Re: Subpoenaed Documents

Dear Ms. Stricklin:

Following my appearance before the Committee yesterday, I discussed the Committee's document subpoena with my client. He has no responsive documents in his possession. Regarding Senator Barickman's question concerning emails Jack may have sent to himself, Jack's State Blackberry had small print and was hard to read so he would occasionally send emails to himself so he could read them on a bigger screen. Yesterday afternoon he looked to see if he could find any such emails and he found none. Let me know if you need anything further from us. Thank you for your cooperation and assistance.

Sincerely,

[REDACTED]
Thomas S. Moore
