During this reporting period, January 1, 2022, through June 30, 2022, each of the Homes performed as follow:

- Illinois Veterans' Home at Anna employed **32** direct care staff and was in compliance with the USDVA staffing standards.
- Illinois Veterans' Home at Chicago employed **33** direct care staff and was in compliance with the USDVA staffing standards.
- Illinois Veterans' Home at LaSalle employed **119** direct care and staff and was in compliance with the USDVA staffing standards.

-

This letter constitutes IDVA's confirmation that each of the Illinois Veterans' Homes had sufficient staff to provide the USDVA-required 2.5 hours of care per day and did not require additional staff to meet the standard.

The Department will continue to provide highest level of service to the maximum number of eligible veterans possible and is working within budgetary constraint toward meeting the State increased hours of care requirement in our Homes.

We trust this reporting is acceptable and fulfills the requirement.
