GOVERNOR AMENDATORY VETO MESSAGE

Recommends changes to the Chicago Teacher Article of the Illinois Pension Code. Specifies that for State fiscal year 2018, the State shall contribute \$221,300,000 to the Chicago Teachers' Pension Fund. Beginning in State fiscal year 2019, provides that the State shall contribute an amount, to be determined by the Fund, equal to the employer normal cost for that fiscal year for all teachers hired before either (i) the implementation date of certain alternative benefits for members of the Downstate Teacher Article or (ii) the resolution or ordinance date for certain alternative benefits under the Chicago Teacher Article, whichever is earlier, plus the amount allowed under a specified provision to defray health insurance costs for all employees. Provides that the amount shall be reduced by the employer normal cost of the increase in benefits associated with the portion of salary in excess of the amount of the salary set for the Governor. Terminates an additional State contribution to the Fund equal to 0.544% of the Fund's total teacher payroll. Adds provisions concerning certification of the amount of the contribution and the submission of vouchers for the payment of State contributions to the Fund. Recommends changes to the State Pension Funds Continuing Appropriation Act to add a continuing appropriation for those State contributions to the Fund. Recommends changes to the School Code. In provisions concerning maximum reimbursement per credit hour for adult basic education, removes the consumer price index multiplier. Removes references to "Base Tax Year's Extension", "ECI", "Extension Limitation Ratio", "Minimum Funding Level", "Preceding Tax Year", "Preceding Tax

Year's Extension", and "PTELL EAV". In the definition of "employee benefits", removes the inclusion of costs associated with statutorily required payment of pension normal costs. In the definition of "Organizational Unit CWI", sets forth a maximum Organizational Unit CWI of 1.04. In the calculation of employee benefit investments, removes provisions concerning the certification and calculation of employer normal cost of teacher pensions for all school districts. Requires the State Superintendent of Education to calculate certain average salaries once (rather than annually). Removes a limitation that certain salary calculations shall only be applied in the first year of implementation of Evidence-Based Funding; removes calculation provisions for subsequent years. Removes provisions for the calculation of the Chicago school district's Adjusted Local Capacity Target. Removes provisions exempting portions of an Organizational Unit within a redevelopment project area from calculations of the Unit's EAV; removes corresponding changes in other Acts. Removes provisions that included specified block grants in the calculation of the Chicago school district's Base Funding Minimum. Limits provisions specifying that the Base Funding Minimum for Organizational Units shall be the sum of the amount of Evidence-Based Funding for the prior school year and the Base Funding Minimum for the prior school year to the 2018-2019 and 2019-2020 school years. Provides that beginning with the 2020-2021 school year, the Base Funding Minimum shall be the sum of the Evidence-Based Funding for the prior school year and the Base Funding Minimum for the prior school year divided by the Organizational Unit's ASE for the prior school year multiplied by the Organizational Unit's ASE for the current school year. Changes a reference in the calculation of the Evidence-Based Funding formula distribution system from "Local Capacity Target percentage" to "Local Capacity Percentage". Amends the Illinois Horse Racing Act of 1975 and the Riverboat Gambling Act to authorize electronic gaming at race tracks (and makes conforming changes in various Acts). Further amends the Illinois Horse Racing Act of 1975. Makes various changes concerning Board members. Indefinitely extends the authorization for advance deposit wagering. Contains provisions concerning testing of horses at county fairs and standardbred horses. Further amends the Riverboat Gambling Act. Changes the short title to the Illinois Gambling Act and changes corresponding references to the Act. Adds additional owners licenses, one of which authorizes the conduct of casino gambling in the City of Chicago. Makes changes in provisions concerning the admission tax and privilege tax. Makes other changes. Contains a severability provision. Effective immediately, but does not take effect at all unless Senate Bills 1, 2, 3, 4, 5, 6, 8, 9, 10, 11, 12, and 13 of the 100th General Assembly become law.

SENATE FLOOR AMENDMENT NO. 3

Removes provisions requiring that the Chicago Casino Development Authority board select the casino operator by a competitive sealed bidding process. Requires the proposed casino operator to pay a fee of \$50,000,000, to be deposited into the Gaming Facilities Fee Revenue Fund. Allows the Chicago Casino Development Authority to conduct gaming operations in an airport under the administration or control of the Chicago Department of Aviation under specified conditions. Provides that revenues in the Gaming Facilities Fee Revenue Fund shall be used, subject to appropriation, by the Comptroller for the purpose of providing appropriations to the Illinois Gaming Board for the administration and enforcement of the Illinois Gambling Act and the applicable provisions of the Chicago Casino Development Authority Act, with any remaining amounts being transferred to the General Revenue Fund (rather than the Comptroller using the remainder for the payment of vouchers that are outstanding for more than 60 days).

Removes provisions amending the State Officials and Employees Ethics Act to create an Executive Inspector General for gaming activities. In provisions amending the Illinois Horse Racing Act of 1975, makes changes concerning the award of racing dates and the pari-mutuel tax credit based on real estate taxes. Removes the authorization to pay certain expenditures from the Illinois Standardbred Breeders Fund. Makes changes to the wagering tax provisions of the Riverboat Gambling Act (the short title of which is changed to the Illinois Gambling Act by the introduced bill). Further amends the Riverboat Gambling Act. Requires that applications for the new licenses be submitted to the Illinois Gaming Board no later than 120 days (rather than 6 months) after the effective date of the amendatory Act. Removes language requiring unused gaming positions to be allocated through a competitive bidding process. In order to expedite the application process, allows the Illinois Gaming Board to establish rules allowing applicants to acquire criminal background checks and financial integrity reviews as part of the initial application process from a list of vendors approved by the Board. Authorizes the operation of a wide area progressive system. Defines "wide area progressive system". Provides that the Administrator of the Illinois Gaming Board shall have regulatory oversight of wide area progressive systems. Provides how jackpots are to be calculated and how payment is to be made. Requires wide area progressive system providers to maintain reserves. Further amends the Video Gaming Act. Provides that licensed establishments, licensed truck stop establishments, licensed veterans establishments, and licensed fraternal establishments may operate one or more wide area progressive systems per establishment. Increases the maximum bet from \$2 to \$4 and the maximum cash award for a maximum wager from \$500 to \$1199, except for wide area progressive systems, which shall have no limits on cash awards. Provides that wide area progressive system providers must submit approved policies to the Illinois Gaming Board before establishing a system. Makes other changes.

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, but with changes that include the following. Further amends the Illinois Pension Code. In the General Assembly Article, provides that a Tier 1 employee must make the election before March 31, 2018 (instead of March 1, 2018). In the General Assembly, State Universities,

Downstate Teachers, and Chicago Teachers Articles, makes changes to provisions concerning a Tier 1 employee's acceptance of a future increase in income and specifies that the election to have automatic annual increases reduced also applies to survivors annuities. Changes the definition of "future increase in income" to reference increases to a Tier 1 employee's base pay (instead of an increase in income in any form) and adds a definition of "base pay". In the General Assembly, State Employee, State Universities, and Downstate Teachers Articles, makes changes to the funding formulas. In the Chicago Teacher Article, provides that the State Comptroller (instead of the Fund) will make the consideration payments and amends the State Pension Funds Continuing Appropriation Act to provide a continuing appropriation for those consideration payments. In the State Universities and Downstate Teacher Articles, requires an additional contribution from employers for employees that earn more than \$140,000 (instead of more than the salary set for the Governor) in a school year. In the State Employee, State Universities, and Downstate Teachers Articles, no later than January 1, 2018 and each year thereafter, requires those Systems to calculate the net present value of the pension benefits for certain inactive members and to offer those members the opportunity to elect to receive an accelerated pension benefit payment equal to 70% of the net present value of his or her pension benefits in lieu of receiving any pension benefit. Provides that if a person elects to receive an accelerated pension benefit payment, his or her credits and creditable service under that Article shall be terminated upon receipt of the accelerated pension benefit payment; except that the terminated service credit shall be used for the purposes of determining participation and benefits under the State Employees Group Insurance Act of 1971. Makes conforming changes in the State Employees Group Insurance Act of 1971. Makes other changes. Effective immediately, but does not take effect at all unless Senate Bills 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 12, and 13 of the 100th General Assembly become law.

PENSION NOTE (Government Forecasting & Accountability)

SB14 makes several changes to city contribution rates for the Municipal Employees' Annuity and Benefit Fund and Laborers' Annuity and Benefit Fund. Such changes include defined maximums for tax levies on the city's taxable property for years 2018 through 2022, and a new method for calculating maximums for years following 2022. The bill also offers increased employee contribution rates to Tier 2 employees who opt for reduced retirement ages. This bill also introduces an annuity for Tier 3 members, and all new city officers who are members of the Municipal Employees' Annuity and Benefit Fund will not be eligible for alternative annuity or alternative disability benefits. There are several factors in this bill that will likely make a significant fiscal impact on both the Municipal Employees' and Laborers' Fund. At this time, no actuarial cost study has been made available to CGFA, thus the long-term fiscal impact cannot be determined. An updated impact note will be issued when an actuarial cost study has

been obtained from the affected pension funds.

Amends the Mortgage Foreclosure Article of the Code of Civil Procedure. Provides that the mortgagee is not required to present further evidence in order to establish a prima facie case of foreclosure, and once a prima facie case of foreclosure has been established by the mortgagee, the burden of proof and of presenting evidence shifts to the mortgagor to prove the amount owed on the note, payment, and any affirmative defense the mortgagor claims. Provides that failure of the mortgagor to present evidence of the amount owed on the note shall constitute a waiver of that issue, regardless of any contrary pleadings, and the mortgagee shall thereafter have the burden of presenting evidence of the amount due on the note. Provides that if the burden of presenting evidence regarding the amount owed on the note shifts back to the mortgagee because of the mortgagor's failure to present such evidence, the amount owed on the note shall be proven by affidavit. SENATE FLOOR AMENDMENT NO. 6

In provisions amending the Business Enterprise for Minorities, Women, and Persons with Disabilities Act, provides that certain notifications apply to those who submit bids or proposals for State contracts (rather than State construction projects) subject to the Act and include a utilization plan (rather than a completed utilization plan). Extends the period to respond to certain deficiencies in a submitted bid or proposal from 5 days to 10 calendar days. Corrects a grammatical error. Makes changes to the information that must be submitted in the voluntary diversity report by certain telecom and communications entities. Removes references to the Business Enterprise Council Secretary, and provides that any entity that does not submit a report (rather than a non-compliant entity) is prohibited from bidding on State contracts.

HOUSE FLOOR AMENDMENT NO. 1

Requires bidders and offerors of non-construction solicitations that include Business Enterprise Program participation goals to include utilization plans in the solicitations (rather than requiring the solicitations to include the utilization plan in the solicitation). Makes changes to the report the Department of Central Management Services must provide to the Business Enterprise Council. Provides that a chief procurement officer may (rather than shall) prohibit

certain telecom and communications entities that do not submit reports from bidding on State contracts for a period of one year. Changes various references of "diversity goals" to "contract goals". Makes technical and grammatical changes.

Provides that for hospitals, alternative health care models, Community Living Facilities, long-term care facilities, MC/DD facilities, ID/DD facilities, specialized mental health rehabilitation facilities, and community-integrated living arrangements, a television in a waiting room provided for use by the general public; in a patient, resident, or consumer room provided for use by patients, residents, or consumers that are being treated; or in a patient, resident, or consumer room provided for use by individuals using or requesting services must have a closed captioning feature activated at all times if the television includes a captioning feature. Requires reasonable efforts to be made to prevent members of the general public and individuals using or requesting services from independently deactivating a captioning feature. Provides that it is not a violation if the captioning feature is deactivated by a member of the general public or an individual using or requesting services, so long as the captioning is reactivated as soon as is practicable by a member of the staff upon knowledge that the deactivation has occurred. Requires that, if there is not a television with a captioning feature available, then a sufficient number of televisions that include a captioning feature must be obtained as soon as is practicable. SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill as amended by Senate Amendment No. 1 with the following changes: Provides that for hospitals, alternative health care models, Community Living Facilities, long-term care facilities, MC/DD facilities, ID/DD facilities, specialized mental health rehabilitation facilities, and community-integrated living arrangements, reasonable efforts must be made to have activated at all times (rather than providing that closed captioning must be activated at all times) the closed captioning feature on a television in a common area (rather than waiting room) provided for use by the general public or in a patient, resident, or consumer's room or to enable the closed captioning feature when requested to do so by a member of the general public or a patient if the television includes a closed captioning feature. Provides that it is not a violation if a staff member deactivates a closed captioning feature unless the deactivation was done so knowingly or intentionally. Removes language requiring that reasonable efforts be made to prevent members of the general public and individuals using or requesting services from independently deactivating a closed captioning feature. Provides that it is not a violation if the closed captioning feature is deactivated by a member of the general public; a patient, resident, or consumer; or member of the staff if done so at a patient, resident, or consumer's request. Removes language providing that it is not a violation if the closed captioning feature is deactivated so long as the closed captioning is reactivated as soon as is practicable by a staff member upon knowledge of the deactivation. Requires that, if there is not a television with a closed captioning feature available, then it must be ensured that all televisions obtained for common areas and patient rooms after the effective date of the amendatory Act include a closed captioning feature (rather than then a sufficient number of televisions that include a captioning feature must be obtained as soon as is practicable). Provides that nothing in the provisions of the Community Living Facilities Licensing Act, Nursing Home Care Act, MC/DD Act, ID/DD Community Care Act, and Community-Integrated Living Arrangements Licensure and Certification Act concerning closed captioning shall apply to televisions that are privately owned by a resident or third party and not owned by the Community Living Facility, long-term care facility, MC/DD facility, ID/DD facility, or community-integrated living arrangement. Removes movie screens from the definition of "closed captioning". Makes other changes.

Deletes language in Senate Amendment No. 1 providing that upon receiving a request from a federally licensed firearm dealer, the Department of State Police shall immediately approve or disprove the delivery of pre-packaged explosive components and notify the inquiring dealer of any objection that would disqualify the transferee from acquiring or possessing pre-packaged explosive components. Deletes language providing that in conducting the inquiry, the Department of State Police shall initiate and complete an automated search of its criminal history record information files and those of the Federal Bureau of Investigation, including the National Instant Criminal Background Check System, and of the files of the Department of Human Services relating to mental health and developmental disabilities to obtain any felony conviction or patient hospitalization information which would disqualify a person from obtaining or require revocation of a currently valid Firearm Owner's Identification Card.

5 ILCS 140/7.6 new

35 ILCS 5/226 new

Replaces everything after the enacting clause. Amends the Illinois Income Tax Act. Creates an income tax credit in the amount of \$750 for each taxpayer located in a county in Illinois that was declared a major disaster area in July of 2017 who (i) is the owner of homestead property, or a small business, or both, and (ii) has reported the property damage to the appropriate governing authority working in conjunction with the Illinois Emergency Management Agency or the Federal Emergency Management Agency, or has applied for disaster relief with the Federal Emergency Management Agency for that property as a result of that natural disaster. Amends the Freedom of Information Act to provide that information may be disclosed to county and township assessment officials in connection with that credit. Effective immediately.

SENATE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause. Amends the Illinois Income Tax Act. Creates an income tax credit in an amount equal to the lesser of \$750 or the loss realized with respect

to qualified property under the Internal Revenue Code for each taxpayer who owns qualified real property located in a county in Illinois that was declared a major disaster area in July of 2017. Provides that property shall not be considered damaged unless the taxpayer has reported the property damage to the appropriate governing authority working in conjunction with the Illinois Emergency Management Agency or the Federal Emergency Management Agency, or has applied for disaster relief with the Federal Emergency Management Agency for that property as a result of that natural disaster. Defines "qualified real property". Amends the Freedom of Information Act to provide that information may be disclosed to county and township assessment officials in connection with that credit. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

With respect to the natural disaster credit, provides that qualified property must be located in a county that was declared a disaster area by the Governor (in the engrossed bill, declared a major disaster area) in July of 2017. Provides that the amount of the credit shall be the lesser of (i) \$750 or (ii) the amount of the deduction allowed for the loss sustained with respect to the qualified real property under Section 165 of the Internal Revenue Code (in the engrossed bill, the lesser of \$750 or the loss realized with respect to the qualified property under Section 175 of the Internal Revenue Code).

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Further amends the Illinois Income Tax Act. Creates an income tax credit in an amount equal to the lesser of \$750 or the deduction allowed (rather than the loss realized) with respect to qualified property under the Internal Revenue Code for each taxpayer who owns qualified real property located in a county in Illinois that was declared a State disaster area by the Governor due to flooding in 2017 (rather than declared a major disaster area in July of 2017). Removes provisions providing that property shall not be considered damaged unless the taxpayer has reported the property damage to the appropriate governing authority working in conjunction with the Illinois Emergency Management Agency or the Federal Emergency Management Agency, or has applied for disaster relief with the Federal Emergency Management Agency for that property as a result of that natural disaster. Provides that the township assessor shall issue a certificate to the taxpayer identifying the taxpayer's property as damaged. Provides that a taxpayer is not entitled to the credit if the taxpayer receives a Natural Disaster Homestead Exemption under the Property Tax Code. Provides that the township assessor shall certify to the Department of Revenue a listing of the properties located within the county that have been damaged as a result of the natural disaster. Effective immediately.

105 ILCS 230/5-37

SENATE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

105 ILCS 230/5-37

Adds reference to:

105 ILCS 5/2-3.64a-5

Replaces everything after the enacting clause. Amends the School Code. Beginning in the 2018-2019 school year, requires the State Board of Education to annually assess all students in reading and mathematics in grades 3 through 8 to meet the goals and standards of the federal Every Student Succeeds Act and related rules (instead of requiring the State Board to annually assess all students enrolled in grades 3 through 8 in English language arts and mathematics). Requires the State Board (i) to implement a balanced assessment system of diagnostic, formative, and summative assessments that provide information useful to teachers for the purpose of guiding discussion and instruction in a timely manner; (ii) to assess all students with multiple, coordinated, coherent, and valid measures with a goal of increasing the amount and impact of instructional time and maximizing the measurement of student learning; and (iii) to take advantage of the Every Student Succeeds Act's support for assessments both within and outside of grade level, measures of academic growth irrespective of grade level that are measured against a stable, grade-independent scale, and other non-academic measures, such as graduation rates and student engagement. Requires the assessment system to provide grade-level proficiency scores for accountability purposes, as well as progress, instructional information, and growth for each student, and to include evidence that is instructionally relevant, student-centered, and timely delivered so that it helps educators and policy makers measure and improve the effectiveness of the educational system against accountability expectations. Effective immediately.

Amends the Mortgage Foreclosure Article of the Code of Civil Procedure. Provides that provisions concerning an additional fee paid by residential foreclosure plaintiffs are operative until January 1, 2020 (instead of January 1, 2018). Provides that provisions concerning an additional fee paid by purchasers at a judicial sale are operative and become inoperative on January 1, 2020 (instead of January 1, 2017). Repeals the Section on March 2, 2020 (instead of March 2, 2017). Provides that specified actions taken before the effective date of the amendatory Act are ratified, validated, and confirmed. Effective immediately.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE (Housing Development Authority)

Since we are unable to determine the exact amount of filings in a given month/year, we are unable to provide exact revenue amounts. The estimates are based on 4% of average amounts received both monthly and annually based on the last two fiscal years for both Abandoned Residential Property Municipality Relief Fund and the Foreclosure Prevention Program Graduated Fund.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

Provides that no later than 30 days after the effective date of the bill, a municipality that has revoked or nonrenewed the business license of an automotive parts recycler, scrap processor, repairer, or rebuilder shall notify the Secretary of State of the revocation or nonrenewal and shall notify any other municipality in which the former licensee is known to conduct business that the former licensee's business license has been revoked due to fraud or misconduct committed against the municipality. Provides that an automotive parts recycler, scrap processor, repairer, or rebuilder shall be fined \$10,000 for each day it conducts business in this State with a revoked or nonrenewed business license. Limits the concurrent exercise of power by home rule units with regard to municipalities revoking or not renewing the business license of an automotive parts recycler, scrap processor, repairer, or rebuilder. Makes conforming changes. Effective immediately.

735 ILCS 5/2-301 from Ch. 110, par. 2-301

Amends the Code of Civil Procedure. Provides that within 90 days after filing an appearance (instead of prior to filing any other pleading other than a motion for an extension of time within which to plead), a party may object to the court exercising personal jurisdiction over the party. 35 ILCS 130/3-3 new

Amends the Cigarette Tax Act. Requires the Department of Revenue to issue a request for proposal to acquire and use digital tax stamps. Provides that, upon implementation of the digital stamps, a stamp is considered affixed if 90% or more of the stamp is affixed to the individual package. Contains provisions concerning reimbursement of licensed distributors for costs associated with the initial purchase of a tax stamping machine, and provides a tax collection discount for licensed distributors.

FISCAL NOTE (Dept. of Revenue)

The fiscal impact for SB 850 is as follows: (1) Cost of the 5.5% distributor reimbursement for new stamping machines (A) Total number of licensed distributors in IL = 96; (B) Estimated cost of a digital stamping machine = \$125,000 to \$150,000; (C) Statewide cost if each distributor purchased one new digital stamping machine = \$12 million to \$14.4 million; (D) Portion of Statewide costs eligible for reimbursement by the Department of Revenue = \$660,000 to \$792,000; (E) Department of Revenue reimbursement cost factoring the Statewide cap on reimbursement = \$60,000. (2) Cost of the 0.5% distributor discount for technology and equipment = Without a Statewide or per distributor cap on the total amount of reimbursement possible there is no way to estimate the total cost of the discount the State may have to bare. (3) Additional revenue due to the 90% requirement for an affixed stamp - This change has no direct impact on the revenue generated by the cigarette tax. (4) Additional revenue due to the implementation of a digital tax stamp - Digital tax stamps are unlikely to produce additional cigarette tax revenue.

755 ILCS 5/2-3 from Ch. 110 1/2, par. 2-3

Amends the Probate Act of 1975. Provides that for purposes of determining the rights to property passing upon the death of a decedent under any instrument or the intestacy rules of this State, unless a contrary intention is expressly stated in the instrument: (1) the decedent is a parent of a posthumous child in utero at the time of the decedent's death; and (2) if a decedent had consented in writing to be a parent of any child born of his or her gametes posthumously, and died before the insemination of the individual's gametes or embryo transfer, the decedent is a parent of any resulting child born within 36 months of the death of the decedent, but only if the holder of property subject to the instrument receives timely written notice, from a person to whom such consent applies that: (i) the decedent's gametes exist; and (ii) the person has the intent to use the gametes in a manner that could result in a child being born within 36 months of the death of the decedent. Provides that if the holder of the property does not receive the written notice, the holder of the property shall not be liable to the posthumously conceived child or any person claiming for or through the child for any property passing upon the death of the decedent. Contains applicability language.

SENATE COMMITTEE AMENDMENT NO. 3

Replaces everything after the enacting clause. Amends the Probate Act of 1975. Provides that for purposes of the descent and distribution of property passing by intestate succession, a posthumous child of a decedent not in utero at the decedent's death is entitled to the same share of an estate as if the child had been born in wedlock during the decedent's lifetime only if specified conditions are met. Provides that the requirements impose no duty on the administrator of an estate to provide notice of death to any person and apply without regard to when any person receives notice of the decedent's death. Provides that for the purpose of determining the property rights of any person under any instrument: (1) a posthumous child of a decedent who is in utero at the decedent's death shall be treated as a child of the decedent unless the intent to exclude such child is demonstrated by the express terms of the instrument by clear and convincing evidence; and (2) a posthumous child of a decedent not in utero at the decedent's death shall not be treated as a child of the decedent unless specified conditions are met. Provides that the use in an instrument of terms such as "child", "children", "grandchild", "grandchildren", "descendants", and "issue", whether or not modified by phrases such as "biological", "genetic", "born to", or "of the body" shall not alone constitute clear and convincing evidence of an intent to include posthumous children not in utero at the decedent's death. Provides that an intent to exclude posthumous children not in utero at the decedent's death shall be presumed with respect to any instrument that does not address specifically how and when the class of posthumous children are to be determined with respect to each division or distribution provided for under the instrument as well as whose posthumous children are to be included and when a posthumous child has to be born to be considered a beneficiary with respect to a particular division or distribution. Provides that no fiduciary or other person shall be liable to any other person for any action taken or benefit received prior to the effective date of the amendatory Act that was based on a good faith interpretation of Illinois law regarding the right of posthumous children to take property by intestate succession or under an

instrument. Contains applicability language.

Amends the Mental Health and Developmental Disabilities Administrative Act and the Illinois Public Aid Code. Provides that the Department of Human Services shall establish reimbursement rates which build toward livable wages for front-line personnel in residential and day programs and service coordination agencies serving persons with intellectual and developmental disabilities, including, but not limited to, intermediate care facilities for persons with developmental disabilities, community integrated living arrangements, developmental training programs, employment, and other residential and day programs for persons with intellectual and developmental disabilities supported by State funds or funding under Title XIX of the federal Social Security Act. Provides that the Department shall increase rates and reimbursements so that direct support persons earn a base wage of not less than \$15 per hour and so that other front-line personnel earn a commensurate wage. Defines "front-line personnel". Effective immediately.

FISCAL NOTE (Dept. of Human Services)

The proposal would increase front-line staff rates to a minimum of \$15 per hour, approximately 40%. Currently, the Department provides an hourly rate of \$10.71 for Community Integrated Living Arrangements (CILA) rate model for DSPs and \$11.05 for Intermediate Care Facilities for Persons with Developmental Disabilities (ICF/DD). The increase also assumes that other categories of staff, such as front-line supervisors, qualified intellectual disabilities professionals, and nurses, will also receive a commensurate wage increase of 40%. Estimated fiscal cost would be \$317 million.

Creates the Limitations on Forced Arbitration Act. Defines terms and contains statements of findings, purpose, and policy. Places conditions limiting the use of forced arbitration agreements on entities doing business with the State. Creates a rebuttable presumption that specified contract terms relating to forced arbitration agreements are unconscionable. Prohibits arbitration agreements in specified situations. Provides that, with specified exceptions, appellate courts do not have jurisdiction to review a trial court's interlocutory order denying a motion to compel arbitration or otherwise concluding that an arbitration agreement is unenforceable or does not apply to a particular claim. Makes other changes, including a corresponding change in the Uniform Arbitration Act. Amends the Consumer Fraud and Deceptive Business Practices Act. Provides that a person may initiate on behalf of the State an action alleging violations of the Act to recover civil penalties on behalf of the State and to seek injunctive, declaratory, or other equitable relief that the State would itself be entitled to seek. Allows such a person a percentage of the recovery. Adds provisions governing: the State's opportunity to intervene and proceed with the action; discovery; prohibition of duplicative actions; settlement; limitations on State actions initiated by a private party; res judicata; relationship to forced arbitration; and severability.

New Act

Replaces everything after the enacting clause. Provides for the release by quitclaim deed of a certain scenic easement in Scott County in exchange for consideration of replacement property rights of equal or greater value.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Natural Resources)

The value of the property before encumbering is \$35,750 and the value after encumbrance is \$5,750. The value of the easement is approximately \$30,000 or roughly \$2,600 per acre. This would represent a loss in value of property of approximately 84% which would be similar to what the Department of Natural Resources has seen in other areas of the State due to WRP type easements.

105 ILCS 5/19-11 from Ch. 122, par. 19-11

Amends the School Code. In a Section concerning the debt limitations of school districts, provides that, in addition to all other authority to issue bonds, Waltham Community Consolidated School District 185 may incur indebtedness in an aggregate principal amount not to exceed \$9,500,000 to build and equip a new school building and improve the site thereof if certain conditions are met, including (1) that the voters of the district approve an advisory question that recommends the building and equipping of a new school building at the general election held on November 8, 2016 and (2) that, prior to incurring the debt, the school board determines, by resolution, that the building and equipping of a new school building is required as a result of the age and condition of the district's existing buildings. Provides that the debt issued and any bonds issued to pay, refund, or continue to refund such debt must mature within not to exceed 25 years from their date, notwithstanding any other law to the contrary. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Provides that in order to incur specified debt, the voters in the school district must approve an advisory question regarding the use of funding sources to build a new school building and its effect on property tax rates (rather than an advisory question that recommends the building and equipping of a new school building).

HOUSE COMMITTEE AMENDMENT NO. 1

SENATE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

65 ILCS 5/8-11-6b

Adds reference to:

55 ILCS 5/5-1062.2

Replaces everything after the enacting clause. Amends the Counties Code. Authorizes all counties (currently, only specified counties) to adopt stormwater management plans.

SENATE FLOOR AMENDMENT NO. 2

Adds reference to:

55 ILCS 5/5-1062.3

Replaces everything after the enacting clause. Reinserts the provisions of Senate Amendment No. 1 with the following changes: Further amends the Counties Code. Changes the application of provisions concerning allowing management and mitigation of the effects of urbanization on stormwater drainage in metropolitan counties located in the area served by the Northeastern Illinois Planning Commission to those located in the area served by the Chicago Metropolitan Agency for Planning. Authorizes counties containing all or a part of an urbanized area (currently, only specified counties) to adopt stormwater management plans and any other county by referendum. Provides for drainage districts and soil and water conservation districts to be represented on the stormwater management planning committee in specified counties. Provides that counties' minimum standards for floodplain and stormwater management should have an emphasis on the use of cost-effective solutions to flooding problems. Provides that the stormwater management plans shall evaluate flooding problems caused by urban flooding. Provides that a stormwater management planning committee may make grants to units of local government, not-for-profit organization, and landowners under specified conditions. Provides that a municipality receiving grant moneys must have adopted an ordinance requiring actions consistent with the stormwater management plan. Provides that questions for the levy of an annual tax for stormwater management purposes shall be held at a general election. Defines "urban flooding" as the flooding of public and private land in urban areas that results from stormwater or snowmelt runoff overwhelming the existing drainage infrastructure, unrelated to

the overflow of any river or lake, whether or not that land is located in or near a floodplain. Makes similar changes to provisions regarding DuPage and Peoria counties.

SENATE FLOOR AMENDMENT NO. 4

Provides that the county board may adopt a schedule of fees as may be reasonable and necessary (rather than as may be necessary) to mitigate the effects of increased stormwater runoff resulting from new development. Provides that, before a county that establishes a stormwater management planning council after submission of the question to the electors of the county may submit a referendum question to the electors of the county for an annual tax, the county shall adopt and enforce a floodplain management ordinance or a stormwater management ordinance that has been approved by the Office of Water Resources of the Department of Natural Resources and designate a Certified Floodplain Manager who has been certified by the Association of State Floodplain Managers (but does not require a county to create a new position or designate another individual if the county already has a Certified Floodplain Manager on staff). Provides that if a county fails to continually meet any of these conditions after approval of a referendum question for an annual tax, the county may not levy the tax until they are in full compliance with these conditions.

New Act

Creates the Living Wage Act. Provides that the State, its agencies, and political subdivisions shall ensure that new contracts and subcontracts include a provision specifying that, as a condition of payment of the contract, the minimum wage to be paid to workers in performance of the contract or subcontract shall be at least \$16.36 per hour for new contracts created after January 1, 2018. Provides that for every year thereafter, the Department of Labor shall adjust the amount of the hourly minimum wage by the annual percentage increase in the consumer price index. Sets forth provisions concerning enforcement and penalties. Creates a private right of action to enforce the provisions of the Act. Provides for debarment of certain contractors or subcontractors for violation of the Act. Contains severability provisions. Effective January 1, 2018.

SENATE FLOOR AMENDMENT NO. 1

30 ILCS 540/3-2

Replaces everything after the enacting clause with provisions of the introduced bill with the following changes: Removes references to "political subdivisions" of the State. Adds a definition of "State". Effective January 1, 2018.

FISCAL NOTE (Dept. of Central Management Services)

The Department of Central Management Services cannot quantify a financial impact to the Agency at this time. However, after reviewing a sample of the FY16 contractual wage data from CMS' State Use Vendors, the data preliminarily suggests that there could be a significant increase in vendor labor costs, potentially up to a \$5.5 million annual increase. When vendor prices increase, this is typically passed along to the customers, in this case the State of Illinois.

305 ILCS 5/5-35 new

Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that for a person who is a resident in a facility licensed under the ID/DD Community Care Act, the Community-Integrated Living Arrangements Licensure and Certification Act, or the MC/DD Act for whom payments are made throughout a month and who is determined to be eligible for medical assistance, the State shall pay an amount in addition to the minimum monthly personal needs allowance authorized under the Social Security Act so that the person's total monthly personal needs allowance from both State and federal sources equals \$60. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following addition: includes persons who reside at a facility licensed under the Specialized Mental Health Rehabilitation Act of 2013 to the list of persons who shall receive from both State and federal sources a total monthly personal needs allowance that equals \$60. Effective immediately.

FISCAL NOTE (Dept. of Human Services)

The proposal would increase Personal Needs Allowance (PNA) for Community Integrated Living Arrangements (CILA) and Intermediate Care Facilities for Persons with Developmental Disabilities (ICF/DD) to \$60 per month. The current PNA for CILA is \$50 per month and \$30 per month for ICFDD. There are approximately 11,300 individuals in CILA and 4,900 individuals residing in ICFDDs.
