20 ILCS 2630/3.2 from Ch. 38, par. 206-3.2

Amends the Criminal Identification Act. Creates procedures for a medical facility, physician, or nurse to report a sexual assault when the sexual assault survivor requests treatment at the medical facility.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In the new procedures for a medical facility, physician, or nurse to report a sexual assault when the sexual assault survivor requests treatment at the medical facility, provides that the procedures are an exception to the other requirements of the existing provisions. In the procedure regarding notification of law enforcement of a sexual assault survivor, provides that the healthcare provider must advise the survivor about the options for timing of the law enforcement notification, ask the survivor if the survivor has been threatened, and offer to connect the survivor with a rape crisis center for safety planning, if appropriate, and provides that the documentation required to show a survivor's decision regarding notification of law enforcement must include confirmation that the healthcare provider asked the survivor if the survivor has been threatened. Moves language stating that the provisions do not change the obligations of mandated reporters under specified Acts. Provides that nothing in the provisions require a delay in notification of law enforcement by the Department of Children and Family Services, Adult Protective Services, or any other agency receiving a mandated report.

Senate Floor Amendment No. 3

Replaces everything after the enacting clause. Amends the Recorder Division of the Counties Code. Provides that, in counties of 500,000 or more inhabitants, the recorder may microphotograph or otherwise reproduce on film or store electronically instruments (rather than may microphotograph or otherwise reproduce on film instruments) in the manner provided by law. In provisions concerning predictable fee schedules for recordings in first and second class counties, provides that fees of the recorder for recording deeds or other instruments in writing and maps of plats of additions, subdivisions, or otherwise and for certifying copies of records shall not be based on units, but allows a county to adopt an ordinance and publish in its fee schedule an additional fee or formula for a document that makes specific reference to more than 5 tax parcels, units, property identification numbers, or document numbers. Allows the county board to increase, by ordinance or resolution, the fees allowed in the predictable fee schedule if the increase is justified by an acceptable cost study or internal analysis with a minimum of 3 years showing that the fees allowed by this Section are not sufficient to cover the cost of providing the service. Requires a statement of the cost of providing each service, program, and activity to be prepared by the county board and that all supporting documents to the statement are public record and subject to public examination and audit. Provides that all direct and indirect costs may be included in the determination of the costs of each service, program, and activity. Changes references to "irregular documents" to "nonstandard documents". Allows a county board to charge an additional minimum \$3 automation fee for every filing to defray the cost of converting the recorder's document storage system to computers or micrographics and in order to defray the cost of providing access to records through the Internet and \$3 GIS fee for a county's geographic information system, specifying how the moneys may be used. Makes other changes.

410 ILCS 43/1

Amends the Comprehensive Lead Education, Reduction, and Window Replacement Program Act. Makes a technical change in a Section concerning the short title.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Directs the Illinois Environmental Protection Agency to conduct statewide sampling of certain community water supplies for the presence of 1,4-Dioxane (rather than directs the Agency to propose, and the Pollution Control Board to adopt, rules establishing State-only maximum contaminant levels for likely or known carcinogens found in public drinking water systems). Provides that within one year of the promulgation by the United States Environmental Protection Agency (USEPA) of regulations or amendments establishing maximum contaminant levels (MCLs) for any PFAS, the Board shall adopt rules which are identical in substance to such federal regulations or amendments. Provides that the Agency shall, by June 30, 2026, conduct sampling of the Illinois community water supplies previously sampled by the Agency for 1,4-Dioxane from the years 2013 through 2015 (rather than the Agency shall conduct an initial study on primary drinking water standards and, by no later than June 30, 2025, present its findings to the General Assembly for the purpose of implementing a State-only MCL for carcinogens and toxic chemicals that are likely to pose a substantial health hazard). Provides that if the results of such sampling detect drinking water levels of 1,4-Dioxane in excess of the USEPA Health Reference Level of 35 micrograms per liter, the Agency shall (rather than the Agency shall, with no prefatory condition), within 2 years after June 30, 2026 (rather than 2025), take all actions needed to obtain expertise to propose rules to establish a State-only MCL for 1,4-Dioxane (rather than for carcinogens and toxic chemicals likely to pose a substantial health hazard). Provides that, by no later than June 30, 2029, the Agency shall propose, and, by no later than June 30, 2030, the Board shall adopt, amendments to the Board rules to establish a State-only MCL for 1,4-Dioxane (rather than no later than June 30, 2029, the Agency shall propose, and, by no later than June 30, 2030, the Board shall adopt, amendments to the Board rules that establish State-only MCLs for carcinogens and toxic chemicals that are likely to pose a substantial health hazard, with certain requirements). Removes provisions that the Agency and Board annually review relevant science and law for rulemaking and related purposes. Provides that the Agency shall, at least annually, convene a stakeholder group to review a subset of chemicals that are likely to pose a substantial health hazard to residents of the state, for the purpose of proposing or revising a State-only MCL for those chemicals.

20 ILCS 505/1.1 from Ch. 23, par. 5001.1

Amends the Children and Family Services Act. Makes a technical change in a Section concerning the short title.

Senate Floor Amendment No. 2

Deletes reference to:

20 ILCS 505/1.1

Adds reference to:

20 ILCS 1705/15.4

Replaces everything after the enacting clause. Amends the Mental Health and Developmental Disabilities Administrative Act. In provisions requiring the Department of Human Services to develop a medication administration training program for authorized directed staff at certain facilities for individuals with a developmental disability, provides that non-licensed authorized direct care staff must (i) score 100% on the competency-based assessment demonstrating proficiency in the skill of administering medication and (ii) have received additional competency-based assessment by the nurse-trainer whenever it is determined that additional skill development and training is needed to administer a medication. Provides that to assist each individual in attaining the highest possible level of independent functioning, an individual's total health care program shall include individual training in preventive health and self-administration of medication procedures (rather than training in preventive health and self-medication procedures). Requires each program to adopt written policies and procedures for assisting individuals who choose to obtain preventative health and self-administration of medication skills in consultation with a registered professional nurse, advanced practice registered nurse, physician assistant, or licensed physician. For quality assurance, requires a registered professional nurse, advanced practice registered nurse, licensed practical nurse, licensed physician, physician assistant, or pharmacist to review medication labels, including medications listed on the medication administration record for individuals who are not self-administering medication. Adds auto-injectors (rather than epinephrine auto-injectors) to the definition of "medications". Defines "insulin in an injectable or auto-injectable form" (rather than "insulin in an injectable form"). Defines "GLP-1 receptor agonists in an injectable or auto-injectable form". Makes other changes.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Makes changes to the definitions for "medications" and "insulin in an injectable or auto-injectable form". In provisions requiring non-licensed authorized direct care staff to meet certain criteria in order to administer medications, requires that such staff must have received additional competency-based assessment or training by the nurse-trainer when the nurse-trainer determines additional skill development is needed to administer medication (rather than received additional competency-based assessment by the nurse-trainer as deemed necessary by the nurse-trainer).

Amends the Illinois Insurance Code. Sets forth provisions concerning market conduct and nonfinancial examinations; market analysis and market conduct actions; access to books and records; examination reports; hearings; disclosures; confidentiality; corrective actions; and immunity to liability of market conduct surveillance personnel. Provides that the Director of Insurance shall collect and report market data to the National Association of Insurance Commissioner's market information systems. Provides that if the Director or an examiner finds that an administrator or pharmacy benefit manager has violated insurance-related laws or regulations under specified circumstances, then, unless the health care payer, health insurer, or plan sponsor is included in the examination and has been afforded the same opportunity to request or participate in a hearing on the examination report, the examination report shall not allege a violation by the health care payer, health insurer, or plan sponsor and the Director's order based on the report shall not impose any requirements, prohibitions, or penalties on the health care payer, health insurer, or plan sponsor. Removes various provisions concerning market conduct and nonfinancial examinations. Defines terms. Makes other changes. Effective immediately.

Senate Committee Amendment No. 1

Adds reference to:

215 ILCS 5/408 from Ch. 73, par. 1020

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Further amends the Illinois Insurance Code. Provides that at a pre-examination conference, the Director of Insurance or authorized market conduct surveillance personnel shall disclose the basis of the examination. Provides that the Director may give a company or person an opportunity to resolve matters that are identified as a result of a market analysis to the Director's satisfaction before undertaking a market conduct action against the company or person. Provides that a failure to produce requested books, records, or documents by a deadline shall not be a violation until the later of specified deadlines. Provides that whenever the Department of Insurance has made substantive changes to a previously shared draft report, unless those changes remove part or all of an alleged violation or were proposed by the examinee, the Department shall deliver the revised version to the examinee as a new draft and shall allow the examinee 30 days to respond before the Department issues a final report. Provides that no corrective action shall be ordered with respect to violations in transactions with consumers or other entities that are isolated occurrences or that occur with such low frequency as to fall below a reasonable margin of error. Provides that the Director may make the results of a data call available for public inspection under certain circumstances. Provides that any failure to respond to an information request in a market conduct action or violation of specified provisions may carry a fine of up to \$1,000 per day up to a maximum of \$50,000. Authorizes the Director to order a penalty of up to \$2,000 (rather than \$3,000) for each violation of any law, rule, or prior lawful order of the Director. Removes language providing that if an examination report finds a violation by the examinee that the report is unable to quantify such as an operational policy or procedure that conflicts with applicable law, then the Director may order a penalty of up to \$10,000 for that violation. Provides that fines and penalties shall be consistent, reasonable, and justifiable, and the Director may consider reasonable criteria including, but not limited to, the examinee's size, consumer harm, the intentionality of any violations, or remedial actions already undertaken by the examinee. Provides that the Director shall communicate to the examinee the basis for any assessed fine or penalty. In a provision requiring examinees to pay for the expenses of a market conduct examination, provides that the costs and fees incurred in a market conduct examination shall be itemized and bills shall be provided to the examinee on a monthly basis for review prior to submission for payment. Makes other changes. Effective January 1, 2025 (rather than effective immediately).

Provides that the Department of Public Health shall administer and enforce a certified medication aide program. Provides that the amendatory Act shall not be construed as preventing or restricting the practice, services, or activities of: (1) any person licensed in this State by any other law from engaging in the profession or occupation for which the person is licensed; (2) any person employed as a medication aide by the government of the United States, if the person practices as a medication aide solely under the direction or control of the organization by which the person is employed; or (3) any person pursuing a course of study leading to a certificate in medication aide at an accredited or approved educational program if their activities and services constitute a part of a supervised course of study and if the person is designated by a title which clearly indicates the person's status as a student or trainee. Provides that the amendatory Act shall not be construed to limit the delegation of tasks or duties by a physician, dentist, advanced practice registered nurse, or podiatric physician as authorized by law. Provides that a certified medication aide: (i) may only practice in a qualified facility; (ii) must be supervised by and receive delegation from a registered nurse that is on duty and present in the facility at all times when the certified medication aide is administering medication; (iii) shall not perform other duties during the duration of the medication distribution; (iv) shall not administer any medication until a physician has conducted an initial assessment of the resident; and (v) shall not administer any Schedule II controlled substances, as set forth in the Illinois Controlled Substances Act, or any subcutaneous, intramuscular, intradermal, or intravenous medication. Provides that the Department has the authority and power to investigate any and all activity under the amendatory Act that is not certified. Provides that the civil penalty shall be paid within 60 days after the effective date of the order imposing the civil penalty and that the order shall constitute a judgment and may be filed and execution had thereon in the same manner as any judgment from any court of record. Provides that the Department shall authorize examinations of applicants for certification as a certified medication aide at the times and places it designates. Provides that applicants for examination as a certified medication aide shall be required to pay, either to the Department or the designated testing service, a fee covering the cost of providing the examination. Provides that the expiration date for each certificate to practice as a certified medication aide shall be set by rule. Provides that violations and enforcement of this amendatory Act shall be as provided in Article III of the Act. Adds a definition of "informed consent" and modifies the definitions of "patient of record" and "teledentistry". Defines "patient of record" for purposes of teledentistry. Requires that a dentist providing teledentistry must provide the patient with his or her name, direct telephone number, and physical practice address. 15 ILCS 305/34 new

Amends the Secretary of State Act. Provides that the Secretary of State shall establish an electronic registry, to be known as the Advance Directive Registry, through which residents of the State of Illinois may deposit, with the Secretary of State, a completed Department of Public Health Uniform POLST form. Specifies that information in the Advance Directive Registry shall be made available to hospitals licensed under the Hospital Licensing Act and hospitals organized under the University of Illinois Hospital Act. Authorizes hospitals to rely on information obtained from the Advance Directive Registry as an accurate copy of the documents filed with the Advance Directive Registry. Directs the Secretary of State to adopt any rules necessary to implement the amendatory Act and to provide information on the Secretary of State's website regarding use of the Advance Directive Registry. Provides that, except in the case of gross negligence or willful misconduct, the Secretary of State and employees of the Secretary of State are immune from any civil or criminal liability in connection with the creation and maintenance of the Advance Directive Registry. Provides that a person who knowingly submits a document to the Advance Directive Registry without authorization or assists in such submission shall be guilty of a Class A misdemeanor.

765 ILCS 605/18.12 new

Amends the Condominium Property Act. Provides that the board of managers of a condominium shall adopt a policy to reasonably accommodate a unit owner who is a person with a disability who requires an accessible parking space to ensure that person has access to the building. Provides that for an association that sells parking spaces, if an owner of an accessible parking space is unable to sell the accessible parking space to a qualified user, the board of managers shall purchase the parking space for fair market value and ensure that the space remains available to persons with disabilities who require an accessible parking space. Provides that a unit owner who is a person with a disability who requires an accessible parking space may bring a civil action against the board of managers to compel the board of managers to provide an accessible parking space. Provides that a prevailing unit owner is entitled to attorney's fees and court costs.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Condominium Property Act. Provides that the board of managers of a condominium must adopt a policy to reasonably accommodate a unit owner who is a person with a disability. Provides that the board of managers must make reasonable efforts to facilitate a resolution between unit owners to provide for accessible parking if the association does not own or otherwise control parking that meets the accessible parking needs of a unit owner who is a person with a disability who requires accessible parking. Provides that the board of managers must adopt a policy no later than 90 days after the effective date of the Act for existing condominiums or 90 days after the date of the election of the initial board of managers under the Act. Provides that all accessible parking spaces constructed or created in accordance with applicable statutes or ordinances must remain part of the common elements for all new construction condominiums and conversion condominiums submitted after the effective date of the Act. Provides that no developer or declarant shall construct, create, or otherwise make parking units or limited common elements of accessible parking spaces. Provides that any rules or regulations adopted by the board of managers for the use of common element accessible parking spaces must provide that a unit owner who is a person with a disability who requires accessible parking has priority over non-disabled unit owners. Requires the board must review a request for accessible parking within 45 days of receipt of the request to do so. Provides that nothing in this Act precludes a disabled person from purchasing a parking unit or a residential unit to which a limited common element parking space is assigned, and no developer or declarant shall refuse to sell a parking unit to a disabled person or assign a limited common element parking space to a residential unit purchased by a disabled person. Provides that if a disabled person purchases a parking unit or a residential unit to which a limited common element parking space is assigned, that unit owner who is a person with a disability who requires accessible parking may request use of a common element accessible parking space in exchange for permitting the association use of that disabled unit owner's parking unit or limited common element parking space.

House Floor Amendment No. 2

Provides that an aggrieved unit owner, an aggrieved prospective unit owner, or the board of managers may commence a civil action in State court against a developer or declarant who fails to comply with its requirements regarding accessible parking spaces. Allows the court to award declaratory relief, actual damages, punitive damages and, if appropriate, equitable relief if it finds that the developer or declarant failed to comply with the requirements. Provides that the condominium association shall not be held liable for the failure of the developer or declarant to comply with its requirements regarding accessible parking spaces.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill. Further amends the Illinois Insurance Code. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2026 shall provide coverage for vaccinations for COVID-19, influenza, and respiratory syncytial virus, including the administration of the vaccine by a pharmacist or health care provider authorized to administer such a vaccine, without imposing a deductible, coinsurance, copayment, or any other cost-sharing requirement, if (i) the vaccine is authorized or licensed by the United States Food and Drug Administration and (ii) the vaccine is ordered and administered according to the Advisory Committee on Immunization Practices standard immunization schedule. Provides that the coverage does not apply to the extent that the coverage would disqualify a high-deductible health plan from eligibility for a health savings account.

415 ILCS 15/10.2 new

Provides that the amendatory Act may be referred to as the Large Event Recycling and Composting Law. Amends the Solid Waste Planning and Recycling Act. Provides that, on and after January 1, 2025, an owner or operator of an event facility that has a maximum legal capacity or occupancy of at least 3,000 persons and that receives funding from the State of Illinois shall participate in the recycling program established by the county in which the event facility is located and shall send recyclable materials to a recycling center. Defines "event facility".

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinsert the provisions of the introduced bill with the following changes. Excludes from the definition of "event facility" school stadiums and hotels (rather than only school stadiums). Makes technical and other changes.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Creates the Large Event Facilities Act (rather than amends the Solid Waste Planning and Recycling Act). In provisions regarding requirements for an owner or operator of an event facility that has a maximum capacity of at least 3,500 persons, requires the owner or operator to provide for the composting of organic waste, collected separately from recyclable materials, in counties with composting facilities (rather than the composting of organic waste, collected separately from recyclable materials). In the same provisions, provides that the recyclable materials may be transferred to a recycling center in the same manner in which they were collected within the event facility. Provides that an owner or operator of an event facility is in compliance with these provisions if the owner or operator offers the disposal of recyclable materials and organic waste in separate containers clearly labeled and distributed throughout the event facility. Provides that an owner or operator of an event facility that commits a violation of this Act is guilty of a business offense and shall be fined not less than \$750 and not more than \$1,500 for the first offense. Provides that an owner or operator of an event facility that commits a second or subsequent violation of this Act is guilty of a business offense and shall be fined not less than \$1,500 and not more than \$2,500 for each subsequent offense. Provides that a State's Attorney or municipal attorney may prosecute an owner or operator of an event facility who violates this Act.

Provides that, if the county board passes a resolution removing the requirement to reapply for the senior citizens homestead exemption, the chief county assessment official shall conduct a review (in the introduced bill, an audit) of all senior citizen homestead exemptions granted for the preceding reassessment cycle. Provides that the review shall be conducted prior to the submission of the final abstract for the first year of each reassessment cycle (in the introduced bill, by no later than December 31 of the first year of each reassessment cycle).

Provides the satisfactory internal informational security a platform that conducts an online sale must maintain. Provides that if a purchaser's information cannot be verified, the purchaser is in default and the sale may be voided to proceed with a resale. Provides that the person conducting the sale has the discretion to set the terms of the sale. Provides that the person conducting the sale and third-party online sale provider may promote and market the sale to encourage bidding. Provides that the person conducting the sale or third-party online sale provider is solely responsible for paying all fees or expenses incurred in conjunction with these activities.

70 ILCS 1005/10 from Ch. 111 1/2, par. 83

Amends the Mosquito Abatement District Act. Provides that the board of trustees of a mosquito abatement district shall have power to take all necessary or proper steps for the surveillance, monitoring, and extermination of mosquitoes, flies, ticks, and vectors within the district (rather than for the extermination of mosquitoes, flies and other insects within the district), and, subject to the paramount control of the municipal or other public authorities, to abate as nuisances all stagnant pools of water and other breeding places for mosquitoes, flies, ticks, and vectors (rather than mosquitoes and other insects) within the district. Provides that a district may annex territory by ordinance whenever a mosquito abatement district operating within territory predominantly in a municipality or 2 or more municipalities that would become coterminous or nearly coterminous with the municipality or municipalities upon the annexation of additional territory within the municipality or municipalities (rather than whenever a mosquito abatement district contains over 90% of territory of a specific city or village, the mosquito abatement district may annex additional adjacent and contiguous territory within that city or village). Requires the ordinance to describe the territory annexed together with an accurate map of the annexed territory and that, if the ordinance becomes effective 30 days after the date of publication or is approved by referendum, a copy of the ordinance shall be filed in the offices of the county clerk and recorder of each county in which the annexation takes place. Removes a prohibition to annexing territory until more than one year after territory has first been included in a municipality unless the territory annexed is 50 acres or less. Makes other changes.

Senate Floor Amendment No. 2

Adds reference to:

70 ILCS 1005/8 from Ch. 111 1/2, par. 81

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions about the powers of the board of trustees of a mosquito abatement district, provides that the board has powers relating to the surveillance and monitoring of ticks and the surveillance, monitoring, and extermination of mosquitoes and rats (rather than, in the introduced bill, the surveillance, monitoring, and extermination of mosquitoes, flies, ticks, and vectors). Further amends the Mosquito Abatement District Act. Provides that the board of trustees of a mosquito abatement district, or its designee, for the limited purposes of cooperation with the Department of Public Health, shall conduct routine surveillance of Department-identified vectors (rather than mosquitoes) to detect the presence of vector-borne diseases (rather than mosquito-borne diseases) of public health significance. Limits the scope of the surveillance, and requires a mosquito abatement district, or its designee, to notify a forest preserve district or conservation district prior to or within 48 hours after accessing the respective forest preserve district's or conservation district's land for surveillance required by the Department. Requires the district to report to the Department of Public Health, in addition to the local certified public health department, the results of any positive mosquito, tick, or vector (rather than mosquito) samples infected with arboviral or bacterial infections (rather than arboviral infections). Requires the report to include the number of vectors (rather than mosquitoes) collected in the trapping device. Expands an illustrative list of arboviral or bacterial infections. Modifies the new definition of "vector" in the introduced bill and moves the definition into the provisions concerning surveillance of vectors.

Amends the Illinois Vehicle Code. Creates the Driver and Motor Vehicle Records Data Privacy Law. Provides that the purpose is to comply with the federal Driver's Privacy Protection Act of 1994 in order to protect the interest of individuals in their personal privacy by prohibiting the disclosure and use of personal information contained in their motor vehicle record, except as authorized by the individual or by law. Adds provisions concerning: disclosure of social security number; confidentiality of captured photographs, signatures, and images; confidentiality of documents submitted with applications for driver's licenses and vehicle transactions; restrictions on use of information for immigration enforcement; disclosure with consent; permitted disclosures; fees; commercial requesters; access agreements; audits; redisclosures; prohibitions and violations; data system security breaches; procedural safeguards; and rules. Repeals provisions of the Illinois Vehicle Code regarding confidentiality of captured photographs and images; confidentiality of documents submitted with an application for a driver's license; restrictions on use of information; and sale and distribution of information.

Senate Committee Amendment No. 1

Deletes reference to:

625 ILCS 5/2A-107

Provides that an exception to a provision concerning the confidentiality of photographs, signatures, and images obtained in the process of issuing or applying for a driver's license, permit, identification card, or in connection to a Certificate of Title or vehicle registration is notwithstanding any other provision of law. Provides that those photographs, signatures, and images may be disclosed to the individual to whom the driver's license, permit, identification card, Certificate of Title, or vehicle registration was issued, upon written request (rather than to the individual upon written request). In a provision concerning disclosure of those photographs, signatures, and images to law enforcement officials for a civil or criminal law enforcement investigation, adds a cross-reference to provisions setting forth restrictions on the use of certain information for immigration enforcement. Corrects cross-references. Removes a provision concerning confidentiality of documents submitted with an application for a driver's license.

Senate Floor Amendment No. 2

In a provision limiting civil liability for the Secretary of State or the Secretary's departments or employees for the improper use or release of motor vehicle records to certain persons, provides an exception for willful or wanton misconduct. Makes a grammatical change.

## House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes. Defines "law enforcement agency" and "material breach". Allows the Secretary to disclose a social security number provided to the Secretary in connection with a motor vehicle record to the Treasurer for purposes of administering the Revised Uniform Unclaimed Property Act. Allows (i) photographs, signatures, and images obtained by the Secretary in the process of issuing a driver's license, permit, identification card, or in connection to a certificate of title or vehicle registration or (ii) documents required to be submitted with an application for a certificate of title, vehicle registration, or driver's license to be disclosed to law enforcement officials for a civil or criminal law enforcement investigation only if an officer of the law enforcement agency has made a written request to the Secretary specifying the law enforcement investigation for which the photographs, signatures, and images or documents are being sought. Removes language allowing the Secretary to limit the number of persons authorized to obtain direct electronic access and to restrict, or establish priority for, access to motor vehicle records as the Secretary deems necessary to avoid disruption to the Secretary's normal operations, or as the Secretary deems is in the best interests of the public. Removes language providing that every requester must execute an access agreement and agree to be responsible for (i) maintaining security procedures in the requester's network and procedures deemed appropriate in the sole discretion of the Secretary, (ii) providing to the Secretary the names, work addresses, and work phone numbers of all persons responsible for maintaining motor vehicle record files provided by the Secretary or otherwise executing the provisions of an access agreement on behalf of the requester, (iii) providing a written certification that the Secretary's motor vehicle records or any portion thereof shall not be transferred, nor accessed outside of the United States, electronically or otherwise, and (iv) certifying that no employee nor officer of the requester accessing motor vehicle records has been convicted of a felony, or that at least 5 years have passed since the completion of the sentence. Removes language allowing the Secretary to require an agreement that a requester seeking to obtain motor vehicle records shall hold harmless and indemnify the Secretary for any money damages, criminal fines, civil penalties, court costs, and attorney's fees awarded to any person or entity by any State or federal court resulting from any disclosure by the requester or by any person to whom the requester provided information from a motor vehicle record that is contrary to State or federal law. Makes other changes.

Creates the Family Recovery Plans Implementation Task Force within the Department of Human Services. Sets forth the duties of the Task Force, including reviewing models of family recovery plans that have been implemented in other states; and reviewing and developing recommendations to replace punitive policies with notification policies for health care professionals reporting a positive toxicology screen of a newborn. Contains provisions concerning Task Force membership, meetings, reporting requirements, and other matters. Amends the Abused and Neglected Child Reporting Act. Modifies what may be included in the instruction in autism-informed responses, procedures, and techniques. Provides that the Board may consult with the Department of Public Health or Department of Human Services to develop and update the curriculum (rather than adopt specified rules in consultation with the Department of Public Health and the Illinois State Police). Requires the Board to, within a reasonable amount of time, update the course, from time to time, to conform with national trends and best practices. Encourages the Board to adopt model policies to assist law enforcement agencies in appropriately responding to individuals with autism spectrum disorders. Removes provisions requiring all permanent and part-time law enforcement officers and permanent and part-time corrections officers to complete an autism-informed training program conducted or approved under the provisions within 12 months after it was first offered or approved by the Board and every 24 months thereafter as part of the officer's in-service training. Further amends the Illinois Police Training Act. Provides that the minimum in-service training requirements that a law enforcement officer must satisfactorily complete every 3 years includes training relating to autism-informed law enforcement responses, techniques, and procedures. Amends the Illinois State Police Law of the Civil Administrative Code of Illinois. Requires the Division of the Academy and Training to provide training for State police officers on the nature of autism spectrum disorders and in identifying and appropriately responding to individuals with autism spectrum disorders. Requires the Illinois State Police to review the training curriculum, and allows the Illinois State Police to consult with the Department of Public Health or the Department of Human Services to update the training curriculum as needed. Provides that the training shall be made available to all cadets and State police officers.

(Rep. Laura Faver Dias and Elizabeth "Lisa" Hernandez)

New Act

Creates the Pesticide Application on Rights-of-Way Notification Act. Provides that, at least 24 hours before applying a pesticide to a public right-of-way that is located within the corporate boundaries of a municipality, a certified applicator employed or contracted with by the State or a unit of local government to apply the pesticide shall provide notice of the application to all residents whose residences are located within 200 feet of the public right-of-way to be treated. Provides for monetary penalties for violations following an administrative hearing with the Department of Agriculture. Provides penalties for violations of the Act following an administrative hearing. Specifies that penalties are to be deposited into the Pesticide Control Fund, with unpaid penalties subject to collection by the Attorney General. Creates a petty offense and provides for an alternative prosecution by a State's Attorney following referral by the Department of Agriculture, with identical fines for the petty offense. Provides for the adoption of rules by the Department of Agriculture. Defines terms.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Requires that the State or the unit of local government in which the application of a pesticide to a public right of way is to be made to provide notice of the application to residents within 200 feet (rather than the certified applicator to provide notice of the application to residents within 200 feet). Provides that notification by the State or unit of local government may be sufficient if posted in certain correspondence (rather than specified notification requirements for the certified applicator). Removes corresponding definitions.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the bill, as amended, with the following changes. Limits the definition of "unit of local government" in the Act to exclude a park district, a forest preserve district, or a conservation district. Exempts from the Act's notice requirements the application of a solid mosquito larvicide in accordance with a specified administrative rule.

Amends the State Officials and Employees Money Disposition Act. Provides that examiners of unclaimed property which is reported and remitted to the State Treasurer and custodians contracted by the State of Illinois to hold presumptively abandoned securities or virtual currency may deduct fees prior to remittance in accordance with the Revised Uniform Unclaimed Property Act. Amends the Revised Uniform Unclaimed Property Act. Changes the definition of property presumed to be abandoned to a corporate bond (rather than a state or municipal bond.) If a holder cannot liquidate virtual currency and cannot otherwise cause virtual currency to be liquidated, requires the holder to promptly notify the administrator in writing. The administrator may direct the holder to either (1) transfer the virtual currency that cannot be liquidated to a custodian selected by the administrator, or (2) continue to hold the virtual currency until the administrator or the holder determines that the virtual currency can be liquidated pursuant to this Act or there is an indication of apparent owner interest. Provides that the sole administrative and legal procedure for claiming property is under this Act. Requires compliance with this Act before exercising the exclusive judicial remedy. Any appeal from the administrator's decision under the Illinois Administrative Procedure Act must be taken under the provisions of the Administrative Review Law. In governing void agreements, provides that this Section does not apply to an apparent owner's agreement with a CPA firm licensed under the Illinois Public Accounting Act or with an affiliate of such firm under certain conditions. In provisions requiring the Department of Human Services to establish a public education program regarding gambling disorders, requires the program to (i) promote public awareness to create a gambling informed State regarding the impact of gambling disorders on individuals, families, and communities and the stigma that surrounds gambling disorders and (ii) use screening, crisis intervention, treatment, public awareness, prevention, in-service training, and other innovative means to decrease the incidents of suicide attempts related to a gambling disorder or gambling issues. Requires the Department to determine a statement regarding obtaining assistance with a gambling disorder, which each licensed gambling establishment owner shall post and each master sports wagering licensee shall include on the master sports wagering licensee's portal, Internet website, or computer or mobile application. Permits the Department: to provide advice to State and local officials on gambling disorders; to support gambling disorder prevention, recognition, treatment, and recovery projects; to collaborate with other community-based organizations, substance use disorder treatment centers, or other health care providers engaged in treating individuals who are experiencing gambling disorder; and to perform other actions. Permits the Department to award grants to create or support local gambling prevention, recognition, and response projects. Makes other changes.

New Act

5 ILCS 140/7.5

30 ILCS 105/5.1015 new

205 ILCS 657/Act rep.

Creates the Uniform Money Transmission Modernization Act. Provides that the provisions supersede the Transmitters of Money Act. Provides that a person may not engage in the business of money transmission or advertise, solicit, or hold oneself out as providing money transmission unless the person is licensed under the Act. Sets forth provisions concerning the purpose of the Act; definitions; money transmission licenses; license application; license renewal; acquisition of control and change of key individuals; reporting and records; authorized delegates of a licensee; timely transmission, refunds, and disclosures; confidentiality of records; required reports; prudential standards; and enforcement. Makes conforming changes in the Freedom of Information Act and the State Finance Act. Provides that the Transmitters of Money Act is repealed on January 1, 2026. Makes other changes. Effective immediately, except that the changes to the Transmitters of Money Act take effect January 1, 2026.

Senate Floor Amendment No. 1

Deletes a provision that exempted from the Act's requirements a person licensed as a digital asset business under the Digital Asset Regulation Act to the extent of its operation as such a digital asset business. Provides that the amount of the required security is the greater of \$100,000 (rather than \$1,000,000) or an amount equal to 100% of the licensee's average daily money transmission liability in this State calculated for the most recently completed quarter, up to a maximum of \$2,000,000. Makes changes in provisions concerning letters of credit and provisions concerning the circumstances under which orders to suspend or revoke a license may be issued. Adds a provision concerning cease and desist orders and civil penalties. Provides that a provider of payroll processing services that was not licensed pursuant to the Transmitters of Money Act on the effective date of the Act shall not be required to be licensed and comply with the Act until October 1, 2024. Provides that a provider of payroll processing services that was not licensed pursuant to the Transmitters of Money Act on the effective date of the Act and transmitted no more than \$10,000,000 in calendar year 2023 shall not be penalized for providing such services before the effective date of the amendatory Act if the provider submits a completed application for licensure prior to October 1, 2024. Makes other technical changes.

Senate Floor Amendment No. 3

In the definition of "control", removes provisions concerning a rebuttable presumption of control. In a provision concerning exemptions from the Act for a person appointed as an agent of a payee to collect and process a payment from a payor to the payee for goods or services, other than money transmission itself, provided to the payor by the payee, removes a requirement that the payee must hold the agent out to the public as accepting payments for goods or services on the payee's behalf.

House Committee Amendment No. 1

Deletes reference to:

30 ILCS 105/1.1015

Changes the definition of "in this State" for payroll processing services. Removes a reference to the Illinois Administrative Code. Provides that a provider of payroll processing services that was not licensed pursuant to the Transmitters of Money Act on the effective date of the Act and transmitted no more than \$50,000,000 in this State (rather than \$10,000,000) in calendar year 2023 shall not be required to be licensed and comply with the Act until January 1, 2025 (rather than October 1, 2024). Provides that a provider of payroll processing services that was not licensed pursuant to the Transmitters of Money Act on the effective date of the Act and transmitted no more than \$50,000,000 in this State (rather than \$10,000,000) in calendar year 2023 shall not be penalized for providing such services before January 1, 2025 (rather than the effective date of the Act) if the provider submits a completed application for licensure prior to January 1, 2025 (rather than October 1, 2024). Removes changes to the State Finance Act.

755 ILCS 45/2-8 from Ch. 110 1/2, par. 802-8

Amends the Illinois Power of Attorney Act. Makes it unlawful for a third party to unreasonably refuse to honor a statutory short form power of attorney properly executed in accordance with the laws in effect at the time of its execution. Provides that it is unreasonable for a third party to refuse to honor a statutory short form power of attorney properly executed in accordance with the laws in effect at the time of its execution, if the only reason for the refusal is any of the following: (1) the power of attorney is not on a form the third party receiving such power prescribes regardless of any form the terms of any account agreement between the account holder and third party requires; (2) there has been a lapse of time since the execution of the power of attorney; (3) on the face of the statutory short form power of attorney, there is a lapse of time between the date of acknowledgment of the signature of the principal and the date of the acceptance by the agent; (4) the document provided does not bear an original signature, original witness, or original notarization but is accompanied by an attorney-certified copy; or (5) the document appoints an entity as the agent.

Senate Committee Amendment No. 2

Replaces everything after the enacting clause with the following. Amends the Illinois Power of Attorney Act. Provides that it is unreasonable for a third party to refuse to honor an Illinois statutory short form power of attorney properly executed in accordance with the laws in effect at the time of its execution, if the only reason for the refusal is any of the following: (1) the power of attorney is not on a form required by the terms of any account agreement between the account holder and third party; (2) there has been a lapse of time since the execution of the power of attorney; (3) on the face of the statutory short form power of attorney, there is a lapse of time between the date of acknowledgment of the signature of the principal and the date of the acceptance by the agent; (4) the document provided does not bear an original signature, original witness, or original notarization but is accompanied by a properly executed Agent's Certification and Acceptance of Authority, Successor Agent's Certification and Acceptance of Authority, or Co-Agent's Certification and Acceptance of Authority bearing the original signature of the named agent; or (5) the document appoints an entity as the agent. Nothing in this Section shall be interpreted as prohibiting or limiting a third party from requiring the named agent to furnish a properly executed Agent's Certification and Acceptance of Authority, Successor Agent's Certification and Acceptance of Authority, or Co-Agent's Certification and Acceptance of Authority. Provides multiple reasons for which it shall be deemed reasonable cause for a third party to refuse to honor a power of attorney for property.

## New Act

Creates the Responsible Outdoor Lighting Control Act. Includes legislative findings. Defines terms. Provides that all new, renovated, or retrofitted luminaires purchased with State funds after the effective date of the Act or installed after the effective date of the Act on a structure or land that is owned, supported, funded, leased, or managed by the State must follow specified outdoor lighting control requirements. Includes various exceptions to compliance. Allows the Attorney General, a municipality, or a county to enforce the Act by filing an action for injunctive relief in a circuit court. Provides that the Department of Central Management Services shall make available a resource guide for the public to add lighting to homes and businesses consistent with the requirements for luminaires on a structure or land that is owned, supported, funded, leased, or managed by the State under the Act, and provides that the guide must include references to publicly accessible websites of advocacy groups approved by the State that provide education, guidance, and specifications relating to the implementation of responsible lighting principles. Provides that, if the Act conflicts with any other federal law, State law, or local ordinance controlling lighting, outdoor luminaries, signage, outdoor advertising, displays, or devices that is more stringent than the Act, then the federal law, State law, or local ordinance controls to the extent it is more stringent than the Act. Effective 60 days after becoming law.

## Senate Committee Amendment No. 3

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that all new luminaires (rather than all new, renovated, or retrofitted luminaires) purchased with State funds after the effective date of the Act or installed after the effective date of the Act on a structure or land that is owned, leased, or managed by the Department of Natural Resources (rather than owned, supported, funded, leased, or managed by the State) must follow specified outdoor lighting control requirements. Changes the specified outdoor lighting control requirements. Removes a requirement that luminaires must be turned off or dimmed under certain conditions. Removes a provision that allows for the use of outdoor luminaires emitting fewer than 600 lumens if extinguished between the hours of 11:00 p.m. and sunrise. Removes all provisions regarding enforcement by filing an action for injunctive relief in a circuit court. Removes provisions regarding the Department of Central Management Services making available a resource guide for the public. Changes a technical term. Effective January 1, 2025.

## Senate Floor Amendment No. 4

In a provision regarding outdoor lighting control, provides that all new luminaires purchased with State funds or installed on a structure or land owned and managed (rather than owned, leased, or managed) by the Department of Natural Resources with the intended purpose of outdoor illumination must follow certain outdoor lighting control requirements.

50 ILCS 705/8.2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, as modified by Senate Amendment No. 2, with the following changes in the Illinois Police Training Act. In provisions requiring specified training to be completed before a full-time or part-time law enforcement or county corrections officer receives waiver approval, removes a requirement that the officer receive training for crimes motivated by bias. Provides that training for crimes motivated by bias is also part of an officer's minimum in-service training requirements. Provides that the Board must, within a reasonable time, update the course to conform with national trends and best practices (rather than the Board must review the approved course or courses every 3 years and update the approved courses). Encourages the Board to adopt model policies to assist law enforcement agencies in developing policies related to hate crimes and crimes motivated by violence, and allows the Board to consult with the Commission on Discrimination and Hate Crimes or other entities to develop the policies. Requires the Board to periodically conduct an educational conference to inform and sensitize chief law enforcement officers, community service providers, and other interested persons to the law enforcement issues associated with bias crimes (removing provisions relating to providing instructional materials to chief law enforcement officers and provisions requiring chief law enforcement officers to encourage law enforcement officers to complete the in-service training). Allows the Board to partner with other public or private entities to sponsor and conduct these conferences.

Provides that if a child has been placed in a separate public special education day school, a school district making tuition payments in excess of \$4,500 shall be responsible for an amount in excess of \$4,500 equal to 2 times the district's per capita tuition charge and shall be eligible for reimbursement from the State for the amount of such payments actually made in excess of 2 times the district's per capita tuition charge for students not receiving special education services. Requires a certification and finding to be made for reimbursement of a school district of the amount paid for tuition of a child attending a public special education facility.

Senate Floor Amendment No. 1

Provides that the Illinois Purchased Care Review Board shall include additional, non-voting members. Provides that the Illinois Purchased Care Review Board shall establish rules and regulations for its determination of allowable costs and payments made by school districts for services provided by separate public special education day schools. Provides that the Illinois Purchased Care Review Board shall review the costs for special education and related services provided by separate public special education day schools. Provides that provisions concerning tuition payments and reimbursement apply to a private special education school, separate public special education day school, or private special education facility (instead of a separate public special education day school). Provides for State Board of Education rulemaking. Adds a July 1, 2024 effective date.

Fiscal Note (IL State Board of Education)

The State Board of Education estimates that four full-time equivalent positions will be needed to support this work, at a total cost of \$480,000 annually. Creates criteria to determine whether an applicant has cooperated with law enforcement. Provides that an applicant may provide notification by being treated by a mental health provider for psychological injuries for injuries arising from violations of the Criminal Code of 2012 for trafficking, sex crimes, and bodily harm. Creates criteria for the Attorney General to use in evaluating an applicant's cooperation. Provides that an applicant's failure to respond to the Attorney General or Court of Claims may result in the claim being closed without compensation. Provides that an award shall be reduced or denied to the extent by which the victim's behavior posed an imminent threat of death or serious bodily injury to a law enforcement office and the victim's behavior was direct and proximate cause of the victim's injury in claims that a law enforcement officer's use of force caused the victim's injury or death. Makes other changes. Effective immediately, except certain provisions take effect January 1, 2025.

## New Act

Creates the Language Equity and Access Act. Requires the Governor's Office of New Americans, in partnership with the Department of Human Services, to: prepare a Language Needs Assessment Report that identifies the languages spoken throughout the State; assist State agencies in the creation of language access plans; provide oversight and central coordination to State agencies in the implementation of language access requirements under this Act; ensure that each State agency develops an internal complaint and review process specific to the provision of language assistance services in addressing complaints in a timely manner; and perform other duties. Requires the Office and Department to work with State agencies to compile available United States Census data on language used across the State to inform the Language Needs Assessment Report. Provides that the report shall be updated every 10 years in conjunction with the decennial federal census. Requires each State agency to prepare and submit a language access plan to the Governor's Office of New Americans.

Amends the Landscape Architecture Registration Act. Allows the Department of Financial and Professional Regulation to issue a registration as a landscape architect to a person licensed or registered under the laws of another state, the District of Columbia, a territory of the United States, or a foreign country if specified conditions are satisfied. Amends the Illinois Architecture Practice Act of 1989, the Registered Interior Designers Act, the Professional Engineering Practice Act of 1989, the Illinois Professional Land Surveyor Act of 1989, and the Structural Engineering Practice Act of 1989. Makes changes to provisions regarding endorsements of licenses issued outside of the State to allow for an applicant licensed in a foreign country to receive a license for the Department if specified conditions are satisfied. Makes other changes. Effective January 1, 2025.

Senate Floor Amendment No. 1

In provisions concerning applying for original registration prior to passing an examination, provides that an individual has 3 years (rather than 2 years) after filing an application to pass an examination. Provides that an application for endorsement shall provide proof of passage of an examination required for registration (rather than licensure). In provisions concerning qualifications for a professional land surveyor license that require a person to have responsible charge experience verified by a professional land surveyor, requires that the responsible charge experience be subsequent to conferral of a degree meeting specified educational requirements (rather than subsequent to passing the examination for licensure as a surveyor intern).

105 ILCS 5/14-11.02

from Ch. 122, par. 14-11.02

Amends the Children with Disabilities Article of the School Code. Provides that the State Board of Education shall maintain and operate, or contract for (instead of being empowered to establish, maintain, and operate or contract for) the operation of a permanent statewide residential education facility (instead of statewide service center), known as the Philip J. Rock Center and School. Provides that the State Board of Education shall include a line item in its budget to pay the costs of operating and maintaining the Philip J. Rock Center and School. Limits the specified services provided by the Philip J. Rock Center and School to eligible deaf-blind persons of all ages to being subject to appropriated funding for those specified services. Makes changes concerning provided services. Provides that for the purposes of employment, the Philip J. Rock Center and School shall be considered its own employer. Provides that the State Board of Education shall appoint a Chief Administrator of the Philip J. Rock Center and School who shall be employed by the Philip J. Rock Center and School. Specifies the duties of the Chief Administrator. Sets forth provisions concerning a student with an individualized education program at the Philip J. Rock Center and School. Makes changes concerning the Advisory Board for the Philip J. Rock Center and School. Makes other changes.

Senate Committee Amendment No. 1

Makes changes concerning who qualifies as a person with deaf-blindness and who is eligible for deaf-blind services. Changes references of "auditory" to "hearing". Makes changes concerning the services the Philip J. Rock Center and School shall include.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the contents of the bill as amended by Senate Amendment No. 1 with the following changes. Changes references of "deaf-blind" to "deafblind". Provides that the Philip J. Rock Center and School shall service eligible students between the ages of 3 and 21, unless the student's 22nd birthday occurs during the school year, in which case the student is eligible for such services through the end of the school year (instead of providing that the School serves eligible children between the ages of 3 and 22). Removes the requirement that, in accordance with a student's individualized education program, the Philip J. Rock Center and School make every attempt to provide a free appropriate public education pursuant to the federal Individuals with Disabilities Education Act of 2001 to a student placed in its residential educational facility either in its own program or within a local school district program that is appropriate to the child and contracted for by the Philip J. Rock Center and School. Makes typographical and grammatical corrections.

735 ILCS 5/2-702

Amends the Higher Education Student Assistance Act with respect to grants for exonerated persons. Provides that a grant applicant need not be a resident of this State at the time of enrollment. Provides that, beginning no later than the 2025-2026 academic year, if an exonerated person has been found by the Illinois Student Assistance Commission to qualify for a grant and the exonerated person has not yet exhausted the benefits for which the exonerated person is eligible, the exonerated person may designate one or more dependents to use any unexpended portion of the benefits for which the exonerated person is eligible, up to the total benefit for which the exonerated person is eligible. Provides that the combined benefit used by the exonerated person and any designated dependents may not exceed the total benefit for which the exonerated person is eligible. Provides that if funding is insufficient to serve all applicants, the Commission may prioritize applicants who have been exonerated over applicants who are dependents of exonerated individuals. Amends the Code of Civil Procedure. In provisions concerning a petition for a certificate of innocence, provides that the clerk of the circuit court shall provide to a person whose records were expunged and sealed information about grants for exonerated persons and their dependents under the Higher Education Student Assistance Act and the address of the Internet website of the Commission, where additional information about the grants may be obtained.

Amends the Illinois Vehicle Code. Provides that the driver of a vehicle that is in any manner involved in any of the following types of crashes within the State shall, if no police officer is present, give notice of the crash by the fastest available means of communication to the specified law enforcement agency: (1) a crash that results in injury to or death of any person; (2) a crash that results in damage to the property of any person in excess of a specified amount; (3) a crash involving a school bus if the crash is caused by a collision, a sudden stop, or otherwise, and the crash results in any property damage, personal injury, or death; or (4) a crash that occurs within 50 feet of a school bus and results in personal injury to or death of any person who is awaiting or preparing to board the school bus or immediately after the person exits the school bus. Requires the Secretary of State to suspend the driver's license or non-resident's driving privileges of any person who violates those provisions.
