Provides that beginning January 1, 2025, certified professional midwife services (instead of licensed certified professional midwife services) shall be covered under the medical assistance program. Removes language providing that midwifery services covered under the provisions shall include home births and home prenatal, labor and delivery, and postnatal care. Removes changes to a provision of the Illinois Public Aid Code concerning reimbursement for postpartum visits. Effective January 1, 2026, except that certain changes to the Illinois Public Aid Code are effective January 1, 2025.

House Committee Amendment No. 2

Adds reference to:

215 ILCS 5/356z.4a

Provides that all outpatient coverage required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except to the extent that such coverage would disqualify a high-deductible health plan from eligibility for a health savings account and except that, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. Makes a conforming change. Further amends the Illinois Insurance Code. Provides that coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing (instead of other cost-sharing limitation that is greater than that required for other pregnancy-related benefits covered by the policy). Provides that the provision does not apply to the extent such coverage would disqualify a high-deductible health plan from eligibility for a health savings account.

Fiscal Note (Dept. on Insurance)

**Representative Katie Stuart**  
**HB 05142 (CONTINUED)**

To ensure the expanded pregnancy, postpartum, and newborn care benefits are included and ensure the expanded providers able to deliver these services are included in policy forms, would require personnel to review the additional form filing review requirements. The potential for increased complaints received by DOI resulting from this legislation would require personnel to field such calls

(complaints). Two additional employees under the title of Insurance Analyst will be needed. Fiscal Impact: \$260,000

House Floor Amendment No. 5

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 1 with changes. Further amends the Illinois Insurance Code. Provides that coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing limitation, except to the extent that the coverage would disqualify a high-deductible health plan from eligibility for a health savings account (rather than coverage for abortion care may not impose any deductible, coinsurance, waiting period, or other cost-sharing limitation that is greater than that required for other pregnancy-related benefits covered by the policy). Defines "perinatal doula" and "lactation consultant". Provides that coverage for postpartum services shall apply for all covered services rendered within the first 12 months after the end of pregnancy (rather than the coverage shall apply for at least one year after the end of pregnancy), except that a policy is not required to cover more than \$8,000 for doula visits for each pregnancy and subsequent postpartum period. Provides that all outpatient coverage, other than health care services for home births, required under a provision concerning coverage for pregnancy, postpartum, and newborn care must be provided without cost sharing, except that, for mental health services, the cost-sharing prohibition does not apply to inpatient or residential services, and, for treatment of substance use disorders, the prohibition on cost-sharing applies to the levels of treatment below and not including Level 3.1 (Clinically Managed Low-Intensity Residential) established by the American Society of Addiction Medicine. Makes other changes. Effective January 1, 2026, except that certain changes to the Illinois Public Aid Code are effective January 1, 2025.

New Act

Creates the Digital Forgeries Act. Provides that an individual depicted in a digital forgery has a cause of action against any person who, without the consent of the depicted individual, knowingly distributes a digital forgery, creates a digital forgery with intent to distribute, or solicits the creation of a digital forgery with the intent to distribute: (1) in order to harass, extort, threaten, or cause physical, emotional, reputational, or economic harm to an individual falsely depicted; (2) with reckless disregard for whether such a creation, distribution, reproduction, or manipulation will cause physical, emotional, reputational, or economic harm to an individual falsely depicted; or (3) in order to incite violence or interfere with an official proceeding. Allows a prevailing plaintiff to be awarded damages, costs, and additional relief. Allows the court to grant injunctive relief maintaining the confidentiality of a plaintiff using a pseudonym.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the introduced bill with changes. Makes changes to provisions concerning the definition of "digital forgery", the elements for a civil action under the Act, exceptions to the application of the Act, and the elements of consent. Makes other technical changes.

House Floor Amendment No. 3

**Representative Nabeela Syed**  
**HB 02123 (CONTINUED)**

In the provision concerning civil action, removes language providing that the provisions do not apply to digitally manipulated audiovisual material that is clearly and conspicuously identified to make clear to a reasonable person that it is not an authentic record of an act, a statement, or the conduct, absence, or presence of an individual unless the material appears to be a sexual image. Provides instead that the civil action provisions do not apply to a digital forgery that is clearly and conspicuously identified to make clear to a reasonable person that it is not an authentic record of an act, a statement, or the conduct, absence, or presence of an individual unless the material appears to be a sexual image.

Replaces everything after the enacting clause. Amends the Civil Remedies for Nonconsensual Dissemination of Private Sexual Images Act. Changes the definition of "sexual image" to also mean a photograph, film, videotape, digital recording, or other similar medium that falsely appears to show the fully unclothed, partially unclothed, or transparently clothed genitals, pubic area, anus, or female post-pubescent nipple, partially or fully exposed, of a depicted individual or a depicted individual engaging in or being subjected to sexual conduct or activity. Provides that a depicted individual of an intentionally digitally altered sexual image has a cause of action against a person disseminating or threatening to disseminate the sexual image. Provides that a depicted individual has a cause of action against a person disseminating or threatening to disseminate a sexual image if the person recklessly disregarded the possibility that the depicted individual did not consent to the dissemination, the image was a private or intentionally digitally altered sexual image, and the depicted individual was identifiable. Provides that in the case of digitally altered sexual images, disclosing that the images were digitally altered is not a defense to liability. Removes language providing that nothing in the Act shall be construed to impose liability on an interactive computer service for content provided by another person. **HB 03730 (CONTINUED)**

Creates the Thin Ice Warning Act. Provides that a land owner, including private owners, the State, or a unit of local government, must rope off and erect warning signs near portions of a pond, river, or lake that is reasonably accessible by persons other than the owner of the property if (1) the pond, river, or lake is within 500 feet of a residence other than the property owner's residence and (2) a majority of the water by the shore is iced over. Requires a sign to be erected every 50 feet that includes a warning drawing of an individual falling through ice and text stating, "Warning: Thin Ice". Provides that a county, municipality, or township, including home rule units, may not adopt ordinances regulating the roping off and signage required in a manner less restrictive than provided in the Act. Provides that a county, municipality, or township ordinance regulating the roping off and signage requirements may include, but is not limited to, regulations expanding the requirements to other, temporary bodies of water, such as drainage basins, and regulating fishing and ice skating on bodies of water where roping off and signage is required. Provides that roping off and signage is not required and may not be regulated for the portions of a pond, river, or lake that are used by livestock as a water source. Limits the concurrent exercise of home rule powers.

New Act

Creates the Pharmaceutical and Health Affordability: Restrictions on Manufacturers' Amoral Behavior through Reasonable Oversight Act. Provides that a manufacturer or wholesale drug distributor shall not engage in price gouging in the sale of an essential off-patent or generic drug. Provides that the Director of Healthcare and Family Services or Director of Central Management Services may notify the Attorney General of any increase in the price of any essential off-patent or generic drug under the Medical Assistance Program under the Illinois Public Aid Code or a State health plan, respectively, that amounts to price gouging. Provides that whenever the Attorney General has reason to believe that a manufacturer or wholesale drug distributor of an essential off-patent or generic drug has violated the Act, the Attorney General shall send a notice to the manufacturer or wholesale drug distributor requesting a specified statement. Provides that within 45 days after receipt of the request, the manufacturer or wholesale drug distributor shall submit the statement to the Attorney General. Provides that to accomplish the objectives and carry out the duties prescribed in the Act, the Attorney General may issue subpoenas or examine under oath any person to determine whether a manufacturer or wholesale drug distributor has violated the Act. Provides that upon petition of the Attorney General, a circuit court may issue specified orders against violations of the Act. Contains provisions concerning the disclosure of financial information provided by a manufacturer or wholesale drug distributor to the Attorney General. Effective January 1, 2024.

Provides that a notice sent by the Attorney General to the manufacturer or wholesale drug distributor of an essential off-patent or generic drug shall serve as a litigation hold regarding documents and communications about that drug. Provides that upon petition of the Attorney General, a circuit court may issue an order imposing a civil penalty of up to \$10,000 per day (rather than only \$10,000) for each violation of the Act or providing for the Attorney General's recovery of costs and disbursements incurred in bringing an action against a manufacturer found to be in violation of the Act. Makes other changes. Effective January 1, 2024.

House Floor Amendment No. 2

Amends the Environmental Protection Act. Allows a public water distribution entity to use contact information in its possession that it obtained before an unplanned disruption event in a public water supply in order to inform its customers of the unplanned disruption event, regardless of whether consent is expressly given to use the information for that purpose. Defines "unplanned disruption event in a public water supply".

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes the definition of "unplanned disruption event in a public water supply." Allows a public water distribution entity to use contact information in its possession obtained before or after (rather than only before) a planned or unplanned disruption event (rather than only an unplanned disruption event) in a public water supply in order to inform its customers of the disruption event. Includes in the definition of "disruption event" planned or unplanned (rather than only unplanned) work on or damage to a water main.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Provides that a "disruption event" includes any planned or unplanned work on or damage to a fire hydrant. Changes the term "health care facility list" to "disruption notification list". Requires a public water distribution entity to also notify all affected fire departments and all affected dispatch centers on the public water supply's disruption notification list not less than 14 days before any known, planned, or anticipated disruption event. Requires a public water distribution entity to notify all affected fire departments and dispatch centers on the disruption notification list that are affected by any unplanned disruption event within 2 hours. Requires a fire department and a dispatch center to designate an email address to receive electronic notifications from the public water distribution entity concerning planned or unplanned disruption events.

Amends the Landlord and Tenant Act. Provides that a landlord, lessor, sublessor, or grantor may charge a fee or fees to reimburse costs associated with conducting a background check and credit check if the cumulative fee or fees for such checks are no more than the actual cost of the background check and credit check or \$20, whichever is less. Allows this fee or fees if the potential tenant provides a copy of a background check or credit check conducted within the past 30 days. Prohibits a landlord from imposing a move-in fee that is in excess of the reasonable cost to the landlord of obtaining or providing the product or service for which the fee is imposed. Unless provided by law elsewhere, a landlord may not demand any charge for the processing, reviewing, or accepting of an application, or demand any other payment, fee, or charge before or at the beginning of the tenancy. Exempts entrance fees charged by nursing homes as defined by Nursing Home Care Act or similar institutions. Prohibits a landlord from renaming a fee or charge to avoid application of these provisions. Limits fees for the late payment of rent in certain situations. Any provision of a lease, rental agreement, contract, or any similar document purporting to waive or limit these provisions is void and unenforceable as against public policy.

105 ILCS 302/1

Amends the College and Career Success for All Students Act. Makes a technical change in a Section concerning the short title.

House Floor Amendment No. 1

Deletes reference to:

105 ILCS 302/1

Adds reference to:

105 ILCS 5/34-18.87 new

Replaces everything after the enacting clause. Amends the Chicago School District Article of the School Code. Prohibits, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body. Prohibits, until February 1, 2027, the Board from changing the standards for admission to any attendance center within the school district that has selective admission requirements that apply to the entire student body. Provides that the Board shall not take any action, until February 1, 2027, that results in a disproportionate decrease in either the total amount or percentage of funds allocated to an attendance center within the school district that has selective admission requirements that apply to the entire student body compared to other attendance centers of comparable size. Effective immediately.

House Floor Amendment No. 3

Adds reference to:

105 ILCS 5/34-18.69

Prohibits the Chicago Board of Education from approving any school closings, consolidations, or phase-outs until February 1, 2027 (instead of until January 15, 2025). Removes a provision prohibiting, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body.

Racial Impact Note (Illinois State Board of Education)

Pursuant to 25 ILCS 83/110-10 the State Board of Education does not believe HB 303 as amended would pose a racial impact as it would not change the existing procedures or operations of any attendance center within the district.

Fiscal Note (Illinois State Board of Education)

H.B. 303, as amended by House Amendment 3, would extend the prohibition on the board of Chicago Public Schools approving any school closings, consolidations, or phase-outs through February 1, 2027. It would also prohibit the board from changing admission standards for schools with selective admission requirements or from disproportionately decreasing funding for such schools. This change would not have a fiscal impact to the State Board of Education.

Replaces everything after the enacting clause. Amends the Election Code. Creates the Task Force to Review Eligibility to Hold Public Office to review what criminal conduct precludes a person from holding public office in the State and to make recommendations as to what criminal conduct should preclude an individual from holding public office. Includes language relating to Task Force membership, administrative support by the Illinois Sentencing Policy Advisory Council, meetings, submission of a report of its findings and recommendations to the General Assembly and the Governor by May 1, 2024, and repealing the provisions on January 1, 2025. Amends the Unified Code of Corrections. 105 ILCS 5/27-22 from Ch. 122, par. 27-22

Amends the Courses of Study Article of the School Code. Instead of requiring consumer education to be taught and studied, provides that beginning with pupils entering the 9th grade in the 2024-2025 school year, pupils in the public schools in grade 11 or 12 shall be taught and be required to complete a stand-alone, one-semester or equivalent course covering personal finance, which shall include, but is not limited to, instruction covering behavioral economics; banking and bill payment; investing; types of credit; managing credit; including credit scores; paying for college; insurance; taxes; budgeting; consumer skills; retirement planning, including tax-advantaged retirement plans; home ownership and financing; and personal transportation, including car ownership and leasing. Provides that the State Board of Education shall devise or approve the personal finance education standards for the course. Provides that the school board shall oversee implementation of the personal finance course for each high school student prior to graduation. Specifies the oversight duties of the school board. **HB 01375 (CONTINUED)**

Provides that the personal finance course requirement begins with pupils entering the 9th grade in the 2027-2028 (rather than 2024-2025) school year. Provides that the State Board of Education (instead of the school board) shall develop implementation guidelines and timelines to assist schools in implementing the personal finance course and determine what may be counted as a graduation requirement for this course.

Senate Committee Amendment No. 1

Deletes reference to:

105 ILCS 5/27-22

from Ch. 122, par. 27-22

Replaces everything after the enacting clause. Amends the School Code. Provides that pupils in the public schools in grades 9 through 12 shall be taught and be required to study courses which include instruction in the area of financial literacy and consumer education in alignment with the Illinois Social Science Learning Standards for Economics and Financial Literacy or other relevant career and technical education learning standards, as appropriate (rather than courses which include instruction in the area of consumer education). Sets forth specified requirements for the instruction. Provides that that the State Board of Education shall determine, subject to appropriation, how to prepare and make available instructional resources and professional learning opportunities for educators that may be used for the purpose of meeting the requirements (rather than devise or approve the consumer education curriculum for grades 9 through 12 and specify the minimum amount of instruction).

New Act

Creates the Civil Liability for Doxing Act. Provides that an individual engages in the act of doxing when that individual intentionally publishes another person's personally identifiable information without the consent of the person whose information is published and: (1) the information is published with the intent that it be used to harm or harass the person whose information is published and with knowledge or reckless disregard that the person whose information is published would be reasonably likely to suffer death, bodily injury, or stalking; and (2) the publishing of the information: (i) causes the person whose information is published to suffer significant economic injury or mental anguish or to fear serious bodily injury or death of the person or a family or household member to the person; or (ii) causes the person whose information is published to suffer a substantial life disruption. Allows a person who is aggrieved by a violation of the Act to bring a civil action against the individual who committed the offense to recover damages and obtain any other appropriate relief. Provides that an individual who is found liable under the Act shall be jointly and severally liable with each other individual, if any, who is found liable under the Act for damages arising from the same violation of the Act. Allows a court to issue a temporary restraining order, emergency order of protection, or preliminary or permanent injunction to restrain and prevent the disclosure or continued disclosure of a person's personally identifiable information or sensitive personal information. Allows a civil action to be brought in any county in which an element of the offense occurred, or in which a person resides who is the subject of the personally identifiable information or sensitive personal information published in violation of the Act.

New Act

Creates the Consumer Reciprocal Attorney's Fees Act. Defines "consumer contract" as any contract in which the money, property, or service that is the subject of the transaction is primarily for personal, family, or household purposes. Provides that if a consumer contract allows for the recovery of attorney's fees in an action brought to enforce the contract, the court may award reasonable attorney's fees to the defendant if the defendant prevails in the action. Provides that the Act applies to any action filed on or after the effective date of the Act where the amount claimed does not exceed the maximum amount of a judgment allowable for a small claim under the Illinois Supreme Court Rules, but does not apply if the plaintiff does not request attorney's fees in the complaint or if each party to the consumer contract was represented by counsel in the negotiation of the contract. Provides that nothing in the Act shall be construed to apply to or limit the rights of any party to attorney's fees under any other contract or other provisions of State law.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: Defines "commercial party" and "debt buyer". Sets forth the ways a defendant can prevail in an action under the Act. Provides that if the commercial party filing the action is a debt buyer, the Act applies irrespective of when the consumer contract was made or acquired by the debt buyer. Provides that the Act does not apply if each party to the consumer contract was represented by counsel in the negotiation of the consumer contract.

New Act

Creates the Powering Up Illinois Act. Provides that an electrical corporation which operates in the State shall upgrade the State's electrical distribution systems in order to achieve the State's decarbonization standards. Provides that an electrical corporation shall be adequately staffed and recruit, train, and retain further staff as needed. Provides that the Illinois Commerce Commission shall establish reasonable average and maximum target energization time periods. Provides that the Commission shall establish requirements for an electrical corporation to report to the Commission, at least annually, to track and improve electrical corporation performance. Provides that the Commission shall require an electrical corporation to establish a dedicated electrification team. Sets forth requirements for an electrical corporation to consider when engaging in the annual distribution planning process. Provides that, in its site evaluation and design process, the Commission shall require an electrical corporation to consider flexible interconnection to defer or mitigate energization-related grid upgrades, but, if the solutions cannot defer or mitigate an upgrade, the corporation may evaluate traditional system upgrades. Provides that an electrical corporation may recover costs. Effective immediately.

House Committee Amendment No. 1

**Representative Curtis J. Tarver, II**  
**HB 05610 (CONTINUED)**

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Changes all instances of "electric corporation" to "electric utility". Provides that an electric utility that operates within the State shall allow customers seeking energization to elect an optional flexible connection agreement, meaning a tariffed, voluntary utility offering that requires customers to agree to specified service levels as a requirement of energization or interconnection, through the use of load management technology that limits the net import and export of electricity at the point of common coupling to remain within the rated capacity limits of a customer's existing service connection or distribution circuit, either on a permanent basis or to allow for immediate project operations before service or distribution system upgrades are completed. Describes considerations the Illinois Commerce Commission shall require an electric utility to include in its internal distribution planning process and in the development of the Multi-Year Integrated Grid Plans required under the Public Utilities Act (rather than considerations the electric utility shall be required to include in its distribution planning process only). Requires the load and electrification forecasts of electric utilities to include scenarios that are consistent with achieving the various laws, standards, plans, and regulations referenced in the Act. Provides that, if the solutions set forth in the Act cannot defer or mitigate an upgrade, then the electric utility shall evaluate traditional system upgrades (rather than may evaluate traditional system upgrades). Sets forth requirements to ensure the safety and reliability of electrical infrastructure associated with charging electric vehicles. Effective immediately.

40 ILCS 5/14-110 from Ch. 108 1/2, par. 14-110  
730 ILCS 5/3-2.5-15

Amends the Unified Code of Corrections. Provides that Department of Juvenile Justice personnel who are hired by the Department and who participate or assist in the rehabilitative and vocational training of delinquent youths, supervise the daily activities involving direct and continuing responsibility for the youth's security, welfare and development, or participate in the personal rehabilitation of delinquent youth by training, supervising, and assisting lower level personnel who perform these duties must be over the age of 21 and have either a bachelor's or advanced degree from an accredited college or university or have 2 or more years of experience providing direct care to youth in the form of residential care, counseling, case management, or mentoring (rather than just any bachelor's or advanced degree from an accredited college or university). Amends the Illinois Pension Code to make conforming changes. Effective immediately.

Pension Note (Government Forecasting & Accountability)

HB 2054 expands employment requirements for Department of Juvenile Justice personnel to include prospective employees who have 2 or more years of experience providing direct care to youth, in lieu of having a bachelor's or advanced degree. The bill makes technical changes to the SERS article of the Pension Code to track with the updated educational and work requirements that are being made in the Unified Code of Corrections.

According to SERS, the proposed legislation would provide eligibility for the Alternative Formula for 150 employees in certain job titles with the Department of Juvenile Justice that currently participate in the Regular Formula. SERS claims this change would result in an increase to the accrued liability of between \$35 to \$40 million, with an estimated annual increase in State contributions of approximately \$2 million per year through FY 2045.

**HB 04652 (CONTINUED)**

Amends the Board of Higher Education Act. Provides that, subject to appropriation, the Board of Higher Education shall create a student teaching stipend program to alleviate the financial burden of student teaching and to encourage students to pursue teaching careers to alleviate this State's teacher shortage. Provides that to participate in the stipend program, an eligible student must be placed as a student teacher no later than June 1, 2025 or no later than June 1 each year thereafter. Provides that an educator preparation program shall notify the Board of all eligible students who qualify for the stipend program by July 1, 2025 and no later than July 1 each year thereafter and all eligible students shall be participants in the stipend program. Provides that no later than August 1, 2025 and no later than August 1 each year thereafter, subject to available appropriations, the Board shall disburse to each educator preparation program funds to distribute to each eligible student a stipend of up to \$10,000 per semester for up to 2 consecutive semesters, plus additional funds to pay the direct costs of operating the stipend program. Provides that the educator preparation program shall distribute stipend funds using the standard methods for allocating State-based financial aid or as wages for employment to each eligible student in monthly installments. Sets forth additional provisions concerning the distribution of funds. Provides for rulemaking.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. Removes provisions specifying notification deadlines. Provides that, subject to available appropriations, the Board shall disburse to each educator preparation program funds to distribute to each eligible cooperating teacher a stipend of up to \$2,000 per semester for up to 2 consecutive semesters per academic year, plus additional funds to pay the direct costs of operating the stipend program. Sets forth provisions concerning the distribution of funds to eligible cooperating teachers. Provides that an educator preparation program may not prohibit an eligible student or an eligible cooperating teacher from participating in the stipend program or receiving a stipend from the stipend program. Sets forth provisions concerning cooperating teacher training.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the contents of the bill as amended by House Amendment No. 1 with the following changes. Amends the Downstate Teacher Article of the Illinois Pension Code. Provides that "salary" includes stipends paid to an eligible cooperating teacher under the Board of Higher Education Act. Authorizes a person to establish optional credit for periods of service as a student teacher under a specified provision of the Board of Higher Education Act. In provisions requiring an additional employer contribution for certain salary increases greater than 6%, provides that the System shall exclude any stipends paid to an eligible cooperating teacher under the Board of Higher Education Act. Provides that any benefit increase that results from the amendatory Act is excluded from the definition of "new benefit increase". Makes changes concerning how funds are to be distributed under the student teaching stipend program. Provides that the Board of Higher Education shall disburse funds to the State Board of Education, who shall disburse funds to each school district or early childhood education provider employing an eligible cooperating teacher (instead of having the Board of Higher Education disburse funds to educator preparation programs employing an eligible cooperating teacher). Makes related changes. Makes changes concerning when the report shall be completed. Provides that the Board of Higher Education shall provide guidance and technical assistance to educator preparation programs on the administration of the stipend program. Effective immediately.

Creates the Highway Work Zone Safety Act. Establishes the Highway Work Zone Speed Control Pilot Program. Provides that the Program's purpose is to enforce the speed limits established for construction or maintenance speed zones. Requires the Department of Transportation to install and operate an automated traffic control system only when highway construction and maintenance is occurring and when workers are present. Requires the Department to conduct a public safety campaign and post signage to inform drivers about the use of an automated traffic control system that detects speeds in excess of a work zone speed limit. Requires an automated traffic control system used in the Program to undergo an annual calibration check performed by an independent calibration laboratory. Provides that the Department shall employ automated traffic control system operators to operate an automated traffic control system at a construction or maintenance speed zone. Enumerates the duties and training requirements of an automated traffic control system operator. Limits the use of a photograph or recorded image captured by an automated traffic control system. Creates a presumption that the owner of a motor vehicle that is the subject of a photograph or recorded image was operating the motor vehicle when the photograph or recorded image was obtained through an automated traffic control system. Provides that a person found to have committed a third or subsequent violation, and found to have failed to pay all fines and costs within 30 days, is guilty of a separate civil law violation. Removes provisions regarding administrative reporting requirements. Provides that the Illinois State Police may conduct procurement and adopt rules to implement and administer the Act (rather than the Department of Transportation shall adopt rules including rules establishing procedures for notices, hearings, and appeals). Provides that signs indicating that work zone speeds are enforced by automated traffic control systems must be clearly posted in the areas where the systems are in use (rather than the Department of Transportation, in coordination with the Illinois State Police, shall post before the entrance to a construction or maintenance speed zone in which an automated traffic control system is in use signage indicating that the work zone speed limit is being monitored by an automated traffic control system). Provides that the Illinois Department of Transportation (rather than the Illinois State Police) shall employ automated traffic control system operators and may adopt rules necessary to establish requirements, duties, or restrictions concerning automated traffic control system operators. In a provision regarding a civil law violation and subsequent fine, provides that moneys designated for the Illinois Department of Transportation shall be remitted by the circuit court clerk within one month after receipt for deposit into the Transportation Safety Highway Hire-back Fund. Provides that a civil law violation under this Act to a motor vehicle rental or leasing company shall be dismissed if the company responds to the civil law violation within 30 days of the mailing with an affidavit of non-liability and a copy of the driver's license number, name, and address of the renter or lessee.

House Floor Amendment No. 3

In a provision in House Amendment No. 2, provides that the Illinois State Police, in conjunction with the Illinois Department of Transportation and the Illinois State Toll Highway Authority, shall set up and operate (rather than install, set up, and operate) automated traffic control systems in highway construction and maintenance speed zones. Provides that certain tasks may or shall be completed before setting up (rather than installing) an automated traffic control system. Provides that the Illinois Department of Transportation or the Illinois State Police may (rather than the Illinois Department of Transportation shall) employ automated traffic control system operators.

Amends the Illinois Public Labor Relations Act. Specifies the annual reporting requirements of the Illinois Labor Relations Board and Illinois Educational and Labor Relations Board. Provides that the Board shall maintain the following schedule upon the filing of unfair labor practice charges filed under this Act: (i) complete the investigation and issue a complaint, dismissal or deferral within 30 days of the charges being filed; (ii) if a complaint is issued, a hearing shall be scheduled to begin within 30 days of its issuance; (iii) post-hearing briefs shall be issued within 30 days of the close of the hearing; and (iv) recommended decisions and orders shall be issued within 45 days of the submission of post-hearing briefs.

Provides that the Illinois Labor Relations Board, at the end of every State fiscal year, shall make a report that includes the number of unfair labor practice charge cases at the end of the fiscal year that have been pending before the Board between 1 and 100 days, 101 and 150 days, 151 and 200 days, 201 and 250 days, 251 and 300 days, 301 and 350 days, 351 and 400 days, 401 and 450 days, 451 and 500 days, 501 and 550 days, 551 and 600 days, 601 and 650 days, 651 and 700 days, and over 701 days, and other data. Provides that the report shall include the Board's progress in meeting timeliness goals, including specified data. Provides that the Board shall adopt goals (i) to ensure effective enforcement through timely and quality consideration and resolution of unfair labor practices with appropriate remedies and (ii) to protect employee free choice with timely and effective mechanisms to resolve questions concerning representation. Provides that the Board shall adopt timeliness goals for the processing of unfair labor practice charges (rather than maintain a certain schedule upon the filing of unfair labor practice charges), including (i) to complete the investigation and issue a complaint, dismissal, or deferral within 100 days (rather than 30 days) of the charges being filed, and, in the case of an appeal, to issue decisions within 90 days of the completion of the Board's process for filing appeals, and (ii) to schedule hearings, upon the issuance of complaints, to begin within 60 days of a complaint's issuance, to issue recommended decisions and orders within 120 days of the close of record, and, if exceptions to recommended decisions and orders are filed, issue Board decisions within 90 days of the completion of the Board's process for filing exceptions (rather than post hearing briefs to be issued within 30 days of the close of hearing and recommended decisions and orders to be issued within 45 days of the submission of post-hearing briefs, no longer than 150 days after the filing of charges, with certain permitted extensions).

Provides that, if in the course of the administrative proceeding the party has previously designated a specific email address at which to accept electronic service for that specific proceeding, notice may be served by sending a copy by email to an email address on record.

Senate Committee Amendment No. 2

Provides that "veterinary specialist" means a veterinarian: (1) who has been awarded and maintains certification from a veterinary specialty organization recognized by the American Board of Veterinary Specialties; (2) who has been awarded and maintains certification from a veterinary certifying organization whose standards have been found by the Board to be equivalent to or more stringent than those of American Board of Veterinary Specialties-recognized veterinary specialty organizations; or (3) who otherwise meets criteria that may be established by the Board to support a claim to be a veterinary specialist (instead of meaning that a veterinarian is a diplomate within an AVMA-recognized veterinary specialty organization). Changes references from "telehealth" to "telemedicine" and "writing prescriptions" to "prescribing".

Amends the State Treasurer Act. Provides that the State Treasurer may establish and administer a non-profit investment pool to supplement and enhance investment opportunities otherwise available to not-for-profit corporations in the State. Provides that the Treasurer may receive funds paid into the pool for the purpose of holding and investing those funds. Amends the Accountability for the Investment of Public Funds Act. Provides that the Treasurer shall adopt rules for the efficient administration of the pool. Provides that each State agency shall make available on the Internet, and update at least monthly, no later than the end of each month (rather than by the 15th of the month), sufficient information concerning the investment of any public funds held by that State agency to identify specified information. Effective immediately.

House Committee Amendment No. 1

Provides that the State Treasurer may establish and administer a non-profit investment pool and an electronic payments processing program (rather than a non-profit investment pool). Provides that the Treasurer may receive funds paid into the non-profit investment pool by a not-for-profit corporation that is exempt from taxation under Section 501(c)(3) or 501(c)(12) of the Internal Revenue Code (rather than Section 501(c) of the Internal Revenue Code). Corrects a grammatical error.

Fiscal Note (Office of the Treasurer)

The Treasurer's Office does not anticipate the need for additional staff for the investment pool for 501(c) non-profit organizations. The costs for the investment pool will be paid for entirely by fees. Start-up costs will be absorbed by the existing budget. No dollar amount estimate is possible but is believed to be minimal.

Senate Committee Amendment No. 2

Provides that "veterinary specialist" means a veterinarian: (1) who has been awarded and maintains certification from a veterinary specialty organization recognized by the American Board of Veterinary Specialties; (2) who has been awarded and maintains certification from a veterinary certifying organization whose standards have been found by the Board to be equivalent to or more stringent than those of American Board of Veterinary Specialties-recognized veterinary specialty organizations; or (3) who otherwise meets criteria that may be established by the Board to support a claim to be a veterinary specialist (instead of meaning that a veterinarian is a diplomate within an AVMA-recognized veterinary specialty organization). 105 ILCS 5/19-1

Amends the School Code. In a Section concerning the debt limitations of school districts, provides that, in addition to all other authority to issue bonds, Joliet Public Schools District 86 may issue bonds with an aggregate principal amount not to exceed \$99,500,000 if certain conditions are met, including (1) that the voters of the district approve a proposition for the bond issuance at an election held on or after April 4, 2023 and (2) that, prior to the issuance of the bonds, the school board determines, by resolution, that the projects set forth in the proposition for the bond issuance were and are required because of the age and condition of the school district's existing school buildings. Provides that the debt incurred on the bonds shall not be considered indebtedness for purposes of any statutory debt limitation and that the bonds must mature within not to exceed 25 years from their date, notwithstanding any other law to the contrary.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill but provides that Central Community Unit School District 301, Freeburg Community High School District 77, and Mundelein Consolidated High School District Number 120 may issue bonds with specified aggregate principal amounts if certain conditions are met, including (1) that the voters of the district approve a proposition for the bond issuance at an election held on or after April 4, 2023 and (2) that, prior to the issuance of the bonds, the school board determines, by resolution, that the projects set forth in the proposition for the bond issuance were and are required because of the age and condition of the school district's existing school buildings.

House Committee Amendment No. 2

Replaces everything after the enacting clause. Reinserts the contents of the bill as amended by House Amendment No. 1 with the following changes. With respect to Freeburg Community High School District 77 and Mundelein Consolidated High School District 120, changes the maximum aggregate principal amount that may be issued if the bonds are issued in more than one issuance. Provides that Washington School District 52 may issue bonds with an aggregate principal amount not to exceed \$20,000,000 if certain conditions are met, including (1) that the voters of the district approve a proposition for the bond issuance at an election held on or after April 4, 2023 and (2) that, prior to the issuance of the bonds, the school board determines, by resolution, that the projects set forth in the proposition for the bond issuance were and are required because of the age, condition, or capacity of the school district's existing school buildings. Provides that the debt incurred on the bonds shall not be considered indebtedness for purposes of any statutory debt limitation and that the bonds must mature within not to exceed 25 years from their date, notwithstanding any other law to the contrary. Corrects grammatical and typographical errors.

Prohibits, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body. Prohibits, until February 1, 2027, the Board from changing the standards for admission to any attendance center within the school district that has selective admission requirements that apply to the entire student body. Provides that the Board shall not take any action, until February 1, 2027, that results in a disproportionate decrease in either the total amount or percentage of funds allocated to an attendance center within the school district that has selective admission requirements that apply to the entire student body compared to other attendance centers of comparable size. Effective immediately.

House Floor Amendment No. 3

Adds reference to:

105 ILCS 5/34-18.69

Prohibits the Chicago Board of Education from approving any school closings, consolidations, or phase-outs until February 1, 2027 (instead of until January 15, 2025). Removes a provision prohibiting, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body.

Racial Impact Note (Illinois State Board of Education)

Pursuant to 25 ILCS 83/110-10 the State Board of Education does not believe HB 303 as amended would pose a racial impact as it would not change the existing procedures or operations of any attendance center within the district.

Fiscal Note (Illinois State Board of Education)

H.B. 303, as amended by House Amendment 3, would extend the prohibition on the board of Chicago Public Schools approving any school closings, consolidations, or phase-outs through February 1, 2027. It would also prohibit the board from changing admission standards for schools with selective admission requirements or from disproportionately decreasing funding for such schools. This change would not have a fiscal impact to the State Board of Education.

Replaces everything after the enacting clause. Amends the Freedom of Information Act and the Student-Athlete Endorsement Rights Act. Changes the definition of "student-athlete". Makes changes concerning compensation, including prohibiting the Act from being interpreted to consider a student-athlete as an employee, agent, or independent contractor of an association, a conference, or a postsecondary educational institution (instead of providing that a student-athlete shall not be deemed an employee, agent, or independent contractor of an association, a conference, or a postsecondary educational institution based on the student-athlete's participation in an intercollegiate athletics program). Makes changes concerning publicity rights agreements. Provides that no postsecondary educational institution or employee acting within the employee's course and scope of employment at a postsecondary educational institution is liable for damages related to the ability or inability of a student-athlete to earn compensation for the use of the student-athlete's name, image, likeness, or voice. Provides that specified information that includes, reveals, or otherwise relates to the terms of an existing or proposed student-athlete publicity rights agreement is exempt from disclosure under the Freedom of Information Act. Provides that a postsecondary educational institution may provide intangible benefits as an incentive to individuals, companies, or other third parties that provide money, benefits, opportunities, or other services to an outside entity functioning primarily to support the creation and facilitation of publicity rights agreements for student-athletes.

New Act

Creates the Digital Forgeries Act. Provides that an individual depicted in a digital forgery has a cause of action against any person who, without the consent of the depicted individual, knowingly distributes a digital forgery, creates a digital forgery with intent to distribute, or solicits the creation of a digital forgery with the intent to distribute: (1) in order to harass, extort, threaten, or cause physical, emotional, reputational, or economic harm to an individual falsely depicted; (2) with reckless disregard for whether such a creation, distribution, reproduction, or manipulation will cause physical, emotional, reputational, or economic harm to an individual falsely depicted; or (3) in order to incite violence or interfere with an official proceeding. Allows a prevailing plaintiff to be awarded damages, costs, and additional relief. Allows the court to grant injunctive relief maintaining the confidentiality of a plaintiff using a pseudonym.

House Floor Amendment No. 1

## New Act

Creates the Pharmaceutical and Health Affordability: Restrictions on Manufacturers' Amoral Behavior through Reasonable Oversight Act. Provides that a manufacturer or wholesale drug distributor shall not engage in price gouging in the sale of an essential off-patent or generic drug. Provides that the Director of Healthcare and Family Services or Director of Central Management Services may notify the Attorney General of any increase in the price of any essential off-patent or generic drug under the Medical Assistance Program under the Illinois Public Aid Code or a State health plan, respectively, that amounts to price gouging. Provides that whenever the Attorney General has reason to believe that a manufacturer or wholesale drug distributor of an essential off-patent or generic drug has violated the Act, the Attorney General shall send a notice to the manufacturer or wholesale drug distributor requesting a specified statement. Provides that within 45 days after receipt of the request, the manufacturer or wholesale drug distributor shall submit the statement to the Attorney General. Provides that to accomplish the objectives and carry out the duties prescribed in the Act, the Attorney General may issue subpoenas or examine under oath any person to determine whether a manufacturer or wholesale drug distributor has violated the Act. Provides that upon petition of the Attorney General, a circuit court may issue specified orders against violations of the Act. Contains provisions concerning the disclosure of financial information provided by a manufacturer or wholesale drug distributor to the Attorney General. Effective January 1, 2024.

## House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Sets forth legislative findings. Provides that the Director of Healthcare and Family Services or Director of Central Management Services shall (rather than may) notify the Attorney General of any increase in the price of any essential off-patent or generic drug under the Medical Assistance Program under the Illinois Public Aid Code or a State health plan, respectively, that amounts to price gouging. Provides that a notice sent by the Attorney General to the manufacturer or wholesale drug distributor of an essential off-patent or generic drug shall serve as a litigation hold regarding documents and communications about that drug. Provides that upon petition of the Attorney General, a circuit court may issue an order imposing a civil penalty of up to \$10,000 per day (rather than only \$10,000) for each violation of the Act or providing for the Attorney General's recovery of costs and disbursements incurred in bringing an action against a manufacturer found to be in violation of the Act. Makes other changes. Effective January 1, 2024.

## House Floor Amendment No. 2

Makes a change in the definition of "price gouging".

## Senate Committee Amendment No. 1

Provides that if the Attorney General has reason to believe that a manufacturer or wholesale drug distributor of an essential off-patent or generic drug has violated the provisions, then the Attorney General may (rather than shall) send a notice to the manufacturer or the wholesale drug distributor requesting a statement. Removes language providing that the Director of Central Management Services shall notify the Attorney General of any increase in the price of any essential off-patent or generic drug under the State health plan that amounts to price gouging.

Makes changes concerning the manner in which the Director of the Office of State Legislative Labor Relations is selected. Provides exclusive representatives of legislative employees with access to the premises of the General Assembly (including access to the legislative complex or district offices). Grants the Illinois Labor Relations Board subpoena power and the power to require parties to appear before the Board and produce evidence. Authorizes legislative employees to strike 5 days (rather than 30 days) after written notice is provided to the Office of State Legislative Labor Relations. Deletes provisions concerning fair-share agreements. Makes other technical changes. Provides that the portion of the bill creating the Office of State Legislative Labor Relations takes effect on July 1, 2025.

New Act  
720 ILCS 5/12C-50

Creates the Higher Education Violation Reporting Act. Provides that each public and private institution of higher education shall maintain a report publicly reporting actual findings of violations by any student organization, athletic team, or living group of the institution's code of conduct or anti-hazing policy or State or federal laws relating to hazing or alcohol, drugs, sexual assault, or physical assault. Provides that an institution of higher education shall provide hazing prevention education to employees. Provides that if an employee or volunteer at an institution of higher education has reasonable cause to believe that hazing has occurred, the employee or volunteer shall report the incident. Amends the Criminal Code of 2012. In provisions concerning hazing, provides that a person commits hazing when he or she knowingly requires the performance of any act by a student or other person in a school, college, university, or other educational institution of this State for the purpose of induction or admission into or maintenance of membership in (instead of only for the purpose of induction or admission into) any group, organization, or society associated or connected with that institution if the act meets certain requirements; makes changes to the requirements. Provides that an act may be considered hazing regardless of whether the student or other person is willing to participate in the act. Effective July 1, 2024.

House Committee Amendment No. 1

Replaces the provisions of the bill concerning the offense of hazing. Changes the elements of hazing. Provides that a person commits hazing when he or she knowingly requires the performance of any act by a student or other person in a school, college, university, or other educational institution of the State for the purpose of conferring, gaining, or maintaining acceptance, membership, office, or other status in (rather than induction or admission into) any group, organization, or society associated or connected with that institution, regardless of the student or other person's willingness to perform the act, if: (1) the act is neither sanctioned or authorized by that educational institution nor is a customary athletic event; and (2) the act either (i) subjects any person to a substantial risk of physical harm, mental harm, or degradation or (ii) causes any person to suffer physical harm, mental harm, or degradation (rather than results in bodily harm to any person).

Provides that a recorded image evidencing a violation of this Act may be admissible in a proceeding resulting from the issuance of a citation. Provides that proceeds from fines shall be deposited into the State Police Law Enforcement Administration Fund (rather than the Illinois State Police Highway Enforcement Fund). New Act

Creates the Home Modification Program Act. Provides that the purpose of the Act is to establish a home modification funding system that is streamlined, effective, and administered by experts within the disability community. Provides that, subject to appropriation, the Department of Human Services shall establish a Home Modification Program to provide financial assistance to persons with disabilities for home modification projects. Requires the Department to designate a statewide association that represents centers for independent living to serve as the lead agency to administer the Program. Requires the Department to provide funding for the Program. Requires the lead agency to distribute any moneys it receives from the Department to the State's 22 centers for independent living, covering all 102 counties. Provides that the lead agency shall ensure that each center for independent living has access to at least \$105,000 to use for home modification projects, with the excess funds subject to reallocation during the 4th fiscal quarter of each year. Contains provisions concerning eligibility requirements for applicants under the Program; standards and qualifications for home modification projects; the lead agency's establishment of a Home Modification Subcommittee to provide additional oversight of the home modification projects; and an administrative fee to the lead agency.

House Committee Amendment No. 1

Expands the list of findings to include the following: nearly 3,900,000 veterans receive disability compensation payments; these veterans have sacrificed in service to their country and defense of our freedoms; and home modifications will help Illinois veterans to regain and maintain their own freedom to utilize their homes and access the world around them. Provides that older adults and veterans who have a disability, as defined in the Act, qualify for financial assistance under the Home Modification Program. Requires program applicants to have proof of disability from an agency other than a center for independent living when a disability is not obvious or readily apparent. Provides that, in addition to other local, State, and federal requirements, all contractors must follow the requirements under the Illinois Accessibility Code. Expands the definition of "home modification" to include any change to the structure of a residential home or property to create universal design. Defines "universal design" to mean any dwelling unit designed and constructed that is safe and accessible for everyone, regardless of age, physical ability, or stature. Makes technical changes.

**HB 02086 (CONTINUED)**

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes:  
Provides that self-service by consumers is not prohibited if the take-home containers are maintained clean, sanitary, free from debris, smooth, durable, and easy-to-clean, and are not capable of causing, through cleanliness or design, conditions that may cause or spread disease (rather than cleaned, stored, and dispensed in a sanitary manner). Provides that a restaurant or retailer may fill or refill a consumer-owned container with ready-to-eat or dry bulk foods (rather than ready-made food). Provides that the local (rather than county) health departments and municipalities shall not prohibit specified actions by a retailer or restaurant. Removes language providing that the Department of Public Health shall produce materials for restaurants and retailers in print format. Allows the Department of Public Health to adopt administrative rules necessary to implement, interpret, and administer the provisions. Effective immediately.

## Senate Committee Amendment No. 1

New Act

Creates the Digital Forgeries Act. Provides that an individual depicted in a digital forgery has a cause of action against any person who, without the consent of the depicted individual, knowingly distributes a digital forgery, creates a digital forgery with intent to distribute, or solicits the creation of a digital forgery with the intent to distribute: (1) in order to harass, extort, threaten, or cause physical, emotional, reputational, or economic harm to an individual falsely depicted; (2) with reckless disregard for whether such a creation, distribution, reproduction, or manipulation will cause physical, emotional, reputational, or economic harm to an individual falsely depicted; or (3) in order to incite violence or interfere with an official proceeding. Allows a prevailing plaintiff to be awarded damages, costs, and additional relief. Allows the court to grant injunctive relief maintaining the confidentiality of a plaintiff using a pseudonym.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the introduced bill with changes. Makes changes to provisions concerning the definition of "digital forgery", the elements for a civil action under the Act, exceptions to the application of the Act, and the elements of consent. Makes other technical changes.

House Floor Amendment No. 3

In the provision concerning civil action, removes language providing that the provisions do not apply to digitally manipulated audiovisual material that is clearly and conspicuously identified to make clear to a reasonable person that it is not an authentic record of an act, a statement, or the conduct, absence, or presence of an individual unless the material appears to be a sexual image. Provides instead that the civil action provisions do not apply to a digital forgery that is clearly and conspicuously identified to make clear to a reasonable person that it is not an authentic record of an act, a statement, or the conduct, absence, or presence of an individual unless the material appears to be a sexual image.

Replaces everything after the enacting clause. Amends the Civil Remedies for Nonconsensual Dissemination of Private Sexual Images Act. Changes the definition of "sexual image" to also mean a photograph, film, videotape, digital recording, or other similar medium that falsely appears to show the fully unclothed, partially unclothed, or transparently clothed genitals, pubic area, anus, or female post-pubescent nipple, partially or fully exposed, of a depicted individual or a depicted individual engaging in or being subjected to sexual conduct or activity. Provides that a depicted individual of an intentionally digitally altered sexual image has a cause of action against a person disseminating or threatening to disseminate the sexual image. Provides that each school board of a school district or governing body of a nonpublic school that chooses to participate in the Healthy School Meals for All Program shall offer eligible meals, without charge, to all students enrolled in schools that participate in the National School Breakfast Program and National School Lunch Program. Sets forth provisions regarding eligibility for the Healthy School Meals for All Program, program requirements, reimbursement (subject to appropriation), federal and other funding, State Board support and technical assistance, and the federal Local Food for Schools Cooperative Agreement Program. Provides that if the United States Department of Agriculture creates the option for the State, as a whole, to participate in the Community Eligibility Provision, then the State Board of Education shall evaluate whether that option is anticipated to require less State funding than the Healthy School Meals for All Program and provide at least as many free meals to students. Sets forth requirements concerning that option. Effective immediately.

Senate Committee Amendment No. 1

Provides that the requirement that the State Board of Education establish the Healthy School Meals for All Program is subject to appropriation (instead of the requirement that a participating school board receive reimbursement is subject to appropriation).

Sets forth minimum reimbursement rates for certain behavioral health benefits. Sets forth provisions concerning responsibility for compliance with parity requirements; coverage and payment for multiple covered mental health and substance use services, mental health or substance use services provided under the supervision of a licensed mental health or substance treatment provider, and 60-minute individual psychotherapy; timely credentialing of mental health and substance use providers; Department of Insurance enforcement and rulemaking; civil penalties; and other matters. **HB 04475 (CONTINUED)**

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Strengthening Mental Health and Substance Use Parity Act. Amends the Illinois Insurance Code. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be, on average, at least as favorable as professional services provided by in-network primary care providers. Requires a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025, or a contracted third party administering the behavioral health benefits for the insurer, to cover all medically necessary mental health or substance use disorder services received by the same insured on the same day from the same or different mental health or substance use provider or facility for both outpatient and inpatient care. Requires coverage of medically necessary mental health or substance use disorder services provided by behavioral health trainees under certain circumstances. Requires coverage of medically necessary 60-minute psychotherapy billed using the CPT Code 90837 for Individual Therapy. Sets forth provisions concerning timely contracting for becoming a participating mental health or substance use disorder treatment provider, enforcement, and rulemaking. House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the bill, as amended by House Amendment No. 1, with the following changes. Provides that for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, reimbursement for in-network mental health and substance use disorder treatment services delivered by Illinois providers and facilities must be equal to or greater than 141% of the Medicare rate for the mental health or substance use disorder service delivered (rather than on average, at least as favorable as professional services provided by in-network primary care providers). Removes language providing that reimbursement rates for services paid to Illinois mental health and substance use disorder treatment providers and facilities do not meet the required standard unless the reimbursement rates are, on average, equal to or greater than 141% of the Medicare reimbursement rate for the same service. Provides that, if the Department of Insurance determines that an insurer or a contracted third party administering the behavioral health benefits for the insurer has violated a provision concerning mental health and substance use parity, the Department shall by order assess a civil penalty of \$1,000 (rather than \$5,000) for each violation. Excludes health care plans serving Medicaid populations that provide, arrange for, pay for, or reimburse the cost of any health care service for persons who are enrolled under the Illinois Public Aid Code or under the Children's Health Insurance Program Act from provisions concerning mental health and substance use parity. Makes other changes. Effective immediately.

House Committee Amendment No. 1

Amends the Illinois Health Facilities Planning Act. Removes an exception for skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act from providing a Safety Net Impact Statement as part of its general review criteria. Includes nursing homes operated by a county in a list of safety net service providers. Provides that facilities operated by a county shall provide in the facility's Safety Net Impact Statement the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Requires the State Board Staff Report to include a statement of findings regarding the project's safety net impact under specified circumstances, and that the State Board Staff's assessment shall be considered in determining whether the project fulfills the public interest requirements. Amends the County Homes Division of the Counties Code. Removes a requirement that two-thirds of the county board is required sell, dispose of, or lease for any term, any part of the home properties, and requires a referendum before selling any home (rather than requiring a referendum only for homes that were erected after referendum approval by the voters of the county). Adds referendum language for the selling, disposition of, or lease of a home.

House Committee Amendment No. 1

In the Illinois Health Facilities Planning Act, provides that general review criteria shall include a requirement that all health care facilities, including nursing homes operated by a county, but otherwise with the exception of skilled and intermediate long-term care facilities licensed under the Nursing Home Care Act, provide a Safety Net Impact Statement (rather than, in the introduced bill, removal of the exception of skilled and intermediate long term care facilities licensed under the Nursing Home Care Act). Provides that nursing homes (rather than facilities) operated by a county shall also provide the number of the facility's Medicaid and Medicare certified beds for the 3 fiscal years prior to the application. Removes a provision relating to a circumstance when an application for a permit to discontinue or change ownership of a health care facility has been deemed substantially complete but the application was unable to describe specified project impacts. Adds language providing additional requirements for the Health Facilities and Services Review Board Staff Report that shall be considered in evaluating whether an application fulfills the public interest requirements of the Act. Makes a grammatical change. In the Counties Code, removes language providing that, if a county nursing home was erected after referendum approval by the voters of the county, the county nursing home may be leased upon the vote of a 3/5 majority of all the members of the board.

Supports home-visiting and Early Intervention programs as an essential component of our State's multifaceted approach to the opioid crisis, helping remediate many of its corrosive impacts on young children, their parents, and families, while also assisting efforts at preventing children from future struggles with substance use disorders of their own. Affirms these vital birth-to-3 services are a top priority for increased public resources, to strengthen their quality and extend their reach to more of the children, parents, and families who could benefit from them, particularly in communities of greatest need and those hit hardest by the opioid epidemic. Affirms home-visiting and Early Intervention services are an appropriate and necessary use for some of the hundreds of millions of funding coming to Illinois from the settlement of lawsuits against opioid makers and distributors, initiatives that can help meet the settlements' stated aims of boosting opioid remediation, treatment, and prevention.

Declares the State of Illinois should take the lead on issues of Pan-Africanism, citizenship in Africa, and reparatory justice, and the State should champion the Eighth Pan-African Congress Part 1 (8PAC1) and its agenda to develop a continental-wide diaspora citizenship plan, establish the African Diaspora as the 6th Region of the African Union (AU), and determine a permanent headquarters for the 6th Region. Calls upon the State to immediately, through its African Descent-Citizens Reparations Commission (ADCRC), provide matrilineal and patrilineal DNA testing through African ancestry to determine the ancestral lineages and territories of origin of its Black residents so that they can seek citizenship in their ancestral homelands, if so desired. Calls upon the State to become the first to conduct a repatriation census in preparation for honoring President Abraham Lincoln's desire for voluntary repatriation with compensation and to make conducting the repatriation census its immediate priority.

Prohibits, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body. Prohibits, until February 1, 2027, the Board from changing the standards for admission to any attendance center within the school district that has selective admission requirements that apply to the entire student body. Provides that the Board shall not take any action, until February 1, 2027, that results in a disproportionate decrease in either the total amount or percentage of funds allocated to an attendance center within the school district that has selective admission requirements that apply to the entire student body compared to other attendance centers of comparable size. Effective immediately.

House Floor Amendment No. 3

Adds reference to:

105 ILCS 5/34-18.69

Prohibits the Chicago Board of Education from approving any school closings, consolidations, or phase-outs until February 1, 2027 (instead of until January 15, 2025). Removes a provision prohibiting, until February 1, 2027, the Chicago Board of Education from closing any attendance center within the school district that has selective admission requirements that apply to the entire student body.

Racial Impact Note (Illinois State Board of Education)

Pursuant to 25 ILCS 83/110-10 the State Board of Education does not believe HB 303 as amended would pose a racial impact as it would not change the existing procedures or operations of any attendance center within the district.

Fiscal Note (Illinois State Board of Education)

H.B. 303, as amended by House Amendment 3, would extend the prohibition on the board of Chicago Public Schools approving any school closings, consolidations, or phase-outs through February 1, 2027. It would also prohibit the board from changing admission standards for schools with selective admission requirements or from disproportionately decreasing funding for such schools. This change would not have a fiscal impact to the State Board of Education.

Amends the Illinois Vehicle Code. Defines "disablement technology" as any instrument, device, machine, or equipment, whether software or hardware, that can be used to disable the starter of a motor vehicle, prevent fuel from flowing to the engine, prevent electricity from flowing to the engine, or otherwise prevent the vehicle from being started or driven by a person. Provides that disablement technology shall not be used as an aid to the physical retrieval of a vehicle as part of repossession or as a consequence for nonpayment under a retail installment contract or other instrument. Provides that a violation is an unlawful practice within the meaning of the Consumer Fraud and Deceptive Business Practices Act. Provides that a consumer whose vehicle is subject to the activation of disablement technology may bring an action against an activating person or entity for damages of \$1,000 per month per violation plus actual damages and attorney's fees. Provides that disablement technology may be offered for sale or sold only for antitheft purposes, either on its own or for an additional fee in connection with the purchase of a motor vehicle. Requires a motor vehicle dealer that sells a motor vehicle containing disablement technology to comply with specified requirements. Provides that data generated or stored by disablement technology as the result of a consumer's vehicle usage is the personal property of the consumer, and the consumer is entitled to all profits and other benefits flowing from the sharing or sale of the data. Provides that data generated or stored by disablement technology that is installed in a consumer's vehicle, and data transmitted by or through the disablement technology that relates to the consumer or the consumer's use of a motor vehicle, may not be sold or otherwise shared with any third parties except as required by federal, State, or local law, or required by court order. Makes a corresponding change in the Consumer Fraud and Deceptive Business Practices Act.

House Floor Amendment No. 2

Provides that knowingly installing or using disablement technology in violation of the Code is an unlawful practice within the meaning of the Consumer Fraud and Deceptive Business Practices Act. Provides that an assignee or successor in interest to a retail installment contract or other instrument who did not install, authorize, or ratify the installation of the disablement technology in a consumer's vehicle may not be held liable for the prior contract holder's installation of disablement technology unless the technology is activated or the consumer is threatened with activation by the assignee or successor in interest. Provides that the required disclosure by any motor vehicle dealer that sells a motor vehicle containing disablement technology shall contain a statement that the disablement technology will not be used or activated by the motor vehicle dealer, lender, or any other party as part of a repossession or as a consequence of nonpayment of a retail installment contract or other instrument (rather than similar agreement).

In provisions concerning the development of a long-term renewable resources procurement plan, provides that the total of renewable energy resources procured under the procurement plan shall be reduced for all retail customers based on the amount necessary to limit the annual estimated average net increase due to the costs of these resources included in the amounts paid by eligible retail customers in connection with electric service to no more than 4.25% of the amount paid per kilowatthour by those customers during the year ending May 31, 2009, and to no more than 4.5% of that amount as of the billing month following the expected date that a new utility-scale offshore wind project commences commercial operations and is expected to begin delivering power to the PJM Interconnection, LLC transmission grid. Provides that the Agency shall conduct at least one new utility-scale offshore wind procurement within 360 days after the effective date of the amendatory Act. Defines terms. Makes other changes. 420 ILCS 46/25 rep.

Creates the Tenants Radon Protection Act. Provides that, before a lease is signed, a landlord shall provide each tenant in a dwelling unit with any records or reports that pertain to radon concentrations within the dwelling unit and that indicate a radon hazard exists and shall furnish each prospective tenant with a prescribed radon hazard disclosure form. Provides that, if a tenant performs a radon test, the tenant shall provide the test results to the landlord within 10 days after receiving them. Provides that nothing in the Act implies an obligation for a landlord or tenant to conduct any radon testing. Replaces everything after the enacting clause. Amends the Illinois Human Rights Act. Provides that after filing a complaint under the Employment Article, Financial Credit Article, Public Accommodations Article, Elementary, Secondary, and Higher Education Article, or Additional Civil Rights Violations Article, the Department of Human Rights may petition and shall be permitted to intervene as a party in the proceeding if the Human Rights Commission determines that: the Department has an interest different from one or more of the parties; the expertise of the Department makes it better suited to articulate a particular point of view; or the representation of the Department's interest by existing parties is or may be inadequate and the Department will or may be bound by an order or judgment in the action. Provides that if the Department certifies that the case is of general public importance, the Attorney General may seek to intervene on behalf of the Department in a civil action filed by a complainant in State or federal court. Requires, in various situations, a complainant to notify the Department that a complaint has been filed by serving a copy of the complaint on the chief legal counsel of the Department within 21 days from the date that the complaint is filed in circuit court. Requires a complainant who chooses to file a complaint with the Commission without the Department's assistance to notify the Department that a complaint has been filed by serving a copy of the complaint on the chief legal counsel of the Department within 21 days from the date that the complaint is filed with the Commission. Provides that a petition for temporary relief shall contain a certification by the Director of the Department that the particular matter warrants temporary relief (rather than that the matter presents exceptional circumstances in which irreparable injury will result from a civil rights violation in the absence of temporary relief). Provides that the filing of a petition for temporary relief does not affect the initiation or continuation of other specified administrative proceedings. Removes language providing that when a petition for temporary relief is based upon a civil rights violation, the relief or restraining order shall not exceed 5 days. Provides that proceedings on requests for review shall toll the time limitation from the date on which the Department's notice of dismissal or default is issued until 30 days after (rather than issued to) the date on which the Human Rights Commission's order is served on the chief legal counsel of the Department (rather than when the order is entered). Makes other changes.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: In a provision regarding opting out of a Department of Human Rights investigation, requires a complainant to notify the Department (rather than the Department and the respondent) that a complaint has been filed with the appropriate circuit court (rather than with the appropriate circuit court or other appropriate court of competent jurisdiction) by serving (rather than mail) a copy of the complaint on the chief legal counsel of the Department (rather than the Department and the respondent) within 21 days from the date (rather than on the same date) that the complaint is filed with the appropriate circuit court. Provides that the 21-day period for service on the chief legal counsel shall not be construed to be jurisdictional.

5 ILCS 140/7

625 ILCS 5/2-130 new

Amends the Illinois Vehicle Code. Defines "automated license plates reader" (ALPR). Establishes that an ALPR user shall not sell, share, or transfer ALPR information, except to another local law enforcement agency, a local law enforcement agency of the State, the federal government, or a state other than Illinois, and only to the extent necessary to locate a vehicle or person reasonably suspected of being involved in the commission of a crime as defined by State or federal laws. Provides that an ALPR user shall not sell, share, or transfer ALPR information to any state that has enacted laws that deny or interfere with a woman's right to choose or obtain an abortion prior to viability of the fetus, or when the abortion is necessary to protect the life or health of the woman for the purposes of investigation or enforcement of that law. Provides that an ALPR user shall only share information obtained through the use of an ALPR with the federal government or a state other than Illinois if the entity requesting the information first discloses to the State entity a criminal predicate necessitating a lawful purpose and that the criminal predicate would be a violation of the laws of the State. Provides that ALPR information shall be retained for a period of only 30 days, after which it must be destroyed, unless particularized information is the subject of a criminal investigation. Provides that ALPR information shall be held confidentially to the fullest extent permitted by law, and an ALPR user shall not sell, share, or transfer ALPR information for any commercial purpose and shall not disclose ALPR information to any entity for the purposes of public disclosure. Makes a conforming change in the Freedom of Information Act.

House Floor Amendment No. 4

Replaces everything after the enacting clause. Amends the Illinois Vehicle Code. Provides that an automated license plate reader (ALPR) user shall not sell, share, allow access to, or transfer ALPR information to any state for the purpose of investigating or enforcing a law that: (1) denies or interferes with a person's right to choose or obtain reproductive health care services or any lawful health care services; or (2) permits the detention or investigation of a person based on the person's immigration status. Provides that any law enforcement agency that uses ALPR systems shall require other out-of-state law enforcement agencies to acknowledge that any shared ALPR images or data generated in the State will not be used in a manner that violates the provisions by executing a written declaration before obtaining that data, and if a written declaration is not executed before sharing or transfer of the data, the law enforcement agency shall not share the ALPR images or data with the out-of-state law enforcement agency. Provides that ALPR information shall be held confidentially to the fullest extent permitted by law. Makes a corresponding change in the Freedom of Information Act.

Senate Committee Amendment No. 1

Provides that an ALPR user shall not sell, share, allow access to, or transfer ALPR information to any state or local jurisdiction for the purpose of investigating or enforcing a law that: (i) denies or interferes with a person's right to choose or obtain reproductive health care services or any lawful health care services as defined by the Lawful Health Care Activity Act; or (ii) permits the detention or investigation of a person based on the person's immigration status. Provides that any ALPR user in this State, including any law enforcement agency of this State that uses ALPR systems, shall not share ALPR information with an out-of-state law enforcement agency without first obtaining a written declaration from the out-of-state law enforcement agency that it expressly affirms that ALPR information obtained shall not be used in a manner that violates the Act. Provides that if a written declaration of affirmation is not executed, the law enforcement agency shall not share the ALPR information with the out-of-state law enforcement agency. Restricts provisions as provided from limiting rights under the Reproductive Health Act. Defines terms.

Amends the Department of Natural Resources Act. Provides that the Department of Natural Resources may lease land on property of which the Department has jurisdiction for the purpose of creating, operating, or maintaining a commercial solar energy system or a clean energy project. Provides that the lease shall be for a period not longer than 25 years. Provides that, if practical, the Department shall require that any land or property over which the Department has jurisdiction and that is used for the purpose of creating, operating, or maintaining a commercial solar energy system shall have implemented on it and maintained management practices that would qualify the land or property as a beneficial habitat under the Pollinator-Friendly Solar Site Act. Amends the Department of Natural Resources (Conservation) Law of the Civil Administrative Code of Illinois. Defines "clean energy". Provides that the Department may provide for at least one electric vehicle charging station, as defined in the Electric Vehicle Act, at any State park or other real property that is owned by the Department where electrical service will reasonably permit. Provides that the Department is authorized to charge user fees for the use of an electric vehicle charging station. Amends the State Parks Act to make conforming changes. Amends the Illinois Procurement Code. Exempts certain expenditures by the Department of Natural Resources from the Code.

Fiscal Note (Dept. of Natural Resources)

The Office of Law Enforcement is currently working with Procurement regarding the purchase of body cameras for all sworn OLE personnel. This is a mandate that must be in place by January 2025. Current figures show a total cost of \$2.6 million for a contract covering 5 years with the first expense of approximately \$680,000 hopefully still occurring prior to the end of fiscal year 2024. This expense of \$680,000 includes Cloud data storage as well as the cost of acquiring the actual equipment (body cameras and in-car cameras). Thereafter, there will be an annual cost of approximately \$500,000 for each of 4 years to cover data storage and maintenance. This contract will also allow the Office of Law Enforcement to upgrade its equipment after 3 years to take advantage of the newest technology. This upgrade would occur at no additional charge. For the purchase of technology and software, the Office of Law Enforcement is in the process of procuring a records management system that will replace obsolete databases and allow officers to input some of their own data (ie tickets, etc.) to minimize errors, repetitive handling, lost files, etc. This procurement is being worked on at this moment, but it is a very complex procurement and will likely not occur until FY25 at the earliest. Initial estimates were that the system OLE is wanting to acquire would/could cost approximately \$500,000 the first year depending on options and features available and requested. Initial estimates were that 50% of the total cost would be required at contract signing, 40% once the system was implemented and operational without errors and 10% once all applicable staff had been thoroughly trained. Once the system is in place and staff have been trained, it estimated that there would be a \$60,000 annual maintenance cost for each of the next 4 years which would include upgrades. For a 5-year contract the total cost over 5 years could approach \$750,000.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Department of Natural Resources Act. Provides that the Department of Natural Resources has the power to lease, from time to time, any land or property, with or without appurtenances, of which the Department has jurisdiction, and which are not immediately to be used or developed by the State; provided that no such lease be for a longer period of time than that in which it can reasonably be expected the State will not have use for such property, and further provided that no such lease be for a longer period of time than 10 years (rather than provided that no such lease be for a longer period of time than 5 years). Makes a conforming change in the Department of Natural Resources (Conservation) Law of the Civil Administrative Code of Illinois.

House Floor Amendment No. 4

In provisions in House Amendment No. 2, after providing that the Department of Natural Resources shall prioritize commercial solar energy system sites based on their suitability and economic feasibility for solar use, provides that the Department shall then (rather than shall or may also) prioritize commercial solar energy system sites with a significant history of disturbance.

Amends the Environmental Protection Act. Provides that the filing fees for specified petitions shall be \$250 (rather than \$75).

Fiscal Note (Illinois Pollution Control Board)

House Bill 4651 will have no impact on state expenditures but does have the potential to increase revenue. Since the per filing fee will increase from \$75 to \$250 each, this will increase the revenue collected per filing. Based on the current trend of ten(10) filings per year, the increase in the per filing fee would collect an additional \$1,750 in state revenue per fiscal year.

Amends the School Code. In provisions concerning radon testing, provides that every school building of a school district that is occupied or will be occupied shall be tested by January 1, 2028 and shall be tested every 5 years thereafter for radon (instead of recommending that every occupied school building of a school district be tested every 5 years for radon). Removes a provision allowing a person to perform radon screening tests without a license. Makes changes concerning the exemption. Amends the Illinois Human Rights Act. Provides that an employer is responsible for harassment and sexual harassment of its employees by the employer's nonmanagerial and nonsupervisory employees, nonemployees, and third parties only if the employer becomes aware of the conduct and fails to take reasonable corrective measures. Changes the definition of "real estate transaction" to include any act that otherwise makes available such a transaction or alters a person's right to real property. Makes it a civil rights violation in a real estate transaction to: make unavailable or deny real property to discriminate in making available such a transaction; or use criteria or methods that have the effect of subjecting individuals to unlawful discrimination or discrimination based on familial status, immigration status, source of income, or an arrest record in a real estate transaction. Provides that an aggrieved party may take action to collect on a judicial order issued by the Circuit Court in an action initiated by the State, regardless of whether or not the aggrieved party intervened in an enforcement action of a Human Rights Commission order. Provides that, in imposing a penalty based on a real estate transaction violation, the Commission may order a respondent to pay a civil penalty per violation to vindicate the public interest, and in imposing a civil penalty to vindicate the public interest, a separate penalty may be imposed for each specific act constituting a civil rights violation and for each aggrieved party injured by the civil rights violation. Deletes language authorizing each commissioner of the Human Rights Commission to hire a staff attorney. Repeals language regarding the collection of information concerning employment discrimination in relation to persons affected by the federal Immigration Reform and Control Act of 1986. Makes other changes.

New Act

Creates the Powering Up Illinois Act. Provides that an electrical corporation which operates in the State shall upgrade the State's electrical distribution systems in order to achieve the State's decarbonization standards. Provides that an electrical corporation shall be adequately staffed and recruit, train, and retain further staff as needed. Provides that the Illinois Commerce Commission shall establish reasonable average and maximum target energization time periods. Provides that the Commission shall establish requirements for an electrical corporation to report to the Commission, at least annually, to track and improve electrical corporation performance. Provides that the Commission shall require an electrical corporation to establish a dedicated electrification team. Sets forth requirements for an electrical corporation to consider when engaging in the annual distribution planning process. Provides that, in its site evaluation and design process, the Commission shall require an electrical corporation to consider flexible interconnection to defer or mitigate energization-related grid upgrades, but, if the solutions cannot defer or mitigate an upgrade, the corporation may evaluate traditional system upgrades. Provides that an electrical corporation may recover costs. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Changes all instances of "electric corporation" to "electric utility". Provides that an electric utility that operates within the State shall allow customers seeking energization to elect an optional flexible connection agreement, meaning a tariffed, voluntary utility offering that requires customers to agree to specified service levels as a requirement of energization or interconnection, through the use of load management technology that limits the net import and export of electricity at the point of common coupling to remain within the rated capacity limits of a customer's existing service connection or distribution circuit, either on a permanent basis or to allow for immediate project operations before service or distribution system upgrades are completed. Describes considerations the Illinois Commerce Commission shall require an electric utility to include in its internal distribution planning process and in the development of the Multi-Year Integrated Grid Plans required under the Public Utilities Act (rather than considerations the electric utility shall be required to include in its distribution planning process only). Requires the load and electrification forecasts of electric utilities to include scenarios that are consistent with achieving the various laws, standards, plans, and regulations referenced in the Act. Provides that, if the solutions set forth in the Act cannot defer or mitigate an upgrade, then the electric utility shall evaluate traditional system upgrades (rather than may evaluate traditional system upgrades). Sets forth requirements to ensure the safety and reliability of electrical infrastructure associated with charging electric vehicles. Effective immediately.

Amends the Amusement Ride and Attraction Safety Act. Provides that the Amusement Ride and Attraction Safety Board may hire such clerical and administrative help as it deems necessary, to be paid out of an appropriation from the Amusement Ride and Patron Safety Fund (rather than from an appropriation to the Board). Removes a provision providing that the Director of the Department of Labor may promulgate rules to establish a schedule of fees for inspections. Provides that the Director, after consultation with and the consent of the Board, shall determine a schedule of inspection fees and permit fees (rather than just permit fees) for each amusement ride or amusement attraction. Provides that the Director may accept applications for a permit not filed at least 30 days prior to the first day of operation or the expiration of the permit only if the applicant applies for the permit prior to the inspection of the ride or attraction. Provides that if, upon inspection, the Department determines that an element or elements of an amusement ride or amusement attraction is in violation of the Act or any rules adopted under it, the Department may issue a correction notice to the owner or operator, allowing the owner or operator to continue operating the amusement ride or amusement attraction, but requiring the owner or operator to address the deficiency and come into compliance with adopted standards by a set deadline. Provides that, if the owner or operator does not meet the deadline established in the correction notice, the Department may issue a Cessation Order as described in subsection (b) of this Section. Makes changes in provisions concerning: insurance; penalties; contracting with an entity; injunctions to compel compliance; the Amusement Ride and Patron Safety Fund; exemptions; waivers of inspections; and employment of carnival and amusement enterprise workers. Makes other changes.

House Floor Amendment No. 2

Adds reference to:

765 ILCS 1075/35

Replaces everything after the enacting clause with the provisions of the bill as introduced with these changes. Changes the definition of "artificial intelligence" to also include "generative artificial intelligence". Changes the definition of "commercial purpose" to mean for the purpose of distributing, transmitting, or otherwise making available a sound recording or audiovisual work that contains a digital replica of an individual with knowledge that use of the identity was not authorized by the individual. Changes the definition of "identity" to mean any attribute of an individual that serves to identify that individual to an ordinary, reasonable viewer or listener. Defines "digital replica" to mean a newly-created, electronic representation of the identity of an actual individual created using a computer, algorithm, software, tool, artificial intelligence, or other technology that is fixed in a sound recording or audiovisual work in which that individual did not actually perform or appear. Provides that liability under the Act does not apply to a person that solely transmits or stores data or software, including any service provider, with respect to any unauthorized digital replica by reason of the storage at the direction of a user of material that resides on a system or network, if the person (1) (i) does not have actual knowledge that the material or an activity using the material on the system or network is unauthorized; (ii) is not aware of facts or circumstances from which unauthorized activity is apparent; or (iii) upon obtaining such knowledge or awareness, acts expeditiously to remove, or disable access to, the material; and (2) does not receive a financial benefit directly attributable to the unauthorized activity; and (3) upon notification of claimed unauthorized activity, responds expeditiously to remove, or disable access to, the material that is claimed to be infringing or to be the subject of infringing activity. Incorporates all of the elements of the safe harbor provisions of federal law for qualifying online service providers for claims relating to unauthorized digital replicas, and that this exemption applies without regard to whether the unauthorized version infringes copyright. Prohibits the Act from being construed in a manner inconsistent with federal law providing protection for private blocking and screening of offensive material or any other federal law.

Senate Committee Amendment No. 2

Replaces everything after the enacting clause with the engrossed bill, with these changes. Restores the definition of "commercial purpose" to current law. Defines "digital replica" to mean a newly created, electronic representation of the voice, image or likeness of an actual individual created using a computer algorithm, software tool, artificial intelligence, or other technology that is fixed in a sound recording or audiovisual work in which that individual did not actually perform or appear, and which a reasonable person would believe is the individual's voice, image or likeness of the person being imitated. Defines "service provider" to mean any entity offering broadband services as used in the Broadband Advisory Council Act, a wireless carrier as defined by a specified federal law, or a telecommunications carrier as defined in the Public Utilities Act. Defines "person" to mean a natural or juristic person and a service provider may only constitute a person under this Act if the service provider created the unauthorized digital replica. Prohibits a person from distributing, transmitting, or making available to the general public a sound recording or audiovisual work that contains a digital replica of an individual with actual knowledge that the use of the digital replica was not authorized by the individual. Provides that this liability does not apply to the use of identity or digital replica in the following: (1) news, public affairs, or a sports broadcast or account, or any political campaign; (2) for a purpose that has political, public interest, educational, or newsworthy value, unless use of the audiovisual digital replica is intended to create, and does create, the false impression that the work is an authentic recording in which the individual participated; (3) use of a digital replica to depict the individual in a documentary, docudrama, or historical or biographical audiovisual work, or any other representation of the individual as such individual, regardless of the degree of fictionalization, unless the use of the audiovisual digital replica creates the false impression to a reasonable viewer or listener that the digital replica is an authentic recording or that the individual participated in the work; (4) use of digital replica for the purposes of comment, criticism, scholarship, satire, or parody; or (5) certain promotional materials, advertisements, or commercial announcements for certain use. Provides that the provisions of the amendatory Act do not apply to any action filed before, nor to any action pending on, its effective date.

Requires a policy to be based on the State Board of Education's template for a model bullying preventing policy which includes the criteria set forth in the definition of "policy on bullying". Provides that school districts, charter schools, and non-public, non-sectarian elementary and secondary schools must submit data in an annual report due to the State Board of Education no later than August 15 of each year starting with the 2024-2025 school year (instead of requiring school districts to submit data in an annual report due to the State Board no later than June 1 of each year). Provides that the State Board of Education shall adopt rules regarding the submission of data that includes, but is not limited to: (i) a record of each verified allegation of bullying and action taken; and (ii) whether the instance of bullying was based on certain actual or perceived characteristics and, if so, lists the relevant characteristics. Provides that the State Board of Education's rules for the submission of data shall be consistent with federal and State laws and rules governing student privacy rights, including, but not limited to, the federal Family Educational Rights and Privacy Act of 1974 and the Illinois School Student Records Act. Removes provisions concerning recommendations for out-of-school suspensions, expulsions, or referrals to law enforcement. 65 ILCS 5/11-74.4-3 from Ch. 24, par. 11-74.4-3

Amends the Tax Increment Allocation Redevelopment Act of the Illinois Municipal Code. For redevelopment project areas designated after November 1, 1999, in municipalities with less than 1,000,000 population, modifies the formula for elementary, secondary, or unit school district's increased costs attributable to assisted housing units located within the redevelopment project area for which the developer or redeveloper receives financial assistance through an agreement with the municipality or because the municipality incurs the cost of necessary infrastructure improvements within the boundaries of the assisted housing sites necessary for the completion of that housing. Removes differences in formulation for alternate method districts, flat grant districts, and foundation districts. For school districts in a municipality with a population in excess of 1,000,000, changes the last date upon which a school district may submit a claim for reimbursement to the municipality to October 31 of each year (currently, September 30) and provides that municipalities shall reimburse school districts that have met specified criteria no later than January 31 of the school year in which the claim is made.

Amends the Department of Natural Resources Act. Provides that the Department of Natural Resources may lease land on property of which the Department has jurisdiction for the purpose of creating, operating, or maintaining a commercial solar energy system or a clean energy project. Provides that the lease shall be for a period not longer than 25 years. Provides that, if practical, the Department shall require that any land or property over which the Department has jurisdiction and that is used for the purpose of creating, operating, or maintaining a commercial solar energy system shall have implemented on it and maintained management practices that would qualify the land or property as a beneficial habitat under the Pollinator-Friendly Solar Site Act. Amends the Department of Natural Resources (Conservation) Law of the Civil Administrative Code of Illinois. Defines "clean energy". Provides that the Department may provide for at least one electric vehicle charging station, as defined in the Electric Vehicle Act, at any State park or other real property that is owned by the Department where electrical service will reasonably permit. Provides that the Department is authorized to charge user fees for the use of an electric vehicle charging station. Amends the State Parks Act to make conforming changes. Amends the Illinois Procurement Code. Exempts certain expenditures by the Department of Natural Resources from the Code.

Fiscal Note (Dept. of Natural Resources)

The Office of Law Enforcement is currently working with Procurement regarding the purchase of body cameras for all sworn OLE personnel. This is a mandate that must be in place by January 2025. Current figures show a total cost of \$2.6 million for a contract covering 5 years with the first expense of approximately \$680,000 hopefully still occurring prior to the end of fiscal year 2024. This expense of \$680,000 includes Cloud data storage as well as the cost of acquiring the actual equipment (body cameras and in-car cameras). Thereafter, there will be an annual cost of approximately \$500,000 for each of 4 years to cover data storage and maintenance. This contract will also allow the Office of Law Enforcement to upgrade its equipment after 3 years to take advantage of the newest technology. This upgrade would occur at no additional charge. For the purchase of technology and software, the Office of Law Enforcement is in the process of procuring a records management system that will replace obsolete databases and allow officers to input some of their own data (ie tickets, etc.) to minimize errors, repetitive handling, lost files, etc. This procurement is being worked on at this moment, but it is a very complex procurement and will likely not occur until FY25 at the earliest. Initial estimates were that the system OLE is wanting to acquire would/could cost approximately \$500,000 the first year depending on options and features available and requested. Initial estimates were that 50% of the total cost would be required at contract signing, 40% once the system was implemented and operational without errors and 10% once all applicable staff had been thoroughly trained. Once the system is in place and staff have been trained, it estimated that there would be a \$60,000 annual maintenance cost for each of the next 4 years which would include upgrades. For a 5-year contract the total cost over 5 years could approach \$750,000.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Department of Natural Resources Act. Provides that the Department of Natural Resources has the power to lease, from time to time, any land or property, with or without appurtenances, of which the Department has jurisdiction, and which are not immediately to be used or developed by the State; provided that no such lease be for a longer period of time than that in which it can reasonably be expected the State will not have use for such property, and further provided that no such lease be for a longer period of time than 10 years (rather than provided that no such lease be for a longer period of time than 5 years). Makes a conforming change in the Department of Natural Resources (Conservation) Law of the Civil Administrative Code of Illinois.

House Floor Amendment No. 4

In provisions in House Amendment No. 2, after providing that the Department of Natural Resources shall prioritize commercial solar energy system sites based on their suitability and economic feasibility for solar use, provides that the Department shall then (rather than shall or may also) prioritize commercial solar energy system sites with a significant history of disturbance.

Provides that the Department of Financial and Professional Regulation is authorized to issue a professional portability license to (1) a service member who is an out-of-state licensee and is under official United States military orders to relocate to the State of Illinois or (2) an out-of-state licensee whose spouse is a service member under official United States military orders to relocate to the State of Illinois.
