

**Illinois Child Endangerment Risk Assessment Protocol (CERAP)
Annual Legislative Report to the General Assembly**

May 1, 2024

Due to the nature of the changes to the current safety assessment tool, the CERAP Committee did not complete a report for 2023. The Committee asks for a pause in reporting due to the lack of data available for the new tool. The Committee plans to resume reporting in 2025, when the data becomes available. The Committee looks forward to evaluating this new safety assessment tool.
