1 AMENDMENT TO HOUSE BILL 3828

2 AMENDMENT NO. _____. Amend House Bill 3828 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Environmental Protection Act is amended by
5 changing Section 12.5 as follows:

6 (415 ILCS 5/12.5)

7 Sec. 12.5. NPDES discharge fees; sludge permit fees.

8 (a) Beginning July 1, 2003, the Agency shall assess and
9 collect annual fees (i) in the amounts set forth in subsection
10 (e) for all discharges that require an NPDES permit under
11 subsection (f) of Section 12, from each person holding an NPDES
12 permit authorizing those discharges (including a person who
13 continues to discharge under an expired permit pending
14 renewal), and (ii) in the amounts set forth in subsection (f)
15 of this Section for all activities that require a permit under
16 subsection (b) of Section 12, from each person holding a
17 domestic sewage sludge generator or user permit.

18 Each person subject to this Section must remit the
19 applicable annual fee to the Agency in accordance with the
20 requirements set forth in this Section and any rules adopted
21 pursuant to this Section.

22 (b) Within 30 days after the effective date of this
23 Section, and by May 31 of each year thereafter, the Agency
24 shall send a fee notice by mail to each existing permittee

1 subject to a fee under this Section at his or her address of
2 record. The notice shall state the amount of the applicable
3 annual fee and the date by which payment is required.

4 Except as provided in subsection (c) with respect to
5 initial fees under new permits and certain modifications of
6 existing permits, fees payable under this Section for the 12
7 months beginning July 1, 2003 are due by the date specified in
8 the fee notice, which shall be no less than 30 days after the
9 date the fee notice is mailed by the Agency, and fees payable
10 under this Section for subsequent years shall be due on July 1
11 or as otherwise required in any rules that may be adopted
12 pursuant to this Section.

13 (c) The initial annual fee for discharges under a new
14 individual NPDES permit or for activity under a new individual
15 sludge generator or sludge user permit must be remitted to the
16 Agency prior to the issuance of the permit. The Agency shall
17 provide notice of the amount of the fee to the applicant during
18 its review of the application. In the case of a new individual
19 NPDES or sludge permit issued during the months of January
20 through June, the Agency may prorate the initial annual fee
21 payable under this Section.

22 The initial annual fee for discharges or other activity
23 under a general NPDES permit must be remitted to the Agency as
24 part of the application for coverage under that general permit.

25 If a requested modification to an existing NPDES permit
26 causes a change in the applicable fee categories under
27 subsection (e) that results in an increase in the required fee,
28 the permittee must pay to the Agency the amount of the
29 increase, prorated for the number of months remaining before
30 the next July 1, before the modification is granted.

31 (d) Failure to submit the fee required under this Section
32 by the due date constitutes a violation of this Section. Late
33 payments shall incur an interest penalty, calculated at the
34 rate in effect from time to time for tax delinquencies under

1 subsection (a) of Section 1003 of the Illinois Income Tax Act,
2 from the date the fee is due until the date the fee payment is
3 received by the Agency.
