

HB3733

95TH GENERAL ASSEMBLY

State of Illinois

2007 and 2008

HB3733

Introduced 2/28/2007, by Rep. Roger L. Eddy

SYNOPSIS AS INTRODUCED:

220 ILCS 5/2-204 new

Amends the Public Utilities Act. Provides that it is the goal of the State that by January 1, 2015, 10% of the energy used in the State shall be derived from coal gasification or other clean coal technologies. Provides that by March 1, 2015, the Illinois Commerce Commission shall: (i) review the amount of energy derived from coal gasification by utilities under its jurisdiction; (ii) prepare a report concerning the findings of the review that creates future goals; and (iii) adopt rules to implement policies that are consistent with the future goals. Effective immediately.

FISCAL NOTE ACT
MAY APPLY

A BILL FOR

1 AN ACT concerning regulation.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Public Utilities Act is amended by adding
5 Section 2-204 as follows:

6 (220 ILCS 5/2-204 new)

7 Sec. 2-204. Commission review on clean coal technologies.

8 (a) It is the goal of the State that by January 1, 2015,
9 10% of the energy used in the State shall be derived from coal
10 gasification or other clean coal technologies.

11 (b) By March 1, 2015, the Commission shall:

12 (1) review the amount of energy derived from coal
13 gasification by utilities under its jurisdiction;

14 (2) prepare a report concerning the findings of the
15 review that creates future goals; and

16 (3) adopt rules to implement policies that are
17 consistent with the future goals.

18 Section 99. Effective date. This Act takes effect upon
19 becoming law.
