Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. In the definition of "universal screener", changes references to "an assessment" to "a screener". Provides that the "universal screener" shall screen for the risk factors of reading difficulties, including dyslexia (instead of the risk factors of dyslexia). Provides that students shall be screened if a student from another state enrolls for the first time in any of grades kindergarten through 2 in a school district in this State, provided that if a student's score is below 3.0 on either the listening or the speaking portion of the ACCESS for ELLs assessment, the student may be exempt from a universal screener as determined by the school's or school district's English language learner team (instead of unless the student, the student's parent, or the student's guardian presents documentation that the student meets specified conditions). Adds provisions concerning secondary review of a student. In provisions concerning the student's parent or guardian consent to screening, provides that the parent or guardian must be notified (rather than specified provisions concerning the nature of notification). Makes conforming changes.

410 ILCS 620/3.15 from Ch. 56 1/2, par. 503.15

Amends the Illinois Food, Drug and Cosmetic Act. In provisions allowing the filling or refilling of personal containers with bulk food, refers to restaurants and retailers (rather than just retailers). Allows restaurants and retailers to fill or refill a consumer-owned container with ready-made food. Allows clean consumer-owned containers provided or returned to a restaurant or retailer for filling or refilling to be filled or refilled and returned to the same consumer if the consumer-owned container is filled or refilled by either an employee of the restaurant or retailer or the owner of the consumer-owned container. Requires filled or refilled consumer-owned containers to be designed and constructed for reuse in accordance with specified federal requirements. Contains requirements for restaurants and retailers. Directs the Department of Public Health to produce materials for restaurants and retailers on or before January 1, 2024 indicating that consumer-owned containers are not prohibited for use under Illinois law and specifying best practices for food safety requirements for consumer-owned containers. Effective immediately.

House Floor Amendment No. 1

**Representative Michelle Mussman****HB 02086 (CONTINUED)**

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes:  
Provides that self-service by consumers is not prohibited if the take-home containers are maintained clean, sanitary, free from debris, smooth, durable, and easy-to-clean, and are not capable of causing, through cleanliness or design, conditions that may cause or spread disease (rather than cleaned, stored, and dispensed in a sanitary manner). Provides that a restaurant or retailer may fill or refill a consumer-owned container with ready-to-eat or dry bulk foods (rather than ready-made food). Provides that the local (rather than county) health departments and municipalities shall not prohibit specified actions by a retailer or restaurant. Removes language providing that the Department of Public Health shall produce materials for restaurants and retailers in print format. Allows the Department of Public Health to adopt administrative rules necessary to implement, interpret, and administer the provisions. Effective immediately.

## Senate Committee Amendment No. 1

Provides that except as provided under specified provisions, county health departments and municipalities may regulate but shall not prohibit (rather than shall not prohibit) the ability of a retailer to allow a consumer to fill or refill a consumer-owned personal container with bulk food if the dispensers used prevent the direct handling of the bulk food or the ability of a restaurant or retailer to fill or refill a consumer-owned container with ready-to-eat or dry bulk foods.

Expands the definition of abuse to include causing any emotional injury to an adult with disabilities aged 18 through 59 or a person aged 60 or older (eligible adults). Provides that, contingent upon adequate funding, the Department on Aging may provide funding for legal assistance for eligible adults. Provides that, for self-neglect cases, the Department shall establish mandatory standards for the provision of emergent casework and follow-up services to mitigate the risk of harm or death to an eligible adult. Provides that, upon receiving a report of self-neglect, a provider agency shall conduct an unannounced face-to-face visit at the residence of the eligible adult to administer an eligibility screening to quickly determine if the eligible adult is posing a substantial threat to himself or herself or to others. Sets forth the process and procedures for eligibility screenings. Provides that if an eligibility screening indicates self-neglect, the provider agency shall develop and implement within 5 business days a case plan for the eligible adult in consultation with any other appropriate provider of services. Requires the Department to establish, by rule, the time period within which an eligibility screening shall begin and within which a service plan shall be implemented. As to all investigations conducted under the Act, requires a provider agency to notify the eligible adult, the alleged abuser, and the reporter of abuse of the agency's final investigative findings. Makes changes to provisions concerning an eligible adult's capacity to consent to an eligibility screening. Changes the minimal number of times the Illinois Fatality Review Team Advisory Council must meet each calendar year. Makes other changes. Repeals a provision permitting the Department to use qualified volunteers to provide companion-type services to eligible adults. Amends the Open Meetings Act. Further amends the Adult Protective Services Act. Expands the definition of "abuse" to mean subjecting an eligible adult to an environment which creates a likelihood of harm to the eligible adult's health, physical and emotional well-being, or welfare. Makes changes to provisions concerning multi-disciplinary teams; face-to-face assessments conducted by provider agencies regarding reports of alleged or suspected abuse, abandonment, neglect, or financial exploitation; procedures on how to evaluate reports of self-neglect; final investigative reports; eligibility screenings for self-neglect; and other matters.

Modifies the requirements necessary for application for a new license after a mobile home park is sold. Provides that approval of an application for relicensure after a license has been voided, suspended, denied, or revoked shall be issued if an inspection of the park by the Department indicates substantial compliance (rather than compliance) with the Act and the rules adopted under the Act, including payment of all delinquent reinspection fees (rather than reinspection fees). Modifies the requirements of an annual inspection of each mobile home park. Modifies the annual license fee that a licensee must pay. Requires, beginning in 2026, the Department of Public Health to prepare an annual report that must contain, at a minimum, specified information relating to mobile home parks. Makes other changes.

105 ILCS 5/22-94

Amends the School Code. In provisions concerning sexual misconduct in schools, provides that guidelines established for certain situations and all available methods for how to report staff-student boundary violations within a school and to external agencies must be posted on the website, if any, of each school district, charter school, or nonpublic school and must be included in any staff, student, or parent handbook provided by the school district, charter school, or nonpublic school. In provisions concerning an employment history review, provides that a job applicant shall provide the name, address, telephone number, and other relevant contact information of the applicant's current employer only if the applicant has direct contact with children or students at the applicant's current employer. Provides that for a substitute employee licensed by the State Board of Education and seeking employment in more than one school district, the employment history review shall be conducted by the regional office of education or intermediate service center in which the school districts are located. Provides for when this review is required and how the review remains valid, and provides for immunity for regional offices of education and intermediate service centers.

House Floor Amendment No. 1

Replaces everything after the enacting clause. In provisions concerning sexual misconduct in schools, provides that guidelines established for certain situations and all available methods for how to report staff-student boundary violations within a school and to external agencies must be posted on the website, if any, of each school district, charter school, or nonpublic school and must be included in any staff, student, and (instead of or) parent handbook provided by the school district, charter school, or nonpublic school (instead of nonpublic, nonsectarian elementary or secondary school). In provisions concerning an employment history review, requires a job applicant to provide the name, address, telephone number, and other relevant contact information of the applicant's current employer only if the applicant has direct contact with children or students at the applicant's current employer. Provides that for a licensed substitute teacher who is seeking employment in more than one school district, a school district's regional office of education or intermediate service center may collect and share specified information and records. Provides that a regional office of education's or intermediate service center's participation in the employment history review shall be limited to collecting such information and records and sharing the information and records with the school district or school districts. Sets forth other provisions concerning a regional office of education's or intermediate service center's participation in the employment history review and how long the review remains valid. Provides that if, at any time, a school district has information or records that the school district would have immunity from liability to share as part of an employment history review, then the school district and its employees are immune from liability on specified terms if sharing such information or records with the regional office of education or intermediate service center that maintains the applicable approved substitute list. Makes corresponding changes.

New Act

Creates the Illinois Strategic Action Plan for Aging Equity Act. Provides that the purpose of the Act is to appoint a planning commission to research and develop a comprehensive, cross-sector, long-term strategic action plan for aging equity that will lead to actionable goals and measurable outcomes for the years 2024 through 2036. Establishes the Strategic Action Planning Commission for Aging Equity. Provides that the planning commission shall be made up of State agency directors and appointed elected officials or their designees as ex officio members, and a group of voting individuals from the general public. Provides that the planning commission shall examine the effects, challenges, opportunities, and needs for planning related to the shifting age demographics toward an increasing portion of the State's and localities' populations being made up of older adults. Requires the planning commission to adopt guiding principles that include, but are not limited to: (i) advancing aging equity across the life course; (ii) developing cultural humility and being culturally responsive with inclusive policies, programs, and services; and (iii) harnessing the power of experience and knowledge of older persons in communities. Requires the Governor to appoint members to the planning commission within 3 months after the effective date of the amendatory Act; and to consult with the President and Minority Leader of the Senate, the Speaker and Minority Leader of the House of Representatives, and the Director of Aging about member appointments to ensure that (1) the planning commission reflects the geographic diversity of the State; (2) the planning commission is inclusive and consists of members who reflect a diversity of age, gender, ability, race, cultural, socioeconomic, and national background; (3) the planning commission includes Illinois residents age 60 or older; and other matters. Contains provisions on the composition of the planning commission; commission meetings; the commission's authority to establish a subcommittee; the establishment of an advisory committee; duties of the planning commission; data analysis; planning commission recommendations and reporting requirements; and other matters. Amends the Community-Law Enforcement and Other First Responder Partnership for Deflection and Substance Use Disorder Treatment Act. Changes the Act name to the Community Partnership for Deflection and Substance Use Disorder Treatment Act. Modifies and adds definitions. Provides that A law enforcement agency, other first responder entity, or local government agency (rather than only a law enforcement agency or other first responder entity) may establish a deflection program in partnership with one or more licensed providers of substance use disorder treatment services and one or more community members or organizations. Provides that a deflection program may involve a pre-arrest diversion response and proactive identification of persons thought likely to have an untreated or undiagnosed mental illness. Provides that a local deflection program shall also include case management and restorative justice aspects. Provides that a deflection program may accept, receive, and disburse, in furtherance of its duties and functions, any funds, grants, and services made available by the State and its agencies, the federal government and its agencies, units of local government, and private or civic sources. Provides that activities eligible for funding under the Act include naloxone and related harm reduction supplies (rather than related supplies) necessary for carrying out overdose prevention and reversal (rather than overdose reversal) for purposes of distribution to program participants or for use by law enforcement, other first responders, or local governmental agencies and wraparound participant funds to be used to incentivize participation and meet participant needs. Provides that the Legislative Reference Bureau shall reassign the Act in the Illinois Compiled Statutes (to reflect the addition of local government agencies to the Act).

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Provides that "deflection programs" may include an officer intervention during routine activities, such as patrol or response to a service call during which a referral to treatment, to services, or to a case manager is made in lieu of arrest (rather than an officer intervention deflection response when criminal charges are present but held in abeyance pending engagement with treatment). Removes language providing that a "deflection program" may include a pre-booking diversion response initiated by law enforcement when criminal charges are possible, but the individual is diverted to case management services in lieu of charges.

105 ILCS 5/10-22.6 from Ch. 122, par. 10-22.6

Amends the School Boards Article of the School Code. In provisions regarding suspension or expulsion of pupils, provides that, when expelling a student, the board shall notify the parents of the nature of the hearing and the option of retaining legal counsel. Provides that, when the suspension period is over, the pupil may return to school. Provides that for a pupil suspended due to gross disobedience or misconduct on a school bus, a written decision about whether the student can use a school bus shall be made within 15 days of the incident. Provides that a school shall offer written demonstration of remediation efforts excluding out of school suspensions. Provides that schools shall use data to track whether significant disproportionality based on race and ethnicity is occurring both in the State and in the district with respect to the incidence, duration, and type of disciplinary removals from placement, including suspensions and expulsions. Provides that, if it is determined that significant disproportionality is occurring, the school shall provide that determination for annual review and, if appropriate, revision of the policies, practices, and procedures used in disciplinary removals to ensure that the policies, practices, and procedures comply with the district's equity requirements. Provides that notice of suspension shall also include other evidence-based alternatives to suspension. Provides that when a student is suspended for more than 4 days, "appropriate and available support services" must include an option for automatically placing the student in an e-learning program or distance learning program through written materials if (1) the removal is for more than 5 consecutive school days; or (2) the child has been subjected to a series of removals that constitute a pattern, because the series of removals total more than 10 school days in a school year, because the child's behavior is substantially similar to the child's behavior in previous incidents that resulted in the series of removals, and because of the effects of additional factors such as the length of each removal, the total amount of time the child has been removed, and the proximity of the removals to one another.

Amends the Illinois Vehicle Code. Defines "automated license plates reader" (ALPR). Establishes that an ALPR user shall not sell, share, or transfer ALPR information, except to another local law enforcement agency, a local law enforcement agency of the State, the federal government, or a state other than Illinois, and only to the extent necessary to locate a vehicle or person reasonably suspected of being involved in the commission of a crime as defined by State or federal laws. Provides that an ALPR user shall not sell, share, or transfer ALPR information to any state that has enacted laws that deny or interfere with a woman's right to choose or obtain an abortion prior to viability of the fetus, or when the abortion is necessary to protect the life or health of the woman for the purposes of investigation or enforcement of that law. Provides that an ALPR user shall only share information obtained through the use of an ALPR with the federal government or a state other than Illinois if the entity requesting the information first discloses to the State entity a criminal predicate necessitating a lawful purpose and that the criminal predicate would be a violation of the laws of the State. Provides that ALPR information shall be retained for a period of only 30 days, after which it must be destroyed, unless particularized information is the subject of a criminal investigation. Provides that ALPR information shall be held confidentially to the fullest extent permitted by law, and an ALPR user shall not sell, share, or transfer ALPR information for any commercial purpose and shall not disclose ALPR information to any entity for the purposes of public disclosure. Makes a conforming change in the Freedom of Information Act.

House Floor Amendment No. 4

Provides that any law enforcement agency that uses ALPR systems shall require other out-of-state law enforcement agencies to acknowledge that any shared ALPR images or data generated in the State will not be used in a manner that violates the provisions by executing a written declaration before obtaining that data, and if a written declaration is not executed before sharing or transfer of the data, the law enforcement agency shall not share the ALPR images or data with the out-of-state law enforcement agency. Provides that ALPR information shall be held confidentially to the fullest extent permitted by law. Makes a corresponding change in the Freedom of Information Act.

Provides that any ALPR user in this State, including any law enforcement agency of this State that uses ALPR systems, shall not share ALPR information with an out-of-state law enforcement agency without first obtaining a written declaration from the out-of-state law enforcement agency that it expressly affirms that ALPR information obtained shall not be used in a manner that violates the Act. Replaces everything after the enacting clause. Amends the Counties Code. In the provision that the county board of any county may, by ordinance, regulate or prohibit within unincorporated areas the discharge of firearms in any residential area where such discharge is likely to subject residents or passersby to the risk of injury, defines "residential area" as any area within 1,000 (rather than 300) yards of at least 3 single or multi-family residential structures. Amends the Illinois Insurance Code. Creates the Task Force on Firearm Insurance to review current and potential future insurance policy offerings for the safe and legal possession of firearms and offer policymaking recommendations related to the use of that insurance. Provides that the Department of Insurance shall provide administrative support for the Task Force. Provides that the Task Force shall be comprised of specified members. Provides that the Task Force shall elect a chairperson from its membership. Provides that appointments shall be made within 90 days after the effective date of the amendatory Act. Provides that members shall serve without compensation. Provides that the Task Force shall submit a report of findings, recommendations, and other information to the Governor and the General Assembly by December 31, 2023. Provides that the Task Force is dissolved January 1, 2025. Amends the Firearm owners Identification Card Act. Provides that no person may acquire or possess any prepackaged explosive components within the State without having in his or her possession a Firearm Owner's Identification Card previously issued in his or her name by the Illinois State Police under the provisions of the Act. Provides exemptions. Amends the Criminal Code of 2012. Creates the offense of unlawful sale or delivery of prepackaged explosive components. Defines the offense and provides penalties for violation. Amends the Firearms Restraining Order Act. Expands the definition of "petitioner" to include intimate partners. Amends the Unified Code of Corrections. Eliminates the repeal date of the statute creating the First Time Weapon Offender Program. Changes the name of the Program to the First Time Weapon Offense Program. Deletes a provision that a defendant is not eligible for the Program if he or she is 21 years of age or older. Provides that the Program shall be at least 6 (rather than 18) months and not to exceed 18 (rather than 24) months. Makes other changes to the Program. Amends the Illinois Domestic Violence Act of 1986. Provides that actions for an order of protection may be commenced in conjunction with an emergency or plenary proceeding under the Firearms Restraining Order Act provided that a petitioner and the respondent are a party to or the subject of that proceeding. Allows the court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if the order (1) was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate, except in circumstances where an order is entered in conjunction with an affidavit or the verified petition for an emergency order of protection demonstrating exigent circumstances thereby justifying an entry of an emergency order without prior notice and (2) restrains such person from abusing the petitioner (rather than harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child). Prohibits the respondent of an order of protection prohibiting firearm possession to surrender any firearms from acquiring or possessing any firearms for the duration of the order of protection. Requires the court to immediately upon the entry of the order of protection prohibiting firearm possession issue a seizure order of any firearm in the possession of the respondent. Provides that the respondent shall be ordered to immediately surrender any firearms to the appropriate law enforcement agency and prohibited from transferring firearms to another individual in lieu of surrender to law enforcement. Provides that the relevant law enforcement agency shall provide a statement of receipt of any firearm seized or surrendered with a description of any firearm seized or surrendered to the respondent and the court, and that such statement shall be prima facie evidence of compliance with an order to surrender firearms. Allows a court to prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if certain prerequisites are satisfied. Makes conforming changes in the Code of Criminal Procedure of 1963. Makes other changes. Effective July 1, 2023.

Amends the Code of Civil Procedure. Changes the notice requirements in the Eviction Article for terminating tenancy. Deletes the current requirement that a notice to terminate tenancy from year to year may be given at any time within the last 4 months preceding the last 60 days of the year. Deletes the provisions that the tenant is required to surrender possession and no notice to quit or demand of possession is necessary if the tenancy is for a certain period and the term expires by the terms of the lease. Creates requirements for notice of termination of a residential lease. For any residential tenancy of less than 6 months, the landlord shall notify the tenant in writing at least 30 days before the stated termination date of the rental agreement of the landlord's intent to terminate a periodic tenancy, not renew a fixed-term rental agreement, or increase the rental rate. Provides that, if the landlord fails to give the required written notice, the tenant may remain in the dwelling unit for up to 60 days after the date on which written notice is given to the tenant. Provides that during this occupancy, the terms and conditions of the tenancy remain the same unless rent was waived or abated in the preceding month or months as part of the original rental agreement; if so, the rental amount during this 60-day period shall be at the rate established on the last date that a full rent payment was made. Makes similar changes to a tenancy of longer duration. Provides that the changes for notice of termination of a residential lease do not apply to any existing rental agreement that expires less than 90 days after the effective date of the amendatory Act. Amends the Landlord and Tenant Act. Provides that a tenant of a residential property may not be charged a nonrefundable fee as a condition for lawfully possessing a rental property. Requires a landlord of residential property to provide electronic or wire transfer as an option to a tenant for the return of the tenant's security deposit or the portion of the security deposit to which the tenant is entitled.

Amends the Unified Code of Corrections. Eliminates provisions that a person must serve various percentages for particular offenses. Provides that the rules and regulations of the Department of Corrections shall provide that the individual in custody shall receive one day of sentence credit for each day of service in prison other than when a sentence of natural life imprisonment has been imposed. Provides that each day of sentence credit shall reduce by one day the incarcerated person's period of incarceration set by the court. Provides that within 6 months after the effective date of the amendatory Act, the Department of Corrections shall recalculate each incarcerated person's release date by crediting each person one day sentence credit for each day the incarcerated person has spent in prison on the current sentence. Provides that an incarcerated person serving a term of natural life imprisonment shall be eligible to accumulate sentence credit so that in the event that his or her sentence is reduced to something less than a sentence of natural life imprisonment, it can thereafter be credited toward his or her new sentence. Makes technical changes. Effective January 1, 2025.

Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding. Provides that in any proceeding under this provision, the prosecution shall timely disclose at least 30 days prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a police station or other place of detention by a defendant. Provides that at that time, the prosecution must disclose any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than elicited from the defendant; and (4) whether a court has found evidence of coercion in making a prior determination about whether the statement is voluntary. Provides that the question of the statement's admissibility is solely for the trial court.

## House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding for the prosecution of a homicide or Class X felony. Provides that in any proceeding under this provision, the prosecution shall timely disclose at least 30 days prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a police station or other place of detention by a defendant. Provides that at that time, the prosecution must disclose any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained and its reliability. Provides that before trial, a defendant may move to exclude a statement that is unreliable. Provides that if, in that motion, the defendant alleges that the statement is unreliable, then a hearing shall be held. Provides that the reliability of a statement is to be considered separately from the voluntariness of a statement, although the 2 issues may be considered during the same proceeding in court. Provides that nothing in this provision shall be construed to relieve the State of its burden to demonstrate voluntariness of a custodial statement by a preponderance of the evidence. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than originated with the defendant; (4) whether the defendant recanted the defendant's statement at any time and the circumstances of that recantation; (5) whether the statement was electronically recorded; and (6) any other information relevant to the reliability of the statement. Provides that the question of the statement's admissibility is solely for the trial court.

110 ILCS 947/65.100

Replaces everything after the enacting clause. Amends the Higher Education Student Assistance Act with respect to the AIM HIGH Grant Pilot Program. Removes language referring to the program as a pilot program. Requires each participating public university to indicate that grants under the program come from AIM HIGH and to use the words "AIM HIGH" in the name of any grant under the program and in any published or posted materials about the program. Provides that each public university campus shall allow qualified full-time undergraduate students to apply for a grant, but may choose to allow qualified part-time undergraduate students who are enrolling in their final semester at the public university campus to also apply. Provides that a public university in which an average of at least 49% of the students seeking a bachelor's degree or certificate received a Pell Grant over the prior 3 academic years shall match 35% (instead of 20%) of the amount of funds awarded in a given academic year with non-loan financial aid for eligible students. Provides that a public university in which an average of less than 49% of the students seeking a bachelor's degree or certificate received a Pell Grant over the prior 3 academic years shall match 70% (instead of 60%) of the amount of funds awarded in a given academic year with non-loan financial aid for eligible students. Provides that each public university campus must report to the Illinois Student Assistance Commission the total non-loan financial aid amount given by the public university campus to undergraduate students in the 2017-2018 academic year or the 2021-2022 academic year (instead of just the 2017-2018 academic year), not including the summer terms. Provides that, to be eligible to receive funds under the program, a public university campus may not decrease the total amount of non-loan financial aid it gives to undergraduate students, not including any funds received from the Commission or any funds used to match grant awards, to an amount lower than the amount reported for the 2017-2018 academic year or the 2021-2022 academic year, whichever is less (instead of just the 2017-2018 academic year), not including the summer terms. Removes the repealer provision. Effective immediately.

New Act

Creates the Freelance Worker Protection Act. Provides that freelance workers must be compensated by hiring parties for their services in a timely manner. Provides that whenever a hiring party retains the services of a freelance worker, the contract between the hiring party and the freelance worker shall be reduced to writing. Provides that no hiring party shall threaten, intimidate, discipline, harass, deny a work opportunity to, or discriminate against a freelance worker, or take any other action that penalizes a freelance worker for, or is reasonably likely to deter a freelance worker from, exercising or attempting to exercise any right guaranteed under the Act. Contains provisions concerning complaints to the Director of Labor; the powers and duties of the Director; civil actions brought by freelance workers; civil actions brought by the State; the scope of freelance worker contracts; a public awareness campaign; and surveys, information collection, and reporting requirements. Effective immediately.

House Committee Amendment No. 2

Replaces everything after the enacting clause. Creates the Freelance Worker Protection Act. Provides that, except as otherwise provided by law, a freelance worker shall be paid the contracted compensation amount no later than 30 days after the freelance worker provides the product or completes the services under the contract. Provides that once a freelance worker has commenced preparation of the product or performance of the services under the contract, a contracting entity shall not require as a condition of timely payment that the freelance worker accept less compensation than the amount of the contracted compensation. Requires written contracts for services or products provided by a freelance worker. Sets forth the information such written contracts must include. Provides that a contracting entity must retain its contract with a freelance worker for no less than 2 years and must make the contract available to the Department of Labor upon request. Requires the Department to make model contracts available on its website for use by the general public at no cost. Prohibits a contracting entity from taking any action that penalizes a freelance worker for, or is reasonably likely to deter a freelance worker from, exercising or attempting to exercise any right guaranteed under the Act. Sets for the procedure for freelance workers to file a complaint alleging a violation of the Act. Provides that complaints shall be reviewed by the Department to determine whether there is cause for the Department to initiate the process of facilitating the exchange of information between the parties. Contains provisions concerning notification and response requirements. Authorizes the Attorney General to initiate or intervene in a civil action if the Attorney General has reasonable cause to believe that any person or entity is engaged in a pattern and practice prohibited under the Act. Contains provisions concerning Attorney General investigations; civil penalties; and other enforcement matters. Provides that, subject to appropriation, the Department may conduct a public awareness campaign regarding the Act that, at a minimum, includes making information available on its website, otherwise informing contracting entities of the provisions of this Act, and establishing a means for assistance by a natural person through phone or email. Requires the Department to submit a report every 5 years to the General Assembly on freelance contracting and payment practices, the number of complaints received by the Department alleging a violation of the Act, and other matters. Requires the Department to publish each report on its website. Grants the Director rulemaking authority. Effective July 1, 2024.

House Floor Amendment No. 3

Adds reference to:

New Act

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 2 with the following changes: Provides that except as otherwise provided by law, a freelance worker shall be paid the contracted compensation amount on or before the date the compensation is due under the terms of the contract. Provides that if the contract does not specify when the hiring party must pay the contracted compensation or the mechanism by which the date will be determined, compensation shall be due no later than 30 days after the completion of the freelance worker's services under the contract. In provisions concerning contracts for products and services of freelance workers, removes a provision that requires each party to the written contract to retain a copy for a period of 2 years after the products or services are provided. Provides that the definition of "freelance worker" does not include an individual performing construction services. Defines "construction". Makes other changes. Effective July 1, 2024.

Changes the definition of "limited term REAL ID compliant identification card" to include cards that have been issued to an individual who has an approved application for asylum in the United States or has entered the United States in refugee status. Allows the Secretary of State to accept, as proof of date of birth and written signature of an applicant for a standard identification card, any passport from the applicant's country of citizenship or a consular identification document validly issued to an applicant. Prohibits the Secretary from releasing highly restricted personal information or personally identifying information or disclosing documents to any immigration agent unless it is necessary to comply with a lawful court order, judicial warrant, or subpoena for individual records that specifically requires production of such information or documents. Prohibits the Secretary from entering into or maintaining any agreement regarding the sharing of such information or documents. Provides that no temporary visitor's driver's licenses shall be issued after the effective date of the amendatory Act. Provides that every driver's license application shall state the social security number of the applicant; except if the applicant is applying for a standard driver's license and is ineligible for a social security number, then if the applicant has documentation authorizing the applicant's presence in the country, the applicant shall provide such documentation instead of a social security number. Provides that if the applicant does not have documentation authorizing the applicant's presence in the country, the applicant must submit documentation establishing that the applicant has resided in the State for a period in excess of one year and a passport validly issued to the applicant from the applicant's country of citizenship. Deletes reference to:

625 ILCS 5/6-115

In the Consular Identification Document Act: Changes the definition of "standard identification card" to require such card to be marked "Federal Limits Apply" (rather than "Not for Federal Identification"). Provides that an applicant who submits a passport as proof of date of birth and written signature for an identification card must be a person who does not have a social security number or documentation issued by the United States Department of Homeland Security authorizing the person's presence in the country. Removes changes made to a provision concerning the expiration of identification cards. Makes other changes. In the Illinois Vehicle Code: Defines "limited term REAL ID compliant driver's license" as a REAL ID compliant driver's license issued to a person who is not a permanent resident or citizen of the United States (rather than in compliance with a specified provision), or an individual who has an approved application for asylum in the United States or has entered the United States in refugee status, and marked "Limited Term" on the face of the license. Provides that if an applicant for a license or instruction permit under the Code does not have specified documentation, the applicant shall provide, among other documentation, (i) a passport validly issued to the applicant from the applicant's country of citizenship or a consular identification document validly issued to the applicant by a consulate of that country, as long as such documents are either unexpired or presented by an applicant within 2 years of its expiration date, and (ii) a social security card, if the applicant has a social security number. Removes changes made to a provision concerning the expiration of a driver's license. Makes conforming and other changes.

775 ILCS 5/2-101  
775 ILCS 5/2-102 from Ch. 68, par. 2-102  
815 ILCS 505/2BBBB new

Amends the Illinois Human Rights Act. Provides that an employer that uses predictive data analytics in its employment decisions may not consider the applicant's race or zip code when used as a proxy for race to reject an applicant in the context of recruiting, hiring, promotion, renewal of employment, selection for training or apprenticeship, discharge, discipline, tenure or terms, privileges, or conditions of employment. Provides that nothing in the Act shall be construed to prevent the use of predictive data analytics to support the inclusion of diverse candidates in making employment decisions. Amends the Consumer Fraud and Deceptive Business Practices Act. Provides that a person or entity that relies either partially or fully on predictive data analytics to determine a consumer's creditworthiness may not allow the use of information about the consumer that assigns specific risk factors to the consumer's race or zip code resulting in rejection of credit or other adverse credit-related action to a consumer. Provides that a person or entity that uses predictive data analytics to determine the creditworthiness of more than 50 consumers in a calendar year who are State residents shall devise procedures to ensure that it does not consider information that assigns specific risk factors to a consumer's race or zip code when rejecting or taking other adverse action on a consumer's application for credit. Provides that a person or entity that violates the provisions commits an unlawful practice within the meaning of the Act.

House Committee Amendment No. 1

Makes changes in the definition of "predictive data analytics". Provides that an employer that uses predictive data analytics in its employment decisions may not consider the applicant's biographical information, such as race or zip code, (rather than may not consider the applicant's race or zip code) to reject an applicant in specified contexts.

House Floor Amendment No. 3

Provides that the definition of "predictive data analytics" means the use of automated machine learning algorithms for the purpose of statistically predicting outcomes (rather than statistically analyzing a person's behavior). Provides that nothing in the Act shall be construed to prevent the use of predictive data analytics to support an inclusive and diverse workforce (rather than support the inclusion of diverse candidates in making employment decisions). Makes other changes.

House Floor Amendment No. 2

Adds reference to:

210 ILCS 115/21.5 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions regarding operating a mobile home park without a current license, provides that a late fee of \$50.00 for the first month shall be imposed for noncompliance and \$100.00 per day thereafter (rather than a fine of \$10 per day per site). Modifies the requirements necessary for application for a new license after a mobile home park is sold. Provides that approval of an application for relicensure after a license has been voided, suspended, denied, or revoked shall be issued if an inspection of the park by the Department indicates substantial compliance (rather than compliance) with the Act and the rules adopted under the Act, including payment of all delinquent reinspection fees (rather than reinspection fees). Modifies the requirements of an annual inspection of each mobile home park. Modifies the annual license fee that a licensee must pay. Requires, beginning in 2026, the Department of Public Health to prepare an annual report that must contain, at a minimum, specified information relating to mobile home parks. Makes other changes.

Amends the Courses of Study Article of the School Code. Instead of requiring consumer education to be taught and studied, provides that beginning with pupils entering the 9th grade in the 2024-2025 school year, pupils in the public schools in grade 11 or 12 shall be taught and be required to complete a stand-alone, one-semester or equivalent course covering personal finance, which shall include, but is not limited to, instruction covering behavioral economics; banking and bill payment; investing; types of credit; managing credit; including credit scores; paying for college; insurance; taxes; budgeting; consumer skills; retirement planning, including tax-advantaged retirement plans; home ownership and financing; and personal transportation, including car ownership and leasing. Provides that the State Board of Education shall devise or approve the personal finance education standards for the course. Provides that the school board shall oversee implementation of the personal finance course for each high school student prior to graduation. Specifies the oversight duties of the school board. In provisions regarding required high school courses, provides that the personal finance education course may be counted toward the fulfillment of other graduation requirements. Makes other changes.

House Floor Amendment No. 2

Provides that the personal finance course requirement begins with pupils entering the 9th grade in the 2027-2028 (rather than 2024-2025) school year. Provides that the State Board of Education (instead of the school board) shall develop implementation guidelines and timelines to assist schools in implementing the personal finance course and determine what may be counted as a graduation requirement for this course.

Senate Committee Amendment No. 1

Deletes reference to:

105 ILCS 5/27-22 from Ch. 122, par. 27-22

Replaces everything after the enacting clause. Amends the School Code. Provides that pupils in the public schools in grades 9 through 12 shall be taught and be required to study courses which include instruction in the area of financial literacy and consumer education in alignment with the Illinois Social Science Learning Standards for Economics and Financial Literacy or other relevant career and technical education learning standards, as appropriate (rather than courses which include instruction in the area of consumer education). Sets forth specified requirements for the instruction. Provides that that the State Board of Education shall determine, subject to appropriation, how to prepare and make available instructional resources and professional learning opportunities for educators that may be used for the purpose of meeting the requirements (rather than devise or approve the consumer education curriculum for grades 9 through 12 and specify the minimum amount of instruction).

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Further amends the Emergency Telephone System Act. Adds a definition of "first responder" and modifies the definition of "grade of service". Provides that within 36 (rather than 18) months of the awarding of a contract to a certified vendor to provide Next Generation 9-1-1 service, a 9-1-1 system in Illinois shall provide Next Generation 9-1-1 service, except that a municipality with a population over 500,000 shall provide Next Generation 9-1-1 service by July 1, 2024 (rather than December 31, 2023). Provides that every 9-1-1 system shall be able to accept text to 9-1-1 no later than July 1, 2024 (rather than January 1, 2023). Changes the date on which each aggregator that is operating within the State must submit (rather than email) to the Office of the Statewide 9-1-1 Administrator information that supports the implementation of and the migration to the Statewide NG9-1-1 system and provides that the Illinois State Police shall make available the form to submit the information. Makes changes relating to call handling and aid outside jurisdictional boundaries agreements. Prohibits calling or texting 9-1-1 or causing a transmission, in any manner, to a public safety agency or public safety answering point (rather than placing an emergency call to 9-1-1 for the purpose of making or transmitting a false alarm or complaint and reporting information) when, at the time the call, text, or transmission is made, the person knows there is no reasonable ground for making the call, text, or transmission (removing a requirement that the person further knows that the call or transmission could result in the emergency response of any public safety agency), and makes conforming changes to the elements of disorderly conduct in the Criminal Code of 2012. Provides that the Emergency Telephone System Board shall complete and maintain a Next Generation 9-1-1 GIS database in accordance with NENA Standards before implementation of the NG9-1-1 system. Provides that the MSAG and GIS data standardizing and synchronization must reach a 98% or greater match rate, with an option of matching with ALI, before using GIS data for NG9-1-1 (rather than complete a Master Street Address Guide database before implementation of the 9-1-1 system and that the error ratio of the database shall not at any time exceed 1% of the total database). Makes changes relating to consolidation grants. Allows the cost of upgrading the Illinois State Police's call-handling equipment to meet the standards necessary to access and increase interoperability with the statewide Next Generation 9-1-1 network to be included in the Illinois State Police's administrative costs, and includes requirements relating to those upgrades. Provides that surcharge revenues received under the Act shall be made consistent with specified federal law, including specified examples (rather than may be made by municipalities, counties, and 9-1-1 Authorities only to pay for the costs associated with specified requirements). Provides that the Illinois State Police shall create uniform accounting procedures that any emergency telephone system board (rather than board or unit of local government) receiving surcharge money must follow. Provides that the Illinois State Police shall post annual financial reports (rather than the audited financial statements) on the Illinois State Police's website. Repeals provisions relating to copies of the annual certified notification of continuing agreement to be filed with the Attorney General and the statewide 9-1-1 Administrator, call boxes, and the Wireless Carrier Reimbursement Fund. Removes references to the Wireless Carrier Reimbursement Fund in the Act and the State Finance Act. Certain changes are effective immediately.

## Senate Floor Amendment No. 2

In the Emergency Telephone System Act and the Criminal Code of 2012, restores provisions requiring a prohibited call or text to 9-1-1 or other transmission to a public safety agency to be made for the purpose of making or transmitting a false alarm or complaint and reporting information, and restores in those same provisions a requirement that the individual further knows that the call, text, or transmission (adding text) could result in the emergency response of any public safety agency. In the Emergency Telephone System Act, makes stylistic changes to provisions relating to how specified surplus moneys may be used.

105 ILCS 125/2.3 new

Amends the School Breakfast and Lunch Program Act. Provides that, subject to appropriation, for State Fiscal Year 2024 only and in addition to other amounts provided for school breakfast and lunch programs, the State Board of Education shall provide supplemental nutrition aid to participants in the national school breakfast and lunch programs. Provides that a participant's supplemental nutrition aid shall equal the participant's State Fiscal Year 2023 actual expenditures for providing school breakfast and lunch programs, minus the participant's State Fiscal Year 2023 State reimbursement, minus the participant's State Fiscal Year 2023 federal contribution. Repeals these provisions on January 1, 2026. Effective immediately.

House Floor Amendment No. 1

Adds reference to:

105 ILCS 125/2 from Ch. 122, par. 712.2

Replaces everything after the enacting clause. Amends the School Breakfast and Lunch Program Act. In provisions concerning reimbursement of sponsors, provides that the State Board of Education shall reimburse not less than \$0.15 or the actual cost, whichever is less, to non-profit welfare centers for each free breakfast and lunch. Provides that the State Board of Education shall establish the Healthy School Meals for All Program to begin on July 1, 2023. Provides that each school board of a school district or governing body of a nonpublic school that chooses to participate in the Healthy School Meals for All Program shall offer eligible meals, without charge, to all students enrolled in schools that participate in the National School Breakfast Program and National School Lunch Program. Sets forth provisions regarding eligibility for the Healthy School Meals for All Program, program requirements, reimbursement (subject to appropriation), federal and other funding, State Board support and technical assistance, and the federal Local Food for Schools Cooperative Agreement Program. Provides that if the United States Department of Agriculture creates the option for the State, as a whole, to participate in the Community Eligibility Provision, then the State Board of Education shall evaluate whether that option is anticipated to require less State funding than the Healthy School Meals for All Program and provide at least as many free meals to students. Sets forth requirements concerning that option. Effective immediately.

Senate Committee Amendment No. 1

Provides that the requirement that the State Board of Education establish the Healthy School Meals for All Program is subject to appropriation (instead of the requirement that a participating school board receive reimbursement is subject to appropriation).

Amends the Employment of Teachers Article of the School Code. Provides that in fixing the salaries of employees, a school board or the governing board of a joint agreement shall pay to employees an hourly rate of not less than (i) \$20 for the 2024-2025 school year, (ii) \$21 for the 2025-2026 school year, and (iii) \$22 for the 2026-2027 school year. Provides that "employee" means any employee of a school district or joint agreement who provides educational support services to the district or joint agreement, including, but not limited to, custodial employees, transportation employees, food service providers, classroom assistants, administrative staff, or paraprofessional educators. Provides that an employee's salary shall include any amount paid by the school district or joint agreement on behalf of the employee, as employee contributions, to the Illinois Municipal Retirement Fund. Effective immediately.

State Debt Impact Note (Government Forecasting & Accountability)

HB 2784 would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

**Representative Sue Scherer**  
**HB 02784 (CONTINUED)**

The positions impacted by HB 2784 - custodians, bus drivers, cafeteria workers, etc., do not require teacher licensure, and thus are covered under IMRF. IMRF says they do not know what the fiscal impact of the bill will be inasmuch as they cannot say how many people earn less than the prescribed minimum salary rates set forth in this bill. There will be a fiscal impact to an IMRF employer to the extent that any salary increases that come about as a result of this bill impact a covered individual's pensionable earnings.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 2784, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (IL State Board of Education)

HB 2784 increases the costs to school districts; however, that amount is not known. The State Board of Education recommends the sponsors consult with IMRF and TRS regarding fiscal impact to the State.

Provides that the sponsor of each bill for which a request has been made shall present a copy of the bill with the request for a local school district mandate note to the State Board of Education. Provides that the State Board of Education shall prepare and submit the note to the sponsor of the bill within 5 calendar days, except as specified. Provides that the State Board of Education shall develop and maintain a website to accept submissions from local school districts. Provides that the note submitted to the sponsor of the bill shall only include the submissions from local school districts. Sets forth provisions concerning membership, compensation, administrative support, and meetings. Provides that the Task Force shall submit its final report, including model language that may be used as legislation, to the General Assembly and the State Board of Education on or before November 15, 2024 and, upon the filing of its final report, the Task Force is dissolved. Supports home-visiting and Early Intervention programs as an essential component of our State's multifaceted approach to the opioid crisis, helping remediate many of its corrosive impacts on young children, their parents, and families, while also assisting efforts at preventing children from future struggles with substance use disorders of their own. Affirms these vital birth-to-3 services are a top priority for increased public resources, to strengthen their quality and extend their reach to more of the children, parents, and families who could benefit from them, particularly in communities of greatest need and those hit hardest by the opioid epidemic. Affirms home-visiting and Early Intervention services are an appropriate and necessary use for some of the hundreds of millions of funding coming to Illinois from the settlement of lawsuits against opioid makers and distributors, initiatives that can help meet the settlements' stated aims of boosting opioid remediation, treatment, and prevention.

Amends the Code of Civil Procedure. Provides that any person criminally prosecuted and incarcerated for 30 days or longer prior to trial for one or more felonies by the State which he or she did not commit may file a petition for a certificate of innocence. Provides that the petitioner must prove that: the petitioner was incarcerated prior to trial in a prosecution that resulted in an acquittal or dismissal; the prosecution did not result in a conviction of a lesser included offense; the petitioner is innocent of the charges on which the petitioner's pretrial detention was based, or the charges did not constitute a felony or misdemeanor; and the petitioner did not by his or her own conduct voluntarily cause or bring about the charges that resulted in his or her pretrial incarceration. Amends the Court of Claims Act. Provides that a person who has been issued a certificate of innocence may file a claim against the State for time unjustly served in pretrial incarceration in a county jail. Provides that the Court of Claims shall award \$50,000 per year during which the person was wrongfully imprisoned and shall prorate that amount for a fraction of a year that the person was wrongfully imprisoned (rather than "the amount of the award is at the discretion of the court; and provided, the court shall make no award in excess of the following amounts: for imprisonment of 5 years or less, not more than \$85,350; for imprisonment of 14 years or less but over 5 years, not more than \$170,000; for imprisonment of over 14 years, not more than \$199,150"). Provides that the court shall include the number of years the person was imprisoned awaiting trial in its determination and an additional \$25,000 for each year served on parole, probation, or registered as a sex offender after imprisonment. Makes corresponding changes. Effective immediately.

House Committee Amendment No. 2

Replaces everything after the enacting clause. Amends the Court of Claims Act. Provides that the court shall have exclusive jurisdiction to hear and determine all claims against the State for time unjustly served in a county jail, on parole, on intensive supervision probation, or on the sex offender registry, when the unjustly convicted person received a pardon from the Governor stating that such pardon is issued on the ground of innocence of the crime for which he or she was convicted or he or she received a certificate of innocence from the Circuit Court. Removes language providing that: the amount of an award for unjustly served prison sentences is at the discretion of the court; the court shall make no award in excess of specified amounts for specified terms of imprisonment; and the court shall fix attorney's fees not to exceed 25% of the award granted. Requires the court to make an award of \$50,000 per year, and prorated for any partial year, during which the person was wrongfully incarcerated in a State correctional institution or in a county jail, including the time the person was incarcerated awaiting trial, and \$25,000 for each year, and prorated for any partial year, during which the person was wrongfully on parole, wrongfully on intensive supervision probation, or was wrongfully required to register as a sex offender, as well as an award of reasonable attorney's fees, costs, and expenses in the amount determined by the Circuit Court after awarding a certificate of innocence. Makes other and conforming changes. Amends the Code of Civil Procedure. Allows any person who is convicted or adjudicated a delinquent and subsequently serves any part of a sentence of incarceration in a State correctional institution or in a county jail, of parole, of intensive supervision probation, or of registration as a sex offender for one or more felonies which he or she did not commit to file a petition for certificate of innocence. Requires the petition to state facts in sufficient detail to permit the court to find that the petitioner is likely to succeed at trial in proving that the petitioner is innocent of the alleged offenses for which he or she was convicted or adjudicated a delinquent, and the petitioner did not by his or her own conduct voluntarily cause or bring about his or her conviction or juvenile delinquency adjudication. Provides that neither a guilty plea nor a confession constitutes conduct causing or bringing about one's conviction or delinquency adjudication. Requires, if the court finds that the petitioner is entitled to a judgment, the court to make a determination of the reasonable attorney's fees, costs, and expenses incurred in connection with obtaining the certificate of innocence. Provides that any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal on such petition that occurred before the effective date of the amendatory Act, including a petitioner whose petition was denied solely on the basis that this Section did not formerly apply to juvenile delinquency adjudications, shall file his or her petition within 4 years after the effective date of the amendatory Act. Provides that any person seeking a certificate of innocence based on the dismissal of a juvenile delinquency petition or an acquittal on such petition that occurred on or after the effective date of the amendatory Act shall file his or her petition within 2 years after the dismissal or acquittal. Makes other and conforming changes. Effective immediately.

Requires the Department to report its findings to the General Assembly on a quarterly basis beginning in calendar year 2024. Provides that a SNAP recipient's personally identifiable information shall be excluded from the reports consistent with State and federal privacy protections; and that each quarterly report shall be posted on the Department's official website. Provides that if the Department determines that a SNAP recipient has made a substantiated report of stolen benefits due to card skimming, card cloning, or some other similar fraudulent method, the Department shall refer the matter to the Attorney General and shall provide any assistance to the Attorney General in the prosecution of the alleged theft or fraud.

Permits the Department to adopt any rules necessary to implement these requirements, including rules on how to accept and substantiate recipient claims for stolen benefits. Provides that, where possible, the rules for accepting and substantiating claims shall be consistent with the State Plan for SNAP replacement submitted in accordance with the Consolidated Appropriations Act of 2023, Public Law 117-328. Requires the Department to track and collect data on the scope and frequency of SNAP benefits fraud in this State. Requires the Department to report its findings to the General Assembly on an annual basis beginning on January 1, 2024. Creates the Civil Liability for Doxing Act. Provides that an individual engages in the act of doxing when that individual intentionally publishes another person's personally identifiable information without the consent of the person whose information is published and: (1) the information is published with the intent that it be used to harm or harass the person whose information is published and with knowledge or reckless disregard that the person whose information is published would be reasonably likely to suffer death, bodily injury, or stalking; and (2) the publishing of the information: (i) causes the person whose information is published to suffer significant economic injury or mental anguish or to fear serious bodily injury or death of the person or a family or household member to the person; or (ii) causes the person whose information is published to suffer a substantial life disruption. Allows a person who is aggrieved by a violation of the Act to bring a civil action against the individual who committed the offense to recover damages and obtain any other appropriate relief. Provides that, one year after the effective date of the amendatory Act, the Administrative Office of the Illinois Courts shall report to the General Assembly: (1) the number of judgments, orders, agreements, or other legally enforceable encumbrances vacated pursuant to this provision in each judicial district; and (2) the total balances of fees, fines, and administrative costs vacated in each judicial district. 725 ILCS 5/103-2.1

Amends the Juvenile Court Act of 1987. Deletes provision that if, during the course of an electronically recorded custodial interrogation of a minor who, at the time of the commission of the offense was under the age of 18 years, the minor makes a statement that creates a reasonable suspicion to believe the minor has committed an act that if committed by an adult would be an offense other than an offense required to be recorded, the interrogators may, without the minor's consent, continue to record the interrogation as it relates to the other offense notwithstanding any provision of law to the contrary. Deletes provision that any oral, written, or sign language statement of a minor made as a result of an interrogation under this provision shall be presumed to be inadmissible as evidence against the minor in any criminal proceeding or juvenile court proceeding, unless the recording is substantially accurate and not intentionally altered. Amends the Code of Criminal Procedure of 1963. Provides that an oral, written, or sign language statement of an accused made as a result of a custodial interrogation conducted at a police station or other place of detention shall be presumed to be inadmissible as evidence against the accused in any felony (rather than homicide) criminal proceeding unless: (1) an electronic recording is made of the custodial interrogation; and (2) the recording is substantially accurate and not intentionally altered. Amends the Code of Criminal Procedure of 1963. Provides that evidence of a defendant's creative or artistic expression, whether original or derivative, may not be received into evidence against that defendant in a criminal proceeding unless the evidence is determined by the court to be relevant and admissible, after an offer of proof by the proponent of the evidence outside the hearing of the jury, or the hearing as the court may require, and an on-the-record statement by the court of the findings of fact essential to its determination. Provides that in order to overcome the presumption of inadmissibility of evidence of defendant's creative or artistic expression, the proffering party must affirmatively prove by clear and convincing evidence: (1) literal, rather than figurative or fictional, meaning and, where the work is derivative, that the defendant intended to adopt the literal meaning of the work as the defendant's own thought or statement; (2) a strong factual nexus indicating that the creative or artistic expression refers to the specific facts of the crime alleged; (3) relevance to an issue of fact that is disputed; and (4) distinct probative value not provided by other admissible evidence. Provides that if the court admits creative or artistic expression as criminal evidence, the court has a duty to apply careful redactions, provide limiting instructions, and consider the least prejudicial means of presenting the creative or artistic expression to the fact finder.

Amends the Community-Law Enforcement and Other First Responder Partnership for Deflection and Substance Use Disorder Treatment Act. Changes the Act name to the Community Partnership for Deflection and Substance Use Disorder Treatment Act. Modifies and adds definitions. Provides that A law enforcement agency, other first responder entity, or local government agency (rather than only a law enforcement agency or other first responder entity) may establish a deflection program in partnership with one or more licensed providers of substance use disorder treatment services and one or more community members or organizations. Provides that a deflection program may involve a pre-arrest diversion response and proactive identification of persons thought likely to have an untreated or undiagnosed mental illness. Provides that a local deflection program shall also include case management and restorative justice aspects. Provides that a deflection program may accept, receive, and disburse, in furtherance of its duties and functions, any funds, grants, and services made available by the State and its agencies, the federal government and its agencies, units of local government, and private or civic sources. Provides that activities eligible for funding under the Act include naloxone and related harm reduction supplies (rather than related supplies) necessary for carrying out overdose prevention and reversal (rather than overdose reversal) for purposes of distribution to program participants or for use by law enforcement, other first responders, or local governmental agencies and wraparound participant funds to be used to incentivize participation and meet participant needs. Provides that the Legislative Reference Bureau shall reassign the Act in the Illinois Compiled Statutes (to reflect the addition of local government agencies to the Act).

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Provides that "deflection programs" may include an officer intervention during routine activities, such as patrol or response to a service call during which a referral to treatment, to services, or to a case manager is made in lieu of arrest (rather than an officer intervention deflection response when criminal charges are present but held in abeyance pending engagement with treatment). Removes language providing that a "deflection program" may include a pre-booking diversion response initiated by law enforcement when criminal charges are possible, but the individual is diverted to case management services in lieu of charges.

Amends the Unified Code of Corrections. Provides that a prisoner who is serving a sentence for first degree murder, other than serving a term of natural life imprisonment, shall receive no more than 4.5 days of sentence credit for each month of his or her sentence of imprisonment (rather than serve the entire sentence imposed by the court). Changes certain sentence credits for a prisoner from no more than 4.5 to no more than 7.5 days of sentence credit for each month of his or her sentence of imprisonment. Provides that the Director of Corrections or the Director of Juvenile Justice may award earned sentence credits if the credits do not reduce the sentence by a specified amount (rather than award up to 180 days of earned sentence credit for prisoners serving a sentence or incarcerating of less than 5 years, and up to 365 days of earned sentence credit for prisoners serving a sentence of 5 years or longer). Provides that the Department of Corrections or the Department of Juvenile Justice shall award sentence credit accumulated prior to the effective date of the amendatory Act in an amount specified to an inmate serving a sentence for an offense committed on or after June 19, 1998, if the Department determines that the inmate is entitled to this sentence credit based upon specified documentation.

Amends the Freedom of Information Act. Specifies that, as used in the Act, "commercial purpose" includes the use of public records (or information contained in public records) for solicitation of individuals to join an organization. Authorizes a public body to extend the time for responding to a request for a public record by 7 business days (rather than 5 business days) in specified circumstances. Provides that, in the case of a request for a commercial purpose, a public body shall (rather than may) require the person to pay the estimated copy fee in full before copying the requested documents. Changes the way that a public body may respond to requests by recurrent requesters. Provides that, in the case of a voluminous request, a requester shall pay the entire fee before releasing the requested public record. Allows a public body after the first 2 hours (rather than the first 8 hours) to charge up to \$10 for each hour spent by personnel in searching for and retrieving a requested record or examining the record for necessary redactions. Removes a limitation on the imposition of this \$10 per hour fee. Exempts from disclosure under the Act communications that do not pertain to the transaction of public business that are sent to or received by an individual's personal electronic device, such as text messages, voice messages, and emails.

Amends the Juvenile Court Act of 1987. Changes all references in the General Provisions Article and the Abused, Neglected or Dependent Minors Article of the Act from "reasonable efforts" to "active efforts" in cases that involve reunification by the Department of Children and Family Services. Defines "active efforts" as efforts that are affirmative, active, thorough, timely and intended to maintain or reunite a child with the child's family and represent a higher standard of conduct than reasonable efforts. In the court review provisions, provides that if the court makes findings that the Department of Children and Family Services has failed to make active efforts to provide services as provided in the service plan, the court's order shall specify each party that failure applies to and the applicable time period. Amends the Adoption Act. Provides that a person shall not be considered an unfit person for the sole reason that the Department of Children and Family Services or its assign has been found to have not made active efforts as defined in the Juvenile Court Act of 1987 during any period during the pendency of the case at hand. Provides that a parent shall not be found unfit for failure to make reasonable efforts or reasonable progress for any 9-month period during which a court, hearing a case under the Abused, Neglected or Dependent Minors Article of the Juvenile Court Act of 1987, found that the Department failed to make active efforts, as defined in the Juvenile Court Act of 1987 with respect to that parent. Provides that this provision applies to findings of failure to make active efforts made on or after the effective date of the amendatory Act.

Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding. Provides that in any proceeding under this provision, the prosecution shall timely disclose at least 30 days prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a police station or other place of detention by a defendant. Provides that at that time, the prosecution must disclose any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than elicited from the defendant; and (4) whether a court has found evidence of coercion in making a prior determination about whether the statement is voluntary. Provides that the question of the statement's admissibility is solely for the trial court.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding for the prosecution of a homicide or Class X felony. Provides that in any proceeding under this provision, the prosecution shall timely disclose at least 30 days prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a police station or other place of detention by a defendant. Provides that at that time, the prosecution must disclose any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained and its reliability. Provides that before trial, a defendant may move to exclude a statement that is unreliable. Provides that if, in that motion, the defendant alleges that the statement is unreliable, then a hearing shall be held. Provides that the reliability of a statement is to be considered separately from the voluntariness of a statement, although the 2 issues may be considered during the same proceeding in court. Provides that nothing in this provision shall be construed to relieve the State of its burden to demonstrate voluntariness of a custodial statement by a preponderance of the evidence. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than originated with the defendant; (4) whether the defendant recanted the defendant's statement at any time and the circumstances of that recantation; (5) whether the statement was electronically recorded; and (6) any other information relevant to the reliability of the statement. Provides that the question of the statement's admissibility is solely for the trial court.

Replaces everything after the enacting clause. Amends the Reimagining Hotel Florence Act. In a provision regarding legislative intent, notes that the Hotel Florence sits within the Pullman National Historic Landmark District (rather than next to). Notes that the Pullman National Historic Landmark District's redesignation allows the federal National Park Service to enter into agreements for programs at nonfederal historic properties, including the Pullman State Historic Site, composed of the Hotel Florence, Hotel Florence Annex, Factory Grounds, Rear Erecting Shops, Front Erecting Shop North Factory Wing, and Front Erecting Shop South Factory Wing Ruin (rather than only the Hotel Florence). In a provision regarding authority to enter into a public-private agreement, provides that the Department of Natural Resources may, pursuant to a competitive solicitation process governed by this Act (rather than pursuant to a request for proposals process governed by the Illinois Procurement Code, rules adopted under that Code, and this Act), enter into a public-private agreement to develop, finance, construct, lease, manage, divest ownership in, and operate the Hotel Florence and the Pullman Factory on behalf of the State (rather than to develop, finance, construct, lease, manage, or operate the Hotel Florence on behalf of the State). Provides that the Department may enter into agreements with governmental entities and other outside entities to assist in drafting the solicitation and evaluation process as well as develop evaluation criteria for the prequalification of offerors. In a provision regarding the competitive request for solicitations process, provides that criteria includes the offeror's plans for the Hotel Florence project, including, but not limited to, building use, experience, environmental concerns, and a proposed preservation and rehabilitation plan compliant with the Illinois State Agency Historic Preservation Act (rather than the offeror's plans for the Hotel Florence project). Provides that criteria in the competitive request for solicitations process also include the offeror's plans for the Pullman Factory. Provides that the public-private agreement shall include a provision that this project will require using guidelines from the Secretary of the Interior's Standards for the Treatment of Historic Properties with Guidelines for Preserving, Rehabilitating, Restoring, and Reconstructing Historic Buildings, and that the period of the original construction should be used to guide the project design and construction. Removes provisions regarding time limitations for a request for proposals from the effective date of the Reimagining Hotel Florence Act. Provides that the public-private agreement shall also include a requirement that the contract complies with the Business Enterprise for Minorities, Women, and Persons with Disabilities Act and Section 2-105 of the Illinois Human Rights Act, as well as all other terms, conditions, and provisions the Department deems necessary and proper. Adds a definition of Pullman Factory. Makes technical and conforming changes.

Senate Floor Amendment No. 3

In provisions concerning former coal mine employees, deletes references to the term "union hall". Corrects an erroneous cross-reference. Specifies that a contract entered into by a public agency for the licensing of software applications designed to run on generally available desktop or server hardware may not limit the public agency's ability to install or run the software on any of the public agency's hardware (rather than on the hardware of the public agency's choosing).

Governor Amendatory Veto Message

Recommends deleting from the Public-Private Partnerships for Transportation Act language that added counties, municipalities, and other units of local government to the Act's definition of "responsible public entity".

415 ILCS 5/42 from Ch. 111 1/2, par. 1042

Amends the Environmental Protection Act. To the extent allowed under federal law, caps the civil penalties that can be levied against a municipality for NPDES-related violations of the Act at \$50,000. Provides that, if the Agency brings an enforcement action under the Act against a municipality for an NPDES-related violation, then it is the affirmative obligation of the Environmental Protection Agency (i) to provide the municipality with all technical assistance requested by the municipality and necessary to resolve the environmental condition that is responsible for the violation and (ii) to make available to the municipality financial assistance that the Agency is authorized under State or federal law to supply to the municipality to resolve that condition. Requires the Agency, before seeking civil penalties against a municipality under the Act or before taking any other legal action against a municipality under this Act, to hold a public hearing within the municipality to explain the rationale for the enforcement action. Requires public notice of the meeting to be published by the Agency in a newspaper of general circulation in the affected municipality.

New Act

20 ILCS 3930/7 from Ch. 38, par. 210-7

Creates the Homicide Victims' Families' Rights Act. Provides for the review of the case file of open unresolved murders. Defines "open unresolved murder" as any criminal activity in which death occurred more than 3 years prior to the date of the application for review of the case file under the Act, for which all probative investigative leads have been exhausted, and for which no likely perpetrator has been identified. Provides that the person or persons performing the review shall not have previously investigated the murder. Provides that only one case review shall be undertaken at any one time with respect to the same murder victim. Provides that each law enforcement agency shall develop a written application to be used for persons to request a case file review. Provides that the applicable agency shall conduct a full reinvestigation of the murder if the review of the case file concludes that a full reinvestigation of the murder would result in probative investigative leads. Provides for the compilation and publication of specified information and statistics regarding open unresolved murders by the Illinois Criminal Justice Information Authority. Provides that each law enforcement agency shall employ or designate a minimum number of family liaison officers proportionate to the average number of homicides in the agency's jurisdiction within the previous 5 years of the date of employment with the maximum ratio of 40 homicides per each family liaison officer employed. Each agency may establish a lower ratio for hiring of family liaison officers. Establishes the duties and training for family liaison officers. Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Removes the statement of purpose. Removes the changes made to the Equity and Representation in Health Care Act, the Birth Center Licensing Act, and the Licensed Certified Professional Midwife Practice Act. In the Medical Patient Rights Act: Removes language providing that every woman has the right to receive care for her and her infant that is consistent with WHO recommendations on newborn health. Provides instead that every patient has the right to receive care for the patient and the patient's newborn that is consistent with all clinical consensus documents, committee statements, committee opinions, and obstetric care consensus documents published or reaffirmed by the American College of Obstetricians and Gynecologists on or after January 1, 2019. Removes language providing that every woman has the right to choose a certified nurse midwife, licensed certified professional midwife, or physician as her maternity care professional. Provides instead that every patient has the right to choose a maternity care provider from the full range of providers available in the patient's community. In a provision regarding the disclosure of medical information, removes language providing that: a health care provider shall not disclose any private information regarding a patient's reproductive health care to any out-of-state law enforcement person or entity unless disclosure of the information has been authorized pursuant to a State or federal court order; the rights described under the provision are granted to any person who is capable of becoming pregnant and who seeks reproductive health care within the borders of Illinois; and any person who knowingly or willfully violates any provision is guilty of a Class A misdemeanor for a first violation and a Class 4 felony for a second or subsequent violation. In the Juvenile Court Act of 1987: Restores language providing that proof that a parent, custodian, or guardian of a minor repeatedly used a controlled substance in the presence of the minor or a sibling of the minor is prima facie evidence of neglect.

House Committee Amendment No. 3

In the Medical Patient Rights Act: Provides that each patient has the right to: leave the patient's maternity care professional and select another if the patient becomes dissatisfied with the quality of the care provided (rather than becomes dissatisfied with the patient's care or the care of the patient's newborn); receive information about the names of those health care professionals involved in the patient's care and the care of the patient's newborn; the right to refuse (rather than accept or refuse) any treatment; and the right to decide, in consultation with the patient's caregivers (rather than collaboratively with caregivers), when the patient and the patient's newborn will leave the birth site for home.

410 ILCS 620/3.15

from Ch. 56 1/2, par. 503.15

Amends the Illinois Food, Drug and Cosmetic Act. In provisions allowing the filling or refilling of personal containers with bulk food, refers to restaurants and retailers (rather than just retailers). Allows restaurants and retailers to fill or refill a consumer-owned container with ready-made food. Allows clean consumer-owned containers provided or returned to a restaurant or retailer for filling or refilling to be filled or refilled and returned to the same consumer if the consumer-owned container is filled or refilled by either an employee of the restaurant or retailer or the owner of the consumer-owned container. Requires filled or refilled consumer-owned containers to be designed and constructed for reuse in accordance with specified federal requirements. Contains requirements for restaurants and retailers. Directs the Department of Public Health to produce materials for restaurants and retailers on or before January 1, 2024 indicating that consumer-owned containers are not prohibited for use under Illinois law and specifying best practices for food safety requirements for consumer-owned containers. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Provides that self-service by consumers is not prohibited if the take-home containers are maintained clean, sanitary, free from debris, smooth, durable, and easy-to-clean, and are not capable of causing, through cleanliness or design, conditions that may cause or spread disease (rather than cleaned, stored, and dispensed in a sanitary manner). Provides that a restaurant or retailer may fill or refill a consumer-owned container with ready-to-eat or dry bulk foods (rather than ready-made food). Provides that the local (rather than county) health departments and municipalities shall not prohibit specified actions by a retailer or restaurant. Removes language providing that the Department of Public Health shall produce materials for restaurants and retailers in print format. Allows the Department of Public Health to adopt administrative rules necessary to implement, interpret, and administer the provisions. Effective immediately.

Senate Committee Amendment No. 1

Provides that except as provided under specified provisions, county health departments and municipalities may regulate but shall not prohibit (rather than shall not prohibit) the ability of a retailer to allow a consumer to fill or refill a consumer-owned personal container with bulk food if the dispensers used prevent the direct handling of the bulk food or the ability of a restaurant or retailer to fill or refill a consumer-owned container with ready-to-eat or dry bulk foods.

Amends the Massage Licensing Act. Provides that for the initial renewal of the massage license which requires continuing education, as prescribed by rule, one hour of the continuing education shall include domestic violence and sexual assault awareness education as prescribed by rule of the Department of Financial and Professional Regulation. Provides for every subsequent renewal of a license, one hour of the continuing education may include domestic violence and sexual assault awareness education as prescribed by rule of the Department. Provides that the one-hour domestic violence and sexual assault awareness continuing education course shall be provided by a continuing education provider approved by the Department. Provides that the Department may prescribe rules regarding the requirements for domestic violence and sexual assault awareness continuing education courses and teachers.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Provides the Department of Financial and Professional Regulation shall adopt rules for continuing education for persons licensed under the Act that require a completion of 25 hours (rather than 24 hours) of approved continuing education per license renewal period. Provides that for each license renewal period, one hour of continuing education shall be domestic violence and sexual assault awareness education as prescribed by rule of the Department (rather the one hour of continuing education in domestic violence and sexual assault awareness education being required for the initial renewal and permissive for subsequent renewals).

Amends the Illinois Library System Act. Provides that it is the policy of the State to encourage the improvement of free public libraries and to encourage cooperation among all types of libraries in promoting the sharing of library resources, including digital resources, and to encourage and protect the freedom of public libraries and library systems to acquire materials without external limitation and to be protected against attempts to ban, remove, or otherwise restrict access to books or other materials. Provides that the State Librarian shall prescribe rules concerning the development of a written policy declaring the inherent authority of the public library or library system to prohibit the practice of banning specific books or resources. Provides that, in order to be eligible for State grants, a public library or library system shall develop a written policy prohibiting the practice of banning books within the public library or library system. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: changes references to "public library or library system" to "library or library system"; provides that an alternative to the development of a written statement (rather than policy) prohibiting the practice of banning books is to adopt the American Library Association's Library Bill of Rights that indicates materials should not be proscribed or removed because of partisan or doctrinal disapproval; and provides that the written statement shall declare that an adequate collection (rather than stock) of books and other materials is needed in a sufficient size and varied in kind and subject matter to satisfy the library needs of the people of the State. Makes conforming changes.

Removes provisions allowing the school treasurer to execute a bond with 2 or more persons having an interest in real estate who are not trustees before beginning the treasurer's duties. Provides that, for those school districts that have a designation of recognition or review according to the State Board of Education's School District Financial Profile System, the penalty of the bond shall be determined by the school board in an amount no less than 10% of the amount of all bonds, notes, mortgages, moneys and effects the treasurer will have custody over as measured by specified provisions (rather than an initial penalty of 25% with the penalty increasing and decreasing based on specified factors, but not higher than 25%). Provides that, for those districts that have no designation of recognition or review, then the penalty shall be 25%. Amends the Debt Limitation Article of the School Code to make conforming changes. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the contents of the introduced bill with the following changes. Provides that the penalty of the bond shall be determined by the school board in an amount no less than 10% of the amount of all bonds, notes, mortgages, moneys, and effects (instead of providing that for those school districts that have a designation of recognition or review according to the State Board of Education's School District Financial Profile System, the penalty of the bond shall be determined by the school board in an amount no less than 10% of the amount of all bonds, notes, mortgages, moneys, and effects and that for all other school districts, the penalty of the bond shall be 25% of all bonds, notes, mortgages, moneys, and effects). Provides that a treasurer shall, before receiving any borrowed money, execute a bond with a surety company authorized to do business in this State (instead of with 2 or more persons having an interest in real estate, who shall not be trustees, or a surety company authorized to do business in this State). Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Creates the Civil Liability for Unsolicited Intimate Images Act. Provides that any person 18 years of age or older who knowingly and intentionally transmits obscene material by computer or other electronic means to the computer or electronic communication device of another person 18 years of age or older commits a trespass and is liable to the recipient of the obscene material for actual damages or \$500, whichever is greater, in addition to reasonable attorney's fees and costs, if the person who receives the obscene material has not consented to the receipt of the obscene material or has expressly forbidden the receipt of the obscene material and if a reasonable person who receives the obscene material would suffer emotional distress as a result of the receipt of the obscene material. Authorizes the court to enjoin and restrain the defendant from committing such further acts. Provides that the Act does not apply to (i) any Internet service provider, mobile data provider, or operator of an online or mobile application, to the extent that such entity is transmitting, routing, or providing connections for electronic communications initiated by or at the direction of another, (ii) any service that transmits material, including an on-demand, subscription, or advertising-supported service, (iii) a health care provider that transmits material for a legitimate medical purpose, or (iv) any transmission of commercial email. 110 ILCS 947/65.100

Replaces everything after the enacting clause. Amends the Higher Education Student Assistance Act with respect to the AIM HIGH Grant Pilot Program. Removes language referring to the program as a pilot program. Requires each participating public university to indicate that grants under the program come from AIM HIGH and to use the words "AIM HIGH" in the name of any grant under the program and in any published or posted materials about the program. Provides that each public university campus shall allow qualified full-time undergraduate students to apply for a grant, but may choose to allow qualified part-time undergraduate students who are enrolling in their final semester at the public university campus to also apply. Provides that a public university in which an average of at least 49% of the students seeking a bachelor's degree or certificate received a Pell Grant over the prior 3 academic years shall match 35% (instead of 20%) of the amount of funds awarded in a given academic year with non-loan financial aid for eligible students. Provides that a public university in which an average of less than 49% of the students seeking a bachelor's degree or certificate received a Pell Grant over the prior 3 academic years shall match 70% (instead of 60%) of the amount of funds awarded in a given academic year with non-loan financial aid for eligible students. Provides that each public university campus must report to the Illinois Student Assistance Commission the total non-loan financial aid amount given by the public university campus to undergraduate students in the 2017-2018 academic year or the 2021-2022 academic year (instead of just the 2017-2018 academic year), not including the summer terms. Provides that, to be eligible to receive funds under the program, a public university campus may not decrease the total amount of non-loan financial aid it gives to undergraduate students, not including any funds received from the Commission or any funds used to match grant awards, to an amount lower than the amount reported for the 2017-2018 academic year or the 2021-2022 academic year, whichever is less (instead of just the 2017-2018 academic year), not including the summer terms. Removes the repealer provision. Effective immediately.

Amends the School Code. In provisions of the Children with Disabilities Article concerning a child who attends a non-public school or special education facility, a public out-of-state school, or a special education facility owned and operated by a county government unit, provides that the Illinois Purchased Care Review Board shall allow a nonprofit entity to use the same profit margin calculation that the Board allows in the for-profit tuition and room and board calculations and may not make any distinction in reimbursement level for nonpublic special education facilities based upon their federal income tax filing classification. In provisions of the Chicago School District Article concerning criminal history records checks, provides that a nonpublic special education facility with multiple campuses within this State and providing services under the Children with Disabilities Article shall maintain a separate, current record at a central administrative location, for inspection by representatives of the school district and the State Board of Education, for each staff member, whether employed full-time or part-time, who provides direct services or who is directly involved in the development and implementation of instructional services. Requires a nonpublic special education facility to send a monthly employee roster file electronically to the school district and the State Board of Education that details whether the facility's employees have completed and passed the criminal history records check process. Amends the Illinois Insurance Code. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2024 and that provides coverage for prescription drugs shall provide coverage for vaginal estrogen, and that coverage for vaginal estrogen shall not impose a deductible, coinsurance, copayment, or any other cost-sharing requirement. Makes conforming changes in the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, the School Code, the Health Maintenance Organization Act, the Limited Health Service Organization Act, the Voluntary Health Services Plans Act, and the Medical Assistance Article of the Illinois Public Aid Code.

House Floor Amendment No. 2

Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2025 (rather than January 1, 2024) and that provides coverage for prescription drugs shall include coverage for one or more therapeutic equivalent versions of vaginal estrogen in its formulary.

Senate Committee Amendment No. 1

Provides that if (rather than if an individual's attending provider recommends) a particular vaginal estrogen product or its therapeutic equivalent version approved by the United States Food and Drug Administration is determined to be medically necessary (rather than based on the provider's determination), the issuer must cover that service or item pursuant to the cost-sharing requirement in specified provisions (rather than without cost sharing). Provides that a policy subject to the provisions shall not impose a deductible, coinsurance, copayment, or any other cost-sharing requirement that exceeds any deductible, coinsurance, copayment, or any other cost-sharing requirement imposed on any prescription drug authorized for the treatment of erectile dysfunction covered by the policy (rather than on the coverage provided). Removes language providing that a policy is not required to include all therapeutic equivalent versions of vaginal estrogen in its formulary so long as at least one is included and covered without cost sharing and in accordance with the provisions.

10 ILCS 5/19A-21

Amends the Election Code. Provides that a unit of local government shall make the unit's public buildings within the election authority's jurisdiction available as permanent or temporary early voting polling places without charge if the unit of local government determines that the use would neither interfere with the normal operations within the building nor cause the unit of local government to incur additional expenses, including, but not limited to, additional labor costs (currently, the use of the public building is mandatory, without exceptions, upon request of the election authority). Effective immediately.

Amends the Illinois Dental Practice Act. Changes the definition of "public health supervision". Provides that without the supervision of a dentist, a dental hygienist may perform dental health education functions, including instruction in proper oral health care and dental hygiene in, for example, a school setting, a long-term care facility, and a health fair (rather than just either a school setting and a long-term care facility). Provides that a dental hygienist may record case (rather than care) histories and oral conditions. Provides that a dentist may enter into an agreement for public health supervision with 4 (rather than 2) public health dental hygienists. Provides that the Department of Public Health Oral Health Section shall compile and publicize public health dental hygienist service data annually. Makes other changes.
