Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. In provisions concerning social media advertising, requires the social media advertisement to comply with any applicable rules or regulations (instead of guidance) issued by the Alcohol and Tobacco Tax and Trade Bureau of the United States Department of the Treasury. Provides that nothing in certain provisions shall prohibit a manufacturer, distributor, or importing distributor from sharing, reposting, or otherwise forwarding a social media post by a retail licensee if the social media post does not contain the retail price of any alcoholic liquor. Prohibits a manufacturer, distributor, or importing distributor from paying or reimbursing a retailer, directly or indirectly, for social media advertising services, except as specifically permitted in the Act, and prohibits a retailer from accepting any payment or reimbursement for any social media advertisement services offered by a manufacturer, distributor, or importing distributor, except as specifically permitted in the Act. Further amends the Liquor Control Act of 1934. Authorizes the sale of alcoholic liquor at a specific full-service grocery store within 100 feet of a church and school located in the City of Chicago. Establishes a class 2 brewer license for a person who is a holder of a brewer license or non-resident dealer license who manufactures up to 3,720,000 gallons of beer per year for sale to a licensed importing distributor or distributor. Establishes a \$25 fee for a class 2 brewer license. Changes the name of the craft brewer license to class 1 brewer license and makes conforming changes. Prohibits a class 1 brewer licensee from being a member of or affiliated with, directly or indirectly, a manufacturer that produces more than 930,000 gallons of beer per year or any other alcoholic liquor. Increases the amount of beer that a brew pub may sell for off-premises consumption to 155,000 gallons per year (instead of 50,000 gallons per year). In a provision concerning approval for a self-distribution exemption for a class 1 brewer licensee, adds a requirement that the class 1 brewer licensee must relinquish any brew pub license held by the licensee, including any ownership interest held in the licensed brew pub. Makes other changes in provisions concerning brew pubs. Removes a provision that permits a person licensed as a manufacturer to receive one retailer's license for the sale of beer on the premises. Makes other changes. Effective immediately.

Adds reference to:

305 ILCS 5/1-8.5

730 ILCS 5/3-14-1

from Ch. 38, par. 1003-14-1

Replaces everything after the enacting clause. Amends the Illinois Public Aid Code. Provides that to the extent permitted by federal law and notwithstanding any other provision of the Code, the Department of Healthcare and Family Services shall not deny a person's application for medical assistance solely because that person has become or is an inmate of a public institution, including, but not limited to, a county jail, juvenile detention center, or State correctional facility. Provides that the person may be and remain enrolled (rather than may remain enrolled) for medical assistance as long as all other eligibility criteria are met. Amends the Unified Code of Corrections. Provides that no later than 90 days prior to the scheduled discharge of a person committed to the custody of the Department of Corrections, the Department shall give the person an opportunity to apply for medical assistance under Article V of the Illinois Public Aid Code, and shall provide assistance with completion of the application for medical assistance in accordance with the Illinois Public Aid Code. Grants the Department rulemaking authority. Effective immediately.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 ()

HB 3270 (H-AM 1) would potentially increase costs to be Department of Human Services (DHS). The amendment stipulates that the Department of Healthcare and Family Services (HFS) shall not deny a person's application for medical assistance solely because the person is an inmate of a public institution, e.g., a county jail. It also states that no later than 90 days prior to the scheduled discharge of a person committed to Department of Corrections custody, the Department of Healthcare and Family Services shall give the person an opportunity to apply for medical assistance under Article V of the Public Aid Code, and will provide assistance with completion of that application. The potential costs to the Department of Human Services operations depends upon the volume of applications, which could be high. If it exceeds the Department of Healthcare and Family Services' capacity to process and assist with the applications, then, due to the time frame required, the Department of Human Services staff will be impacted as well. The question is to what extent staff time and effort will be affected by the increase in applications received and processed; therefore, it is difficult to quantify the impact.

SENATE FLOOR AMENDMENT NO. 1

Further amends the Unified Code of Corrections. Provides that 45 days prior to (rather than no later than 90 days prior to) the scheduled discharge of a person committed to the custody of the Department of Corrections, the Department shall give the person who is otherwise uninsured an opportunity to apply for health care coverage including medical assistance (rather than shall give the person an opportunity to apply for medical assistance) under Article V of the Illinois Public Aid Code in accordance with a

specified provision of the Illinois Public Aid Code, and the Department of Corrections shall provide assistance with completion of the application for health care coverage including medical assistance (rather than shall provide assistance with completion of the application for medical assistance in accordance with a specified provision of the Illinois Public Aid Code).

patient registry identification cards issued prior to the date the first dispensary organization registration is issued by the Department of Financial and Professional Regulation shall be extended for a period of one year from the date such registration is issued without further fee to the cardholder. Requires the Department of Financial and Professional Regulation to file with the Index Department of the Office of the Secretary of State a declaration to that effect, and to notify the Clerk of the House of Representatives, the Secretary of the Senate, and the Legislative Reference Bureau of the filing of the declaration. Extends the date of repeal of the Act from January 1, 2018 to 4 years after the filing of the declaration.

HOUSE COMMITTEE AMENDMENT NO. 1

Adds an immediate effective date.

PENSION NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

This bill will not impact any public pension fund or retirement system in Illinois.

CORRECTIONAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept of Corrections)

There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department of Corrections.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

STATE DEBT IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

BALANCED BUDGET NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Office of Management and Budget)

This bill does not have an anticipated budget impact to the State of Illinois.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Public Health)

It is impossible to estimate the total value of potential lost revenue because the date when dispensary organization registrations will be issued is unknown. At the end of March 2015, the Department is expected to have 2,000 approved medical cannabis registry cardholders. If the Department of Financial and Professional Regulation were to issue dispensary organization registration on April 1, 2015, the provisions of House Bill 3299, as amended, would result in a one-year extension for the registration of those 2,000 registry cardholders. This would result in an estimated revenue loss of approximately \$200,000 for the Illinois Department of Public Health during FY2016. It should be noted that if the dispensary organization registrations are issued later than April 1, the estimated revenue loss will increase by the number of newly approved medical cannabis registry cardholders.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

JUDICIAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

HOME RULE NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

Effective immediately.

FISCAL NOTE (Illinois Student Assistance Commission)

HB 3404 makes two additional tuition waivers available for the University of Illinois from each of the State's 102 counties, for a total of 204 potential additional waivers annually. Assuming an average tuition paid by University of Illinois students of around \$15,000, the bill could lead to waivers worth approximately \$3 million in the first year if the program is fully utilized. Notably, this represents an estimate for Year One, and the impact could be larger in each year through Year Four as an additional cohort of up to 204 students could be added annually. Additionally, as tuition and fees rise, the amount waived per recipient will increase.

105 ILCS 302/30 new

Amends the College and Career Success for All Students Act. Provides that a student who takes a College Board Advanced Placement examination and receives a score of 3 or higher on the examination is entitled to receive postsecondary level course credit at a public institution of higher education. Requires each public institution of higher education to comply with the same standard of awarding course credit to any student receiving a score of 3 or higher on a College

Board Advanced Placement examination and applying the credit to meet a corresponding course requirement for degree completion at that institution of higher education. Effective immediately.

FISCAL NOTE (IL Board of Higher Education)

HB 3428 could potentially decrease the amount of tuition revenue received by the public institutions by enabling students who obtain a score of 3 or higher on the College Board Advanced Placement examination to bypass costs associated with earning those credits.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the College and Career Success for All Students Act. Requires the Illinois Articulation Initiative, through its Major panels and General Education panels, to review each of the College Board Advanced Placement examinations and assign codes for transfer. Provides that all courses, Advanced Placement or otherwise, assigned codes for transfer through the Illinois Articulation Initiative must be guaranteed transfer credit as an individual course and not be required to be part of a package of courses. Provides that public institutions of higher education that offer a corresponding course for a particular Advanced Placement examination are required to accept a student's score of 3 or higher on the Advanced Placement examination for postsecondary level course credit as a part of their general education degree requirements, if applicable, or for an elective credit if not. Provides that if a public institution of higher education does not offer a corresponding course for a particular Advanced Placement examination, then the institution shall award, at a minimum, elective postsecondary level course credit toward general education degree requirements for those students who receive a score of 3 or higher on the Advanced Placement examination. Effective immediately.

Provides that each institution of higher education shall determine for each test whether credit will be granted for electives, general education requirements, or major requirements and the Advanced Placement scores required to grant credit for those purposes. Provides that by the conclusion of the 2019-2020 academic year, the Board of Higher Education shall analyze the Advanced Placement examination score course granting policy of each institution of higher education and the research used by each institution in determining the level of credit and the number of credits provided for the Advanced Placement scores and file a report that includes findings and recommendations to the General Assembly and the Governor. Provides that each institution of higher education shall publish its updated Advanced Placement examination score course granting policy on its Internet website before the beginning of the 2016-2017 academic year. STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Central Management Services)

The Department of Central Management Services is unable to project a fiscal impact associated with this proposed legislation due to the following factors: (A) The rapid change of the automobile industry; (1) Which manufacturers offer VIN numbers 1/2/4/5 may change frequently; (2) Each vehicle purchase is unique in the type of vehicle that is needed - pickup truck versus a sedan versus economy car versus a hybrid, etc; (B) The amount of vehicles purchased in any given fiscal year is dependent upon need and adequate cash flow, which is especially unpredictable. (C) In general, any limitation on the potential universe of bidders will serve over time to increase costs.

Provides that when the Department of Children and Family Services first assumes custody of a child, in placing that child, the Department shall make reasonable efforts to "identify, locate, and provide notice to all adult grandparents and other adult relatives of the child who are" ready, willing, and able to care for the child (rather than the Department shall make reasonable efforts to identify and locate a relative who is ready, willing, and able to care for the child).

705 ILCS 405/2-31 from Ch. 37, par. 802-31

Replaces everything after the enacting clause. Amends the Children and Family Services Act. Provides that the Department of Children and Family Services shall provide, as required by the Act or any applicable State or federal law, child welfare services aimed at assisting minors in achieving sustainable self-sufficiency as adults for any minor for whom the Department is appointed the custodian or guardian pursuant to the Juvenile Court Act of 1987. Provides that such services shall include, but shall not be limited to: transitional living programs; independent living programs; educational assistance, including Youth in College, community college tuition waivers, and scholarships awarded by the Department; case management; mentoring; Youth in Employment; counseling; support and services for pregnant and parenting youth; sibling and parent visitation services and support; vocational training; and, as appropriate, transitioning youth to appropriate adult placement services and guardianship and any other service included in the youth's case plan. Provides that this provision shall not be interpreted as creating a new obligation of the Department to provide services, but as recognizing an existing and continuing obligation to provide services to youth in the Department's care, including those between the ages of 18 and 21 and those over the age of 21 receiving assistance through scholarships awarded by the Department and Youth in College programs, and any other applicable programs. Makes other changes. Amends the Juvenile Court Act of 1987. In provisions concerning dispositional orders made in respect of wards of the court and permanency hearings, deletes language providing that unless otherwise specifically authorized by law, the court is not empowered to order specific placements, specific services, or specific service providers to be included in the child's service plan. In provisions concerning the duration of wardship and the discharge of proceedings, provides that all proceedings under the Act automatically terminate upon the minor attaining the age of 21; and that the clerk of the court shall at that time record all proceedings as finally closed and discharged for that reason (rather than all proceedings under the Act in respect of any minor for whom a petition was filed after the effective date of this amendatory Act of 1991 automatically terminate upon his attaining the age of 19 years, except that a court may continue the wardship of a minor until age 21 for good cause when there is satisfactory evidence presented to the court and the court makes written factual findings that the health, safety, and best interest of the minor and the public require the continuation of the wardship). Provides that in ruling on a motion by any party requesting that the case of a

minor over the age of 18 be closed to independence, the court, upon the request of any party, shall conduct a permanency hearing instanter; and that after conducting the permanency hearing, the court is authorized to enter any orders necessary to assist the minor in preparing to live independently, including orders requiring the Department of Children and Family Services to provide services and placement. Deletes a provision allowing for the automatic termination of the wardship of a minor and any custodianship or guardianship respecting the minor for whom a petition was filed after a specified date when the minor attains the age of 19 years.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Children & Family Services)

HB 3507 (H-AM 1) would have three types of impact on the Department's budget. First, it provides additional statutory requirements regarding the \$100 million in projected service expenditures for young adults aged 18 and over. Secondly, it creates substantial new financial liabilities by expanding the number of lawsuits that can be brought against the State; and providing judges the ability to order specific services independent of the State procurement system. Thirdly, it further disincentivizes youth from engaging in services and would significantly reduce the Department's federal return.

HOUSE FLOOR AMENDMENT NO. 2

Deletes reference to:
20 ILCS 505/2.1

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1, but with the following change: In a provision requiring the Department of Children and Family Services to ensure a sufficient number of placement and other resources of sufficient quality and variety to meet the needs of children and families as specified in the individual case plan, restores language providing that nothing shall be construed to create a private right of action or a judicially enforceable claim on the part of any individual or agency.

105 ILCS 75/10

105 ILCS 75/15

Amends the Right to Privacy in the School Setting Act. In provisions allowing a school to request or require a student (or, in addition, his or her parent or guardian with respect to post-secondary schools) to provide a password or other related account information in order to gain access to the student's account or profile on a social networking website (or, in addition, to demand access with respect to post-secondary schools) if the school has reasonable cause to believe that the student's account on a social networking website contains evidence that the student has violated a school disciplinary rule or policy, provides that a school does not have reasonable cause unless a victim or concerned party, such as a parent or guardian, has filed a complaint with the school or school personnel have observed cyber-bullying taking place. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

Provides that an elementary or secondary school must provide notification to the student and his or her parent or guardian that the elementary or secondary school may not request or require a student to provide a password or other related account information in order to gain access to the student's account or profile on a social networking website, unless a victim or concerned party, such as a parent or guardian, reports to school officials or school personnel have observed cyber-bullying taking place (instead of the notification providing that the school may request or require a student to provide a password or other related account information if the school has reasonable cause to believe that the student's account on a social networking website contains evidence that the student has violated a school disciplinary rule or policy). Removes the amendatory language that provides that a school does not have reasonable cause unless a victim or concerned party, such as a parent or guardian, has filed a complaint with the school or school personnel have observed cyber-bullying taking place.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Right to Privacy in the School Setting Act. With respect to the Section concerning post-secondary schools and prohibited inquiries, provides that the Section does not prohibit a post-secondary school from conducting an investigation or requiring a student to cooperate in an investigation if there is specific information about activity on the student's account on a social networking website that violates a school disciplinary rule or policy (instead of providing that the Section does not apply when a post-secondary school has reasonable cause to believe that a student's account on a social networking website contains evidence that the student has violated a school disciplinary rule or policy). Requires an elementary or secondary school to provide notification to the student and his or her parent or guardian that the elementary or secondary school may not request or require a student to provide a password or other related account information in order to gain access to the student's account or profile on a social networking website (instead of the notification providing that the school may request or require a student to provide a password or other related account information if the school has reasonable cause to believe that the student's account on a social networking website contains evidence that the student has violated a school disciplinary rule or policy). Requires an elementary or secondary school to provide notification to the student and his or her parent or guardian that the elementary or secondary school may conduct an investigation or require a student to cooperate in an investigation if there is specific information about activity on the student's account on a social networking website that violates a school disciplinary rule or policy. Provides that in the course of an investigation, the elementary, secondary, or post-secondary student may be required to share the content that is reported in order to make a factual determination. Effective immediately.

Amends the Illinois Oil and Gas Act. Authorizes the Department of Natural Resources to determine if oil and gas leases submitted with an application for a permit or transfer of a permit for a well are operative on the basis that prior oil and gas leases covering the same lands have terminated due to non-development or non-production. Requires that the determinations be based upon affidavits of non-development or non-production from knowledgeable individuals familiar with the history of development and production of oil or gas as to such lands, together with other evidence, which create a rebuttable presumption that the prior oil and gas leases have terminated and are of no further force and effect and that the submitted oil and gas leases are operative and effective. Provides that a court order or judgment declaring the prior leases terminated is not required for such determinations, except in extraordinary circumstances where the determinations cannot reasonably be concluded from the affidavits or evidence submitted to or available from the Department. Provides that, upon the Department's determination of a rebuttable presumption, the Department shall provide the current permittee with notice and a 30-day opportunity to request a hearing to rebut the presumption before a final determination on a lease is made. Provides that any determination made by the Department shall not diminish the rights or obligations of any current permittee of a well that are otherwise provided by statute or regulation of the Department. Provides that any request for a determination shall require the payment of a nonrefundable fee. Requires all determinations on leases by the Department be made no later than 90 days after the Department's receipt of a valid request for the determination. Effective immediately.

Provides that the assessment imposed on consumers of prepaid wireless telecommunications service shall be imposed per retail transaction as a percentage of that retail transaction. - 30 ILCS 105/5.866 new
- 30 ILCS 105/6z-101 new

Creates the Property Tax Refund Act. Provides that the Department shall issue a property tax refund of \$500 each year for each parcel of qualified property for which an eligible homeowner paid property taxes. Contains provisions concerning applications. Provides that the Department may request certain information from each county assessor or supervisor of assessments. Provides that, if a county fails to submit the required information, the Department shall not certify to the State Comptroller the amount of the Local Government Distributive Fund allocated to that county until that information is submitted. Provides for implementation without reimbursement by the State. Amends the Illinois Income Tax Act to provide that the tax credit for residential real property taxes applies only for taxable years ending prior to December 31, 2015. Effective immediately.

FISCAL NOTE (Dept. of Revenue)

To estimate the cost the Department added to the estimate the number of senior homeowners who did not file an income tax return and the number of homeowners under the age of 65 who did not file an income tax return. Not all non-filers are homeowners. The Department estimated that between 40 percent and 70 percent of non-filers are also homeowners. The Department also added back the number of income tax filers that paid property tax but did not claim the property tax credit. This gives a potential range of refund claims between 2,634,360 and 2,851,638. The total cost of the credits is each end of the range multiplied by the \$500 refund. The total cost estimate is between \$1,317,000,000 and \$1,430,000,000. To calculate the marginal cost of the refund we must back out to cost of the current credit leaving us with a marginal (or budgetary) cost of between \$760 million and \$873 million. The theoretical maximum cost of the credit can be arrived at by taking the total number of homestead exemptions multiplied \$500 by less than the current credit cost (3,185,765 * 500) - 556,000,000 = \$1,036,333,660. The final annual cost range is between \$760 million and \$1.036 billion.

Amends the Access to Justice Act. Makes changes in the Section concerning legislative findings. Defines "Foundation" and "Illinois Access to Civil Justice Council". Provides that the Illinois Access to Civil Justice Council shall develop (instead of the "General Assembly encourages the Supreme Court to develop") specified pilot programs. Provides that moneys in the Access to Justice Fund shall be directed to and used by the Attorney General for grants to the Illinois Equal Justice Foundation (instead of the Supreme Court) for specified purposes. Provides that grants made under the Act to the Foundation are subject to the requirements of the Illinois Grant Funds Recovery Act. Provides that the Foundation may make grants, enter into contracts, and take other actions recommended by the Council to effectuate the pilot programs and comply with the other requirements of the Act. Contains reporting and

administration provisions. Provides that the Council (instead of the Supreme Court) shall study the effectiveness of the pilot programs and submit a report to the Governor and General Assembly by June 1, 2021 (instead of June 1, 2017). Amends the Clerks of Courts Act. Provides that on and after September 1, 2015 (instead of "[i]f the Supreme Court develops a pilot program to provide court-based legal assistance in accordance with the Access to Justice Act"), the clerks of the circuit court shall collect specified fees for deposit into the Access to Justice Fund. Repeals the Section concerning these fees on September 1, 2020 (instead of August 15, 2018). Effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause and reinserts provisions substantially similar to those of the bill, amending the Access to Justice Act and the Clerks of Courts Act, but with changes that include the following: (1) provides that moneys in the Access to Justice Fund shall be appropriated to (instead of directed to and used by) the Attorney General for disbursements (instead of grants) to the Illinois Equal Justice Foundation; (2) provides that the Foundation shall use the moneys to make grants and distributions for the administration of the pilot programs created under the Access to Justice Act; and (3) provides that fees received by circuit clerks in connection with the access to justice pilot programs shall be remitted by the clerk to the State Treasurer (instead of to the Attorney General). Effective immediately.

HOUSE FLOOR AMENDMENT NO. 4

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, but with the following changes: Deletes a provision requiring the Illinois Access to Civil Justice Council (Council) to develop a pilot program to provide court-based legal assistance within a circuit court in each appellate district of this State. Provides that the Supreme Court Access to Justice Commission may develop a pilot program to provide court-based legal assistance services. Provides that the moneys in the Access to Justice Fund shall be appropriated to the Attorney General for disbursements to the Foundation and that the Foundation shall use the moneys to make grants and distributions for the administration of the pilot programs created under the Act (rather than moneys in the Access to Justice Fund shall be directed to and used by the Attorney General for grants to the Foundation for the administration of the pilot programs created under the Act). Provides that grants or distributions (rather than grants) made under the Act to the Foundation are subject to the requirements of the Illinois Grant Funds Recovery Act. Adds the Supreme Court to the list of persons and entities the Council is required to report to on the effectiveness of the pilot programs. Provides that the report "shall include the number of people served by the veteran and active military hotline and pro bono program and data on how the pilot programs expanded access to justice and the impact on government programs and community resources" (rather than "shall include the number of people served in each pilot program and data on the impact of varying levels of legal assistance on access to justice, the effect on fair and efficient court administration, and the impact on government programs and community resources"). Provides that this report shall describe the benefits of providing legal assistance to those who were previously unrepresented, both for the clients, "the military and veteran service organizations, and civil legal aid programs" (rather than "for the clients and the courts"). Makes the fee for filing certain documents with the clerks of the circuit court \$2 (rather than \$10). Provides that such fees shall be remitted to the clerk of the circuit court to the State Treasurer (rather than the Attorney General) as provided under the Act. Effective immediately.

In provisions concerning the transfer of animals between shelters, provides that an animal shelter or animal control facility may not release any animal to an individual representing an animal shelter unless the individual is a representative of a not-for-profit, out-of-state organization who is transferring the animal out of the State (rather than just a representative of a not-for-profit, out-of-state organization). Provides that no animal shelter may accept a stray dog or cat unless the animal reported by the shelter to the animal control or law enforcement of the county in which the animal is found by the next business day. Provides that shelters may accept animals from certain organizations. Requires shelters to scan for the presence of a microchip or other currently-acceptable methods of identification within 24 hours of the intake of each dog or cat. Provides that if the Department of Agriculture revokes a license, the licensee and any individuals associated with that license shall be prohibited from applying for or obtaining a license under the Act for at least 3 years.

HB-4205 FORD - FLOWERS.

110 ILCS 947/65.47 new

Amends the Higher Education Student Assistance Act. Requires the Illinois Student Assistance Commission to award grants to applicants who are teachers licensed under the School Code and are employed by a school district within an area designated as a poverty area by the Department of Commerce and Economic Opportunity to obtain additional course credit or an additional degree at a public university located in this State. Provides that the amount of the grant shall equal 50% of the tuition and other necessary fees required of the teacher by the public university at which the teacher enrolls. Requires grant recipients to contract with the Commission to teach for an additional 2 years in the school district in which they were employed at the time of application for the grant. Sets forth provisions concerning this commitment.

PENSION NOTE (Government Forecasting & Accountability)

HB 4205 will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 4205 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

FISCAL NOTE (Illinois Board of Higher Education)

The Illinois Student Assistance Commission estimate uses the percentage of the school eligible for Free or Reduced Lunch as a proxy, not knowing how The Department of Commerce and Economic Opportunity would define a poverty area. About 61,000 teachers work in schools with at least 40% of students eligible for free or reduced price lunch, and around half of teachers already hold a master's degree, leaving roughly 30,000 teachers who might be eligible for the program. According to College Navigator data, the weighted average tuition and fees for undergraduate school in Illinois is about \$13,000. The weighted average for graduate school at Illinois public universities is about \$13,509. The bill proposes covering half the cost. If most teachers wanted to attend graduate school parttime, then the average cost per participant using graduate tuition and fees is $\$13,509 \times 0.5 \times 0.5$, or \$3,377 per participant. Determining participation is more complicated. If half of the eligible teachers chose to participate, the cost would be $15,000 \times \$3,377$, or about \$50 million. If 10% wanted to participate it would be $3,000 \times \$3,377$, or about \$10 million.

Expresses support for the Illinois Department of Natural Resources' public education campaign, that informs the public about the exact steps to take if a sick, injured, or orphaned animal is encountered in the wild.

SENATE COMMITTEE AMENDMENT NO. 1

Removes language showing support for a robust Department of Natural Resources public education campaign that informs the public about the steps to take if a sick, injured, or orphaned animal is encountered in the wild and for increasing public education outreach in the spring months when many baby animals are mistaken as orphaned and should be left as they were found. Urges the Department of Natural Resources to administer a public education campaign that informs the public about the steps to take if a sick, injured, or orphaned animal is encountered in the wild and to increase public education outreach in the months of March and April when infant animals are mistaken as orphaned and should be left as they were found.

States opposition to the proposed change of the Determination of Need Score minimum threshold from 29 to 37, which would result in thousands of people with disabilities and seniors being left without critical support for activities of daily living in their own homes. Urges the Governor and the Illinois Department of Human Services to withdraw any and all plans to amend the Medicaid State plan to change the Determination of Need score requirements.

SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the heading with similar language. Adds the Department of

Healthcare and Family Services to the list of agencies that announced changes to the minimum threshold for eligibility to enter the Community Care Program and adds Supportive Living Facilities and nursing homes to the list of those institutions affected by those changes. Clarifies that Medicaid waiver service would be adversely affected by changes to the Determination of Need Assessment score requirement minimums. States that the members of the house of Representatives find it unconscionable to deny tens of thousands of people with disabilities and seniors the opportunity to receive vital care and support services. States that proposed changes to the Determination of Need score were made without any input from those that advocate for the needs of individuals with disabilities and the elderly. States that each resident residing in a nursing home with support from the State's Medicaid Long Term Care Program saves Illinois taxpayers hundreds of thousands of dollars by preventing unnecessary emergency room and hospital visits. Adds Illinois nursing home workers to the list of thousands of citizens who would be left without employment when consumers are made ineligible for assistance through the proposed changes. State the body's opposition to the proposed change of the Determination of Need Score minimum threshold from 29 to 37, which would result in thousands of people with disabilities and seniors being left without critical support for activities of daily living in their own homes and access to critical medical care in nursing homes.

Commends Chicago Mayor Rahm Emanuel for his commitment to building high speed train service between O'Hare International Airport and downtown Chicago and urges all State agencies to provide any and all assistance to the City of Chicago in implementing this crucial transportation project. Calls upon Congress to return to their previous practice in Fiscal Year 2010 of appropriating \$2.5 billion in the annual federal budget for capital grants to states for high speed rail projects in order to help fund this high speed rail project.

Urges the Federal Energy Regulatory Commission, the Illinois Commerce Commission, and the Illinois Power Agency to independently review the PJM Interconnection LLC and Midwest Independent System Operator capacity auction rules and market design and determine why the rules and market design have not protected Illinois ratepayers from significant increases, investigate whether all auction rules were followed in the most recent PJM and MISO auctions and, if so, to determine whether additional protections are necessary to ensure to protect ratepayers from excessive rates and charges, and independently investigate whether market power was exercised by any auction participants, including the withholding of certain generation assets intended to drive up the clearing price, and whether the market design for capacity auctions allows for the exercise of market power. Urges the Illinois Commerce Commission and the Illinois Power Agency to participate in Federal Energy Regulatory Commission proceedings that will address the design and operation of the capacity market planning processes and auction practices utilized by PJM and MISO and to promote policies in those proceedings that will ensure greater transparency, prevent the exercise of market power by bidders, and to deliver capacity resources to Illinois consumers at the lowest and most stable prices.
