2 AMENDMENT NO. \_\_\_\_\_. Amend House Bill 3317 by replacing  
3 everything after the enacting clause with the following:

4 "Section 5. The Election Code is amended by changing  
5 Section 28-1 as follows:

6 (10 ILCS 5/28-1) (from Ch. 46, par. 28-1)

7 Sec. 28-1. The initiation and submission of all public  
8 questions to be voted upon by the electors of the State or of  
9 any political subdivision or district or precinct or  
10 combination of precincts shall be subject to the provisions of  
11 this Article.

12 Questions of public policy which have any legal effect  
13 shall be submitted to referendum only as authorized by a  
14 statute which so provides or by the Constitution. Advisory  
15 questions of public policy shall be submitted to referendum  
16 pursuant to Section 28-5 or pursuant to a statute which so

1 provides.

2 The method of initiating the submission of a public  
3 question shall be as provided by the statute authorizing such  
4 public question, or as provided by the Constitution.

5 All public questions shall be initiated, submitted and  
6 printed on the ballot in the form required by Section 16-7 of  
7 this Act, except as may otherwise be specified in the statute  
8 authorizing a public question.

9 Whenever a statute provides for the initiation of a public  
10 question by a petition of electors, the provisions of such  
11 statute shall govern with respect to the number of signatures  
12 required, the qualifications of persons entitled to sign the  
13 petition, the contents of the petition, the officer with whom  
14 the petition must be filed, and the form of the question to be  
15 submitted. If such statute does not specify any of the  
16 foregoing petition requirements, the corresponding petition  
17 requirements of Section 28-6 shall govern such petition.

18 Irrespective of the method of initiation, not more than 3  
19 public questions other than (a) back door referenda, (b)  
20 referenda to determine whether a disconnection may take place  
21 where a city coterminous with a township is proposing to annex  
22 territory from an adjacent township, (c) referenda held under  
23 the provisions of the Property Tax Extension Limitation Law in  
24 the Property Tax Code, (d) referenda held under Section 2-3002  
25 of the Counties Code, ~~or~~ (e) referenda held under Article 22,  
26 23, or 29 of the Township Code, or (f) referenda held under

1 Section 3-47 of the Property Tax Code may be submitted to  
2 referendum with respect to a political subdivision at the same  
3 election.

4 If more than 3 propositions are timely initiated or  
5 certified for submission at an election with respect to a  
6 political subdivision, the first 3 validly initiated, by the  
7 filing of a petition or by the adoption of a resolution or  
8 ordinance of a political subdivision, as the case may be, shall  
9 be printed on the ballot and submitted at that election.  
10 However, except as expressly authorized by law not more than  
11 one proposition to change the form of government of a  
12 municipality pursuant to Article VII of the Constitution may be  
13 submitted at an election. If more than one such proposition is  
14 timely initiated or certified for submission at an election  
15 with respect to a municipality, the first validly initiated  
16 shall be the one printed on the ballot and submitted at that  
17 election.

18 No public question shall be submitted to the voters of a  
19 political subdivision at any regularly scheduled election at  
20 which such voters are not scheduled to cast votes for any  
21 candidates for nomination for, election to or retention in  
22 public office, except that if, in any existing or proposed  
23 political subdivision in which the submission of a public  
24 question at a regularly scheduled election is desired, the  
25 voters of only a portion of such existing or proposed political  
26 subdivision are not scheduled to cast votes for nomination for,

1 election to or retention in public office at such election, but  
2 the voters in one or more other portions of such existing or  
3 proposed political subdivision are scheduled to cast votes for  
4 nomination for, election to or retention in public office at  
5 such election, the public question shall be voted upon by all  
6 the qualified voters of the entire existing or proposed  
7 political subdivision at the election.

8 Not more than 3 advisory public questions may be submitted  
9 to the voters of the entire state at a general election. If  
10 more than 3 such advisory propositions are initiated, the first  
11 3 timely and validly initiated shall be the questions printed  
12 on the ballot and submitted at that election; provided however,  
13 that a question for a proposed amendment to Article IV of the  
14 Constitution pursuant to Section 3, Article XIV of the  
15 Constitution, or for a question submitted under the Property  
16 Tax Cap Referendum Law, shall not be included in the foregoing  
17 limitation.

12 voting on the question approve the referendum.

13 (b) If a majority of the electors voting on the referendum  
14 under this Section are in favor thereof, the Office of the  
15 Supervisor of Assessments of Grundy County shall become an  
16 elected office. The Supervisor of Assessments of Grundy County  
17 shall then be elected at the first general election following  
18 the approval of the referendum. Upon election of the Supervisor  
19 of Assessments of Grundy County under this Section, the Office  
20 of the then-serving Supervisor of Assessments of Grundy County  
21 shall become vacant, and the newly elected Supervisor of  
22 Assessments shall assume that office.

23 (c) Should the Office of the Supervisor of Assessments of  
24 Grundy County become an elected office as provided under  
25 subsection (b), any person seeking such office shall comply  
26 with and be governed by the provisions of Section 3-45 with
