The rates under this subsection (b) are subject to the provisions of Section 201.5.

(c) Personal Property Tax Replacement Income Tax. Beginning on July 1, 1979 and thereafter, in addition to such income tax, there is also hereby imposed the Personal Property Tax Replacement Income Tax measured by net income on every corporation (including Subchapter S corporations), partnership
and trust, for each taxable year ending after June 30, 1979. Such taxes are imposed on the privilege of earning or receiving income in or as a resident of this State. The Personal Property Tax Replacement Income Tax shall be in addition to the income tax imposed by subsections (a) and (b) of this Section and in addition to all other occupation or privilege taxes imposed by this State or by any municipal corporation or political subdivision thereof.

(d) Additional Personal Property Tax Replacement Income Tax Rates. The personal property tax replacement income tax imposed by this subsection and subsection (c) of this Section in the case of a corporation, other than a Subchapter S corporation and except as adjusted by subsection (d-1), shall be an additional amount equal to 2.85% of such taxpayer's net income for the taxable year, except that beginning on January 1, 1981, and thereafter, the rate of 2.85% specified in this subsection shall be reduced to 2.5%, and in the case of a partnership, trust or a Subchapter S corporation shall be an additional amount equal to 1.5% of such taxpayer's net income for the taxable year.

(d-1) Rate reduction for certain foreign insurers. In the case of a foreign insurer, as defined by Section 35A-5 of the Illinois Insurance Code, whose state or country of domicile imposes on insurers domiciled in Illinois a retaliatory tax (excluding any insurer whose premiums from reinsurance assumed are 50% or more of its total insurance premiums as determined
under paragraph (2) of subsection (b) of Section 304, except
that for purposes of this determination premiums from
reinsurance do not include premiums from inter-affiliate
reinsurance arrangements), beginning with taxable years ending
on or after December 31, 1999, the sum of the rates of tax
imposed by subsections (b) and (d) shall be reduced (but not
increased) to the rate at which the total amount of tax imposed
under this Act, net of all credits allowed under this Act,
shall equal (i) the total amount of tax that would be imposed
on the foreign insurer's net income allocable to Illinois for
the taxable year by such foreign insurer's state or country of
domicile if that net income were subject to all income taxes
and taxes measured by net income imposed by such foreign
insurer's state or country of domicile, net of all credits
allowed or (ii) a rate of zero if no such tax is imposed on such
income by the foreign insurer's state of domicile. For the
purposes of this subsection (d-1), an inter-affiliate includes
a mutual insurer under common management.

(1) For the purposes of subsection (d-1), in no event
shall the sum of the rates of tax imposed by subsections
(b) and (d) be reduced below the rate at which the sum of:

(A) the total amount of tax imposed on such foreign
insurer under this Act for a taxable year, net of all
credits allowed under this Act, plus

(B) the privilege tax imposed by Section 409 of the
Illinois Insurance Code, the fire insurance company
tax imposed by Section 12 of the Fire Investigation Act, and the fire department taxes imposed under Section 11-10-1 of the Illinois Municipal Code, equals 1.25% for taxable years ending prior to December 31, 2003, or 1.75% for taxable years ending on or after December 31, 2003, of the net taxable premiums written for the taxable year, as described by subsection (1) of Section 409 of the Illinois Insurance Code. This paragraph will in no event increase the rates imposed under subsections (b) and (d).

(2) Any reduction in the rates of tax imposed by this subsection shall be applied first against the rates imposed by subsection (b) and only after the tax imposed by subsection (a) net of all credits allowed under this Section other than the credit allowed under subsection (i) has been reduced to zero, against the rates imposed by subsection (d).

This subsection (d-1) is exempt from the provisions of Section 250.

(e) Investment credit. A taxpayer shall be allowed a credit against the Personal Property Tax Replacement Income Tax for investment in qualified property.

(1) A taxpayer shall be allowed a credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1984. There shall be allowed an
additional credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1986, and the taxpayer's base employment within Illinois has increased by 1% or more over the preceding year as determined by the taxpayer's employment records filed with the Illinois Department of Employment Security. Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment for the first year in which they file employment records with the Illinois Department of Employment Security. The provisions added to this Section by Public Act 85-1200 (and restored by Public Act 87-895) shall be construed as declaratory of existing law and not as a new enactment. If, in any year, the increase in base employment within Illinois over the preceding year is less than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is .5% and the denominator of which is 1%, but shall not exceed .5%. The investment credit shall not be allowed to the extent that it would reduce a taxpayer's liability in any tax year below zero, nor may any credit for qualified property be allowed for any year other than the year in which the property was placed in service in Illinois. For tax years ending on or after December 31, 1987, and on or before December 31, 1988, the credit shall be allowed for the tax year in which the
property is placed in service, or, if the amount of the
credit exceeds the tax liability for that year, whether it
exceeds the original liability or the liability as later
amended, such excess may be carried forward and applied to
the tax liability of the 5 taxable years following the
excess credit years if the taxpayer (i) makes investments
which cause the creation of a minimum of 2,000 full-time
equivalent jobs in Illinois, (ii) is located in an
enterprise zone established pursuant to the Illinois
Enterprise Zone Act and (iii) is certified by the
Department of Commerce and Community Affairs (now
Department of Commerce and Economic Opportunity) as
complying with the requirements specified in clause (i) and
(ii) by July 1, 1986. The Department of Commerce and
Community Affairs (now Department of Commerce and Economic
Opportunity) shall notify the Department of Revenue of all
such certifications immediately. For tax years ending
after December 31, 1988, the credit shall be allowed for
the tax year in which the property is placed in service,
or, if the amount of the credit exceeds the tax liability
for that year, whether it exceeds the original liability or
the liability as later amended, such excess may be carried
forward and applied to the tax liability of the 5 taxable
years following the excess credit years. The credit shall
be applied to the earliest year for which there is a
liability. If there is credit from more than one tax year
that is available to offset a liability, earlier credit shall be applied first.

(2) The term "qualified property" means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings and signs that are real property, but not including land or improvements to real property that are not a structural component of a building such as landscaping, sewer lines, local access roads, fencing, parking lots, and other appurtenances;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (e);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;

(D) is used in Illinois by a taxpayer who is primarily engaged in manufacturing, or in mining coal or fluorite, or in retailing, or was placed in service on or after July 1, 2006 in a River Edge Redevelopment Zone established pursuant to the River Edge Redevelopment Zone Act; and

(E) has not previously been used in Illinois in such a manner and by such a person as would qualify for
the credit provided by this subsection (e) or subsection (f).

(3) For purposes of this subsection (e), "manufacturing" means the material staging and production of tangible personal property by procedures commonly regarded as manufacturing, processing, fabrication, or assembling which changes some existing material into new shapes, new qualities, or new combinations. For purposes of this subsection (e) the term "mining" shall have the same meaning as the term "mining" in Section 613(c) of the Internal Revenue Code. For purposes of this subsection (e), the term "retailing" means the sale of tangible personal property for use or consumption and not for resale, or services rendered in conjunction with the sale of tangible personal property for use or consumption and not for resale. For purposes of this subsection (e), "tangible personal property" has the same meaning as when that term is used in the Retailers' Occupation Tax Act, and, for taxable years ending after December 31, 2008, does not include the generation, transmission, or distribution of electricity.

(4) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(5) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed
in service in Illinois by the taxpayer, the amount of such
increase shall be deemed property placed in service on the
date of such increase in basis.

(6) The term "placed in service" shall have the same
meaning as under Section 46 of the Internal Revenue Code.

(7) If during any taxable year, any property ceases to
be qualified property in the hands of the taxpayer within
48 months after being placed in service, or the situs of
any qualified property is moved outside Illinois within 48
months after being placed in service, the Personal Property
Tax Replacement Income Tax for such taxable year shall be
increased. Such increase shall be determined by (i)
recomputing the investment credit which would have been
allowed for the year in which credit for such property was
originally allowed by eliminating such property from such
computation and, (ii) subtracting such recomputed credit
from the amount of credit previously allowed. For the
purposes of this paragraph (7), a reduction of the basis of
qualified property resulting from a redetermination of the
purchase price shall be deemed a disposition of qualified
property to the extent of such reduction.

(8) Unless the investment credit is extended by law,
the basis of qualified property shall not include costs
incurred after December 31, 2018, except for costs incurred
pursuant to a binding contract entered into on or before
December 31, 2018.
(9) Each taxable year ending before December 31, 2000, a partnership may elect to pass through to its partners the credits to which the partnership is entitled under this subsection (e) for the taxable year. A partner may use the credit allocated to him or her under this paragraph only against the tax imposed in subsections (c) and (d) of this Section. If the partnership makes that election, those credits shall be allocated among the partners in the partnership in accordance with the rules set forth in Section 704(b) of the Internal Revenue Code, and the rules promulgated under that Section, and the allocated amount of the credits shall be allowed to the partners for that taxable year. The partnership shall make this election on its Personal Property Tax Replacement Income Tax return for that taxable year. The election to pass through the credits shall be irrevocable.

For taxable years ending on or after December 31, 2000, a partner that qualifies its partnership for a subtraction under subparagraph (I) of paragraph (2) of subsection (d) of Section 203 or a shareholder that qualifies a Subchapter S corporation for a subtraction under subparagraph (S) of paragraph (2) of subsection (b) of Section 203 shall be allowed a credit under this subsection (e) equal to its share of the credit earned under this subsection (e) during the taxable year by the partnership or Subchapter S corporation, determined in accordance with the
determination of income and distributive share of income
under Sections 702 and 704 and Subchapter S of the Internal
Revenue Code. This paragraph is exempt from the provisions
of Section 250.

(f) Investment credit; Enterprise Zone; River Edge
Redevelopment Zone.

(1) A taxpayer shall be allowed a credit against the
tax imposed by subsections (a) and (b) of this Section for
investment in qualified property which is placed in service
in an Enterprise Zone created pursuant to the Illinois
Enterprise Zone Act or, for property placed in service on
or after July 1, 2006, a River Edge Redevelopment Zone
established pursuant to the River Edge Redevelopment Zone
Act. For partners, shareholders of Subchapter S
corporations, and owners of limited liability companies,
if the liability company is treated as a partnership for
purposes of federal and State income taxation, there shall
be allowed a credit under this subsection (f) to be
determined in accordance with the determination of income
and distributive share of income under Sections 702 and 704
and Subchapter S of the Internal Revenue Code. The credit
shall be .5% of the basis for such property. The credit
shall be available only in the taxable year in which the
property is placed in service in the Enterprise Zone or
River Edge Redevelopment Zone and shall not be allowed to
the extent that it would reduce a taxpayer's liability for
the tax imposed by subsections (a) and (b) of this Section
to below zero. For tax years ending on or after December
31, 1985, the credit shall be allowed for the tax year in
which the property is placed in service, or, if the amount
of the credit exceeds the tax liability for that year,
whether it exceeds the original liability or the liability
as later amended, such excess may be carried forward and
applied to the tax liability of the 5 taxable years
following the excess credit year. The credit shall be
applied to the earliest year for which there is a
liability. If there is credit from more than one tax year
that is available to offset a liability, the credit
accruing first in time shall be applied first.

(2) The term qualified property means property which:

(A) is tangible, whether new or used, including
buildings and structural components of buildings;

(B) is depreciable pursuant to Section 167 of the
Internal Revenue Code, except that "3-year property"
as defined in Section 168(c)(2)(A) of that Code is not
eligible for the credit provided by this subsection
(f);

(C) is acquired by purchase as defined in Section
179(d) of the Internal Revenue Code;

(D) is used in the Enterprise Zone or River Edge
Redevelopment Zone by the taxpayer; and

(E) has not been previously used in Illinois in
such a manner and by such a person as would qualify for
the credit provided by this subsection (f) or
subsection (e).

(3) The basis of qualified property shall be the basis
used to compute the depreciation deduction for federal
income tax purposes.

(4) If the basis of the property for federal income tax
depreciation purposes is increased after it has been placed
in service in the Enterprise Zone or River Edge
Redevelopment Zone by the taxpayer, the amount of such
increase shall be deemed property placed in service on the
date of such increase in basis.

(5) The term "placed in service" shall have the same
meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year, any property ceases to
be qualified property in the hands of the taxpayer within
48 months after being placed in service, or the situs of
any qualified property is moved outside the Enterprise Zone
or River Edge Redevelopment Zone within 48 months after
being placed in service, the tax imposed under subsections
(a) and (b) of this Section for such taxable year shall be
increased. Such increase shall be determined by (i)
recomputing the investment credit which would have been
allowed for the year in which credit for such property was
originally allowed by eliminating such property from such
computation, and (ii) subtracting such recomputed credit
from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) There shall be allowed an additional credit equal to 0.5% of the basis of qualified property placed in service during the taxable year in a River Edge Redevelopment Zone, provided such property is placed in service on or after July 1, 2006, and the taxpayer's base employment within Illinois has increased by 1% or more over the preceding year as determined by the taxpayer's employment records filed with the Illinois Department of Employment Security. Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment for the first year in which they file employment records with the Illinois Department of Employment Security. If, in any year, the increase in base employment within Illinois over the preceding year is less than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is 0.5% and the denominator of which is 1%, but shall not exceed 0.5%.

(g) (Blank).

(h) Investment credit; High Impact Business.

(1) Subject to subsections (b) and (b-5) of Section 5.5 of the Illinois Enterprise Zone Act, a taxpayer shall be
allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in service by a Department of Commerce and Economic Opportunity designated High Impact Business. The credit shall be .5% of the basis for such property. The credit shall not be available (i) until the minimum investments in qualified property set forth in subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act have been satisfied or (ii) until the time authorized in subsection (b-5) of the Illinois Enterprise Zone Act for entities designated as High Impact Businesses under subdivisions (a)(3)(B), (a)(3)(C), and (a)(3)(D) of Section 5.5 of the Illinois Enterprise Zone Act, and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. The credit applicable to such investments shall be taken in the taxable year in which such investments have been completed. The credit for additional investments beyond the minimum investment by a designated high impact business authorized under subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act shall be available only in the taxable year in which the property is placed in service and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending
on or after December 31, 1987, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

Changes made in this subdivision (h)(1) by Public Act 88-670 restore changes made by Public Act 85-1182 and reflect existing law.

(2) The term qualified property means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (h);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code; and

(D) is not eligible for the Enterprise Zone Investment Credit provided by subsection (f) of this
Section.

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in a federally designated Foreign Trade Zone or Sub-Zone located in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year ending on or before December 31, 1996, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the
basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) Beginning with tax years ending after December 31, 1996, if a taxpayer qualifies for the credit under this subsection (h) and thereby is granted a tax abatement and the taxpayer relocates its entire facility in violation of the explicit terms and length of the contract under Section 18-183 of the Property Tax Code, the tax imposed under subsections (a) and (b) of this Section shall be increased for the taxable year in which the taxpayer relocated its facility by an amount equal to the amount of credit received by the taxpayer under this subsection (h).

(i) Credit for Personal Property Tax Replacement Income Tax. For tax years ending prior to December 31, 2003, a credit shall be allowed against the tax imposed by subsections (a) and (b) of this Section for the tax imposed by subsections (c) and (d) of this Section. This credit shall be computed by multiplying the tax imposed by subsections (c) and (d) of this Section by a fraction, the numerator of which is base income allocable to Illinois and the denominator of which is Illinois base income, and further multiplying the product by the tax rate imposed by subsections (a) and (b) of this Section.

Any credit earned on or after December 31, 1986 under this subsection which is unused in the year the credit is computed
because it exceeds the tax liability imposed by subsections (a) and (b) for that year (whether it exceeds the original liability or the liability as later amended) may be carried forward and applied to the tax liability imposed by subsections (a) and (b) of the 5 taxable years following the excess credit year, provided that no credit may be carried forward to any year ending on or after December 31, 2003. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first.

If, during any taxable year ending on or after December 31, 1986, the tax imposed by subsections (c) and (d) of this Section for which a taxpayer has claimed a credit under this subsection (i) is reduced, the amount of credit for such tax shall also be reduced. Such reduction shall be determined by recomputing the credit to take into account the reduced tax imposed by subsections (c) and (d). If any portion of the reduced amount of credit has been carried to a different taxable year, an amended return shall be filed for such taxable year to reduce the amount of credit claimed.

(j) Training expense credit. Beginning with tax years ending on or after December 31, 1986 and prior to December 31, 2003, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) under this Section for all
amounts paid or accrued, on behalf of all persons employed by the taxpayer in Illinois or Illinois residents employed outside of Illinois by a taxpayer, for educational or vocational training in semi-technical or technical fields or semi-skilled or skilled fields, which were deducted from gross income in the computation of taxable income. The credit against the tax imposed by subsections (a) and (b) shall be 1.6% of such training expenses. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (j) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

Any credit allowed under this subsection which is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first computed until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first. No carryforward credit may be claimed in any tax year ending on or after December 31, 2003.

(k) Research and development credit. For tax years ending
after July 1, 1990 and prior to December 31, 2003, and beginning again for tax years ending on or after December 31, 2004, and ending prior to January 1, 2022, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for increasing research activities in this State. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 6 1/2% of the qualifying expenditures for increasing research activities in this State. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

For purposes of this subsection, "qualifying expenditures" means the qualifying expenditures as defined for the federal credit for increasing research activities which would be allowable under Section 41 of the Internal Revenue Code and which are conducted in this State, "qualifying expenditures for increasing research activities in this State" means the excess of qualifying expenditures for the taxable year in which incurred over qualifying expenditures for the base period, "qualifying expenditures for the base period" means the average of the qualifying expenditures for each year in the base
period, and "base period" means the 3 taxable years immediately preceding the taxable year for which the determination is being made.

Any credit in excess of the tax liability for the taxable year may be carried forward. A taxpayer may elect to have the unused credit shown on its final completed return carried over as a credit against the tax liability for the following 5 taxable years or until it has been fully used, whichever occurs first; provided that no credit earned in a tax year ending prior to December 31, 2003 may be carried forward to any year ending on or after December 31, 2003.

If an unused credit is carried forward to a given year from 2 or more earlier years, that credit arising in the earliest year will be applied first against the tax liability for the given year. If a tax liability for the given year still remains, the credit from the next earliest year will then be applied, and so on, until all credits have been used or no tax liability for the given year remains. Any remaining unused credit or credits then will be carried forward to the next following year in which a tax liability is incurred, except that no credit can be carried forward to a year which is more than 5 years after the year in which the expense for which the credit is given was incurred.

No inference shall be drawn from this amendatory Act of the 91st General Assembly in construing this Section for taxable years beginning before January 1, 1999.
It is the intent of the General Assembly that the research and development credit under this subsection (k) shall apply continuously for all tax years ending on or after December 31, 2004 and ending prior to January 1, 2022, including, but not limited to, the period beginning on January 1, 2016 and ending on the effective date of this amendatory Act of the 100th General Assembly. All actions taken in reliance on the continuation of the credit under this subsection (k) by any taxpayer are hereby validated.

(l) Environmental Remediation Tax Credit.

(i) For tax years ending after December 31, 1997 and on or before December 31, 2001, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14 of the Environmental Protection Act that were paid in performing environmental remediation at a site for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related
party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. After the Pollution Control Board rules are adopted pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act, determinations as to credit availability for purposes of this Section shall be made consistent with those rules. For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed eligible remediation costs in excess of $100,000 per site, except that the $100,000 threshold shall not apply to any site contained in an enterprise zone as determined by the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity). The total credit allowed shall not exceed $40,000 per year with a maximum total of $150,000 per site. For partners and
shareholders of subchapter S corporations, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. The term "unused credit" does not include any amounts of unreimbursed eligible remediation costs in excess of the maximum credit per site authorized under paragraph (i). This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. To perfect the transfer, the assignor shall record the transfer in the chain of title for the site and provide written notice to the Director of the Illinois Department of Revenue of the assignor's intent to sell the remediation site and the
amount of the tax credit to be transferred as a portion of
the sale. In no event may a credit be transferred to any
taxpayer if the taxpayer or a related party would not be
eligible under the provisions of subsection (i).

(iii) For purposes of this Section, the term "site"
shall have the same meaning as under Section 58.2 of the
Environmental Protection Act.

(m) Education expense credit. Beginning with tax years
ending after December 31, 1999, a taxpayer who is the custodian
of one or more qualifying pupils shall be allowed a credit
against the tax imposed by subsections (a) and (b) of this
Section for qualified education expenses incurred on behalf of
the qualifying pupils. The credit shall be equal to 25% of
qualified education expenses, but in no event may the total
credit under this subsection claimed by a family that is the
custodian of qualifying pupils exceed (i) $500 for tax years
ending prior to December 31, 2017, and (ii) $750 for tax years
ending on or after December 31, 2017. In no event shall a
credit under this subsection reduce the taxpayer's liability
under this Act to less than zero. Notwithstanding any other
provision of law, for taxable years beginning on or after
January 1, 2017, no taxpayer may claim a credit under this
subsection (m) if the taxpayer's adjusted gross income for the
taxable year exceeds (i) $500,000, in the case of spouses
filing a joint federal tax return or (ii) $250,000, in the case
of all other taxpayers. This subsection is exempt from the
provisions of Section 250 of this Act.

For purposes of this subsection:

"Qualifying pupils" means individuals who (i) are residents of the State of Illinois, (ii) are under the age of 21 at the close of the school year for which a credit is sought, and (iii) during the school year for which a credit is sought were full-time pupils enrolled in a kindergarten through twelfth grade education program at any school, as defined in this subsection.

"Qualified education expense" means the amount incurred on behalf of a qualifying pupil in excess of $250 for tuition, book fees, and lab fees at the school in which the pupil is enrolled during the regular school year.

"School" means any public or nonpublic elementary or secondary school in Illinois that is in compliance with Title VI of the Civil Rights Act of 1964 and attendance at which satisfies the requirements of Section 26-1 of the School Code, except that nothing shall be construed to require a child to attend any particular public or nonpublic school to qualify for the credit under this Section.

"Custodian" means, with respect to qualifying pupils, an Illinois resident who is a parent, the parents, a legal guardian, or the legal guardians of the qualifying pupils.

(n) River Edge Redevelopment Zone site remediation tax credit.

(i) For tax years ending on or after December 31, 2006,
a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14a of the Environmental Protection Act that were paid in performing environmental remediation at a site within a River Edge Redevelopment Zone for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. Determinations as to credit availability for purposes of this Section shall be made consistent with rules adopted by the Pollution Control Board pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act. For purposes of this Section, "taxpayer" includes a person whose tax attributes
the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed eligible remediation costs in excess of $100,000 per site.

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. To perfect the transfer, the assignor shall record the transfer in the chain of title for the site and provide written notice to the Director of the Illinois Department of Revenue of the
assignor's intent to sell the remediation site and the amount of the tax credit to be transferred as a portion of the sale. In no event may a credit be transferred to any taxpayer if the taxpayer or a related party would not be eligible under the provisions of subsection (i).

(iii) For purposes of this Section, the term "site" shall have the same meaning as under Section 58.2 of the Environmental Protection Act.

(o) For each of taxable years during the Compassionate Use of Medical Cannabis Pilot Program, a surcharge is imposed on all taxpayers on income arising from the sale or exchange of capital assets, depreciable business property, real property used in the trade or business, and Section 197 intangibles of an organization registrant under the Compassionate Use of Medical Cannabis Pilot Program Act. The amount of the surcharge is equal to the amount of federal income tax liability for the taxable year attributable to those sales and exchanges. The surcharge imposed does not apply if:

(1) the medical cannabis cultivation center registration, medical cannabis dispensary registration, or the property of a registration is transferred as a result of any of the following:

(A) bankruptcy, a receivership, or a debt adjustment initiated by or against the initial registration or the substantial owners of the initial registration;
(B) cancellation, revocation, or termination of any registration by the Illinois Department of Public Health;

(C) a determination by the Illinois Department of Public Health that transfer of the registration is in the best interests of Illinois qualifying patients as defined by the Compassionate Use of Medical Cannabis Pilot Program Act;

(D) the death of an owner of the equity interest in a registrant;

(E) the acquisition of a controlling interest in the stock or substantially all of the assets of a publicly traded company;

(F) a transfer by a parent company to a wholly owned subsidiary; or

(G) the transfer or sale to or by one person to another person where both persons were initial owners of the registration when the registration was issued; or

(2) the cannabis cultivation center registration, medical cannabis dispensary registration, or the controlling interest in a registrant's property is transferred in a transaction to lineal descendants in which no gain or loss is recognized or as a result of a transaction in accordance with Section 351 of the Internal Revenue Code in which no gain or loss is recognized.

(A) 4.75% of the portion of the taxpayer's net income that does not exceed $10,000;

(d) This Section is exempt from the provisions of Section 250.

(35 ILCS 5/502) (from Ch. 120, par. 5-502)

Sec. 502. Returns and notices.

(a) In general. A return with respect to the taxes imposed by this Act shall be made by every person for any taxable year:

(1) for which such person is liable for a tax imposed by this Act, or

(2) in the case of a resident or in the case of a corporation which is qualified to do business in this State, for which such person is required to make a federal income tax return, regardless of whether such person is liable for a tax imposed by this Act. However, this paragraph shall not require a resident to make a return if such person has an Illinois base income of the basic amount in Section 204(b) or less and is either claimed as a dependent on another person's tax return under the Internal Revenue Code, or is claimed as a dependent on another person's tax return under this Act.
Notwithstanding the provisions of paragraph (1), a nonresident (other than, for taxable years ending on or after December 31, 2011, a nonresident required to withhold tax under Section 709.5) whose Illinois income tax liability under subsections (a), (b), (c), and (d) of Section 201 of this Act is paid in full after taking into account the credits allowed under subsection (f) of this Section or allowed under Section 709.5 of this Act shall not be required to file a return under this subsection (a).

(b) Fiduciaries and receivers.

(1) Decedents. If an individual is deceased, any return or notice required of such individual under this Act shall be made by his executor, administrator, or other person charged with the property of such decedent.

(2) Individuals under a disability. If an individual is unable to make a return or notice required under this Act, the return or notice required of such individual shall be made by his duly authorized agent, guardian, fiduciary or other person charged with the care of the person or property of such individual.

(3) Estates and trusts. Returns or notices required of an estate or a trust shall be made by the fiduciary thereof.

(4) Receivers, trustees and assignees for corporations. In a case where a receiver, trustee in bankruptcy, or assignee, by order of a court of competent
jurisdiction, by operation of law, or otherwise, has
possession of or holds title to all or substantially all
the property or business of a corporation, whether or not
such property or business is being operated, such receiver,
trustee, or assignee shall make the returns and notices
required of such corporation in the same manner and form as
corporations are required to make such returns and notices.

(c) Joint returns by spouses husband and wife.

(1) Except as provided in paragraph (3):

(A) if spouses a husband and wife file a joint
federal income tax return for a taxable year ending
before December 31, 2009 or ending on or after December
31, 2021, they shall file a joint return under this Act
for such taxable year and their liabilities shall be
joint and several;

(B) if spouses a husband and wife file a joint
federal income tax return for a taxable year ending on
or after December 31, 2009 and ending prior to December
31, 2021, they may elect to file separate returns under
this Act for such taxable year. The election under this
paragraph must be made on or before the due date
(including extensions) of the return and, once made,
shall be irrevocable. If no election is timely made
under this paragraph for a taxable year:

(i) the couple must file a joint return under
this Act for such taxable year,
(ii) their liabilities shall be joint and
several, and

(iii) any overpayment for that taxable year
may be withheld under Section 909 of this Act or
under Section 2505-275 of the Civil Administrative
Code of Illinois and applied against a debt of
either spouse without regard to the amount of the
overpayment attributable to the other spouse; and

(C) if the federal income tax liability of either
spouse is determined on a separate federal income tax
return, they shall file separate returns under this
Act.

(2) If neither spouse is required to file a federal
income tax return and either or both are required to file a
return under this Act, they may elect to file separate or
joint returns and pursuant to such election their
liabilities shall be separate or joint and several.

(3) If either spouse husband or wife is a resident and
the other is a nonresident, they shall file separate
returns in this State on such forms as may be required by
the Department in which event their tax liabilities shall
be separate; but if they file a joint federal income tax
return for a taxable year, they may elect to determine
their joint net income and file a joint return for that
taxable year under the provisions of paragraph (1) of this
subsection as if both were residents and in such case,
their liabilities shall be joint and several.

(4) Innocent spouses.

(A) However, for tax liabilities arising and paid prior to August 13, 1999, an innocent spouse shall be relieved of liability for tax (including interest and penalties) for any taxable year for which a joint return has been made, upon submission of proof that the Internal Revenue Service has made a determination under Section 6013(e) of the Internal Revenue Code, for the same taxable year, which determination relieved the spouse from liability for federal income taxes. If there is no federal income tax liability at issue for the same taxable year, the Department shall rely on the provisions of Section 6013(e) to determine whether the person requesting innocent spouse abatement of tax, penalty, and interest is entitled to that relief.

(B) For tax liabilities arising on and after August 13, 1999 or which arose prior to that date, but remain unpaid as of that date, if an individual who filed a joint return for any taxable year has made an election under this paragraph, the individual's liability for any tax shown on the joint return shall not exceed the individual's separate return amount and the individual's liability for any deficiency assessed for that taxable year shall not exceed the portion of the deficiency properly allocable to the individual. For
purposes of this paragraph:

(i) An election properly made pursuant to Section 6015 of the Internal Revenue Code shall constitute an election under this paragraph, provided that the election shall not be effective until the individual has notified the Department of the election in the form and manner prescribed by the Department.

(ii) If no election has been made under Section 6015, the individual may make an election under this paragraph in the form and manner prescribed by the Department, provided that no election may be made if the Department finds that assets were transferred between individuals filing a joint return as part of a scheme by such individuals to avoid payment of Illinois income tax and the election shall not eliminate the individual's liability for any portion of a deficiency attributable to an error on the return of which the individual had actual knowledge as of the date of filing.

(iii) In determining the separate return amount or portion of any deficiency attributable to an individual, the Department shall follow the provisions in subsections (c) and (d) of Section 6015 of the Internal Revenue Code.
(iv) In determining the validity of an individual's election under subparagraph (ii) and in determining an electing individual's separate return amount or portion of any deficiency under subparagraph (iii), any determination made by the Secretary of the Treasury, by the United States Tax Court on petition for review of a determination by the Secretary of the Treasury, or on appeal from the United States Tax Court under Section 6015 of the Internal Revenue Code regarding criteria for eligibility or under subsection (d) of Section 6015 of the Internal Revenue Code regarding the allocation of any item of income, deduction, payment, or credit between an individual making the federal election and that individual's spouse shall be conclusively presumed to be correct. With respect to any item that is not the subject of a determination by the Secretary of the Treasury or the federal courts, in any proceeding involving this subsection, the individual making the election shall have the burden of proof with respect to any item except that the Department shall have the burden of proof with respect to items in subdivision (ii).

(v) Any election made by an individual under this subsection shall apply to all years for which
that individual and the spouse named in the
election have filed a joint return.

(vi) After receiving a notice that the federal
election has been made or after receiving an
election under subdivision (ii), the Department
shall take no collection action against the
electing individual for any liability arising from
a joint return covered by the election until the
Department has notified the electing individual in
writing that the election is invalid or of the
portion of the liability the Department has
allocated to the electing individual. Within 60
days (150 days if the individual is outside the
United States) after the issuance of such
notification, the individual may file a written
protest of the denial of the election or of the
Department's determination of the liability
allocated to him or her and shall be granted a
hearing within the Department under the provisions
of Section 908. If a protest is filed, the
Department shall take no collection action against
the electing individual until the decision
regarding the protest has become final under
subsection (d) of Section 908 or, if
administrative review of the Department's decision
is requested under Section 1201, until the
decision of the court becomes final.

(d) Partnerships. Every partnership having any base income allocable to this State in accordance with section 305(c) shall retain information concerning all items of income, gain, loss and deduction; the names and addresses of all of the partners, or names and addresses of members of a limited liability company, or other persons who would be entitled to share in the base income of the partnership if distributed; the amount of the distributive share of each; and such other pertinent information as the Department may by forms or regulations prescribe. The partnership shall make that information available to the Department when requested by the Department.

(e) For taxable years ending on or after December 31, 1985, and before December 31, 1993, taxpayers that are corporations (other than Subchapter S corporations) having the same taxable year and that are members of the same unitary business group may elect to be treated as one taxpayer for purposes of any original return, amended return which includes the same taxpayers of the unitary group which joined in the election to file the original return, extension, claim for refund, assessment, collection and payment and determination of the group's tax liability under this Act. This subsection (e) does not permit the election to be made for some, but not all, of the purposes enumerated above. For taxable years ending on or after December 31, 1987, corporate members (other than Subchapter S corporations) of the same unitary business group
making this subsection (e) election are not required to have
the same taxable year.

For taxable years ending on or after December 31, 1993,
taxpayers that are corporations (other than Subchapter S
corporations) and that are members of the same unitary business
group shall be treated as one taxpayer for purposes of any
original return, amended return which includes the same
taxpayers of the unitary group which joined in filing the
original return, extension, claim for refund, assessment,
collection and payment and determination of the group's tax
liability under this Act.

(f) For taxable years ending prior to December 31, 2014,
the Department may promulgate regulations to permit
nonresident individual partners of the same partnership,
nonresident Subchapter S corporation shareholders of the same
Subchapter S corporation, and nonresident individuals
transacting an insurance business in Illinois under a Lloyds
plan of operation, and nonresident individual members of the
same limited liability company that is treated as a partnership
under Section 1501 (a)(16) of this Act, to file composite
individual income tax returns reflecting the composite income
of such individuals allocable to Illinois and to make composite
individual income tax payments. For taxable years ending prior
to December 31, 2014, the Department may by regulation also
permit such composite returns to include the income tax owed by
Illinois residents attributable to their income from
partnerships, Subchapter S corporations, insurance businesses organized under a Lloyds plan of operation, or limited liability companies that are treated as partnership under Section 1501(a)(16) of this Act, in which case such Illinois residents will be permitted to claim credits on their individual returns for their shares of the composite tax payments. This paragraph of subsection (f) applies to taxable years ending on or after December 31, 1987 and ending prior to December 31, 2014.

For taxable years ending on or after December 31, 1999, the Department may, by regulation, permit any persons transacting an insurance business organized under a Lloyds plan of operation to file composite returns reflecting the income of such persons allocable to Illinois and the tax rates applicable to such persons under Section 201 and to make composite tax payments and shall, by regulation, also provide that the income and apportionment factors attributable to the transaction of an insurance business organized under a Lloyds plan of operation by any person joining in the filing of a composite return shall, for purposes of allocating and apportioning income under Article 3 of this Act and computing net income under Section 202 of this Act, be excluded from any other income and apportionment factors of that person or of any unitary business group, as defined in subdivision (a)(27) of Section 1501, to which that person may belong.
