## ILLINOIS DEPARTMENT OF EMPLOYMENT SECURITY

Report to the General Assembly April 2022

Kristin A. Richards
Acting Director

March 11, 2022

Pursuant to (5 ILCS 382/) State Services Assurance Act the Illinois Department of Employment Security is submitting its FY 2022 report on bilingual frontline staff in the Department. The frontline staff is made up of a Public Service Administrator, Field Office Supervisors, Employment Security Program Representatives, Employment Security Service Representatives, Employment Security Specialists, a Hearing Referee, an Office Administrator, an Office Associate, and Unemployment Insurance Special Agents. The language options represented in this bilingual frontline staff report are Chinese, Polish and Spanish.

5 ILCS 382 requires the Department to maintain at least 127 frontline bilingual staff. Consistent and in compliance with the requirements of the State Assurances Act, IDES employs 136 bilingual frontline employees. Furthermore, in 2008 at the inception of the State Assurances Act, IDES had a workforce of 1,508 compared to our current workforce of 1,154. Fluctuations in the state workforce and overall fiscal situation were not anticipated or allowed for by the provisions of the State Assurances Act. However, IDES has been able to maintain and increase its bilingual workforce even though its overall workforce size has declined since 2008, which highlights the Department's commitment to providing meaningful access to our services, benefits and programs to the bilingual community.

With the demand for additional bilingual frontline staff or other language needs increasing across the State of Illinois, IDES is prepared to meet the standard for ensuring effective delivery of essential services. IDES has been recruiting for and hiring more individuals in bilingual positions due to current needs and we anticipate our numbers growing during the current fiscal year. As required by the Act, a list of frontline bilingual employees for the period ending January 2022 is attached, as well as job descriptions for the bilingual titles.
