86TH LEGISLATIVE DAY

Perfunctory Session

WEDNESDAY, FEBRUARY 26, 2020

At the hour of 3:48 o'clock p.m., the House convened perfunctory session.

HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 782

Offered by Representative Ford:

WHEREAS, Black History Month is an annual celebration which recognizes that, beginning with the Emancipation Proclamation and continuing with the Civil Rights Movement, African Americans have made great strides and advancements toward equality; and

WHEREAS, The precursor to Black History Month was "Negro History Week" and was started in 1926 by historian and University of Chicago alumnus Carter G. Woodson and the Association for the Study of Negro Life and History; the second week of February was chosen because it marked the birthdays of President Abraham Lincoln and abolitionist Frederick Douglas; primary emphasis was placed on encouraging the coordinated teaching of the history of African Americans in the nation's public schools; and

WHEREAS, In 1970, Black History Week was expanded into Black History Month, with the first celebration taking place at Kent State University; as part of the 1976 United States Bicentennial, Black History Month was officially recognized by President Gerald Ford and the U.S. government; and

WHEREAS, Even with the numerous positive advancements made by African Americans since the Emancipation Proclamation that are documented during Black History Month, many communities still suffer from unacceptable conditions such as unemployment, poverty, mortgage foreclosures, deficiencies in public health services, and crime; and

WHEREAS, These economic and societal challenges created or exacerbated many conditions, including inequalities in access to justice in the civil court system, an overburdened and ineffective criminal justice system, overcrowding conditions in correctional facilities, increased homelessness, increases in teen pregnancy, inadequate educational opportunities, a lack of affordable housing, insufficient delivery of social services to the less fortunate, and deficiencies in the delivery of public health services; and

WHEREAS, Black leaders in Illinois are not alone in recognizing that these broad social problems often strike the hardest in the black community; it is painful for black leaders to ponder the stories of human struggle, despair, and hurt that all too often over shadow the stories of success and hope; and

WHEREAS, State government resources are expended in ever-increasing amounts to address these social and economic problems, and those expenditures are a significant drain on the State's road to financial stability; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we celebrate Black History Month and recognize how far African Americans have come; and be it further

RESOLVED, That we acknowledge the continuing struggles of those within the African American communities of the State and the country and encourage Governor Pritzker to address the ongoing issues affecting those communities; and be it further

RESOLVED, That a suitable copy of this resolution be delivered to Governor Pritzker.

HOUSE RESOLUTION 784
WHEREAS, 529 college savings plans are important tools for Illinois families who want to save for their children's college education; they offer a diverse range of investment options, tax-deferred growth, tax-deduction benefits, and withdrawals free of state and federal taxes when those withdrawals are used for qualified higher education expenses such as tuition, fees, books, certain room and board costs, computer equipment, and required supplies; and

WHEREAS, The enactment of Section 529 of the Internal Revenue Code by Congress in 1996 allowed states to create "Qualified Tuition Programs"; and

WHEREAS, The Office of the Illinois State Treasurer serves as the Trustee and Administrator for Illinois 529 College Savings Plans; and

WHEREAS, The Bright Start and Bright Directions College Savings Plans were established in Illinois in 2000 and 2005 respectively, to assist Illinois families with financing the costs associated with a college education; and

WHEREAS, Today, more than 650,000 Bright Start and Bright Directions accounts have been created, and over $12 billion has been saved for higher education expenses; and

WHEREAS, The Bright Start and Bright Directions College Savings Plans have helped families meet their higher education goals with over $954 million withdrawn annually for qualified higher education expenses at colleges and universities in Illinois and throughout the United States; and

WHEREAS, In 2019, Morningstar announced that the Bright Start 529 College Savings Plan earned a gold rating for the third year in a row, and the Bright Directions Advisor-Sold 529 College Savings Plan earned its fifth consecutive silver medal, the highest honor bestowed on advisor-sold plans; and

WHEREAS, According to the Federal Reserve Bank of New York, student loan debt has now reached $1.6 trillion nationally, which is more than triple the amount owed in 2005; and
