

FY2023 Child Care Report

This report is being submitted by the Department of Children and Family Services (the Department) pursuant to the guidelines of HB4242, Public Act 102-0926 which requires the Department to submit a report to the General Assembly beginning October 1, 2023 and every October 1st thereafter on the number of children who received childcare via vouchers paid for by the Department during the preceding fiscal year. The Department shall specify by rule the conditions of eligibility, the application process and the types, amounts and duration of services. The report shall include the ages of children who received childcare, the type of childcare they received and the number of months they received childcare.

CONDITIONS OF ELIGIBILITY

The Department shall provide childcare services to families meeting the following day care service eligibility criteria:

- Intact families with an open case and whose child/children are 0-3 years of age, a protective need has been assessed, and that day care has been/will be identified in the service plan as a needed resource for safety reasons.
- Intact families with an open case and whose child/children are four (4) years of age and older and whose parents are working outside the home or who are participating in employment training or educational programs outside the home that are approved by the Department and any other means of day care services/pre-school are not available or appropriate (a list of other services attempted should be attached as documentation).
- Foster parents or relative care providers who are working outside the home.
- Foster parents or relative care providers who are participating in employment training or educational programs outside the home that are approved by the Department.
- Reunified families whose children were formerly youth in care.
- Adoptive or guardianship parents who are working outside the home.

- Teen youth-in-care parents to enable them to obtain or reengage in a high school degree or its equivalent. As of May 2022, teen parents apply directly to DHS' Child Care Assistance Program for all day care service needs.

APPLYING FOR DCFS SUBSIDIZED CHILDCARE

- Open Child Welfare service cases are eligible for Department-funded day care services. Requires an open case in CYCIS and placement information (if applicable) must be updated to current applicant before a Day Care Service Eligibility Application (CFS 2000) can be processed.
- Per policy, all day care service requests must be submitted to your regional day care service eligibility team prior to day care services beginning. Due to child welfare circumstances, completed and signed Day Care Service Eligibility Applications should be submitted within 30 days of start date. If the request is submitted beyond the 30 days, an explanatory letter, signed by the caseworker and supervisor, must be attached to the application.
- Day care is approved for at least 6 months at a time (unless a shorter or longer time frame is requested on the application or determined otherwise).
- Day care services eligibility *Re-determination* (Re-D) paperwork for foster/adoptive day care is mailed directly to the foster/adoptive parent, with a copy of the notification going to the current caseworker.

CATEGORY TYPE

As of November 2022, Extended Family Support Program (EFSP)-involved families can now seek State of Illinois-subsidized childcare through DHS' Child Care Assistance Program.

Foster Care	Protective/Open Intact Family Services
