

2022 In-Car Camera Report

O'Fallon Police Department

1. The O'Fallon Police Department applied for and received an ILETSB In-Car Camera grant in 2018.
2. In 2019 the O'Fallon Police Department received \$68,000 from the grant, which paid for 66% of the purchase price for 17 L-3 In-Car Cameras.
3. The L-3 Camera's were utilized until 2021, and then removed from the vehicles due to the acquisition of Axon brand Body Worn Cameras. Axon In-Car Cameras were purchased and placed into the vehicles to bring consistency in operation and viewing between the Body Worn Cameras and In-Car Cameras.
4. The following L-3 cameras were removed from the vehicles and are currently stored at the O'Fallon Police Department:

73496	73497	73501	73502	73503	73504
73506	73508	73509	73517	73518	73521
73522	73525	73526	74701	56700
