New Act

Creates the Immigration Safe Zones Act. Provides that schools, medical treatment and health

care facilities, and places of worship may not grant access to State and local law enforcement agencies that have entered into an agreement with United States Immigration and Customs Enforcement or undertake other joint efforts with federal, State, or local law enforcement agencies to investigate, detain, or arrest individuals for violation of federal immigration law, unless a court has issued a warrant and appropriate personnel have reviewed that warrant and have consented to access or unless required by law and appropriate personnel have consented. Prohibits employees of elementary and secondary schools and institutions of higher education from asking about a student's immigration status or that of the student's family members, with exceptions. Requires the Department of Human Services to provide training or make training available to teachers, administrators, and other staff of elementary and secondary schools, as well as to medical treatment and health care facilities, on how to deal with immigration issues and how to notify families of those issues in multiple languages. Requires appropriate personnel of a facility to develop a plan to provide assistance, information, and safety to persons who are concerned about the government's immigration enforcement efforts. Provides for the removal of certain file information by State agencies, public schools, and public institutions of higher education. Contains a severability clause. Effective immediately.

FISCAL NOTE (Dept. of Human Services)

The estimated cost of \$5 million is based on the current \$1.9 million Immigrant Family Resource Program (IFRP), which educates and assists immigrants on Department of Human Service (DHS) benefits. In addition to providing multi-lingual education, DHS is responsible for the required training of various providers--such as health care and education--statewide. The \$5.0 million fiscal impact could grow for that reason.

Amends the Illinois Pension Code. With respect to the 5 State-funded Retirement Systems: requires each System to prepare and implement a Tier 3 plan by July 1, 2018 that aggregates State and employee contributions in individual participant accounts which are used for payouts after retirement. Provides that a Tier 1 or Tier 2 participant may irrevocably elect to participate in the Tier 3 plan instead of the defined benefit plan and may also elect to terminate all participation in the defined benefit plan and to have a specified amount credited to his or her account under the Tier 3 plan. Makes related changes in the State Employees Group Insurance Act of 1971. In the Downstate Teachers, State Employees, and State Universities Articles, authorizes a person to elect not to participate or to terminate participation in those Systems. In the General Assembly and Judges Articles, authorizes a participant to terminate his or her participation in the System. In the Illinois Municipal Retirement Fund (IMRF), State Employees, State Universities, and Downstate Teachers Articles, for participants who first become participants on or after the effective date, prohibits (i) payments for unused sick or vacation time from being used to calculate pensionable salary and (ii) unused sick or vacation time from being used to establish service credit. New Act

30 ILCS 5/3-1 from Ch. 15, par. 303-1

735 ILCS 30/15-5-46

Creates the Community Bank of Illinois Act. Provides that the Department of Financial and Professional Regulation shall operate The Community Bank of Illinois. Specifies the authority of the advisory board of directors to the Bank. Provides that the Secretary of Financial and Professional Regulation is to employ a president and employees. Contains provisions concerning the removal and discharge of appointees. Provides that State funds must be deposited in the Bank. Contains provisions concerning the nonliability of officers and sureties after deposit. Specifies the powers of the Bank. Contains provisions concerning the guaranty of deposits and the Bank's role as a clearinghouse, the authorization of loans the General Revenue Fund, bank loans to farmers, limitations on loans by the Bank, the name in which business is conducted and titles taken, civil actions, surety on appeal, audits, electronic fund transfer systems, confidentiality of bank records, the sale and leasing of acquired agricultural real estate, and the Illinois higher education savings plan. Provides that the Bank is the custodian of securities. Amends the Illinois State Auditing Act to require that the Auditor General must contract with an independent certified public accounting firm for an annual audit of The Community Bank of Illinois as provided in the Community Bank of Illinois Act. Amends the Eminent Domain Act to allow the Bank to acquire property by eminent domain.

FISCAL NOTE (Financial & Professional Regulation)

The minimum capital required to operate the bank is projected at \$13.6 billion (assuming a minimum of 12 percent capital to asset ratio that the Division of Banking recommends to State Chartered Banks Currently). The bank would not be FDIC insured and its deposits would be guaranteed by the full faith and credit of the State of Illinois. The Illinois Department of Financial and Professional Regulation (IDFPR) would need at least 100 new positions to the agency to operate the bank. Assuming 100 new positions with a starting salary of \$70,000.00 plus benefits, HB 454 would lead to a recurring annual cost of approximately \$10,739,900. A higher amount may be required after review of the business plan. This fiscal note does not include any administrative costs to operate the bank (Information technology support audit fees, marketing, lending and investment staff, and costs to operate facilities). For the purposes of this fiscal note, it is estimated that the expenses currently incurred by the various universities and state agencies associated with the management of locally held funds would no longer be expended by those respective agencies but would be spent instead by the Community Bank of Illinois and would therefore be revenue neutral to State government. It would require that the respective staff of those agencies be transferred to the Community Bank of Illinois. The Illinois Department of Financial and Professional Regulation bank would be competing with the banks it regulates, thus putting the Department in conflict of interest position.

110 ILCS 947/65.95 new

Amends the Higher Education Student Assistance Act. Requires the Illinois Student Assistance Commission to award grants to students in financial need whose household income is less than the poverty guidelines updated periodically in the Federal Register by the U.S. Department of Health and Human Services and who are enrolled for at least 15 credit hours in a public university. Provides that the Commission shall receive funding for the grants through appropriations, with each grant awarded being in an amount sufficient to pay the cost of attendance at the university in which the student is enrolled for 2 semesters of enrollment within an academic year. Defines "cost of attendance" to mean the tuition and fee, room and board, and book and supply costs related to a student's attendance at a public university.

FISCAL NOTE (Illinois Student Assistance Commission)

The cost to implement HB 456 would vary based on the number of students who take advantage of the program, the availability of other financial aid programs (namely, the MAP grant), and the cost of attendance at Illinois public universities. Assuming that MAP grants continue to be funded, it would cost approximately \$300 million during the first year to fully fund the new grants under HB 456 for the estimated 19,900 students who currently meet the bill's enrollment and income requirements. The cost in future years would increase as additional students changed their behavior to qualify for the grant (e.g. by enrolling full-time rather than part-time or by transferring from other sectors to public universities). Depending on how many students took advantage of the program and were accepted by public universities, annual costs in future years could reach \$800 million or more. If the MAP grant were not funded, the Year One costs of HB 456 would be approximately \$380 million; future annual costs would be expected to grow to about \$1 billion as students changed their behavior to qualify. Since HB 456 requires the grant to be "in an amount sufficient to pay the cost of attendance," future costs would also grow as public university tuition and fees, room and board, and book and supply costs increased.

Provides that the award of grants each year is subject to appropriation. Provides that if, in any fiscal year, the amount appropriated for grants is less than the amount determined necessary to cover the cost of attendance for all eligible applicants, then the grants shall be proportionately reduced accordingly.

New Act

105 ILCS 5/19-32 new

Creates the School District Debt Control and Taxpayer Protection Act. Provides that a school district may not refinance debt past the repayment period of the debt when issued, may not issue debt to be serviced over a period of greater than 20 years, and may not issue capital appreciation bonds. Provides that school districts may not be indebted in an amount greater than that indicated in the Act and if a school district does exceed the debt limitation, then the school district may not incur any new debt until the school district's debt is lower than the debt limitation. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the contents of the bill with the following changes. Provides that, notwithstanding any other provision of the Act, a school district may only exceed its debt limitation upon the Governor declaring a disaster within the school district, in part or in whole, under the Illinois Emergency Management Agency Act or upon the Governor's prior approval for any other reason. Requires the referendum question

allowing a school district to issue bonds to include the total cost of the bond, including interest, principal, and issuance costs, as well as the proposed term of the bond. Provides that any material or literature from a school district that is used to present information to the public about the issuance of bonds shall provide a projected cost per median-priced home in the district. Requires this information to include the school district's current long-term debt amount. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 3

105 ILCS 5/19-32 new

Replaces everything after the enacting clause. Reinserts the contents of the bill as amended by House Amendment No. 2, with the following changes. Provides that for the purpose of calculating the debt limit of a school district in relation to its equalized assessed value, debt shall include all debt issued and its associated interest and issuance costs (instead of the debt including alternate revenue bonds, privately placed debt, and all interest on all debt). Provides that no school district may become indebted in any manner or for any purpose in an amount in the aggregate exceeding 13.8% for a unit district or 6.9% for an elementary or high school district of the value of the taxable property therein (rather than just 13.8% of the value of the taxable property therein) or, if greater, the sum that is produced by multiplying the school district's 2016 equalized assessed value by the debt limitation percentage in effect on the effective date of the Act (instead of on January 1, 2017), previous to the incurring of such indebtedness. Removes the provisions allowing a school district to exceed its debt limitation upon the Governor declaring a disaster or upon the Governor's prior approval for any other reason. Changes the provisions concerning bond referendum information and bond issuance information. Removes the provisions amending the School Code. Effective immediately.

35 ILCS 5/224 new

Amends the Illinois Income Tax Act. Authorizes a credit to individual taxpayers who are residents of Illinois for expenditures made by the taxpayer during the taxable year for qualified college tuition expenses paid for the taxpayer or a dependent of the taxpayer, as determined under the Act, for up to 4 years of college education for each eligible student attending an institution of higher education. Provides that the amount of the credit is equal to 25% of the qualified college tuition expenses, but not to exceed \$2,500 per student per taxable year. Provides that, if a taxpayer claims a credit for a dependent, then that dependent may not claim a credit on the dependent's return for that taxable year. Defines "qualified college tuition expenses" as the tuition required for the enrollment or attendance of an eligible student at an institution of higher education who is eligible to receive grants from the Monetary Award Program, except that tuition payments made through scholarships or other financial aid are excluded and tuition payments for post-baccalaureate or other graduate degrees are excluded. Provides that the credit may not reduce the taxpayer's liability to less than zero and may not be carried back or carried forward. Exempts the credit from the Act's sunset provisions. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

from Ch. 134, par. 45.3

50 ILCS 750/99

Replaces everything after the enacting clause. Reinserts certain provisions of the bill as introduced with changes, and removes a provision amending the Emergency Telephone System Act to increase a surcharge for the purpose of being deposited into the South Suburban Trauma Center Fund. Provides that the South Suburban Trauma Center Fund shall receive revenue generated from a specified toll plaza together with moneys appropriated from the Trauma Center Fund. Provides that of the revenue generated from that toll plaza, 20% shall be collected and deposited into the South Suburban Trauma Center Fund.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Public Health)

The Department of Public Health (IDPH) can only estimate what the cost to implement HB477 (H-AM 1) would be for the Department itself. The Department is unable to estimate the expenses for the Health Facilities and Services Review Board. The construction of a Trauma Center is a very complex and daunting task that requires expertise throughout a lot of different areas. The Department lacks the appropriate consultants, architects, engineers, construction managers, trauma experts, and health care administrative staff to tackle the project of identifying a site, applying for permits, designing, developing, bidding and/or overseeing this type of construction project. Assuming IDPH was required to add even eight (8) professional staff for this project, the salaries and benefit packages would exceed two million dollars. This bill also places a requirement on the Health Facilities and Services Review Board and the Department to identify a provider to oversee the Trauma Center. The cost of operations will be greatly affected depending on the established level of the Trauma Center. Level I Trauma Centers have much higher operational costs and significantly require more physician specialists. There are also inpatient hospital services that must be available in both Level I and Level II Trauma Centers. Without extensive consulting services, there is no reliable way for IDPH to predict start-up costs or ongoing operational or maintenance expenses of which a health care facility would incur. Additionally, there is not time to complete this type of estimate. Long-term effects could be difficult to predict since there is no guarantee of sustainable funding after 2027. Additionally, it might take several years to raise enough money from toll booth charges to fund such an endeavor. The bill requires the Health Facility and Services Review Board in consultation with IDPH to determine the sources of revenue needed to maintain the Trauma Center. If the State agencies failed to find long-term sustainable funding, the newly developed Trauma Center might face financial hardships with detrimental consequences when the funding has been depleted. It is safe to predict that a health care provider might be reluctant to take on contracts without assurance of sustained funding beyond 2027.

Provides that the Department of Healthcare and Family Services shall provide adolescents and young adults who are experiencing an initial episode of psychosis or pre-psychosis medical assistance coverage for the wrap-around service components of the bundled first episode psychosis treatment that are not covered by their primary health insurance plan. Provides that eligibility requirements for adolescents and young adults with private insurance who apply for medical assistance coverage for the wrap-around service components of first episode psychosis treatment shall be the same as those requirements applicable to all other persons applying for medical assistance coverage. HB-0535 HOFFMAN.

55 ILCS 5/5-1096 from Ch. 34, par. 5-1096

65 ILCS 5/11-42-11.1 from Ch. 24, par. 11-42-11.1

220 ILCS 70/5

625 ILCS 5/18c-7401 from Ch. 95 1/2, par. 18c-7401

Amends the Counties Code and Illinois Municipal Code. Provides that the Illinois Commerce Commission (currently, a court of competent jurisdiction) will determine whether the installation, maintenance, repair, or removal of a community antenna would create a dangerous condition or interrupt service. Amends the Crossing of Railroad Right-of-way Act. Adds providers of broadband service to the definition of "utility". Amends the Illinois Vehicle Code. Provides that cable operators, holders of State authorizations, and broadband service providers shall not be prevented by a railroad from entering onto railroad real estate or right of way for purposes of construction or installation of system or facilities if they have followed the procedures to enter the property as required by statute. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Provides that a community antenna television company shall not cross (currently, just shall not enter upon) any real estate or rights-of-way in the possession or control of specified entities without prior written notice of intent to enter, install, maintain, cross, or remove. Defines "crossing" or "cross". Provides that the written notice shall also include: (i) detailed design and construction plans for installation, maintenance, repair, crossing, or removal; and (ii) a statement, based upon information available to the community antenna television company, confirming that the proposed installation, maintenance, repair, crossing, or removal does not create a dangerous condition or threaten public safety and will not adversely impact railroad operations or disrupt vital transportation services. Provides that within 30 days (currently, 15 business days) of receipt of a written prior notice of entry, the public utility, railroad, or pipeline owner or operator shall investigate and determine whether or not the proposed entry would create a dangerous condition. Provides that, upon application of the community antenna company, the Illinois Commerce Commission Transportation Division (rather than just the Illinois Commerce Commission) shall determine in accordance with the Commission's Rail Safety Program whether the proposed installation, maintenance, repair, crossing, or removal creates a dangerous condition. Removes provisions preventing a railroad from prohibiting a cable operator, holder of State authorization, or broadband service providers from entering onto railroad real estate or right-of-way for purposes of construction or installation of system or facilities under specified circumstances. Provides that a community antenna television company franchised by a municipality or county (rather than a community antenna television company, holder of state authorization, cable operation, or provider of broadband

service) shall not enter upon or cross any real estate or rights-of-way in the possession or control of any railroad under specified circumstances. Defines "community antenna television company." Effective immediately.

HOUSE FLOOR AMENDMENT NO. 2

Provides that the right to enter (rather than "crossing" or "cross") upon any real estate or rights-of-way includes the installation, construction, operation, repair, maintenance, or removal of wire, cable, fiber, conduit, or related facilities that are at, above, or below grade and that cross the real estate or rights-of-way in a manner that runs generally perpendicular to the railroad tracks or railroad right-of-way. Provides that, in the case of real estate or rights-of-way in possession of or in the control of a railroad, the right to enter upon does not apply to wire, cable, fiber, conduit, or related facilities that run along, within, and generally parallel to, but do not cross, the railroad tracks or railroad right-of-way. Changes the written notice requirements to conform to published and publicly available standards and to include threats to employee safety. Provides that beginning on the effective date the amendatory Act, the Transportation Division of the Illinois Commerce Commission shall include in its annual Crossing Safety Improvement Program report a brief description of the number of cases decided by the Illinois Commerce Commission and the number of cases that remain pending before the Illinois Commerce Commission for the period covered by the report. Effective immediately.

Amends the Transportation Article of the School Code. Provides that each school board may provide free transportation for any pupil residing within 1 1/2 miles from the school attended where conditions are such that walking, either to or from the school to which a pupil is assigned for attendance or to or from a pick-up point or bus stop, constitutes a serious hazard to the safety of the pupil due to a course or pattern of criminal activity, as defined in the Illinois Streetgang Terrorism Omnibus Prevention Act. Provides for the adoption of guidelines by the local law enforcement agency as to what constitutes a serious safety hazard due to a course or pattern of criminal activity. 40 ILCS 5/4-108.6

40 ILCS 5/6-227

30 ILCS 805/8.41 new

Amends the Downstate Firefighter and Chicago Firefighter Articles of the Illinois Pension Code. Authorizes a firefighter to transfer up to 10 years of creditable service in a downstate firefighter pension fund to the Firemen's Annuity and Benefit Fund of Chicago upon payment of a specified amount. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Government Forecasting & Accountability)

It is difficult to discern the potential impact of HB 688. This bill would only affect Firefighters who earned serviceable credit under a Downstate Police pension fund and are now members of the Firemen's Annuity and Benefit Fund of Chicago. That amount of firefighters who meet this criterion is currently unavailable. The fiscal impact of this legislation would need to be evaluated on a case-by-case basis by the Chicago Fire Pension Fund's actuary.

HOUSE FLOOR AMENDMENT NO. 1

Limits the authorization to transfer credit to the period ending 6 months after the effective date of the amendatory Act.

FISCAL NOTE (Dept of Insurance)

HB 688 has no projected fiscal impact upon the Illinois Department of Insurance.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Transportation)

The Illinois Department of Transportation has determined that no Land Conveyance is required by this bill.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

It is difficult to discern the potential impact of HB 688(H-AM 1). This bill would only affect Firefighters who earned serviceable credit under a Downstate Police pension fund and are now members of the Firemen's Annuity and Benefit Fund of Chicago. That amount of firefighters who meet this criterion is currently unavailable. The fiscal impact of this legislation would need to be evaluated on a case-by-case basis by the Chicago Fire Pension Fund's actuary.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 688 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Office of Management and Budget)

The Balanced Budget Note Act does not apply to House Bill 688 (H-AM 1) as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept of Corrections)

This bill has no fiscal or population impact on the Department of Corrections.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept of Insurance)

HB 688 (H-AM 1) has no projected fiscal impact upon the Illinois Department of Insurance.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This bill does create a State mandate.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

SENATE FLOOR AMENDMENT NO. 1

Adds reference to:

40 ILCS 5/3-110.12 new

40 ILCS 5/4-108

from Ch. 108 1/2, par. 4-108

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Further amends the Illinois Pension Code. Authorizes an active member of a downstate firefighters' pension fund to transfer up to 6 years of creditable service to that fund from the downstate police pension fund that is administered by the same unit of local government if that active member was not subject to disciplinary action when he or she terminated employment with that police department. Requires application within 6 months after the effective date of the amendatory Act. Authorizes reinstatement of service that was terminated by a refund. Effective immediately.

Replaces everything after the enacting clause. Amends the Day and Temporary Labor Services Act. Requires a day and temporary labor service agency to attempt to place day or temporary laborers in permanent positions. Requires compliance with Occupational Safety and Health Administration standards. Requires reports of the race and gender of temporary laborers to be reported to the Department of Employment Security. Requires an agency to provide a laborer with transportation back to the point of hire at the end of each work day. Prohibits an agency or third party client from charging a laborer for the expense of conducting a consumer report, a criminal background check, or a drug test. Makes changes regarding damages in a private right of action.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 2 (Dept. of Employment Security)

HB 690 requires day and temporary labor service agencies provide a report to the Department of Employment Security annually at the time of registration with the Department of Labor containing the race and gender of each day or temporary laborer sent to an employer and segregated by branch office and aggregated for all day and temporary laborers assigned within Illinois in the prior year. Day and temporary service agencies who fail to submit the report to the Department of Employment Security is subject to a civil penalty of \$50 for each failure to comply. Therefore, a new program and system to collect and track compliance with HB 690 will need to be created. Federal Funding cannot be used to subsidize the cost of this new program. Fiscal Overview (1) Initial Start Costs: \$3.5 million to \$7 million to develop a program and system to collect and track compliance with HB 690, which includes an online submission component, an interagency connection to the Department of Labor, and a revenue collection component, as well as 4-8 full-time equivalents for the creation and establishment of rules, policies, procedures, etc., for reporting, appeals, and adjudication. We derived this estimate based on our startup experience with our Adeptia Work Opportunity Tax Credit system. We believe a similar effort will be needed to develop the Equal Pay Certification platform. (2) Ongoing Costs: \$500,000 to \$750,000 to administer the program annually. Approximately 4-6 full time equivalents would be needed to administer and manage the day-to-day operations of this program. This estimate includes the cost of hiring a program administrator, technical assistance specialist, IT contractors, and an investigator to implement the provisions of the bill. The vast majority of the ongoing costs would be salaries, fringe benefits, one-time expenditures, and other ongoing operating expenses.

Adds reference to:

5 ILCS 140/7.5

820 ILCS 175/10

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 2, but with the following changes: Amends the Freedom of Information Act. Exempts from inspection and copying reports of the race and gender of temporary laborers submitted to the Department of Labor by registering day and temporary labor service agencies as required under the Day and Temporary Labor Services Act. Further amends the Day and Temporary Labor Services Act. Removes a provision requiring day and temporary service agencies and third party clients to comply with Occupational Safety and Health Administration standards. Provides that, regardless of the length of a temporary laborer's assignment, if a third party client supervises and directs the work of the temporary laborers, the third party client has primary responsibility for fulfilling, in the same manner as provided to the client's own employees, the following obligations with respect to the temporary laborers: (i) providing the workers with worksite-specific safety training and information; (ii) fulfilling Occupational Safety and Health Administration recordkeeping requirements; and (iii) selecting, providing, and ensuring the use of personal protective equipment appropriate for the processes or operations to which the temporary laborers are assigned. Requires a day and temporary labor service agency to inform a laborer of the type of equipment, protective clothing, and training required for the work to be performed. Provides that any worksite-specific safety training must be completed by the party responsible for supervision of the worker before the temporary laborer begins work on a project; and that the training must be in a language and vocabulary the worker understands. Requires reports of the race and gender of temporary laborers to be reported to the Department of Labor (rather than the Department of Employment Security) and exempts such reports from inspection and copying under the Freedom of Information Act. Makes other changes.

FISCAL NOTE (Dept. of Central Management Services)

The Department of Central Management Services is unable to project a fiscal impact associated with this proposed legislation due to the following factors: (1) The rapid change of the automobile industry - what manufacturers offer VIN numbers 1/2/4/5 may

not be the same manufacturers that offer them tomorrow; (2) Whether master contracts with those manufacturers exist or would need to be bid out; (3) Each vehicle purchase is unique in that the type of vehicle that is needed - pickup truck versus a sedan vs. economy car; (4) The amount of vehicles purchased at any given time is dependent upon need a adequate cash flow, which is especially unpredictable.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This legislation does not create a State mandate.

FISCAL NOTE (Dept. of Transportation)

A definite fiscal impact is not determinable at this time. The bill however, is likely to cause a significant cost increase when purchasing vehicles for the Department.

Replaces everything after the enacting clause. Amends the Board of Higher Education Act. Requires the Board of Higher Education to establish and administer, subject to appropriation, an Illinois Excellence Program to incentivize the recruitment and retention of promising faculty throughout the Illinois system of higher education. Amends the Higher Education Student

Assistance Act. Requires the Illinois Student Assistance Commission to implement and administer a program beginning with the 2018-2019 academic year to award College Affordability grants to certain Illinois residents who have graduated from an approved high school with a cumulative grade point average of at least a 3.0 on a 4.0 scale and are seeking a degree from a public institution of higher education. Sets forth the grant amount. Sets forth the terms and conditions of the program, including requiring a 2-year residency obligation following termination of the academic program and requiring students awarded grants under the program to participate in a student loan counseling program through the Commission. Requires the Commission to implement and administer a program in which the Commission shall award work-study stipends to applicants who are grant recipients and who agree to work for 5 to 15 hours per week as peer mentors or tutors for other grant recipients. Requires the Commission to implement and administer a program in which the Commission shall buy-out the private student loans of any eligible participants. Sets forth eligibility requirements. Amends the State Finance Act to create the College Affordability Fund, Work-Study Fund, College Affordability Purchasing Fund, and Illinois Excellence Fund as special funds in the State treasury. Effective July 1, 2018, but provisions concerning the College Affordability grants are effective immediately.

FISCAL NOTE (Illinois Student Assistance Commission)

This fiscal note discusses the three programs that would be administered by ISAC: (1) COLLEGE AFFORDABILITY GRANT: An estimated 100,000 students would immediately qualify for the College Affordability Grant program. If MAP and Pell grant funding is held constant, approximately \$300 million would be required to fully fund the new program in the first year (FY19). This cost would be expected to grow in subsequent years as additional students qualified for the grant; based on the current capacity of public institutions, these costs could rise to \$400 million annually; (2) Given the terms of the grant and their potential to convert to loans, the program could entail substantial start-up and on-going operational costs. ISAC preliminarily estimates that if the grant/loan program itself were fully funded, additional operational costs could total over \$10 million annually, particularly because the program requires tracking recipients from the time the grant is made until at least two years after graduation. In the case of recipients who enter repayment, the agency would be required to collect from them for at least a decade and longer in some cases, since some recipients will be unable to pay back the grants over 10 years; (3) WORK-STUDY: Each participant in the work-study program would be permitted to work 5-15 hours/week, or 150-450 hours in the average academic year. At the Illinois minimum wage of \$8.25 an hour, each recipient would need to be allocated a minimum of \$1,237.50 - \$3,712.50 annually. To double current work-study opportunities (the intent described by one bill sponsor) about 11,000 work study recipients would be served at a cost of about \$18.1million annually; (4) PRIVATE STUDENT LOAN PURCHASING: Appropriators could allocate any amount to this program; ISAC estimates that Illinois public university graduates from the last ten years with GPAs at or above 3.0 may hold approximately \$500 million in private loan debt. The fiscal impact of this program would include both the amount needed to purchase the loans and the start-up and on-going operational costs to administer the new loan program. Even a relatively small pilot program would have to be run for more than 10 years. If \$50 million in outstanding private loans were to be purchased, ISAC estimates additional funding needs of approximately \$780,000 in the first year and a total of about \$6 million over the 10-year life of the new loans to cover program costs. Those include the one-time cost of originating the new loans, plus the on-going costs of servicing, reporting, monitoring, collection of delinquent loans, etc. In addition, some portion of the loans that become delinquent will ultimately be written off as uncollectible.

Replaces everything after the enacting clause. Amends the Illinois Insurance Code, the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, the School Code, the Health Maintenance Organization Act, the Limited Health Service Organization Act, the Voluntary Health Services Plans Act, and the Illinois Public Aid Code to require coverage for hearing instruments and related services for all individuals 63 years of age and older when a hearing care professional prescribes a hearing instrument. Provides that an insurer shall provide coverage for hearing instruments subject to certain restrictions. Provides that an insurer shall not be required to pay a claim if the insured filed such a claim 24 months prior to the date of filing the claim with the insurer and the claim was paid by any insurer. Contains a nonacceleration provision.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept of Insurance)

HB 1333 (H-AM 1) has no projected fiscal impact upon the Illinois Department of Insurance. However, HB 1333 (H-AM 1) creates a state mandate that would require state funding. Under the ACA states cover the costs of mandates passed after 2011 that apply to individual and small group plans sold on and off the Marketplaces. Therefore, if this mandate increases the plan's premiums, Illinois will be responsible for funding the cost attributable to this mandate.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1

This bill does not create a State mandate.

from Ch. 23, par. 5-5

305 ILCS 5/5-5.01a

Replaces everything after the enacting clause. Amends the Illinois Act on the Aging, the Disabled Persons Rehabilitation Act, and the Illinois Public Aid Code. Regarding services provided under the Community Care Program, the Home Services Program, the supportive living facilities program, and the nursing home prescreening project, provides that individuals with a score of 29 or higher based on the determination of need assessment tool shall be eligible to receive institutional and home and community-based long term care services until the State receives federal approval and implements an updated assessment tool, and those individuals are found to be ineligible under that updated assessment tool. Requires the Department on Aging, the Department of Human Services, and the Department of Healthcare and Family Services to adopt rules through the regular rulemaking process regarding the updated assessment tool, but prohibits those Departments from adopting emergency or peremptory rules regarding the updated assessment tool. Contains provisions concerning continued eligibility for persons made ineligible for services under the updated assessment tool. Further amends the Illinois Act on the Aging by prohibiting the Department on Aging from: (i) adopting any rule that restricts eligibility under the Community Care Program to persons who qualify for medical assistance under Article V of the Illinois Public Aid Code; or (ii) establishing, by rule, a separate program of home and community-based long term care services for persons who are otherwise eligible for services under the Community Care Program but who do not qualify for medical assistance under Article V of the Illinois Public Aid Code. Prohibits the Department from increasing copayment levels under the Community Care Program to the levels that were in effect on January 1, 2016, except to make an adjustment for inflation. Removes language that make Medicaid enrollment or eligibility a condition of eligibility under the Community Care Program if the Auditor General has reported that the Department has failed to comply with certain reporting requirements under the Illinois State Auditing Act. Further amends the Illinois Public Aid Code by deleting a provision requiring the Department of Healthcare and Family Services to, subject to federal approval, on and after July 1, 2012, effectuate an increase in the determination of need scores from 29 to 37 for applicants for institutional and home and community-based long term care. Amends the Nursing Home Care Act. Provides that no individual receiving care in an institutional setting shall be involuntarily discharged as the result of the updated assessment tool until a transition plan has been developed by the Department on Aging or its designee and all care identified in the transition plan is available to the resident immediately upon discharge. Effective immediately.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. on Aging)

An additional \$120M will be required for FY18 should HB1424 (H-AM 1) pass and be signed into law, by 2020 the cost will increase by just over \$398M. The loss of revenue if Federal waivers are jeopardized for the Department on Aging alone is over \$227M.

735 ILCS 5/2-1401 from Ch. 110, par. 2-1401

Amends the Unified Code of Corrections. Provides that it is a mitigating factor in

sentencing that at the time of the offense, the defendant was suffering from post-partum depression or post-partum psychosis which was either undiagnosed or untreated, or both, and this temporary mental illness tended to excuse or justify the defendant's criminal conduct and the defendant has, after sentencing, been diagnosed as suffering from post-partum depression or post-partum psychosis, or both, by a qualified medical person and the diagnoses or testimony, or both, was not used at trial or sentencing, or both. Amends the Code of Civil Procedure concerning relief from final orders and judgments, after 30 days from the entry of the judgment. Provides that a meritorious claim may be made for that relief if the allegations in the petition establish each of the following by a preponderance of the evidence: (1) the movant was convicted of a forcible felony; (2) the movant's participation in the offense was a direct result of the movant's mental state either suffering from post-partum depression or post-partum psychosis; (3) no evidence of post-partum depression or post-partum psychosis was presented by a qualified medical person at trial or sentencing, or both; (4) the movant was unaware of the mitigating nature of the evidence or if aware was at the time unable to present this defense due to suffering from post-partum depression or post-partum psychosis or at the time of trial or sentencing neither was a recognized mental illness and as such unable to receive proper treatment; and (5) evidence of post-partum depression or post-partum psychosis as suffered by the movant is material and noncumulative to other evidence offered at the time of trial or sentencing and it is of such a conclusive character that it would likely change the sentence imposed by the original court. Defines "post-partum depression" and "post-partum psychosis".

**HB-1804 CASSIDY - MAYFIELD - SLAUGHTER - BELLOCK - CABELLO,
WHEELER, BARBARA, SKILLICORN, CURRIE AND JESIEL.**

725 ILCS 5/116-2.2 new

Amends the Code of Criminal Procedure of 1963. Allows a motion to be filed with the trial court that entered the judgment of conviction in a defendant's case at any time following the entry of a guilty verdict or a finding of guilt for any offense under the Criminal Code of 1961 or the Criminal Code of 2012 or a similar local ordinance by the defendant provided: (1) the motion clearly states the penalty for the offense for which the defendant was found guilty or convicted has been amended or changed and became effective after his or her plea of guilty or conviction, which includes but is not limited to: (A) reduces the minimum or maximum sentence for the offense; (B) grants the court more discretion over the range of penalties for the offense; (C) the underlying conduct relating to the offense was decriminalized; or (D) other instances in which the penalties associated with the offense or conduct underlying the offense were reduced in any way; and (2) reasonable notice of the motion is served upon the State. If the court grants a motion under this Section, it must reduce the penalty imposed on the defendant so that it is consistent with the penalty the defendant would have received if the current law was in effect on the date when the offense was committed and the court may take any additional action it deems appropriate under the circumstances.

FISCAL NOTE (Admin Office of the Illinois Courts)

This legislation would have no fiscal impact on the State appropriation to the judicial branch. It is not possible to determine what fiscal impact, if any, the bill would have on local judicial budgets.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This legislation does not create a State mandate.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Provides upon verified petition for resentencing by the defendant (in the introduced bill, by motion), the trial court that entered the judgment of conviction in a defendant's case may order resentencing at any time after 30 days have passed following the imposition of a sentence under a guilty verdict or a finding of guilt for any criminal offense under the Criminal Code of 1961 or the Criminal Code of 2012 or a similar local ordinance provided: (1) the State's Attorney or other prosecuting attorney is given at least 30 day notice of the filing of the petition seeking resentencing; (2) the State's Attorney or other prosecuting attorney files a response indicating agreement with the petition and the defendant's request for resentencing (in the introduced bill, the motion is not objected to by a non-moving party); and (3) the petition clearly states the statutory penalty for the offense for which the defendant was found guilty or convicted has, since his or her plea of guilty or conviction, been subsequently reduced or altered in a manner that includes, but is not limited to, reducing the minimum or maximum sentence for the offense, granting the court more discretion over the range of penalties available for the offense, or changing the penalties associated with the offense or conduct underlying the offense in any way. Provides that if the court grants a petition, the court must resentence the defendant in a manner that is consistent with the penalty the defendant would have received if the current law was in effect on the date when the offense was committed or the original sentence was imposed and the court may take any additional action it deems appropriate under the circumstances (in the introduced bill, if the court grants a motion, it must reduce the penalty imposed on the defendant so that it is consistent with the penalty the defendant would have received if the current law was in effect on the date when the offense was committed and the court may take any additional action it deems appropriate under the circumstances).

Provides that an individual shall not act as a behavior technician (a noncredentialed individual who delivers applied behavior analysis services under the delegation and supervision of a behavior analyst) in this State unless he or she has had a criminal history records check conducted by the Department and the criminal history records check does not reveal any criminal history record information for that individual. New Act

Creates the Wage Lien Act. Provides that a lien exists on an employer's property for the amount of unpaid wages owed to an employee. Defines terms and includes provisions concerning creation of the lien; exemptions; notice; limitations; recording of the lien; enforcement; other claims on the employer's property; successor obligations; and construction.

FISCAL NOTE (Dept. of Revenue)

The Department of Revenue currently lacks expertise in the filing and enforcement of liens. With passage of this bill, the Department will need to add up to three fulltime staff to devise and implement new lien procedures, research, file, and process the liens. Also, two additional attorneys preferably with lien recovery experience are needed to review for enforcement sufficiency and to represent the Department at hearing. Additionally, two administrative law judges with lien recovery and or Uniform Commercial Code expertise would also be needed to handle the increase in administrative hearings. Administrative costs include postage, filing fees, office supplies and new employee IT equipment and licensing. Currently, according to the Cook County Recorder of Deeds, recording costs for liens range from \$25.00 to \$32.00. It is estimated that if the Department had this additional staff the number of liens that it theoretically could record would be around 1,000 to 1,500 per year. Fiscal Impact = \$1,038,336 (7 Headcount - \$972,336; Administrative Costs - \$66,000).

New Act

430 ILCS 65/8.2

430 ILCS 66/70

Creates the Lethal Violence Order of Protection Act. Provides that a petitioner may request an emergency lethal violence order of protection by filing an affidavit or verified pleading alleging that the respondent poses an immediate and present danger of causing personal injury to himself, herself, or another by having in his or her custody or control, owning, purchasing, possessing, or receiving a firearm. Provides that the petition shall also describe the type, and location of any firearm or firearms presently believed by the petitioner to be possessed or controlled by the respondent. Provides that the petitioner may be a family member of the respondent or a law enforcement officer, who files a petition alleging that the respondent poses a danger of causing personal injury to himself, herself, or another by having in his or her custody or control, owning, purchasing, possessing, or receiving a firearm. Establishes factors that the court must consider before issuing a lethal violence order of protection. Provides for the issuance of ex parte orders and one year orders. Provides that if the court issues the order the respondent must: (1) refrain from having in his or her custody or control, owning, purchasing, possessing, or receiving additional firearms for the duration of the order; and (2) turn over to the local law enforcement agency any firearm, Firearm Owner's Identification Card, or concealed carry license in his or her possession. Establishes factors for renewing and terminating lethal violence orders of protection. Amends the Firearm Owners Identification Card Act and the Firearm Concealed Carry Act to make conforming changes.

FISCAL NOTE (Admin Office of the Illinois Courts)

This legislation would have no fiscal impact on the State appropriation to the judicial branch. It is not possible to determine what fiscal impact, if any, the bill would have on local judicial budgets.

FISCAL NOTE (Illinois State Police)

The fiscal impact of this legislation is difficult to determine. Depending on the volume of Lethal Violence Orders of Protection additional Firearms Eligibility Analysts (FEAs) may be needed to process these orders and deny/revoke Firearm Owner's Identification (FOID) Cards and concealed carry licenses. The Illinois State Police currently processes approximately 930 FOID card revocations per month. The average cost for an FEA is \$101,598 annually. Additionally, any identified need for FEAs will require an increase to the Department's authorized headcount.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This legislation does not create a State mandate.
