415 ILCS 5/9.15

Amends the Department of Transportation Law of the Civil Administrative Code of Illinois. Provides that the amendatory Act may be referred to as the Transportation Choices Act. Requires, by January 1, 2026, the Environmental Protection Agency, after consultation with the Department of Transportation and Metropolitan Planning Organizations (MPOs), to establish a schedule of greenhouse gas targets for greenhouse gas emissions from the transportation sector in the State. Requires the Department and MPOs to conduct a greenhouse gas emissions analysis and determine if their applicable planning document will result in meeting their greenhouse gas targets. Requires the Department and MPOs to perform a greenhouse gas emissions analysis prior to including a roadway capacity expansion project in an applicable planning document. Requires, by January 1, 2028 and every 3 years thereafter, the Department to prepare a comprehensive report on statewide transportation greenhouse gas reduction accomplishments and challenges and to make recommendations for any legislative action that would assist the Department and MPOs in meeting their greenhouse gas targets. Requires the Department and MPOs to calculate a climate equity accessibility score prior to including any project that has an anticipated cost of \$30,000,000 or more in an applicable planning document or as a greenhouse gas mitigation measure. Requires the Department and MPOs to provide early and continuous opportunities for public participation in the transportation planning process. Requires, beginning June 30, 2025, the Department and MPOs to establish a social cost of carbon and use the social cost of carbon in their planning documents and planning activities. Establishes the Greenhouse Gas in Transportation Working Group. Provides that the specified requirements of the provisions shall commence with projects included in applicable planning documents filed on or after January 1, 2027. Makes other changes. Amends the Environmental Protection Act. Directs the Environmental Protection Agency to calculate a social cost of carbon and makes other changes.

Amends the Public Utilities Act. Provides that a gas utility may cease providing service if the Illinois Commerce Commission determines that adequate substitute service is available at a reasonable cost to support the existing end uses of the affected utility customers. Provides for cost-effective energy efficiency measures for natural gas utilities that supersede existing provisions concerning natural gas energy efficiency programs and take effect beginning January 1, 2025. Provides that gas main and gas service extension policies shall be based on the principle that the full incremental cost associated with new development and growth shall be borne by the customers that cause those incremental costs. Provides that, no later than 60 days after the effective date of the amendatory Act, the Commission shall initiate a docketed rulemaking reviewing each gas public utility tariff that provides for gas main and gas service extensions without additional charge to new customers in excess of the default extensions as specified in administrative rule. Adds the Clean Building Heating Law Article to the Act, with provisions concerning emissions standards for heating in buildings, as well as related and other provisions. Adds the 2050 Heat Decarbonization Standard Article to the Act, with provisions concerning options for compliance, measures for customer emission reduction, customer emission reductions, tradable clean heat credits, banking of emission reductions, equity in emission reductions, enforcement, the 2050 Heat Decarbonization Pathways Study, gas infrastructure planning, a study on gas utility financial incentive reform, and reporting requirements. Adds the Statewide Navigator Program Law Article to the Act, with provisions concerning creation of a statewide navigator program, as well as related and other provisions. Amends the Energy Transition Act to add electrification industries to clean energy jobs. Effective immediately.

Creates the Metropolitan Mobility Authority Act, and establishes the Metropolitan Mobility Authority. Provides that the Chicago Transit Authority, the Commuter Rail Division and the Suburban Bus Division of the Regional Transportation Authority, and the Regional Transportation Authority are consolidated into the Metropolitan Mobility Authority and the Service Boards are abolished, instead creating the Suburban Bus Operating Division, Commuter Rail Operating Division, and the Chicago Transit Operating Division. Reinserts, reorganizes, and changes some provisions from the Metropolitan Transit Authority Act and the Regional Transportation Authority Act into the new Act and repeals those Acts. Includes provisions about the operation of the Metropolitan Mobility Authority. Creates the Equitable Transit-Supportive Development Act. Establishes the Office of Transit-Oriented Development. Provides that the Office and the Fund are to aid transit-supportive development near high-quality transit by providing specified funding to municipalities that have adopted the standards in the transit support overlay district for that area or that have adopted zoning and other changes that the Office determines have benefits greater than or equal to such a District, including transit support overlay districts. Includes provisions relating to Office standards, procedures, and reports. Creates the Zero-Emission Vehicle Act. Provides that all on-road vehicles purchased or leased by a governmental unit on or after January 1, 2028 must be a manufactured zero-emission vehicle, repowered zero-emission vehicle, manufactured near zero-emission vehicle, or repowered near zero-emission vehicle. Provides that on and after January 1, 2033, all on-road vehicles purchased or leased by a governmental unit must be a manufactured zero-emission vehicle or repowered zero-emission vehicle. Provides that, by January 1, 2048, all on-road vehicles operated by a governmental unit must be a manufactured or repowered zero-emission vehicle. Sets forth provisions implementing the Act, including requiring the Department of Central Management Services to adopt certain rules. Amends various Acts, Laws, and Codes to make conforming changes for the new Acts and to make other changes. Provides that some provisions are effective immediately.
