- 30 ILCS 805/8.36 new

Amends the Metropolitan Water Reclamation District Article of the Illinois Pension Code. Increases the required employee contributions of persons who first became employees of the Fund or certain reciprocal systems before January 1, 2011. Changes the manner in which the District calculates its required contribution and tax levy. The new contribution amount is calculated as the employer's normal cost plus the annual amount needed to amortize the unfunded liability by the year 2050 as a level percent of payroll, but shall not exceed an amount equal to the total employee contributions 2 years prior multiplied by 4.19 (currently 2.19). States that the funding goal is to attain a funded ratio of at least 90% by the year 2050. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Government Forecasting & Accountability)

An actuarial cost study would be needed to assess the full impact of HB 4513. COGFA staff has asked MWRD for an actuarial study - a revised impact note will be issued if such a study is made available. The Pension Code does not currently require MWRD to meet any long-term funding goal, so to the extent that this bill would mandate annual payments in order to achieve a 90% funding ratio by 2050, HB 4513 would have a positive fiscal impact.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause with provisions of the introduced bill, with this additional change: Returns the employee contributions to their current level beginning with the first pay period paid on or after the date when the funded ratio of the Fund is first determined to have reached the 90% funding goal.

20 ILCS 2405/3 from Ch. 23, par. 3434

Amends the Disabled Persons Rehabilitation Act. Provides that a person is not eligible for employment as a personal care attendant or personal assistant under the Department of Human Services' Home Services Program if that person has been convicted of a felony, has been arrested for a criminal offense, or is an immediate family member of the individual receiving services under the Program.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts similar provisions, but with the following additions: Provides that any person who applies for employment as a personal care attendant or personal assistant under the Department of Human Services' Home Services Program shall submit to a criminal history background check. Authorizes the Department to promulgate rules necessary to implement this provision. Provides that a person is not eligible for employment as a personal care attendant or personal assistant under the Home Services Program if that person has been convicted of a felony, has been arrested for a criminal offense, or has an outstanding arrest warrant (rather than if that person has been convicted of a felony, has been arrested for a criminal offense, or is an immediate family member of the individual receiving services under the Program). Exempts persons who apply for employment as a personal care attendant or personal assistant under any program administered by the Department on Aging from the criminal history background check requirement.

HOUSE FLOOR AMENDMENT NO. 5

Removes the bill's amendatory changes, as amended by House Amendment No. 1, and instead provides that any person providing services as a personal assistant or an individual provider under the Department of Human Services' Home Services Program shall submit to a criminal history background check. Provides that the Department shall promulgate rules that (i) are necessary to implement this provision; and (ii) indicate any condition or circumstance when a personal assistant or individual provider shall be denied employment as a result of the criminal history background check. Defines "individual provider" to mean a person providing services under the Home Services Program who is a personal assistant, registered nurse, licensed practical nurse, certified nurse assistant, occupational therapist, physical therapist, or speech therapist and has been privately hired by the customer.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 5 (Dept. of Human Services)

There will be a cost for each criminal history background check. At an estimated average cost of \$15 per background check and an estimated 13,000 to 15,000 checks per year would increase program costs by approximately \$200,000 annually. In addition, the Department of Human Services estimates there would be a reduction in the number of fraud cases, which would reduce costs by an estimated \$10,000 per year.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 5 (Dept. of Human Services)

There will be a cost for each criminal history background check. At an estimated average cost of \$15 per background check and an estimated 10,000 to 12,000 checks per year would increase program costs by approximately \$150,000 annually. The cost of background checks are eligible for Medicaid match, at 50% reimbursement, net cost to the State would be an estimated \$75,000. In addition, the Department of Human

- Services anticipates a reduction in the number of fraud cases which would offset the cost of the background checks.

5 ILCS 140/7 from Ch. 116, par. 207

Amends the Freedom of Information Act. With respect to the disclosure exemption for administrative enforcement and law enforcement records, extends the exemption to records the disclosure of which would affect enforcement proceedings and investigations of any public body (now, the public body that receives the request). Requires a public body that receives any administrative enforcement or law enforcement records request but that is not the public body or law enforcement or correctional agency contemplating or conducting a proceeding or investigation to transmit the request to such body or agency. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Provides that if the recipient of a request for records determines that another public body, law enforcement agency, or correctional agency is contemplating or conducting an administrative enforcement proceeding or an investigation that is the subject of a records request, then the recipient of the request for those records shall transmit the request to the other public body, law enforcement agency, or correctional agency. Requires notification of the transmittal of the request to be given to the requester. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Amends the Freedom of Information Act. Exempts from the Act's copying and disclosure requirements records in the possession of any public body created in the course of administrative enforcement proceedings, and records in the possession of any law enforcement or correctional agency for law enforcement purposes, to the extent that disclosure would obstruct an ongoing criminal investigation by a law enforcement agency that is not the recipient of the request when the recipient agency possesses such record only because it maintains a multi-jurisdictional police data management system which receives information in the form of data and documents relating to law enforcement investigations. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Freedom of Information Act. Provides that a law enforcement record created for law enforcement purposes and contained in a shared electronic record management system is exempt from disclosure under the Act if the law enforcement agency that is the recipient of the request did not create the record, did not participate in or have a role in any of the events which are the subject of the record, and only has access to the record through the shared electronic record management system. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Adds reference to:

5 ILCS 160/9

from Ch. 116, par. 43.12

30 ILCS 540/3-2

Replaces everything after the enacting clause with substantially similar provisions, but makes the following changes: (i) amends the State Records Act to provide that, if a State agency has delegated its authority to retain records to another State agency, the delegate shall maintain the same, or a more diligent, record retention methodology and record retention period as the original agency's program; (ii) further amends the State Finance Act to provide that, for fiscal years 2012 and 2013 (rather than fiscal years 2012 and thereafter), interest penalties payable under the State Prompt Payment Act associated with a voucher for which payment is issued after June 30 may be paid out of the next year's appropriation; (iii) provides that an interest penalty voucher submitted against a future year appropriation must be submitted within 60 days after the issuance of the associated voucher; (iv) provides that the Comptroller must (rather than may) issue payments against outstanding liabilities that were received prior to the lapse period deadline as soon thereafter as practical (rather than until all liabilities are paid); (v) provides that no payment against an outstanding liability may be issued after the 4 months following the lapse period deadline without the signed authorization of the Comptroller and the Governor; and (vi) amends the State Prompt Payment Act, in a provision requiring an interest penalty of 1.0% for each month or fraction thereof of any amount approved and unpaid within 90 days, by changing "fraction thereof" to "00.0033% (1/30%) for each day". Effective immediately.

HOUSE FLOOR AMENDMENT NO. 3

Further amends the Illinois Procurement Code. Provides that, beginning January 1, 2013 (rather than, beginning on the effective date of the amendatory Act), the Comptroller may require that certain contracts and grants required to be filed with the Comptroller shall be filed electronically. Provides that an agency shall not be subject to that requirement if the agency is incapable of filing the contract or grant electronically because it does not possess the necessary technology or equipment. Provides that any agency that is incapable of electronically filing its contracts or grants shall submit a written statement to the Governor and the Comptroller attesting to the reasons for its inability to comply. Provides that, prior to requiring electronic filing, the Comptroller shall consult with the Governor as to the feasibility of establishing mutually agreeable technical standards for the electronic document imaging, storage, and transfer of contracts and grants.

Provides that the term of a title-secured loan may not be less than 4, nor more than 12, months. Prohibits repossession of a vehicle securing a title-secured loan after an amount equal to 100% of the principal has been repaid. Creates the Illinois Family and Medical Leave Act. Contains provisions similar to those in the federal Family and Medical Leave Act of 1993. Contains provisions concerning applicability and coordination.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

Replaces everything after the enacting clause. Amends the Renewable Energy Production District Act. Provides that the definition of "renewable energy facility" includes waste-to-energy concepts. Provides that any or all (now, any) areas within the boundaries of a single county may be incorporated as a single renewable energy production special district (now, renewable energy production district). Sets forth various powers of the board. Sets forth procedures for the dissolution of a district. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Changes the definition of "renewable energy facility" to include landfill gas, instead of waste-to-energy concepts.

SENATE FLOOR AMENDMENT NO. 4

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Provides that "renewable energy facility" includes a generator that is attached to a building or parcel of land and that is powered by methane gas generated from a landfill. Defines "renewable fuels". Requires the board of each renewable energy production special district to comply with the requirements that apply to pollution control facilities under the Environmental Protection Act, as well as any other applicable permitting and regulatory requirements under that Act, if it intends to own, operate, or construct a generator that is powered by fuel cells or microturbines. Authorizes such a board to make, adopt, amend, and repeal ordinances, resolutions, bylaws, rules, and regulations not inconsistent with the Act, provided, however, that such ordinances, resolutions, bylaws, rules, and regulations shall not be applicable to the operation and maintenance of renewable energy or waste disposal activities by private businesses or concerns or other public entities. Prohibits such a board from using eminent domain and quick take powers to acquire property. Also makes technical changes. Effective immediately.

110 ILCS 47/10

Deletes everything after the enacting clause. Amends the Fire Sprinkler Dormitory Act. Provides for an exception to the requirement that the dormitories of all post-secondary educational institutions have fire sprinkler systems by 2013 if a post-secondary educational institution files a plan with the Board of Higher Education detailing the progress of dormitory fire-sprinkler installation and a timeline for completing the planned installations no later than December 31, 2014.

HOUSE FLOOR AMENDMENT NO. 2

- Deletes reference to:
110 ILCS 947/15
- Adds reference to:
110 ILCS 47/10

Deletes everything after the enacting clause. Amends the Fire Sprinkler Dormitory Act. Provides for an exception to the requirement that the dormitories of all post-secondary educational institutions have fire sprinkler systems by 2013 if a post-secondary educational institution files a compliance plan with the Office of the State Fire Marshal, approved by the Office, by January 1, 2013. Provides that the compliance plan shall include a detailed timeline that outlines completion of the planned sprinkler system installations; the Office of the State Fire Marshal may, at its discretion, require periodic updates from a post-secondary educational institution to document its efforts to comply with the Act; all sprinkler installations required by the Act shall be completed and operational by December 31, 2014; and a violation of the fire sprinkler systems requirements is a business offense punishable by a fine of not more than \$1,000 per day.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that the Office of the State Fire Marshal must approve the compliance plan by January 1, 2013 (instead of requiring the post-secondary educational institution to file the compliance plan with the Office by January 1, 2013). Provides that the compliance plan must be submitted no later than November 1, 2012 and must include (1) fire sprinkler system working drawings and hydraulic calculations, (2) a water supply analysis to determine available water and the need for a fire pump, and (3) a fire sprinkler system installation schedule (instead of providing that the compliance plan shall include a detailed timeline that outlines completion of the planned sprinkler system installations and the Office of the State Fire Marshal may, at its discretion, require periodic updates from a post-secondary educational institution to document its efforts to comply with the Act). Provides that if the compliance plan is approved by the Office of the State Fire Marshal, then the deadline for fire sprinklers to be installed and operational shall be extended to September 1, 2014 (instead of providing that all sprinkler installations required by the Act shall be completed and operational by December 31, 2014). Makes a technical correction.

HOUSE FLOOR AMENDMENT NO. 2

In language relating to compensation paid from federal, foundation, or trust funds, removes the condition that the funding is contingent upon the employment of a specific annuitant. Makes other changes relating to the employer's required notice to the System, the certification of records by the System, and the calculation of interest.

SENATE COMMITTEE AMENDMENT NO. 1

SENATE FLOOR AMENDMENT NO. 2

Provides that if an employer employs an affected annuitant in order to continue critical operations in the event of either an employee's unforeseen illness, accident, or death or a catastrophic incident or disaster, then, for one and only one academic year, the employer is not required to pay the additional contribution for that annuitant. Defines the terms "academic year" and "critical operations". Effective July 1, 2012.

305 ILCS 20/6 from Ch. 111 2/3, par. 1406

Amends the Energy Assistance Act. In regard to setting the annual eligibility level for the Energy Assistance Program, provides that for the period ending June 30, 2013, the Department of Commerce and Economic Opportunity may not establish limits higher than 200% of the federal nonfarm poverty level (rather than for the period ending June 30, 2012, or until the expenditure of federal resources allocated for energy assistance programs by the American Recovery and Reinvestment Act, whichever occurs first, the Department may not establish limits higher than 200% of that poverty level). Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Adds language providing that the Department of Commerce and Economic Opportunity may not establish limits higher than 200% of the federal nonfarm poverty level or the maximum level provided for by federal guidelines (rather than the Department of Commerce and Economic Opportunity may not establish limits higher than 200% of the federal nonfarm poverty level).

305 ILCS 5/15-5 from Ch. 23, par. 15-5

305 ILCS 5/15-11

Replaces everything after the enacting clause. Amends the Illinois Public Aid Code if and only if Senate Bill 2840 of the 97th General Assembly becomes law. Extends the moratorium on eligibility expansions from 2 years to 4 years and provides that the moratorium does not apply to expansions approved by the federal government that are financed entirely by units of

local government and federal matching funds. In regard to classes of persons eligible under the Medical Assistance Program, extends eligibility to persons who, pursuant to a waiver approved by the Secretary of the U.S. Department of Health and Human Services, are eligible for medical assistance under Title XIX or XXI of the Social Security Act. Permits the Department of Healthcare and Family Services to adopt rules concerning the waiver program. Provides that notwithstanding any other provision of this Code, if the United States Supreme Court holds Title II, Subtitle A, Section 2001(a) of Public Law 111-148 to be unconstitutional, or if a holding of Public Law 111-148 makes Medicaid eligibility allowed under Section 2001(a) inoperable, or if an Act of Congress that becomes a Public Law eliminates Section 2001(a) of Public Law 111-148, the State or a unit of local government shall be prohibited from enrolling individuals in the Medical Assistance Program as the result of federal approval of a State Medicaid waiver on or after the effective date of this amendatory Act, and any individuals enrolled in the Medical Assistance Program pursuant to eligibility permitted as a result of such a State Medicaid waiver shall become immediately ineligible. Makes changes to provisions concerning presumptive eligibility and the County Provider Trust Fund. Effective immediately, but not before the effective date of Senate Bill 2840 of the 97th General Assembly.

SENATE FLOOR AMENDMENT NO. 6

Amends the Abused and Neglected Child Reporting Act. Provides that the Department of Children and Family Services shall report the disappearance of any child under its custody or guardianship to the local law enforcement agency working in cooperation with the State Missing Persons Clearinghouse (rather than the I-SEARCH Unit located nearest the last known whereabouts of the child). Amends the Code of Civil Procedure by deleting certain provisions concerning joint and several liability and adding language providing, except as otherwise provided, that: in specified types of actions, each defendant found liable is liable for only that percentage of the plaintiff's damages that represents the fault chargeable to that defendant in the comparison of the plaintiff's fault with the fault of all tortfeasors whose fault was a proximate cause of the death, injury, loss, or damage for which recovery is sought; and, except when the plaintiff is barred from recovering damages because the plaintiff's fault is more than 50% of the proximate cause of the injury or damage for which recovery is sought, the plaintiff is barred from recovering damages from a defendant in excess of the amount of damages obtained by applying the percentage of fault of that defendant to the amount of the plaintiff's damages and no defendant is jointly and severally liable for plaintiff's damages. Deletes or repeals all of the following provisions of the Joint Tortfeasor Contribution Act: if the obligation of one or more joint tortfeasors is uncollectable, the remaining tortfeasors shall share the unpaid portions of the uncollectable obligation in accordance with their pro rata liability; if equity requires, the collective liability of some as a group shall constitute a single share; and a plaintiff's right to recover the full amount of his or her judgment from any one or more defendants subject to liability in tort for the same injury to person or property, or for wrongful death, is not affected by the provisions of the Act.

Amends the Chicago Teacher Article of the Illinois Pension Code. Provides that, beginning in State fiscal year 2013, the State shall make annual contributions to the Fund. For State fiscal year 2013, the contribution shall be \$270,347,800. For each year thereafter, the Board shall certify to the Governor by December 15th the amount of the required State contribution for the coming fiscal year. The certified contribution shall be equal to 10% of the certified State contribution to the downstate Teachers' Retirement System. In a provision that reduces the required annual Board of Education contribution to the Fund by the amount of any State contribution, makes the reduction apply only if the Board has certified in the previous fiscal year that the total assets of the Fund are at least 90% of the total actuarial liabilities of the Fund. Effective immediately.

PENSION NOTE (Government Forecasting & Accountability)

HB 5232 would have a positive fiscal impact upon the Chicago Teachers' Pension Fund (CTPF), but would require a significantly higher State contribution in FY 2013 and

beyond. The required FY 2013 State contribution to CTPF would be \$270.3 million, and the projected FY 2014 State contribution to CTPF would be \$289.4 million. The estimated FY 2014 amount is based upon TRS' projected FY 2014 State contribution as reported in their FY 2011 actuarial report.

Amends the Liquor Control Act of 1934. - 740 ILCS 128/10

Replaces everything after the enacting clause. Amends the Criminal Code of 1961. Provides that when the victim is under 18 years of age at the time of the offense, a prosecution for involuntary servitude, involuntary sexual servitude of a minor, or trafficking in persons and related offenses may be commenced within one year of the victim attaining the age of 18 years. However, in no such case shall the time period for prosecution expire sooner than 3 years after the commission of the offense. Eliminates from the elements of involuntary servitude that the labor or services must be forced upon the victim. Provides that a person also commits the offense when he or she uses any scheme, plan, or pattern intended to cause the person to believe that, if the person did not perform the labor or services, that person or another person would suffer serious harm or physical restraint. Provides that the penalty for that violation is a Class 4 felony. Eliminates subjecting a person to forced labor or services from the offense of trafficking in persons. Replaces that provision with subjecting the person to involuntary servitude. In the statute permitting the impoundment of a vehicle used in certain human trafficking and prostitution related offenses, provides that the provisions apply to violations of related municipal ordinances. Provides that the proceeds of the impoundment fee paid by the defendant shall be distributed to the law enforcement agency (rather than the unit of government) whose peace officers made the arrest for the costs incurred by the law enforcement agency to investigate and to tow and impound the vehicle. Amends various other Acts to make conforming changes.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes references to "trafficking of persons for forced labor or services". Also changes reference from "Violent Crime Victims Assistance Fund" to "DHS State Projects Fund".

HB-5332 JAKOBSSON - FEIGENHOLTZ - MAY - GORDON, CHAPA LAVIA AND PRITCHARD.

New Act

Creates the Homeowners' Electric Vehicle Act. Provides that: the Act applies only to electric vehicle charging systems at homes or in common areas; a homeowners' association, property owners' association, or condominium unit owners' association must adopt an electric vehicle charging policy regarding the location, design, and architectural requirements of electric vehicle charging systems within 120 days after the association receives a request for a policy or an

application from an association member; and an application for approval, if required, must be acted upon within 90 days after the time of application or, if a policy is not then in place, then 90 days after the policy is adopted. Provides that an entity, other than a public entity, that willfully violates the Act is liable for damages, but an entity that complies with the Act is not liable to any other resident or third party. Provides that the prevailing party in an action under the Act is entitled to attorney's fees and costs.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that, within 30 days after receiving a request for an electric vehicle charging system policy, an application for the installation or use of an electric vehicle charging system, or notification from an association member that the member intends to install an electric vehicle charging system, a homeowners' association, common interest community association, or condominium unit owners' association shall notify the electric utility from which the association receives electricity or delivery services of the planned installation.

HOUSE FLOOR AMENDMENT NO. 2

Modifies provisions of the Homeowners' Electric Vehicle Act. Provides that an association may determine "reasonable restrictions" on (instead of may determine) the design and location where an electric vehicle charging system may be installed. Provides that an association shall adopt an electric vehicle charging system policy within 45 days (instead of 120 days) after receiving a request for a policy or an application. Provides that "reasonable restrictions" are limitations that do not significantly increase the cost of the charging system or significantly decrease its efficiency or performance. Provides that if an application is submitted before an electric vehicle charging system policy is adopted by an association, the association has until the longer of the following to process the application: (1) 15 days after a policy is adopted, or (2) 30 days after the application is submitted (instead of providing that the 90-day approval time limit shall not begin to run until the date that the policy is adopted). Provides that if an application is not denied in writing before the end of the applicable time period, the application shall be deemed approved, unless that delay is the result of a reasonable information request.

HOUSE FLOOR AMENDMENT NO. 3

Deletes language that provides that the prevailing party in an action under the Act is entitled to attorney's fees and costs.

HOUSE FLOOR AMENDMENT NO. 2

Deletes reference to:

735 ILCS 5/5-101

Adds reference to:

735 ILCS 5/2-1402

from Ch. 110, par. 2-1402

735 ILCS 5/12-107.5 new

Replaces everything after the enacting clause. Amends the Code of Civil Procedure. In provisions concerning a supplementary proceeding and a citation to discover assets and income, creates an Income and Asset Form which requests information from a judgment debtor who is a natural person about the judgment debtor's identity, employment, other income, real estate, personal property, bank accounts, vehicles, and other related information. Provides that the form states that a judgment debtor who has been served with a citation should complete the form and bring it, pay stubs, and account statements to the hearing on the citation. Provides that a judgment debtor who is a natural person shall be served with a citation, citation notice, and the form by personal or abode service. Adds the following provisions regarding orders of body attachment: no order of body attachment or other civil order for the incarceration or detention of an individual to answer for a charge of indirect civil contempt shall issue unless the respondent has first had an opportunity, after personal service or abode service of notice, to appear in court; the notice shall be an order to show cause; any body attachment order expires one year after the date of issue; absent good cause, the first order directed to a respondent shall be in the nature of a recognizance bond of no more than \$1,000; and upon discharge of a bond secured by the posting of funds, the funds shall be returned to the respondent or other party posting the bond, unless the court determines that the judgment debtor willfully refused to comply with an order and part of the funds are non-exempt funds of the judgment debtor. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 2

Replaces everything after the enacting clause with provisions of the enrolled bill, except that it: provides that a citation to discover assets served upon a judgment debtor who is a natural person shall be served pursuant to Supreme Court Rule (instead pursuant to a specified statute); provides that the Income and Asset form served shall be substantially like the form included in the bill (instead of shall use the included form); provides that supplementary proceedings may proceed notwithstanding an absent or incomplete Income and Asset form; provides that no payment order shall be issued to a debtor who is a natural person unless the Income and Asset form was served on the debtor, the debtor has an opportunity to assert exemptions, and the payments are from non-exempt sources; and adds that upon the discharge of any bond secured by funds, the funds shall be returned to the debtor or other party posting the bond, less applicable fees, unless the court determines that the bond money belongs to the debtor and not a third party. Effective immediately.

SENATE FLOOR AMENDMENT NO. 3

Further amends the Code of Civil Procedure. Provides that the restrictions on the process applicable to a citation to discover assets served on a judgment debtor who is a natural person do not apply to any order or judgment resulting from an adjudication of a municipal ordinance violation that is subject to Supreme Court Rules concerning non-traffic and non-conservation ordinance proceedings, or from an administrative adjudication of such an ordinance violation. Provides that any requirements or limitations concerning a body attachment order do not apply to the enforcement of any order or judgment resulting from an adjudication of a municipal ordinance violation that is subject to the same Supreme Court Rules, or from an administrative adjudication of such an ordinance violation.

Creates the Pension Stabilization Act. Creates the Pension Stabilization Board and a new Pension Stabilization Fund. Provides for the certification of certain revenues and expenditures in FY2012, and directs certain future gaming and racing revenues and bond savings to be deposited into the Fund. Authorizes the Board to release money from the Fund to the 5 State-funded retirement systems based on their insolvency or unfunded liabilities. Amends the Budget Stabilization Act to repeal provisions relating to the existing (inactive) Pension Stabilization Fund. Amends the Illinois Income Tax Act. Reduces the rate of the tax imposed under the Act upon individuals, trusts, and estates to 4.75% (now, 5%) for taxable years beginning on or after January 1, 2013, and ending prior to January 1, 2015, 3.5% (now, 3.75%) for taxable years beginning on or after January 1, 2015 and ending prior to January 1, 2025, and 3% (now, 3.25%) for taxable years beginning on or after January 1, 2025. Provides that, for taxable years beginning on or after January 1, 2013, the amount of federally taxable retirement and survivor income that may be deducted from income for Illinois income tax purposes does not include retirement or survivor income received by an individual before he or she has attained age 65. Amends the General Obligation Bond Act. Directs the Governor to refund and refinance the

outstanding Illinois pension bonds from the bond sale authorized by Public Act 93-2, if he or she determines that the refinancing will produce significant savings. Amends the Illinois Pension Code, the State Pension Funds Continuing Appropriation Act, the Riverboat Gambling Act, the Illinois Horse Racing Act of 1975, and the Video Gaming Act to make corresponding changes. Also makes revisory changes. Effective immediately.

FISCAL NOTE (Government Forecasting & Accountability)

HB 5488 would reduce State income tax revenues by approximately \$356 million in FY 2013, \$776 million in FY 2014, and \$811 million in FY 2015, compared to current law, by reducing the statutory income tax rates. This amount of revenue reduction would continue to grow in future years as the taxable base grows. A portion of this reduction would be offset by an increase in income tax revenues due to the taxation of retirement income of taxpayers less than 65 years old. Based on 2009 retirement tax data, the Commission estimates the revenue increase by tax year would be (based on the proposed tax rates) \$644 million in Tax Years 2013 and 2014, \$475 million in Tax Years 2015 thru 2024, and \$407 million in Tax Years 2025 and thereafter. (The fiscal year in which these revenues are received would depend on the manner in which these revenues are collected. i.e. withholding payments (earlier) vs. final payments (later)). As retirement income grows, so would those figures. HB 5488 would also potentially change the amount of revenues available in the general funds as the legislation directs a certain percentage of excess revenues from riverboats, horse racing, video gaming, as well as bond payments (from the Capital Projects Fund and General Revenue Fund) to go to the newly created Pension Stabilization Fund.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 5488 would not change the amount of authorization for any type of State-issued or State-supported bond, but could affect the State's debt service payments. Whether lowering of total debt service is possible or not, the refunding of the remaining principal of the 2003 Pension Obligation Bonds (POBs), under the current requirements of the General Obligation Bond Act, would most likely require annual debt service payments in the first 5 to 10 years to be higher than the current debt service payments on the original bonds, therefore creating a greater burden in the near term on the General Revenue Fund.

PENSION NOTE (Government Forecasting & Accountability)

HB 5488 will have a positive fiscal impact if any monies are disbursed from the Pension Stabilization Fund to any of the five State-funded retirement systems. However, under HB 5488, if the balance of the Pension Stabilization Fund is less than 30% of the combined unfunded liabilities of the State systems, monies from the Pension Stabilization Fund cannot be disbursed to the retirement systems unless one of the State systems is insolvent.

Amends provisions of the Illinois Marriage and Dissolution of Marriage Act concerning fees and costs for representation of a child. Provides that: an appointed attorney, guardian ad litem, or child representative's failure to submit a detailed invoice for each 90-day period precludes the collection of costs, fees, and disbursements for services rendered in that period; an appointed attorney, guardian ad litem, or child representative may not bill the parties any fees for the preparation and presentation of an invoice; the court may not award lump sum fees to an appointed attorney, guardian ad litem, or child representative; the court may not authorize payment of bills that are not properly itemized; compensation for an appointed attorney, guardian ad litem, or child representative may be paid at a reasonable rate not to exceed \$150

per hour; and that this rate shall be adjusted each year in accordance with the consumer price index. Deletes language providing that: the court may not order payment by the Department of Healthcare and Family Services if the Department is providing child support enforcement services under the Illinois Public Aid Code; and fees and costs payable to an appointed attorney, guardian ad litem, or child representative are by implication deemed to be in the nature of support of the child and are within the exceptions to discharge in bankruptcy unless the court orders otherwise. Makes other changes.

Provides that "rehabilitation services" may include interventions by school support personnel, evaluation for eligibility for special education, referrals to community-based agencies such as youth services, behavioral healthcare service providers, drug and alcohol prevention or treatment programs, and other interventions as deemed appropriate for the student. 305 ILCS 5/5-1.2a new

Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to establish, within 6 months after the effective date of the amendatory Act, uniform procedures to identify, investigate, and resolve potential cases of fraud, misrepresentation, or inadequate documentation prior to determining an applicant's eligibility for medical assistance under the Code. Requires the Department to establish a computerized income eligibility verification system in order to verify eligibility, eliminate duplication of assistance, and deter fraud. Provides that prior to awarding medical assistance or continuing such assistance, the Department shall match the social security number of each applicant and recipient against unearned income information maintained by the Internal Revenue Service; employer quarterly reports of income and unemployment insurance payment information maintained by the Department of Employment Security; immigration status information maintained by the U.S. Citizenship and Immigration Services; and other State and federal informational databases. Contains provisions concerning the procedures the Department shall follow when discovering a discrepancy between an applicant's or recipient's social security number and information contained in specified databases. Contains provisions concerning reporting requirements and third-party entities contracted to review or to provide information to

facilitate the review of eligibility criteria for individuals enrolled in the medical assistance program prior to the effective date of the amendatory Act. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause with substantially similar provisions, but with the following changes: Removes a provision defining terms. Provides that prior to awarding or continuing medical assistance, the Department of Healthcare and Family Services shall, to the extent such databases are available to the Department, match the name, date of birth, and social security number of each applicant and recipient against specified databases and information tools (rather than prior to awarding or continuing medical assistance, the Department of Healthcare and Family Services shall match the social security number of each applicant and recipient against specified databases and information tools). Provides that the Department shall match the name, date of birth, and social security number of each applicant and recipient against a database of all persons who currently hold a license, permit, or certificate from a State agency (rather than a database of all persons who currently hold a license, permit, or certificate from a State agency the cost of which exceeds \$1,000). Adds language providing that prior to awarding or continuing medical assistance, the Department shall match the name, date of birth, and social security number of each applicant and recipient against specified public records. Removes a provision concerning reporting requirements. Removes a provision permitting the Department to use the computerized income eligibility verification system to review eligibility criteria for individuals enrolled for coverage under the medical assistance program prior to the effective date of this amendatory Act. Adds a provision providing that the applicant or recipient shall have an opportunity for a fair hearing in the event of any adverse action affecting eligibility for medical assistance. Makes some technical changes. Effective immediately.

CORRECTIONAL NOTE (Dept of Corrections)

There are no penalty enhancements associated with HB 5745. The bill would have no fiscal or population impact on the Department.

FISCAL NOTE (Illinois State Police)

The Illinois State Police (ISP), Firearms Services Bureau (FSB) estimates 25 percent of the current 1.3 million person database would be interested in concealed carry. An unknown number of Illinois residents not currently FOID card holders may also apply. This could be a significant number which could impact operational needs. This initial wave of applications could overwhelm the ISP's capacity to process applications especially if an adequate system is not in place on the effective date. Concealed carry card production and a keying and scanning function would also need to be procured, bid, and in place prior to the effective date. These new processes require ISP to go through the vendor procurement process, bidding, and award before they can change the contracted business processes in place with current vendors. The following is an attempt to estimate the initial and recurring costs of such a program: Initial Project Cost

Estimate Summary (1) Project Time Frame = 2 Years; (2) Hardware and Software = \$700,000; (3) Technical Human Resources = \$1,200,000; (4) Training = \$100,000; Total Project Startup Costs = \$2,000,000. The Illinois State Police will require 25 new civilian personnel plus two contractual employees for six months each representing an increase of approximately \$2,927,038 to properly administer this mandate. Total Estimated recurring operational costs each successive fiscal year = \$2,927,038.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill pre-empts home rule authority.

BALANCED BUDGET NOTE (Office of Management and Budget)

HB 5745 as introduced has a direct fiscal impact to the Illinois State Police. To first fulfill the records mandate included in this legislation, the Illinois State Police would need approximately \$2 million dollars to develop and implement a sufficient information technology system as well as to hire additional staff. Given that the effective date for this legislation is upon enactment, the State will initially fund these costs. However, based on an estimated 325,000 individuals seeking to obtain a Concealed Carry License, sufficient revenue to sustain operations is projected for future years. Based on the fee structure provided in the legislation, it is estimated that the first year \$21,125,000 million in revenue will be collected with a five year renewal influx of \$8,125,000 million. This would fund the annual cost of \$1,922,250. It should be noted that this is depending on an estimated 325,000 applicants. HB 5745 as introduced establishes fee income for applicable sheriffs throughout Illinois. This income is to be used by the sheriffs for receiving and reviewing applications, but the total fiscal impact to the local sheriffs throughout Illinois cannot be determined at this point in time.

 730 ILCS 5/5-5.5-25
 730 ILCS 5/5-5.5-30

Amends the Unified Code of Corrections concerning certificates of good conduct and certificates of relief from disabilities. Provides that the certificate may be granted to an eligible offender who has demonstrated by a preponderance of the evidence (rather than by clear and convincing evidence) that he or she has been a law-abiding citizen and is fully rehabilitated. Provides that the applicant has conducted himself or herself in a manner warranting the issuance of the certificate of good conduct for a minimum period of one year (rather than 3 years if the person was convicted of a felony and one year if the person was convicted of a misdemeanor).

HOUSE COMMITTEE AMENDMENT NO. 1

Adds reference to:

730 ILCS 5/5-5.5-5

Further amends the Unified Code of Corrections. Provides that a person is eligible for relief from disabilities and a certificate of good conduct if he or she has been convicted of a crime in this State or of an offense in any other jurisdiction that does not include any offense or attempted offense that would subject a person to registration under the Sex Offender Registration Act, the Arsonist Registration Act, or the Murderer and Violent Offender Against Youth Registration Act. Provides that an eligible offender does not include a person who has been convicted of committing or attempting to commit a Class X felony, aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof, aggravated domestic battery, or a forcible felony. Deletes provision that a person who has been convicted more than twice of a felony is ineligible for relief.

SENATE FLOOR AMENDMENT NO. 1

Deletes reference to:

730 ILCS 5/5-5.5-15

730 ILCS 5/5-5.5-25

Restores provisions that a certificate of relief from disabilities and a certificate of good conduct may not be issued unless the court is satisfied of certain factors based on clear and convincing evidence. Provides that the minimum period of good conduct in which the applicant must have conducted himself or herself if the most serious crime of which the individual was convicted is a misdemeanor shall be one year and if the most serious crime of which the individual was convicted is a Class 1, 2, 3, or 4 felony shall be 2 (rather than 3) years.
