David A. Snyders, Sheriff

April 30, 2020

To whom it may concern,

Please find attached to this report an excel sheet that lists our Agency's records of video requests that were used in criminal, traffic, ordinance, and civil cases for 2019. These videos were made from the 13 in-car video systems manufactured by Digital Ally. All 13 Digital Ally systems that were purchased using grant funding are still in use as of the date of this report. The Administrative Lieutenant is responsible for maintaining the Digital Ally in-car systems as well as the server located within our Public Safety Building. The Administrative Lieutenant is also responsible for reviewing the in-car squad videos and downloading videos for use in any court proceedings.

Sincerely,

A handwritten signature in black ink that reads "Kenneth Nesemeier".
