## Proposed Rulemakings

### ■ DRIVERS' LICENSES

The SECRETARY OF STATE proposed amendments to the Part titled Issuance of Licenses (92 IAC 1030; 40 Ill Reg 21030) that reduce, from 2 to 1, the number of documents that an applicant for a driver's license (DL) or a temporary visitor's driver's license (TVDL) must present to prove Illinois residency. The rulemaking also allows SOS to mail renewal notices to non-visa status TVDL holders, establishes the procedure for which applicants can obtain a duplicate DL if the DL is not received by mail, and establishes the procedure for applicants to change their address if a DL was not delivered due to an address change. The length of time for a former member of the military to obtain a commercial driver's license (CDL) without having to take the CDL pre-trip, skills and road test

is increased from 90 days to 12 months. Valid unexpired passport cards are added to the list of documents that may be submitted as proof of citizenship or lawful permanent residence.

### DCFS APPEALS

The DEPARTMENT OF CHILDREN AND FAMILY SERVICES proposed amendments to Appeals of Child Abuse and Neglect Investigation Findings (89 IAC 336; 40 Ill Reg 16013) clarifying administrative appeal processes for child care workers and others whom DCFS investigates for alleged child abuse or neglect. The rulemaking provides an expedited appeal

process for alleged perpetrators who are child care workers; allows children to participate in an appeal hearing under certain circumstances; requires written notification to the perpetrator of final findings along with instructions for requesting an appeal; and provides that, when criminal court or juvenile court action is pending that concerns the actions that gave rise to an indicated report, the 60-day period for requesting an administrative appeal hearing on the indicated finding will not begin until the court action is concluded.
