| for the Illinois Department of Employment Security (IDES). Recommends guidelines and procedures and implements programs to address the employment service needs of job seeker populations, including but not limited to Hire-the-Future, Re-entry/Returning Citizens, Reemployment Services and Eligibility Assessment Program (RESEA) and Older Workers; collects and analyzes data on job seekers, including but not limited to youth, older workers and returning citizens, to ensure IDES is delivering employment services in compliance with federal and state regulations, agency procedures and municipal regulations. Implements and recommends guidelines and procedures to establish and maintain relationships with employers and market agency services and programs; identifies positions suitable for all job seeker populations; conducts quality control checks and matches employment opportunities with qualified job seekers. Travels to various locations throughout assigned area to conduct outreach duties, including but not limited to correctional facilities, educational institutions, local chambers, community and faith-based organizations, and community/state fairs to facilitate program services. Registers job seekers in the IL Labor Exchange System (IJL). Conducts training needs assessments to implement training modules, webinars, in-person seminars and workshops related to delivery of employment services; develops training content. Utilizes Spanish language to assist clients who request or need interpretive services.  1. Independently performs advanced professional functions for the Wagner-Peyser Program of the Illinois Department of Employment Security (IDES). Recommends guidelines and procedures and implements Wagner-Peyser programs based on state and federal laws, agency procedures and municipal regulations to address the employment service needs of job seeker populations, including but not limited to Hire-the-Future, Re-entry/Returning Citizens, RESEA and Older Workers. Collects and analyzes data on job seekers, including but not |                                                     |                                                                                                           |                                        |                     |                                                                             |                     |                |                                      |                  |  |
| 2. Conducts a variety of training workshops for employers, job seekers and agency staff engaged in delivering employment services. Confers with management to conduct training needs assessments to develop and implement training modules, webinars, in-person seminars and workshops related to the delivery of employment services. Organizes and develops training content using PowerPoint, Microsoft Word and other software; determines best instructional methods. Develops and/or identifies related instructional materials; prepares and/or adapts lesson plans and job aids; selects or prepares audio-visi aids and equipment. Measures overall effectiveness of training programs; identifies needs and recommends corrective action and conducts follow-up studies to review and evaluate training results.  Travels to perform these duties. 5. Professional experience developing a training curriculum and conducting training

6. Professional experience using Microsoft Excel to prepare complex statistical reports for federal or state reporting

7. Basic proficiency in Microsoft Office Suite products, including Outlook, Word, Excel and PowerPoint

8. Experience requiring knowledge of employment laws and regulations and applying federal and state legislation to specific issues regarding delivery of employment services to H-2A Temporary Agricultural Workers (H-2A) and H-2B Temporary Non-Agricultural Workers (H-2B) in accordance with state and federal guidelines

#### 20. CONDITIONS OF EMPLOYMENT

1. Requires the ability to travel extensively, including overnight stays

21. POSITION POSTING/MARKETING STATEMENT: Information in this statement is <u>NOT</u> intended to be allencompassing or to address all responsibilities of the position.

The Illinois Department of Employment Security (IDES) is seeking an organized, professional, and results oriented individual to serve as Migrant and Seasonal Farmworkers (MSFW) Program Manager. This position will provide guidance concerning rules, regulations, policies and procedures pertaining to migrant and seasonal farm workers, H-2A Temporary Agricultural Workers (H-2A) and H-2B Temporary Non-Agricultural Workers (H-2B). Responsibilities include implementing an outreach program to reach migrant and seasonal farmworkers to help them access IDES services, implementing a process to help agricultural employers recruit qualified workers on a temporary and/or seasonal basis, performing onsite inspections to assure compliance regarding the terms and conditions of employment, preparing a variety of state and/or federal reports and grant proposals, including but not limited to complex statistical reports, and traveling statewide to conduct training. This position provides a great opportunity for someone who has a strong knowledge of state and federal employment laws, programs and services pertaining to migrant and seasonal farmworkers and H-2A and H-2B workers and is dedicated to providing employment services and monitoring compliance with state and federal employment laws. The ideal candidate for this position will have extensive experience providing employment services to migrant and seasonal farmworkers, strong leadership skills, and experience preparing grant reports and supervising a team of that provides services over a wide geographical area. IDES offers a competitive compensation plan, excellent benefits, and a pension program. We invite you to join our innovative team to help make a positive difference in the lives of Illinois employers and job seekers.

#### 22. ABOUT THE AGENCY/BUREAU/PROGRAM

The Illinois Department of Employment Security's (IDES) mission is to serve Illinois workers and employers to the best of our ability and to use our knowledge of the Illinois workforce to inform sound policy decision making. IDES encourages economic growth and stability in Illinois by providing vital Employment Services to Illinois residents and employers, analyzing and disseminating actionable Labor Market Information, and administering Unemployment Insurance programs.

Requires knowledge, skill and mental development equivalent to the completion of four years of college with major courses in Business Law and Business Administration plus three years of local office professional investigative experience performing major adjudication work involved in the fact-finding process, preferably with experience adjudicating Unemployment Insurance (UI) benefit claims separations issues and non-separation issues. Requires extensive knowledge of Federal and State laws, rules and regulations applicable to Unemployment Insurance benefits; UI benefit fact-finding and interviewing practices and procedures; investigatory techniques relative to the examination records and the questioning of persons, math concepts, databases and hard copy information sources within IDES. Requires thorough knowledge of IDES local office automated systems, programs and practices as they relate to the payment of UI benefits. Requires the ability to apply agency laws, policies and procedures to a local office benefits program; communicate effectively both orally and in writing; and to use a personal computer with related software programs, including but not limited to Microsoft Office Suite (Word, Excel, PowerPoint, etc.) and PDF software such as Adobe Reader. Prefers candidates who are self-motivated and possess strong organizational and time management skills. Requires ability to travel occasionally. Requires ability to speak and write the Spanish language at a colloquial skill level in carrying out position duties in conjunction with Spanish speaking clients.

Requires knowledge, skill and mental development equivalent to the completion of four years college with major courses in Business Law and Business Administration plus three years of local office professional investigative experience performing major adjudication work involved in the fact-finding process. Requires thorough knowledge of local office automated systems, programs and practices as they relate to the payment of Unemployment Insurance (UI) benefits; the functional relationships within IDES relative to UI benefit investigations; the Benefit portion of the UI Act, related computer systems and adjudication forms. Requires extensive knowledge of Federal and State laws, rules and regulations applicable to UI benefits and benefit fraud; UI benefit factfinding and interviewing practices and procedures; investigatory techniques relative to the examination records and the questioning of persons, math concepts, databases and hard copy information sources within IDES. Requires the ability to communicate effectively both orally and in writing; prepare case reports for referral to prosecuting agency; testify in court in fraud cases; and to use a personal computer with related software packages, including but not limited to Microsoft Office Suite (Word, Excel PowerPoint, Outlook, etc.) and the Internet. Requires ability to travel occasionally. Requires ability to speak and write the Spanish language at a colloquial skill level in carrying out position duties in conjunction with Spanish speaking clients.

Requires knowledge, skill and mental development equivalent to the completion of four years college with major courses in Business Law and Business Administration plus three years of local office professional investigative experience performing major adjudication work involved in the fact-finding process. Requires thorough knowledge of local office automated systems, programs and practices as they relate to the payment of Unemployment Insurance (UI) benefits; the functional relationships within IDES relative to UI benefit investigations; the Benefit portion of the UI Act, related computer systems and adjudication forms. Requires extensive knowledge of Federal and State laws, rules and regulations applicable to UI benefits and benefit fraud; UI benefit fact-finding and interviewing practices and procedures; investigatory techniques relative to the examination records and the questioning of persons, math concepts, databases and hard copy information sources within IDES. Requires the ability to communicate effectively both orally and in writing; prepare case reports for referral to prosecuting agency; testify in court in fraud cases; and to use a personal computer with related software packages, including but not limited to Microsoft Office Suite (Word, Excel, PowerPoint, Outlook, etc.) and the Internet. Requires ability to travel occasionally. Requires ability to speak and write the Spanish language at a colloquial skill level in carrying out position duties in conjunction with Spanish speaking clients.
