, testing, diagnosis, and treatment of underlying and co-existing medical conditions should be considered for persons with autism spectrum disorders and may incorporate findings developed from emerging biological science and clinical research. Changes the definition of "autism spectrum disorders".

SENATE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause with the bill as amended by Senate Amendment No. 1 with the following changes. Provides that if no changes to the diagnostic criteria are adopted after April 1, 2012, and before December 31, 2014, then, if no changes to the diagnostic criteria are adopted, certain provisions concerning eligibility for coverage shall be of no further force and effect. Deletes a provision concerning co-existing conditions. Returns to current law the definition of "autism spectrum disorders".

SENATE FLOOR AMENDMENT NO. 4

Adds reference to:

215 ILCS 5/356z.16

Provides that if an individual has been diagnosed as having an autism spectrum disorder, meeting the diagnostic criteria in place at the time of diagnosis, and treatment is determined medically necessary, then that individual shall remain eligible for coverage under the provision concerning autism spectrum disorders even if subsequent changes to the diagnostic criteria are adopted by the American Psychiatric Association (instead of just if subsequent changes to the diagnostic criteria are adopted). Further amends the Illinois Insurance Code to include in the list of provisions that do not apply to short-term travel, disability income, long-term care, accident only, or limited or specified disease policies the provision concerning autism spectrum disorder.

Adds reference to:

230 ILCS 10/7.5

In the Chicago Casino Development Authority Act, provides that the Authority shall not award certain contracts to any proposer other than the lowest proposer unless authorized or approved by a vote of at least 2 members of the Board (instead of at least 3 members). In a provision concerning ethical conduct, makes a technical change. In the State Finance Act, changes cross-references to the Riverboat Gambling Act (now, the Illinois Gambling Act) in a provision concerning the Gaming Facilities Fee Revenue Fund. In the Illinois Horse Racing Act of 1975, makes technical changes in provisions concerning the Illinois Thoroughbred Breeders Fund and the Illinois Quarter Horse Breeders Fund. In the Riverboat Gambling Act (now, the Illinois Gambling Act), makes a change to the definition of "license bid". In a provision concerning whether to grant an owners license to an applicant, provides that the Board shall consider the extent to which the proposed host municipality plans to enter into revenue sharing agreements with other communities and the terms of those agreements. Makes changes to provisions

concerning the type and quantity of owners licenses that the Board may issue to the City of Chicago, City of Danville, City of Park City, City of Rockford, and a municipality located in a certain township of Cook County. Provides that the applicant and corporate authority are not required to certify to the Board prior to licensure that they have mutually agreed on the temporary location of the casino or riverboat. Provides that an owners licensee who conducted gambling operations prior to January 1, 2011 and purchases gaming positions on or after the effective date of the amendatory Act shall pay an initial fee and make a certain reconciliation payment. Provides that certain provisions concerning the required procedures for an open and competitive bidding process shall apply to the issuing of new owners licenses pursuant to the amendatory Act. Provides that certain tax revenue deposited in the State Gaming Fund and paid to a host municipality may not be shared with any other unit of local government. Provides that certain tax revenue deposited in the State Gaming Fund and paid into the State and County Fair Assistance Fund shall supplement, and not supplant, other State funding for the appropriated purposes of the moneys. Provides that certain grants by the Department of Agriculture from the State and County Fair Assistance Fund may not exceed \$100,000 (instead of \$20,000). Also makes technical changes.

Provides that the initial consideration shall not include any amounts paid by an entity on behalf of the Authority for any license or per position fees imposed pursuant to the Illinois Gambling Act or any other financial obligation of the Authority. In the Riverboat Gambling Act (now, the Illinois Gambling Act), provides that a certain privilege tax shall also be imposed on persons engaged in the business of conducting casino gambling (in addition to riverboat gambling and electronic gaming operations) based on the adjusted gross receipts received by such licensee from the gambling games authorized under the Act. In the same provisions, makes changes to the privilege tax rates for all gambling games other than table games. Provides that beginning on January 1, 2012 (instead of from January 1, 2012 until December 31, 2014), the calculation of "gross receipts" or "adjusted gross receipts" for a riverboat or casino shall not include the total dollar amount of non-cashable vouchers, coupons, and electronic promotions redeemed by wagerers upon the riverboat or in the casino. Replaces everything after the enacting clause with the engrossed bill and the following changes. Creates the Specialized Mental Health Rehabilitation Act and amends the Nursing Home Care Act. Provides that all long-term care facilities for the mentally ill shall be licensed by the Department of Public Health under the Specialized Mental Health Rehabilitation Act

instead of under the Nursing Home Care Act. Makes the provisions in the Specialized Mental Health Rehabilitation Act substantially the same as those in the Nursing Home Care Act, including provisions for the rights of residents and responsibilities of facilities, licensing, violations and penalties, and transfer or discharge of residents. Amends various Acts to make conforming changes. Effective immediately.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Public Health)
SB 769 (H-AM 1) will have a fiscal impact on the Department of Public Health estimated in the amount of \$368,040.00 to acquire additional staff.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Healthcare & Family Services)

If the bill passes, the Department would lose approximately \$745 thousand in licensed bed fees, but would ensure that the new long-term care provider funding tax pass federal testing guidelines and increase taxes by approximately \$150 million.

Replaces everything after the enacting clause. Amends the Criminal Identification Act and the Code of Criminal Procedure of 1963. Establishes procedures for notifying the Department of State Police Firearm Owner's Identification Card Office of certain convictions for offenses that constitute domestic violence. Amends the Firearm Owners Identification Card Act. Provides that new residents, who are not otherwise prohibited from obtaining, possessing, or using a firearm, firearm ammunition, stun gun, or taser, shall have 60 calendar days from when they obtain an Illinois driver's license or State identification card to make application and obtain a Firearm Owner's Identification Card. Provides that during this 60 day period these new residents, who are not otherwise prohibited, may possess a firearm, firearm ammunition, stun gun, or taser but shall not transfer or purchase firearms or ammunition. Provides that for the purposes of the provisions providing for the denial of an application for and revocation and seizure of a Firearm Owner's Identification Card of a person convicted of domestic battery, aggravated domestic battery, or a substantially similar offense in another jurisdiction, if the applicant or person who has been issued a Firearm Owner's Identification Card knowingly and intelligently waives the right to have that offense tried by a jury, by guilty plea or otherwise, resulting in conviction for an offense in which a domestic relationship is not a defining element of the offense but in which a determination of domestic relationship is made under the Code of Criminal Procedure of 1963, an entry by the court of a judgment of conviction for that offense shall be grounds for denying the issuance of a Firearm Owner's Identification Card or for revoking and seizing a card previously issued. Provides that an applicant for a Firearm Owner's Identification Card must be a resident of Illinois, except for a person who is employed as a law enforcement officer, an armed security officer in Illinois, or by the United States Military permanently assigned in Illinois. Provides that it is grounds for the Department of State Police to deny an application for or to revoke and seize a Firearm Owner's Identification Card previously issued under the Act if the person is not a resident of Illinois. Provides that each applicant for a Firearm Owner's Identification Card, who is employed as a law enforcement officer, an armed security officer in Illinois, or by the United States Military permanently assigned in Illinois and who is not an Illinois resident, shall furnish to the Department of State Police his or her driver's license number or State Identification Card number. Provides that the court shall not issue an order directing the Department of State Police to issue a Firearm Owner's Identification Card when the Card has been denied, revoked, or seized because of certain specified violations and the petitioner is otherwise prohibited from obtaining, possessing, or using a firearm under federal law. Amends the Code of Criminal Procedure of 1963. In the

statute that relates to the disposition of defendants suffering disabilities, provides that if the court imposes a sentence of imprisonment upon an offender who has a mental disability, the court shall direct the circuit court clerk to immediately notify the Department of State Police, Firearm Owner's Identification (FOID) department, and shall forward a copy of the court order to the Department. Amends the Stalking No Contact Order Act and the Illinois Domestic Violence Act of 1986 to make conforming changes.

JUDICIAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 2 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 2 (Dept. of Transportation)

No land conveyances are included in SB 1034 (H-AM 2), therefore, there are no appraisals to be filed.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 2 (Government Forecasting & Accountability)

SB 1034, as amended by House Amendment 2, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 2 (Government Forecasting & Accountability)

SB 1034, as amended by HA 2, will not impact any public pension fund or retirement system in Illinois.

CORRECTIONAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 2 (Dept of Corrections)

There are no penalty enhancements associated with SB 1034 (H-AM 2). The bill would have no fiscal or population impact on the Department.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 2 (Illinois State Police)

SB 1034 (H-AM 2) would bring the State of Illinois into compliance with State and federal law and secure Illinois' eligibility for the NICS Act Record Improvement Program (NARIP) Grant. The Illinois Criminal Justice Information Authority (ICJIA) determined the Illinois State Police was not eligible to apply for the FFY2011 \$1.2 million grant; therefore, application was not made. The grant would enable the Illinois State Police to improve its access to records of mental health adjudications and commitments that prohibit individuals from processing or receiving firearms. The automation achieved from this grant would have allowed for electronic access of court records and streamlined the reporting of mental health records; thus, reducing the days law-abiding gun owners must wait for their FOID card or a firearms purchase.

BALANCED BUDGET NOTE, HOUSE COMMITTEE AMENDMENT NO. 2 (Office of Management and Budget)

The fiscal impact of this bill is the potential for \$1.2 million in additional federal funds. The changes made to existing code are not expected to have a significant cost attached. Overall, the bill is expected to impact the State positively at an estimated \$1.2 million.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 2 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

HOME RULE NOTE, HOUSE COMMITTEE AMENDMENT NO. 2 (Dept. of Commerce & Economic Opportunity)

SB 1034 (H-AM 2) does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 2 (Dept. of Commerce & Economic Opportunity)

SB 1034 (H-AM 2) does not create a State mandate

HOUSE FLOOR AMENDMENT NO. 4

Adds reference to:

405 ILCS 5/6-103.1 new

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No.2 but: (1) provides that any person who becomes a resident of the State, who is not otherwise prohibited from obtaining, possessing, or using a firearm or firearm ammunition, shall not be required to have a Firearm Owner's Identification Card to possess firearms or firearms ammunition until 60 calendar days after he or she obtains an Illinois driver's license or Illinois Identification Card; (2)

provides that if a person qualifies for a photograph exemption, in lieu of a photograph, the Firearm Owner's Identification Card shall contain a copy of the card holder's fingerprints; (3) provides that whenever any person moves from the residence address named on his or her card the person shall within 21 calendar days thereafter notify in a form and manner prescribed by the Department of State Police of his or her old and new residence addresses and the card number held by him or her; (4) provides that any person whose legal name has changed from the name on the card that he or she has been previously issued must apply for a corrected card within 30 calendar days after the change; (5) provides that the cost for a corrected card shall be \$5 which shall be deposited into the Firearm Owner's Notification Fund; (6) amends the Mental Health and Developmental Disabilities Code to provide that when a person has been adjudicated as a mental defective as defined in the Firearm Owners Identification Card Act, the court shall direct the circuit court clerk to immediately notify the Department of State Police, Firearm Owner's Identification (FOID) Office, in a form and manner prescribed by the Department of State Police, and shall forward a copy of the court order to the Department; (7) in the amendatory changes to the Firearm Owners Identification Card Act, provides that only a person who is 21 years of age or older who seeks a religious exemption to the photograph requirement must submit a copy of United States Department of the Treasury Internal Revenue Service Form 4029; and (8) makes other changes relating to notifying the Department of State Police of persons convicted of certain domestic violence offenses.

730 ILCS 150/8 from Ch. 38, par. 228

730 ILCS 150/10.1 new

730 ILCS 150/11

Replaces everything after the enacting clause. Amends the Sex Offender Registration Act. Includes in the definition of "sex offender" those persons convicted of conspiracy to commit the offense, or solicitation to commit the offense and who receives a disposition of court supervision, deferred sentence, deferred adjudication, or a similar disposition for the offense, an attempt to commit the offense, conspiracy to commit the offense, and solicitation to commit the offense. Includes in the definition of "sex offense", a second or subsequent conviction for luring a minor, unauthorized video recording and live video transmission, if the victim is under the age of 18, and certain federal offenses. Adds to the information the sex offender must provide to the registering law enforcement agency. Changes the period of registration for a person convicted or adjudicated of a misdemeanor sex offense from 10 to 15 years. Provides that any other person, other than a person who must register for his or her natural life, who is required to register under the Act shall be required to register for a period of 25 years after conviction or adjudication if not confined to a penal institution, hospital or any other institution or facility, and if confined, for a period of 25 years after parole, discharge or release from any such facility. Establishes procedures that a law enforcement agency must take if a sex offender is non-compliant with the registration provisions. Provides that moneys in the Sex Offender Registration Fund shall be used by the Department of State Police to maintain and update the Illinois State Police Sex Offender Registry and for education and administration of any Section of the Act. Deletes provision that 50% of the moneys in the Fund shall be allocated by the Department for sheriffs' offices and police departments.

FISCAL NOTE (Illinois State Police)

The fiscal impact to the Illinois State Police for this bill would be negligible. SB 1040 will assist Illinois in becoming compliant with the federal Adam Walsh Child Protection

and Safety Act (AWA) of 2006 by changing the duration of the length of registration, changing the frequency of registration, and adding required federal statutes (all of which are required under the AWA). If Illinois fails to become compliant with AWA, the State will lose 10% of the Byrne Grant Funding allocated to our State in federal fiscal year 2012. The State will continue to lose 10% of the Byrne Grant funding each federal fiscal year the State is not in compliance.

HOUSE FLOOR AMENDMENT NO. 2

Adds reference to:

730 ILCS 152/116

730 ILCS 154/5

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended. Further amends the Sex Offender Registration Act. Provides that a person who is required to register under the Act, other than: (1) a person who has been adjudicated to be sexually dangerous and later released, (2) a sexually violent person or sexual predator, (3) a person who becomes subject to registration under the Act who has previously been subject to registration under the Act or under the Child Murderer and Violent Offender Against Youth Registration Act or similar registration requirements of other jurisdictions, or (4) a person who is convicted or adjudicated of a misdemeanor sex offense, shall be required to register for a period of 25 years after conviction or adjudication if not confined to a penal institution, hospital or any other institution or facility, and if confined, for a period of 25 years after parole, discharge or release from any such facility. Provides that any such person required to register for a period of 25 years shall report in person to the law enforcement agency with whom he or she last registered no later than 6 months after the date of his or her last registration and every 6 months thereafter for the duration of his or her registration. Provides that a person who is convicted or adjudicated of a misdemeanor sex offense shall be required to register for a period of 15 years after conviction or adjudication if not confined to a penal institution, hospital or any other institution or facility, and if confined, for a period of 15 years after parole, discharge or release from any such facility. Eliminates sexual motivation for certain offenses committed against victims under 18 years of age. Amends the Sex Offender Community Notification Law. Provides that the Missing Sex Offender Information on the Internet page of the Department of State Police shall also include information that rewards may be (rather than are) available to persons who inform the Department of State Police or a local law enforcement agency of the whereabouts of a missing sex offender. Amends the Child Murderer and Violent Offender Against Youth Registration Act. Provides that the registration of a person who was registered under the Act before the effective date of the amendatory Act for the commission of the offense of kidnapping, aggravated kidnapping, unlawful restraint, or aggravated unlawful restraint when the victim was a person under 18 years of age or for child abduction committed by luring or attempting to lure a child under the age of 16 into a motor vehicle, building, house trailer, or dwelling place without the consent of the parent or lawful custodian of the child for other than a lawful purpose, shall be transferred to the Sex Offender Registry created under the Sex Offender Registration Act on the effective date of the amendatory Act. Provides that on and after the effective date of the amendatory Act, registration of a person who commits any of these offenses shall be under the Sex Offender Registration Act and not the Child Murderer and Violent Offender Against Youth Registration Act.

PENSION NOTE (Government Forecasting & Accountability)

SB 1040 will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

SB 1040 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

CORRECTIONAL NOTE (Dept of Corrections)

The corrections population and fiscal impact of SB 1040 is unknown due to the lack of data associated with these provisions, but the impact is estimated to be substantial as more sex offender registration violations occur.

BALANCED BUDGET NOTE (Office of Management and Budget)

SB 1040 does not have any significant fiscal impact to the State.

BALANCED BUDGET NOTE (Office of Management and Budget)

This bill's fiscal impact cannot be determined at this time.

805 ILCS 105/101.01 from Ch. 32, par. 101.01

Amends the General Not For Profit Corporation Act of 1986. Makes a technical change in a Section concerning the short title.

SENATE FLOOR AMENDMENT NO. 1

Deletes reference to:

805 ILCS 105/101.01

Adds reference to:

805 ILCS 5/8.75 from Ch. 32, par. 8.75

805 ILCS 105/108.75 from Ch. 32, par. 108.75

Replaces everything after the enacting clause. Amends the Business Corporation Act of 1983 and the General Not For Profit Corporation Act of 1986. Distinguishes under both Acts the indemnification rights of a corporation's current directors and officers from the indemnification rights of a corporation's former directors, officers, other employees and agents and persons serving at the request of the corporation as directors, officers, employees or agents of another entity. Clarifies the situations under both Acts where indemnification by a corporation will be made upon a determination that the applicable standard of conduct has been met by the person to be indemnified and, with respect to a person who is a director or officer of the corporation at the time of the determination, specifies that a board of directors decision that the determination be made by independent legal counsel in a written legal opinion be done at the direction of only those directors who are not parties to such action, suit or proceeding rather than at the direction of the entire board of directors. Also clarifies under both Acts that a right to indemnification or advancement of expenses under a corporation's articles of incorporation or by-law cannot be eliminated or impaired by an amendment to such provision subsequent to the action or omission for which indemnification or advancement of expenses is sought unless the provision in effect at the time of such action or omission explicitly authorizes such subsequent elimination or impairment. Makes other changes. Effective immediately.

Replaces everything after the enacting clause. Creates the Illinois Quality Jobs Act. Provides tax incentives, for qualified companies, for 5 defined business projects: small and expanding business projects, technology business projects, high impact projects, job retention projects, and small business job retention and flood survivor relief projects. Provides that no tax credits shall be issued for job retention projects or small business job retention and flood survivor relief projects approved by the Department after August 30, 2014. Provides that qualified companies include for profit or not-for-profit entities registered to do business in Illinois that are the owners or operators of a project facility, that offers health insurance to all full-time employees of all facilities located in this State, and pays at least 50% of such insurance premiums. Provides that certain specified establishments and employment and service sectors shall not be considered qualified companies under the Act. Provides that any qualified company that is awarded benefits under this program may not simultaneously receive tax credits or exemptions

under the Economic Development for a Growing Economy Tax Credit Act, the Business Location Efficiency Incentive Act, and the Small Business Job Creation Tax Credit Act. Provides that the maximum calendar year annual tax credits issued for the entire program shall not exceed \$80,000,000. Provides the Department of Commerce and Economic Opportunity with the authority to adopt rules and regulations as necessary to carry out the provisions of the Act and requires that the Department shall report annually to the Generally Assembly on the impact of the program. Creates the Quality Jobs Advisory Task Force to make specified economic determinations, recommendations, and to approve specified Department proposals. Amends the Illinois Income Tax Act to make reference to the new Act concerning tax credits.

SENATE FLOOR AMENDMENT NO. 2

Removes the creation of a Quality Jobs Advisory Task Force from the new Act, and re-assigns any responsibility that the task force would have had. Removes an allowable increase in the tax credit available for a job retention project, combination of job retention projects, or a small business job retention and survivor relief project. Provides that the annual evaluation of the tax credit program provided to the General Assembly shall include an assessment of the effectiveness of the program in creating new jobs in Illinois and of the revenue impact of the program, and may include a review of the practices and experiences of other states with similar programs.

Replaces everything after the enacting clause. Amends the State Universities Civil Service Act. Changes references from "Director" to "Executive Director" of the University Civil Service Merit Board. With respect to principal administrative employee positions exempted from the State Universities Civil Service System, provides that the positions must be approved by the Merit Board (instead of as determined by the Merit Board). SB-1212 PANKAU - MURPHY - MCCANN - SCHMIDT - REZIN AND T. JOHNSON.

15 ILCS 20/50-8 new

Amends the State Budget Law of the Civil Administrative Code of Illinois. Defines "zero-based budgeting" as a method of setting budgets that requires a justification of all expenditures, not only those that exceed the prior year's allocations. Thus, each budget line begins at a zero base and must be funded according to merit rather than according to the level approved for the preceding year, when circumstances were probably different. For fiscal year 2013 and thereafter, provides that the budgets submitted by the Governor and appropriations made by the General Assembly for the judicial branch and for all agencies under the jurisdiction of the Executive Ethics Commission must adhere to the principles of zero-based budgeting. Effective immediately.

Amends the Environmental Protection Act. Redefines "mercury switch" to include a mercury-containing product or device that makes, breaks, or changes a connection in an electrical circuit. Provides that, beginning in 2015, dental amalgam may not be added, removed, or modified in the course of treating patients at a dental office unless the dental office has an amalgam separator system installed that removes dental amalgam from the dental office's wastewater before it is discharged into a sewer or septic system and unless other related requirements are met. Requires dental schools and vocational dental education programs to instruct students on the use of certain practices to minimize the presence of elemental mercury, unused amalgam, and waste amalgam in discharged wastewater and solid waste. Amends the Mercury Switch Removal Act. Requires vehicle recyclers, vehicle crushers, and scrap metal recyclers to remove all mercury switches from each end-of-life vehicle within a specified time. Amends the Mercury-Added Product Prohibition Act. Prohibits, except under certain circumstances, mercury-containing pressure transducers from being sold, offered for sale, or distributed in the State. Also makes technical changes. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 3

Deletes reference to:

- 415 ILCS 5/22.23d new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Further amends the Environmental Protection Act. Removes provisions regulating the disposal of mercury dental amalgam. Further amends the Mercury Switch Removal Act. Removes a provision requiring manufacturers subject to the collection program requirements to submit a quarterly report to the Environmental Protection Agency. Requires scrap metal recyclers to remove all mercury switches from accepted end-of-life vehicles before processing them for recycling (instead of before processing them for recycling or within 14 days after receiving them, whichever is earlier). Further amends the Mercury-added Product Prohibition Act. Also prohibits the sale and distribution of mercury-containing rings, seals, and sensors. Provides that the bill is effective July 1, 2012 rather than upon becoming law.

Provides that for purposes of treatment and coordination of care, State agencies, including the Department of Corrections, county jails, insurance companies, and integrated health systems, may disclose records of a recipient without the recipient's consent, if the recipient is in a program administered or operated by the Department of Healthcare and Family Services or the Department of Human Services to hospitals, physicians, therapists, emergency medical personnel and members of an interdisciplinary team treating a recipient with or without the recipient's consent. Provides that providers on an interdisciplinary care team treating a recipient may disclose the recipient's records without the recipient's consent to other members of the team. Provides that the records that may be disclosed are services rendered, providers rendering the services, pharmaceuticals prescribed or dispensed, and diagnoses. Provides that all disclosures must be made in a manner consistent with the federal Health Insurance Portability and Accountability Act (HIPAA). Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with provisions substantially similar to the bill except it provides: that for a recipient in a program operated or administered by the Department of Healthcare and Family Services or the Department of Human Services, the recipient's records may be disclosed without consent by county jails, insurance companies, integrated health systems, and State agencies (instead of county jails, insurance companies, and State agencies) to hospitals, physicians, therapists, emergency medical personnel, and members of an interdisciplinary team treating a recipient for the purposes of treatment and coordination of care; this type of disclosure must be consistent with existing federal and State laws and regulations and HIPAA (instead of consistent with HIPAA); and definitions of "integrated health system" and "interdisciplinary team". Effective immediately.

305 ILCS 5/9A-11 from Ch. 23, par. 9A-11

Amends the Illinois Public Aid Code. Requires the Department of Human Services to establish a co-payment scale that provides for cost sharing by families that receive child care services, including parents whose only income is from assistance under the Code (rather than the Department shall require co-payments for child care services by any parent, including parents whose only income is from assistance under the Code). Provides that the co-payment shall be based on family income and family size and may be based on other factors as appropriate (rather than based on family income, family size, and the number of children in care). Provides that co-payments may be waived for families whose incomes are at or below the federal poverty level (rather than co-payments shall not be increased due solely to a change in the methodology for counting family income). Effective immediately.

SB-1259 SILVERSTEIN - J. COLLINS.

735 ILCS 5/15-1401.1 new

Amends the Code of Civil Procedure. Defines "short sale" as the sale of real estate that is subject to a mortgage for an amount that is less than the amount owed to the mortgagee on the outstanding mortgage loan. Provides that in a foreclosure of residential property, if the mortgagor presents to the mortgagee, which is a banking organization or corporation, a bona fide written offer from a third party to purchase the property in foreclosure which is for an amount that constitutes a short sale, and the mortgagor requests that the mortgagee approve the short sale, then the mortgagee must respond within 30 days and must agree to the short sale unless there is a reasonable justification to not do so. Provides that the fact that the proceeds of the short sale would be insufficient to satisfy the mortgage note does not constitute a reasonable justification. Provides that if the mortgagee approves the short sale, the mortgagee agrees as part of the closing of the short sale: to termination of the mortgagor's interest in the property and acceptance the sale proceeds in full satisfaction of the outstanding mortgage loan; to relieve from personal liability all persons who may owe payment or the performance of other obligations secured by the mortgage, including guarantors; and to waive all rights to a personal judgment for deficiency against the mortgagor and all other persons liable under the mortgage.

SENATE COMMITTEE AMENDMENT NO. 1

Further amends the Code of Civil Procedure. Provides that nothing in these provisions shall be construed to extinguish, limit, or otherwise affect any lien created by a condominium association, master association, or common interest community association.

SENATE COMMITTEE AMENDMENT NO. 2

Replaces everything after the enacting clause with the provisions of the bill, as amended,

except that it changes to 90 days (instead of 30 days) the amount of time within which a mortgagee must respond to the mortgagor's written request to approve a written offer for a short sale and deletes all other provisions of the bill as amended. Effective immediately.

SENATE FLOOR AMENDMENT NO. 4

Replaces everything after the enacting clause with the provisions of the bill, as amended, except that it adds provisions that: allow the mortgagee to determine whether to accept the short sale offer; state that the failure to accept the offer does not impair or abrogate the mortgagee's rights or affect the foreclosure proceedings; and the 90-day period within which to respond to the short sale offer does not stay the foreclosure proceedings. Effective immediately.

Removes language allowing the Department to base eligibility standards on the recipient's ability to pay. Removes language concerning the Department's authority to establish a system of recipient cost sharing; provider vouchers; interest payments to providers of chore and housekeeping services; and other matters. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

removes language providing that a person's assets may not exceed the amount of assets established by the Department of Human Services by rule. Adds language providing that if the asset limit has been increased by rule and the Department subsequently requires a decrease in the asset limitation, that authority shall be authorized by rule but the limitation shall not be less than \$10,000.

HOUSE COMMITTEE AMENDMENT NO. 1
