8 Sec. 2605-375. Missing persons; Law Enforcement Agencies
9 Data System (LEADS).

10 (a) To establish and maintain a statewide Law Enforcement
11 Agencies Data System (LEADS) for the purpose of providing
12 electronic access by authorized entities to criminal justice
13 data repositories and effecting an immediate law enforcement
14 response to reports of missing persons, including lost, missing
15 or runaway minors, lost or missing individuals with
16 developmental or intellectual disabilities, and missing
17 endangered seniors. The Department shall implement an
18 automatic data exchange system to compile, to maintain, and to
19 make available to other law enforcement agencies for immediate
20 dissemination data that can assist appropriate agencies in
21 recovering missing persons and provide access by authorized
22 entities to various data repositories available through LEADS
23 for criminal justice and related purposes. To assist the

1 Department in this effort, funds may be appropriated from the
2 LEADS Maintenance Fund. Funds may be appropriated from the
3 LEADS Maintenance Fund to the Department to finance any of its
4 lawful purposes or functions in relation to defraying the
5 expenses associated with establishing, maintaining, and
6 supporting the issuance of electronic citations.

7 (b) In exercising its duties under this Section, the
8 Department shall provide a uniform reporting format (LEADS) for
9 the entry of pertinent information regarding the report of a
10 missing person into LEADS. The report must include all of the
11 following:

12 (1) Relevant information obtained from the
13 notification concerning the missing person, including all
14 of the following:

15 (A) a physical description of the missing person;

22 charge stating the officer's assessment of the case based

26 or regional alert would be used in situations relating to

1 the disappearances of individuals, based on criteria and in
2 a format established by the Department. Such a format shall
3 include, but not be limited to, the age of the missing
4 person and the suspected circumstance of the
5 disappearance.

6 (2) Notify all law enforcement agencies that reports of
7 missing persons shall be entered as soon as the minimum
8 level of data specified by the Department is available to
9 the reporting agency and that no waiting period for the
10 entry of the data exists.

11 (3) Compile and retain information regarding lost,
12 abducted, missing, or runaway minors in a separate data
13 file, in a manner that allows that information to be used
14 by law enforcement and other agencies deemed appropriate by
15 the Director, for investigative purposes. The information
16 shall include the disposition of all reported lost,
17 abducted, missing, or runaway minor cases.

18 (4) Compile and maintain an historic data repository
19 relating to lost, abducted, missing, or runaway minors and
20 other missing persons, including, but not limited to, lost
21 or missing individuals with developmental or intellectual
22 disabilities and missing endangered seniors, in order to
23 develop and improve techniques utilized by law enforcement
24 agencies when responding to reports of missing persons.

25 (5) Create a quality control program regarding
26 confirmation of missing person data, timeliness of entries

1 of missing person reports into LEADS, and performance
2 audits of all entering agencies.

3 (c) The Illinois Law Enforcement Training Standards Board
4 shall conduct a training program for law enforcement personnel
5 of local governmental agencies in the Missing Persons
6 Identification Act.

7 (d) The Department of State Police shall perform the duties
8 prescribed in the Missing Persons Identification Act, subject
9 to appropriation.
