New Act

30 ILCS 105/5.878 new

Creates the Family Leave Insurance Program Act. Requires the Department of Labor to establish and administer a Family Leave Insurance Program that provides family leave insurance benefits to eligible employees who take unpaid family leave to care for a newborn child, a newly adopted or newly placed foster child, or a family member with a serious health condition. Sets forth eligibility requirements for benefits under the Act including that the employee must (i) establish that he or she has been employed for at least 680 hours in employment during the employee's qualifying year and (ii) document that he or she has provided the employer with written notice of the employee's intention to take family leave. Defines "employer" to mean (a) any person, partnership, corporation, association, or other business entity that employs 50 or more employees for each working day during each of 20 or more calendar workweeks in the year in which the leave is to be taken or in the year immediately preceding the year in which the leave is to be taken; and (b) the State of Illinois and any other unit of local government. Contains provisions concerning disqualification from benefits; premium payments; the amount and duration of benefits; the recovery of erroneous payments; hearings; defaulted premium payments; elective coverage; employment protection; coordination of family leave; defined terms; and other matters. Amends the State Finance Act. Creates the Family Leave Insurance Account Fund.

HOUSE COMMITTEE AMENDMENT NO. 4

Replaces everything after the enacting clause. Creates the Family Leave Insurance Act. Provides that an employee may take up to 12 weeks of family leave within any 24-month period for the purpose of providing care for the birth of a child, adoption of a child or placement of a foster child, or serious health condition of a family member. Establishes terms and conditions for taking leave. Authorizes compensation for the family leave to be paid from the State Benefits Fund, a special fund created in the State treasury. Prohibits simultaneous receipt of benefits under the Family Leave Insurance Act, the Unemployment Insurance Act, and the Workers' Compensation Act. Imposes a charge upon certain wages for the payment of benefits. Provides for administration by the Department of Employment Security. Amends the State Finance Act to add the State Benefits Fund to the list of special funds in the State

treasury. Creates civil penalties for certain violations. Provides that a violation with intent to defraud the Department is a Class C misdemeanor. Effective immediately.

Amends the Illinois Pension Code. With respect to the 5 State-funded Retirement Systems: requires each System to implement a Tier 3 plan by July 1, 2018 that aggregates State and employee contributions in individual participant accounts which are used for payouts after retirement. Provides that a person who becomes a participant of a System on or after July 1, 2018 shall participate in the Tier 3 plan instead of the defined benefit plan. Authorizes a Tier 1 or Tier 2 participant to elect to participate in the Tier 3 plan instead of the defined benefit plan and to also elect to terminate all participation in the defined benefit plan and to have a specified amount credited to his or her account. Makes related changes in the State Employees Group Insurance Act of 1971. In the Downstate Teachers, State Employees, and State Universities Articles, authorizes a person to elect not to participate or to terminate participation in those Systems. In the General Assembly and Judges Articles, authorizes a participant to terminate his or her participation in the System. In the Illinois Municipal Retirement Fund (IMRF), State Employees, State Universities, and Downstate Teachers Articles, for participants who first become participants on or after the effective date, prohibits payments for unused sick or vacation time from being used to calculate pensionable salary and unused sick or vacation time from being used to establish service credit.  720 ILCS 570/505 from Ch. 56 1/2, par. 1505
 720 ILCS 646/85

Amends the Cannabis Control Act, the Illinois Controlled Substances Act, and the Methamphetamine Control and Community Protection Act. Provides that 12.5% of all moneys and the sale proceeds of all other property forfeited and seized under the Acts shall be distributed to the Office of the Public Defender of the county in which the prosecution resulting in the forfeiture was instituted, deposited in a special fund in the county treasury and appropriated to the Public Defender to be used for the expenses incurred in defending persons charged with violating laws governing cannabis and controlled substances. Decreases from 65% to 52.5% the amounts distributed to the metropolitan enforcement group, local, municipal, county, or state law enforcement agency or agencies which conducted or participated in the investigation resulting in the forfeiture.

FISCAL NOTE (Illinois State Police)

If HB 2409 was law, it would result in an approximate 19.2% reduction in equitable sharing proceeds due to the legislation's percentage reduction. The Illinois State Police's Fiscal Year 2016 (FY16) receipts at the current 65% sharing was approximately \$2.761 million, which was based on a total of \$4.247 million forfeited. If the Illinois State Police's sharing was reduced to 52.5%, receipts would have been \$2.229 million, an actual reduction of 19.2% in receipts. Therefore, if this legislation were law, our FY16 revenue would have been reduced over one-half million dollars at \$532,000.

With respect to the requirement that a driver education course consist of at least 6 clock hours of practice driving in a car having dual operating controls in order for a school district to receive reimbursement from the State, provides that the State Board of Education may allow, in lieu of not more than 5 clock hours of practice driving in a dual control car, such practice driving instruction as it determines is the equivalent of such practice driving in a dual control car. Allows school districts to adopt a policy to permit proficiency examinations for the practice driving part of the driver education course at any time after the completion of 3 hours of practice driving under direct individual instruction. Effective immediately.

Amends the Downstate Public Transportation Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, the Use Tax Act, and the Service Use Tax Act. Beginning July 1, 2018, instead of use and occupation tax collections being deposited into the General Revenue Fund and then transferred monthly by the Comptroller from the General Revenue Fund to the Downstate Public Transportation Fund, requires the Department of Revenue to deposit the designated fraction of the net revenue realized from those collections directly into the Downstate Public Transportation Fund. Effective July 1, 2018.

FISCAL NOTE (Office of the Comptroller)

Provisions of HB 2453 would require the deposit of transit funds derived from sales taxes directly into the Downstate Public Transportation Fund that would amount to an estimated \$205 million annually. Currently, the Office of the Comptroller makes transfers from the General Revenue Fund into the Downstate Public Transportation Fund as available balances in the GRF allows throughout the fiscal year while facing a general funds backlog of bills at \$12.6 billion. This legislation would essentially remove the Comptroller's discretion for making such payments for downstate transit districts from cash management criteria used by the Comptroller in balancing payments for all the other pending obligations such as for education, medical programs, certain human service programs, debt service and State payrolls. As of March 24, 2017 the pending backlog for the Downstate transit programs was estimated at \$70 million.

820 ILCS 112/30

Amends the Equal Pay Act of 2003. Prohibits an employer from: (i) screening job applicants based on their wage or salary history, (ii) requiring that an applicant's prior wages satisfy minimum or maximum criteria, and (iii) requesting or requiring as a condition of being interviewed or as a condition of continuing to be considered for an offer of employment that an applicant disclose prior wages or salary. Prohibits an employer from seeking the salary, including benefits or other compensation or salary history, of a job applicant from any current or former employer. Limits defenses. Provides for penalties and injunctive relief.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 2462 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE (Government Forecasting & Accountability)

HB 2462 will not impact any public pension fund or retirement system in Illinois.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling, a single-family residence.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State.

CORRECTIONAL NOTE (Dept of Corrections)

This legislation has no fiscal or population impact on the Department of Corrections.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

The Illinois Department of Transportation has determined that no land conveyance is necessary for this bill.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This legislation does not create a State mandate.

BALANCED BUDGET NOTE (Office of Management and Budget)

This bill will have a negative fiscal impact on the State by increasing the workload on Illinois Department of Labor as it expands the Equal Pay Act to include newly prohibited activity. This increase in costs is not included in the Governor's FY18 proposed budget. There are no proposed revenues or offsetting budget reductions to support these increased costs. It is unknown how much additional operational cost it will bring to the Department at this point, therefore an accurate cost assessment cannot be determined.

FISCAL NOTE (Dept. of Revenue)

With passage of this bill, the Department of Revenue will need to add at least (1) full time staff. The increase in staff would consist of a Labor Conciliator. Additional administrative costs include postage, office supplies and new employee IT equipment and licensing. Fiscal Impact = \$162,000.

HOUSE FLOOR AMENDMENT NO. 1

Provides exceptions to the applicability of a provision stating that it is unlawful for an employer to seek the wage or salary history of any job applicant from any current or former employer.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

Amends the Prevailing Wage Act. Provides that the prevailing wage shall not be less than the rate that prevails for similar work performed under collective bargaining agreements in the locality provided that the agreements cover at least 30% of the workers. Provides that, if bargaining agreements do not exist in the locality, the Department of Labor shall ascertain the prevailing wage to be paid under the Act. Applies to public works performed without a written contract. Requires that the Department publish prevailing wages schedules on its website.

CORRECTIONAL NOTE (Dept of Corrections)

This bill has no fiscal or population impact on the Department of Corrections.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State.

PENSION NOTE (Government Forecasting & Accountability)

This legislation will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 2495 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill could have a fiscal effect on housing programs that employ public works persons and comply with the Prevailing Wage Act but there is insufficient information to determine what sort of effect there would be at this time, since it is a project-based, locality-based and timing-based calculation.

BALANCED BUDGET NOTE (Office of Management and Budget)

The Balanced Budget Note Act does not apply to this bill as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

FISCAL NOTE (Dept of Labor)

The Department would foresee the additional hiring of an Administrative Law Judge. Salary and benefits would be estimated at a cost of \$152,500.00.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

Amends the Employer's Liability Rates Article of the Illinois Insurance Code. Provides that a rate is excessive if it is likely to produce a long run profit that is unreasonably high for the insurance provided or if expenses are unreasonably high in relation to the services rendered. Repeals provisions regarding presumptions that a competitive market exists, determining whether a competitive market exists, and disapproval of rates under specified circumstances. Amends the Workers' Compensation Act. Provides that accidental injuries sustained while traveling to or from work do not arise out of and in the course of employment. Defines "in the course of employment" and "arising out of the employment". Permits an employer to file with the Illinois Workers' Compensation Commission a workers' compensation safety program or a workers' compensation return to work program implemented by the employer. Provides that the Commission may certify any such safety program as a bona fide safety program after reviewing the program. In a provision concerning compensation for the period of temporary total incapacity for work resulting from an accidental injury, provides that (i) injuries to the shoulder shall be considered injuries to part of the arm and (ii) injuries to the hip shall be considered injuries to part of the leg. Contains provisions concerning repetitive and cumulative injuries; permanent partial disability determinations; electronic claims; annual reports by the Commission concerning the state of self-insurance for workers' compensation in Illinois; and duties of the Workers' Compensation Premium Rates Task Force; and other matters. Effective immediately.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State.

FISCAL NOTE (Illinois Workers' Compensation Commission)

House Bill 2525 as introduced would have a significant fiscal impact on the Illinois Workers' Compensation Commission. The bill includes a provision that would result in less revenues to fund office operations while requiring increased expenditure of State funds to hire additional professionals with expertise in various disciplines and additional investigators to investigate workers' compensation fraud. An accurate cost estimate of this legislation is not available at this time.

BALANCED BUDGET NOTE (Office of Management and Budget)

The Balanced Budget Note Act does not apply to this bill as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

PENSION NOTE (Government Forecasting & Accountability)

This legislation will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

This legislation would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

CORRECTIONAL NOTE (Dept of Corrections)

This legislation has no fiscal or population impact on the Department of Corrections.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

SENATE FLOOR AMENDMENT NO. 2

820 ILCS 305/8.2

Makes additional changes to the Workers' Compensation Act. Provides that the Illinois Workers' Compensation Commission, in consultation with the Workers' Compensation Medical Fee Advisory Board shall establish an evidence-based drug formulary. Changes a waiting period for benefits for certain firefighters, emergency medical technicians, and paramedics. Changes compensation computations for subsequent injuries to the same part of the spine. Defines terms.

Amends the Unified Code of Corrections. Provides that the Department of Children and Family Services shall assign a caseworker to attend any hearing involving youth placed on aftercare release, including hearings involving sanctions for violation of aftercare release conditions and aftercare release revocation hearings. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

Provides that the caseworker shall attend the hearings on aftercare release or hearings involving sanctions for violation of aftercare release conditions and aftercare release revocation hearings involving a youth in the care and custody of the Department of Children and Family Services.

FISCAL NOTE (Dept. of Children & Family Services)

This legislation is estimated to require an additional eight caseworkers to be hired at an annual cost of \$144,000 per worker. The total estimated annual impact of this legislation would be \$1,152,000.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Children & Family Services)

HB 2589 (H-AM 1) narrows the scope of the legislation, requiring only those aftercare cases associated with both Department of Children and Family Services and the Department of Juvenile Justice to be assigned to a DCFS caseworker. Because all youth served by DCFS are already assigned a caseworker at case opening, the Department estimates that House Bill 2589 (H-AM 1) will have little to no fiscal impact on the Department of Children and Family Services.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

The Illinois Department of Transportation has determined that no land conveyance is necessary for this bill.

CORRECTIONAL NOTE (Dept of Corrections)

This bill has no fiscal or population impact on the Department of Corrections.

PENSION NOTE (Government Forecasting & Accountability)

This legislation will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 2622 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

BALANCED BUDGET NOTE (Office of Management and Budget)

The Balanced Budget Note Act does not apply to this bill as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

HOUSE FLOOR AMENDMENT NO. 1

In provisions concerning the Illinois Workers' Compensation Commission Operations Fund surcharge, provides that after the effective date of the amendatory Act, the Director of Insurance shall make a loan of \$10,000,000 (rather than make one or more loans in an amount not to exceed an aggregate amount of \$10,000,000) to the Illinois Employers Mutual Insurance Company from the Illinois Workers' Compensation Commission Operations Fund for the start-up funding and initial capitalization of the Company. Makes changes to the term years for members of the Board of directors. Makes changes to the qualifications for the Board director. Provides that the Board shall reflect the ethnic, cultural, and geographical diversity of the State. HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

FISCAL NOTE (Dept of Insurance)

The Illinois Department of Insurance (IDOI) collects a 1.01% surcharge annually on

workers' compensation insurance premiums from insurance carriers. However, the funds collected simply pass through the Illinois Department of Insurance. HB 2622 has no projected fiscal impact upon the Illinois Department of Insurance.

Creates the Parental Rights for the Blind Act. Contains statements of legislative findings and purpose. Defines terms. Provides that a person's blindness shall not serve as a basis for denial or restriction of parenting time, the allocation of parental responsibilities, participation in adoption proceedings, foster care placement, or guardianship appointment. Provides that if a person's blindness is alleged to have a detrimental impact on a child, the party raising the allegation bears the burden of proving by clear and convincing evidence that the blindness endangers or will likely endanger the health, safety, or welfare of the child. Provides that if the burden is met, the person with blindness shall have the opportunity to demonstrate that the implementation of supportive parenting services will alleviate any concerns that have been raised. Provides that the court may require that the supportive parenting services be put in place, with an opportunity to review the need for continuation of the services within a reasonable period of time. Provides that if a court determines that a blind person's parental rights should be denied or limited in any manner, the court shall make specific written findings stating the basis for such a determination and why the provision of supportive parenting services is not a reasonable accommodation that must be made to prevent such denial or limitation.

HOUSE FLOOR AMENDMENT NO. 1

Provides that if a court determines that a blind person's parental rights should be denied or limited in any manner, the court shall make specific written findings stating why supportive

Provides that only materials manufactured in Illinois may be sold in gift shops or concession areas within State parks or parkways. Defines "materials manufactured in Illinois". Amends the Historic Preservation Agency Act. Provides that only materials manufactured in Illinois may be sold on the property of State Historic Sites, State Memorials, and the other properties over which the Historic Preservation Agency has jurisdiction. Defines "materials manufactured in Illinois".

FISCAL NOTE (Dept. of Natural Resources)

HB 2764 will severely impact operations at State Park Gift Shops and Visitors Centers as well as smaller Illinois Department of Natural Resources (IDNR) Concessions. Estimated inventory at only 6 sites is almost \$400k. At least seven of our State Parks contract vending through the Business Enterprise for the Blind. These vending machines provide snacks, water and soft drinks. While some of these products are manufactured in the United States, many are not. This legislation places a tremendous burden on the Vendor to stay competitive. IDNR's World Shooting and Recreational Complex would most likely lose the Grand American shoot. Since most of IDNR's Building Vendors would encounter the same difficulties stocking U.S.A. inventory, they may elect to sever their leases with IDNR. The smaller Concessions at IDNR State Parks are restaurants, boat/canoe rental and bait shops. These concessions sell sun screen, suntan lotions, bait and tackle (fishing lures, fishing line) etc. These inventories will be very limited if only United States products are allowed to be sold and possibly eliminate the availability of these types of services at IDNR State Parks.

Amends the Illinois Highway Code. Provides that bids for State or federally funded road construction contracts shall include transportation costs itemized apart from the cost of the goods or materials transported.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This legislation does not create a State mandate.

FISCAL NOTE (Dept. of Transportation)

The Illinois Department of Transportation (IDOT) implements approximately 800 construction contracts annually during the 112 day construction season. Each of those projects uses an average of 5 trucks over the course of an 8 hour work day. Generally, truckers negotiate an hourly rate that includes the cost of their labor and the truck itself costing on average between \$85 and \$95 an hour. If the language of the bill were applied to all trucking associated with a contract, that cost could jump to \$125 per hour or more depending on how much the trucker charges for the service of their truck. Assuming an additional \$35 an hour in the cost of trucking, IDOT's annual construction program costs would increase by \$129 million. This estimate does not include estimated costs for delivery of items such as rebar, steel, ready mix concrete, and delivery of other commercially supplied construction materials. IDOT conservatively estimates that the cost of the Department's annual construction program could increase by as much as \$250 million with the delivery of the items above included.

Amends the Environmental Protection Act. Provides that no owner or operator of a sanitary landfill that is located within a 25-mile radius of an eligible shingle recycling facility (currently, a site where asphalt roofing shingles are recycled under a Beneficial Use Determination pursuant to specified provisions of the Act) shall accept for disposal loads of whole or processed asphalt roofing shingles. Makes a corresponding change. Defines "eligible shingle recycling facility". Removes language providing that provisions concerning the disposal of asphalt roofing shingles are repealed on February 1, 2018.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Environmental Protection Act. Makes changes to provisions concerning the disposal of asphalt roofing shingles. Provides that no owner or operator of a sanitary landfill that is located within a 25-mile radius of an eligible shingle recycling facility (rather than a site where asphalt roofing shingles are recycled under a specified beneficial use determination) shall accept for disposal loads of (rather than loads of whole or processed) asphalt roofing shingles that can be processed into reclaimed asphalt shingles meeting Department of Transportation or Illinois State Toll Highway Authority specifications. Provides that nothing in these provisions shall prohibit or restrict a sanitary landfill from accepting for disposal asphalt roofing shingles that can be processed into reclaimed asphalt shingles meeting Department of Transportation or Illinois State Toll Highway Authority specifications but that are either co-mingled with municipal waste or rejected by an eligible shingle recycling facility. Provides that the Environmental Protection Agency shall post specified information on the Agency's website (rather than name and address of each site at which the recycling of asphalt roofing shingles under a beneficial use determination is approved). Provides that the Agency may issue a specified notice of intent to rescind recognition as an eligible shingle recycling facility to any owner or operator of a shingle recycling facility that, in the Agency's judgment, is not in compliance with the terms of the facility's beneficial use determination. Contains additional provisions concerning the rescission of a facility's eligible shingle recycling facility status. Contains provisions concerning the applicability of the Illinois Administrative Procedure Act and certain orders issued by the Pollution Control Board. Deletes provisions requiring each recipient of a beneficial use determination for asphalt roofing shingles to submit a specified report to the Agency. Changes the repeal date for provisions concerning the disposal of asphalt roofing shingles from February 1, 2018 to February 1, 2023. Defines terms. Makes other changes. Effective immediately.

from Ch. 38, par. 28-1

Amends the Video Gaming Act. Allows for video gaming by organization licensees and inter-track wagering location licensees under the Illinois Horse Racing Act of 1975; makes conforming changes throughout the Video Gaming Act and in the Criminal Code of 2012. Removes references to organization licensees and inter-track wagering location licensees from the definition of "licensed establishment". Provides that an organization licensee who held that license in 2016 may operate up to 150 video gaming terminals on its premises at any time and an inter-track wagering location licensee may operate up to 5 video gaming terminals at the inter-track wagering location licensee's location or on the premises of the organization licensee with which they are affiliated. Requires organization licensees and inter-track wagering location licensees to deposit 47% of their share of the net terminal income from video gaming into the horsemen purse accounts associated with their respective racetrack to be distributed by agreements between breeds unless the organization licensee and the horsemen associations representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meetings agree to allocate expenses associated with the video gaming terminals. Makes other changes.

HOUSE COMMITTEE AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Requires organization licensees and inter-track wagering location licensees to deposit 50% (rather than 47%) of their share of the net terminal income from video gaming into the horsemen purse accounts associated with their respective race track (rather than race track to be distributed by agreements between breeds unless the organization

licensee and the horsemen associations representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meetings agree to allocate expenses associated with the video gaming terminals). Provides that at a race track located in Cook County that races multiple breeds, the share of net terminal income deposited into the horsemen purse account shall be distributed equally among the breeds unless the organization licensee and the horsemen associations representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meetings agree to a different distribution.

Amends the Personnel Code. Provides that State agencies, when hiring for internships and student assistant positions, shall give preference to a qualified applicant who is, or has been, a dependent child in foster care, a homeless youth, or a formerly incarcerated youth. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes reference to:
 20 ILCS 415/8b.21 new
 Adds reference to:
 New Act

Replaces everything after the enacting clause. Creates the State Agency Student Worker Opportunity Act. Provides that, whenever a State agency has a job opening for an intern or a student worker, that State agency shall notify the Department of Human Services, the Department of Juvenile Justice, and the Department of Children and Family Services. Requires the Department of Human Services, the Department of Juvenile Justice, and the Department of Children and Family Services to take steps to notify qualified applicants of the job opening. Provides that the term "qualified applicant" means an individual who: (1) is 21 years of age or younger; (2) is qualified for the internship or student worker position; and (3) is or has been a dependent child in foster care, a homeless youth, or a formerly incarcerated youth. Requires State agencies to maintain certain records.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Children & Family Services)

The Department estimates that House Bill 2987 (H-AM 1) will not have any significant fiscal impact on the Department of Children and Family Services.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Juvenile Justice)

If passed, HB 2987 (H-AM 1) would mandate that state agencies notify the Department

of Juvenile Justice regarding job openings for an intern or a student worker. The Department must notify the qualified applicants and maintain records detailing the number of applicants for the aforementioned positions. The Department has the capability to track youth currently on Aftercare. However, this legislation poses many issues for youth no longer in the Department's custody. Because the implementation would be administrative in nature, the legislation has a minimal, if any, fiscal impact on the Department but would pose administrative burden on the Department of Juvenile Justice.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment 1. Replaces the term "formerly incarcerated youth" with "court-involved youth". Provides that the term "court-involved youth" means an individual who was committed to the custody of the Department of Juvenile Justice or a county juvenile detention center and has been released from that facility or discharged from custody. Removes provisions concerning recordkeeping. Makes other changes.

55 ILCS 5/3-5018 from Ch. 34, par. 3-5018

55 ILCS 5/3-5018.1 new

Amends the Counties Code. Provides that on and after January 1, 2019, a county shall

adopt and implement a predictable fee schedule that eliminates surcharges or fees based upon the individual attributes of documents to be recorded with the county recorder. Provides that fees for standard documents are divided into 5 classifications of document class flat fees, which are inclusive of county and State fees required for each recorded document. Provides for methods that the non-predictable fees may be increased prior to adopting document class flat fees. Provides that prior to increasing a document class flat fee, a cost study must be completed showing that the increase is needed because the document class flat fees are not sufficient to cover the cost of providing the service. Defines "standard document" and "nonstandard document". Effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Provides for how predictable fee schedules are initially and subsequently approved. Provides that if an ordinance or resolution adopts a document class flat fee that exceeds \$21, the county board shall obtain from the clerk or recorder an analysis of the average fees collected for the recording of each of the document classifications based on the 3 previous years of recording data or the 3 previous years from the date of a cost study upon the adoption of the ordinance or resolution. Provides that the county board shall set document class flat fees based upon the data or cost study (rather than requiring the clerk or recorder to provide this analysis and the county board to set document class flat fees during the process of transitioning into the predictable fee). Provides that in order to raise a document class flat fee, a cost study must show that the fees allowed are not sufficient to cover the cost of providing the service related to the document class flat fee for which is to be increased. Effective immediately.

Amends the Election Code. Changes the length of time that a treasurer of a political committee must keep certain records from 2 years to 6. Provides that a candidate political committee established to elect a candidate to the General Assembly may accept contributions from only one legislative caucus committee during an election cycle in which the candidate seeks nomination at a primary election (rather than limiting the political committee to accepting contributions from only one legislative caucus committee). Allows candidates to exceed certain contribution limits if the State Board of Elections determines that a public official, candidate, or public official's or candidate's immediate family has contributed or loaned certain threshold amounts to the public official's or candidate's political committee or to other political committees that transfer funds to the public official's or candidate's political committee or make independent expenditures for the benefit of the public official's or candidate's campaign during the 12 months prior to an election. Allows the Board to assess a civil penalty for failure to file certain reports concerning independent expenditures. Requires the Board to render a judgment on certain complaints concerning disclosure and regulation of campaign contributions and expenditures before the date of the election if the complaint is filed within 60 days preceding the date of the election (rather than within 7 days of the date the complaint is filed). Moves provisions concerning election interference to the prohibitions and penalties article of the Code. Effective immediately.

New Act

Creates the Social Services Contract Notice Act. Provides that the Act applies only to non-governmental service providers who deliver social services designed to ensure the health, safety, education, or welfare of Illinois residents on behalf of the State through grants, contracts, or agreements with State agencies; and applies regardless of the source of the funds with which the grants, contracts, or agreements are paid, including federal assistance moneys. Provides that the Act does not apply to: (i) grants, contracts, or agreements with State agencies for the primary purpose of delivering or producing goods on behalf of the State; (ii) contracts between the State and its political subdivisions or other governments or between State governmental bodies; or (iii) modifications to contractor payment by the State resulting from the generally accepted accounting principles (GAAP) reconciliation process, the Illinois Grant Funds Recovery Act, or the service provider's underutilization of contract value, as determined by the State. Provides that any contract between a State agency and an authorized service provider may be terminated, suspended, or reduced by either party to the contract upon 30 days prior written notice. Permits the State to immediately terminate a contract for social services if the authorized service provider has made material misrepresentations or material omissions explicitly prohibited under State contracting requirements. Provides that the provision applies to agreements or contracts executed on or after the effective date of the Act. Requires State agencies to notify the Governor and other specified persons in writing of their intention to suspend, terminate, or reduce one or more contracts for social services. Defines terms. Effective immediately.

FISCAL NOTE (Dept. of Human Services)

The fiscal impact for HB 3110 cannot be determined. However, it would have an impact when the Department of Human Services and other State agencies cannot reduce expenditures by limiting contracts/grants in a timely manner.

305 ILCS 5/9A-11.2 new

Amends the Illinois Public Aid Code. Requires the Department of Human Services to conduct and regularly update a study on the early childhood workforce at least once every 3 years. Provides that the study shall: (i) describe the professional development system for the early childhood workforce and characteristics of the workforce; (ii) determine compensation levels that are sufficient to attract, support, and retain a workforce of high-quality child care providers; (iii) make recommendations to help create an accessible and well-supported career advancement pathway and estimate the providers' costs of implementing training and professional development, including the compensation levels identified in item (ii); and (iv) describe how the Department can set provider payment rates sufficient to allow providers to achieve the compensation levels. Provides that the Department shall conduct the study required by carrying out a cost of quality study or survey that the Department is currently conducting, as a requirement of its State plan under a specified provision of the Child Care and Development Block Grant Act of 1990, and utilize the information to set base payment rates.

FISCAL NOTE (Dept. of Human Services)

Currently, the Child Care Program purchases the completion of the Market Rate and Salary and Staffing surveys via contract through Illinois Network of Child Care Resource and Referral Agencies (INCCRRA) at an estimated cost of close to \$100,000. It is anticipated that adding this third study would cost an estimated \$40,000 to \$50,000.

Amends the Abused and Neglected Child Reporting Act. In a provision that requires the classification of all reports in the central register, provides that prior to classifying a report, the person making the classification shall determine whether the child named in the report is the subject of a juvenile delinquency action under the Juvenile Court Act of 1987 with an open placement or intact family services case with the Department of Children and Family Services or the subject of an abuse, neglect, or dependent minor action under the Juvenile Court Act of 1987. With regard to a report that the Department intends to classify as indicated, requires the Department to transmit a copy of the report with a written notice of the Department's intent to the child's attorney or appointed guardian ad litem within 45 days of the classification of the report. Sets forth similar notice requirements with regard to unfounded reports. Permits a person appointed under the Juvenile Court Act of 1987 as the guardian ad litem of a minor who has an open placement or intact family services case and who is the subject of a report or records made pursuant to the Act to have access to certain records concerning reports of child abuse and neglect. Amends the Juvenile Court Act of 1987. Provides that a guardian ad litem appointed under the Act for a minor with an open placement or intact family services case with the Department is entitled to receive copies of any and all classified reports of child abuse or neglect made pursuant to the Abused and Neglected Child Reporting Act.

HOUSE COMMITTEE AMENDMENT NO. 3

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill

with the following changes: In provisions under the Abused and Neglected Child Reporting Act and the Juvenile Court Act of 1987 that require the Department of Children and Family Services to provide a copy of any report it intends to classify as indicated to the guardian ad litem of the minor who is the subject of the report, requires the Department to provide the report to the guardian ad litem appointed for a minor with an open intact family services case with the Department (rather than for a minor who has an open placement or intact family services case with the Department). Provides that the Department's obligation to provide the copied report to a guardian ad litem for a minor with an open intact family services case applies only if the guardian ad litem notified the Department in writing of the representation.

Amends the Emancipation of Minors Act. Removes language pertaining to homeless minors from provisions governing: purpose and policy; jurisdiction; rights and responsibilities of an emancipated minor; petitions; and hearings. Repeals the definition of "homeless minor" and "youth transitional housing program". Amends the Children and Family Services Act. Provides that services provided by youth transitional housing programs may include a service assessment, individualized case management, and life skills training. Provides that a homeless minor is eligible if certain criteria are met. Provides that if a homeless minor voluntarily leaves or is dismissed from a youth transitional housing program prior to reaching the age of majority, the youth transitional housing program agency shall contact the comprehensive community based youth services agency that provided crisis intervention services to the eligible homeless minor to assist in finding an alternative placement for the minor. Provides that nothing in the new provisions shall be construed to require an eligible homeless minor to acquire the consent of a parent, guardian, or custodian to consent to a youth transitional housing program. Provides that an eligible homeless minor is deemed to have the legal capacity to consent to receiving housing and services from a licensed youth transitional housing program. Contains a statement of purpose.

FISCAL NOTE (Dept. of Children & Family Services)

These Transitional Living Programs receive funding from many sources (federal, state, local and private sources). They do not receive DCFS funding. They will serve homeless youth regardless of changes to this act. Therefore, there is no anticipated fiscal impact.

FISCAL NOTE (Dept. of Human Services)

No fiscal impact exists for the Department of Human Services. These services are already within the scope of the current Comprehensive Community-Based Youth Services (CCBYS) and Homeless Youth programs.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces a cross reference to the Mental Health and Developmental Disabilities Code with a reference to the Juvenile Court Act of 1987. Provides that the eligibility criteria for youth transitional housing programs include a requirement that the minor does not require placement in a residential care facility. Provides that beginning January 1, 2019, and annually thereafter through January 1, 2024, the Department of Human Services shall submit annual reports to the General Assembly regarding homeless minors older than 16 years of age but less than 18 years of age referred to a youth transitional housing program for whom parental consent to enter the program is not obtained. Provides that the reports shall contain specified information.

305 ILCS 5/9A-11 from Ch. 23, par. 9A-11

Amends the Illinois Public Aid Code. Adds families that are not recipients of benefits under the Temporary Assistance for Needy Families (TANF) program and that need child care assistance to participate in education and training activities to the list of family categories that are covered under the child care assistance program. Deletes a provision: requiring the Department of Human Services to allocate \$7,500,000 annually for a test program for families that are income-eligible for child care assistance, are not recipients of TANF, and need child care assistance to participate in education and training activities; and requiring the Department to specify the conditions of eligibility for the test program. Effective July 1, 2017.

FISCAL NOTE (Dept. of Human Services)

The proposed FY18 budget restores education and training activities to the list of income eligible non-TANF families in the Child Care eligibility priority group; this is all specifically included in rules. Adding this language into statute would limit the Department's flexibility to revise and/or change eligibility criteria when necessary to comply with changes in federal regulations and/or budgetary matters. Education and training for families that qualify is increased by approximately \$37.1 million in the FY18 budget request, for total funding of \$59.8 million. This amount is included even though the program is currently in the Department's rules and not in statute.

FISCAL NOTE (Dept of Insurance)

HB 3223 has no projected fiscal impact on the Illinois Department of Insurance because it expands existing benefits and does not establish a new state mandate.

HOUSE COMMITTEE AMENDMENT NO. 3

Deletes reference to:

20 ILCS 2630/13

Replaces everything after the enacting clause with provisions of the introduced bill with the following changes: In provisions amending the Department of Professional Regulation Law of the Civil Administrative Code of Illinois, includes licensing Acts administered by the Department of Financial and Professional Regulation in which convictions of certain enumerated offenses are a bar to licensure as an exception to the requirement that the Department consider

mitigating factors and rehabilitation. Requires the Department, when examining certain factors, to determine whether a prior conviction will impair the ability of the applicant to engage in the practice for which a license, certificate, or registration is sought (rather than examining certain factors in determining whether to grant a license, certificate, or registration). Removes an affirmative obligation of the Department to demonstrate that a prior conviction would impair the ability of an applicant. Requires the Department to notify an applicant of a denial of a license or certificate or refuse to grant registration based upon a conviction or convictions, in whole or in part. Makes changes to the items that must be included in the notice. Makes changes to the information that the Department shall not require applicants to report. Changes various references of "new and renewal license, certificate, or registration" to "new license, certificate, or registration". Makes changes to information the Department must report. Restores a fee to be charged by the Department, but reduces the fee from \$200 to \$175. Makes changes to when the Department may consider an application to make disciplinary records confidential. In provisions amending the Criminal Identification Act, removes amendatory changes concerning entry of orders and the effect of expungement or sealing records. Provides that the entity authorized to grant a license, certification, or registration shall include in its application specific language stating that the applicants is not obligated to disclose sealed or expunged records of a conviction or arrest. Provides that if the inclusion of the specific language in an application is not practical, the entity shall publish the language on its website. Removes changes to provisions concerning retention and release of sealed records. Removes the immediate effective date.

305 ILCS 5/5-5.4g

Amends the Medical Assistance Article of the Illinois Public Aid Code. In a provision permitting a nursing facility to appeal a change in its Minimum Data Set rate, provides that the facility shall be permitted to offer any and all additional documentation during the appeal hearing that is necessary to refute the State's findings (rather than the facility may not offer any additional documentation during the appeal hearing, but may identify documentation provided during the on-site review that may support a specific area of documentation deemed deficient by the Department of Healthcare and Family Services).

FISCAL NOTE (Dept. of Human Services)

The Department of Human Services reviews approximately 20 facilities and recoups about \$2 million per quarter in overpayments. Allowing facilities to provide additional documentation at the time of appeal may result in the Department obtaining smaller recoupments of taxpayer funds - both due to the additional time the review will take, as well as, the potential for fraudulent documentation to be used to support reimbursement by a facility. In addition, current reviews are limited in number due to staffing levels. If the Department expands the number of reviews in the future to account for the changes required in this bill, the fiscal impact could be significantly larger.

20 ILCS 2405/3 from Ch. 23, par. 3434

Amends the Rehabilitation of Persons with Disabilities Act. Provides that a home care consumer in the Department of Human Services' Home Services Program has the right and discretion to: (i) select and hire a personal assistant or other individual provider of his or her choice; and (ii) determine the number of hours worked weekly by his or her personal assistant or other individual provider. Provides that, subject to the Department's authority to approve the total monthly hours in a home care consumer's service plan, the State of Illinois and any of its departments, including the Department, shall not limit the number of weekly hours worked by personal assistants or other individual providers in the Department's Home Services Program. Provides that the provisions do not limit the Department's authority in any other statute to disqualify an individual from providing services in the Department's Home Services Program for reasons other than the number of weekly hours worked by the individual.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Rehabilitation of Persons with Disabilities Act. Provides that a home care consumer in the Department of Human Services' Home Services Program has the right and discretion to: (1) select and hire a personal assistant or other individual provider of his or her choice; and (2) determine the number of hours per week his or her personal assistant or other individual provider may work. Provides that, subject to the Department's authority to approve the total monthly hours in a home care consumer's service plan, the State of Illinois and any of its departments, including the Department, shall not impose any limit on the number of hours per week a personal assistant or other individual provider may work unless the following conditions are satisfied: (A) as an exception to any limit imposed by the Department, a personal assistant or other individual provider may work and be paid for all hours worked up to at least 66 hours per week if, subject to verification by the Department, the personal assistant or other individual provider works for a home care consumer who: (i) receives services under a court-ordered service plan; (ii) has a Determination of Need score of 70 or above (or the equivalent under any new assessment tool); or (iii) has an exceptional care rate; (B) the Department shall establish an exceptions and appeals process that permits a home care consumer to request an exception to any limit imposed by the Department up to a maximum of no less than 66 hours per week; and (C) if the home care consumer would face a serious risk of institutionalization, the Department shall work with the home care consumer to ensure that appropriate care in the community will be provided, whether

through authorized overtime or another solution. Provides that nothing shall limit the Department's authority under any other statute to disqualify an individual from providing services in the Department's Home Services Program for reasons other than the number of weekly hours worked by the individual.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Human Services)

This proposal would limit the State's ability to manage and control costs related to the Home Services Program. Based on the most current data, the estimated cost for hours worked beyond 40 hour/week would be \$15-16M. This does not include any assumptions for possible changes in PA behavior.

625 ILCS 5/12-807.3 new

Amends the Illinois Vehicle Code. Provides that a school district or a school bus company under contract with a school district shall not operate a Type I or Type II school bus manufactured after the effective date of the bill unless the bus is equipped with a set of 3-point seat belts or any other federally approved restraint system under 49 CFR 571.222 in good operating condition for each passenger seat and a rooftop safety hatch. Provides that the provision shall not apply to a school bus that is legally registered in another state and displaying valid registration plates of that state if the bus is not operated in Illinois on a regular basis and the bus is operated in Illinois in connection with a cultural, tourist, athletic, or other similar activity for students enrolled in a school located outside of Illinois. Provides that nothing in the provision shall make a school district or a school bus company liable for a passenger's failure to properly adjust or fasten a seat belt or other restraint system. Effective immediately.

FISCAL NOTE (Dept. of Transportation)

This bill does not have a fiscal impact on the Department's revenues or expenditures. This law requires school buses to have 3-point seat belts or any other federally approved restraint system under 49 CFR 571.222. The Department already has the school bus inspection process in place and this would not require an increase in expenditures for the program.

Provides that the prohibition does not apply to services for which the Department reimburses Medicaid managed care organizations directly without regard to capitation payments.

305 ILCS 5/5-5.2 from Ch. 23, par. 5-5.2

Amends the Medical Assistance Article of the Illinois Public Aid Code. In provisions concerning payment rates for nursing facilities, provides that facility-specific staffing levels and wages paid (rather than regional wage adjusters based on the Health Service Areas (HSA) groupings and adjusters in effect on April 30, 2012) shall be one of the factors in determining the new nursing services reimbursement methodology utilizing the RUG-IV 48 grouper model. Sets forth the calculation of the facility-specific RUG-IV nursing component per diem rate for dates of service beginning July 1, 2017. Provides that certain staffing and wage adjusters must be updated each quarter using the staffing hours and wage data from Payroll Benefit Journal data collected by the Centers for Medicare and Medicaid Services for the same time period of Minimum Data Set data used to calculate the RUG-IV acuity case weight. Sets forth how to calculate each facility's "total per resident per day staffing wage cost". Provides that the levels used to assign certain staffing and wage adjusters shall be calculated using the staffing ratios required under the Nursing Home Care Act multiplied by the Illinois mean hourly wage for the equivalent occupational code and title assigned by the U.S. Bureau of Labor Statistics and reported in the May 2014 State Occupational Employment and Wage Estimates for Illinois. Provides that beginning July 1, 2017 and quarterly thereafter, the Department of Healthcare and Family Services may adjust, by administrative rule and within certain parameters established under the Code, a specific staffing and wage adjuster described in the Code for the purpose of keeping liability created by the facility-specific RUG-IV nursing component per diem rates stable. Permits the Department to adopt rules to implement these provisions. Effective immediately.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Healthcare & Family Services)

This bill will have no impact on the Department of Healthcare and Family Services.

FISCAL NOTE (Dept. of Public Health)

Included are three versions for the fiscal note for H83392. In speaking with bill crafters they have advised the Department of Public Health (DPH) that they are only looking for the data and it is not their intent for DPH to hire staff, (Scenario #2). Until a further amendment is finalized, DPH are basing our Fiscal Note on three different scenarios: (1) Required OHCR staffing if language unchanged (Fiscal Impact = 2,256.3; Personal Services = \$1,076,952.00); (2) Hiring a program to concert federal CMS data (Fiscal Impact = \$500.00); (3) Required OHCR staffing plus contractual employee required if language unchanged (Fiscal Impact = \$2,756.3; Personal Services = \$1,076,952.00).

35 ILCS 5/205 from Ch. 120, par. 2-205

Amends the Illinois Income Tax Act. Imposes a privilege tax at a rate of 20% on partnerships and S corporations engaged in the business of conducting investment management services, until such time as a federal law with an identical effect has been enacted. Provides for the determination of the tax due; defines "investment management services". Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that the privilege tax shall be imposed beginning on July 1, 2017. Provides that the tax shall be imposed at the rate of 20% of the fees earned from the investment strategy of the investment manager and not from the investment itself (in the introduced bill, at the rate of 20%).

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 3393 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 3393 (H-AM 1) will not impact any public pension fund or retirement system in Illinois.

BALANCED BUDGET NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Office of Management and Budget)

This surcharge would add an undetermined increase in administrative costs to the Department of Revenue's (DOR) budget. The Department of Revenue estimates that this surcharge has the potential to raise revenues based on current activities, but due to potential impact on market behavior, DOR does not have an estimate of revenues. It is expected that the revenue would offset administrative costs.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Revenue)

If it were determined to be constitutional, the Department of Revenue estimates that in the longrun, this bill would raise no new revenue for the State. Due to the magnitude of the tax, this bill would elicit a strong behavioral response from would-be taxpayers. Taxpayers would be strongly incentivized to either reclassify fees so as not to be considered "investment strategy" or to relocate the taxable activity so that it is beyond the reach of the State. In the unlikely event that this were to be implemented before taxpayers could respond, however, the surcharge could raise as much as \$1.7 billion for a full 12 months of implementation.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE COMMITTEE AMENDMENT

NO. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

JUDICIAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

The proposed legislation would neither increase nor decrease the number of judges needed in the State.

HOME RULE NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

Amends the Illinois Procurement Code. Provides that an expatriate corporation shall be considered a non-resident bidder for purposes of the Code. Provides that no business or member of a unitary business group shall submit a bid for or enter into a contract with a State agency under the Code if the business is an expatriate corporation. Defines "expatriate corporation". Amends the Illinois Income Tax Act. Provides that notwithstanding provisions of the Act, any person formed or incorporated in a foreign tax haven may be a member of a unitary business group without regard to where its business activities are conducted. Defines "foreign tax haven". Amends the General Provisions Article of the Illinois Pension Code. Requires the Illinois Investment Policy Board to make its best efforts to identify all expatriate companies and include those companies in the list of restricted companies distributed to each retirement system and the Illinois State Board of Investment.

FISCAL NOTE (Dept. of Revenue)

This bill would have no impact on State income tax revenue. Since the Illinois Income Tax Act is already a territorial based taxing system, a corporate inversion transaction is not a State Income tax avoidance scheme. Under current law, the Illinois Income Tax Act taxes U.S. companies only on their domestic income derived from Illinois business activities but does not tax foreign income. As a result, the bill does not provide a remedy to any State income tax planning.

Creates the Education Prioritization Act. Beginning with fiscal year 2018, requires the General Assembly to appropriate for the general State aid formula under the School Code an amount that is equal to or exceeds the sum of: (i) the total amount appropriated for the general State aid formula during the fiscal year immediately preceding the fiscal year for which the appropriation is being made; and (ii) 51% of total new general funds available for spending from estimated growth in revenues and funds available because of budgeted program growth and decline in the fiscal year for which the appropriation is being made; but in no event shall

FISCAL NOTE (Dept. of Human Services)

It is estimated that this legislation would increase the Department of Human Services' expenditures by at least \$15 million. This legislation would require administrative rule changes and approval, along with policy and procedure changes that are significantly time intensive. Submission of a State plan amendment would be required and receipt of federal matching funds would be contingent on CMS approval.

New Act

Creates the Tuition Reduction Act. Beginning with the 2017-2018 academic year, requires each public university located in this State to reimburse its full-time resident undergraduate students a portion of the tuition charged in the form of a grant applied directly to a student's financial aid account. Provides that to determine the per-pupil grant amount, the university shall calculate the difference, if any, between the current fiscal year's aggregate appropriations to the university and fiscal year 2015's aggregate appropriations to the university and divide that amount by the number of students enrolled in the previous academic year. Provides that 50% of this calculation then equals the per-pupil grant amount, to be awarded to currently enrolled students to reduce their tuition costs (unless the current fiscal year's aggregate appropriations to the university are equal to or less than fiscal year 2015's aggregate appropriations). Requires each university to annually report updated estimates of the total amount in grants awarded in an academic year to the Governor and the appropriate committees of the General Assembly. Effective immediately.

FISCAL NOTE (Illinois Board of Higher Education)

House Bill 3447 directs each public university in Illinois to calculate a per-pupil tuition grant reimbursement for its full-time resident undergraduate student population. The formula for this calculation is the difference between the current fiscal year's (Fiscal Year 2017) aggregate appropriations to each university and the Fiscal Year 2015 aggregate appropriations. In the absence of a definition for "aggregate appropriations" the Illinois Board of Higher Education assumes the term includes all direct operations and grants appropriations that are not restricted; this does not include restricted funds such as student financial aid, capital projects, research, retirement contributions, and other purposes. Under current fiscal conditions, there will be no per-pupil grant awards since the difference between Fiscal Year 2017 and Fiscal Year 2015 is less than zero.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause with provisions of the introduced bill with the following changes: Provides that the terms of the Act only apply to appropriations to public universities for operations. Changes the year with which to compare a university's appropriations from 2015 to 2002. Provides that the tuition grant shall be determined by dividing the differences in appropriations by the number of students enrolled on the 10th day of the previous academic year (rather than divided by the number of students enrolled in the previous academic year). Provides that if the General Assembly increases funding for each university for 4 consecutive years, the Board of Higher Education shall report to the General Assembly on whether or not the Act should be repealed. Effective immediately.

New Act

815 ILCS 505/2Z

from Ch. 121 1/2, par. 262Z

Creates the Geolocation Privacy Protection Act. Defines "geolocation information", "location-based application", and "private entity". Provides that a private entity may not collect, use, store, or disclose geolocation information from a location-based application on a person's device unless the private entity first receives the person's affirmative express consent after complying with specified notice requirements. Provides exceptions. Provides that a person whose rights are violated may recover: (1) liquidated damages of \$1,000 or actual damages, whichever is greater; (2) reasonable attorney's fees and costs; and (3) other relief, including an injunction, as the court may deem appropriate. Provides that authority to seek remedies and impose penalties granted to the Attorney General under the Consumer Fraud and Deceptive Business Practices Act is also granted to the Attorney General for the enforcement of the Geolocation Privacy Protection Act. Provides that in any action brought by the Attorney General to enforce the Act, the court may order that persons who incurred actual damages be awarded 3 times the amount at which actual damages are assessed. Provides that a violation of the Act constitutes an unlawful practice under the Consumer Fraud and Deceptive Business Practices Act. Provides that the provisions of the Act may not be waived. Contains applicability language. Makes a corresponding change in the Consumer Fraud and Deceptive Business Practices Act. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 2

Provides that "geolocation information" means, inter alia, information that is sufficient to determine or infer the precise location, rather than merely the location of a device. Provides that a private entity need not obtain a person's affirmative consent after that person's initial consent unless the terms previously agreed upon have been materially changed. Removes the private right of action and provides that a violation is also a violation of the Consumer Fraud and Deceptive Business Practices Act. Provides that only a State's Attorney or the Attorney General may enforce violations of the Consumer Fraud and Deceptive Business Practices Act. Provides that the Geolocation Privacy Protection Act does not apply to Internet, wireless, or telecommunications service providers; cable or video service providers under Article XXI of the Public Utilities Act; or a person licensed as a private detective pursuant to the Private Detective, Private Alarm, Private Security, Fingerprint Vendor, and Locksmith Act of 2004. Removes the immediate effective date.

SENATE FLOOR AMENDMENT NO. 4

Replaces everything after the enacting clause and reinserts the engrossed bill with the following changes: provides that agreements created or modified after the effective date of the Act that do not comply with the Act, rather than all agreements that do not comply with the Act, are void and unenforceable. Removes an exception to the applicability of the Act for cable service providers. Adds an exception for public utilities, alternative retail electric suppliers, and alternative gas suppliers and for political committees. Provides that a violator, other than an individual, has 15 days within which to rectify a violation before an enforcement action may be brought. Provides that only the Attorney General or a State's Attorney may bring an action to enforce the Act.

SENATE FLOOR AMENDMENT NO. 5

Removes a provision under the Geolocation Privacy Protection Act that provides that only a State's Attorney or the Attorney General may enforce provisions of contracts as void under the Act; and instead provides that an agreement that is void and unenforceable under the Act does not give rise to a private right of action under the Act.
