A BILL FOR

1 AN ACT concerning State government.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Department of Veterans Affairs Act is  
5 amended by adding Section 2h as follows:

6 (20 ILCS 2805/2h new)

7 Sec. 2h. Task Force on Veterans' Suicide recommendations.  
8 The provisions of this Section are based on the recommendations  
9 in the final report of the Task Force on Veterans' Suicide,  
10 published on December 30, 2016. The Department shall adopt any  
11 rules necessary to implement this Section.

12 (1) The Department shall collaborate with institutions  
13 of higher education to address environmental factors that  
14 could negatively impact a veteran's ability to learn in a  
15 traditional classroom setting. Such factors include, but  
16 are not limited to, expanding veterans' access to online  
17 learning; desk placement away from windows, crowded  
18 hallways, or orientation; grouping veterans together in a  
19 class; and veterans' only instructional periods. The  
20 Department, in coordination with institutions of higher  
21 education, shall provide proactive outreach as part of an  
22 educational success program for veterans experiencing  
23 difficulties in higher education due to undiagnosed mental

1 health issues that prevent them from succeeding.

2 (2) The Department shall provide a family preparation  
3 course concerning the emotional cycle of deployment that is  
4 designed to help a family unit adjust to changes in  
5 discharged and returning veterans and inform the family  
6 members of where to go to seek assistance. This course  
7 shall be made available to the family of a veteran prior to  
8 the discharge and homecoming of the veteran.

9 (3) The Department shall reach out to the United States  
10 Department of Defense to obtain information on returning  
11 veterans and develop a transition program for returning  
12 veterans that reside in the State. The program developed  
13 under this paragraph shall include a veteran-to-veteran  
14 connection program and information on local organizations  
15 that provide resources or services for veterans that a  
16 veteran can access.

17 (4) The Department shall reach out to the United States  
18 Department of Defense in order to develop a system that  
19 allows veterans to file a federal DD Form 214 immediately  
20 upon discharge.

21 (5) The Department shall collaborate with chambers of  
22 commerce in the State to create an employer training  
23 program that focuses on the needs of employees that are  
24 veterans. The Department shall develop a program that  
25 identifies companies that are trained on the circumstances  
26 that are unique to veterans seeking employment and that

1 support employees that are veterans.

2 (6) The Department, in collaboration with veterans'  
3 organizations in the State, shall establish a standard  
4 statewide peer-to-peer training program to familiarize  
5 veterans with the veterans' services available at the  
6 local, State, and federal levels.
