

1 AN ACT concerning health.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Grade A Pasteurized Milk and Milk Products
5 Act is amended by changing Section 10 as follows:

6 (410 ILCS 635/10) (from Ch. 56 1/2, par. 2210)

7 Sec. 10. After proper identification, authorized
8 representatives of the enforcing agency are authorized and
9 shall have the power to enter, at reasonable times, all dairy
10 farms, milk plants, cleaning and sanitizing facilities,
11 receiving stations, transfer stations, or vehicles used to
12 transport milk and milk products under its jurisdiction, for
13 the purpose of inspecting, sampling, and investigating
14 conditions relating to the enforcement of this Act and the
15 rules and regulations promulgated hereunder.

16 The enforcing agency has the responsibility to prevent the
17 distribution of adulterated milk and milk products and to
18 inform the public of adulterated milk and milk products already
19 in commerce. In response to a confirmed foodborne outbreak or
20 when a high risk of infection exists, the enforcing agency
21 shall require pathogen testing to be performed on the
22 implicated milk and milk products. At least 4 times during
23 every 6-month period, representatives of the enforcing agency

1 shall collect samples of milk from each milk plant for testing
2 in accordance with the rules adopted under this Act and the
3 Grade A Pasteurized Milk Ordinance. Examination standards and
4 enforcement thereof shall be in accordance with the rules
5 adopted under this Act and the Grade A Pasteurized Milk
6 Ordinance.

7 Written notice of all violations shall be given to the
8 dairy farm, milk plant, cleaning and sanitizing facility,
9 receiving or transfer station, milk hauler-sampler, milk tank
10 truck, or certified pasteurizer sealer. The enforcing agency
11 shall provide a dairy farm with a paper copy of the dairy
12 farm's inspection report created in accordance with this Act at
13 the time of inspection.
