Using the IL Labor Exchange system, selects suitable job openings for applicants, provides referrals, placement and follow-up services on available job orders or training programs; loads and extracts claims data using automated systems; refers clients with complex issues and/or service needs to relevant office or partner staff; establishes and maintains activity reports. As directed, performs these duties for assigned worksites within the service delivery area other than the primary assigned office. Travels to fairs and worksites. Utilizes Spanish language to assist clients who request or need interpretive services.  1. Assesses and addresses client Unemployment Insurance and Wagner-Peyser service needs. Provides services related to the processing of claims for unemployment insurance benefits, including but not limited to interstate, military and other federal or trade readjustment. Conducts benefit rights interviews with clients to determine unemployment insurance claims monetary and nonmonetary eligibility and discern employment history and work status; provides orientation and clarifies eligibility factors; provides information on available job training and/or educational programs; provides information on the use of the IL Labor Exchange system, determines relevant services for the applicant and coaches in the registration process to facilitate reemployment; assists in the formation of work search action plan and reviews for compliance; explains client rights and responsibilities as they pertain to benefits programs. As directed, performs these duties for assigned worksites within the service delivery area other than the primary assigned office. Utilizes Spanish language to assist clients who request or need |                                                                      |                                                                           |                                           |                                                 |                                            |                                      |                                            |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                        |                                 |                        |

| 25%                                               | conducts benefit rights interviews; provides orientation and clarifies eligibility factors; adjudicates nonseparation benefit claim issues. Using the IL Labor Exchange system, selects suitable job openings for applicants, provides referrals, placement and follow-up services on available job orders or training programs; loads and extracts claims data using automated systems; refers clients with complex issues and/or service needs to relevant office or partner staff; establishes and maintains activity reports. As directed, performs these duties for assigned worksites within the service delivery area other than the primary assigned office. Travels to fairs and worksites. Utilizes Spanish language to assist clients who request or need interpretive services. |                                                                                       |                                                                         |                                                      |                                        |                                                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                           |                                            |                        |
