7TH LEGISLATIVE DAY
Perfunctory Session
TUESDAY, JANUARY 29, 2019

At the hour of 3:15 o'clock p.m., the House convened perfunctorily.

HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 26

Offered by Representative McSweeney:

WHEREAS, As recently as 2017, James William Kilgore has been an adjunct member of the instructional staff of the University of Illinois at Urbana-Champaign (UIUC); and
WHEREAS, In the 1970s, James Kilgore was a member of a California-based terrorist group that called itself the "Symbionese Liberation Army" (SLA); and
WHEREAS, The SLA is best known for kidnapping heiress Patty Hearst in February 1974, sparking a criminal manhunt that spread outward from the San Francisco Bay area throughout the United States; and
WHEREAS, As part of their criminal activity, SLA members robbed a bank in Carmichael, California on April 21, 1975; during the bank robbery, an innocent customer, Myrna Lee Opsahl, the 42-year-old mother of four children, was brutally murdered; and
WHEREAS, Following this criminal activity, James Kilgore remained a fugitive for more than 27 years until his arrest in November of 2002 in South Africa; he was found guilty of federal explosives and passport fraud charges and was sentenced in April of 2004; and
WHEREAS, In a six-part documentary series, "The Radical Story of Patty Hearst", presented by CNN in February of 2018, a team led by investigative reporter Jeffrey Toobin showed evidence that James Kilgore played a key role in the Carmichael bank raid and the Opsahl murder; and
WHEREAS, Although James Kilgore's friends say he is a good teacher, he is not known to have ever taught anyone about the murder of Myrna Lee Opsahl, her hopes and dreams, or the hopes and dreams of her motherless children; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare our dismay that James William Kilgore has recently been a paid employee of the University of Illinois at Urbana-Champaign and may, at some point, re-sign contractual relations with the University; and be it further
RESOLVED, That we call upon the University of Illinois at Urbana-Champaign to take immediate steps to instruct its personnel that in the future James Kilgore shall not be considered to be a person that should have any ties with the University; and be it further
RESOLVED, That a suitable copy of this resolution be delivered to Robert J. Jones, Chancellor of the University of Illinois at Urbana-Champaign.

HOUSE RESOLUTION 27

Offered by Representative McSweeney:

WHEREAS, A proposed educational pension cost shift, which would shift the cost burden from the State of Illinois to local school districts, community colleges, and institutions of higher education, is under discussion; this proposal would require all employers of members in the Teachers' Retirement System and the State Universities Retirement System to pay the normal cost of pension benefits earned; and
WHEREAS, If this proposal for the Teachers' Retirement System and the State Universities Retirement System were to become policy, it would potentially move $10.187 billion in estimated normal costs of
pension benefits earned from the State to local school districts, community colleges, and institutions of higher learning over a 10-year period; actuarial changes recently made by these 2 systems will further increase these numbers; and

WHEREAS, This plan would move these spending commitments from one taxing body, the State, to a group of taxing bodies, the school districts and community colleges, while additional pension costs would be shifted to State universities; and

WHEREAS, A pension cost shift would lead to a massive increase in local funding requirements on school districts; the cost shift would exacerbate the problem of adequately funding our local schools by taking even more, when districts, teachers, and local voters are fighting to simply keep educational opportunities open to our students; in addition, a pension cost shift would likely lead to massive property tax hikes or to classroom cuts that will harm our students; and

WHEREAS, According to the Illinois State Board of Education, 67% of school districts in the State are operating in the red; and

WHEREAS, School districts already bear a large share of the Teachers' Retirement System pension burden by paying a statutory share of the System's total contribution costs, constituting 0.58% of pensionable teacher payroll; districts also contribute towards any locally-negotiated early retirement options and for the pension costs of certain increases in compensation, totaling $92.5 million in Fiscal Year 2012; and

WHEREAS, Representatives from Northern Illinois University publicly stated that if the cost shift were to be covered by increasing tuition on parents and students, each percentage of payroll cost shifted to the university would translate into a 2% tuition increase; this proposed cost shift would also increase the liability of State-funded universities and all community colleges, thus making higher education even more unaffordable for students and their parents; and

WHEREAS, This plan would harm the interests of all taxpayers, especially in downstate and suburban areas, and would sharply increase inequities created by the current school aid formula between Chicago and the rest of the State; because of the impact on institutions of higher education, Chicago taxpayers, parents, and students would also be affected; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we state our belief that an educational pension cost shift is financially wrong and would only serve to shift pension burdens from the State to the status of an unfunded mandate.

HOUSE RESOLUTION 28

Offered by Representative McSweeney:

WHEREAS, The State of Illinois is currently experiencing a fiscal crisis and is considering a multitude of options to solve the State's economic concerns; and

WHEREAS, A proposed tax on advertising and advertising-related services to generate revenue to balance the State's budget has been contemplated by some in the State's leadership; and

WHEREAS, A tax on advertising has proven to slow economic growth; no other state in the nation specifically applies a sales tax to advertising; and

WHEREAS, The State of Florida previously imposed a tax on advertising and advertising-related services, only to see a loss of jobs and personal income due to lost advertising revenue; Florida also saw ad purchases decrease by 12% and go to neighboring states, ultimately resulting in a loss of $100 million in advertising revenue and a repeal of the tax 6 months later; and

WHEREAS, A tax on advertising in Illinois would cripple the ability of business owners, both large and small, to market goods and services and cause the businesses to inevitably lose customers; and

WHEREAS, A tax on advertising would devastate the advertising industry in Illinois, driving revenue and jobs to neighboring states and hurting Illinois' already fragile economy; and

WHEREAS, The advertising industry in Illinois helps generate 17.3% of Illinois' economic activity and produces over 900,000 jobs; and

WHEREAS, An additional tax on advertising is counterintuitive and goes against the pro-business, pro-jobs, pro-growth policies that should be under careful consideration as Illinois seeks to regain sound financial footing; therefore, be it
RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST
GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we state our firm opposition to any additional
taxes on advertising or advertising-related services; and be it further
RESOLVED, That we state our belief that Illinois' present fiscal crisis must be managed in other ways
besides a new tax on business owners throughout the State.

HOUSE RESOLUTION 29

Offered by Representative McSweeney:

WHEREAS, Families have already suffered catastrophic damages as a result of the budget impasse and,
according to the Pew Center, a food and drug tax is the most regressive tax that punishes citizens on a fixed
income; and
WHEREAS, In 2015, there were a total of 160,569,757 retail prescription drugs filled at pharmacies in
Illinois; and
WHEREAS, Prescription drug prices increased 12.6% in 2014, outpacing inflation; increasing taxes for
prescription drugs will create more of a financial strain for Illinois residents, especially since 8.8% of Illinois
senior citizens live in poverty; and
WHEREAS, According to the Consumer Healthcare Products Association, over-the-counter (OTC)
medicines are a reliable and affordable way of maintaining wellness for millions of American families; and
WHEREAS, OTC medicines not only treat the symptoms of common ailments but also help prevent a
number of costly chronic conditions through products like smoking cessation programs; and
WHEREAS, The average American household spends approximately $185 on non-prescribed OTC
edicines per year while the average senior citizen spends $356 yearly; and
WHEREAS, Many states have already acknowledged the therapeutic value and cost-effectiveness of OTC
medicines and allow a retail sales tax exemption for the purchase of these products; Florida, Maryland,
Minnesota, New Jersey, New York, Pennsylvania, Rhode Island, Texas, Virginia, and the District of
Columbia do not levy sales taxes on OTC medicines; and
WHEREAS, The 2012 Value of OTC Medicine to the United States report found that OTC medicines offer
$102 billion in annual savings relative to available alternatives; and
WHEREAS, The Consumer Healthcare Products Association advocates for policies that support access to
OTC medicines by exempting them from sales tax; and
WHEREAS, Food security is an issue that places an enormous burden on struggling families within
Illinois; and
WHEREAS, According to the Illinois Commission to End Hunger, almost 1.7 million Illinois residents
still face food insecurity, a number greater than the entire populations of Hawaii, Montana, and 10 other
states; and
WHEREAS, According to the Illinois Commission to End Hunger, more than 449,000 low-income Illinois
children participate in the National School Lunch Program but do not receive school breakfast; it is
increasingly vital that food in the State be at a reasonable price; and
WHEREAS, The lowest-income Americans spent an average of $3,667 on food in 2014, which amounts
to 31.4% of their income according to the United States Department of Agriculture; and
WHEREAS, For a family of four living on $2,000 a month, to spend 34% of their income on food would
equate to $8,160 a year; and
WHEREAS, The states with the highest taxes on food, Mississippi, Arkansas, and Alabama, had the
highest rate of food insecurity in 2014; and
WHEREAS, Illinois may also lose tax revenue to bordering states; if Illinois increases taxes on food and
drug, residents may drive to Indiana, Iowa, Missouri, and Kentucky to purchase those goods, causing
additional harm to our economy; and
WHEREAS, According to U.S. News and World Report, taxing groceries and prescription drugs shifts the
state's focus on the real issues, which should be alleviating the barriers for quality food and necessary
medications for low-income citizens; and
WHEREAS, In Illinois, the bottom 20% have an average income of $10,900 yet pay 13.2% of their income
to taxes; Illinois is currently ranked third for the highest taxes on the poor according to the Institution of
Taxation and Economic Policy; and
WHEREAS, A tax on food and prescription drugs is fiscally damaging to middle-class families because their average income is $49,500 yet 10.8% goes toward taxes; and
WHEREAS, Expanding taxes on food and drugs disproportionately hurts lower-income families, further resulting in a higher rate of food insecurity; and
WHEREAS, Senior citizens and children are most affected by food insecurity and drug prices; therefore, be it
RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we believe that sales taxes on food and drugs should not be increased.

HOUSE RESOLUTION 30

Offered by Representative McSweeney:

WHEREAS, A proposed tax on sugar-sweetened beverages to generate revenue to balance the State's budget has been contemplated by some policymakers; and
WHEREAS, Adding an additional tax on sugar-sweetened beverages will raise grocery costs for hardworking Illinois families and kill Illinois jobs; and
WHEREAS, Studies have concluded that any obesity-related benefit of decreased sugar-sweetened beverage consumption that comes from a tax is negligible or offset by individual circumstances and environments; for instance, West Virginia has had a sugar-sweetened beverage tax since 1951 and has the second highest obesity rate in the United States at 35.6%; since 1990, the diabetes rate in West Virginia has more than doubled from 6.7% to 14.5%; Arkansas has had a sugar-sweetened beverage tax since 1992; during this time, obesity rates have doubled from 17% to 34.5%, ranking it the sixth-highest rate in the United States; additionally, the diabetes rate has doubled from 5.8% to 12.6%; and
WHEREAS, If the sugar-sweetened beverage tax will reduce consumption as the advocates claim, then it will in turn negatively impact bottlers, manufacturers, agricultural suppliers, distributors, retailers, and labor; with more than 100,000 Illinois residents directly and indirectly employed by the beverage industry, the vast beverage industry could face layoffs if the sugar-sweetened beverage tax is signed into law; and
WHEREAS, Beverage-related jobs create $654 million in wages in Illinois, with an additional $702 million in wages for occupations that rely on beverage sales; passing this soda beverage tax would decrease sales, resulting in a decrease in local and State revenue at a time when governments across Illinois are facing declining revenue; and
WHEREAS, A soda tax will provide additional incentive to the two-thirds of Illinois residents who live within a 40-minute drive of a neighboring state to shop in that neighboring state and therefore further weaken tax receipts and cripple local businesses; specifically, Illinois retailers that border other states will be put at an even greater competitive disadvantage with out-of-state retailers; and
WHEREAS, A recent proposal would impose an unreasonable new State penny-per-ounce tax that would result in 68 cents in new taxes on a typical 99-cent, two-liter bottle of soda; and
WHEREAS, An additional tax on sugar-sweetened beverages goes against the pro-business, pro-jobs, pro-growth policies that should be under careful consideration as Illinois seeks to regain sound financial footing; therefore, be it
RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we fully support our hardworking citizens and oppose all efforts, on the State or local level, to impose new taxes on beverages and food; and be it further
RESOLVED, That we state our firm opposition to any additional taxes on sugar-sweetened beverages.

HOUSE RESOLUTION 31

Offered by Representative McSweeney:

WHEREAS, Illinois' income tax has been levied at a non-graduated rate since its inception in 1969; and
WHEREAS, The current flat rate structure is a commitment from the Constitution of the State of Illinois; and
WHEREAS, Illinois' current flat tax rate provides a more predictable, sustainable, and enticing climate for businesses and individuals alike; and
WHEREAS, A graduated income tax is unresponsive to a modern economy, contributing to slower economic growth, less entrepreneurship, and fewer new jobs; and
WHEREAS, States with lower tax burdens, lower marginal tax rates, and less progressivity have more robust economies, with strong incentives to live, work, and start new businesses; and
WHEREAS, A graduated income tax creates an ever-increasing disincentive for work at each "step" in the marginal tax rate; and
WHEREAS, Sound tax policy should reward work effort, saving, investment, risk-taking, and entrepreneurship to promote self-sustaining prosperity; and
WHEREAS, Taxpayers would have no certainty what the final tax rates would be in the event that a constitutional amendment permitting a graduated income tax goes before voters; therefore, be it
RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we state our belief that the Illinois Constitution should not be amended to permit a graduated income tax; and be it further
RESOLVED, That suitable copies of this resolution be delivered to all Illinois constitutional officers, the Speaker and Minority Leader of the Illinois House of Representatives, and the President and Minority Leader of the Illinois Senate.

HOUSE RESOLUTION 32

Offered by Representative McSweeney:

WHEREAS, The State of Illinois exempts State taxation of retirement income; and
WHEREAS, Retirees living on a fixed income have limited ability to rejoin the workforce, face high health care costs, and have little ability to save money; and
WHEREAS, Retirees could not have anticipated in their lifetime of planning that their retirement income would suddenly be taxed by the State, forcing them to cut already strained household budgets; and
WHEREAS, Retirees do pay many other taxes, such as federal income taxes, property taxes, and sales taxes; and
WHEREAS, The exclusion of taxing retirement income encourages residents to remain living throughout their retirement in Illinois and encourages newly retired Americans to relocate to the State; therefore, be it
RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we state our belief that the Illinois Income Tax Act should not be amended to permit taxing retirement income; and be it further
RESOLVED, That suitable copies of this resolution be delivered to all Illinois constitutional officers, the Speaker and Minority Leader of the Illinois House of Representatives, and the President and Minority Leader of the Illinois Senate.

HOUSE RESOLUTION 33

Offered by Representative McSweeney:

WHEREAS, In late summer and the fall of 2017, sexual harassment claims nationwide began to come to light with a rapid pace; and
WHEREAS, The concerns regarding sexual harassment in Illinois politics came to the forefront following a letter signed by over 150 men and women that detailed sexual harassment over the years; and
WHEREAS, Legislation began moving through the Illinois Legislature that prohibited sexual harassment, increased requirements in personnel policies, required mandatory training, and required local governments to have sexual harassment policies; and
WHEREAS, This culture is not limited to state government; Cook County Board President Toni Preckwinkle learned in March of 2018 that her chief of staff had been behaving inappropriately towards women; and
WHEREAS, Toni Preckwinkle took no action until September of 2018 when she fired her chief of staff, alleging that she learned of the allegations only a few days before; and
WHEREAS, Toni Preckwinkle has stated that she has made the prohibition of harassment, including the prohibition of sexual harassment, a priority; and
WHEREAS, The egregious six month delay in action by Toni Preckwinkle is contrary to her statement that the prohibition of sexual harassment is a priority; therefore, be it
RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Cook County Board to investigate Cook County Board President Toni Preckwinkle's six month delay in firing her chief of staff for inappropriate behavior; and be it further
RESOLVED, That a suitable copy of this resolution be delivered to the Cook County Board.

HOUSE RESOLUTION 34

Offered by Representative Davis:

WHEREAS, The State of Illinois is proud of the sister-state relationship it has enjoyed with the Republic of China (Taiwan) since 1992, marked by strong bilateral trade, educational and cultural exchanges, and tourism; and
WHEREAS, Taiwan shares the same values of freedom, democracy, human rights, the rule of law, peace, and prosperity with the United States and the State of Illinois; and
WHEREAS, The United States ranks as Taiwan's second-largest trading partner; Taiwan is the eleventh-largest trading partner of the United States and bilateral trade reached US$ 68.2 billion in 2017; and
WHEREAS, The United States Congress passed the landmark Taiwan Relations Act (TRA) in 1979 to sustain a close bilateral relationship between the United States and Taiwan, as well as to advance their mutual security and commercial interests; the TRA has served as the cornerstone of U.S.-Taiwan relations and has helped to preserve peace and stability in the Taiwan Strait; and
WHEREAS, Taiwan and the State of Illinois have enjoyed a long and mutually beneficial relationship with the prospect of future growth; Taiwan was Illinois's eighth-largest export market in Asia in 2017, with US$ 669 million worth of Illinois goods exported to Taiwan; and
WHEREAS, Negotiations for a Bilateral Trade Agreement (BTA) between Taiwan and the United States are an important step toward further strengthening bilateral trade between our countries, thereby increasing Illinois's exports to Taiwan and creating bilateral investment and technical collaboration through tariff reduction and other trade facilitation measures; and
WHEREAS, Taiwan has undertaken a policy of "steadfast diplomacy" in its international relations; Taiwan is capable of, and willing to, fulfill its responsibilities and to collaborate with the world to deal with the challenges of humanitarian aid, disease control, and so forth; therefore, be it
RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we recognize the 40th anniversary of the United States Congress's enacting of the Taiwan Relations Act and reiterate our support for a closer economic and trade partnership between the United States and Taiwan; and be it further
RESOLVED, That we endorse Taiwan's efforts to secure the signing of a Bilateral Trade Agreement (BTA) with the United States; and be it further
RESOLVED, That we express our continued support for Taiwan's meaningful participation in international organizations which impact the health, safety, and well-being of its people and support its aspiration to make more contributions to the global community; and be it further
RESOLVED, That suitable copies of this resolution be delivered to all members of the Illinois Congressional Delegation and the Taipei Economic and Cultural Office in Chicago.

HOUSE RESOLUTION 48

Offered by Representative Thapedi:

WHEREAS, Montford Point Marine Association, Inc. Chicago Chapter 2 has been headquartered at 7011 South Vincennes Avenue since 1983; it consists of members who have served in every American conflict from World War II to Operation Iraqi Freedom; and
WHEREAS, The Montford Point Marine Association has donated tens of thousands of dollars to scholarship programs, shut-in veterans, and needy families; and
WHEREAS, The banquet halls of the headquarters have been used as a meeting place in the community for events such as weddings, Masonic groups, and Greek organizations; and
WHEREAS, In 2011, President Barack Obama awarded the Congressional Gold Medal to every member of the Montford Point Marines both living and deceased; therefore, be it
RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge Cook County to grant an extension to Montford Point Marine Association, Inc. Chicago Chapter 2 so that they might raise funds to pay off $75,000 in back taxes and continue to provide valuable support to the community.

HOUSE RESOLUTION 50

Offered by Representative Bennett:

WHEREAS, The primary function of institutions of higher education is the discovery, transmission, and dissemination of knowledge by engaging in teaching, research, open discussions, and free debate; and
WHEREAS, This tradition of openness and freedom is the foundation of knowledge creation and has produced many of the greatest universities and colleges in the world; and
WHEREAS, Rene Descartes stated that "if you would be a real seeker after truth, it is necessary that at least once in your life you doubt, as far as possible, all things"; and
WHEREAS, Colleges and universities are increasingly stifling viewpoints which may be considered controversial by some, unilaterally cancelling scheduled speeches by certain commentators, and limiting the right to assemble or protest to so-called "free speech zones"; and
WHEREAS, According to the American Civil Liberties Union (ACLU), "Speech codes adopted by government-financed state colleges and universities amount to government censorship, in violation of the Constitution; the ACLU believes that all campuses should adhere to First Amendment principles because academic freedom is a bedrock of education in a free society"; and
WHEREAS, These policies are inherently at odds with the freedom of speech guaranteed by the First Amendment of the Constitution, and they inhibit the free exchange of ideas at campuses across the country; therefore, be it
RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we condemn restrictive speech policies at institutions of higher education, and we urge those institutions with such policies in place to reverse their decisions; and be it further
RESOLVED, That it is in the interest of our State and our nation to have a well-informed population that has been exposed to all sides of an argument, as this can only lead to better perspective, better decision-making, and mutual respect on controversial issues; and be it further
RESOLVED, That suitable copies of this resolution be delivered to the Chairperson of the Illinois Board of Higher Education, the Executive Director of the Illinois Community College Board, and the Presidents of Chicago State University, Eastern Illinois University, Governors State University, Illinois State University, Northeastern Illinois University, Northern Illinois University, Southern Illinois University, the University of Illinois system, and Western Illinois University.

HOUSE RESOLUTION 55

Offered by Representative Batinick:

WHEREAS, The people of Illinois - who pay for a General Assembly to plan for the long-term affairs of the State - deserve to have a budget planning document in place that considers medium-term and long-term spending pressures in the setting of State spending priorities; and
WHEREAS, No budget was enacted for fiscal years 2016 or 2017; during this period, State spending continued without legislative participation, putting Illinois on the brink of financial disaster; and
WHEREAS, Political pressures associated with the 2020 election cycle will only increase with time, further tainting the budget process with politics and raising the possibility that, in the absence of corrective
WHEREAS, The General Assembly needs to re-establish a budget cycle and re-establish the credibility it needs in order to shift its attention to pension reform, property tax relief, crime and violence, the jobs climate, the outmigration from Illinois of younger and highly-educated workers and professionals, and other urgent issues; and

WHEREAS, Many states such as Nebraska, Ohio, and Texas, and including the neighboring state of Indiana, practice 2-year spending plans or full-scale biennial budgeting; and

WHEREAS, The Constitution of Illinois directs the Governor of Illinois to present an annual budget proposal to the General Assembly, but, as we have come to know all too well, nothing constrains the General Assembly's actual responses to these proposals; nothing prevents the General Assembly from adopting a planning process that faces the fact that we, as a State, are on the brink of financial disaster and responds to that fact in a professional manner and in keeping with our identity as legislators and our oaths of office; and

WHEREAS, In these times, moving toward a long-term budget planning cycle will enable State agencies performing essential services, third-party service providers whose services are no less essential, and institutions and entities of higher education to obtain the information that their leaders have testified is essential to carrying out their duties; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare that it is expedient for the General Assembly to adopt a 2-year budget planning document to cover revenues in all of fiscal years 2020 and 2021, take account of moneys already spent, and control spending in the remainder of fiscal year 2019; and be it further

RESOLVED. That this planning document should rely upon an honest estimate, without false promises or shoddy planning, of the actual financial income (especially general funds income) that the State will take in during fiscal years 2020 and 2021; and be it further

RESOLVED, That we urge the Commission on Government Forecasting and Accountability and the Governor's Office of Management and Budget to work together to develop an extraordinary consolidated revenue estimate for fiscal years 2020 and 2021, this estimate to be presented to both chambers of the General Assembly no later than 30 days after the adoption of this resolution; and be it further

RESOLVED, That we, the sponsors of this resolution, pledge to use this consolidated 2-year revenue estimate to work with our colleagues to develop a 2-year State budget and financial planning document; and be it further

RESOLVED, That our goal, as we develop this budget planning document, will be to end the current political cycle of reactive emergency measures and budget court orders; and be it further

RESOLVED, That suitable copies of this resolution be presented to Michael J. Madigan, Speaker of the House of Representatives, John Cullerton, President of the Senate, and J.B. Pritzker, Governor.

HOUSE RESOLUTION 56

Offered by Representative Jones:

WHEREAS, The construction of Chicago's third airport, or the south suburban airport, will help bring new businesses to neighboring municipalities and give south suburban residents easier access to a local airport for traveling; and

WHEREAS, The construction of a local trauma center will help south suburban communities better deliver care for mental health services and address chronic gun violence; and

WHEREAS, The commitment to creating the long-studied and federally-approved Illiana Tollway will create easier road travel for commuters and truckers, create short and long-term local jobs, and boost regional economic output by an estimated $4 billion; and

WHEREAS, Along with these projects, property tax reduction must also be a key economic component of growth for the south suburbs and across Illinois to keep homeowners in our State and continue developing the region; and
WHEREAS, The Local Government Distributive Fund is vital to expanding local economies in the south suburbs, and the funds from this program should not be diminished in any way; and

WHEREAS, These projects will help foster economic development in cities and villages in the south suburbs, helping generate long-term economic activity and creating much-needed jobs for the area; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we believe these projects are necessary for job and economic growth in the south suburbs and should be supported by all; and be it further

RESOLVED, That suitable copies of this resolution be delivered to all Illinois constitutional officers, the Speaker and Minority Leader of the Illinois House of Representatives, and the President and Minority Leader of the Illinois Senate.

HOUSE RESOLUTION 57

Offered by Representative McDermed:

WHEREAS, Cellular phones have become a vital part of everyday life, and citizens rely on them for ease of communication and accessing information; and

WHEREAS, The abuse of this technology by scam artists and criminals leads to significant disruptions in everyday life and substantial financial losses; and

WHEREAS, The Federal Trade Commission received 4.5 million complaints in 2018 from citizens frustrated with incessant scam callers and robocalls; and

WHEREAS, Scam callers are becoming increasingly sophisticated, using spoofing technology to mimic local area codes in order to fool the call recipient; and

WHEREAS, 30 billion robocalls were made in 2017, a number that is growing from year-to-year; and

WHEREAS, $350 Million dollars are lost every year to scam calls; and

WHEREAS, Having a phone number registered on the national Do Not Call Registry does little to discourage or stop criminal phone scams; and

WHEREAS, New phone verification methods, including the Secure Telephone Identity Revisited (STIR) and Signature-based Handling of Asserted information using toKENs (SHAKEN), show great promise for helping to stop the increasing flood of scam and robocalls; and

WHEREAS, The federal government and telecom companies are taking steps to stop the overwhelming flood of fraudulent and unsolicited phone calls that consumers receive; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we support all efforts by the federal government and the telecommunication industry to stop the abuse of our national telecommunication networks and the defrauding of our citizens by deceitful robocalls and scam callers; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the Federal Communications Commission Chairman Ajit Pai and to the respective CEOs of the top five telecommunication companies in Illinois.

HOUSE RESOLUTION 58

Offered by Representative Stuart:

WHEREAS, The State has a considerable moral, public health, and financial interest in reducing opioid addiction in the State; and

WHEREAS, It is medically documented that opioid prescription drugs are addictive and that opioid addictions are harmful and expensive to address; and

WHEREAS, Opioid prescription drug addiction interferes with an addict's ability to work and to provide for a stable and healthy family; the State's opioid epidemic damages the health of families and children and affects the chances that a child will receive a healthy upbringing; the opioid epidemic increases crime in the State and costs the State and other entities excessive amounts of money, which is especially problematic in lean budget times; and
WHEREAS, Recent analysis by the CDC illustrates a linear association between the duration of an initial prescription and the likelihood of developing long-term opioid use; in addition, many patients who receive a prescription for opioids do not use all the medications, resulting in leftover pills that increase the risk of misuse and abuse; these factors support the need for robust safety measures around prescribing opioids for acute, painful conditions; and

WHEREAS, Patients are not always advised of the addictive effects of opioid prescription drug use; most compelling is the 2017 analysis released by the CDC that demonstrated "the likelihood of chronic opioid use increased with each additional day of medication supplied starting with the third day"; among those receiving an initial 30-day prescription, more than 30 percent remained on opioids a year later; and

WHEREAS, In general, opioids should not be considered first line therapy for patients with mild to moderate pain and with limited past exposure to opioids; guidelines emphasize that clinicians should first prescribe non-opioid medication for acute pain and then, if needed, prescribe opioids in small quantities with duration typically limited to less than a week; and

WHEREAS, Requiring medical providers to inform patients of the risks associated with opioid prescription drug use can help to reduce opioid prescription drug addictions in the State; policies that reduce the number of people who become addicted to opioids will better serve citizens of the State and foster healthier families; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Illinois Department of Public Health to adopt new guidelines for the prescription of opioid prescription drugs; and be it further

RESOLVED, That a suitable copy of this resolution be presented to the Illinois Department of Public Health.

WHEREAS, Agent Orange is an herbicide that is known for its use by the United States military as part of its warfare program; and

WHEREAS, Agent Orange was sprayed on more than 12,000 square miles of Vietnam, nearly ten percent of the country; and

HOUSE JOINT RESOLUTION 6

Offered by Representative Reick:

WHEREAS, It is the obligation of the Illinois General Assembly and the various executive agencies of State government to provide such public services as are necessary to ensure that every person in Illinois can maximize his or her own potential and to provide such services as are required to ensure that the most unfortunate among us can live in dignity and safety; and

WHEREAS, It is also the obligation of the Illinois General Assembly and the various executive agencies of State government to not unduly burden the taxpayers of the State by extracting any greater amount of tax revenue than is necessary to achieve those ends; and

WHEREAS, The budgeting process in Illinois all too often fails to examine the inefficiencies brought about by the existence of redundant and outdated programs; and

WHEREAS, State agencies may not be in compliance with adequate cost-control measures to provide efficient use of State appropriations, or such measures may be outdated or non-existent; and

WHEREAS, The failure to examine measures to control costs leads to ever-increasing demands for revenue; and

WHEREAS, The taxpayers of Illinois are faced with high taxation that is hampering the development of business in the State and creating an exodus of productive, taxpaying citizens to other States, thus making it necessary to investigate ways by which Illinois government can reduce costs and yet fulfill its obligations in an efficient and cost-effective manner; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that we urge the creation via legislation of the Illinois Commission on Fiscal Responsibility and Reform, whose purpose shall be to examine the extent to which current practices of the executive agencies either conform to or fall short of established laws, regulations, and best practices, and to determine the fiscal impact which the State realizes as a result of falling short of compliance with such practices; and be it further

RESOLVED, That the Commission should conduct a private sector survey on cost control in State government and advise the Governor, the General Assembly, and the executive agency heads with respect to improving management practices and reducing costs; and be it further

RESOLVED, That the heads of executive agencies should, to the extent permitted by law, and in a timely manner, be required to provide to the Commission and its staff units such information, including that relating

RESOLVED, That the Commission's recommendations should focus on the following areas: (1) Discretionary State spending, (2) Specific areas in which State agencies could be required to reduce expenditures, and (3) State budget and accounting practices leading to the establishment and enforcement of guidelines and procedures by which executive agencies must demand and confirm accountability from such stakeholders who may seek or be granted appropriations of State funds; and be it further

RESOLVED, That the Illinois Commission on Fiscal Responsibility and Reform, as a body with responsibilities that cross over the chronological boundaries of this Illinois General Assembly, should be created by legislation; and be it further

HOUSE JOINT RESOLUTION

Offered by Representative McSweeney:

WHEREAS, In order to minimize the serious impact of all types of crime, especially violent crime, upon Illinois residents, it is necessary for Illinois to be protected by a crime lab that is operated by the Illinois State Police in a manner that complies with state-of-the-art specifications for the rapid processing of evidence and identification of criminal suspects; and

WHEREAS, In response to this need, the Illinois State Police has established a Division of Forensic Services, commonly referred to as the "State crime lab"; and

WHEREAS, It has been publicly known for several years that there is a serious backlog in the time required for biological evidence to be processed for the establishment of admissible forensic evidence after that forensic evidence has been recovered from crime scenes, processed by law enforcement, and transferred to the Division of Forensic Services; and

WHEREAS, This backlog in the examination process includes numerous cases where the processing of evidence collected following incidents of violent crimes, including murders, shootings, and criminal sexual assaults, is seriously delayed; and

WHEREAS, It typically takes at least one year for biological evidence to be processed by the Illinois State Police crime lab; and

WHEREAS, DNA evidence is critical to the solution of crimes, especially in murder cases and sexual assaults, where the biological evidence may be the last resort, the only thing tying a murderer or rapist to a crime scene and a victim in a way that can be proved in a court of law; and

WHEREAS, In today's climate where police and prosecutors are increasingly scrutinized about their procedures, DNA evidence is crucial to the successful prosecution of criminal cases in the courtroom; and

WHEREAS, Modern biochemistry has developed the Rapid DNA system, a system to enable the fully automated generation of a full DNA profile from a cheek swab without human intervention; the ability of Rapid DNA to carry out the efficient profiling of criminal suspects has led Congress to pass the federal Rapid DNA Act of 2017, which has been signed into federal law as P.L. 115-50; and

WHEREAS, This federal law directs the Federal Bureau of Investigation (FBI) to issue standards and procedures to create a nationwide police protocol for using Rapid DNA instruments to analyze DNA samples of criminal offenders and criminal suspects and to compile the data gathered therein within the Combined DNA Index System or CODIS; and

WHEREAS, The 50 states and their residents will not enjoy the benefits of Rapid DNA technology and the ability to conduct instant CODIS identification of criminal suspects who have already been taken into custody until they take steps to comply with the protocol outlined in the Rapid DNA Act of 2017 and implemented by FBI standards and procedures; and

WHEREAS, The usefulness of the CODIS system as a nationwide database will depend upon the relative compliance of local law enforcement throughout all 50 states; for reasons of both local criminal justice and so that our State can do its part, it is essential that Illinois law enforcement be granted the support tools they need to appropriately deploy the Rapid DNA instrumentation in booking stations and forensic laboratories accredited in DNA analysis across Illinois; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREBEIN, that
the Auditor General is directed to conduct a performance audit of the Illinois State Police Division of Forensic Services; and be it further

RESOLVED, That the audit include, but not be limited to, an examination of the Division’s equipment, procedures, and staffing levels, with the goal of identifying and reporting to the General Assembly as soon as possible on barriers and choke points in the way of full Illinois State Police and local law enforcement compliance with the protocols created by the federal Rapid DNA Act of 2017; and be it further

RESOLVED, That the Illinois State Police is directed to comply fully and promptly with all features of this audit, including elements aimed at identifying the increased personnel and budgetary support required for the Illinois State Police and local law enforcement to achieve full compliance; and be it further

RESOLVED, That the Auditor General commence this audit as soon as possible and report his findings and recommendations upon completion in accordance with the provisions of Section 3-14 of the Illinois State Auditing Act; and be it further

RESOLVED, That the Department of State Police, the Department of Innovation and Technology, the Department of Corrections, and any other State agencies or Illinois law enforcement agencies that receive State funds are directed to comply fully and promptly with all features of this examination and audit, including elements aimed at identifying increased funding for the Illinois criminal justice community to appropriately utilize Rapid DNA instrumentation; and be it further

RESOLVED, That the Illinois State Police and its Division of Forensic Services are directed to take all steps possible to achieve compliance, or partial compliance, with the federal Rapid DNA Act of 2017 on the statewide crime lab level to fulfill implementation of any recommendations handed down by the Auditor General; and be it further

RESOLVED, That we express continued support to all of Illinois law enforcement, including but not limited to the Illinois State Police, for their tireless and courageous work to maintain public security in the face of growing challenges created by drug violence and other social trends; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the Governor of Illinois, the Director of State Police, Col. Sean Cormier of the Illinois State Police Division of Forensic Services-Forensic Sciences Command, and Auditor General Frank J. Mautino.

(b) Each Legislative District, Representative District, and Congressional District shall, in the following order of priority:

(1) fully comply with the United States Constitution and federal laws, such as the federal Voting Rights Act;
(2) be substantially equal in population;
(3) provide racial minorities and language minorities with the equal opportunity to participate in the political process and elect candidates of their choice;
(4) provide racial minorities and language minorities who constitute less than a voting-age majority of a Legislative District, Representative District, or Congressional District with an opportunity to substantially influence the outcome of an election;
(5) be contiguous;
(6) be compact;
(7) respect, to the extent practical, geographic integrity of units of local government;
(8) respect, to the extent practical, communities sharing common social or economic interests; and
(9) not discriminate against or in favor of any political party or individual.

(c) No later than December 30 of the year that each federal decennial census occurs, the Chief Justice and the most senior Supreme Court Justice who is not elected from the same political party as the Chief Justice shall select sixteen commissioners to form an Independent Redistricting Commission. The commissioners shall reflect the ethnic, gender, and racial demographics of Illinois, fourteen of the commissioners shall represent, in equal number, the two political parties whose gubernatorial candidates received the greatest number of votes in the last gubernatorial election and two of the commissioners shall represent neither of those parties. The two Justices responsible for selecting the sixteen commissioners shall consider party identification and all campaign contributions in determining a potential commissioner’s eligibility. There shall be at least two commissioners from each Judicial District.

(d) A person is ineligible to serve on the Commission if within the previous four calendar years the person or his or her spouse or immediate family member was appointed or elected to a position with the State, federal, or local government; is a State employee; is a lobbyist as defined by law; has an ownership interest
in an entity with a State or federal contract; or is appointed or elected to serve a political party. A commissioner is ineligible for a period of ten years to serve in the General Assembly or to be appointed to a position subject to Senate confirmation. Commissioners must file financial disclosure statements and abide by any ethics requirements established by law.

(e) The Commission shall act in public meetings by the affirmative vote of ten commissioners. The Commission shall elect its chairperson and vice chairperson, who shall not be affiliated with the same political party. Each meeting of the Commission shall be open to the public and there must be public notice at least seven days before a meeting. All records of the Commission, including all communications to or from the Commission regarding the work of the Commission, shall be available for public inspection. The Commission shall adopt rules governing its procedures. The Commission shall be considered a public body subject to the Freedom of Information Act or a successor Act and the Open Meetings Act or a successor Act. Commissioners and staff may not communicate with or receive communications about redistricting matters from anyone outside of a public hearing.

(f) The Commission shall hold at least twenty public hearings throughout the State before adopting a redistricting plan, with a majority occurring before the Commission releases any proposed redistricting plan and at least ten public hearings must occur throughout the State after the release of any proposed redistricting plan.

The Commission must provide a meaningful opportunity for racial minorities and language minorities to participate in the public hearings, including, but not limited to, issuing notices in multiple languages and ensuring that translation services are available at all hearings at the Commission's expense or through partnership with outside organizations. These public hearings must be open to all members of the public and must be planned to encourage attendance and participation across the State, including the use of technology that allows for real-time, virtual participation and feedback during the hearings. When releasing a proposed redistricting plan, the Commission must also release population data, geographic data, election data, and any other data used to create the plan, when the Commission receives this information. The Commission must also provide terminals for members of the public to access the data and associated software. During the map drawing process, any member of the public may submit maps for consideration to the Commission. Those submissions are public records that are open to comment.

The Commission may not adopt a redistricting plan until the Commission adopts and publishes a report explaining the plan's compliance with the United States Constitution and Illinois Constitution. Before the adoption of a redistricting plan, the Commission shall release to the public the final plan and its associated compliance report. The meeting to vote on adoption of a redistricting plan shall occur no sooner than thirty days after the release of the final plan and its associated compliance report. All proposed and adopted maps and any data used to develop these maps are public records. The Commission shall maintain a website or other similar electronic platform to disseminate information about the Commission, including records of its meetings and hearings, proposed redistricting plans, assessments and reports on plans, and to allow the public to view its meetings and hearings in both live and archived form. The website or electronic platform must allow the public to submit redistricting plans and comments on redistricting plans to the Commission for its consideration.

(g) The Commission shall adopt and file with the Secretary of State a redistricting plan for the Legislative Districts, Representative Districts, and Congressional Districts by August 1 of the year following the federal decennial census. The Commission may adopt separate redistricting plans for the Legislative Districts, the Representative Districts, and the Congressional Districts.

(h) If the Commission fails to adopt and file a redistricting plan by August 1 of the year following a federal decennial census, the Chief Justice of the Supreme Court and the most senior Supreme Court Justice who is not elected from the same political party as the Chief Justice shall appoint, by August 8, a seventeenth member to the Commission. The seventeenth member of the Commission must not be affiliated with either major political party. The seventeen-member Commission shall adopt and file with the Secretary of State redistricting plans for the Legislative Districts, Representative Districts, and Congressional Districts by September 1 of the year following the federal decennial census.

(i) Members of the Commission shall be compensated at the rate of $37.50 for each hour the member is engaged in Commission business. For each succeeding Commission, the rate of compensation shall be adjusted in each year of the federal decennial census by the cumulative change in inflation based on the consumer price index-u or a successor metric. Members of the Commission are eligible for reimbursement of personal expenses incurred in connection with the duties performed pursuant to this act. A member's residence is deemed to be the member's post of duty for purposes of reimbursement of expenses.
(j) Within the first thirty days after the selection of the Independent Redistricting Commission, the Governor shall include in the budget submitted under Section 2 of Article VIII to the General Assembly amounts of funding for the Commission and the Secretary of State that are sufficient to meet the estimated expenses of each of those officers or entities in implementing the redistricting process required by this Section for a three-year period, including, but not limited to, adequate funding for a statewide outreach program to solicit broad public participation in the redistricting process. The Governor shall also make adequate office space available for the operation of the Commission. The Legislature shall make the necessary appropriation in a budget implementation Act, and the appropriation shall be available during the entire 3-year period. Appropriation made shall be equal to the greater of $3,000,000 or the amount expended in accordance with this subsection in the immediately preceding redistricting process, as each amount is adjusted by the cumulative change in inflation based on the consumer price index-u or a successor metric, since the date of the immediately preceding appropriation made in accordance with this subsection. The Legislature may make additional appropriations in any year that it determines that the Commission requires additional funding in order to fulfill its duties. The Commission, with fiscal oversight from the Comptroller or its successor, shall have procurement and contracting authority and may hire staff and consultants, for the purposes of this Section, including legal representation.

(k) A redistricting plan filed with the Secretary of State shall be presumed valid and shall be published promptly by the Secretary of State.

(l) The Supreme Court shall have original and exclusive jurisdiction over actions concerning the redistricting of the Congressional, Legislative, and Representative Districts, which shall be initiated in the name of the People of the State by the Attorney General. Each person who resides or is domiciled in the State, or whose executive office or principal place of business is located in the State, may bring an action in court of competent jurisdiction to obtain any of the relief available.

(a) Legislative Districts shall be compact, contiguous and substantially equal in population. Representative Districts shall be compact, contiguous, and substantially equal in population.

(b) In the year following each Federal decennial census year, the General Assembly by law shall redistrict the Legislative Districts and the Representative Districts.

If no redistricting plan becomes effective by June 30 of that year, a Legislative Redistricting Commission shall be constituted not later than July 10. The members shall be eight members, no more than four of whom shall be members of the same political party.

The Speaker and Minority Leader of the House of Representatives shall each appoint to the Commission one Representative and one person who is not a member of the General Assembly. The President and Minority Leader of the Senate shall each appoint to the Commission one Senator and one person who is not a member of the General Assembly.

The members shall be certified to the Secretary of State by the appointing authorities. A vacancy on the Commission shall be filled within five days by the authority that made the original appointment. A Chairman and Vice Chairman shall be chosen by a majority of all members of the Commission.

Not later than August 10, the Commission shall file with the Secretary of State a redistricting plan approved by at least five members.

If the Commission fails to file an approved redistricting plan, the Supreme Court shall submit the names of two persons, not of the same political party, to the Secretary of State not later than September 1.

Not later than September 5, the Secretary of State publicly shall draw by random selection the name of one of the two persons to serve as the ninth member of the Commission.

Not later than October 5, the Commission shall file with the Secretary of State a redistricting plan approved by at least five members.

An approved redistricting plan filed with the Secretary of State shall be presumed valid, shall have the force and effect of law and shall be published promptly by the Secretary of State.

The Supreme Court shall have original and exclusive jurisdiction over actions concerning redistricting the House and Senate, which shall be initiated in the name of the People of the State by the Attorney General.
