

1 AN ACT concerning environmental safety.

2 Be it enacted by the People of the State of Illinois,  
3 represented in the General Assembly:

4 Section 5. The Alternate Fuels Act is amended by adding  
5 Section 22 as follows:

6 (415 ILCS 120/22 new)

7 Sec. 22. Flexible fuel vehicle database. The Secretary  
8 of State shall compile a database of the flexible fuel  
9 vehicles in the State by zip code area. The database shall  
10 be created based upon the make, model, and vehicle  
11 identification number of registered vehicles. The database  
12 shall include only the number of vehicles by zip code and  
13 shall be completed and made available to the public in both  
14 print and electronic format by January 1, 2004. For the  
15 purposes of this Section, "flexible fuel vehicle" means a  
16 vehicle that is capable of running on E85 blend fuel.

17 Section 99. Effective date. This Act takes effect upon  
18 becoming law.
