**HOUSE RESOLUTIONS**

The following resolutions were offered and placed in the Committee on Rules.

**HOUSE RESOLUTION 467**

Offered by Representative DeLuca:

WHEREAS, Governors State University was established on July 17, 1969 by Governor Richard B. Ogilvie as a bold, new model for transforming lives through education in Chicago's South Suburbs; and

WHEREAS, Governors State University was initially known as the "university without walls" to reflect its unlimited potential and to commemorate opening the same week the United States sent Apollo 11 to the moon; and

WHEREAS, Over two decades, Governors State University transformed itself into a university with classrooms, structured programs, and letter grades while staying true to its version of serving nontraditional students; and
WHEREAS, Governors State University has since created a national model for serving adults and returning adults whose contributions as graduates and working professionals stimulate local, regional, and global communities; and

WHEREAS, Between 2011 and 2014, Governors State University reinvented itself once again with the creation of an award-winning, structured, four-year undergraduate program, the admittance of freshmen, the development of the Dual Degree Program (DDP), a nationally-recognized partnership with 17 Chicagoland community colleges, the building of the University's first living-learning community, Prairie Place, and the addition of NAIA intercollegiate athletics; and

WHEREAS, As the only public university in the area south of Chicago, Governors State University is an educational and cultural destination and serves nearly 5,000 undergraduate and graduate students who reflect the nation's new student majority, first-generation students, students of color, adults, and military veterans; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare July 17, 2019 as Governors State University Day in the State of Illinois and commend the University on 50 years of leadership, innovation, education, and excellence in the Chicagoland region, the nation, and the world; and be it further

RESOLVED, That a suitable copy of this resolution be presented to Governors State University as an expression of our esteem and respect.

HOUSE RESOLUTION 480

Offered by Representative Hoffman:

WHEREAS, The members of the Illinois House of Representatives are supportive of federal statutes that ensure that vessels engaged in the coastwise and inland trades are built and crewed by American workers; the Jones Act, the Maritime Security Program, the Passenger Vessel Services Act, and U.S. cargo preference laws are critical in maintaining a viable American Merchant Marine; and

WHEREAS, Without the Jones Act, the American Merchant Marine and its well-paying jobs would be destroyed, and the domestic waterborne commerce of the U.S. would be controlled by foreign interests; and

WHEREAS, The Maritime Security Program ensures that 60 American vessels are engaged in the foreign commerce of the U.S.; the program requires that the vessels, crews, and participating companies' intermodal assets are immediately available to the Department of Defense in times of crisis; military experts have said it would literally cost tens of billions of dollars to replicate the program's assets, which currently are delivered for a few hundred million dollars per year; and

WHEREAS, The Passenger Vessel Services Act provides the same requirement for passenger vessels, for example, ferry boats, that the Jones Act stipulates for cargo vessels; like the Jones Act, it is considered vital to homeland security; and

WHEREAS, A key element of U.S. cargo preference laws is the Food for Peace Program, whose purpose is to promote the food security of developing countries; food aid is grown by American farmers, processed by American workers, and transported on board U.S. vessels to countries in need; since the program's inception in 1954, more than three billion people in 150 countries have benefited directly from U.S. food aid that was delivered by the U.S. Merchant Marine; and

WHEREAS, The development and expansion of America's marine highway system is an ongoing, joint government-private industry effort; the resultant increase in the coastwise waterborne transportation of cargo will help to significantly alleviate congestion on our nation's highways and rails, achieve a greater measure of energy efficiency in the transportation of domestic cargo, and create jobs for American workers in the maritime industry and its related service and supply industries; and

WHEREAS, The so-called "flag of convenience" system in which avaricious shipowners around the world register their vessels in phony flag states to evade labor, safety, environmental, and tax laws deserves condemnation; this system has resulted in the global exploitation of seagoing maritime labor and the reduction of international commercial cargo carried by U.S. vessels to less than 2 percent; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we support the U.S. Merchant Marine as America's fourth arm of defense and recognize that the American maritime industry is critical for U.S. national, economic, and homeland security and that our mariners and our maritime industry deserve our full support.
Offered by Representative Flowers:

WHEREAS, Following World War I, during the summer and fall of 1919, race riots occurred in more than three dozen cities, including Chicago; it was branded the "Red Summer" because the riots resulted in some of the worst violence in United States history; and

WHEREAS, After World War I, an estimated 100,000 black veterans moved North, where they still encountered segregation, racism, and inequality; in Chicago, the "presence and inspiration of black veterans, particularly those of the 370th Infantry Regiment" was critical to black Chicagoans forced to "defend themselves from white aggression; and

WHEREAS, One of the most severe race riots occurred in Chicago between July 25, 1919 and August 3, 1919; the riot was triggered when a black teen was stoned to death after crossing an invisible boundary between a segregated part of the Chicago beaches; when police refused to arrest the white man whom black observers held responsible for the incident, crowds began to gather at the beach; the riot left 38 people dead, more than 500 injured, and 1,000 black families homeless after fires burned their homes; and

WHEREAS, The Red Summer marked a new era of black resistance to white injustice, with African Americans standing up in unprecedented numbers and killing some of their tormenters; researchers believe that in a span of ten months more than 250 African Americans were killed in at least 25 riots across the United States; the white mobs never faced punishment; many African American soldiers returning from the war were outspoken against the racial discrimination, inequality, and violence that continued to plague black communities; and

WHEREAS, Black journalists, including Ida B. Wells, played an important role in getting the story told; black newspapers, like the Chicago Defender, were instrumental in providing an alternate voice that represented why African Americans deserved to be here, deserved equal rights, and were, in some cases, justified in fighting; and

WHEREAS, Nearly 100 years later, not many people know about the events of the Red Summer; there are no national observances, history textbooks ignore it, and most museums do not acknowledge it; therefore,

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare July 29, 2019 as "Red Summer Remembrance Day" in the State of Illinois in remembrance of the 100th anniversary of the Red Summer and urge the City of Chicago to erect a monument that includes the names of the victims on the site of the riot along with additional historical signage placed on highway, street, and expressway signs leading to the site; and

RESOLVED, That suitable copies of this resolution be presented to Governor JB Pritzker, Illinois Attorney General Kwame Raoul, and Mayor of Chicago Lori Lightfoot.

WHEREAS, Lee Smith played eight seasons with the Chicago Cubs (1980-1987) during his 18-year Major League career; originally a middle reliever and then a starting pitcher, he was given the closer role in July of 1982; known for his slow, intimidating walk to the pitcher's mound, his steely glare at the batter, and a blazing fastball, he developed into one of the most dominating closers in baseball history; and
WHEREAS, Lee Smith led the Chicago Cubs in saves a franchise-best six consecutive seasons, including the 1984 season, helping secure the National League Eastern Division title and the club's first postseason appearance in 39 years; he was named Chicago Player of the Year in 1986 by the Chicago Chapter of the Baseball Writers' Association of America and remains to this day the club's all-time saves leader with 180, with 60% of his saves consisting of more than three outs; additionally, he is second in relief appearances (452) and third in games pitched (458) for the Chicago Cubs; and

WHEREAS, Lee Smith ended his career in 1997 as Major League Baseball's all-time saves leader with 478 (currently third on the all-time saves list) and is 12th in games pitched; he was a seven-time all-star and led his league in saves four times, earning at least 30 saves in 10 big league seasons; and

HOUSE RESOLUTION 494

Offered by Representative Ford:

WHEREAS, Obtaining an accurate count of the population is so vital to a representative democracy that the framers of the United States Constitution addressed the issue of the census and apportionment in the opening paragraphs of the Constitution; and

WHEREAS, The Illinois Constitution requires that federal census data be the basis for state redistricting; and

WHEREAS, The Census Bureau currently has a policy of counting incarcerated people at the address of the correctional institution, even though for other legal purposes their home address remains their legal residence; and

WHEREAS, This census data results in distortions of the one-person, one-vote principle in drawing electoral districts in Illinois, diluting the representation of the majority of districts that do not contain prisons; and

WHEREAS, The simplest solution to the conflict between federal constitutional requirements of "one person, one vote" and the Illinois constitutional requirements of using the federal census is for the Census Bureau to publish redistricting data based on the location of an incarcerated person's residence, not prison location; and

WHEREAS, The Census Bureau has already recognized the demand from states and counties for data that better reflects their actual populations and has agreed to release data on prison populations to states in time for redistricting, enabling some states to individually adjust the population data used for redistricting; and

WHEREAS, Public Law 94-171 requires the Census Bureau to work with states to provide geographically relevant data, and the Census Bureau has been responsive to the data needs of the states for the past three decades; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Census Bureau, in the next census and thereafter, to provide states with redistricting data that counts incarcerated persons at their residential address, rather than the address of the correctional institution where they are temporarily located; and be it further

RESOLVED, That a suitable copy of this resolution be delivered to the U.S. Census Bureau.
Offered by Representative Ford:

WHEREAS, The Department of Health and Human Services (HHS) has announced proposed changes to the federal regulations governing the confidentiality of patient records created by federally-assisted substance use disorder treatment programs, known as 42 CFR part 2; and

WHEREAS, The 42 CFR part 2 regulations serve to protect patient records created by federally-funded programs for the treatment of substance abuse disorder (SUD); SAMHSA is currently proposing to revise part 2 to facilitate better coordination of care for substance use disorders, which will also enhance care for opioid use disorder (OUD); these provisions will be an important part of the Federal response to the opioid epidemic, while maintaining part 2 confidentiality protections; and

WHEREAS, In these proposed federal regulation changes, "non-OTP (opioid treatment program) providers will become eligible to query a central registry, in order to determine whether their patients are already receiving opioid treatment through a member program," and "OTPs will be permitted to enroll in a state prescription drug monitoring program (PDMP), and permitted to report data into the PDMP when prescribing or dispensing medications on Schedules II to V, consistent with applicable state law"; and

WHEREAS, These changes could improve the care of persons with opioid use disorder because primary care providers could more easily receive treatment information from other treatment programs and could utilize the Illinois Prescription Drug Monitoring Program to see if a patient is receiving methadone or other controlled substances from an opioid treatment program (OTP); these changes will help to prevent duplicative enrollments in SUD care, duplicative prescriptions in SUD treatment, and adverse drug events related to SUD treatment; and

WHEREAS, The proposed rule will not alter the basic framework for confidentiality protection of SUD patient records created by federally-funded treatment programs; part 2 will continue to prohibit law enforcement use of SUD patient records in criminal prosecution against the patient; part 2 will also continue to restrict the disclosure of SUD treatment records without patient consent, other than as statutorily authorized in the context of a bona fide medical emergency, or for the purpose of scientific research, audit, or program evaluation, or based on an appropriate court order for good cause; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the support of the proposed changes to 42 CFR part 2 to improve communication and exchange of information between all providers of care for people with substance abuse disorder; and be it further

RESOLVED, That suitable copies of this resolution be presented to the members of the Illinois Congressional Delegation.

HOUSE JOINT RESOLUTION 84

WHEREAS, The purpose of the Veteran's Administration is, in the words of Abraham Lincoln, "To care for him who shall have borne the battle and for his widow, and his orphan"; and

WHEREAS, The Veterans Administration provides health care to many veterans through its 1,250 health care facilities, including 172 VA Medical Centers and 1,069 outpatient sites; and

WHEREAS, After serving our country, our veterans have earned the very best healthcare possible, something the Veteran's Administrations has pledged to provide; and

WHEREAS, Despite providing various types of healthcare to over nine million veterans, the Veteran's Health Administration (VHA) fails to provide dental care to most of those veterans; and

WHEREAS, According to the VHA's own statistics, while over nine million veterans are eligible for healthcare under the VHA, only about 500,000, or 5.6%, of those are receiving dental care, as the qualifications to receive full dental care require that a veteran be 100% disabled or have been a POW; and

WHEREAS, While veterans are able to purchase dental insurance through the VA Dental Insurance Program (VADIP), it is not an affordable option, leaving veterans with no other choice but to live with rotted teeth and other signs of a lack of dental care; and

WHEREAS, Dental health has been proven to affect other aspects of health, and poor dental care is associated with pancreatic cancer, Alzheimer's, diabetes, and heart disease; good dental care can prevent many serious health issues and would allow the VA to save money by eliminating the cost of treating future diseases; and

WHEREAS, According to the 2016 Oral Health in Illinois Report, in 2015, over one third of adults in Illinois (36%) reported not having visited the dentist in the past year, with lack of insurance being one of the barriers to dental care; and

WHEREAS, H.R. 96 introduced by U.S. Rep. Julia Brownley would amend Title 38, USC, to require the Veteran's Administration to furnish dental care in the same manner as any other medical service, giving more veterans access to the full dental care that they severely need; therefore, be it

RESOLVED, That suitable copies of this resolution be delivered to all members of the Illinois Congressional Delegation.
