Amends the Code of Criminal Procedure of 1963. Allows the prosecution in a criminal case to bring an action seeking a court order to freeze the assets of a person charged with or convicted of a criminal offense if there are grounds to believe the defendant may dissipate the assets to avoid paying any fine, restitution, assessment, or costs that may or has been imposed as the result of a conviction. New Act

55 ILCS 5/5-12001.2

Creates the Small Wireless Facilities Deployment Act. Provides for legislative intent for the Act and definitions. Provides that an authority (a unit of local government with control over rights-of-way) may not prohibit, regulate, or charge for the collocation of small wireless

facilities (the installation, mounting, maintaining, modifying, operating, or replacement of small wireless facilities on or adjacent to a wireless support structure or utility pole). Provides that small wireless facilities shall be classified as permitted uses and not subject to zoning review and approval under specified circumstances. Provides requirements for applications, fees, application review, and issuance of permits for collocation of small wireless facilities. Provides that an authority may not require applications for routine maintenance or replacement of wireless facilities with wireless facilities that are substantially similar, of the same size, or smaller. Requires authorities to allow the collocation of small wireless facilities on authority utility poles under specified circumstances. Prohibits authorities from regulating the design, engineering, construction, installation, or operation of any small wireless facility in specified circumstances. Provides that a circuit court has jurisdiction to resolve all disputes arising under the Act. Prohibits an authority from requiring a wireless provider to indemnify the authority or its officers or employees and from naming the authority on a wireless provider's insurance policy. Limits home rule powers. Amends the Counties Code making conforming changes.

SENATE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Provides that the Act does not apply to a municipality with a population of 1,000,000 or more or to electric or gas public utilities or those utilities' wireless facilities if the facilities are being used, developed, and maintained for use in providing delivery services and Smart Grid functionality or application to retail customers. Modifies several definitions and adds a definition for "micro wireless facility". Provides that small wireless facilities shall be classified as permitted uses and not subject to zoning review or approval if they are collocated outside rights-of-way in property not zoned primarily for residential use (rather than exclusively for single family residential use). Provides that an authority may reserve space on an authority's utility poles for future public safety uses or electric utility uses under specified conditions. Provides that an authority may require a wireless provider to provide on an application specific structural integrity and make-ready analysis, the location where a small wireless facility or utility pole would be installed, photographs of the location and its immediate surroundings, specifications and drawings for each proposed small wireless facility, a proposed schedule for the installation and completion of each small wireless facility, and certification that the collocation is in compliance with specified regulations. Inserts new provisions concerning requirements and standards for small wireless facilities including: collocation on new or existing utility poles or alternate structures (both public and private); height and spacing of small wireless facilities; interference with frequencies used by the authority's public safety communications or other electrical or transmissions systems; compliance with local code and zoning provisions; installation in rights-of-way; replacement of authority utility poles; maintenance of existing and removal of abandoned small wireless facilities; and insurance. Modifies provisions regarding rates for collocation on an authority utility pole and submission, fees, supporting documentation, processing, tolling, approval, and denial of applications. Provides for the combination of multiple requests to collocate small wireless facilities on the same application. Provides that collocation for which a permit is granted shall be completed within 180 days (rather than one year) after issuance of the permit. Provides that permits for operation of the facilities shall be a duration of not less than 10 years and must be renewed for equivalent durations. Adds provisions concerning installation of small wireless facilities on property controlled by a park district, forest preserve district, or conservation district. Changes provisions concerning indemnification. Provides that an authority may require a wireless provider to carry, at the wireless provider's cost and expense, specified insurance. Provides for repeal of the Act on June 1, 2020. Makes other changes.

SENATE FLOOR AMENDMENT NO. 4

Removes language providing that any permits for work within rights-of-way shall be subject to the requirements in provisions of the Small Wireless Facilities Deployment Act concerning regulation of small wireless facilities. Provides that nothing set forth in the Small Wireless Facilities Deployment Act shall be construed to relieve any person from specified requirements, other than small wireless facilities subject to the Act. In provisions of the Small Wireless Facilities Deployment Act concerning insurance, adds an exception for a wireless provider with an existing franchise to occupy and operate in a right-of-way. Makes other changes.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

BALANCED BUDGET NOTE (Office of Management and Budget)

The Balanced Budget Note Act does not apply to this bill as it is not a supplemental

appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

FISCAL NOTE (Dept. of Central Management Services)

This legislation has no fiscal impact to the Department of Central Management Services. CMS does recommend that a fiscal note be prepared by the Department of Innovation and Technology (DoIT).

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: Modifies definitions of "application", "small wireless facility", "utility pole", "wireless infrastructure provider", and "wireless services". Adds definitions for "historic district or historic landmark" and "public safety agency". Provides that small wireless facilities shall be subject to administrative review except regarding height exceptions or variance. Provides that small wireless facilities are not subject to zoning review or approval outside rights-of-way in property zoned exclusively for commercial or industrial use (rather than outside rights-of-way in property not zoned primarily for residential use). Provides that an authority may require a wireless provider to: provide equipment type and model numbers for the antennas and all other wireless equipment associated with the small wireless facility; provide a written certification describing the property rights, technical limits, or material cost reasons an alternate location proposed by an authority does not satisfy specified placement criteria; comply with specified written design standards; and comply with reasonable, technically feasible, and non-discriminatory design or concealment measures in a historic district or on a historic landmark. Provides for procedures in the event that a wireless provider's wireless facilities cause unacceptable interference to a public safety agency's safety communications. Provides that applications that include installation of a new utility pole to collocate a small wireless facility shall be deemed approved if the authority fails to approve or deny the application within 120 days under specified circumstances. Provides that the 180 days allowed to complete collocation after the issuance of a permit may be extended under specified circumstances. Replaces language concerning application fees by specifying that an authority may charge an application fee of \$350 to \$1,000. Provides fees may be waived for replacement of wireless facilities with wireless facilities that are substantially similar, the same size, or smaller if the wireless provider provides notice with specifications of the replaced equipment. Provides that an authority may not charge annual recurring rates for collocation on authority utility poles located outside rights-of-way. Provides that an authority or person controlling a utility pole make available rates, fees, and terms in compliance with the Act within 2 months (rather than 6 months) after the effective date of the Act. Provides that wireless providers that have existing agreements with an authority may opt to use the rates, fees, and terms as provided in the Act (rather than in the existing agreement) in specified circumstances. Specifies enforcement mechanisms to remove abandoned small wireless facilities. Changes the date the Act is repealed to June 1, 2021 (rather than June 1, 2020). Makes other changes.

Modifies requirements concerning disclosure of a customer's personal information to a third party. Provides that an operator in violation of the Act shall have 15 days after being notified of a violation to rectify that violation before the Attorney General or appropriate State's Attorney's Office seek an enforcement action against that operator. Provides that nothing in the Act shall be construed to apply to: (i) internet, wireless, or telecommunications service providers; or (ii) a public utility, an alternative retail electric supplier, or an alternative gas supplier, as those terms are defined under the Public Utilities Act, or an electric cooperative, as defined under the Electric Supplier Act. Amends the Medical Assistance Article of the Illinois Public Aid Code. In provisions concerning payment rates for nursing facilities, provides that facility-specific staffing levels and wages paid (rather than regional wage adjusters based on the Health Service Areas (HSA) groupings and adjusters in effect on April 30, 2012) shall be one of the factors in determining the new nursing services reimbursement methodology utilizing the RUG-IV 48 grouper model. Sets forth the calculation of the facility-specific RUG-IV nursing component per diem rate for dates of service beginning July 1, 2017. Provides that certain staffing and wage adjusters must be updated each quarter using the staffing hours and wage data from Payroll Benefit Journal data collected by the Centers for Medicare and Medicaid Services for the same time period of Minimum Date Set data used to calculate the RUG-IV acuity case weight. Sets forth how to calculate each facility's "total per resident per day staffing wage cost". Provides that the levels used to assign certain staffing and wage adjusters shall be calculated using the staffing ratios required under the Nursing Home Care Act multiplied by the Illinois mean hourly wage for the equivalent occupational code and title assigned by the U.S. Bureau of Labor Statistics and reported in the May 2014 State Occupational Employment and Wage Estimates for Illinois. Provides that beginning July 1, 2017 and quarterly thereafter, the Department of Healthcare and Family Services may adjust, by administrative rule and within certain parameters established under the Code, a specific staffing and wage adjuster described in the Code for the purpose of keeping liability created by the facility-specific RUG-IV nursing component per diem rates stable. Permits the Department to adopt rules to implement these provisions. Effective immediately.

720 ILCS 570/316

Amends the Illinois Controlled Substances Act. Makes a technical change in a Section concerning the prescription monitoring program.

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:

720 ILCS 570/314.5

Replaces everything after the enacting clause. Amends the Illinois Controlled Substances Act. Before issuing a prescription for a Schedule II, III, IV, or V controlled substance, a prescriber or his or her designee shall access the prescription monitoring program to determine compliance with the pharmacy and medication shopping provisions of the Act. Provides that within one year of the effective date of the bill, the Department shall adopt rules requiring all Electronic Health Records Systems to interface with the Prescription Monitoring Program application program on or before January 1, 2021 to ensure that all providers have access to specific patient records during the treatment of their patients. These rules shall also address the electronic integration of pharmacy records with the Prescription Monitoring Program to allow for faster transmission of the information required under the Act. Provides that the Department shall establish actions to be taken if a prescriber's Electronic Health Records System does not effectively interface with the Prescription Monitoring Program within the required timeline. Provides that the Department of Human Services, in consultation with the Advisory Committee, shall adopt rules allowing licensed prescribers or pharmacists who have registered to access the Prescription Monitoring Program to authorize a designee to consult the Prescription Monitoring Program on their behalf. The rules shall include reasonable parameters concerning a practitioner's authority to authorize a designee, and the eligibility of a person to be selected as a designee.

SENATE FLOOR AMENDMENT NO. 2

Restores language of the law that when a person has been identified as having 3 or more prescribers or 3 or more pharmacies, or both, that do not utilize a common electronic file for controlled substances within the course of a continuous 30-day period, the Prescription Monitoring Program may (rather than shall) issue an unsolicited report to the prescribers, dispensers, and their designees informing them of the potential medication shopping.

SENATE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause. Amends the Illinois Controlled Substances Act. Reinserts the provisions of the bill as amended by Senate Amendments Nos. 1 and 2. Deletes provision that a prescriber who receives the report from the Prescription Monitoring Program concerning a person who has been identified as having 3 or more prescribers or 3 or more pharmacies, or both, either personally or through an agent at his or her place of practice, shall be prohibited from issuing a controlled substance to that same person unless the prescriber signs a statement on the prescription acknowledging receipt of the report. Deletes that if a pharmacy or pharmacist receives a prescription for a person he or she knows or should know to be the subject of the report, and the prescriber fails to provide the required acknowledgement, the pharmacy or pharmacist must contact the prescriber and obtain a signature on the acknowledgement before filling the prescription. Provides that if an unsolicited report is issued to a prescriber or prescribers, then the report must also be sent to the applicable dispensing pharmacy. Restores provision that nothing in this provision shall be construed to create a requirement that any prescriber, dispenser, or pharmacist report any patient activity, or prescribe or refuse to prescribe or dispense any medications. Also provides that a prescriber who prescribes a Schedule II, III, IV, or V controlled substance in the course of oncology treatment, a condition associated with oncology, or hospice care is exempt from having to check the Prescription Monitoring Program prior to prescribing the controlled substance.

Requires the Department, upon denial of a license, certificate, or registration, to provide the applicant certain information concerning the denial. Provides that on May 1 of each year, the Department shall prepare, publicly announce, and publish certain statistical information. Amends the Criminal Identification Act. Includes applications for license, certification, and registration that must contain specific language which states that the applicant is not obligated to disclose sealed or expunged records of conviction or arrest and entities authorized to grant professional licenses, certifications, and registrations that may not ask if an applicant has had records expunged or sealed. Provides that certain sealed or impounded felony records shall not be disseminated in connection with an application for a professional or business license, except specified health care worker licenses. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

20 ILCS 2630/13

Replaces everything after the enacting clause with provisions of the introduced bill with the following changes: In provisions amending the Department of Professional Regulation Law of the Civil Administrative Code of Illinois, includes licensing Acts administered by the Department of Financial and Professional Regulation in which convictions of certain enumerated offenses are a bar to licensure as an exception to the requirement that the Department consider mitigating factors and rehabilitation. Requires the Department, when examining certain factors, to determine whether a prior conviction will impair the ability of the applicant to engage in the practice for which a license, certificate, or registration is sought (rather than examining certain factors in determining whether to grant a license, certificate, or registration). Removes an affirmative obligation of the Department to demonstrate that a prior conviction would impair the ability of an applicant. Requires the Department to notify an applicant of a denial of a license or certificate or refuse to grant registration based upon a conviction or convictions, in whole or in part. Makes changes to the items that must be included in the notice. Makes changes to the information that the Department shall not require applicants to report. Changes various references of "new and renewal license, certificate, or registration" to "new license, certificate, or registration". Makes changes to information the Department must report. Restores a fee to be charged by the Department, but reduces the fee from \$200 to \$175. Makes changes to when the Department may consider an application to make disciplinary records confidential. In provisions amending the Criminal Identification Act, provides that applications for certification, registration, or licensure (rather than employment, certification, registration, or licensure) shall (rather than must) contain certain language. Provides that if it not reasonably feasible to include the language in the application, the entity authorized to grant a license, certification, or registration shall publish on its website instructions specifying that applicants are not obligated to disclose sealed or expunged records of a conviction or arrest. Removes changes to provisions concerning retention and release of sealed records. Removes the immediate effective date.

Provides that a person, firm, or private corporation seeking to impose fees in connection with the furnishing of storage for a vehicle shall provide notice of the fees to the vehicle owner of record as well as to the lienholder of record. Provides that the notification requirements apply in addition to any owner and lienholder notice requirements under the Illinois Vehicle Code relating to the removal or towing of an abandoned, lost, stolen, or unclaimed vehicle. Provides penalties for noncompliance. Provides that notwithstanding any provision to the contrary, a person, firm, or private corporation seeking to impose storage fees for a vehicle in its possession may not foreclose or otherwise enforce its lien unless it first complies with specified notification requirements. Provides that storage fees may be paid by, among other methods, debit card and credit card. Makes corresponding changes in the Illinois Vehicle Code. Further amends the Illinois Vehicle Code. Provides that a towed vehicle must be returned to, among other entities, a lienholder, within 30 minutes if requested during business hours. Effective immediately.

Removes language authorizing the award of attorney's fees. Provides that the date on which the assessment and accrual of storage fees may commence is the date of the impoundment of the vehicle, subject to any applicable limitations set forth by a municipality authorizing the vehicle removal. Provides that if the vehicle that is incurring fees is registered in a state other than Illinois, the assessment and accrual of storage fees may commence on the date that the request for lienholder information is filed by the commercial vehicle relocater or other private towing service with the applicable administrative agency or office in that state if specified conditions are met. Provides that provisions in the Labor and Storage Lien Act and the Labor and Storage Lien (Small Amount) Act do not apply to a municipality with 1,000,000 or more inhabitants that is seeking to impose storage fees for a vehicle in its possession. 35 ILCS 5/205

from Ch. 120, par. 2-205

Amends the Illinois Income Tax. Imposes a privilege tax at a rate of 20% on partnerships and S corporations engaged in the business of conducting investment management services, until such time as a federal law with an identical effect has been enacted. Provides for the determination of the tax due, defines "investment management services". Effective immediately, but this Act does not take effect at all unless the states of Connecticut, New Jersey, and New York enact laws having an effect identical to this Act.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that the privilege tax shall be imposed beginning on July 1, 2017. Provides that the tax shall be imposed at the rate of 20% of the fees earned from the investment strategy of the investment manager and not from the investment itself (in the introduced bill, at the rate of 20%). Removes the bill's immediate effective date and the bill's effective date contingent upon the states of Connecticut, New Jersey, and New York enacting laws having an effect identical to the bill.

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that the privilege tax shall be imposed beginning on July 1, 2017. Provides that the tax shall be imposed at the rate of 20% of the fees calculated by reference to the performance of the investment portfolio funds and not from the investment itself (in the introduced bill, at the rate of 20% until such time as the United States Congress has passed and the President of the United States has signed legislation having an identical effect). Provides that the tax shall not be imposed on fees calculated by reference to the total assets under management of the business engaged in investment management services. Removes the bill's immediate effective date and the bill's effective date contingent upon the states of Connecticut, New Jersey, and New York enacting laws having an effect identical to the bill.

BALANCED BUDGET NOTE (Office of Management and Budget)

The Balanced Budget Note Act does not apply to this bill as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

PENSION NOTE (Government Forecasting & Accountability)

This bill will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

FISCAL NOTE (Dept. of Revenue)

When applied to the \$107 billion in assets, the total annual return for Illinois-based hedge funds is \$5.17 billion. Assuming that hedge funds apply the "two and twenty" fee structure, performance fees earned by asset managers would be \$1.03 billion. By applying a surcharge rate of 20 percent to this amount, we arrive at a revenue estimate of \$206 million. There are several significant risks to this estimate that deserve attention. First, as noted above, we would expect such a high tax rate to elicit a strong behavioral response by asset managers to shield income from taxation. Other states with similar legislative proposals have recognized this risk and addressed it by inserting language into the bill so that the tax would only take effect if several other states with substantial hedge fund industries were to pass similar legislation. Second, the volatility in the performance of hedge fund portfolios would result in this being a highly volatile revenue source. Consequently, forecasts for this revenue source would be unreliable. Finally, as addressed by Department of Revenue legal staff, constitutional issues may prevent the state from collecting any new revenue from the surcharge.

SB-1722 RAOUL - MUÑOZ AND AQUINO.**New Act**

Creates the Safe Neighborhoods Reform Act. Contains only a short title provision.

FISCAL NOTE, SENATE FLOOR AMENDMENT NO. 2 (Illinois State Police)

The Department of Innovation & Technology estimates it would take 2,500 hours and based on a simple \$100 per hour, an estimated fiscal impact of \$250,000 to implement. This estimate is based on a collaboration with the Administrative Office of Illinois Courts.

CORRECTIONAL NOTE, SENATE FLOOR AMENDMENT NO. 2 (Dept of Corrections)

The total impact of SB 1722 (S-AM 2) would be a decrease of 1,471 offenders with \$61,932,100 in marginal cost savings over the first ten years after enactment. Population reductions and fiscal savings are based on limited data and Department estimates, and the use of discretion when imposing longer sentences for firearms offenses is difficult to predict throughout the State. Therefore, the full population and fiscal impacts on the Department of Corrections for SB 1722 (S-AM 2) are unknown.

230 ILCS 40/25

230 ILCS 40/27

230 ILCS 40/80

Amends the Video Gaming Act. Provides that the Illinois Gaming Board shall not grant an application to become a licensed video gaming location if the Board determines that granting the application would more likely than not cause a terminal operator licensed video gaming location to operate the video gaming terminals in 2 or more licensed video gaming locations as a single video gaming operation. Provides factors to be considered by the Board in determining restrictions on licenses in malls. Provides that the Board shall presume that the granting of an application to become a licensed video gaming location within a mall will cause a terminal operator to operate the video gaming terminals in 2 or more licensed video gaming locations as a single video gaming operation if the Board determines that granting the license would create a local concentration of licensed video gaming locations. Provides that a home rule municipality, or a home rule county with respect to unincorporated portions of the county, may impose separate requirements on video gaming that provide sources of municipal or county revenue or impose limitations on video gaming that are more restrictive than those provided under the Act. Provides that all current supplier licensees under the Riverboat Gambling Act shall be entitled to licensure under the Video Gaming Act as manufacturers, distributors, or suppliers without additional Board investigation or approval, except by vote of the Board; however, they are required to pay application and annual fees under the Video Gaming Act. Defines terms.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Provides that a municipality (rather than a home rule municipality), or a county (rather than a home rule county) with respect to unincorporated portions of the county, may impose separate requirements on video gaming that provide sources of municipal or county revenue or impose limitations on video gaming that are more restrictive than those provided under the Act. Provides that the requirements may include one or more of (rather than may include) specified requirements.

Provides that a municipality shall not enter into any new contracts, but may extend a contract or renew a contract, with any other unit of local government, by intergovernmental agreement or otherwise, or with any business or person relating to the collecting and final disposition of general construction or demolition debris. Provides that a municipality shall not provide by ordinance for any methods that award a franchise for the collection or final disposition of general construction or demolition debris. Provides that, in municipalities with a population under 1,000,000, a franchise shall not be awarded to any private entity for the collection of general construction or demolition debris from residential or non-residential locations. Provides that a franchise entered into before the effective date of the amendatory Act may be renewed or extended irrespective of whether the franchise or contract automatically renews or is amended.

SENATE COMMITTEE AMENDMENT NO. 3

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Makes the provisions of the bill applicable to municipalities with a population of less than 1,000,000. Provides that the provisions do not apply to municipalities with a population of less than 1,000,000 that are a party to a franchise or contract relating to the collecting or final disposition of general construction or demolition debris on the effective date of the amendatory Act. SENATE FLOOR AMENDMENT NO. 5

In language providing that a municipality with a population of less than 1,000,000 shall not award a franchise or contract to a private entity for the collection of general construction or demolition debris from residential or non-residential locations with specified exceptions, adds an exception for the renewal or extension of a contract relating to the collecting and final disposition of general construction or demolition debris irrespective of whether the contract automatically renews, is amended, or is subject to a new request for proposal after the effective date of the amendatory Act.

This bill has no fiscal or population impact on the Department of Corrections.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

 750 ILCS 50/1 from Ch. 40, par. 1501

Amends the Abused and Neglected Child Reporting Act and the Juvenile Court Act of 1987. Expands the definition of "neglected child" under both Acts to include a child whose umbilical cord tissue contains any amount of a controlled substance as defined in a specified provision of the Illinois Controlled Substances Act or a metabolite thereof. Provides that nothing in the new provisions is intended to limit the type of medically reliable testing that can establish that a controlled substance or metabolite thereof is present in a newborn infant. Further amends the Juvenile Court Act of 1987 by providing that proof that a newborn infant's umbilical cord tissue contains any amount of a controlled substance as defined under the Illinois Controlled Substances Act, or a metabolite of a controlled substance, constitutes prima facie evidence of abuse or neglect. Amends the Adoption Act. Includes as a ground of unfitness under the definition of "unfit person" a finding that at birth the child's umbilical cord tissue contained any amount of a controlled substance as defined under the Illinois Controlled Substances Act or a metabolite thereof. Provides that nothing in the new provision is intended to limit the type of medically reliable testing that can establish that a controlled substance or metabolite thereof is present in a newborn infant. New Act

Creates the Tuition Reduction Act. Beginning with the 2017-2018 academic year, requires each public university located in this State to reimburse its full-time resident undergraduate students a portion of the tuition charged in the form of a grant applied directly to a student's financial aid account. Provides that to determine the per-pupil grant amount, the university shall calculate the difference, if any, between the current fiscal year's aggregate appropriations to the university and fiscal year 2015's aggregate appropriations to the university and divide that amount by the number of students enrolled in the previous academic year. Provides that 50% of this calculation then equals the per-pupil grant amount, to be awarded to currently enrolled students to reduce their tuition costs (unless the current fiscal year's aggregate appropriations to the university are equal to or less than fiscal year 2015's aggregate appropriations). Requires each university to annually report updated estimates of the total amount in grants awarded in an academic year to the Governor and the appropriate committees of the General Assembly. Effective immediately.

SB-1905 SILVERSTEIN, AQUINO - HOLMES - MURPHY - LIGHTFORD - MCCANN, CASTRO, T. CULLERTON, MARTINEZ, HUTCHINSON, VAN PELT AND RAOUL.

New Act

Creates the Collective Bargaining Freedom Act. Provides that it is the policy of the State that employers, employees, and their labor organizations are free to bargain collectively. Provides that the authority to enact laws or rules that restrict the use of union security agreements between an employer and a labor organization vests exclusively with the General Assembly.

Prohibits local governments from enforcing any such law or rule. Defines terms. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Corrects references and makes grammatical and stylistic corrections.

PENSION NOTE (Government Forecasting & Accountability)

This bill will not impact any public pension fund or retirement system in Illinois.

BALANCED BUDGET NOTE (Office of Management and Budget)

The Balanced Budget Note Act does not apply to this bill as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

CORRECTIONAL NOTE (Dept of Corrections)

This bill has no fiscal or population impact on the Department of Corrections.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE (Dept. of Labor)

Passage of this legislation would hinder population and economic growth in Illinois. This results in lost economic activity and thus lost tax revenues for the State. Implementation of this legislation would ensure that Illinois' population growth will continue to fall behind our bordering states. Those states that border Illinois have seen population growth of 2.1% over the last six years while Illinois has grown at 0.2% during that period. Illinois is on the verge of falling into net population loss as Chicago lost 13,572 people in 2015 and 2016. The lost population for 2016 was 8,638. In comparison, states with more competitive business climates have seen population growth of 6.3% during those same six years. Illinois' unemployment rate of 4.7% is well above Iowa (3.1%), Wisconsin (3.2%), Indiana (3.7%), and Missouri (3.9%). The hindrance of growth caused by this legislation will cost the State approximately \$118,000,000 next year and a compounding amount each year the State's population fails to grow at a rate equivalent to our border states. The per capita State tax rate in Illinois is approximately \$3,030.00 and if our population were to grow at the same rate as our neighboring states Illinois would increase its population by at least 39,000 people in the next year.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

HOUSE FLOOR AMENDMENT NO. 1

625 ILCS 5/2-105 from Ch. 95 1/2, par. 2-105

Amends the Election Code. Provides that the State Board of Elections and the Office of the Secretary of State shall establish an automatic voter registration program pursuant to an interagency contract and jointly-adopted rules. Provides that an application for a driver's license, other than a temporary visitor's driver's license or a State identification card, shall also serve as an application to register to vote; allow an update to registration; and perform other specified functions. Requires specified agencies to provide certain information regarding registration. Establishes designated automatic voter registration agencies; and requires the establishment of dual-purpose applications to register to vote. Sets forth provisions and requirements for the State Board of Elections regarding the program. Amends the Freedom of Information Act to exempt certain information. Amends the Illinois Vehicle Code to make conforming changes. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Corrects a technical error.

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause with provisions of bill as amended by Senate Amendment No. 1 with the following changes: In provisions concerning notice by electronic mail, excludes certain notices. Provides that if an application for certain licenses from the Office of the Secretary of State meet the requirements of the federal REAL ID Act of 2005, then the applications shall serve as dual-purpose applications. Makes conforming changes. Changes various references to allowing a change of address in the voter rolls to also include a change of name. Creates provisions for applications that do not meet the requirements of the federal REAL ID Act of 2005, including requiring an applicant to attest, by a separate signature under penalty of perjury, to meeting the qualifications to vote. Moves provisions concerning notices from the Office of the Secretary of State and designated agencies. Requires the Office of the Secretary of State and designated agencies to review its records of the identification documents the applicant provided (rather than its records regarding the applicant, including identification documents that may have been provided). Sets forth provisions for incomplete applications. Allows the State Board of Elections to establish criteria for reliable personal information indicating citizenship status if the federal REAL ID Act of 2005 is repealed, abrogated, superseded, or otherwise no longer in effect. Provides that the State Board of Elections may cross-reference voter registration information from any designated automatic voter registration agency with information contained in the database of the Secretary of State. Removes certain requirements for notices. Effective immediately.

SENATE FLOOR AMENDMENT NO. 3

Changes certain references. Provides that a separate signature is only required on a dual-purpose application if the applicant chooses to register to vote or to change his or her registered residence address or name. Provides that the Office of the Secretary of State and the designated agencies shall confirm that nothing in the provided documents (rather than that they are not in possession of any information that) indicates that the applicant does not satisfy the qualifications to register to vote in Illinois. Provides that if the identification documents provided to the Office or to the agencies (rather than if the Office's or agency's records regarding the applicant) indicate that he or she does not satisfy the qualifications to register to vote, the application shall be marked as incomplete. Includes completed applications with a separate signature attesting that the applicant meets the qualifications to register in a list of what constitutes a signed application to register to vote. Includes the Department of Financial and Professional Regulation and the Department of Natural Resources in the definition of "designated automatic voter registration agency".

HOUSE FLOOR AMENDMENT NO. 2

Adds reference to:

10 ILCS 5/1A-16.7 new

Replaces everything after the enacting clause with provisions of the engrossed bill with the

following changes: Changes various references of "an application" to "an application, an application for renewal, a change of address form, or a recertification form". Removes a requirement for the Office of the Secretary of State and designated automatic voter registration agencies to transmit incomplete records to the State Board of Elections. Provides that for the purposes of dual-purpose registrations in the Office of the Secretary of State, a dual-purpose application does not include an application under certain provisions of the Illinois Vehicle Code. Requires, rather than permits, designated automatic voter registration agencies to agree to participate in automatic voter registration. Allows the State Board of Elections and designated automatic voter registration agency to consider current technological capabilities and to amend contracts as necessary to take those capabilities into account. Removes the Department of Healthcare and Family Services and the Department on Aging from the definition of "designated automatic voter registration agency" and includes the divisions of Family and Community Services and Rehabilitation Services of the Department of Human Services (rather than the entirety of the Department of Human Services) in the definition. Provides that provisions concerning designated automatic voter registration agencies shall be implemented no later than July 1, 2019 (rather than July 1, 2018). Restores language concerning government agency voter registration, but moves existing new language. Makes changes to information considered confidential. Provides that nothing in the Code shall require designated voter registration agencies to transmit information that is confidential client information under State or federal law without the consent of the applicant. Allows certain reports to be less detailed in 2018 and 2019 depending on available information. Sets forth prioritization of information in the case of conflict between various information sources. Effective immediately.

Amends the Criminal Identification Act. Requires that applications for certification, registration, and licensure must contain specific language that states that the applicant is not obligated to disclose sealed or expunged records of conviction or arrest and prohibits entities authorized to grant professional licenses, certifications, and registrations from asking if an applicant has had records sealed or expunged. Provides that certain sealed or impounded felony records shall not be disseminated in connection with an application for a professional or business license, registration, or certification, except specified health care worker licenses. Amends various professional licensing Acts with the following changes: Provides that the licensing agency must find that a license applicant has not committed certain acts or has been sufficiently rehabilitated to approve the application. Provides that the licensing agency shall not require applicants to report certain criminal history information and the licensing agency shall not consider the information. Requires the licensing agency to consider certain mitigating factors and evidence of rehabilitation for license applicants. Requires the licensing agency, upon denial of a license, to provide the applicant certain information concerning the denial. Provides that on May 1 of each year, the licensing agency shall prepare, publicly announce, and publish certain statistical information. Makes other changes. Effective January 1, 2018.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

20 ILCS 2360/13
 210 ILCS 50/3.50
 210 ILCS 50/3.51 new

Replaces everything after the enacting clause. Reinserts the introduced bill with changes that include the following. Makes changes to the list of information that must be included in a notice of denial if the applicable State agency refuses to issue a license to an applicant. Specifies that the applicable State agency shall consider certain factors and evidence to determine whether a prior conviction will impair the ability of the applicant to engage in the position for which a license is sought. Makes changes to reporting requirements. Removes provisions specifying that it is the affirmative obligation of the applicable State agency to demonstrate that a prior conviction would impair the ability of the applicant to engage in the licensed practice. In provisions amending the Illinois Lottery Law, provides that the Department of the Lottery may grant a license to a person convicted of a felony where such conviction will impair the person's ability to engage in the licensed position when a period of 5 years after the conviction or 3 years since release from confinement, whichever is later, has elapsed without a subsequent conviction. In provisions amending the Criminal Identification Act concerning the effect of expungement or sealing records, provides that the entity authorized to grant a license shall include, in an application for licensure, specific language stating that the applicant is not obligated to disclose sealed or expunged records of a conviction or arrest; however, if the inclusion of that language in an application for licensure is not practical, the entity shall publish on its website instructions specifying that applicants are not obligated to disclose sealed or expunged records of a conviction or arrest (rather than applications for licensure must contain specific language which states that the applicant is not obligated to disclose sealed or expunged records of conviction or arrest). Removes provisions relating to the retention and release of sealed records. Removes provisions amending the Emergency Medical Services (EMS) Systems Act. In provisions amending the Dietitian Nutritionist Practice Act concerning applicant convictions, provides that when reviewing, for the purposes of licensure, a conviction of any felony or a misdemeanor directly related to the practice of the profession of an applicant, the Department of Financial and Professional Regulation shall consider the applicant's successful completion of sentence. In provisions amending the Illinois Horse Meat Act concerning applicant provisions, provides that the Department of Agriculture shall not require applicants to report certain information and shall not consider certain criminal history records (rather than certain information shall not be requested, inquired into, or considered) in

connection with an application for a license under the Act. Makes other changes. Effective January 1, 2018.

Amends the Illinois Pension Code. Restricts participation in the General Assembly Retirement System to persons who became participants before the effective date. Provides separate benefits for persons who, on or after 6 months after the effective date, first become participants or members under the State Universities or Downstate Teachers Article or a noncovered participant under the State Employees Article. Requires those retirement systems to establish a defined contribution plan for certain members. In the IMRF, Chicago Municipal, Cook County, Cook County Forest Preserve, Chicago Laborers, Chicago Park District, Metropolitan Water Reclamation District, and Chicago Teachers Articles, establishes similar benefits if the governing body of the unit of local government adopts those benefits by resolution or ordinance. In the State Employee, State Universities, and Downstate Teachers Articles, requires those Systems to offer certain inactive members the opportunity to elect to receive an accelerated pension benefit payment equal to 70% of the net present value of their pension benefits in lieu of receiving any pension benefit. In the 5 State-funded retirement systems and the Chicago Teachers Pension Fund, makes funding changes. In the State Universities and Downstate Teachers Articles, shifts certain costs to the local employer. In the Chicago Teachers Article, requires the State to contribute \$215,200,000 for fiscal year 2017 and provides a continuing appropriation from the Common School Fund for that contribution. Amends the Budget Stabilization Act. Provides for the transfer of certain amounts from the General Revenue Fund to the Pension Stabilization Fund. Makes other changes. Effective immediately.

Amends the Alcoholism and Other Drug Abuse and Dependency Act. Redefines "detoxification" as the process of allowing an individual to safely withdraw or sober from a drug or alcohol in a controlled environment, including a treatment or law enforcement facility (rather than the process of allowing an individual to safely withdraw from a drug in a

Provides that if a responsible adult is not available or is unwilling to take custody of the individual, the individual shall be offered the opportunity to take a breathalyzer or chemical test to prove that he or she is sober; and that if the individual opts for one of the tests, the results of the test shall not be used in any criminal or civil prosecution against the individual. Exempts a police officer from civil or criminal liability for acting in good faith and without negligence in connection with certain actions, including the detention or discharge or the taking into protective custody of an individual under the Act. Amends the State Employees Group Insurance Act of 1971. Removes a provision prohibiting the non-contributory portion of a program of health-benefits from including the expenses of obtaining an abortion. Amends the Illinois Public Aid Code. Removes a provision excluding abortions or induced miscarriages or premature births from the list of services provided under the State's medical assistance program. Removes language providing for the adoption of rules to prohibit a physician from providing medical assistance to anyone eligible for medical assistance benefits if the physician has been found guilty of willfully and wantonly performing an abortion

procedure upon a woman who was not pregnant at the time of the procedure. Removes other provisions concerning abortion restrictions. Amends the Problem Pregnancy Health Services and Care Act. Removes language prohibiting the Department of Human Services from making grants to nonprofit agencies and organizations that use such grants to refer or counsel for, or perform, abortions. Amends the Illinois Abortion Law of 1975. Provides that it is the intention of the General Assembly to reasonably regulate abortion in conformance with the legal standards set forth in the decisions of the United States Supreme Court of January 22, 1973. Removes language concerning the General Assembly's declaration that the unborn child is a human being from the time of conception and is, therefore, a legal person for purposes of the unborn child's right to life. Makes other changes.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

This legislation would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE (Government Forecasting & Accountability)

HB 40 will not impact any public pension fund or retirement system in Illinois.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

CORRECTIONAL NOTE (Dept of Corrections)

HB 40 has no fiscal or population impact on the Department of Corrections.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

The Illinois Department of Transportation has determined that no land conveyance is necessary for this bill.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

HB 40 does not create a State mandate.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling, a single-family residence.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

HB 40 does not pre-empt home rule authority.

BALANCED BUDGET NOTE (Office of Management and Budget)

An accurate cost assessment for this bill cannot be completed at this time because it does not mandate the State to fund these services. However, by removing these prohibitions it opens the State up for significant cost liabilities to incur. It is unknown how often these services would be utilized by Medicaid enrollees or State employees, the exact cost to health insurance plans, or how many new grant requests the Department of Human Services would receive as a response to this, and future related legislation.

FISCAL NOTE (Dept. of Healthcare & Family Services)

The estimated annual cost for abortion services resulting from House Bill 40 is approximately \$1.8 million, which would be 100% GRF funded. There may be other budgetary impacts that are not quantifiable.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling, a single-family residence.

HOUSE FLOOR AMENDMENT NO. 1

Further amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that notwithstanding any other provision of the Code, reproductive health care that is otherwise legal in Illinois shall be covered under the medical assistance program for persons who are otherwise eligible for medical assistance.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Office of Management and Budget)

The Balanced Budget Note Act does not apply to House Bill 40 (H-AM 1) as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Office of Management and Budget)

The Balanced Budget Note Act does not apply to House Bill 160 (H-AM 1) as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

This bill will not impact any public pension fund or retirement system in Illinois.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Housing Development Authority)

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Revenue)

The bill makes changes to numerous tax acts and creates a new Business Occupation Assessment. The following table summarizes the revenue impacts that can be quantified by the Department. There is a fiscal year 2018 impact and long-run annualized impact. The fiscal year 2018 impact of the corporate income tax rate reduction has an outsized effect relative to the annualized effect because of retroactivity. The Business Occupation Assessment for fiscal year 2018 is net of credits for income tax liability. (A) Individual Income Tax: (1) Earned Income Tax Credit - The proposed increase to the earned income tax credit to 12.5% effective January 1, 2017, has a cost of \$59 million in fiscal year 2018. The bill increases the earned income tax credit to 15% of the federal credit effective January 1, 2018, which will cost \$118 million in FY19; (2) Economic Development for a Growing Economy (EDGE) Tax Credit against withholding - The bill repeals the election for taxpayers to claim EDGE credit against their employees withholding liability under IITA section 704A. This proposal increases IIT revenue by an estimated \$28 Million annually (based on micro-simulation model that uses more than 6 million Illinois tax records). This repeal as proposed may be subject to litigation. The change is retroactive and seeks to disallow credits already awarded. May be an impairment of contract. Legal should opine; (B) Sales Tax - It is not possible to estimate the impact since the data is not stated separately on the ST-1 nor does any reliable public data source exist; (C) Corporate Income Tax - For a full 12 months of implementation, a reduction in the corporate income tax rate from 5.25% to 2.625% would reduce gross corporate income tax revenue by approximately \$1 billion. Net of refunds, the rate reduction would reduce net revenue by approximately \$850 million. It is unlikely that such a change would have a significant impact on revenue for the remainder of fiscal year 2017. Adjustments in estimated payments are generally slow to come as taxpayers attempt to avoid penalties resulting from underpayment. A decrease in the tax rate for tax year 2017 would likely be felt most strongly in fiscal year 2018 and the beginning of fiscal year 2019 as taxpayers adjust estimated, final, and extension payments and request larger refunds to compensate for overpayment during the preceding tax year; (1) Business Occupation Assessment - For a full 12 months of implementation, the Business Occupation Assessment will generate \$480 million net of all credits applied against the corporate income tax; (2) Credit for Student-Assistance Contributions - The changes to the Credit to Student-Assistance Contributions will have a negligible impact on state tax revenues; (3) River Edge Historic Preservation Tax Credit - Because we have no way to estimate the number or scale of potential qualified rehabilitation projects that will occur in a River Edge Redevelopment Zone, we cannot estimate the potential cost to the State resulting from this credit; (4) Internship Credit - The impact on state tax revenue resulting from this credit is yet to be determined; (5) Apprenticeship Training Credit - The proposed amendment to the Illinois Income Tax Act would have a negative impact on revenue. It is estimated that a full 12 months of implementation would reduce income tax revenue by \$80,000 - \$4.5 million; (6) Economic Development for a Growing Economy (EDGE) Tax Credit - This component of the bill would have no impact on state tax revenue; (7) Angel Investment Credit Sunset Date Extension - This component of the bill would reduce state tax revenue by \$10 million per year; (8) Live Theater Production Credit Sunset Date Adjustment (January 1, 2022) - It is estimated that for a full 12 months of implementation, a change to the sunset date for the tax credits earned under this Act will have a negative impact on revenue of approximately \$1 million; (9) Film Production Services Tax Credit Sunset Date Adjustment (January 1, 2026) - It is estimated that for a full 12 months of implementation, a change to the sunset date for the tax credits earned under this Act will have a negative impact on revenue of approximately \$16 million. It should be noted, however, that the annual amount of tax credits earned and applied can vary significantly from year to year; (D) Other State Revenue Sources; (1) Repeal Corporate Franchise Tax - Elimination of the Corporate Franchise Tax will cost the general funds \$180 million per year; (2) LLC and Series LLC Fee Reduction - The Department of Revenue has no way to estimate the number of LLCs and series LLCs that file applications for admission or restated articles of organization on an annual basis.

Lowering the filing fees to \$39 and \$59 would have a negative impact on revenue, but we are unable to estimate the size of the impact. The Illinois Secretary of State should be able to estimate this impact; (3) Various Taxes - Verified Overpayment Credit - These changes will have no impact on state tax revenues; (4) Estate Tax -Business property exempted from state tax credit calculation - This change will likely have a negative impact on state tax revenues.

HOUSE FLOOR AMENDMENT NO. 1

Deletes reference to:

305 ILCS 5/1-5

Adds reference to:

305 ILCS 5/5B-4 from Ch. 23, par. 5B-4

Replaces everything after the enacting clause. Amends the Illinois Public Aid Code. In provisions concerning an assessment on occupied bed days, provides that when the State fails to reimburse for services rendered in the month on which the assessment is imposed, the due date for payment of the assessment must be no earlier than 30 days after reimbursement by the State (rather than a facility that has delayed payment due to the State's failure to reimburse for

services rendered may request an extension on the due date for payment and shall pay the assessment within 30 days of reimbursement by the Department of Healthcare and Family Services). Provides that the Department may not collect payment of the assessment if the long-term care provider has not been paid for services provided during the month on which the assessment is levied and the long-term care provider does not need to take any additional action (rather than the Department may not deny a request for delay of payment of the assessment if the long-term care provider has not been paid for services provided during the month on which the assessment is levied). In a provision concerning a penalty assessment for failure to file an assessment bill with payment, provides that no penalty shall be assessed if the long-term care facility submits its assessment bill prior to the payment if the payment is delayed when the long-term care facility has not been paid for services provided during the month on which the assessment is levied. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Amends the Long-Term Care Provider Funding Article of the Illinois Public Aid Code. In provisions concerning an assessment on occupied bed days, provides that payments of assessments shall be automatically delayed for any month for which payment for all Medicaid bed days has not been received by a facility from the Department of Healthcare and Family Services, a Medicaid managed care organization, or any entity authorized by the Department to make payments on its behalf until at least 30 days have elapsed since the receipt of payment. Provides that the Department shall establish, by rule, a process for the determination of delayed payment dates that shall include, at a minimum, notice requirements, but shall not require the facility to apply and be approved for a delay of payment due to nonpayment nor shall any other criteria for the delay be imposed. Removes a provision prohibiting the Department from denying a request for delay of payment of the assessment if the long-term care provider has not been paid for services provided during the month on which the assessment is levied. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Long-Term Care Provider Funding Article of the Illinois Public Aid Code. Provides that the Illinois Department may not deny a request for delay of payment of assessments imposed under the Article if the Medicaid managed care organization has not been paid by the State.

735 ILCS 5/2-301

from Ch. 110, par. 2-301

Provides that a party filing any other pleading or motion prior to the filing of a motion objecting to a court's jurisdiction over the party's person waives all objections to the court's jurisdiction over the party's person, both prospectively and retroactively, unless the initial motion filed is: (i) a motion for an extension of time to answer or otherwise plead or (ii) a motion requesting a judgment, relief from a judgment, or relief from a default judgment. Provides that any motion objecting to a court's jurisdiction over the party's person shall be filed within 60 days of the court's order disposing of an initial motion requesting a judgment, relief from a judgment, or relief from a default judgment. New Act

Creates the Public University Uniform Admission Act. Requires each public university in this State to admit first-time freshman applicants as undergraduate students if the applicant graduated with a grade point average in the top 10% of the student's high school graduating class in one of the 2 school years preceding the academic year for which the applicant is applying for admission and (1) the applicant graduated from an accredited public or private high school in this State or from a high school operated by the United States Department of Defense; (2) the applicant successfully completed the minimum college preparatory curriculum requirements for admission to the university or satisfied the ACT's College Readiness Benchmarks on the ACT college admission assessment applicable to the applicant or earned on the SAT college admission assessment a score of at least 1,500 out of 2,400; and (3) if the applicant graduated from a high school operated by the United States Department of Defense, the applicant is a State resident or is entitled to pay tuition fees at the rate provided for State residents. Provides that the University of Illinois at Urbana-Champaign is not required to offer admission to applicants who qualify for automatic admission in excess of the number required to fill 75% of the university's enrollment capacity designated for first-time resident undergraduate students in an academic year. Sets forth other provisions concerning the University of Illinois at Urbana-Champaign. Sets forth other provisions concerning admissions. Provides for additional preparation for college, student outreach, and rulemaking.

FISCAL NOTE (Illinois Board of Higher Education)

Assuming the provisions of HB 230 would operate under existing capacity levels, it appears that the increased number of mandated entering freshmen students would off-set other eligible entering freshmen and the cost of instruction would generally remain the same. However, depending on the financial profile of the freshmen included under the guidelines presented in HB 230, financial aid costs could increase, although specific estimates are undeterminable at this time. The Illinois Board of Higher Education's FY2016 Weighted Average Tuition Report indicated an entering freshman class of 34,760 for the current academic year.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

This legislation would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that the Illinois Student Assistance Commission (rather than the Board of Higher Education) shall develop and implement a program to increase and enhance efforts of institutions in conducting outreach to academically high-performing high school seniors in the State who are likely eligible for automatic admission under the Act.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Illinois Board of Higher Education)

Assuming the provisions of House Bill 230 (H-AM 2) would operate under existing capacity levels, it appears that the increased number of mandated entering freshman students would off-set other eligible entering freshman and the cost of instruction would generally remain the same. However, depending on the financial profile of the freshman included under the guidelines presented in House Bill 230, financial aid costs could increase although specific estimates are undeterminable at this time.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

This legislation would not change the amount of authorization for any type of State-

issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Office of Management and Budget)

The Balanced Budget Note Act does not apply to this bill as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

This legislation will not impact any public pension fund or retirement system in Illinois.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept of Corrections)

This legislation has no fiscal or population impact on the Department of Corrections.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

20 ILCS 687/6-3

20 ILCS 3855/1-10

20 ILCS 3855/1-80

Amends the Illinois Power Agency Act. Makes changes to the definition of "distributed renewable energy generation device" by removing language limiting hydropower under the definition to hydropower that does not involve new construction of hydropower dams from the list of sources that power a device. Makes a similar change to the list of energy sources in the definition of "renewable energy resources". In a provision concerning the duties and responsibilities of the Resource Development Bureau, provides that the first electric generation or co-generation facility that the Illinois Power Agency develops, finances, or constructs may be a facility that uses coal produced in Illinois or a renewable energy facility (rather than shall be a facility that uses coal produced in Illinois). Removes language providing that the Agency may also develop, finance, or construct renewable energy facilities after work on the first facility has commenced. Amends the Renewable Energy, Energy Efficiency, and Coal Resources Development Law of 1997 by making a similar change to the Act's definition of "renewable energy resources".

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

This legislation would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE (Illinois Power Agency)

HB 232 would result in no immediate or direct impacts on state revenues. Over time, through allowing for a broader range of facilities to serve as the initial electric generation facility developed, financed, or constructed by the Agency, HB 232 slightly increases the likelihood that the Agency would be required to establish a Resource Development Bureau, hire a Resource Development Bureau Chief, and hire additional staff or outside consultants having expertise in the development, financing, or construction of electric generation or co-generation facilities. Should these costs then need to be borne by the State - and HB 232 does not directly cause such costs to be incurred, but instead merely increases the likelihood that they would be - such costs would range from \$200,000 at the lowest estimate to \$2-\$3 million at the high end depending on the complexity of the electric generating project. These estimates are based on the cost of establishing the Resource Development Bureau and estimates of costs previously incurred by the Agency for complex and resource-intensive Agency activities. Other costs associated with the development of a new electric generating facility would be offset by revenues generated from the output of that facility (which "shall be supplied at cost" under 20 ILCS 3855/1-80(d)).

Replaces everything after the enacting clause. Amends the Illinois Act on the Aging, the Disabled Persons Rehabilitation Act, and the Illinois Public Aid Code. Regarding services provided under the Community Care Program, the Home Services Program, the supportive living facilities program, and the nursing home prescreening project, provides that individuals with a score of 29 or higher based on the determination of need assessment tool shall be eligible to receive institutional and home and community-based long term care services until the State receives federal approval and implements an updated assessment tool, and those individuals are found to be ineligible under that updated assessment tool. Requires the Department on Aging, the Department of Human Services, and the Department of Healthcare and Family Services to adopt rules through the regular rulemaking process regarding the updated assessment tool, but prohibits those Departments from adopting emergency or peremptory rules regarding the updated assessment tool. Contains provisions concerning continued eligibility for persons made ineligible for services under the updated assessment tool. Further amends the Illinois Act on the Aging by prohibiting the Department on Aging from: (i) adopting any rule that restricts eligibility under the Community Care Program to persons who qualify for medical assistance under Article V of the Illinois Public Aid Code; or (ii) establishing, by rule, a separate program of home and community-based long term care services for persons who are otherwise eligible for services under the Community Care Program but who do not qualify for medical assistance under Article V of the Illinois Public Aid Code. Prohibits the Department from increasing copayment levels under the Community Care Program to the levels that were in effect on January 1, 2016, except to make an adjustment for inflation. Removes language that makes Medicaid enrollment or eligibility a condition of eligibility under the Community Care Program if the Auditor General has reported that the Department has failed to comply with certain reporting requirements under the Illinois State Auditing Act. Further amends the Illinois Public Aid Code by deleting a provision requiring the Department of Healthcare and Family Services to, subject to federal approval, on and after July 1, 2012, effectuate an increase in the determination of need scores from 29 to 37 for applicants for institutional and home and community-based long term care. Amends the Nursing Home Care Act. Provides that no individual receiving care in an institutional setting shall be involuntarily discharged as the result of the updated assessment tool until a transition plan has been developed by the Department on Aging or its designee and all care identified in the transition plan is available to the resident immediately upon discharge. Effective immediately.

New Act

50 ILCS 705/7.7 new

Creates the Law Enforcement Sexual Assault Investigation Act. Provides that allegations of sexual assault by a police officer while performing his or her duties shall immediately be reported to the police officer's supervisory or command personnel and an independent law enforcement agency. Provides that the independent law enforcement agency shall conduct a formal investigation of the allegations and provide written findings and recommendations to the State's Attorney and police officer's supervisory or command personnel which may be the basis for filing charges seeking the police officer's removal, discharge, or suspension. Limits home rule powers. Amends the Illinois Police Training Act. Provides that the Illinois Law Enforcement Training Standards Board shall adopt written protocols and guidelines for the investigation of law enforcement officers accused of sexual assault.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

HB 270 does pre-empt home rule authority.

HOUSE COMMITTEE AMENDMENT NO. 1

Defines "independent agency" as (1) for a unit of local government a law enforcement agency of another unit of local government other than the unit of local government of the law enforcement agency that employs the officer accused of sexual assault; or (2) for a State law enforcement agency a law enforcement agency of the county or unit of local government in which the alleged misconduct occurred.

HOUSE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause. Creates the Law Enforcement Criminal Sexual Assault Investigation Act. Provides that each law enforcement agency shall have a written policy regarding the investigation of officer-involved criminal sexual assault that involves a law enforcement officer employed by that law enforcement agency. Provides that each officer-involved criminal sexual assault investigation shall be conducted by at least 2 investigators or an entity comprised of at least 2 investigators, one of whom shall be the lead investigator. Provides that the lead investigator shall be a person certified by the Illinois Law Enforcement Training Standards Board as a sexual assault investigator, or similar training approved by the Illinois Law Enforcement Training Standards Board or the Department of State Police, or similar training provided at an Illinois Law Enforcement Training Standards Board certified school. Provides that no investigator involved in the investigation may be employed by the law enforcement agency that employs the officer involved in the officer-involved criminal sexual assault, unless the investigator is employed by the Department of State Police or a municipality with a population of over 1,000,000 and is not assigned to the same division or unit as the officer involved in the criminal sexual assault. Provides that the investigators conducting the investigation shall, in an expeditious manner, provide a complete report to the State's Attorney of the county in which the officer-involved criminal sexual assault occurred. Provides that the Act does not prohibit a law enforcement agency from conducting an internal investigation into the officer-involved criminal sexual assault if the internal investigation does not interfere with the investigation. Provides that compensation for participation in an investigation of an officer-involved criminal sexual assault under the Act may be determined in an intergovernmental or interagency agreement. Defines terms.

HOUSE FLOOR AMENDMENT NO. 4

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 3 with changes. Provides that the investigators shall have completed a specialized assault and sexual abuse investigation training program approved by the Illinois Law Enforcement Training Standards Board or similar training approved by the Department of State Police (in House Amendment No. 3, the lead investigator shall be a person certified by the Illinois Law Enforcement Training Standards Board as a sexual assault investigator, or similar training approved by the Illinois Law Enforcement Training Standards Board or the Department of State Police, or similar training provided at an Illinois Law Enforcement Training Standards Board certified school). Provides that no investigator involved in the investigation may be employed by the law enforcement agency that employs the officer involved in the officer-involved criminal sexual assault, unless the investigator is employed by the Department of State Police and is not assigned to the same division or unit as the officer involved in the criminal sexual assault (in House Amendment No. 3, no investigator involved in the investigation may be employed by the law enforcement agency that employs the officer involved in the officer-involved criminal sexual assault, unless the investigator is employed by the Department of State Police or a municipality with a population of over 1,000,000 and is

not assigned to the same division or unit as the officer involved in the criminal sexual assault). Adds an effective date of January 1, 2018.

SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with changes. Provides that no investigator of an officer-involved criminal sexual assault may be employed by the law enforcement agency that employs the officer involved in the criminal sexual assault, unless the investigator is employed by the Department of State Police or a municipality with a population over 1,000,000 and is not assigned to the same division or unit as the officer involved in the criminal sexual assault (rather than unless the investigator is employed by the Department of State Police). Provides that upon receipt of an allegation or complaint of an officer-involved criminal sexual assault, a municipality with a population over 1,000,000 shall promptly notify an independent agency, created by ordinance of the municipality, tasked with investigating incidents of police misconduct. Effective January 1, 2018.

Amends the Illinois Income Tax Act. Provides that, from February 1, 2017 through January 31, 2018, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 8.5% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.355% of the net revenue realized from the tax imposed on corporations. Provides that, from February 1, 2018 through January 31, 2019, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 9% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.57% of the net revenue realized from the tax imposed on corporations. Provides that, from February 1, 2019 through January 31, 2020, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 9.5% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.785% of the net revenue realized from the tax imposed on corporations. Provides that, beginning on February 1, 2020, the Treasurer shall transfer each month from the General Revenue Fund to the Local Government Distributive Fund an amount equal to 10% of the net revenue realized from the tax imposed on individuals, trusts, estates, and corporations during the preceding month. Effective immediately.

FISCAL NOTE (Dept. of Revenue)

Although this bill would have no effect on total revenue, the Department of Revenue estimates that deposits into the General Revenue Fund for fiscal year 2017 would be reduced by \$30 million. Deposits into the General Revenue Fund for fiscal year 2018 would be reduced by \$100 million. Deposits into the General Revenue Fund for fiscal year 2019 would be reduced by \$175 million. Deposits into the General Revenue Fund for fiscal year 2020 would be reduced by \$258 million. Deposits into the General Revenue Fund for fiscal year 2121 would be reduced by \$314 million. After that, the amount of deposits into General Revenue Fund would be reduced increasingly, as individual income tax and corporate income tax revenue keep growing. This estimate was calculated by multiplying the net corporate income tax and individual income tax revenue forecasts by the difference between actual Local Government Distributive Fund transfer percentages and proposed Local Government Distributive Fund transfer percentages.

Amends the Administration of Psychotropic Medications to Children Act. Provides that the Department of Children and Family Services shall adopt rules requiring the Department to distribute treatment guidelines on an annual basis to all persons licensed under the Medical Practice Act of 1987 to practice medicine in all of its branches. Provides that the Department shall prepare and submit an annual report to the General Assembly with specified information concerning the administration of psychotropic medication to persons for whom it is legally responsible. Amends the Medical Practice Act of 1987. Provides that the Department of Financial and Professional Regulation may revoke, suspend, place on probation, reprimand, refuse to issue or renew, or take any other disciplinary or non-disciplinary action as the Department may deem proper with regard to the license or permit of any person issued under the Act upon repeated acts of clearly excessive prescribing, furnishing, or administering psychotropic medications to a minor without a good faith prior examination of the patient and medical reason.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the introduced bill with the following changes: In provisions amending the Administration of Psychotropic Medications to Children Act concerning requiring the Department of Children and Family Services to adopt rules on distributing certain treatment guidelines, provides that the guidelines should be distributed to all persons licensed under the Medical Practice Act of 1987 to practice medicine in all of its branches who prescribe psychotropic medications to youth for whom the Department is legally responsible. Replaces language concerning required information to be included in an annual report to be submitted to the General Assembly concerning pharmacy claims data for youth for whom the Department is legally responsible. For each youth who falls

into certain categories, the Department shall maintain a record of certain information (rather than submit the information to the General Assembly). The information includes diagnoses received on each youth (rather than on non-pharmacy claims). Removes from the required information the unit, quantity of, and the number of days' supply of the medication. Provides that the Department may (rather than shall) contract for consulting services from a psychiatrist who has expertise and specializes in pediatric care to review the data submitted in an annual report to the General Assembly. In language requiring the Department to analyze prescribing patterns for certain populations, removes persons who are in facilities operated by the Department of Corrections or the Department of Juvenile Justice. Makes other changes.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Children & Family Services)

The annual report required under HB 281 (H-AM 1) would be developed by the existing UIC Behavioral Health and Welfare Program, in consultation with DCFS, utilizing records and data they currently have access to and utilize for analysis and reporting. The Department of Children and Family Services estimates no significant fiscal impact.

Provides that the Act does not apply to a lapsed or terminated policy with no benefits payable that was compared against the Death Master File within the 18 months following the date of the lapse or termination of the applicable policy. Amends the Vital Records Act. Provides that any information contained in the vital records shall be made available at no cost to the State Treasurer for purposes related to the Uniform Disposition of Unclaimed Property Act. Amends the Uniform Disposition of Unclaimed Property Act. Removes provisions concerning certain fees and charges for unclaimed property. Provides that no person or company shall be entitled to a fee for discovering presumptively unclaimed property during the period beginning on the date the property was presumed abandoned and ending 24 months after the payment or delivery of the property to the State Treasurer (rather than until it has been in the custody of the State Treasurer for at least 24 months). Makes other changes.

FISCAL NOTE (Department of Insurance)

As a result of the requirements brought about by this legislation, the Department of Insurance would need to add, at minimum, one (1) full time position to fulfill complaint unit duties. The proposed legislation would substantially increase the amount of policies eligible for review by carriers (and thereby eligible for consumer inquiries). This position would be housed within the Department's Life and Annuities Products Division at a total annual cost to the Department of Insurance of approximately \$100,000 for both personal services and related expenses and lower line item costs. The projected cost associated with these responsibilities is expected to be covered by Other, Dedicated State Funding.

BALANCED BUDGET NOTE (Office of Management and Budget)

The Balanced Budget Note Act does not apply to this bill as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

CORRECTIONAL NOTE (Dept of Corrections)

This legislation has no fiscal or population impact on the Department of Corrections.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State.

PENSION NOTE (Government Forecasting & Accountability)

HB 302 will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 302 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:

215 ILCS 185/30

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: In provisions amending the Unclaimed Life Insurance Benefits Act, provides that an insurer shall initially perform a comparison of certain policies, contracts, and accounts in force on or after January 1, 2012 by using the full Death Master File (rather than all certain policies, contracts, and accounts). Provides that an insurer required to perform a comparison of certain policies, contracts, and accounts in force on or after January 1, 2000 shall perform a comparison of certain policies, contracts, and accounts in force between January 1, 2000 and December 31, 2016 on or before December 31, 2018 by using the full Death Master File. Removes language requiring an insurer to request information sufficient to ensure that all benefits or proceeds are distributed to the appropriate persons upon the death of the insured. Further amends the Unclaimed Life Insurance Benefits Act. Requires the Department of Insurance to define "electronic searchable files" in rules. Removes provisions allowing the Department to limit an insurer's Death Master File comparisons to the insurer's electronic searchable files or approve a plan and timeline for conversion of the insurer's files to searchable electronic files upon a demonstration of hardship by the insurer. Provides that the Act applies to policies, annuity contracts, and retained asset accounts in force at any time on or after January 1, 2012 (rather than on or after January 1, 1996). Provides that for an insurer that has entered into a written agreement with the State Treasurer on or before December 31, 2018 to resolve an unclaimed property examination, the provisions of the Act apply to certain policies, contracts, and accounts in force on or after January 1, 2017. Provides that the provisions of the Act apply to certain policies, contracts and accounts in force at any time on or after January 1, 2000 to the extent that an insurer has electronic searchable files concerning those policies, contracts, and accounts.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends removing the following provisions added to the Unclaimed Life Insurance Benefits Act: (i) that an insurer required to perform a comparison of electronic searchable files concerning its insureds', annuitants', and retained asset account holders' in-force policies, annuity contracts, and retained asset accounts in force on or after January 1, 2000 shall perform a comparison of policies, annuity contracts, and retained asset accounts in force between January 1, 2000 and December 31, 2016 on or before December 31, 2018 by using the full Death Master File; (ii) that the Department of Insurance shall, by rule, define "electronic searchable files"; and (iii) that the Act applies to policies, annuity contracts, and retained asset accounts in force at any time on or after January 1, 2000 to the extent that an insurer has electronic searchable files concerning such policies, annuity contracts, and retained asset accounts. Recommends removing a provision under the Uniform Disposition of Unclaimed Property Act that permits the Office of the State Treasurer to enter into contracts with persons to examine holders located outside the State under which the Office of the State Treasurer agrees to pay such persons based upon a percentage of the property recovered by the State.

Provides that before the imposition of an extended term sentence under this provision, the State's Attorney shall present evidence to the court at the sentencing hearing of the defendant describing the facts in the case. Provides that if the court finds that the death of the person under 18 years of age was the result of the abuse, the court shall impose an extended term sentence upon the defendant. Provides that if the court does not make such finding, the court shall impose any other sentence for the offense as prescribed in the Code.

New Act

Creates the Network Adequacy and Transparency Act. Provides that administrators and insurers, prior to going to market, must file with the Department of Insurance for review and approval a description of the services to be offered through a network plan, with certain criteria included in the description. Provides that the network plan shall demonstrate to the Department, prior to approval, a minimum ratio of full-time equivalent providers to plan beneficiaries and maximum travel and distance standards for plan beneficiaries, which shall be established annually by the Department based upon specified sources. Provides that the Department shall conduct quarterly audits of network plans to verify compliance with network adequacy standards. Establishes certain notice requirements. Provides that a network plan shall provide for continuity of care for its beneficiaries under certain circumstances and according to certain requirements. Provides that a network plan shall post electronically a current and accurate provider directory and make available in print, upon request, a provider directory subject to certain specifications. Provides that the Department is granted specific authority to issue a cease and desist order against, fine, or otherwise penalize any insurer or administrator for violations of any provision of the Act. Makes other changes. Effective January 1, 2018.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the introduced bill with the following changes: Removes the definition of "administrator". Includes in the definition of "insurer" workers compensation insurance and pharmacy benefit managers. Defines "telehealth" and "telemedicine". Removes references to "administrators" throughout the Act. Removes provisions requiring an insurer providing a network plan to file the following information with the Director of Insurance: the method of the marketing plan and certain written policies and procedures. Provides that insurers shall provide the Director a description of how the use of telemedicine, telehealth, or mobile care services may be used to partially meet the network adequacy standards (rather than a description of each network hospital of the percentage of physicians in certain specialties who practice in the hospital are in the insurer's network). Provides that the Department shall consider establishing ratios for certain physicians or other providers (rather than requiring ratios at a minimum to include certain physicians or other providers). Provides that maximum travel and distance standards for network plan beneficiaries established annually by the Department shall be done in consultation with the Department of Public Health. Removes the requirement that the network plan must demonstrate, prior to approval, that it has contracted with physicians who specialize in certain areas in sufficient numbers at any in-network facility or in-network hospital so patients have reasonable access to the in-network physicians. Provides that the network plan shall demonstrate sufficient inpatient services. Provides that the network plan may consider use of other health care service delivery options. Provides that the Director may (rather than shall) conduct periodic (rather than semi-annual) audits of the accuracy of provider directories. Removes language granting the Director specific authority to issue a cease and desist order against, fine, or otherwise penalize any insurer for violations of any provision of the Act. Makes other changes.

HOUSE FLOOR AMENDMENT NO. 2

Provides that the Act applies to an individual or group policy of accident and health insurance with a network plan amended, delivered, issued, or renewed in this State on or after January 1, 2019. Defines "authoritative representative". Removes references to "exchange plans or Medicare Advantage Plans". Removes language that requires insurers to file a description of services for review prior to going to market. In provisions concerning notice of renewal or termination, includes language that primary care providers must notify active affected patients of nonrenewal or termination of the provider from the network plan, except in the case of incapacitation. Adds provisions concerning facility nonparticipating provider transparency. Makes other changes. Provides that the bill takes effect upon becoming law (rather than on January 1, 2018).

SENATE COMMITTEE AMENDMENT NO. 1

In provisions concerning network adequacy, removes language providing that the network plan shall demonstrate sufficient inpatient services, including services by preferred providers who specialize in emergency medicine, anesthesiology, pathology, and radiology. Removes provisions concerning facility nonparticipating provider transparency.

In provisions concerning scope of practice, written collaborative agreements, temporary practice with a collaborative agreement, prescriptive authority with a collaborative agreement, titles, advertising, continuing education, and reports relating to professional conduct and capacity, changes references of "advanced practice nurse" and "APN" to "advanced practice registered nurse" and "APRN". Defines "full practice authority" and provides requirements for it to be granted to an advanced practice registered nurse. Removes provisions

concerning advanced practice nursing in hospitals, hospital affiliates, or ambulatory surgical treatment centers, except the provision for anesthesia services and the provision requiring advanced practice registered nurses to provide services in accordance with other Acts. Makes other changes. Effective immediately.
